PART 700—DEFINITIONS

Sec.

700.1 Scope.

700.2 Definitions.

AUTHORITY: 12 U.S.C. 1752, 1757(6), 1766.

§ 700.1 Scope.

The definitions in § 700.2 apply to terms used in this chapter. Many additional definitions appear in the parts where the terms are used.

[66 FR 65624, Dec. 20, 2001]

§ 700.2 Definitions.

As used in this chapter:

(a) *Act* means the Federal Credit Union Act (73 Stat. 628, 84 Stat. 944, 12 U.S.C. 1751 through 1790).

(b) *Administration* means the National Credit Union Administration.

(c) *Board* means the Board of the National Credit Union Administration.

(d) *Credit Union* means a credit union chartered under the Federal Credit Union Act or, as the context permits, under the laws of any State.

(e)(1) *Insolvency*. A credit union will be determined to be insolvent when the total amount of its shares exceeds the present cash value of its assets after providing for liabilities unless:

(i) It is determined by the Board that the facts that caused the deficient share-asset ratio no longer exist; and

(ii) The likelihood of further depreciation of the share-asset ratio is not probable; and

(iii) The return of the share-asset ratio to its normal limits within a reasonable time for the credit union concerned is probable; and

(iv) The probability of a further potential loss to the insurance fund is negligible.

(2) For purposes of this section, the following definitions are used:

(i) *Cash value of assets*. Recorded value will be considered the cash value of any asset account providing accepted accounting principles and practices are followed and the provisions of law, regulation, and bylaws are met.

(ii) *Liabilities*. Recorded liabilities which are due and payable, excluding

shares of members and non-members, are considered liabilities.

(f) *Paid-in and unimpaired capital and surplus* means shares plus post-closing, undivided earnings. This does not include regular reserves or special reserves required by law, regulation or special agreement between the credit union and its regulator or share insurer. “Paid-in and unimpaired capital and surplus” for purposes of the Central Liquidity Facility is defined in § 725.2(o) of this chapter.

(g) *Regional Director* means the representative of the Administration in the designated geographical area in which the office of the Federal credit union is located.

(h) *Regional Office* means the office of the Administration located in the designated geographical areas in which the office of the Federal credit union is located.

[72 FR 61500, Oct. 31, 2007]

§ 701.3 Member inspection of credit union books, records, and minutes.

(a) *Member inspection rights.* A group of members of a Federal credit union has the right, upon submission of a petition to the credit union as described in paragraph (b) of this section, to inspect and copy nonconfidential portions of the credit union's:

(1) Accounting books and records; and

(2) Minutes of the proceedings of the credit union's members, board of directors, and committees of directors.

(b) *Petition for inspection.* The petition must describe the particular records to be inspected and state a proper purpose related to the protection of the members' financial interests in the credit union. The petition must state that the petitioners as a whole, or certain named petitioners, agree to pay the direct and reasonable costs associated with search and duplication of requested material. The petition must also state that the inspection is not desired for any purpose other than the stated purpose; that the members signing the petition will not sell or offer

National Credit Union Administration

§ 701.6

for sale any information obtained from the credit union; and that the members signing the petition have not within five years preceding the signature date sold or offered for sale any information acquired from the credit union or aided or abetted any person in procuring any information from the credit union for purposes of sale. The petition must name one member, and one alternate member, who will represent the petitioners on issues such as inspection procedures, costs, and potential disputes. At least one percent of the credit union's members, with a minimum of 20 members and a maximum of 500 members, must sign the petition. Each member who signs the petition must have been a member of the credit union for at least 180 days at the time the petitioners submit the petition to the credit union.

(c) *Inspection procedures.* (1) A Federal credit union must respond to petitioners within 14 days of receiving a petition. In its response, a credit union must inform petitioners either that it will provide inspection of the requested material and, if so, when, or, if a credit union is going to withhold all or part of the requested material, it must inform petitioners what part of the requested material it intends to withhold and the reasons for withholding the requested material. As soon as possible after receiving a petition, a credit union must schedule inspection and copying of nonconfidential requested material it determines petitioners may inspect and copy.

(2) Inspection may be made in person or by agent or attorney and at any reasonable time or times. The credit union may, at its option, skip inspection and deliver copies of requested documents directly to the petitioners. Member inspection rights under this section are in addition to any other member inspection rights afforded by the credit union's charter or bylaws or other Federal law or Federal regulation.

(3) If the credit union denies inspection because the petitioners have failed to obtain the minimum number of valid signatures, the credit union must inform the petitioners which signatures were not valid and why.

(d) *Confidential books, records, and minutes.* Members do not have the right

to inspect any portion of the books, records, or minutes of a Federal credit union if:

(1) Federal law or regulation prohibits disclosure of that portion;

(2) The publication of that portion could cause the credit union predictable and substantial financial harm;

(3) That portion contains nonpublic personal information as defined in § 716.3 of this part; or

(4) That portion contains information about credit union employees or officials the disclosure of which would constitute a clearly unwarranted invasion of personal privacy.

(e) *Costs.* A Federal credit union may charge petitioners the direct and reasonable costs associated with search and duplication. The credit union may not charge for other costs, including indirect costs or attorney's fees.

(f) *Dispute resolution.* (1) In the event of a dispute between a federal credit union and its members concerning a petition for inspection or the associated costs, either party may submit the dispute to the regional director. The regional director, after obtaining the views of both parties, will direct the credit union either to withhold the disputed materials or to make them available for member inspection and copying. The regional director may place conditions upon release. The decision of the regional director is a final agency decision and is not appealable to the Board.

(2) The regional director has the discretion to refer any dispute to the credit union's supervisory committee for review and resolution. If petitioners are not satisfied with the supervisory committee's response, they may resubmit the dispute to the regional director.

[72 FR 56253, Oct. 3, 2007]

§§ 701.4–701.5 [Reserved]

§ 701.6 Fees paid by Federal credit unions.

(a) *Basis for assessment.* Each calendar year or as otherwise directed by the Board, each Federal credit union shall

§701.6

12 CFR Ch. VII (1–1–10 Edition)

pay to the Administration for the current National Credit Union Administration fiscal year (January 1 to December 31) an operating fee in accordance with a schedule as fixed from time to time by the National Credit Union Administration Board based on the total assets of each Federal credit union as of December 31 of the preceding year or as otherwise determined pursuant to paragraph (b) of this section. The operating fee is determined based on total assets less the assets created on the books of a natural person Federal credit union by investments made in a corporate credit union under the Credit Union System Investment Program or the Credit Union Homeowners Affordability Relief Program.

(b) *Coverage.* The operating fee shall be paid by each Federal credit union engaged in operations as of January 1 of each calendar year, except as otherwise provided by this paragraph.

(1) *New charters.* A newly chartered Federal credit union will not pay an operating fee until the year following the first full calendar year after the date chartered.

(2) *Conversions.* A state chartered credit union that converts to Federal charter will pay an operating fee in the year following the conversion. Federal credit unions converting to state charter will not receive a refund of the operating fee paid to the Administration in the year in which the conversion takes place.

(3) *Mergers.* A continuing Federal credit union that has merged with another credit union will pay an operating fee in the following year based on the combined total assets of the merged credit union and the continuing Federal credit union as of December 31 of the year in which the merger took place. For purposes of this requirement, a purchase and assumption transaction wherein the continuing Federal credit union purchases all or essentially all of the assets of another credit union shall be deemed a merger. Federal credit unions merging with other Federal or state credit unions will not receive a refund of the operating fee paid to the Administration in the year in which the merger took place.

(4) *Liquidations.* A Federal credit union placed in liquidation will not pay any operating fee after the date of liquidation.

(c) *Notification.* Each Federal credit union shall be notified at least 30 days in advance of the schedule of fees to be paid. A Federal credit union may submit written comments to the Board for consideration regarding the existing fee schedule. Any subsequent revision to the schedule shall be provided to each Federal credit union at least 15 days before payment is due.

(d) *Assessment of Administrative Fee and Interest for Delinquent Payment.* Each Federal credit union shall pay to the Administration an administrative fee, the costs of collection, and interest on any delinquent payment of its operating fee. A payment will be considered delinquent if it is postmarked later than the date stated in the notice to the credit union provided under §701.6(c). The National Credit Union Administration may waive or abate charges or collection of interest if circumstances warrant.

(1) The administrative fee for a delinquent payment shall be an amount fixed from time to time by the National Credit Union Administration Board and based upon the administrative costs of such delinquent payments to the Administration in the preceding year.

(2) The costs of collection shall be the actual hours expended by Administration personnel multiplied by the average hourly salary and benefits costs of such personnel as determined by the National Credit Union Administration Board.

(3) The interest rate charged on any delinquent payment shall be the U.S. Department of the Treasury Tax and Loan Rate in effect on the date when the payment is due as provided in 31 U.S.C. 3717.

(4) If a credit union makes a combined payment of its operating fee and its share insurance deposit as provided in §741.4 of this chapter and such payment is delinquent, only one administrative fee will be charged and interest

National Credit Union Administration

§ 701.14

will be charged on the total combined payment.

§§ 701.7–701.13 [Reserved]

§ 701.14 Change in official or senior executive officer in credit unions that are newly chartered or are in troubled condition.

(a) *Statement of scope and purpose.* Section 212 of the Federal Credit Union Act (12 U.S.C. 1790a) sets forth conditions under which a credit union must notify NCUA in writing of any proposed changes in its board of directors, committee members or senior executive staff. The regulation only applies in cases of newly chartered credit unions and credit unions in troubled condition.

(b) *Definitions.* For the purposes of this section:

(1) *Committee member* means any individual who serves as an official of the credit union in the capacity of a credit committee member or supervisory committee member.

(2) *Senior executive officer* means a credit union's chief executive officer (typically this individual holds the title of president or treasurer/manager), any assistant chief executive officer (e.g., any assistant president, any vice president or any assistant treasurer/manager) and the chief financial officer (controller). The term "senior executive officer" also includes employees of an entity, such as a consulting firm, hired to perform the functions of positions covered by the regulation.

(3) Except as provided in paragraph (b)(4) of this section for corporate credit unions, "troubled condition" means any insured credit union that has one or a combination of the following conditions:

(i) Has been assigned

(A) A 4 or 5 Camel composite rating by the NCUA in the case of a federal credit union, or

(B) An equivalent 4 or 5 Camel composite rating by the state supervisor in the case of a federally insured, state-chartered credit union, or

(C) A 4 or 5 Camel composite rating by NCUA based on core workpapers received from the state supervisor in the case of a federally insured, state-chartered credit union in a state that does not use the Camel system. In this case, the state supervisor will be notified in writing by the Regional Director in the Region in which the credit union is located that the credit union has been designated by NCUA as a troubled institution;

(ii) Has been granted assistance as outlined under sections 208 or 216 of the Federal Credit Union Act.

(4) In the case of a corporate credit union, "troubled condition" means any insured corporate credit union that has one or a combination of the following conditions:

(i) Has been assigned

(A) A 4 or 5 Corporate Risk Information System (CRIS) rating by NCUA in either the Financial Risk or Risk Management composites, in the case of a federal corporate credit union, or

(B) An equivalent 4 or 5 CRIS rating in either the Financial Risk or Risk Management composites by the state supervisor in the case of a federally insured, state-chartered corporate credit union in a state that has adopted the CRIS system, or an equivalent 4 or 5 CAMEL composite rating by the state supervisor in the case of a federally insured, state-chartered corporate credit union in a state that uses the CAMEL system, or

(C) A 4 or 5 CRIS rating in either the Financial Risk or Risk Management composites by NCUA based on core workpapers received from the state supervisor in the case of a federally insured, state-chartered credit union in a state that does not use either the CRIS or CAMEL system. In this case, the state supervisor will be notified in writing by the Director of the Office of Corporate Credit Unions that the corporate credit union has been designated by NCUA as a troubled institution;

(ii) Has been granted assistance as outlined under sections 208 or 216 of the Federal Credit Union Act.

(c) *Procedures for Notice of Proposed Change in Official or Senior Executive Officer*—(1) *Prior Notice Requirement.* An insured credit union must give NCUA

written notice at least 30 days before the effective date of any addition or replacement of a member of the board of directors or committee member or the employment or change in responsibilities of any individual to a position of senior executive officer if:

(i) The credit union has been chartered for less than two years; or

(ii) The credit union meets the definition of troubled condition in paragraph (b)(3) or (4) of this section.

(2) *Waiver of Prior Notice*—(i) *Waiver requests.* Parties may petition the appropriate Regional Director for a waiver of the prior notice required under this section. Waiver may be granted if it is found that delay could harm the credit union or the public interest.

(ii) *Automatic waiver.* In the case of the election of a new member of the board of directors or credit committee member at a meeting of the members of a federally insured credit union, the prior 30-day notice is automatically waived and the individual may immediately begin serving, provided that a complete notice is filed with the appropriate Regional Director within 48 hours of the election. If NCUA disapproves a director or credit committee member, the board of directors of the credit union may appoint its own alternate, to serve until the next annual meeting, contingent on NCUA approval.

(iii) *Effect on disapproval authority.* A waiver does not affect the authority of NCUA to issue a Notice of Disapproval within 30 days of the waiver or within 30 days of any subsequent required notice.

(3) *Filing procedures*—(i) *Where to file.* Notices will be filed with the appropriate Regional Director or, in the case of a corporate credit union, with the Director of the Office of Corporate Credit Unions. All references to Regional Director will, for corporate credit unions, mean the Director of Office of Corporate Credit Unions. State-chartered federally insured credit unions will also file a copy of the notice with their state supervisor.

(ii) *Contents.* The notice must contain information about the competence, experience, character, or integrity of the individual on whose behalf the notice is submitted. The Regional Director or

his or her designee may require additional information. The information submitted must include the identity, personal history, business background, and experience of the individual, including material business activities and affiliations during the past five years, and a description of any material pending legal or administrative proceedings in which the individual is a party and any criminal indictment or conviction of the individual by a state or federal court. Each individual on whose behalf the notice is filed must attest to the validity of the information filed. At the option of the individual, the information may be forwarded to the Regional Director by the individual; however, in such cases, the credit union must file a notice to that effect.

(iii) *Processing.* Within ten calendar days after receiving the notice, the Regional Director will inform the credit union either that the notice is complete or that additional, specified information is needed and must be submitted within 30 calendar days. If the initial notice is complete, the Regional Director will issue a written decision of approval or disapproval to the individual and the credit union within 30 calendar days of receipt of the notice. If the initial notice is not complete, the Regional Director will issue a written decision within 30 calendar days of receipt of the original notice plus the amount of time the credit union takes to provide the requested additional information. If the additional information is not submitted within 30 calendar days of the Regional Director's request, the Regional Director may either disapprove the proposed individual or review the notice based on the information provided. If the credit union and the individual have submitted all requested information and the Regional Director has not issued a written decision within the applicable time period, the individual is approved.

(d) *Commencement of Service.* A proposed director, committee member, or senior executive officer may begin service after the end of the 30-day period or any other additional period as provided under paragraph (c)(3)(iii) of

National Credit Union Administration

§ 701.20

this section, unless the NCUA disapproves the notice before the end of the period.

(e) *Notice of disapproval.* NCUA may disapprove the individual's serving as a director, committee member or senior executive officer if it finds that the competence, experience, character, or integrity of the individual with respect to whom a notice under this section is submitted indicates that it would not be in the best interests of the members of the credit union or of the public to permit the individual to be employed by, or associated with, the credit union. The Notice of Disapproval will advise the parties of their rights of appeal pursuant to 12 CFR part 747 subpart J, of NCUA's Regulations.

§§ 701.15-701.18 [Reserved]

§ 701.19 Benefits for employees of Federal credit unions.

(a) *General authority.* A federal credit union may provide employee benefits, including retirement benefits, to its employees and officers who are compensated in conformance with the Act and the bylaws, individually or collectively with other credit unions. The kind and amount of these benefits must be reasonable given the federal credit union's size, financial condition, and the duties of the employees.

(b) *Plan trustees and custodians.* Where a federal credit union is the benefit plan trustee or custodian, the plan must be authorized and maintained in accordance with the provisions of part 724 of this chapter. Where the benefit plan trustee or custodian is a party other than a federal credit union, the benefit plan must be maintained in accordance with applicable laws governing employee benefit plans, including any applicable rules and regulations issued by the Secretary of Labor, the Secretary of the Treasury, or any other federal or state authority exercising jurisdiction over the plan.

(c) *Investment authority.* A federal credit union investing to fund an employee benefit plan obligation is not subject to the investment limitations

of the Act and part 703 or, as applicable, part 704, of this chapter and may purchase an investment that would otherwise be impermissible if the investment is directly related to the federal credit union's obligation or potential obligation under the employee benefit plan and the federal credit union holds the investment only for as long as it has an actual or potential obligation under the employee benefit plan.

(d) *Defined benefit plans.* Under paragraph (c) of this section, a federal credit union may invest to fund a defined benefit plan if the investment meets the conditions provided in that paragraph. If a federal credit union invests to fund a defined benefit plan that is not subject to the fiduciary responsibility provisions of part 4 of the Employee Retirement Income Security Act of 1974, it should diversify its investment portfolio to minimize the risk of large losses unless it is clearly prudent not to do so under the circumstances.

(e) *Liability insurance.* No federal credit union may occupy the position of a fiduciary, as defined in the Employee Retirement Income Security Act of 1974 and the rules and regulations issued by the Secretary of Labor, unless it has obtained appropriate liability insurance as described and permitted by Section 410(b) of the Employee Retirement Income Security Act of 1974.

(f) *Definitions.* For this section, defined benefit plan has the same meaning as in 29 U.S.C. 1002(35) and employee benefit plan has the same meaning as in 29 U.S.C. 1002(3).

§ 701.20 Suretyship and guaranty.

(a) *Scope.* This section authorizes a federal credit union to enter into a suretyship or guaranty agreement as an incidental powers activity. This section does not apply to the guaranty of public deposits or the assumption of liability for member accounts.

(b) *Definitions.* A *suretyship* binds a federal credit union with its principal to pay or perform an obligation to a third person. Under a *guaranty* agreement, a federal credit union agrees to satisfy the obligation of the principal

§ 701.21

only if the principal fails to pay or perform. The *principal* is the person primarily liable, for whose performance of his obligation the surety or guarantor has become bound.

(c) *Requirements.* The suretyship or guaranty agreement must be for the benefit of a principal that is a member and is subject to the following conditions:

(1) The federal credit union limits its obligations under the agreement to a fixed dollar amount and a specified duration;

(2) The federal credit union's performance under the agreement creates an authorized loan that complies with the applicable lending regulations, including the limitations on loans to one member or associated members or officials for purposes of §§ 701.21(c)(5), (d); 723.2 and 723.8; and

(3) The federal credit union obtains a segregated deposit from the member that is sufficient in amount to cover the federal credit union's total potential liability.

(d) *Collateral.* A segregated deposit under this section includes collateral:

(1) In which the federal credit union has perfected its security interest (for example, if the collateral is a printed security, the federal credit union must have obtained physical control of the security, and, if the collateral is a book entry security, the federal credit union must have properly recorded its security interest); and

(2) That has a market value, at the close of each business day, equal to 100 percent of the federal credit union's total potential liability and is composed of:

(i) Cash;

(ii) Obligations of the United States or its agencies;

(iii) Obligations fully guaranteed by the United States or its agencies as to principal and interest; or

(iv) Notes, drafts, or bills of exchange or banker's acceptances that are eligible for rediscount or purchase by a Federal Reserve Bank; or

(3) That has a market value equal to 110 percent of the federal credit union's total potential liability and is composed of:

(i) Real estate, the value of which is established by a signed appraisal or

12 CFR Ch. VII (1–1–10 Edition)

evaluation in accordance with part 722 of this chapter. In determining the value of the collateral, the federal credit union must factor in the value of any existing senior mortgages, liens or other encumbrances on the property except those held by the principal to the suretyship or guaranty agreement; or

(ii) Marketable securities that the federal credit union is authorized to invest in. The federal credit union must ensure that the value of the security is 110 percent of the obligation at all times during the term of the agreement.

§ 701.21 Loans to members and lines of credit to members.

(a) *Statement of scope and purpose.* Section 701.21 complements the provisions of section 107(5) of the Federal Credit Union Act (12 U.S.C. 1757(5)) authorizing Federal credit unions to make loans to members and issue lines of credit (including credit cards) to members. Section 107(5) of the Act contains limitations on matters such as loan maturity, rate of interest, security, and prepayment penalties. Section 701.21 interprets and implements those provisions. In addition, § 701.21 states the NCUA Board's intent concerning preemption of state laws, and expands the authority of Federal credit unions to enforce due-on-sale clauses in real property loans. Also, while § 701.21 generally applies to Federal credit unions only, its provisions may be used by state-chartered credit unions with respect to alternative mortgage transactions in accordance with 12 U.S.C. 3801 *et seq.*, and certain provisions apply to loans made by federally insured state-chartered credit unions as specified in § 741.203 of this chapter. Part 722 of this chapter sets forth requirements for appraisals for certain real estate secured loans made under § 701.21 and any other applicable lending authority. Finally, it is noted that § 701.21 does not apply to loans by Federal credit unions to other credit unions (although certain statutory limitations in section 107 of the Act

National Credit Union Administration

§ 701.21

apply), nor to loans to credit union organizations which are governed by section 107(5)(D) of the Act and part 712 of this chapter.

(b) *Relation to other laws*—(1) *Preemption of state laws*. Section 701.21 is promulgated pursuant to the NCUA's Board's exclusive authority as set forth in section 107(5) of the Federal Credit Union Act (12 U.S.C 1757(5)) to regulate the rates, terms of repayment and other conditions of Federal credit union loans and lines of credit (including credit cards) to members. This exercise of the Board's authority preempts any state law purporting to limit or affect:

(i)(A) Rates of interest and amounts of finance charges, including:

(1) The frequency or the increments by which a variable interest rate may be changed;

(2) The index to which a variable interest rate may be tied;

(3) The manner or timing of notifying the borrower of a change in interest rate;

(4) The authority to increase the interest rate on an existing balance;

(B) Late charges; and

(C) Closing costs, application, origination, or other fees;

(ii) Terms of repayment, including:

(A) The maturity of loans and lines of credit;

(B) The amount, uniformity, and frequency of payments, including the accrual of unpaid interest if payments are insufficient to pay all interest due;

(C) Balloon payments; and

(D) Prepayment limits;

(iii) Conditions related to:

(A) The amount of the loan or line of credit;

(B) The purpose of the loan or line of credit;

(C) The type or amount of security and the relation of the value of the security to the amount of the loan or line of credit;

(D) Eligible borrowers; and

(E) The imposition and enforcement of liens on the shares of borrowers and accommodation parties.

(2) *Matters not preempted*. Except as provided by paragraph (b)(1) of this section, it is not the Board's intent to preempt state laws that do not affect rates, terms of repayment and other

conditions described above concerning loans and lines of credit, for example:

(i) Insurance laws;

(ii) Laws related to transfer of and security interests in real and personal property (see, however, paragraph (g)(6) of this section concerning the use and exercise of due-on-sale clauses);

(iii) Conditions related to:

(A) Collection costs and attorneys' fees;

(B) Requirements that consumer lending documents be in "plain language;" and

(C) The circumstances in which a borrower may be declared in default and may cure default.

(3) *Other Federal law*. Except as provided by paragraph (b)(1) of this section, it is not the Board's intent to preempt state laws affecting aspects of credit transactions that are primarily regulated by Federal law other than the Federal Credit Union Act, for example, state laws concerning credit cost disclosure requirements, credit discrimination, credit reporting practices, unfair credit practices, and debt collection practices. Applicability of state law in these instances should be determined pursuant to the preemption standards of the relevant Federal law and regulations.

(4) *Examination and enforcement*. Except as otherwise agreed by the NCUA Board, the Board retains exclusive examination and administrative enforcement jurisdiction over Federal credit unions. Violations of Federal or applicable state laws related to the lending activities of a Federal credit union should be referred to the appropriate NCUA regional office.

(5) *Definition of State law*. For purposes of paragraph (b) of this section "state law" means the constitution, laws, regulations and judicial decisions of any state, the District of Columbia, the several territories and possessions of the United States, and the Commonwealth of Puerto Rico.

(c) *General rules*—(1) *Scope*. The following general rules apply to all loans to members and, where indicated, all lines of credit (including credit cards) to members, except as otherwise provided in the remaining provisions of § 701.21.

(2) *Written policies.* The board of directors of each Federal credit union shall establish written policies for loans and lines of credit consistent with the relevant provisions of the Act, NCUA's regulations, and other applicable laws and regulations.

(3) *Credit applications and overdrafts.* Consistent with policies established by the board of directors, the credit committee or loan officer shall ensure that a credit application is kept on file for each borrower supporting the decision to make a loan or establish a line of credit. A credit union may advance money to a member to cover an account deficit without having a credit application from the borrower on file if the credit union has a written overdraft policy. The policy must: set a cap on the total dollar amount of all overdrafts the credit union will honor consistent with the credit union's ability to absorb losses; establish a time limit not to exceed forty-five calendar days for a member either to deposit funds or obtain an approved loan from the credit union to cover each overdraft; limit the dollar amount of overdrafts the credit union will honor per member; and establish the fee and interest rate, if any, the credit union will charge members for honoring overdrafts.

(4) *Maturity.* The maturity of a loan to a member may not exceed 15 years. Lines of credit are not subject to a statutory or regulatory maturity limit. Amortization of line of credit balances and the type and amount of security on any line of credit shall be as determined by contract between the Federal credit union and the member/borrower.

(5) *Ten percent limit.* No loan or line of credit advance may be made to any member if such loan or advance would cause that member to be indebted to the Federal credit union upon loans and advances made to the member in an aggregate amount exceeding 10% of the credit union's total unimpaired capital and surplus. In the case of member business loans as defined in §723.1 of this chapter, additional limitations apply as set forth in §723.8 and 723.9 of this chapter.

(6) *Early payment.* A member may repay a loan, or outstanding balance on a line of credit, prior to maturity in

whole or in part on any business day without penalty.

(7) *Loan interest rates*—(i) *General.* Except when the Board establishes a higher maximum rate, federal credit unions may not extend credit to members at rates exceeding 15 percent per year on the unpaid balance inclusive of all finance charges. Federal credit unions may use variable rates of interest but only if the effective rate over the term of a loan or line of credit does not exceed the maximum permissible rate.

(ii) *Temporary rates.* (A) At least every 18 months, the Board will determine if federal credit unions may extend credit to members at an interest rate exceeding 15 percent. After consultation with appropriate congressional committees, the Department of Treasury, and other federal financial institution regulatory agencies, the Board may establish a rate exceeding the 15 percent per year rate, if it determines money market interest rates have risen over the preceding six-month period and prevailing interest rate levels threaten the safety and soundness of individual federal credit unions as evidenced by adverse trends in liquidity, capital, earnings, and growth.

(B) When the Board establishes a higher maximum rate, the Board will provide notice to federal credit unions of the adjusted rate by issuing a *Letter to Federal Credit Unions*, as well as providing information in other NCUA publications and in a statement for the press.

(C) Federal credit unions may continue to charge rates exceeding the established maximum rate only on existing loans or lines of credit made before the effective date of any lowering of the maximum rate.

(8)(i) Except as otherwise provided herein, no official or employee of a Federal credit union, or immediate family member of an official or employee of a Federal credit union, may receive, directly or indirectly, any commission, fee, or other compensation in connection with any loan made by the credit union.

(ii) For the purposes of this section: *Compensation* includes non monetary items, except those of nominal value.

National Credit Union Administration

§ 701.21

Immediate family member means a spouse or other family member living in the same household.

Loan includes line of credit.

Official means any member of the board of directors or a volunteer committee.

Person means an individual or an organization.

Senior management employee means the credit union's chief executive officer (typically, this individual holds the title of President or Treasurer/Manager), any assistant chief executive officers (e.g., Assistant President, Vice President, or Assistant Treasurer/Manager), and the chief financial officer (Comptroller).

Volunteer official means an official of a credit union who does not receive compensation from the credit union solely for his or her service as an official.

(iii) This section does not prohibit:

(A) Payment, by a Federal credit union, of salary to employees;

(B) Payment, by a Federal credit union, of an incentive or bonus to an employee based on the credit union's overall financial performance;

(C) Payment, by a Federal credit union, of an incentive or bonus to an employee, other than a senior management employee, in connection with a loan or loans made by the credit union, provided that the board of directors of the credit union establishes written policies and internal controls in connection with such incentive or bonus and monitors compliance with such policies and controls at least annually.

(D) Receipt of compensation from a person outside a Federal credit union by a volunteer official or non senior management employee of the credit union, or an immediate family member of a volunteer official or employee of the credit union, for a service or activity performed outside the credit union, provided that no referral has been made by the credit union or the official, employee, or family member.

(d) *Loans and lines of credit to officials*—(1) *Purpose*. Sections 107(5)(A) (iv) and (v) of the Act require the approval of the board of directors of the Federal credit union in any case where the aggregate of loans to an official and loans on which the official serves as endorser

or guarantor exceeds \$20,000 plus pledged shares. This paragraph implements the requirement by establishing procedures for determining whether board of directors's approval is required. The section also prohibits preferential treatment of officials.

(2) *Official*. An "official" is any member of the board of directors, credit committee or supervisory committee.

(3) *Initial approval*. All applications for loans or lines of credit on which an official will be either a direct obligor or an endorser, cosigner or guarantor shall be initially acted upon by either the board of directors, the credit committee or a loan officer, as specified in the Federal credit union's bylaws.

(4) *Board of Directors' review*. The board of directors shall, in any case, review and approve or deny an application on which an official is a direct obligor, or endorser, cosigner or guarantor if the following computation produces a total in excess of \$20,000:

(i) Add:

(A) The amount of the current application.

(B) The outstanding balances of loans, including the used portion of an approved line of credit, extended to or endorsed, cosigned or guaranteed by the official.

(C) The total unused portion of approved lines of credit extended to or endorsed, cosigned or guaranteed by the official.

(ii) From the above total subtract:

(A) The amount of shares pledged by the official on loans or lines of credit extended to or endorsed, cosigned or guaranteed by the official.

(B) The amount of shares to be pledged by the official on the loan or line of credit applied for.

(5) *Nonpreferential treatment*. The rates, terms and conditions on any loan or line of credit either made to, or endorsed or guaranteed by—

(i) An official,

(ii) An immediate family member of an official, or

(iii) Any individual having a common ownership, investment or other pecuniary interest in a business enterprise with an official or with an immediate family member of an official,

shall not be more favorable than the rates, terms and conditions for comparable loans or lines of credit to other credit union members. “Immediate family member” means a spouse or other family member living in the same household.

(e) *Insured, Guaranteed and Advance Commitment Loans.* A loan secured, in full or in part, by the insurance or guarantee of, or with an advance commitment to purchase the loan, in full or in part, by the Federal Government, a State government or any agency of either, may be made for the maturity and under the terms and conditions, including rate of interest, specified in the law, regulations or program under which the insurance, guarantee or commitment is provided.

(f) *20-Year Loans.* (1) Notwithstanding the general 15-year maturity limit on loans to members, a federal credit union may make loans with maturities of up to 20 years in the case of:

(i) A loan to finance the purchase of a mobile home if the mobile home will be used as the member-borrower’s residence and the loan is secured by a first lien on the mobile home, and the mobile home meets the requirements for the home mortgage interest deduction under the Internal Revenue Code,

(ii) A second mortgage loan (or a nonpurchase money first mortgage loan in the case of a residence on which there is no existing first mortgage) if the loan is secured by a residential dwelling which is the residence of the member-borrower, and

(iii) A loan to finance the repair, alteration, or improvement of a residential dwelling which is the residence of the member-borrower.

(2) For purposes of this paragraph (f), mobile home may include a recreational vehicle, house trailer or boat.

(3) Notwithstanding the general 20-year maturity limit on second mortgage loans, a federal credit union participating in the Department of the Treasury’s Making Home Affordable Program may extend the term of a modified second mortgage to match the term of a modified first mortgage, in accordance with applicable program guidelines.

(g) *Long-Term Mortgage Loans—(1) Authority.* A federal credit union may

make residential real estate loans to members, including loans secured by manufactured homes permanently affixed to the land, with maturities of up to 40 years, or such longer period as may be permitted by the NCUA Board on a case-by-case basis, subject to the conditions of this paragraph (g).

(2) *Statutory limits.* The loan shall be made on a one to four family dwelling that is or will be the principal residence of the member-borrower and the loan shall be secured by a perfected first lien in favor of the credit union on such dwelling (or a perfected first security interest in the case of either a residential cooperative or a leasehold or ground rent estate).

(3) *Loan application.* The loan application shall be a completed standard Federal Housing Administration, Veterans Administration, Federal Home Loan Mortgage Corporation, Federal National Mortgage Association or Federal Home Loan Mortgage Corporation/Federal National Mortgage Association application form. In lieu of use of a standard application the Federal credit union may have a current attorney’s opinion on file stating that the forms in use meet the requirements of applicable Federal, state and local laws.

(4) *Security instrument and note.* The security instrument and note shall be executed on the most current version of the FHA, VA, FHLMC, FNMA, or FHLMC/FNMA Uniform Instruments for the jurisdiction in which the property is located. No prepayment penalty shall be allowed, although a Federal credit union may require that any partial prepayments be made on the date monthly installments are due and be in the amount of that part of one or more monthly installments that would be applicable to principal. In lieu of use of a standard security instrument and note, the Federal credit union may have a current attorney’s opinion on file stating that the security instrument and note in use meet the requirements of applicable Federal, state and local laws.

(5) *First lien, territorial limits.* The loan shall be secured by a perfected first lien or first security interest in favor of the credit union supported by a

National Credit Union Administration

§ 701.21

properly executed and recorded security instrument. No loan shall be secured by a residence located outside the United States of America, its territories and possessions, or the Commonwealth of Puerto Rico.

(6) *Due-on-sale clauses.* (i) Except as otherwise provided herein, the exercise of a due-on-sale clause by a Federal credit union is governed exclusively by section 341 of Pub. L. 97-320 and by any regulations issued by the Federal Home Loan Bank Board implementing section 341.

(ii) In the case of a contract involving a long-term (greater than fifteen years), fixed rate first mortgage loan which was made or assumed, including a transfer of the lien property subject to the loan, during the period beginning on the date a State adopted a constitutional provision or statute prohibiting the exercise of due-on-sale clauses, or the date on which the highest court of such state has rendered a decision (or if the highest court has not so decided, the date on which the next highest court has rendered a decision resulting in a final judgment if such decision applies statewide) prohibiting such exercise, and ending on October 15, 1982, a Federal credit union may exercise a due-on-sale clause in the case of a transfer which occurs on or after November 18, 1982, unless exercise of the due-on-sale clause would be based on any of the following:

(A) The creation of a lien or other encumbrance subordinate to the lender's security instrument which does not relate to a transfer of rights of occupancy in the property;

(B) The creation of a purchase money security interest for household appliances;

(C) A transfer by devise, descent, or operation of law on the death of a joint tenant or tenant by the entirety;

(D) The granting of a leasehold interest of 3 years or less not containing an option to purchase;

(E) A transfer to a relative resulting from the death of a borrower;

(F) A transfer where the spouse or children of the borrower become an owner of the property;

(G) A transfer resulting from a decree of a dissolution of marriage, a legal separation agreement, or from an inci-

dental property settlement agreement, by which the spouse of the borrower becomes an owner of the property;

(H) A transfer into an inter vivos trust in which the borrower is and remains a beneficiary and which does not relate to a transfer of rights of occupancy in the property; or

(I) Any other transfer or disposition described in regulations promulgated by the Federal Home Loan Bank Board.

(7) *Assumption of real estate loans by nonmembers.* A Federal credit union may permit a nonmember to assume a member's mortgage loan in conjunction with the nonmember's purchase of the member's principal residence, provided that the nonmember assumes only the remaining unpaid balance of the loan, the terms of the loan remain unchanged, and there is no extension of the original maturity date specified in the loan agreement with the member. An assumption is impermissible if the original loan was made with the intent of having a nonmember assume the loan.

(h) *Third-party servicing of indirect vehicle loans.* (1) A federally-insured credit union must not acquire any vehicle loan, or any interest in a vehicle loan, serviced by a third-party servicer if the aggregate amount of vehicle loans and interests in vehicle loans serviced by that third-party servicer and its affiliates would exceed:

(i) 50 percent of the credit union's net worth during the initial thirty months of that third-party servicing relationship; or

(ii) 100 percent of the credit union's net worth after the initial thirty months of that third-party servicing relationship.

(2) Regional directors may grant a waiver of the limits in paragraph (h)(1) of this section to permit greater limits upon written application by a credit union. In determining whether to grant or deny a waiver, a regional director will consider:

(i) The credit union's understanding of the third-party servicer's organization, business model, financial health, and the related program risks;

(ii) The credit union's due diligence in monitoring and protecting against program risks;

(iii) If contracts between the credit union and the third-party servicer grant the credit union sufficient control over the servicer's actions and provide for replacing an inadequate servicer; and

(iv) Other factors relevant to safety and soundness.

(3) A regional director will provide a written determination on a waiver request within 45 calendar days after receipt of the request; however, the 45-day period will not begin until the requesting credit union has submitted all necessary information to the regional director. If the regional director does not provide a written determination within the 45-day period the request is deemed denied. A credit union may appeal any part of the determination to the NCUA Board. Appeals must be submitted through the regional director within 30 days of the date of the determination.

(4) For purposes of paragraph (h) of this section:

(i) The term "third-party servicer" means any entity, other than a federally-insured depository institution or a wholly-owned subsidiary of a federally-insured depository institution, that receives any scheduled, periodic payments from a borrower pursuant to the terms of a loan and distributes payments of principal and interest and any other payments with respect to the amounts received from the borrower as may be required pursuant to the terms of the loan. The term also excludes any servicing entity that meets the following three requirements:

(A) Has a majority of its voting interests owned by federally-insured credit unions;

(B) Includes in its servicing agreements with credit unions a provision that the servicer will provide NCUA with complete access to its books and records and the ability to review its internal controls as deemed necessary by NCUA in carrying out NCUA's responsibilities under the Act; and

(C) Has its credit union clients provide a copy of the servicing agreement to their regional directors.

(ii) The term "its affiliates," as it relates to the third-party servicer, means any entities that:

(A) Control, are controlled by, or are under common control with, that third-party servicer; or

(B) Are under contract with that third-party servicer or other entity described in paragraph (h)(4)(i)(A) of this section.

(iii) The term "vehicle loan" means any installment vehicle sales contract or its equivalent that is reported as an asset under generally accepted accounting principles. The term does not include:

(A) Loans made directly by a credit union to a member, or

(B) Loans in which neither the third-party servicer nor any of its affiliates are involved in the origination, underwriting, or insuring of the loan or the process by which the credit union acquires its interest in the loan.

(iv) The term "net worth" means the retained earnings balance of the credit union at quarter end as determined under generally accepted accounting principles. For low income-designated credit unions, net worth also includes secondary capital accounts that are uninsured and subordinate to all other claims, including claims of creditors, shareholders, and the National Credit Union Share Insurance Fund.

(i) *Put option purchases in managing increased interest-rate risk for real estate loans produced for sale on the secondary market—*

(1) *Definitions.* For purposes of §701.21(i):

(i) *Financial options contract* means an agreement to make or take delivery of a standardized financial instrument upon demand by the holder of the contract at any time prior to the expiration date specified in the agreement, under terms and conditions established either by:

(A) A contract market designated for trading such contracts by the Commodity Futures Trading Commission, or

(B) By a Federal credit union and a primary dealer in Government securities that are counterparties in an over-the-counter transaction.

(ii) *FHLMC security* means obligations or other securities which are or ever have been sold by the Federal

National Credit Union Administration

§ 701.21

Home Loan Mortgage Corporation pursuant to section 305 or 306 of the Federal Home Loan Mortgage Corporation Act (12 U.S.C. 1454 and 1455).

(iii) *FNMA security* means an obligation, participation, or any instrument of or issued by, or fully guaranteed as to principal and interest by, the Federal National Mortgage Association.

(iv) *GNMA security* means an obligation, participation, or any instrument of or issued by, or fully guaranteed as to principal and interest by, the Government National Mortgage Association.

(v) *Long position* means the holding of a financial options contract with the option to make or take delivery of a financial instrument.

(vi) *Primary dealer in Government securities* means:

(A) A member of the Association of Primary Dealers in United States Government Securities; or

(B) Any parent, subsidiary, or affiliated entity of such primary dealer where the member guarantees (to the satisfaction of the FCU's board of directors) over-the-counter sales of financial options contracts by the parent, subsidiary, or affiliated entity to a Federal credit union.

(vii) *Put* means a financial options contract which entitles the holder to sell, entirely at the holder's option, a specified quantity of a security at a specified price at any time until the stated expiration date of the contract.

(2) *Permitted options transactions*. A Federal credit union may, to manage risk of loss through a decrease in value of its commitments to originate real estate loans at specified interest rates, enter into long put positions on GNMA, FNMA, and FHLMC securities:

(i) If the real estate loans are to be sold on the secondary market within ninety (90) days of closing;

(ii) If the positions are entered into:

(A) Through a contract market designated by the Commodity Futures Trading Commission for trading such contracts, or

(B) With a primary dealer in Government securities;

(iii) If the positions are entered into pursuant to written policies and procedures which are approved by the Fed-

eral credit union's board of directors, and include, at a minimum:

(A) The Federal credit union's strategy in using financial options contracts and its analysis of how the strategy will reduce sensitivity to changes in price or interest rates in its commitments to originate real estate loans at specified interest rates;

(B) A list of brokers or other intermediaries through which positions may be entered into;

(C) Quantitative limits (e.g., position and stop loss limits) on the use of financial options contracts;

(D) Identification of the persons involved in financial options contract transactions, including a description of these persons' qualifications, duties, and limits of authority, and description of the procedures for segregating these persons' duties,

(E) A requirement for written reports for review by the Federal credit union's board of directors at its monthly meetings, or by a committee appointed by the board on a monthly basis, of:

(1) The type, amount, expiration date, correlation, cost of, and current or projected income or loss from each position closed since the last board review, each position currently open and current gains or losses from such positions, and each position planned to be entered into prior to the next board review;

(2) Compliance with limits established on the policies and procedures; and

(3) The extent to which the positions described contributed to reduction of sensitivity to changes in prices or interest rates in the Federal credit union's commitments to originate real estate loans at a specified interest rate; and

(iv) If the Federal credit union has received written permission from the appropriate NCUA Regional Director to engage in financial options contracts transactions in accordance with this § 701.21(i) and its policies and procedures as written.

(3) *Recordkeeping and reporting*. (i) The reports described in § 701.21(i)(2)(iii)(E) for each month must be submitted to the appropriate NCUA Regional Office by the end of the following month. This monthly reporting

requirement may be waived by the appropriate NCUA Regional Director on a case-by-case basis for those Federal credit unions with a proven record of responsible use of permitted financial options contracts.

(ii) The records described in § 701.21(i)(2)(iii)(E) must be retained for two years from the date the financial options contracts are closed.

(4) *Accounting.* A federal credit union must account for financial options contracts transactions in accordance with generally accepted accounting principles.

§ 701.23 Purchase, sale, and pledge of eligible obligations.

(a) For purposes of this section:

(1) *Eligible obligation* means a loan or group of loans.

(2) *Student loan* means a loan granted to finance the borrower's attendance at an institution of higher education or at a vocational school, which is secured by and on which payment of the outstanding principal and interest has been deferred in accordance with the insurance or guarantee of the Federal Government, of a State government, or any agency of either.

(b) *Purchase*. (1) A Federal credit union may purchase, in whole or in part, within the limitations of the board of directors' written purchase policies:

(i) Eligible obligations of its members, from any source, if either: (A) They are loans it is empowered to grant or (B) they are refinanced with the consent of the borrowers, within 60 days after they are purchased, so that they are loans it is empowered to grant;

(ii) Eligible obligations of a liquidating credit union's individual members, from the liquidating credit union;

(iii) Student loans, from any source, if the purchaser is granting student loans on an ongoing basis and if the purchase will facilitate the purchasing credit union's packaging of a pool of such loans to be sold or pledged on the secondary market; and

(iv) Real estate-secured loans, from any source, if the purchaser is granting real estate-secured loans pursuant to § 701.21 on an ongoing basis and if the purchase will facilitate the purchasing credit union's packaging of a pool of

such loans to be sold or pledged on the secondary mortgage market. A pool must include a substantial portion of the credit union's members' loans and must be sold promptly.

(2) A Federal credit union may make purchases in accordance with this paragraph (b), provided:

(i) The board of directors or investment committee approves the purchase;

(ii) A written agreement and a schedule of the eligible obligations covered by the agreement are retained in the purchasers office; and

(iii) For purchases under paragraph (b)(1)(ii) of this section, any advance written approval required by § 741.8 of this chapter is obtained before consummation of such purchase.

(3) The aggregate of the unpaid balance of eligible obligations purchased under paragraph (b) of this section shall not exceed 5 percent of the unimpaired capital and surplus of the purchaser. The following can be excluded in calculating this 5 percent limitation:

(i) Student loans purchased in accordance with paragraph (b)(1)(iii) of this section;

(ii) Real estate loans purchased in accordance with paragraph (b)(1)(iv) of this section;

(iii) Eligible obligations purchased in accordance with paragraph (b)(1)(i) of this section that are refinanced by the purchaser so that it is a loan it is empowered to grant;

(iv) An indirect lending or indirect leasing arrangement that is classified as a loan and not the purchase of an eligible obligation because the Federal credit union makes the final underwriting decision and the sales or lease contract is assigned to the Federal credit union very soon after it is signed by the member and the dealer or leasing company.

(c) *Sale*. A Federal credit union may sell, in whole or in part, to any source, eligible obligations of its members, eligible obligations purchased in accordance with paragraph (b)(1)(ii) of this section, student loans purchased in accordance with paragraph (b)(1)(iii) of this section, and real estate loans purchased in accordance with paragraph (b)(1)(iv) of this section, within the

(i) The board of directors or investment committee approves the pledge;

(ii) Copies of the original loan documents are retained; and

(iii) A written agreement covering the pledging arrangement is retained in the office of the credit union that pledges the eligible obligations.

(2) The pledge agreement shall identify the eligible obligations covered by the agreement.

(e) *Servicing*. A Federal credit union may agree to service any eligible obligation it purchases or sells in whole or in part.

(f) *10 Percent limitation*. The total indebtedness owing to any Federal credit union by any person, inclusive of retained and reacquired interests, shall not exceed 10 percent of its unimpaired capital and surplus.

(g)(1) *Conflicts of interest*. No federal credit union official, employee, or their immediate family member may receive, directly or indirectly, any compensation in connection with that credit union's purchase, sale, or pledge of an eligible obligation under the provisions of § 701.23.

(2) *Permissible payments*. This section does not prohibit:

(i) A federal credit union's payment of salary to employees;

(ii) A federal credit union's payment of an incentive or bonus to an employee based on the credit union's overall financial performance;

(iii) A federal credit union's payment of an incentive or bonus to an em-

ployee, other than a senior management employee, in connection with that credit union's purchase, sale or pledge of an eligible obligation. This payment is permissible if the board of directors establishes a written policy and internal controls for the incentive or bonus program and monitors compliance with the policy and controls at least annually; and

(iv) Payment by a person other than the federal credit union of compensation to a volunteer official, non-senior management employee, or their immediate family member, for a service or activity performed outside the credit union provided that the federal credit union, the official, employee, or their immediate family member has not made a referral.

(3) *Business associates and family members*. All transactions under this section with business associates or family members not specifically prohibited by paragraph (g)(1) of this section must be conducted at arm's length and in the interest of the federal credit union.

(4) *Definitions*. The definitions in § 701.21(c)(8)(ii) of this part apply to this section.

§ 701.24 Refund of interest.

(a) The board of directors of a Federal credit union may authorize an interest refund to members who paid interest to the credit union during any dividend period and who are members of record at the close of business on the last day of such dividend period. Interest refunds may be made for a dividend period only if dividends on share accounts have been declared and paid for that period.

(b) The amount of interest refund to each member shall be determined as a percentage of the interest paid by the member. Such percentage may vary according to the type of extension of credit and the interest rate charged.

(c) The board of directors may exclude from an interest refund:

(b) The board of directors must approve charitable contributions and/or donations, and the approval must be based on a determination by the board of directors that the contributions and/or donations are in the best interests of the federal credit union and are reasonable given the size and financial condition of the federal credit union. The board of directors, if it chooses, may establish a budget for charitable contributions and/or donations and authorize appropriate officials of the federal credit union to select recipients and disburse budgeted funds among those recipients.

§ 701.31 Nondiscrimination requirements.

(a) *Definitions.* As used in this part, the term:

(1) *Application* carries the meaning of that term as defined in 12 CFR 202.2(f) (Regulation B), which is as follows:

An oral or written request for an extension of credit that is made in accordance with procedures established by a creditor for the type of credit requested;

(2) *Dwelling* carries the meaning of that term as defined in 42 U.S.C. 3602(b) (Fair Housing Act), which is as follows: “Any building, structure, or portion thereof which is occupied as, or designed or intended for occupancy as, a residence by one or more families, and any vacant land which is offered for sale or lease for the construction or location thereon of any building, structure, or portion thereof”; and

(3) *Real estate-related loan* means any loan for which application is made to finance or refinance the purchase, construction, improvement, repair, or maintenance of a dwelling.

(b) *Nondiscrimination in Lending.* (1) A Federal credit union may not deny a real estate-related loan, nor may it discriminate in setting or exercising its rights pursuant to the terms or conditions of such a loan, nor may it discourage an application for such a loan,

§ 701.31

12 CFR Ch. VII (1–1–10 Edition)

on the basis of the race, color, national origin, religion, sex, handicap, or familial status (having children under the age of 18) of:

- (i) Any applicant or joint applicant;
- (ii) Any person associated, in connection with a real estate-related loan application, with an applicant or joint applicant;
- (iii) The present or prospective owners, lessees, tenants, or occupants of the dwelling for which a real estate-related loan is requested;
- (iv) The present or prospective owners, lessees, tenants, or occupants of other dwellings in the vicinity of the dwelling for which a real estate-related loan is requested.

(2) With regard to a real estate-related loan, a Federal credit union may not consider a lending criterion or exercise a lending policy which has the effect of discriminating on the basis of race, color, national origin, religion, sex, handicap, or familial status (having children under the age of 18). Guidelines concerning possible exceptions to this provision appear in paragraph (e)(1) of this section.

(3) Consideration of any of the following factors in connection with a real estate-related loan is not necessary to a Federal credit union's business, generally has a discriminatory effect, and is therefore prohibited:

- (i) The age or location of the dwelling;
- (ii) Zip code of the applicant's current residence;
- (iii) Previous home ownership;
- (iv) The age or location of dwellings in the neighborhood of the dwelling;
- (v) The income level of residents in the neighborhood of the dwelling.

Guidelines concerning possible exceptions to this provision appear in paragraph (e)(2) of this section.

(c) *Nondiscrimination in appraisals.* (1) A Federal credit union may not rely upon an appraisal of a dwelling if it knows or should know that the appraisal is based upon consideration of the race, color, national origin, religion, sex, handicap, or familial status (having children under the age of 18) of:

- (i) Any applicant or joint applicant;
- (ii) Any person associated, in connection with a real estate-related loan ap-

plication, with an applicant or joint applicant;

(iii) The present or prospective owners, lessees, tenants, or occupants of the dwelling for which a real estate-related loan is requested;

(iv) The present or prospective owners, lessees, tenants, or occupants of other dwellings in the vicinity of the dwelling for which a real estate-related loan is requested.

(2) With respect to a real-estate related loan, a Federal credit union may not rely upon an appraisal of a dwelling if it knows or should know that the appraisal is based upon consideration of a criterion which has the effect of discriminating on the basis of race, color, national origin, religion, sex, handicap, or familial status (having children under the age of 18). Guidelines concerning possible exceptions to this provision appear in paragraph (e)(1) of this section.

(3) A Federal credit union may not rely upon an appraisal that it knows or should know is based upon consideration of any of the following criteria, for such criteria generally have a discriminatory effect, and are not necessary to a Federal credit union's business:

- (i) The age or location of the dwelling;
- (ii) The age or location of dwellings in the neighborhood of the dwelling;
- (iii) The income level of the residents in the neighborhood of the dwelling.

(4) Notwithstanding paragraph (c)(3) of this section, it is recognized that there may be factors concerning location of the dwelling which can be properly considered in an appraisal. If any such factor(s) is relied upon, it must be specifically documented in the appraisal, accompanied by a brief statement demonstrating the necessity of using such factor(s). Guidelines concerning the consideration of location factors appear in paragraph (e)(3) of this section.

(5) Each Federal credit union shall make available, to any requesting member/applicant, a copy of the appraisal used in connection with that member's real estate-related loan application. The appraisal shall be available for a period of 25 months after the applicant has received notice from the

National Credit Union Administration

§ 701.31

Federal credit union of the action taken by the Federal credit union on the real estate-related loan application.

(d) *Nondiscrimination in advertising.* No federal credit union may engage in any form of advertising of real estate-related loans that indicates the credit union discriminates on the basis of race, color, religion, national origin, sex, handicap, or familial status in violation of the Fair Housing Act. Advertisements must not contain any words, symbols, models or other forms of communication that suggest a discriminatory preference or policy of exclusion in violation of the Fair Housing Act or the Equal Credit Opportunity Act.

(1) *Advertising notice of nondiscrimination compliance.* Any federal credit union that advertises real estate-related loans must prominently indicate in such advertisement, in a manner appropriate to the advertising medium and format used, that the credit union makes such loans without regard to race, color, religion, national origin, sex, handicap, or familial status.

(i) With respect to written and visual advertisements, a credit union may satisfy the notice requirement by including in the advertisement a copy of the logotype, with the legend "Equal Housing Lender," from the poster described in paragraph (d)(3) of this section or a copy of the logotype, with the legend "Equal Housing Opportunity," from the poster described in § 110.25(a) of the United States Department of Housing and Urban Development's (HUD) regulations (24 CFR 110.25(a)).

(ii) With respect to oral advertisements, a credit union may satisfy the notice requirement by a spoken statement that the credit union is an "Equal Housing Lender" or an "Equal Opportunity Lender."

(iii) When an oral advertisement is used in conjunction with a written or visual advertisement, the use of either of the methods specified in paragraphs (d)(1)(i) or (ii) of this section will satisfy the notice requirement.

(iv) A credit union may use any other method reasonably calculated to satisfy the notice requirement.

(2) *Lobby notice of nondiscrimination.* Every federal credit union that engages in real estate-related lending must display a notice of nondiscrimination. The notice must be placed in the public lobby of the credit union and in the public area of each office where such loans are made and must be clearly visible to the general public. The notice must incorporate either a facsimile of the logotype and language appearing in paragraph (d)(3) of this section or the logotype and language appearing at 24 CFR 110.25(a). Posters containing the logotype and language appearing in paragraph (d)(3) of this section may be obtained from the regional offices of the National Credit Union Administration.

(3) *Logotype and notice of nondiscrimination compliance.* The logotype and text of the notice required in paragraph (d)(2) of this section shall be as follows:

NCUA 1562 (Rev. 3/98)

(e) *Guidelines.* (1) Compliance with the Fair Housing Act is achieved when each loan applicant's creditworthiness is evaluated on an individual basis, without presuming that the applicant has certain characteristics of a group.

If certain lending policies or procedures do presume group characteristics, they may violate the Fair Housing Act, even though the characteristics are not based upon race, color, sex, national origin, religion, handicap, or familial status. Such a violation occurs when otherwise facially nondiscriminatory lending procedures (either general lending policies or specific criteria used in reviewing loan applications) have the effect of making real estate-related loans unavailable or less available on the basis of race, color, sex, national origin, religion, handicap, or familial status. Note, however, that a policy or criterion which has a discriminatory effect is not a violation of the Fair Housing Act if its use achieves a legitimate business necessity which cannot be achieved by using less discriminatory standards. It is also important to note that the Equal Credit Opportunity Act and Regulation B prohibit discrimination, either per se or in effect, on the basis of the applicant's age, marital status, receipt of public assistance, or the exercise of any rights under the Consumer Credit Protection Act.

(2) Paragraph (b)(3) of this section prohibits consideration of certain factors because of their likely discriminatory effect and because they are not necessary to make sound real estate-related loans. For purposes of clarification, the prohibited use of location factors in this section is intended to prevent abandonment of areas in which a Federal credit union's members live or want to live. It is not intended to require loans in those areas that are geographically remote from the FCU's main or branch offices or that contravene the parameters of a Federal credit union's charter. Further, this prohibition does not preclude requiring a borrower to obtain flood insurance protection pursuant to the National Flood Insurance Act and part 760 of NCUA's Rules and Regulations, nor does it preclude involvement with Federal or state housing insurance programs which provide for lower interest rates for the purchase of homes in certain urban or rural areas. Also, the legitimate use of location factors in an appraisal does not constitute a violation of the provision of paragraph (b)(3)

of this section, which prohibits consideration of location of the dwelling. Finally, the prohibited use of prior home ownership does not preclude a Federal credit union from considering an applicant's payment history on a loan which was made to obtain a home. Such action entails consideration of the payment record on a previous loan in determining creditworthiness; it does not entail consideration of prior home ownership.

(3)(i) Paragraph (c)(3) of this section prohibits consideration of the age or location of a dwelling in a real estate-related loan appraisal. These restrictions are intended to prohibit the use of unfounded or unsubstantiated assumptions regarding the effect upon loan risk of the age of a dwelling or the physical or economic characteristics of an area. Appraisals should be based on the present market value of the property offered as security (including consideration of specific improvements to be made by the borrower) and the likelihood that the property will retain an adequate value over the term of the loan.

(ii) The term "age of the dwelling" does not encompass structural soundness. In addition, the age of the dwelling may be used by an appraiser as a basis for conducting further inspections of certain structural aspects of the dwelling. Paragraph (c)(3) of this section does, however, prohibit an unsubstantiated determination that a house over X years in age is not structurally sound.

(iii) With respect to location factors, paragraph (c)(4) of this section recognizes that there may be location factors which may be considered in an appraisal, and requires that the use of any such factors be specifically documented in the appraisal. These factors will most often be those location factors which may negatively affect the short range future value (up to 3-5 years) of a property. Factors which in some cases may cause the market value of a property to decline are recent zoning changes or a significant number of abandoned homes in the immediate vicinity of the property. However, not all zoning changes will cause a decline in property values, and proximity to abandoned buildings may not

§ 701.32

12 CFR Ch. VII (1–1–10 Edition)

affect the market value of a property because the cause of abandonment is unrelated to high risk. Proper considerations include the condition and utility of the improvement and various physical factors such as street conditions, amenities such as parks and recreation areas, availability of public utilities and municipal services, and exposure to flooding and land faults.

[54 FR 46223, Nov. 2, 1989, as amended at 59 FR 36041, July 15, 1994; 66 FR 48206, Sept. 19, 2001]

§ 701.32 Payment on shares by public units and nonmembers.

(a) *Authority.* A Federal credit union may, to the extent permitted under Section 107(6) of the Act and this section, receive payments on shares, (regular shares, share certificates, and share draft accounts) from public units and political subdivisions thereof (as those terms are defined in § 745.1) and nonmember credit unions, and to the extent permitted under the Act, this section and § 701.34, receive payments on shares (regular shares, share certificates, and share draft accounts) from other nonmembers.

(b) *Limitations.* (1) Unless a greater amount has been approved by the Regional Director, the maximum amount of all public unit and nonmember shares shall not, at any given time, exceed 20% of the total shares of the federal credit union or \$1.5 million, whichever is greater.

(2) Before accepting any public unit or nonmember shares in excess of 20% of total shares, the board of directors must adopt a specific written plan concerning the intended use of these shares and forward a copy of the plan to the Regional Director. The plan must include:

(i) A statement of the credit union's needs, sources and intended uses of public unit and nonmember shares;

(ii) Provision for matching maturities of public unit and nonmember shares with corresponding assets, or justification for any mismatch; and

(iii) Provision for adequate income spread between public unit and nonmember shares and corresponding assets.

(3) A federal credit union seeking an exemption from the limits of para-

graph (b)(1) of this section must submit to the Regional Director a written request including:

(i) The new maximum level of public unit and nonmember shares requested, either as a dollar amount or a percentage of total shares;

(ii) The current plan adopted by the credit union's board of directors concerning the use of new public unit and nonmember shares;

(iii) A copy of the credit union's latest financial statement; and

(iv) A copy of the credit union's loan and investment policies.

(4) Where the financial condition and management of the credit union are sound and the credit union's plan for the funds is reasonable, there will be a presumption in favor of granting the request. When granted, exemptions will normally be for a two-year period. The Regional Director will provide a written explanation for an exemption that is granted for a lesser time period.

(5) The Regional Director will provide a written determination on an exemption request within 30 calendar days after receipt of the request. The 30 day period will not begin to run until all necessary information has been submitted to the Regional Director. All denials may be appealed to the NCUA Board in a timely manner. Appeals should be submitted through the Regional Director.

(6) Upon expiration of an exemption, nonmember shares currently in the credit union in excess of the limits established pursuant to (b)(1) of this section will continue to be insured by the National Credit Union Insurance Fund within applicable limits. No new shares in excess of the limits established pursuant to (b)(1) of this section shall be accepted. Existing share certificates in excess of the limits established pursuant to (b)(1) of this section may remain in the credit union only until maturity.

(c) The limitations herein do not apply to accounts maintained in accordance with § 701.37 (Treasury Tax and Loan Depositories; Depositories and Financial Agents of the Government) and matching funds required by § 705.7(b) (Community Development Revolving Loan Program for Credit Unions). Once a loan granted pursuant

National Credit Union Administration

§ 701.33

to part 705 is repaid, nonmember share deposits accepted to meet the matching requirement are subject to this section.

§ 701.33 Reimbursement, insurance, and indemnification of officials and employees.

(a) *Official*. An *official* is a person who is or was a member of the board of directors, credit committee or supervisory committee, or other volunteer committee established by the board of directors.

(b) *Compensation*. (1) Only one board officer, if any, may be compensated as an officer of the board. The bylaws must specify the officer to be compensated, if any, as well as the specific duties of each of the board officers. No other official may receive compensation for performing the duties or responsibilities of the board or committee position to which the person has been elected or appointed.

(2) For purposes of this section, the term *compensation* specifically excludes:

(i) Payment (by reimbursement to an official or direct credit union payment to a third party) for reasonable and proper costs incurred by an official in carrying out the responsibilities of the position to which that person has been elected or appointed, if the payment is determined by the board of directors to be necessary or appropriate in order to carry out the official business of the credit union, and is in accordance with written policies and procedures, including documentation requirements, established by the board of directors. Such payments may include the payment of travel costs for officials and one guest per official;

(ii) Provision of reasonable health, accident and related types of personal insurance protection, supplied for officials at the expense of the credit union: *Provided*, that such insurance protection must exclude life insurance; must be limited to areas of risk, including accidental death and dismemberment, to which the official is exposed by reason of carrying out the duties or re-

sponsibilities of the official's credit union position; must cease immediately upon the insured person's leaving office, without providing residual benefits other than from pending claims, if any; except that a credit union must comply with federal and state laws providing departing officials the right to maintain health insurance coverage at their own expense and

(iii) Indemnification and related insurance consistent with paragraph (c) of this section.

(c) *Indemnification*. (1) A Federal credit union may indemnify its officials and current and former employees for expenses reasonably incurred in connection with judicial or administrative proceedings to which they are or may become parties by reason of the performance of their official duties.

(2) Indemnification shall be consistent either with the standards applicable to credit unions generally in the state in which the principal or home office of the credit union is located, or with the relevant provisions of the Model Business Corporation Act. A Federal credit union that elects to provide indemnification shall specify whether it will follow the relevant state law or the Model Business Corporation Act. Indemnification and the method of indemnification may be provided for by charter or bylaw amendment, contract or board resolution, consistent with the procedural requirements of the applicable state law or the Model Business Corporation Act, as specified. A charter or bylaw amendment must be approved by the National Credit Union Administration.

(3) A Federal credit union may purchase and maintain insurance on behalf of its officials and employees against any liability asserted against them and expenses incurred by them in their official capacities and arising out of the performance of their official duties to the extent such insurance is permitted by the applicable state law or the Model Business Corporation Act.

(4) Notwithstanding paragraphs (c)(1) through (3) of this section, a federal credit union may not indemnify a dual employee for duties performed for any employer other than the federal credit union. For purposes of this subsection, a dual employee is a federal credit

union employee who also performs work functions for another entity as part of a sharing arrangement between the federal credit union and the other entity.

§ 701.34 Designation of low income status; Acceptance of secondary capital accounts by low-income designated credit unions.

(a) *Designation of low-income status.*

(1) Based on data obtained through examinations, a regional director will notify a federal credit union that it qualifies for designation as a low-income credit union if a majority of its membership qualifies as low-income members. A federal credit union that wishes to receive the designation will notify the regional director in writing within 30 days of receipt of the regional director's notification.

(2) Low-income members are those members who earn 80% or less than the median family income for the metropolitan area where they live or national metropolitan area, whichever is greater. A regional director may use total median earnings for individuals instead of median family income if it is more beneficial to a federal credit union when determining if the credit union qualifies for a low-income credit union designation. A regional director will use the statewide or national, non-metropolitan area median family income instead of the metropolitan area or national metropolitan area median family income for members living outside a metropolitan area. Member earnings will be estimated based on data reported by the U.S. Census Bureau for the geographic area where the member lives. The term "low-income members" also includes those members enrolled as students in a college, university, high school, or vocational school.

(3) Federal credit unions that do not receive notification that they qualify for a low-income credit union designation but believe they qualify may submit information to the regional director to demonstrate they qualify for a low-income credit union designation. For example, federal credit unions may provide actual member income from

loan applications or surveys to demonstrate a majority of their membership is low-income members.

(4) If the regional director determines a low-income designated federal credit union no longer meets the criteria for the designation, the regional director will notify the federal credit union in writing, and the federal credit union must, within five years, meet the criteria for the designation or come into compliance with the regulatory requirements applicable to federal credit unions that do not have a low-income designation. The designation will remain in effect during the five-year period. If a federal credit union does not requalify and has secondary capital or nonmember deposit accounts with a maturity beyond the five-year period, a regional director may extend the time for a federal credit union to come into compliance with regulatory requirements to allow the federal credit union to satisfy the terms of any account agreements. A federal credit union may appeal a regional director's determination that the credit union no longer meets the criteria for a low-income designation to the Board within 60 days of the date of the notice from the regional director. An appeal must be submitted through the regional director.

(5) Any credit union with a low-income credit union designation on January 1, 2009 will have five years from that date to meet the criteria for low-income designation under paragraph (a)(1) of this section, unless the regional director determines a longer time is required to allow the low-income credit union to satisfy the terms of a secondary capital or nonmember deposit account agreement.

(6) *Definitions.* The following definitions apply to this section:

Median family income and *total median earnings for individuals* are income statistics reported by the U.S. Census Bureau. The applicable income data can be obtained via the American FactFinder on the Census Bureau's webpage at http://factfinder.census.gov/home/saff/main.html?_lang=en.

Metropolitan area means an area designated by the Office of Management and Budget pursuant to 31 U.S.C. 1104(d), 44 U.S.C. 3504(c), and Executive

National Credit Union Administration

§ 701.34

Order 10253, 16 FR 5605 (June 13, 1951) (as amended).

(b) *Acceptance of secondary capital accounts by low-income designated credit unions.* A federal credit union having a designation of low-income status pursuant to paragraph (a) of this section may accept secondary capital accounts from nonnatural person members and nonnatural person nonmembers subject to the following conditions:

(1) *Secondary capital plan.* Before accepting secondary capital, a low-income credit union ("LICU") shall adopt, and forward to the appropriate NCUA Regional Director for approval, a written "Secondary Capital Plan" that, at a minimum:

(i) States the maximum aggregate amount of uninsured secondary capital the LICU plans to accept;

(ii) Identifies the purpose for which the aggregate secondary capital will be used, and how it will be repaid;

(iii) Explains how the LICU will provide for liquidity to repay secondary capital upon maturity of the accounts;

(iv) Demonstrates that the planned uses of secondary capital conform to the LICU's strategic plan, business plan and budget; and

(v) Includes supporting pro forma financial statements, including any off-balance sheet items, covering a minimum of the next two years.

(2) *Decision on plan.* If a LICU is not notified within 45 days of receipt of a Secondary Capital Plan that the plan is approved or disapproved, the LICU may proceed to accept secondary capital accounts pursuant to the plan.

(3) *Nonshare account.* The secondary capital account must be established as an uninsured secondary capital account or other form of non-share account.

(4) *Minimum maturity.* The maturity of the secondary capital account must be a minimum of five years.

(5) *Uninsured account.* The secondary capital account will not be insured by the National Credit Union Share Insurance Fund or any governmental or private entity.

(6) *Subordination of claim.* The secondary capital account investor's claim against the LICU must be subordinate to all other claims including those of shareholders, creditors and the

National Credit Union Share Insurance Fund.

(7) *Availability to cover losses.* Funds deposited into a secondary capital account, including interest accrued and paid into the secondary capital account, must be available to cover operating losses realized by the LICU that exceed its net available reserves (exclusive of secondary capital and allowance accounts for loan and lease losses), and to the extent funds are so used, the LICU must not restore or replenish the account under any circumstances. The LICU may, in lieu of paying interest into the secondary capital account, pay accrued interest directly to the investor or into a separate account from which the secondary capital investor may make withdrawals. Losses must be distributed pro-rata among all secondary capital accounts held by the LICU at the time the losses are realized.

(8) *Security.* The secondary capital account may not be pledged or provided by the account investor as security on a loan or other obligation with the LICU or any other party.

(9) *Merger or dissolution.* In the event of merger or other voluntary dissolution of the LICU, other than merger into another LICU, the secondary capital accounts will be closed and paid out to the account investor to the extent they are not needed to cover losses at the time of merger or dissolution.

(10) *Contract agreement.* A secondary capital account contract agreement must be executed by an authorized representative of the account investor and of the LICU reflecting the terms and conditions mandated by this section and any other terms and conditions not inconsistent with this section.

(11) *Disclosure and acknowledgement.* An authorized representative of the LICU and of the secondary capital account investor each must execute a "Disclosure and Acknowledgment" as set forth in the appendix to this section at the time of entering into the account agreement. The LICU must retain an original of the account agreement and the "Disclosure and Acknowledgment" for the term of the agreement, and a copy must be provided to the account investor.

§ 701.34

12 CFR Ch. VII (1–1–10 Edition)

(12) *Prompt corrective action.* As provided in §§ 702.204(b)(11), 702.304(b) and 702.305(b) of this chapter, the NCUA Board may prohibit a LICU classified “critically undercapitalized” or, if “new,” as “moderately capitalized”, “marginally capitalized”, “minimally capitalized” or “uncapitalized”, as the case may be, from paying principal, dividends or interest on its uninsured secondary capital accounts established after August 7, 2000, except that unpaid dividends or interest will continue to accrue under the terms of the account to the extent permitted by law.

(c) *Accounting treatment; Recognition of net worth value of accounts—(1) Equity account.* A LICU that issues secondary capital accounts pursuant to paragraph (b) of this section must record the funds on its balance sheet in an equity account entitled “uninsured secondary capital account.”

(2) *Schedule for recognizing net worth value.* For accounts with remaining maturities of less than five years, the LICU must reflect the net worth value of the accounts in its financial statement in accordance with the following schedule:

Remaining maturity	Net worth value of original balance (percent)
Four to less than five years	80
Three to less than four years	60
Two to less than three years	40
One to less than two years	20
Less than one year	0

(3) *Financial statement.* The LICU must reflect the full amount of the secondary capital on deposit in a footnote to its financial statement.

(d) *Redemption of secondary capital.* With the written approval of the appropriate Regional Director, secondary capital that is not recognized as net worth under paragraph (c)(2) of this section (“discounted secondary capital” recategorized as subordinated debt) may be redeemed according to the remaining maturity schedule in paragraph (d)(3) of this section.

(1) *Request to redeem secondary capital.* A request for approval to redeem discounted secondary capital may be submitted in writing at any time, must specify the increment(s) to be re-

deemed and the schedule for redeeming all any part of each eligible increment, and must demonstrate to the satisfaction of the appropriate Regional Director that:

(i) The LICU will have a post-redemption net worth classification of “adequately capitalized” under part 702 of this chapter;

(ii) The discounted secondary capital has been on deposit at least two years;

(iii) The discounted secondary capital will not be needed to cover losses prior to final maturity of the account;

(iv) The LICU’s books and records are current and reconciled;

(v) The proposed redemption will not jeopardize other current sources of funding, if any, to the LICU; and

(vi) The request to redeem is authorized by resolution of the LICU’s board of directors.

(2) *Decision on request.* A request to redeem discounted secondary capital may be granted in whole or in part. If a LICU is not notified within 45 days of receipt of a request for approval to redeem secondary capital that its request is either granted or denied, the LICU may proceed to redeem secondary capital accounts as proposed.

(3) *Schedule for redeeming secondary capital.*

Remaining maturity	Redemption limit as percent of original balance
Four to less than five years	20
Three to less than four years	40
Two to less than three years	60
One to less than two years	80

APPENDIX TO § 701.34

A LICU that is authorized to accept uninsured secondary capital accounts and each investor in such an account shall execute and date the following “Disclosure and Acknowledgment” form, a signed original of which must be retained by the credit union:

DISCLOSURE AND ACKNOWLEDGMENT

[Name of CU] and [Name of investor] hereby acknowledge and agree that [Name of investor] has committed [amount of funds] to a secondary capital account with [name of credit union] under the following terms and conditions:

National Credit Union Administration

§ 701.36

2. *Redemption prior to maturity.* Subject to the conditions set forth in 12 CFR 701.34, the funds committed to the secondary capital account are redeemable prior to maturity only at the option of the LICU and only with the prior approval of the appropriate regional director.

3. *Uninsured, non-share account.* The secondary capital account is not a share account and the funds committed to the secondary capital account are not insured by the National Credit Union Share Insurance Fund or any other governmental or private entity.

4. *Prepayment risk.* Redemption of U.S.C. prior to the account's original maturity date may expose the account investor to the risk of being unable to reinvest the repaid funds at the same rate of interest for the balance of the period remaining until the original maturity date. The investor acknowledges that it understands and assumes responsibility for prepayment risk associated with the [name of credit union]'s redemption of the investor's U.S.C. account prior to the original maturity date.

5. *Availability to cover losses.* The funds committed to the secondary capital account and any interest paid into the account may be used by [name of credit union] to cover any and all operating losses that exceed the credit union's net worth exclusive of allowance accounts for loan losses, and in the event the funds are so used, (name of credit union) will under no circumstances restore or replenish those funds to [name of institutional investor]. Dividends are not considered operating losses and are not eligible to be paid out of secondary capital.

6. *Accrued interest.* By initialing below, [name of credit union] and [name of institutional investor] agree that accrued interest will be:

- ____ Paid into and become part of the secondary capital account;
- ____ Paid directly to the investor;
- ____ Paid into a separate account from which the investor may make withdrawals; or
- ____ Any combination of the above provided the details are specified and agreed to in writing.

7. *Subordination of claims.* In the event of liquidation of [name of credit union], the funds committed to the secondary capital account will be subordinate to all other claims on the assets of the credit union, including claims of member shareholders, creditors and the National Credit Union Share Insurance Fund.

8. *Prompt Corrective Action.* Under certain net worth classifications (see 12 CFR 702.204(b)(11), 702.304(b) and 702.305(b), as the case may be), the NCUA Board may prohibit [name of credit union] from paying principal, dividends or interest on its uninsured secondary capital accounts established after

August 7, 2000, except that unpaid dividends or interest will continue to accrue under the terms of the account to the extent permitted by law.

§ 701.35 Share, share draft, and share certificate accounts.

(a) Federal credit unions may offer share, share draft, and share certificate accounts in accordance with section 107(6) of the Act (12 U.S.C. 1757(6)) and the board of directors may declare dividends on such accounts as provided in section 117 of the Act (12 U.S.C. 1763).

(b) A Federal credit union shall accurately represent the terms and conditions of its share, share draft, and share certificate accounts in all advertising, disclosures, or agreements, whether written or oral.

(c) A Federal credit union may, consistent with this section, parts 707 and 740 of this subchapter, other federal law, and its contractual obligations, determine the types of fees or charges and other matters affecting the opening, maintaining and closing of a share, share draft or share certificate account. State laws regulating such activities are not applicable to federal credit unions.

(d) For purposes of this section, "state law" means the constitution, statutes, regulations, and judicial decisions of any state, the District of Columbia, the several territories and possessions of the United States, and the Commonwealth of Puerto Rico.

[47 FR 17979, Apr. 27, 1982, as amended at 50 FR 4637, Feb. 1, 1985; 59 FR 50445, Sept. 27, 1993]

§ 701.36 FCU ownership of fixed assets.

(a) *Investment in Fixed Assets.* (1) No Federal credit union with \$1,000,000 or

more in assets may invest in any fixed assets if the investment would cause the aggregate of all such investments to exceed five percent of the credit union's shares and retained earnings.

(2) The NCUA may waive the prohibition in paragraph (a)(1) of this section.

(i) A Federal credit union desiring a waiver must submit a written request to the NCUA regional office having jurisdiction over the geographical area in which the credit union's main office is located. The request must describe in detail the contemplated investment and the need for the investment. The request must also indicate the approximate aggregate amount of fixed assets, as a percentage of shares and retained earnings, that the credit union would hold after the investment.

(ii) The regional director will inform the requesting credit union, in writing, of the date the request was received and of any additional documentation that the regional director might require in support of the waiver request.

(iii) The regional director will approve or disapprove the waiver request in writing within 45 days after receipt of the request and all necessary supporting documentation. If the regional director approves the waiver, the regional director will establish an alternative limit on aggregate investments in fixed assets, either as a dollar limit or as a percentage of the credit union's shares and retained earnings. Unless otherwise specified by the regional director, the credit union may make future acquisition of fixed assets only if the aggregate all of such future investments in fixed assets does not exceed an additional one percent of the shares and retained earnings of the credit union over the amount approved by the regional director.

(iv) If the regional director does not notify the credit union of the action taken on its request within 45 calendar days of the receipt of the waiver request or the receipt of additional requested supporting information, whichever occurs later, the credit union may proceed with its proposed investment in fixed assets. The investment, and any future investments in fixed assets, must not cause the credit union to exceed the aggregate investment limit described in its waiver request.

(b) *Premises Not Currently Used To Transact Credit Union Business.*

(1) When a Federal credit union acquires premises for future expansion and does not fully occupy the space within one year, the credit union must have a board resolution in place by the end of that year with definitive plans for full occupation. Premises are fully occupied when the credit union, or a combination of the credit union, CUSOs, or vendors, use the entire space on a full-time basis. CUSOs and vendors must be using the space primarily to support the credit union or to serve the credit union's members. The credit union must make any plans for full occupation available to an NCUA examiner upon request.

(2) When a Federal credit union acquires premises for future expansion, the credit union must partially occupy the premises within a reasonable period, not to exceed three years. Premises are partially occupied when the credit union is using some part of the space on a full-time basis. The NCUA may waive this partial occupation requirement in writing upon written request. The request must be made within 30 months after the property is acquired.

(3) A Federal credit union must make diligent efforts to dispose of abandoned premises and any other real property not intended for use in the conduct of credit union business. The credit union must seek fair market value for the property, and record its efforts to dispose of abandoned premises. After premises have been abandoned for four years, the credit union must publicly advertise the property for sale. Unless otherwise approved in writing by the NCUA, the credit union must complete the sale within five years of abandonment.

(c) *Prohibited Transactions.* (1) Without the prior written approval of the NCUA, no federal credit union may invest in premises through an acquisition or a lease of one year or longer from any of the following:

(i) A director, member of the credit committee or supervisory committee, or senior management employee of the federal credit union, or immediate family member of any such individual.

(ii) A corporation in which any director, member of the credit committee or supervisory committee, official, or senior management employee, or immediate family members of any such individual, is an officer or director, or has a stock interest of 10 percent or more.

(iii) A partnership, limited liability company, or other entity in which any director, member of the credit committee or supervisory committee, or senior management employee, or immediate family members of any such individual, is a general partner, or a limited partner or entity member with an interest of 10 percent or more.

(2) The prohibition contained in paragraph (c)(1) of this section also applies to a lease from any other employee if the employee is directly involved in investments in fixed assets unless the board of directors determines that the employee's involvement does not present a conflict of interest.

(3) All transactions with business associates or family members not specifically prohibited by this paragraph (c) must be conducted at arm's length and in the interest of the credit union.

(d) *Regulatory Flexibility Program.* Federal credit unions that qualify for the Regulatory Flexibility Program provided for in part 742 of this chapter are exempt from the five percent limitation described in paragraph (a) of this section. Those federal credit unions are also exempt from the three-year partial occupancy requirement described in paragraph (b) of this section when acquiring unimproved land for future expansion pursuant to the terms of section 742.4(a)(3) of this chapter. For Federal credit unions eligible for the Regulatory Flexibility Program that subsequently lose eligibility:

(1) Section 742.8 of this chapter provides that NCUA may require the credit union to divest any existing fixed assets for substantive safety and soundness reasons; and

(2) The credit union may not make any new investments in fixed assets if, after the investment, the credit union's total investments in fixed assets would exceed the five percent limitation described in paragraph (a) of this section. The regional director may waive this prohibition to allow for new investments.

(e) *Definitions*—As used in this section:

(1) *Abandoned premises* means real property previously used to transact credit union business but no longer used for that purpose and real property originally acquired for future expansion for which the credit union no longer contemplates such use.

(2) *Fixed assets* means premises, furniture, fixtures and equipment.

(3) *Furniture, fixtures, and equipment* means all office furnishings, office machines, computer hardware and software, automated terminals, and heating and cooling equipment.

(4) *Investments in fixed assets* means:

(i) Any investment in improved or unimproved real property which is being used or is intended to be used as premises;

(ii) Any leasehold improvement on premises;

(iii) The aggregate of all capital and operating lease payments on fixed assets, without discounting commitments for future payments to present value; and

(iv) Any investment in furniture, fixtures and equipment.

(5) *Immediate family member* means a spouse or other family members living in the same household.

(6) *Premises* means any office, branch office, suboffice, service center, parking lot, other facility, or real estate where the credit union transacts or will transact business.

(7) *Senior management employee* means the credit union's chief executive officer (typically this individual holds the title of President or Treasurer/Manager), any assistant chief executive officers (*e.g.*, Assistant President, Vice President or Assistant Treasurer/Manager) and the chief financial officer (Comptroller).

(8) *Shares* means regular shares, share drafts, share certificates, other savings.

(9) *Retained earnings* means undivided earnings, regular reserve, reserve for contingencies, supplemental reserves, reserve for losses, and other appropriations from undivided earnings as designated by management or the Administration.

§ 701.39 Statutory lien.

(a) *Definitions.* Within this section, each of the following terms has the meaning prescribed below:

(1) *Except as otherwise provided by law* or *except as otherwise provided by federal law* is a qualifying phrase referring to a federal and/or state law, as the case may be, which supersedes a requirement of this section. It is the responsibility of the credit union to ascertain whether such statutory or case law exists and is applicable;

(2) *Impress* means to attach to a member's account and is the act which makes the lien enforceable against that account;

(3) *Member* means any member who is primarily, secondarily or otherwise responsible for an outstanding financial obligation to the credit union, including without limitation an obligor, maker, co-maker, guarantor, co-signer, endorser, surety or accommodation party;

(5) *Statutory lien* means the right granted by section 107(11) of the Federal Credit Union Act, 12 U.S.C. 1757(11), to a federal credit union to establish a right in or claim to a member's shares and dividends equal to the amount of that member's outstanding financial obligation to the credit union, as that amount varies from time to time.

(b) *Superior claim*. Except as otherwise provided by law, a statutory lien gives the federal credit union priority over other creditors when claims are asserted against a member's account(s).

(c) *Impressing a statutory lien*. Except as otherwise provided by federal law, a credit union can impress a statutory lien on a member's account(s)—

(1) *Account records*. By giving notice thereof in the member's account agreement(s) or other account opening documentation; or

(2) *Loan documents*. In the case of a loan, by giving notice thereof in a loan document signed or otherwise acknowledged by the member(s); or

(3) *By-Law or policy*. Through a duly adopted credit union by-law or policy of the board of directors, of which the member is given notice.

(d) *Enforcing a statutory lien*—(1) *Application of funds*. Except as otherwise provided by federal law, a federal credit union may enforce its statutory lien against a member's account(s) by debiting funds in the account and applying them to the extent of any of the mem-

ber's outstanding financial obligations to the credit union.

(2) *Default required*. A federal credit union may enforce its statutory lien against a member's account(s) only when the member fails to satisfy an outstanding financial obligation due and payable to the credit union.

(3) *Neither judgment nor set-off required*. A federal credit union need not obtain a court judgment on the member's debt, nor exercise the equitable right of set-off, prior to enforcing its statutory lien against the member's account.

APPENDIX A TO PART 701—FEDERAL CREDIT UNION BYLAWS

INTRODUCTION

A. Effective date. After consideration of public comment, the National Credit Union Administration (NCUA) Board adopted these Bylaws and incorporated them as appendix A to Part 701 of NCUA's regulations on November 30, 2007. Unless a federal credit union has adopted bylaws before November 30, 2007, it must adopt these revised bylaws.

B. Adoption of all or part of these bylaws. Although federal credit unions may retain any previously approved version of the bylaws, the NCUA Board encourages federal credit unions to adopt the revised bylaws because it believes they provide greater clarity and flexibility for credit unions and their officials and members. Federal credit unions may also adopt portions of the revised bylaws and retain the remainder of previously approved bylaws, but the NCUA Board cautions federal credit unions to be extremely careful. Federal credit unions must be careful because they run the risk of having inconsistent or conflicting provisions because of the various options the revised bylaws provide as well as other revisions in the text.

C. Bylaw amendments. 1. The FCU Bylaws contain several provisions allowing FCU boards to select from an option or range of options and fill in a blank. Changes to "fill-in-the-blank" provisions are, in fact, changes to the FCU's bylaws and require a two-thirds vote of the board. As long as the FCU selects from the permissible options for completing the blank, the FCU need not submit the change for NCUA approval using the process outlined below.

2. Federal credit unions continue to have the flexibility to request other bylaw amendments if the need arises. NCUA must approve any bylaw amendments; federal credit unions may no longer adopt amendments from the "Standard Bylaw Amendments"

booklet because the 1999 revisions to the bylaws included sufficient flexibility to make the separate list of standard bylaw amendments superfluous. Thus, NCUA no longer differentiates between “standard” and “non-standard” bylaw amendments.

3. The procedure for approval of bylaw amendments is as follows:

a. The federal credit union wishing to adopt a bylaw amendment must file a request with its regional director.

b. The request must include the section of the bylaws to be amended; the reason for or purpose of the amendment, including an explanation of why the amendment is desirable and what it will accomplish for the credit union; and the specific, proposed wording of the amendment.

c. After review by the regional director and consultation within the agency, the regional director will advise the credit union if a proposed amendment is approved.

4. Federal credit unions considering an amendment may find it useful to review the bylaws section of the agency Web site, which includes Office of General Counsel opinions about proposed bylaw amendments. Opinions issued after April 2006 will include the language of approved amendments. Even if an amendment has been previously approved, the credit union must submit a proposed amendment to NCUA for review under the procedure listed above to ensure the amendment is identical. Credit unions requesting previously approved amendments will receive notice of the regional office’s decision within 15 business days of the receipt of the request.

D. The nature of the bylaws. 1. The Federal Credit Union Act requires the NCUA Board to prepare bylaws for federal credit unions. 12 U.S.C. 1758. The bylaws address a broad range of matters concerning a credit union’s organization and governance, the relationship of the credit union to its members, and the procedures and rules a credit union follows. The bylaws supplement the broad provisions of: A federal credit union’s charter, which establishes the existence of a federal credit union; the Federal Credit Union Act, which establishes the powers of federal credit unions; and NCUA regulations, which implement the Federal Credit Union Act. As a legal matter, a federal credit union’s bylaws must conform to and cannot be inconsistent with any provision of its charter, the Federal Credit Union Act, NCUA regulations or other laws or regulations applicable to its operations.

2. NCUA expects federal credit unions and their members will make every effort to resolve bylaw disputes using the credit union’s internal member complaint resolution process. If a bylaw dispute cannot be resolved internally, however, credit union officials or members should contact the regional office

with jurisdiction for the credit union for assistance in resolving the dispute.

3. NCUA has discretion to take administrative actions when a credit union is not in compliance with its bylaws. If a potential violation is identified, NCUA will carefully consider all of the facts and circumstances in deciding whether to take enforcement action. NCUA will not take action against minor or technical violations, but emphasizes that it retains discretion to enforce the bylaws in appropriate cases, such as safety and soundness concerns or threats to fundamental, material credit union member rights.

BYLAWS

FEDERAL CREDIT UNION, CHARTER No. _____

(A corporation chartered under the laws of the United States)

ARTICLE I. NAME—PURPOSES

Section 1. Name. The name of this credit union is as stated in Section 1 of the charter (approved organization certificate) of this credit union.

Section 2. Purposes. This credit union is a member-owned, democratically operated, not-for-profit organization managed by a volunteer board of directors, with the specified mission of meeting the credit and savings needs of consumers, especially persons of modest means. The purpose of this credit union is to promote thrift among its members by affording them an opportunity to accumulate their savings and to create for them a source of credit for provident or productive purposes. *The credit union may add*

Pt. 701, App. A

business as one of its purposes by placing a comma after "provident" and inserting "business."

ARTICLE II. QUALIFICATIONS FOR MEMBERSHIP

Section 1. *Field of membership.* The field of membership of this credit union is limited to that stated in Section 5 of its charter.

Section 2. *Membership application procedures.* Applications for membership from persons eligible for membership under Section 5 of the charter must be signed by the applicant on forms approved by the board. The applicant is admitted to membership after approval of an application by a majority of the directors, a majority of the members of a duly authorized executive committee, or by a membership officer, and after subscription to at least one share of this credit union and the payment of the initial installment, and the payment of a uniform entrance fee if required by the board. If a person whose membership application is denied makes a written request, the credit union must explain the reasons for the denial in writing.

Section 3. *Maintenance of membership share required.* A member who withdraws all shareholdings or fails to comply with the time requirements for restoring his or her account balance to par value in Article III, Section 3, ceases to be a member. By resolution, the board may require persons readmitted to membership to pay another entrance fee.

Section 4. *Continuation of membership.* Once a member becomes a member that person may remain a member until the person or organization chooses to withdraw or is expelled in accordance with the Act and Article XIV of these bylaws. A member who is disruptive to credit union operations may be subject to limitations on services and access to credit union facilities. *A credit union that wishes to restrict services to members no longer within the field of membership should specify the restrictions in this section.*

Staff commentary on qualifications for membership:

Entrance fee—FCUs may not vary the entrance fee among different classes of members because the Act requires a uniform fee. FCUs may, however, eliminate the entrance fee for all applicants.

ARTICLE III. SHARES OF MEMBERS

Section 1. *Par value.* The par value of each share will be \$ _____. Subscriptions to shares are payable at the time of subscription, or in installments of at least \$ _____ per month.

Section 2. *Cap on shares held by one person.* The board may establish, by resolution, the maximum amount of shares that any one member may hold.

Section 3. *Time periods for payment and maintenance of membership share.* A member who fails to complete payment of one share

within _____ of admission to membership, or within _____ from the increase in the par value of shares, or a member who reduces the share balance below the par value of one share and does not increase the balance to at least the par value of one share within _____ of the reduction will be terminated from membership.

Section 4. *Transferability.* Shares may only be transferred from one member to another by an instrument in a form as the board may prescribe. Shares that accrue credits for unpaid dividends retain those credits when transferred.

Section 5. *Withdrawals.* Money paid in on shares or installments of shares may be withdrawn as provided in these bylaws or regulation on any day when payment on shares may be made, provided, however, that

(a) The board has the right, at any time, to require members to give up to 60 days written notice of intention to withdraw the whole or any part of the amounts paid in by them.

(b) Reserved.

(c) No member may withdraw any shareholdings below the amount of the member's primary or contingent liability to the credit union if the member is delinquent as a borrower, or if borrowers for whom the member is comaker, endorser, or guarantor are delinquent, without the written approval of the credit committee or loan officer. Coverage of overdrafts under an overdraft protection policy does not constitute delinquency for purposes of this paragraph. Shares issued in an irrevocable trust as provided in Section 6 of this article are not subject to withdrawal restrictions except as stated in the trust agreement.

(d) The share account of a deceased member (other than one held in joint tenancy with another member) may be continued until the close of the dividend period in which the administration of the deceased's estate is completed.

(e) The board will have the right, at any time, to impose a fee for excessive share withdrawals from regular share accounts. The number of withdrawals not subject to a fee and the amount of the fee will be established by board resolution and will be subject to regulations applicable to the advertising and disclosure of terms and conditions on member accounts.

Section 6. *Trusts.* Shares may be issued in a revocable or irrevocable trust, subject to the following:

When shares are issued in a revocable trust, the settlor must be a member of this credit union in his or her own right. When shares are issued in an irrevocable trust, either the settlor or the beneficiary must be a member of this credit union. The name of the beneficiary must be stated in both a revocable and irrevocable trust. For purposes of

this section, shares issued pursuant to a pension plan authorized by the rules and regulations will be treated as an irrevocable trust unless otherwise indicated in the rules and regulations.

Section 7. *Joint accounts and membership requirements. Select one option and check the box corresponding to that option.*

— *Option A—Separate account not required to establish membership*

Owners of a joint account may both be members of the credit union without opening separate accounts. For joint membership, both owners are required to fulfill all of the membership requirements including each member purchasing and maintaining at least one share in the account.

— *Option B—Separate account required to establish membership*

Each member must purchase and maintain at least one share in a share account that names the member as the sole or primary owner. Being named as a joint owner of a joint account is insufficient to establish membership.

Staff commentary on shares:

i. *Installments*—FCUs may insert zero for the number of installments. The FCU Act allows membership upon the payment of the initial installment of a membership share, but NCUA no longer views this provision as requiring FCUs to offer the option of paying for the membership share in installments.

ii. *Par value*—FCUs may establish differing par values for different classes of members or types of accounts, provided this action does not violate any federal, state or local antidiscrimination laws. For example, an FCU may want to establish a higher par value for recent credit union members, without requiring long-time members to bring their accounts up to the new par value. A differing par value may also be permissible for different types of accounts, such as requiring a higher par value for a member with only a share draft account. If a credit union adopts differing par values, all of the possible par values should be stated in Section 1.

iii. *Reduction in share balance below par value*—When a member's account balance falls below the par value, Section 3 requires FCUs to allow members a minimum time period to restore their account balance to the par value before membership is terminated. FCUs may not delete this requirement or delete references to this requirement in Article II, Section 3.

ARTICLE IV. MEETINGS OF MEMBERS

Section 1. *Annual meeting.* The annual meeting of the members must be held [insert time for annual meeting, for example, “during the month of March/on the third Saturday of April/ no later than March 31”], in the county in which any office of the credit union is located or within a radius of 100

miles of an office, at the time and place as the board determines and announces in the notice of the annual meeting.

Section 2. *Notice of meetings required.* a. At least 30 but no more than 75 days before the date of any annual meeting or at least 7 days before the date of any special meeting of the members, the secretary must give written notice to each member. Notice may be by written notice delivered in person or by mail to the member's address, or, for members who have opted to receive statements and notices electronically, by electronic mail. Notice of the annual meeting may be given by posting the notice in a conspicuous place in the office of this credit union where it may be read by the members, at least 30 days before the meeting, if the annual meeting is to be held during the same month as that of the previous annual meeting and if this credit union maintains an office that is readily accessible to members where regular business hours are maintained. Any meeting of the members, whether annual or special, may be held without prior notice, at any place or time, if all the members entitled to vote, who are not present at the meeting, waive notice in writing, before, during, or after the meeting.

b. Notice of any special meeting must state the purpose for which it is to be held, and no business other than that related to this purpose may be transacted at the meeting.

Section 3. *Special meetings.* a. Special meetings of the members may be called by the chair or the board of directors upon a majority vote, or by the supervisory committee as provided in these bylaws. The chair must call a special meeting, meaning the meeting must be held, within 30 days of the receipt of a written request of 25 members or 5% of the members as of the date of the request, whichever number is larger. However, a request of no more than 750 members may be required to call a special meeting.

b. The notice of a special meeting must be given as provided in Section 2 of this article. Special meetings may be held at any location permitted for the annual meeting.

Section 4. *Items of business for annual meeting and rules of order for annual and special meetings.* The suggested order of business at annual meetings of members is—

(a) Ascertainment that a quorum is present.

(b) Reading and approval or correction of the minutes of the last meeting.

(c) Report of directors, if there is one. For credit unions participating in the Community Development Revolving Loan Program, the directors must report on the credit union's progress on providing needed community services, if required by NCUA Regulations.

(d) Report of the financial officer or the chief management official.

National Credit Union Administration

Pt. 701, App. A

(e) Report of the credit committee, if there is one.

(f) Report of the supervisory committee, as required by Section 115 of the Act.

(g) Unfinished business.

(h) New business other than elections.

(i) Elections, as required by Section 111 of the Act.

(j) Adjournment.

k. To the extent consistent with these bylaws, all meetings of the members will be conducted according to _____. The order of business for the annual meeting may vary from the suggested order, provided it includes all required items and complies with the rules of procedure adopted by the credit union.

The credit union must fill in the blank with one of the following authorities, noting the edition to be used: Democratic Rules of Order, The Modern Rules of Order, Robert's Rules of Order, or Sturgis' Standard Code of Parliamentary Procedure.

Section 5. *Quorum.* Except as otherwise provided, 15 members constitute a quorum at annual or special meetings. If no quorum is present, an adjournment may be taken to a date at least 7 but not more than 14 days thereafter. The members present at any adjourned meeting will constitute a quorum, regardless of the number of members present. The same notice must be given for the adjourned meeting as is prescribed in Section 2 of this article for the original meeting, except that the notice must be given at least 5 days before the date of the meeting as fixed in the adjournment.

ARTICLE V. ELECTIONS

The Credit Union must select one of the four voting options. This may be done by printing the credit union's bylaws with the option selected or retaining this copy and checking the box of the option selected. All options continue with Section 3 of this article.

Option A1—In-Person Elections; Nominating Committee and Nominations From Floor

Section 1. *Nomination procedures.* At least 30 days before each annual meeting, the chair will appoint a nominating committee of three or more members. It is the duty of the nominating committee to nominate at least one member for each vacancy, including any unexpired term vacancy, for which elections are being held, and to determine that the members nominated are agreeable to the placing of their names in nomination and will accept office if elected.

Section 2. *Election procedures.* After the nominations of the nominating committee have been placed before the members, the chair calls for nominations from the floor. When nominations are closed, the chair appoints the tellers, ballots are distributed, the vote is taken and tallied by the tellers, and

the results announced. All elections are determined by plurality vote and will be by ballot except where there is only one nominee for the office.

Option A2—In-Person Elections; Nominating Committee and Nominations by Petition

Section 1. *Nomination procedures.* a. At least 120 days before each annual meeting the chair will appoint a nominating committee of three or more members. It is the duty of the nominating committee to nominate at least one member for each vacancy, including any unexpired term vacancy, for which elections are being held, and to determine that the members nominated are agreeable to the placing of their names in nomination and will accept office if elected.

b. The nominating committee files its nominations with the secretary of the credit union at least 90 days before the annual meeting, and the secretary notifies in writing all members eligible to vote at least 75 days before the annual meeting that nominations for vacancies may also be made by petition signed by 1% of the members with a minimum of 20 and a maximum of 500. The secretary may use electronic mail to notify members who have opted to receive notices or statements electronically.

c. The written notice must indicate that the election will not be conducted by ballot and there will be no nominations from the floor when the number of nominees equals the number of positions to be filled. A brief statement of qualifications and biographical data in a form approved by the board of directors will be included for each nominee submitted by the nominating committee with the written notice to all eligible members. Each nominee by petition must submit a similar statement of qualifications and biographical data with the petition. The written notice must state the closing date for receiving nominations by petition. In all cases, the period for receiving nominations by petition must extend at least 30 days from the date that the petition requirement and the list of nominating committee's nominees are mailed to all members. To be effective, nominations by petition must be accompanied by a signed certificate from the nominee or nominees stating that they are agreeable to nomination and will serve if elected to office. Nominations by petition must be filed with the secretary of the credit union at least 40 days before the annual meeting and the secretary will ensure that nominations by petition, along with those of the nominating committee, are posted in a conspicuous place in each credit union office at least 35 days before the annual meeting.

Section 2. *Election procedures.* a. All persons nominated by either the nominating committee or by petition must be placed before the members. When nominations are closed, the chair appoints the tellers, ballots

are distributed, the vote is taken and tallied by the tellers, and the results announced. All elections are determined by plurality vote and will be by ballot except where there is only one nominee for each position to be filled.

b. If sufficient nominations are made by the nominating committee or by petition to provide at least as many nominees as positions to be filled, nominations cannot be made from the floor. In the event nominations from the floor are permitted and result in more nominees than positions to be filled, when nominations have been closed, the chair appoints the tellers, ballots are distributed, the vote is taken and tallied by the tellers, and the results announced. When the number of nominees equals the number of positions to be filled, the chair may take a voice vote or declare each nominee elected by general consent or acclamation at the annual meeting.

Option A3—Election by Ballot Boxes or Voting Machine; Nominating Committee and Nomination by Petition

Section 1. *Nomination procedures.* a. At least 120 days before each annual meeting, the chair will appoint a nominating committee of three or more members. It is the duty of the nominating committee to nominate at least one member for each vacancy, including any unexpired term vacancy, for which elections are being held, and to determine that the members nominated are agreeable to the placing of their names in nomination and will accept office if elected.

b. The nominating committee files its nominations with the secretary of the credit union at least 90 days before the annual meeting, and the secretary notifies in writing all members eligible to vote at least 75 days before the annual meeting that nominations for vacancies may also be made by petition signed by 1% of the members with a minimum of 20 and a maximum of 500. The secretary may use electronic mail to notify members who have opted to receive notices or statements electronically.

c. The written notice must indicate that the election will not be conducted by ballot and there will be no nominations from the floor when the number of nominees equals the number of positions to be filled. A brief statement of qualifications and biographical data in a form approved by the board of directors will be included for each nominee submitted by the nominating committee with the written notice to all eligible members. Each nominee by petition must submit a similar statement of qualifications and biographical data with the petition. The written notice must state the closing date for receiving nominations by petition. In all cases, the period for receiving nominations by petition must extend at least 30 days from the date of the petition requirement and the list

of nominating committee's nominees are mailed to all members. To be effective, nominations by petition must be accompanied by a signed certificate from the nominee or nominees stating that they are agreeable to nomination and will serve if elected to office. Nominations by petition must be filed with the secretary of the credit union at least 40 days before the annual meeting and the secretary will ensure that nominations by petition along with those of the nominating committee are posted in a conspicuous place in each credit union office at least 35 days before the annual meeting.

Section 2. *Election procedures.* All elections are determined by plurality vote. The election will be conducted by ballot boxes or voting machines, subject to the following conditions:

(a) The board of directors will appoint the election tellers;

(b) If sufficient nominations are made by the nominating committee or by petition to provide more nominees than positions to be filled, the secretary, at least 10 days before the annual meeting, will cause ballot boxes and printed ballots, or voting machines, to be placed in conspicuous locations, as determined by the board of directors with the names of the candidates posted near the boxes or voting machines. The name of each candidate will be followed by a brief statement of qualifications and biographical data in a form approved by the board of directors;

(c) After the members have been given 24 hours to vote at conspicuous locations as determined by the board of directors, the ballot boxes or voting machines will be opened, the vote tallied by the tellers, the tallies placed in the ballot boxes, and the ballot boxes resealed. The tellers are responsible at all times for the ballot boxes or voting machines and the integrity of the vote. A record must be kept of all persons voting and the tellers must assure themselves that each person voting is entitled to vote; and

(d) The tellers will take the ballot boxes to the annual meeting. At the annual meeting, printed ballots will be distributed to those in attendance who have not voted and their votes will be deposited in the ballot boxes placed by the tellers, before the beginning of the meeting, in conspicuous locations with the names of the candidates posted near them. After those members have been given an opportunity to vote at the annual meeting, balloting will be closed, the ballot boxes opened, the vote tallied by the tellers and added to the previous count, and the chair will announce the result of the vote.

Option A4—Election by Electronic Device (Including But Not Limited To Telephone and Electronic Mail) or Mail Ballot; Nominating Committee and Nominations by Petition

Section 1. *Nomination procedures.* a. At least 120 days before each annual meeting,

the chair will appoint a nominating committee of three or more members. It is the duty of the nominating committee to nominate at least one member for each vacancy, including any unexpired term vacancy, for which elections are being held, and to determine that the members nominated are agreeable to the placing of their names in nomination and will accept office if elected.

b. The nominating committee files its nominations with the secretary of the credit union at least 90 days before the annual meeting, and the secretary notifies in writing all members eligible to vote at least 75 days before the annual meeting that nominations for vacancies may also be made by petition signed by 1% of the members with a minimum of 20 and a maximum of 500. The secretary may use electronic mail to notify members who have opted to receive notices or statements electronically.

c. The notice must indicate that the election will not be conducted by ballot and there will be no nominations from the floor when the number of nominees equals the number of positions to be filled. A brief statement of qualifications and biographical data in a form approved by the board of directors will be included for each nominee submitted by the nominating committee with the notice to all eligible members. Each nominee by petition must submit a similar statement of qualifications and biographical data with the petition. The notice must state the closing date for receiving nominations by petition. In all cases, the period for receiving nominations by petition must extend at least 30 days from the date of the petition requirement and the list of nominating committee's nominees are mailed to all members. To be effective, nominations by petition must be accompanied by a signed certificate from the nominee or nominees stating that they are agreeable to nomination and will serve if elected to office. Nominations by petition must be filed with the secretary of the credit union at least 40 days before the annual meeting and the secretary will ensure that nominations by petition, along with those of the nominating committee, are posted in a conspicuous place in each credit union office at least 35 days before the annual meeting.

Section 2. *Election procedures.* All elections are determined by plurality vote. All elections will be by electronic device or mail ballot, subject to the following conditions:

(a) The board of directors will appoint the election tellers;

(b) If sufficient nominations are made by the nominating committee or by petition to provide more nominees than positions to be filled, the secretary, at least 30 days before the annual meeting, will cause either a printed ballot or notice of ballot to be mailed to all members eligible to vote. Electronic mail may be used to provide the no-

tice of ballot to members who have opted to receive notices or statements electronically;

(c) If the credit union is conducting its elections electronically, the secretary will cause the following materials to be transmitted to each eligible voter and the following procedures will be followed:

(1) One notice of balloting stating the names of the candidates for the board of directors and the candidates for other separately identified offices or committees. The name of each candidate must be followed by a brief statement of qualifications and biographical data in a form approved by the board of directors. Electronic mail may be used to provide the notice of ballot to members who have opted to receive notices or statements electronically.

(2) One mail ballot that conforms to Section 2(d) of this article and one instruction sheet stating specific instructions for the electronic election procedure, including how to access and use the system, and the period of time in which votes will be taken. The instruction will state that members without the requisite electronic device necessary to vote on the system may vote by submitting the enclosed mail ballot and specify the date the mail ballot must be received by the credit union. For members who have opted to receive notices or statements electronically, the mail ballot is not required and electronic mail may be used to provide the instructions for the electronic election procedure.

(3) It is the duty of the tellers of election to verify, or cause to be verified the name of the voter and the credit union account number as they are registered in the electronic balloting system. It is the duty of the teller to test the integrity of the balloting system at regular intervals during the election period.

(4) Ballots must be received no later than midnight, 5 calendar days before the annual meeting.

(5) The vote will be tallied by the tellers. The result must be verified at the annual meeting and the chair will make the result of the vote public at the annual meeting.

(6) In the event of malfunction of the electronic balloting system, the board of directors may in its discretion order elections be held by mail ballot only. The mail ballots must conform to Section 2(d) of this article and must be mailed once more to all eligible members 30 days before the annual meeting. The board may make reasonable adjustments to the voting time frames above, or postpone the annual meeting when necessary, to complete the elections before the annual meeting.

(d) If the credit union is conducting its election by mail ballot, the secretary will cause the following materials to be mailed to each member and the following procedures will be followed:

(1) One ballot, clearly identified as the ballot on which the names of the candidates for the board of directors and the candidates for other separately identified offices or committees are printed in random order. The name of each candidate will be followed by a brief statement of qualifications and biographical data in a form approved by the board of directors;

(2) One ballot envelope clearly marked with instructions that the completed ballot must be placed in that envelope and sealed;

(3) One identification form to be completed so as to include the name, address, signature and credit union account number of the voter;

(4) One mailing envelope in which the voter, following instructions provided with the mailing envelope, must insert the sealed ballot envelope and the identification form, and which must have postage prepaid and be preaddressed for return to the tellers;

(5) When properly designed with features that preserve the secrecy of the ballot, one form can be printed that represents a combined ballot and identification form, and postage prepaid and preaddressed return envelope;

(6) It is the duty of the tellers to verify, or cause to be verified, the name and credit union account number of the voter as appearing on the identification form; to place the verified identification form and the sealed ballot envelope in a place of safekeeping pending the count of the vote; in the case of a questionable or challenged identification form, to retain the identification form and sealed ballot envelope together until the verification or challenge has been resolved;

(7) Ballots mailed to the tellers must be received by the tellers no later than midnight 5 days before the date of the annual meeting;

(8) The vote will be tallied by the tellers. The result will be verified at the annual meeting and the chair will make the result of the vote public at the annual meeting.

All Options Continue Here

Section 3. *Order of nominations.* Nominations may be in the following order:

(a) Nominations for directors.

(b) Nominations for credit committee members, if applicable. Elections may be by separate ballots following the same order as the above nominations or, if preferred, may be by one ballot for all offices.

Section 4. *Proxy and agent voting.* Members cannot vote by proxy. A member other than a natural person may vote through an agent designated in writing for the purpose.

Section 5. *One vote per member.* Irrespective of the number of shares, no member has more than one vote.

Section 6. *Submission of information regarding credit union officials to NCUA.* The names and addresses of members of the board, board

officers, executive committee, and members of the credit committee, if applicable, and supervisory committees must be forwarded to the Administration in accordance with the Act and regulations in the manner as may be required by the Administration.

Section 7. *Minimum age requirement.* Members must be at least ___ years of age by the date of the meeting (or for appointed offices, the date of appointment) in order to vote at meetings of the members, hold elective or appointive office, sign nominating petitions, or sign petitions requesting special meetings.

The Credit Union's board should adopt a resolution inserting an age no greater than 18, or the age of majority under the state law applicable to the credit union, in the blank space.

The Credit Union may select the absentee ballot provision in conjunction with the voting procedure it has selected. This may be done by printing the credit union's bylaws with this provision or by retaining this copy and checking the box.

Section 8. *Absentee ballots.* The board of directors may authorize the use of absentee ballots in conjunction with the other procedures authorized in this article, subject to the following conditions:

(a) The board of directors will appoint the election tellers;

(b) If sufficient nominations are made by the nominating committee or by petition to provide more than one nominee for any position to be filled, the secretary, at least 30 days before the annual meeting, will cause printed ballots to be mailed to all members of the credit union who are eligible to vote and who have submitted a written or electronic request for an absentee ballot;

(c) The secretary will cause the following materials to be mailed to each eligible voter who has submitted a written or electronic request for an absentee ballot:

(1) One ballot, clearly identified as the ballot on which the names of the candidates for the board of directors and the candidates for other separately identified offices or committees are printed in random order. The name of each candidate will be followed by a brief statement of qualifications and biographical data in a form approved by the board of directors;

(2) One ballot envelope clearly marked with instructions that the completed ballot must be placed in that envelope and sealed;

(3) One identification form to be completed so as to include the name, address, signature and credit union account number of the voter;

(4) One mailing envelope in which the voter, pursuant to instructions provided with the envelope, must insert the sealed ballot envelope and the identification form, and which must have postage prepaid and be preaddressed for return to the tellers;

(5) When properly designed with features that preserve the secrecy of the ballot, one form can be printed that represents a combined ballot and identification form, and postage prepaid and preaddressed return envelope;

(d) It is the duty of the election tellers to verify, or cause to be verified, the name and credit union account number of the voter as appearing on the identification form; to place the verified identification and the sealed ballot envelope in a place of safe-keeping pending the count of the vote; in the case of a questionable or challenged identification form, to retain the identification form and the sealed ballot envelope together until the verification or challenge has been resolved; and in the event that more than one voting procedure is used, to verify that no eligible voter has voted more than one time;

(e) Ballots mailed to the tellers must be received by the tellers no later than midnight 5 days before the date of the annual meeting;

(f) Absentee ballots will be deposited in the ballot boxes to be taken to the annual meeting or included in a precount in accordance with procedures specified in Article V, Section 2; and

(g) If a member has chosen to receive statements and notices electronically, the credit union may provide notices required in this section by email and provide instructions for voting via electronic means instead of mail ballots.

Staff commentary on the election process:

i. Eligibility Requirements: The Act and the FCU Bylaws contain the only eligibility requirements for membership on an FCU's board of directors, which are as follows:

(a) The individual must be a member of the FCU before distribution of ballots;

(b) the individual cannot have been convicted of a crime involving dishonesty or breach of trust unless the NCUA Board has waived the prohibition for the conviction; and

(c) the individual meets the minimum age requirement established under Article V, Section 7 of the FCU Bylaws.

Anyone meeting the three eligibility requirements may run for a seat on the board of directors if properly nominated. It is the nominating committee's duty to ascertain that all nominated candidates, including those nominated by petition, meet the eligibility requirements.

ii. Nomination Criteria for Nominating Committee: The FCU Act and the FCU Bylaws do not prohibit a board of directors from establishing reasonable criteria, in addition to the eligibility requirements, for a nominating committee to follow in making its nominations, such as financial experience, years of membership, or conflict of interest provisions. The board's nomination criteria, however, applies only to individuals nominated

by the nominating committee; they cannot be imposed on individuals who meet the eligibility requirements and are properly nominated from the floor or by petition.

iii. Candidates' Names on Ballots: When producing an election ballot, the FCU's secretary may order the names of the candidates on the ballot using any method for selection provided it is random and used consistently from year to year so as to avoid manipulation or favoritism.

iv. Secret Ballots: An FCU must establish an election process that assures members their votes remain confidential and secret from all interested parties. If the election process does not separate the member's identity from the ballot, FCUs should use a third-party teller that has sole control over completed ballots. If the ballots are designed so that members' identities remain secret and are not disclosed on the ballot, FCUs may use election tellers from the FCU. In any case, FCU employees, officials, and members must not have access to ballots identifying members or to information that links members' votes to their identities.

v. Plurality Voting: At least one nominee must be nominated for each vacant seat. When there are more nominees than seats open for election, the nominees who receive the greatest number of votes are elected to the vacant seats.

vi. Minimum Age Requirement: The age the board selects may not be greater than the age of majority under the state law applicable to the credit union.

ARTICLE VI. BOARD OF DIRECTORS

Section 1. *Number of members.* The board consists of _____ members, all of whom must be members of this credit union. The number of directors may be changed to an odd number not fewer than 5 nor more than 15 by resolution of the board. Section 4. *Vacancies.* Any vacancy on the board, credit committee, if applicable, or supervisory committee will be filled as soon as possible by vote of a majority of the directors then holding office. Directors and credit committee members appointed to fill a vacancy will hold office only until the next annual meeting, at which any unexpired terms will be filled by vote of the members, and until the qualification of their successors. Members of the supervisory committee appointed to fill a vacancy will hold office until the first regular meeting of the board following the next annual meeting of members, at which the regular term expires, and until the appointment and qualification of their successors.

Section 5. *Regular and special meetings.* A regular meeting of the board must be held each month at the time and place fixed by resolution of the board. One regular meeting each calendar year must be conducted in person. The other regular meetings may be conducted using audio or video teleconference methods. The chair, or in the chair's absence the ranking vice chair, may call a special meeting of the board at any time and must do so upon written request of a majority of the directors then holding office. (e) Performing additional acts and exercising additional powers as may be required or authorized by applicable law.

Fewer than a quorum may adjourn from time to time until a quorum is in attendance.

Section 8. *Attendance and removal.* a. If a director or a credit committee member, if applicable, fails to attend regular meetings of the board or credit committee, respectively, for 3 consecutive months, or 4 meetings within a calendar year, or otherwise fails to perform any of the duties as a director or a credit committee member, the office may be declared vacant by the board and the vacancy filled as provided in the bylaws.

b. The board may remove any board officer from office for failure to perform the duties thereof, after giving the officer reasonable notice and opportunity to be heard.

The board may also, by resolution, designate another member or members of this credit union to act on the credit committee when necessary in order to obtain a quorum.

Section 9. *Suspension of supervisory committee members.* Any member of the supervisory committee may be suspended by a majority vote of the board of directors. One board officer, the _____, may be compensated for services as determined by the board. If more than one vice chair is elected, the board determines their rank as first vice chair, second vice chair, and so on. The offices of the financial officer and secretary may be held by the same person. If a management official or assistant management official is permitted to serve on the board, he or she may not serve as the chair. Unless removed as provided in these bylaws, the board officers elected at the first meeting of the board hold office until the first meeting of the board following the first annual meeting of the members and until the election and qualification of their respective successors.

Section 2. *Election and term of office.* Board officers elected at the meeting of the board next following the annual meeting of the members, which must be held not later than 7 days after the annual meeting, hold office

for a term of 1 year and until the election and qualification of their respective successors: provided, however, that any person elected to fill a vacancy caused by the death, resignation, or removal of an officer is elected by the board to serve only for the unexpired term of that officer and until a successor is duly elected and qualified.

(d) Ensure that financial and other reports the Administration may require are prepared and sent.

(e) Within standards and limitations prescribed by the board, employ tellers, clerks, bookkeepers, and other office employees, and have the power to remove these employees.

(f) Perform other duties customarily assigned to the office of the financial officer or duties he or she is directed to perform by

resolution of the board not inconsistent with the Act, regulations and these bylaws.

ii. The board may employ one or more assistant financial officers, none of whom may also hold office as chair or vice chair, and may authorize them, under the direction of the financial officer, to perform any of the duties devolving on the financial officer, including the signing of checks. The board may authorize assistant management officials under the direction of the management official, to perform any of the duties devolving on the management official, including the signing of checks. When designated by the board, any assistant management official may also act as management official during the management official's temporary absence or temporary inability to act.

Section 8. *Board powers regarding employees.* The board employs, fixes the compensation, and prescribes the duties of employees as necessary, and has the power to remove employees, unless it has delegated these powers to the financial officer or management official. Neither the board, the financial officer, nor the management official has the power or duty to employ, prescribe the duties of, or remove necessary clerical and auditing assistance employed or used by the supervisory committee and, if there is a credit committee, the power or duty to employ, prescribe the duties of, or remove any loan officer appointed by the credit committee.

Section 9. *Duties of secretary.* The secretary prepares and maintains full and correct records of all meetings of the members and of the board, which records will be prepared within 7 days after the respective meetings. The secretary must promptly inform the Administration in writing of any change in the address of the office of this credit union or the location of its principal records. The secretary will give or cause to be given, in the manner prescribed in these bylaws, proper notice of all meetings of the members, and perform other duties he or she may be directed to perform by resolution of the board not inconsistent with the Act, regulations and these bylaws. The board may employ one or more assistant secretaries, none of whom

may also hold office as chair, vice chair, or financial officer, and may authorize them under direction of the secretary to perform any of the duties assigned to the secretary.

Section 10. *Executive committee.* As authorized by the Act, the board may appoint an executive committee of not fewer than three directors to serve at its pleasure, to act for it with respect to the board's specifically delegated functions. When making delegations to the executive committee, the board must be specific with regard to the committee's authority and limitations related to the particular delegation. No executive committee member or membership officer may be compensated as such.

Section 11. *Investment committee.* The board may appoint an investment committee composed of not less than two, to serve at its pleasure to have charge of making investments under rules and procedures established by the board. No member of the investment committee may be compensated as such. Addendum: The board must list the positions of the board officers and management officials of this credit union. They are as follows:

Select Option 1 if the credit union has a credit committee and Option 2 if it does not have a credit committee.

ARTICLE VIII. OPTION 1 CREDIT COMMITTEE

Section 1. *Credit committee members.* The credit committee consists of _____ members. All the members of the credit committee must be members of this credit union. The number of members of the credit committee must be an odd number and may be changed to not fewer than 3 nor more than 7 by resolution of the board. No reduction in the number of members may be made unless corresponding vacancies exist as a result of deaths, resignations, expiration of terms of office, or other actions provided by these bylaws. A copy of the resolution of the board covering any increase or decrease in the number of committee members must be filed with the official copy of the bylaws of this credit union.

Section 2. *Terms of office.* Regular terms of office for elected credit committee members are for periods of either 2 or 3 years as the board determines: provided, however, that all regular terms are for the same number of years and until the election and qualification of successors. The regular terms are fixed at the beginning, or upon any increase or decrease in the number of committee

members, that approximately an equal number of regular terms expire at each annual meeting. Regular terms of office for appointed credit committee members are for periods as determined by the board and as noted in the board's minutes.

Section 3. *Officers of credit committee.* The credit committee chooses from their number a chair and a secretary. The secretary of the committee prepares and maintains full and correct records of all actions taken by it, and those records must be prepared within 3 days after the action. The offices of the chair and secretary may be held by the same person.

Section 4. *Credit committee powers.* The credit committee may, by majority vote of its members, appoint one or more loan officers to serve at its pleasure, and delegate to them the power to approve application for loans or lines of credit, share withdrawals, releases and substitutions of security, within limits specified by the committee and within limits of applicable law and regulations. Not more than one member of the committee may be appointed as a loan officer. Each loan officer must furnish to the committee a record of each approved or not approved transaction within 7 days of the date of the filing of the application or request, and this record becomes a part of the records of the committee. No individual may disburse funds of this credit union for any application or share withdrawal which the individual has approved as a loan officer.

Section 5. *Credit committee meetings.* The credit committee holds meetings as the business of this credit union may require, and not less frequently than once a month. Notice of meetings will be given to members of the committee in a manner as the committee may from time to time, by resolution, prescribe.

Section 6. *Credit committee duties.* For each loan or line of credit, the credit committee or loan officer must inquire into the character and financial condition of the applicant and the applicant's sureties, if any, to ascertain their ability to repay fully and promptly the obligations incurred by them and to determine whether the loan or line of credit will be of probable benefit to the borrower. The credit committee and its appointed loan officers should endeavor diligently to assist applicants in solving their financial problems.

Section 7. *Unapproved loans prohibited.* No loan or line of credit may be made unless approved by the committee or a loan officer in accordance with applicable law and regulations.

Section 8. *Lending procedures.* Subject to the limits imposed by applicable law and regulations, these bylaws, and the general policies of the board, the credit committee,

or a loan officer, determines the security, if any, required for each application and the terms of repayment. The security furnished must be adequate in quality and character and consistent with sound lending practices. When funds are not available to make all the loans and lines of credit for which there are applications, preference should be given, in all cases, to the smaller applications if the need and credit factors are nearly equal.

ARTICLE VIII. OPTION 2 LOAN OFFICERS (NO CREDIT COMMITTEE)

Section 1. *Records of loan officer; prohibition on loan officer disbursing funds.* Each loan officer must maintain a record of each approved or not approved transaction within 7 days of the filing of the application or request, and that record becomes a part of the records of the credit union. No individual may disburse funds of this credit union for any application or share withdrawal which the individual has approved as a loan officer.

Section 2. *Duties of loan officer.* For each loan or line of credit, the loan officer must inquire into the character and financial condition of the applicant and the applicant's sureties, if any, to ascertain their ability to repay fully and promptly the obligations incurred by them and to determine whether the loan or line of credit will be of probable benefit to the borrower. The loan officers should endeavor diligently to assist applicants in solving their financial problems.

Section 3. *Unapproved loans prohibited.* No loan or line of credit may be made unless approved by a loan officer in accordance with applicable law and regulations.

Section 4. *Lending procedures.* Subject to the limits imposed by law and regulations, these bylaws, and the general policies of the board, a loan officer determines the security if any required for each application and the terms of repayment. The security furnished must be adequate in quality and character and consistent with sound lending practices. When funds are not available to make all the loans and lines of credit for which there are applications, preference should be given, in all cases, to the applications for lesser amounts if the need and credit factors are nearly equal.

ARTICLE IX. SUPERVISORY COMMITTEE

Section 1. *Appointment and membership.* The supervisory committee is appointed by the board from among the members of this credit union, one of whom may be a director other than the financial officer or the compensated officer of the board. The board determines the number of members on the committee, which may not be fewer than 3 nor more than 5. No member of the credit committee, if applicable, or any employee of this credit union may be appointed to the committee. Regular terms of committee members are for

periods of 1, 2, or 3 years as the board determines: Provided, however, that all regular terms are for the same number of years and until the appointment and qualification of successors. The regular terms are fixed at the beginning, or upon any increase or decrease in the number of committee members, so that approximately an equal number of regular terms expires at each annual meeting.

Section 2. *Officers of supervisory committee.* The supervisory committee members choose from among their number a chair and a secretary. The secretary of the supervisory committee prepares, maintains, and has custody of full and correct records of all actions taken by it. The offices of chair and secretary may be held by the same person.

Section 3. *Duties of supervisory committee.* a. The supervisory committee makes, or causes to be made, the audits, and prepares and submits the written reports required by the Act and regulations. The committee may employ and use clerical and auditing assistance required to carry out its responsibilities prescribed by this article, and may request the board to provide compensation for this assistance. It will prepare and forward to the Administration required reports.

b. If all director positions become vacant simultaneously, the supervisory committee immediately assumes the role of the board of directors. The supervisory committee acting as the board must generally call and hold a special meeting to elect a board that will serve until the next annual meeting. The special meeting must occur at least 7 but no more than 14 days after all director positions became vacant, and candidates for the board at the special meeting may be nominated by petition or from the floor. However, if the next annual meeting has been scheduled and will occur within 45 days after all the director positions become vacant, the supervisory committee may decide to forego the special meeting and continue serving as the board until the election of new directors at the annual meeting.

c. If the next annual meeting has not been scheduled, but the month and day of the previous year's meeting plus 7 days falls within 45 days after all the director positions become vacant, the supervisory committee acting as the board may decide to forego the special meeting to elect new directors. In this case, the supervisory committee must schedule the annual meeting within 7 days before or after the month and day of the previous annual meeting and continue to serve as the board until directors are elected at the annual meeting.

d. The supervisory committee acting as the board may not act on policy matters. However, directors elected at a special meeting have the same powers as directors elected at the annual meeting.

Section 4. *Verification of accounts.* The supervisory committee will cause the verification of the accounts of members with the records of the financial officer from time to time and not less frequently than as required by the Act and regulations. The committee must maintain a record of this verification.

Section 5. *Powers of supervisory committee—removal of directors and credit committee members.* By unanimous vote, the supervisory committee may suspend until the next meeting of the members any director, board officer, or member of the credit committee. In the event of any suspension, the supervisory committee must call a special meeting of the members to act on the suspension, which meeting must be held not fewer than 7 nor more than 14 days after the suspension. The chair of the committee acts as chair of the meeting unless the members select another person to act as chair.

Section 6. *Powers of supervisory committee—special meetings.* By the affirmative vote of a majority of its members, the supervisory committee may call a special meeting of the members to consider any violation of the provisions of the Act, the regulations, or of the charter or the bylaws of this credit union, or to consider any practice of this credit union which the committee deems to be unsafe or unauthorized.

ARTICLE X. ORGANIZATION MEETING

Section 1. *Initial meeting.* When application is made for a federal credit union charter, the subscribers to the organization certificate must meet for the purpose of electing a board of directors and a credit committee, if applicable. Failure to commence operations within 60 days following receipt of the approved organization certificate is cause for revocation of the charter unless a request for an extension of time has been submitted to and approved by the Regional Director.

Section 2. *Election of directors and credit committee.* The subscribers elect a chair and a secretary for the meeting. The subscribers then elect from their number, or from those eligible to become members of this credit union, a board of directors and a credit committee, if applicable, all to hold office until the first annual meeting of the members and until the election and qualification of their respective successors. If not already a member, every person elected under this section or appointed under Section 3 of this article, must qualify within 30 days by becoming a member. If any person elected as a director or committee member or appointed as a supervisory committee member does not qualify as a member within 30 days of election or appointment, the office will automatically become vacant and be filled by the board.

The board also appoints a supervisory committee at this meeting as provided in Article IX, Section 1, of these bylaws and a credit committee, if applicable. The members so appointed hold office until the first regular meeting of the board following the first annual meeting of the members and until the appointment and qualification of their respective successors.

ARTICLE XI. LOANS AND LINES OF CREDIT TO MEMBERS

Section 1. *Loan purposes.* Loans may only be made to members and for provident or productive purposes in accordance with applicable law and regulations.

Section 2. *Delinquency.* Any member whose loan is delinquent may be required to pay a late charge as determined by the board of directors.

ARTICLE XII. DIVIDENDS

Section 1. *Power of board to declare dividends.* The board establishes dividend periods and declares dividends as permitted by the Act and applicable regulations.

ARTICLE XIII. RESERVED

ARTICLE XIV. EXPULSION AND WITHDRAWAL

Section 1. *Expulsion procedure; expulsion or withdrawal does not affect members' liability or shares.* A member may be expelled by a two-thirds vote of the members present at special meeting called for that purpose, but only after the member has been given the opportunity to be heard. A member also may be expelled under a nonparticipation policy adopted by the board of directors and provided to each member in accordance with the Act. Expulsion or withdrawal will not operate to relieve a member of any liability to this credit union. All amounts paid in on shares by expelled or withdrawing members, before their expulsion or withdrawal, will be paid to them in the order of their withdrawal or expulsion, but only as funds become available and only after deducting any amounts due to this credit union.

ARTICLE XV. MINORS

Section 1. *Minors permitted to own shares.* Shares may be issued in the name of a minor. State law governs the rights of minors to transact business with this credit union.

ARTICLE XVI. GENERAL

Section 1. *Compliance with law and regulation.* All power, authority, duties, and functions of the members, directors, officers, and employees of this credit union, pursuant to the provisions of these bylaws, must be exercised in strict conformity with the provisions of applicable law and regulations, and of the charter and the bylaws of this credit union.

Section 2. *Confidentiality.* The officers, directors, members of committees and employees of this credit union must hold in confidence all transactions of this credit union with its members and all information respecting their personal affairs, except when permitted by state or federal law.

Section 3. *Removal of directors and committee members.* Notwithstanding any other provisions in these bylaws, any director or committee member of this credit union may be removed from office by the affirmative vote of a majority of the members present at a special meeting called for the purpose, but only after an opportunity has been given to be heard. If member votes at a special meeting result in the removal of all directors, the supervisory committee immediately becomes the temporary board of directors and must follow the procedures in Article IX, Section 3.

Section 4. *Conflicts of interest prohibited.* No director, committee member, officer, agent, or employee of this credit union may participate in any manner, directly or indirectly, in the deliberation upon or the determination of any question affecting his or her pecuniary or personal interest or the pecuniary interest of any corporation, partnership, or association (other than this credit union) in which he or she is directly or indirectly interested. In the event of the disqualification of any director respecting any matter presented to the board for deliberation or determination, that director must withdraw from the deliberation or determination; and if the remaining qualified directors present at the meeting plus the disqualified director or directors constitute a quorum, the remaining qualified directors may exercise with respect to this matter, by majority vote, all the powers of the board. In the event of the disqualification of any member of the credit committee, if applicable, or the supervisory committee, that committee member must withdraw from the deliberation or determination.

Section 5. *Records.* Copies of the organization certificate of this credit union, its bylaws and any amendments to the bylaws, and any special authorizations by the Administration must be preserved in a place of safekeeping. Copies of the organization certificate and field of membership amendments should be attached as an appendix to these

bylaws. Returns of nominations and elections and proceedings of all regular and special meetings of the members and directors must be recorded in the minute books of this credit union. The minutes of the meetings of the members, the board, and the committees must be signed by their respective chairmen or presiding officers and by the persons who serve as secretaries of those meetings.

Section 6. *Availability of credit union records.* All books of account and other records of this credit union must be available at all times to the directors and committee members of this credit union provided they have a proper purpose for obtaining the records. The charter and bylaws of this credit union must be made available for inspection by any member and, if the member requests a copy, it will be provided for a reasonable fee.

Section 7. *Member contact information.* Members must keep the credit union informed of their current address.

APPENDIX B TO PART 701—CHARTERING AND FIELD OF MEMBERSHIP MANUAL

CHAPTER 1

FEDERAL CREDIT UNION CHARTERING

I—GOALS OF NCUA CHARTERING POLICY

The National Credit Union Administration's (NCUA) chartering and field of membership policies are directed toward achieving the following goals:

- To encourage the formation of credit unions;
- To uphold the provisions of the Federal Credit Union Act;
- To promote thrift and credit extension;
- To promote credit union safety and soundness; and
- To make quality credit union service available to all eligible persons.

NCUA may grant a charter to single occupational/associational groups, multiple groups, or communities if:

- The occupational, associational, or multiple groups possess an appropriate common bond or the community represents a well-defined local community, neighborhood, or rural district;

- The subscribers are of good character and are fit to represent the proposed credit union; and
- The establishment of the credit union is economically advisable.

Generally, these are the primary criteria that NCUA will consider. In unusual circumstances, however, NCUA may examine other factors, such as other federal law or public policy, in deciding if a charter should be approved.

Unless otherwise noted, the policies outlined in this manual apply only to federal credit unions.

II—TYPES OF CHARTERS

The Federal Credit Union Act recognizes three types of federal credit union charters—single common bond (occupational and associational), multiple common bond (more than one group each having a common bond of occupation or association), and community.

The requirements that must be met to charter a federal credit union are described in Chapter 2. Special rules for credit unions serving low-income groups are described in Chapter 3.

If a federal credit union charter is granted, Section 5 of the charter will describe the credit union's field of membership, which defines those persons and entities eligible for membership. Generally, federal credit unions are only able to grant loans and provide services to persons within the field of membership who have become members of the credit union.

III—SUBSCRIBERS

Federal credit unions are generally organized by persons who volunteer their time and resources and are responsible for determining the interest, commitment, and economic advisability of forming a federal credit union. The organization of a successful federal credit union takes considerable planning and dedication.

Persons interested in organizing a federal credit union should contact one of the credit union trade associations or the NCUA regional office serving the state in which the credit union will be organized. Lists of NCUA offices and credit union trade associations are shown in the appendices. NCUA will provide information to groups interested in pursuing a federal charter and will assist them in contacting an organizer.

While anyone may organize a credit union, a person with training and experience in chartering new federal credit unions is generally the most effective organizer. However, extensive involvement by the group desiring credit union service is essential.

The functions of the organizer are to provide direction, guidance, and advice on the chartering process. The organizer also pro-

vides the group with information about a credit union's functions and purpose as well as technical assistance in preparing and submitting the charter application. Close communication and cooperation between the organizer and the proposed members are critical to the chartering process.

The Federal Credit Union Act requires that seven or more natural persons—the "subscribers"—present to NCUA for approval a sworn organization certificate stating at a minimum:

- The name of the proposed federal credit union;
- The location of the proposed federal credit union and the territory in which it will operate;
- The names and addresses of the subscribers to the certificate and the number of shares subscribed by each;
- The initial par value of the shares;
- The detailed proposed field of membership; and
- The fact that the certificate is made to enable such persons to avail themselves of the advantages of the Federal Credit Union Act.

False statements on any of the required documentation filed in obtaining a federal credit union charter may be grounds for federal criminal prosecution.

IV—ECONOMIC ADVISABILITY

IV.A—General

Before chartering a federal credit union, NCUA must be satisfied that the institution will be viable and that it will provide needed services to its members. Economic advisability, which is a determination that a potential charter will have a reasonable opportunity to succeed, is essential in order to qualify for a credit union charter.

NCUA will conduct an independent on-site investigation of each charter application to ensure that the proposed credit union can be successful. In general, the success of any credit union depends on: (a) The character and fitness of management; (b) the depth of the members' support; and (c) present and projected market conditions.

IV.B—Proposed Management's Character and Fitness

The Federal Credit Union Act requires NCUA to ensure that the subscribers are of good "general character and fitness." Prospective officials and employees will be the subject of credit and background investigations. The investigation report must demonstrate each applicant's ability to effectively handle financial matters. Employees and officials should also be competent, experienced, honest and of good character. Factors that may lead to disapproval of a prospective official or employee include criminal convictions, indictments, and acts of

fraud and dishonesty. Further, factors such as serious or unresolved past due credit obligations and bankruptcies disclosed during credit checks may disqualify an individual.

NCUA also needs reasonable assurance that the management team will have the requisite skills—particularly in leadership and accounting—and the commitment to dedicate the time and effort needed to make the proposed federal credit union a success.

Section 701.14 of NCUA's Rules and Regulations sets forth the procedures for NCUA approval of officials of newly chartered credit unions. If the application of a prospective official or employee to serve is not acceptable to the regional director, the group can propose an alternate to act in that individual's place. If the charter applicant feels it is essential that the disqualified individual be retained, the individual may appeal the regional director's decision to the NCUA Board. If an appeal is pursued, action on the application may be delayed. If the appeal is denied by the NCUA Board, an acceptable new applicant must be provided before the charter can be approved.

IV.C—Member Support

Economic advisability is a major factor in determining whether the credit union will be chartered. An important consideration is the degree of support from the field of membership. The charter applicant must be able to demonstrate that membership support is sufficient to ensure viability.

NCUA has not set a minimum field of membership size for chartering a federal credit union. Consequently, groups of any size may apply for a credit union charter and be approved if they demonstrate economic advisability. However, it is important to note that often the size of the group is indicative of the potential for success. For that reason, a charter application with fewer than 3,000 primary potential members (e.g., employees of a corporation or members of an association) may not be economically advisable. Therefore, a charter applicant with a proposed field of membership of fewer than 3,000 primary potential members may have to provide more support than an applicant with a larger field of membership. For example, a small occupational or associational group may be required to demonstrate a commitment for long-term support from the sponsor.

IV.D—Present and Future Market Conditions—Business Plan

The ability to provide effective service to members, compete in the marketplace, and to adapt to changing market conditions are key to the survival of any enterprise. Before NCUA will charter a credit union, a business plan based on realistic and supportable projections and assumptions must be submitted.

The business plan should contain, at a minimum, the following elements:

- Mission statement;
- Analysis of market conditions, including if applicable, geographic, demographic, employment, income, housing, and other economic data;
- Evidence of member support;
- Goals for shares, loans, and for number of members;
- Financial services needed/desired;
- Financial services to be provided to members of all segments within the field of membership;
- How/when services are to be implemented;
- Organizational/management plan addressing qualification and planned training of officials/employees;
- Continuity plan for directors, committee members and management staff;
- Operating facilities, to include office space/equipment and supplies, safeguarding of assets, insurance coverage, etc.;
- Type of record keeping and data processing system;
- Detailed semiannual pro forma financial statements (balance sheet, income and expense projections) for 1st and 2nd year, including assumptions—e.g., loan and dividend rates;
- Plans for operating independently;
- Written policies (shares, lending, investments, funds management, capital accumulation, dividends, collections, etc.);
- Source of funds to pay expenses during initial months of operation, including any subsidies, assistance, etc., and terms or conditions of such resources; and
- Evidence of sponsor commitment (or other source of support) if subsidies are critical to success of the federal credit union. Evidence may be in the form of letters, contracts, financial statements from the sponsor, and any other such document on which the proposed federal credit union can substantiate its projections.

While the business plan may be prepared with outside assistance, the subscribers and proposed officials must understand and support the submitted business plan.

V—STEPS IN ORGANIZING A FEDERAL CREDIT UNION

V.A—Getting Started

Following the guidance contained throughout this policy, the organizers should submit wording for the proposed field of membership (the persons, organizations and other legal entities the credit union will serve) to NCUA early in the application process for written preliminary approval. The proposed field of membership must meet all common bond or community requirements.

National Credit Union Administration

Pt. 701, App. B

Once the field of membership has been given preliminary approval, and the organizer is satisfied the application has merit, the organizer should conduct an organizational meeting to elect seven to ten persons to serve as subscribers. The subscribers should locate willing individuals capable of serving on the board of directors, credit committee, supervisory committee, and as chief operating officer/manager of the proposed credit union.

Subsequent organizational meetings may be held to discuss the progress of the charter investigation, to announce the proposed slate of officials, and to respond to any questions posed at these meetings.

If NCUA approves the charter application, the subscribers, as their final duty, will elect the board of directors of the proposed federal credit union. The new board of directors will then appoint the supervisory committee.

V.B—Charter Application Documentation

V.B.1—General

As discussed previously in this Chapter, the organizer of a federal credit union charter must, at a minimum, provide evidence that:

- The group(s) possess an appropriate common bond or the geographical area to be served is a well-defined local community, neighborhood, or rural district;
- The subscribers, prospective officials, and employees are of good character and fitness; and
- The establishment of the credit union is economically advisable.

As part of the application process, the organizer must submit the following forms, which are available in appendix 4 of this Manual:

- Federal Credit Union Investigation Report, NCUA 4001;
- Organization Certificate, NCUA 4008;
- Report of Official and Agreement To Serve, NCUA 4012;
- Application and Agreements for Insurance of Accounts, NCUA 9500; and
- Certification of Resolutions, NCUA 9501.

Each of these forms is described in more detail in the following sections.

V.B.2—Federal Credit Union Investigation Report, NCUA 4001

The application for a new federal credit union will be submitted on NCUA 4001. State-chartered credit unions applying for conversion to a federal charter will use NCUA 4000. (See Chapter 4 for a full discussion.) The organizer is required to certify the information and recommend approval or disapproval, based on the investigation of the request.

V.B.3—Organization Certificate, NCUA 4008

This document, which must be completed by the subscribers, includes the seven criteria established by the Federal Credit Union Act. NCUA staff assigned to the case will assist in the proper completion of this document.

V.B.4—Report of Official and Agreement To Serve, NCUA 4012

This form documents general background information of each official and employee of the proposed federal credit union. Each official and employee must complete and sign this form. The organizer must review each of the NCUA 4012s for elements that would prevent the prospective official or employee from serving. Further, such factors as serious, unresolved past due credit obligations and bankruptcies disclosed during credit checks may disqualify an individual.

V.B.5—Application and Agreements for Insurance of Accounts, NCUA 9500

This document contains the agreements with which federal credit unions must comply in order to obtain National Credit Union Share Insurance Fund (NCUSIF) coverage of member accounts. The document must be completed and signed by both the chief executive officer and chief financial officer. A federal credit union must qualify for federal share insurance.

V.B.6—Certification of Resolutions, NCUA 9501

This document certifies that the board of directors of the proposed federal credit union has resolved to apply for NCUSIF insurance of member accounts and has authorized the chief executive officer and recording officer to execute the Application and Agreements for Insurance of Accounts. Both the chief executive officer and recording officer of the proposed federal credit union must sign this form.

VI—NAME SELECTION

It is the responsibility of the federal credit union organizers or officials of an existing credit union to ensure that the proposed federal credit union name or federal credit union name change does not constitute an infringement on the name of any corporation in its trade area. This responsibility also includes researching any service marks or trademarks used by any other corporation (including credit unions) in its trade area. NCUA will ensure, to the extent possible, that the credit union's name:

- Is not already being officially used by another federal credit union;
- Will not be confused with NCUA or another federal or state agency, or with another credit union; and

- Does not include misleading or inappropriate language.

The last three words in the name of every credit union chartered by NCUA must be “Federal Credit Union.”

The word “community,” while not required, can only be included in the name of federal credit unions that have been granted a community charter.

VII—NCUA REVIEW

VII.A—General

Once NCUA receives a complete charter application package, an acknowledgment of receipt will be sent to the organizer. At some point during the review process, a staff member will be assigned to perform an on-site contact with the proposed officials and others having an interest in the proposed federal credit union.

NCUA staff will review the application package and verify its accuracy and reasonableness. A staff member will inquire into the financial management experience and the suitability and commitment of the proposed officials and employees, and will make an assessment of economic advisability. The staff member will also provide guidance to the subscribers in the proper completion of the Organization Certificate, NCUA 4008.

Credit and background investigations may be conducted concurrently by NCUA with other work being performed by the organizer and subscribers to reduce the likelihood of delays in the chartering process.

The staff member will analyze the prospective credit union’s business plan for realistic projections, attainable goals, adequate service to all segments of the field of membership, sufficient start-up capital, and time commitment by the proposed officials and employees. Any concerns will be reviewed with the organizer and discussed with the prospective credit union’s officials. Additional on-site contacts by NCUA staff may be necessary. The organizer and subscribers will be expected to take the steps necessary to resolve any issues or concerns. Such resolution efforts may delay processing the application.

NCUA staff will then make a recommendation to the regional director regarding the charter application. The recommendation may include specific provisions to be included in a Letter of Understanding and Agreement. In most cases, NCUA will require the prospective officials to adhere to certain operational guidelines. Generally, the agreement is for a limited term of two to four years. A sample Letter of Understanding and Agreement is found in appendix 2.

VII.B—Regional Director Approval

Once approved, the board of directors of the newly formed federal credit union will receive a signed charter and standard bylaws

from the regional director. Additionally, the officials will be advised of the name of the examiner assigned responsibility for supervising and examining the credit union.

VII.C—Regional Director Disapproval

When a regional director disapproves any charter application, in whole or in part, the organizer will be informed in writing of the specific reasons for the disapproval. Where applicable, the regional director will provide information concerning options or suggestions that the applicant could consider for gaining approval or otherwise acquiring credit union service. The letter of denial will include the procedures for appealing the decision.

VII.D—Appeal of Regional Director Decision

If the regional director denies a charter application, in whole or in part, that decision may be appealed to the NCUA Board. An appeal must be sent to the appropriate regional office within 60 days of the date of denial and must address the specific reasons for denial. The regional director will then forward the appeal to the NCUA Board. NCUA central office staff will make an independent review of the facts and present the appeal with a recommendation to the NCUA Board.

Before appealing, the prospective group may, within 30 days of the denial, provide supplemental information to the regional director for reconsideration. A reconsideration will contain new and material evidence addressing the reasons for the initial denial. The regional director will have 30 days from the date of the receipt of the request for reconsideration to make a final decision. If the request is again denied, the applicant may proceed with the appeal process within 60 days of the date of the last denial. A second request for reconsideration will be treated as an appeal to the NCUA Board.

VII.E—Commencement of Operations

Assistance in commencing operations is generally available through the various credit union trade organizations listed in appendix 5.

All new federal credit unions are also encouraged to establish a mentor relationship with a knowledgeable, experienced credit union individual or an existing, well-operated credit union. The mentor should provide guidance and assistance to the new credit union through attendance at meetings and general oversight. Upon request, NCUA will provide assistance in finding a qualified mentor.

VIII—FUTURE SUPERVISION

Each federal credit union will be examined regularly by NCUA to determine that it remains in compliance with applicable laws and regulations and to determine that it

National Credit Union Administration

Pt. 701, App. B

does not pose undue risk to the NCUSIF. The examiner will contact the credit union officials shortly after approval of the charter in order to arrange for the initial examination (usually within the first six months of operation).

The examiner will be responsible for monitoring the progress of the credit union and providing the necessary advice and guidance to ensure it is in compliance with applicable laws and regulations. The examiner will also monitor compliance with the terms of any required Letter of Understanding and Agreement. Typically, the examiner will require the credit union to submit copies of monthly board minutes and financial statements.

The Federal Credit Union Act requires all newly chartered credit unions, up to two years after the charter anniversary date, to obtain NCUA approval prior to appointment of any new board member, credit or supervisory committee member, or senior executive officer. Section 701.14 of the NCUA Rules and Regulations sets forth the notice and application requirements. If NCUA issues a Notice of Disapproval, the newly chartered credit union is prohibited from making the change.

NCUA may disapprove an individual serving as a director, committee member or senior executive officer if it finds that the competence, experience, character, or integrity of the individual indicates it would not be in the best interests of the members of the credit union or of the public to permit the individual to be employed by or associated with the credit union. If a Notice of Disapproval is issued, the credit union may appeal the decision to the NCUA Board.

IX—CORPORATE FEDERAL CREDIT UNIONS

A corporate federal credit union is one that is operated primarily for the purpose of serving other credit unions. Corporate federal credit unions operate under and are administered by the NCUA Office of Corporate Credit Unions.

X—GROUPS SEEKING CREDIT UNION SERVICE

NCUA will attempt to assist any group in chartering a credit union or joining an existing credit union. If the group is not eligible for federal credit union service, NCUA will refer the group to the appropriate state supervisory authority where different requirements may apply.

XI—FIELD OF MEMBERSHIP DESIGNATIONS

NCUA will designate a credit union based on the following criteria:

Single Occupational: If a credit union serves a single occupational sponsor, such as ABC Corporation, it will be designated as an occupational credit union. A single occupational common bond credit union may also

serve a trade, industry, or profession (TIP), such as all teachers.

Single Associational: If a credit union serves a single associational sponsor, such as the Knights of Columbus, it will be designated as an associational credit union.

Multiple Common Bond: If a credit union serves more than one group, each of which has a common bond of occupation and/or association, it will be designated as a multiple common bond credit union.

Community: All community credit unions will be designated as such, followed by a description of their geographic boundaries (*e.g.*, city or county).

Credit unions desiring to confirm or submit an application to change their designations should contact the appropriate NCUA regional office.

XII—FOREIGN BRANCHING

Federal credit unions are permitted to serve foreign nationals within their fields of membership wherever they reside provided they have the ability, resources, and management expertise to serve such persons. Before a credit union opens a branch outside the United States, it must submit an application to do so and have prior written approval of the regional director. A federal credit union may establish a service facility on a United States military installation or United States embassy without prior NCUA approval.

CHAPTER 2

FIELD OF MEMBERSHIP REQUIREMENTS FOR FEDERAL CREDIT UNIONS

I—INTRODUCTION

I.A.1—General

As set forth in Chapter 1, the Federal Credit Union Act provides for three types of federal credit union charters—single common bond (occupational or associational), multiple common bond (multiple groups), and community. Section 109 (12 U.S.C. 1759) of the Federal Credit Union Act sets forth the membership criteria for each of these three types of credit unions.

The field of membership, which is specified in Section 5 of the charter, defines those persons and entities eligible for membership. A single common bond federal credit union consists of one group having a common bond of occupation or association. A multiple common bond federal credit union consists of more than one group, each of which has a common bond of occupation or association. A community federal credit union consists of persons or organizations within a well-defined local community, neighborhood, or rural district.

Once chartered, a federal credit union can amend its field of membership; however, the

same common bond or community requirements for chartering the credit union must be satisfied. Since there are differences in the three types of charters, special rules, which are fully discussed in the following sections of this Chapter, may apply to each.

1.A.2—Special Low-Income Rules

Generally, federal credit unions can only grant loans and provide services to persons who have joined the credit union. The Federal Credit Union Act states that one of the purposes of federal credit unions is “to serve the productive and provident credit needs of individuals of modest means.” Although field of membership requirements are applicable, special rules set forth in Chapter 3 may apply to low-income designated credit unions and those credit unions assisting low-income groups or to a federal credit union that adds an underserved community to its field of membership.

II—OCCUPATIONAL COMMON BOND

II.A.1—General

A single occupational common bond federal credit union may include in its field of membership all persons and entities who share that common bond. NCUA permits a person's membership eligibility in a single occupational common bond group to be established in five ways:

- Employment (or a long-term contractual relationship equivalent to employment) in a single corporation or other legal entity makes that person part of a single occupational common bond;
- Employment in a corporation or other legal entity with a controlling ownership interest (which shall not be less than 10 percent) in or by another legal entity makes that person part of a single occupational common bond;
- Employment in a corporation or other legal entity which is related to another legal entity (such as a company under contract and possessing a strong dependency relationship with another company) makes that person part of a single occupational common bond;
- Employment or attendance at a school makes that person part of a single occupational common bond (see Chapter 2, Section III.A.1); or
- Employment in the same Trade, Industry, or Profession (TIP) (see Chapter 2, Section II.A.2).

A geographic limitation is not a requirement for a single occupational common bond. However, for purposes of describing the field of membership, the geographic areas being served may be included in the charter. For example:

- Employees, officials, and persons who work regularly under contract in Miami,

Florida for ABC Corporation and subsidiaries;

- Employees of ABC Corporation who are paid from * * *;
- Employees of ABC Corporation who are supervised from * * *;
- Employees of ABC Corporation who are headquartered in * * *; and/or
- Employees of ABC Corporation who work in the United States.

The corporation or other legal entity (i.e., the employer) may also be included in the common bond—e.g., “ABC Corporation.” The corporation or legal entity will be defined in the last clause in Section 5 of the credit union's charter.

A charter applicant must provide documentation to establish that the single occupational common bond requirement has been met.

Some examples of single occupational common bonds are:

- Employees of the Hunt Manufacturing Company who work in West Chester, Pennsylvania. (common bond—same employer with geographic definition);
- Employees of the Buffalo Manufacturing Company who work in the United States. (common bond—same employer with geographic definition);
- Employees, elected and appointed officials of municipal government in Parma, Ohio. (common bond—same employer with geographic definition);
- Employees of Johnson Soap Company and its majority owned subsidiary, Johnson Toothpaste Company, who work in, are paid from, are supervised from, or are headquartered in Augusta and Portland, Maine. (common bond—parent and subsidiary company with geographic definition);
- Employees of MMLLJS contractor who work regularly at the U.S. Naval Shipyard in Bremerton, Washington. (common bond—employees of contractors with geographic definition);
- Employees, doctors, medical staff, technicians, medical and nursing students who work in or are paid from the Newport Beach Medical Center, Newport Beach, California. (single corporation with geographic definition);
- Employees of JLS, Incorporated and MJM, Incorporated working for the LKM Joint Venture Company in Catalina Island, California. (common bond—same employer—ongoing dependent relationship);
- Employees of and students attending Georgetown University. (common bond—same occupation);
- Employees of all the schools supervised by the Timbrook Board of Education in Timbrook, Georgia. (common bond—same employer); or
- All licensed nurses in Fairfax County, Virginia. (occupational common bond TIP).

Some examples of insufficiently defined single occupational common bonds are:

- Employees of manufacturing firms in Seattle, Washington. (no defined occupational sponsor; overly broad TIP);
- Persons employed or working in Chicago, Illinois. (no occupational common bond).

II.A.2—Trade, Industry, or Profession

A common bond based on employment in a trade, industry, or profession can include employment at any number of corporations or other legal entities that—while not under common ownership—have a common bond by virtue of producing similar products, providing similar services, or participating in the same type of business.

While proposed or existing single common bond credit unions have some latitude in defining a trade, industry, or profession occupational common bond, it cannot be defined so broadly as to include groups in fields which are not closely related. For example, the manufacturing industry, energy industry, communications industry, retail industry, or entertainment industry would not qualify as a TIP because each industry lacks the necessary commonality. However, textile workers, realtors, nurses, teachers, police officers, or U.S. military personnel are closely related and each would qualify as a TIP.

The common bond relationship must be one that demonstrates a narrow commonality of interests within a specific trade, industry, or profession. If a credit union wants to serve a physician TIP, it can serve all physicians, but that does not mean it can also serve all clerical staff in the physicians' offices. However, if the TIP is based on the health care industry, then clerical staff would be able to be served by the credit union because they work in the same industry and have the same commonality of interests.

If a credit union wants to include the airline services industry, it can serve airline and airport personnel but not passengers. Clients or customers of the TIP are not eligible for credit union membership (e.g., patients in hospitals). Any company that is involved in more than one industry cannot be included in an industry TIP (e.g., a company that makes tobacco products, food products, and electronics). However, employees of these companies may be eligible for membership in a variety of trade/profession occupational common bond TIPs.

Since a TIP must be narrowly defined, it cannot include third party vendors and other suppliers. For example, the steel suppliers to the automobile industry would not be part of the automobile industry TIP. However, the automobile industry includes manufacturers and their automobile dealerships.

In general, except for credit unions currently serving a national field of membership or operating in multiple states, a geo-

graphic limitation is required for a TIP credit union. The geographic limitation will be part of the credit union's charter and generally correspond to its current or planned operational area. More than one federal credit union may serve the same trade, industry, or profession, even if both credit unions are in the same geographic location.

This type of occupational common bond is only available to single common bond credit unions. A TIP cannot be added to a multiple common bond or community field of membership.

To obtain a TIP designation, the proposed or existing credit union must submit a request to the regional director. New charter applicants must follow the documentation requirements in Chapter 1. New charter applicants and existing credit unions must submit a business plan on how the credit union will serve the group with the request to serve the TIP. The business plan also must address how the credit union will verify the TIP. Examples of such verification include state licenses, professional licenses, organizational memberships, pay statements, union membership, or employer certification. The regional director must approve this type of field of membership before a credit union can serve a TIP. Credit unions converting to a TIP can retain members of record but cannot add new members from its previous group or groups, unless it is part of the TIP.

Section II.B on Occupational Common Bond Amendments does not apply to a TIP common bond. Removing or changing a geographical limitation will be processed as a housekeeping amendment. If safety and soundness concerns are present, the regional director may require additional information before the request can be processed.

Section II.H, on Other Persons Eligible for Credit Union Membership, applies to TIP based credit unions except for the corporate account provision which only applies to industry based TIPs. Credit unions with industry based TIPs may include corporations as members because they have the same commonality of interests as all employees in the industry. For example, an airline service TIP (industry) can serve an airline carrier (corporate account); however, a nurses TIP (profession) could not serve a hospital (corporate account) because not everyone working in the hospital shares the same profession.

If a TIP designated credit union wishes to convert to a different TIP or employer-based occupational common bond, or different charter type, it only retains members of record after the conversion. The regional director, for safety and soundness reasons, may approve a TIP designated credit union to convert to its original field of membership.

II.B—OCCUPATIONAL COMMON BOND AMENDMENTS

II.B.1—General

Section 5 of every single occupational federal credit union's charter defines the field of membership the credit union can legally serve. Only those persons or legal entities specified in the field of membership can be served. There are a number of instances in which Section 5 must be amended by NCUA.

First, a group sharing the credit union's common bond is added to the field of membership. This may occur through various ways including agreement between the group and the credit union directly, or through a merger, corporate acquisition, purchase and assumption (P&A), or spin-off.

Second, if the entire field of membership is acquired by another corporation, the credit union can serve the employees of the new corporation and any subsidiaries after receiving NCUA approval.

Third, a federal credit union qualifies to change its common bond from:

- A single occupational common bond to a single associational common bond;
- A single occupational common bond to a community charter; or
- A single occupational common bond to a multiple common bond.

Fourth, a federal credit union removes a portion of the group from its field of membership through agreement with the group, a spin-off, or because a portion of the group is no longer in existence.

An existing single occupational common bond federal credit union that submits a request to amend its charter must provide documentation to establish that the occupational common bond requirement has been met. The regional director must approve all amendments to an occupational common bond credit union's field of membership.

II.B.2—Corporate Restructuring

If the single common bond group that comprises a federal credit union's field of membership undergoes a substantial restructuring, the result is often that portions of the group are sold or spun off. This requires a change to the credit union's field of membership. NCUA will not permit a single common bond credit union to maintain in its field of membership a sold or spun-off group to which it has been providing service unless the group otherwise qualifies for membership in the credit union or the credit union converts to a multiple common bond credit union.

If the group comprising the single common bond of the credit union merges with, or is acquired by, another group, the credit union can serve the new group resulting from the merger or acquisition after receiving a housekeeping amendment.

II.B.3—Economic Advisability

Prior to granting a common bond expansion, NCUA will examine the amendment's likely effect on the credit union's operations and financial condition. In most cases, the information needed for analyzing the effect of adding a particular group will be available to NCUA through the examination and financial and statistical reports; however, in particular cases, a regional director may require additional information prior to making a decision.

II.B.4—Documentation Requirements

A federal credit union requesting a common bond expansion must submit an Application for Field of Membership Amendment (NCUA 4015-EZ) to the appropriate NCUA regional director. An authorized credit union representative must sign the request.

II.C—NCUA'S PROCEDURES FOR AMENDING THE FIELD OF MEMBERSHIP

II.C.1—General

All requests for approval to amend a federal credit union's charter must be submitted to the appropriate regional director.

II.C.2—Regional Director's Decision

NCUA staff will review all amendment requests in order to ensure compliance with NCUA policy.

Before acting on a proposed amendment, the regional director may require an on-site review. In addition, the regional director may, after taking into account the significance of the proposed field of membership amendment, require the applicant to submit a business plan addressing specific issues.

The financial and operational condition of the requesting credit union will be considered in every instance. NCUA will carefully consider the economic advisability of expanding the field of membership of a credit union with financial or operational problems.

In most cases, field of membership amendments will only be approved for credit unions that are operating satisfactorily. Generally, if a federal credit union is having difficulty providing service to its current membership, or is experiencing financial or other operational problems, it may have more difficulty serving an expanded field of membership.

Occasionally, however, an expanded field of membership may provide the basis for reversing current financial problems. In such cases, an amendment to expand the field of membership may be granted notwithstanding the credit union's financial or operational problems. The applicant credit union must clearly establish that the expanded field of membership is in the best interest of

National Credit Union Administration

Pt. 701, App. B

the members and will not increase the risk to the NCUSIF.

II.C.3—Regional Director Approval

If the regional director approves the requested amendment, the credit union will be issued an amendment to Section 5 of its charter.

II.C.4—Regional Director Disapproval

When a regional director disapproves any application, in whole or in part, to amend the field of membership under this chapter, the applicant will be informed in writing of the:

- Specific reasons for the action;
- Options to consider, if appropriate, for gaining approval; and
- Appeal procedure.

II.C.5—Appeal of Regional Director Decision

If a field of membership expansion request, merger, or spin-off is denied by the regional director, the federal credit union may appeal the decision to the NCUA Board. An appeal must be sent to the appropriate regional office within 60 days of the date of denial, and must address the specific reason(s) for the denial. The regional director will then forward the appeal to the NCUA Board. NCUA central office staff will make an independent review of the facts and present the appeal to the Board with a recommendation.

Before appealing, the credit union may, within 30 days of the denial, provide supplemental information to the regional director for reconsideration. A reconsideration will contain new and material evidence addressing the reasons for the initial denial. The regional director will have 30 days from the date of the receipt of the request for reconsideration to make a final decision. If the request is again denied, the applicant may proceed with the appeal process within 60 days of the date of the last denial. A second request for reconsideration will be treated as an appeal to the NCUA Board.

II.D—MERGERS, PURCHASE AND ASSUMPTIONS, AND SPIN-OFFS

In general, other than the addition of common bond groups, there are three additional ways a federal credit union with a single occupational common bond can expand its field of membership:

- By taking in the field of membership of another credit union through a common bond or emergency merger;
- By taking in the field of membership of another credit union through a common bond or emergency purchase and assumption (P&A); or
- By taking a portion of another credit union's field of membership through a common bond spin-off.

II.D.1—Mergers

Generally, the requirements applicable to field of membership expansions found in this chapter apply to mergers where the continuing credit union has a federal charter. That is, the two credit unions must share a common bond.

Where the merging credit union is state-chartered, the common bond rules applicable to a federal credit union apply.

Mergers must be approved by the NCUA regional director where the continuing credit union is headquartered, with the concurrence of the regional director of the merging credit union, and, as applicable, the state regulators.

If a single occupational credit union wants to merge into a multiple common bond or community credit union, Section IV.D or Section V.D of this Chapter, respectively, should be reviewed.

II.D.2—Emergency Mergers

An emergency merger may be approved by NCUA without regard to common bond or other legal constraints. An emergency merger involves NCUA's direct intervention and approval. The credit union to be merged must either be insolvent or likely to become insolvent, and NCUA must determine that:

- An emergency requiring expeditious action exists;
 - Other alternatives are not reasonably available; and
 - The public interest would best be served by approving the merger.
- If not corrected, conditions that could lead to insolvency include, but are not limited to:
- Abandonment by management;
 - Loss of sponsor;
 - Serious and persistent recordkeeping problems; or
 - Serious and persistent operational concerns.

In an emergency merger situation, NCUA will take an active role in finding a suitable merger partner (continuing credit union). NCUA is primarily concerned that the continuing credit union has the financial strength and management expertise to absorb the troubled credit union without adversely affecting its own financial condition and stability.

As a stipulated condition to an emergency merger, the field of membership of the merging credit union may be transferred intact to the continuing federal credit union without regard to any common bond restrictions. Under this authority, therefore, a single occupational common bond federal credit union may take into its field of membership any dissimilar charter type.

The common bond characteristic of the continuing credit union in an emergency merger does not change. That is, even

though the merging credit union is a multiple common bond or community, the continuing credit union will remain a single common bond credit union. Similarly, if the merging credit union is also an unlike single common bond, the continuing credit union will remain a single common bond credit union. Future common bond expansions will be based on the continuing credit union's original single common bond.

Emergency mergers involving federally insured credit unions in different NCUA regions must be approved by the regional director where the continuing credit union is headquartered, with the concurrence of the regional director of the merging credit union and, as applicable, the state regulators.

II.D.3—Purchase and Assumption (P&A)

Another alternative for acquiring the field of membership of a failing credit union is through a consolidation known as a P&A. A P&A has limited application because, in most cases, the failing credit union must be placed into involuntary liquidation. In the few instances where a P&A may be appropriate, the assuming federal credit union, as with emergency mergers, may acquire the entire field of membership if the emergency merger criteria are satisfied. However, if the P&A does not meet the emergency merger criteria, it must be processed under the common bond requirements.

In a P&A processed under the emergency criteria, specified loans, shares, and certain other designated assets and liabilities, without regard to common bond restrictions, may also be acquired without changing the character of the continuing federal credit union for purposes of future field of membership amendments.

If the purchased and/or assumed credit union's field of membership does not share a common bond with the purchasing and/or assuming credit union, then the continuing credit union's original common bond will be controlling for future common bond expansions.

P&As involving federally insured credit unions in different NCUA regions must be approved by the regional director where the continuing credit union is headquartered, with the concurrence of the regional director of the purchased and/or assumed credit union and, as applicable, the state regulators.

II.D.4—Spin-Offs

A spin-off occurs when, by agreement of the parties, a portion of the field of membership, assets, liabilities, shares, and capital of a credit union are transferred to a new or existing credit union. A spin-off is unique in that usually one credit union has a field of membership expansion and the other loses a portion of its field of membership.

All common bond requirements apply regardless of whether the spun-off group becomes a new credit union or goes to an existing federal charter.

The request for approval of a spin-off must be supported with a plan that addresses, at a minimum:

- Why the spin-off is being requested;
- What part of the field of membership is to be spun off;
- Whether the affected credit unions have a common bond (applies only to single occupational credit unions);
- Which assets, liabilities, shares, and capital are to be transferred;
- The financial impact the spin-off will have on the affected credit unions;
- The ability of the acquiring credit union to effectively serve the new members;
- The proposed spin-off date; and
- Disclosure to the members of the requirements set forth above.

The spin-off request must also include current financial statements from the affected credit unions and the proposed voting ballot.

For federal credit unions spinning off a group, membership notice and voting requirements and procedures are the same as for mergers (see Part 708 of the NCUA Rules and Regulations), except that only the members directly affected by the spin-off—those whose shares are to be transferred—are permitted to vote. Members whose shares are not being transferred will not be afforded the opportunity to vote. All members of the group to be spun off (whether they voted in favor, against, or not at all) will be transferred if the spin-off is approved by the voting membership. Voting requirements for federally insured state credit unions are governed by state law.

Spin-offs involving federally insured credit unions in different NCUA regions must be approved by all regional directors where the credit unions are headquartered and the state regulators, as applicable. Spin-offs in the same region also require approval by the state regulator, as applicable.

II.E—OVERLAPS

II.E.1—General

An overlap exists when a group of persons is eligible for membership in two or more credit unions. NCUA will permit single occupational federal credit unions to overlap any other charter without performing an overlap analysis.

II.E.2—Organizational Restructuring

A federal credit union's field of membership will always be governed by the common bond descriptions contained in Section 5 of its charter. Where a sponsor organization expands its operations internally, by acquisition or otherwise, the credit union may serve these new entrants to its field of membership

if they are part of the common bond described in Section 5. NCUA will permit a complete overlap of the credit unions' fields of membership.

If a sponsor organization sells off a group, new members can no longer be served unless they otherwise qualify for membership in the credit union or it converts to a multiple common bond charter.

Credit unions must submit documentation explaining the restructuring and providing information regarding the new organizational structure.

II.E.3—Exclusionary Clauses

An exclusionary clause is a limitation precluding the credit union from serving the primary members of a portion of a group otherwise included in its field of membership. NCUA no longer grants exclusionary clauses. Those granted prior to the adoption of this new chartering manual will remain in effect unless the credit unions agree to remove them or one of the affected credit unions submits a housekeeping amendment to have it removed.

II.F—CHARTER CONVERSION

A single occupational common bond federal credit union may apply to convert to a community charter provided the field of membership requirements of the community charter are met. Groups within the existing charter which cannot qualify in the new charter cannot be served except for members of record, or groups or communities obtained in an emergency merger or P&A. A credit union must notify all groups that will be removed from the field of membership as a result of conversion. Members of record can continue to be served. Also, in order to support a case for a conversion, the applicant federal credit union may be required to develop a detailed business plan as specified in Chapter 2, Section V.A.3.

A single occupational common bond federal credit union may apply to convert to a multiple common bond charter by adding a non-common bond group that is within a reasonable proximity of a service facility. Groups within the existing charter may be retained and continue to be served. However, future amendments, including any expansions of the original single common bond group, must be done in accordance with multiple common bond policy.

II.G—REMOVAL OF GROUPS FROM THE FIELD OF MEMBERSHIP

A credit union may request removal of a portion of the common bond group from its field of membership for various reasons. The most common reasons for this type of amendment are:

- The group is within the field of membership of two credit unions and one wishes to discontinue service;
- The federal credit union cannot continue to provide adequate service to the group;
- The group has ceased to exist;
- The group does not respond to repeated requests to contact the credit union or refuses to provide needed support; or
- The group initiates action to be removed from the field of membership.

When a federal credit union requests an amendment to remove a group from its field of membership, the regional director will determine why the credit union desires to remove the group. If the regional director concurs with the request, membership will continue for those who are already members under the "once a member, always a member" provision of the Federal Credit Union Act.

II.H—OTHER PERSONS ELIGIBLE FOR CREDIT UNION MEMBERSHIP

A number of persons, by virtue of their close relationship to a common bond group, may be included, at the charter applicant's option, in the field of membership. These include the following:

- Spouses of persons who died while within the field of membership of this credit union;
- Employees of this credit union;
- Persons retired as pensioners or annuitants from the above employment;
- Volunteers;
- Members of the immediate family or household;
- Organizations of such persons; and
- Corporate or other legal entities in this charter.

Immediate family is defined as spouse, child, sibling, parent, grandparent, or grandchild. This includes stepparents, stepchildren, stepsiblings, and adoptive relationships.

Household is defined as persons living in the same residence maintaining a single economic unit.

Membership eligibility is extended only to individuals who are members of an "immediate family or household" of a credit union member. It is not necessary for the primary member to join the credit union in order for the immediate family or household member of the primary member to join, provided the immediate family or household clause is included in the field of membership. However, it is necessary for the immediate family member or household member to first join in order for that person's immediate family member or household member to join the credit union. A credit union can adopt a more restrictive definition of immediate family or household.

Volunteers, by virtue of their close relationship with a sponsor group, may be included. Examples include volunteers working at a hospital or school.

Under the Federal Credit Union Act, once a person becomes a member of the credit union, such person may remain a member of the credit union until the person chooses to withdraw or is expelled from the membership of the credit union. This is commonly referred to as “once a member, always a member.” The “once a member, always a member” provision does not prevent a credit union from restricting services to members who are no longer within the field of membership.

III—ASSOCIATIONAL COMMON BOND

III.A.1—General

A single associational federal credit union may include in its field of membership, regardless of location, all members and employees of a recognized association. A single associational common bond consists of individuals (natural persons) and/or groups (non-natural persons) whose members participate in activities developing common loyalties, mutual benefits, and mutual interests. Separately chartered associational groups can establish a single common bond relationship if they are integrally related and share common goals and purposes. For example, two or more churches of the same denomination, Knights of Columbus Councils, or locals of the same union can qualify as a single associational common bond.

Individuals and groups eligible for membership in a single associational credit union can include the following:

- Natural person members of the association (for example, members of a union or church members);
- Non-natural person members of the association;
- Employees of the association (for example, employees of the labor union or employees of the church); and
- The association.

Generally, a single associational common bond does not include a geographic definition and can operate nationally. However, a proposed or existing federal credit union may limit its field of membership to a single association or geographic area. NCUA may impose a geographic limitation if it is determined that the applicant credit union does not have the ability to serve a larger group or there are other operational concerns. All single associational common bonds should include a definition of the group that may be served based on the association’s charter, bylaws, and any other equivalent documentation.

The common bond for an associational group cannot be established simply on the basis that the association exists. In deter-

mining whether a group satisfies associational common bond requirements for a federal credit union charter, NCUA will consider the totality of the circumstances, which includes:

- Whether members pay dues;
 - Whether members participate in the furtherance of the goals of the association;
 - Whether the members have voting rights.
- To meet this requirement, members need not vote directly for an officer, but may vote for a delegate who in turn represents the members’ interests;
- Whether the association maintains a membership list;
 - Whether the association sponsors other activities;
 - The association’s membership eligibility requirements; and
 - The frequency of meetings.

A support group whose members are continually changing or whose duration is temporary may not meet the single associational common bond criteria. Each class of member will be evaluated based on the totality of the circumstances. Individuals or honorary members who only make donations to the association are not eligible to join the credit union.

Educational groups—for example, parent-teacher organizations, alumni associations, and student organizations in any school—and church groups may constitute associational common bonds.

Student groups (e.g., students enrolled at a public, private, or parochial school) may constitute either an associational or occupational common bond. For example, students enrolled at a church sponsored school could share a single associational common bond with the members of that church and may qualify for a federal credit union charter. Similarly, students enrolled at a university, as a group by itself, or in conjunction with the faculty and employees of the school, could share a single occupational common bond and may qualify for a federal credit union charter.

The terminology “Alumni of Jacksonville State University” is insufficient to demonstrate an associational common bond. To qualify as an association, the alumni association must meet the requirements for an associational common bond. The alumni of a school must first join the alumni association, and not merely be alumni of the school to be eligible for membership.

Homeowner associations, tenant groups, consumer groups, and other groups of persons having an “interest in” a particular cause and certain consumer cooperatives may also qualify as an association.

Associations based primarily on a client-customer relationship do not meet associational common bond requirements. However, having an incidental client-customer relationship does not preclude an

associational charter as long as the associational common bond requirements are met. For example, a fraternal association that offers insurance, which is not a condition of membership, may qualify as a valid associational common bond.

Applicants for a single associational common bond federal credit union charter or a field of membership amendment to include an association must provide, at the request of the regional director, a copy of the association's charter, bylaws, or other equivalent documentation, including any legal documents required by the state or other governing authority.

The associational sponsor itself may also be included in the field of membership—e.g., “Sprocket Association”—and will be shown in the last clause of the field of membership.

III.A.2—Subsequent Changes to Association's Bylaws

If the association's membership or geographical definitions in its charter and bylaws are changed subsequent to the effective date stated in the field of membership, the credit union must submit the revised charter or bylaws for NCUA's consideration and approval prior to serving members of the association added as a result of the change.

III.A.3—Sample Single Associational Common Bonds

Some examples of associational common bonds are:

- Regular members of Locals 10 and 13, IBEW, in Florida, who qualify for membership in accordance with their charter and bylaws in effect on May 20, 2001;
- Members of the Hoosier Farm Bureau in Grant, Logan, or Lee Counties of Indiana, who qualify for membership in accordance with its charter and bylaws in effect on March 7, 1997;
- Members of the Shalom Congregation in Chevy Chase, Maryland;
- Regular members of the Corporate Executives Association, located in Westchester, New York, who qualify for membership in accordance with its charter and bylaws in effect on December 1, 1997;
- Members of the University of Wisconsin Alumni Association, located in Green Bay, Wisconsin;
- Members of the Marine Corps Reserve Officers Association; or
- Members of St. John's Methodist Church and St. Luke's Methodist Church, located in Toledo, Ohio.

Some examples of insufficiently defined single associational common bonds are:

- All Lutherans in the United States (too broadly defined); or
- Veterans of U.S. military service (group is too broadly defined; no formal association of all members of the group).

Some examples of unacceptable single associational common bonds are:

- Alumni of Amos University (no formal association);
- Customers of Fleetwood Insurance Company (policyholders or primarily customer/client relationships do not meet associational standards);
- Employees of members of the Reston, Virginia, Chamber of Commerce (not a sufficiently close tie to the associational common bond); or
- Members of St. John's Lutheran Church and St. Mary's Catholic Church located in Anniston, Alabama (churches are not of the same denomination).

III.B—ASSOCIATIONAL COMMON BOND AMENDMENTS

III.B.1—General

Section 5 of every associational federal credit union's charter defines the field of membership the credit union can legally serve. Only those persons who, or legal entities that, join the credit union and are specified in the field of membership can be served. There are three instances in which Section 5 must be amended by NCUA.

First, a group that shares the credit union's common bond is added to the field of membership. This may occur through various ways including agreement between the group and the credit union directly, or through a merger, purchase and assumption (P&A), or spin-off.

Second, a federal credit union qualifies to change its common bond from:

- A single associational common bond to a single occupational common bond;
- A single associational common bond to a community charter; or
- A single associational common bond to a multiple common bond.

Third, a federal credit union removes a portion of the group from its field of membership through agreement with the group, a spin-off, or a portion of the group that is no longer in existence.

An existing single associational federal credit union that submits a request to amend its charter must provide documentation to establish that the associational common bond requirement has been met. The regional director must approve all amendments to an associational common bond credit union's field of membership.

III.B.2—Organizational Restructuring

If the single common bond group that comprises a federal credit union's field of membership undergoes a substantial restructuring, the result is often that portions of the group are sold or spun off. This is an event requiring a change to the credit union's field of membership. NCUA may not permit a single associational credit union to

maintain in its field of membership a sold or spun-off group to which it has been providing service unless the group otherwise qualifies for membership in the credit union or the credit union converts to a multiple common bond credit union.

If the group comprising the single common bond of the credit union merges with, or is acquired by, another group, the credit union can serve the new group resulting from the merger or acquisition after receiving a housekeeping amendment.

III.B.3—Economic Advisability

Prior to granting a common bond expansion, NCUA will examine the amendment's likely impact on the credit union's operations and financial condition. In most cases, the information needed for analyzing the effect of adding a particular group will be available to NCUA through the examination and financial and statistical reports; however, in particular cases, a regional director may require additional information prior to making a decision.

III.B.4—Documentation Requirements

A federal credit union requesting a common bond expansion must submit an Application for Field of Membership Amendment (NCUA 4015-EZ) to the appropriate NCUA regional director. An authorized credit union representative must sign the request.

III.C—NCUA PROCEDURES FOR AMENDING THE FIELD OF MEMBERSHIP

III.C.1—General

All requests for approval to amend a federal credit union's charter must be submitted to the appropriate regional director.

III.C.2—Regional Director's Decision

NCUA staff will review all amendment requests in order to ensure conformance to NCUA policy.

Before acting on a proposed amendment, the regional director may require an on-site review. In addition, the regional director may, after taking into account the significance of the proposed field of membership amendment, require the applicant to submit a business plan addressing specific issues.

The financial and operational condition of the requesting credit union will be considered in every instance. The economic advisability of expanding the field of membership of a credit union with financial or operational problems must be carefully considered.

In most cases, field of membership amendments will only be approved for credit unions that are operating satisfactorily. Generally, if a federal credit union is having difficulty providing service to its current membership, or is experiencing financial or other oper-

ational problems, it may have more difficulty serving an expanded field of membership.

Occasionally, however, an expanded field of membership may provide the basis for reversing current financial problems. In such cases, an amendment to expand the field of membership may be granted notwithstanding the credit union's financial or operational problems. The applicant credit union must clearly establish that the expanded field of membership is in the best interest of the members and will not increase the risk to the NCUSIF.

III.C.3—Regional Director Approval

If the regional director approves the requested amendment, the credit union will be issued an amendment to Section 5 of its charter.

III.C.4—Regional Director Disapproval

When a regional director disapproves any application, in whole or in part, to amend the field of membership under this chapter, the applicant will be informed in writing of the:

- Specific reasons for the action;
- Options to consider, if appropriate, for gaining approval; and
- Appeal procedures.

III.C.5—Appeal of Regional Director Decision

If a field of membership expansion request, merger, or spin-off is denied by the regional director, the federal credit union may appeal the decision to the NCUA Board. An appeal must be sent to the appropriate regional office within 60 days of the date of denial and must address the specific reason(s) for the denial. The regional director will then forward the appeal to the NCUA Board. NCUA central office staff will make an independent review of the facts and present the appeal to the NCUA Board with a recommendation.

Before appealing, the credit union may, within 30 days of the denial, provide supplemental information to the regional director for reconsideration. A reconsideration will contain new and material evidence addressing the reasons for the initial denial. The regional director will have 30 days from the date of the receipt of the request for reconsideration to make a final decision. If the request is again denied, the applicant may proceed with the appeal process within 60 days of the date of the last denial. A second request for reconsideration will be treated as an appeal to the NCUA Board.

III.D—MERGERS, PURCHASE AND ASSUMPTIONS, AND SPIN-OFFS

In general, other than the addition of common bond groups, there are three additional ways a federal credit union with a single

associational common bond can expand its field of membership:

- By taking in the field of membership of another credit union through a common bond or emergency merger;
- By taking in the field of membership of another credit union through a common bond or emergency purchase and assumption (P&A); or
- By taking a portion of another credit union's field of membership through a common bond spin-off.

III.D.1—Mergers

Generally, the requirements applicable to field of membership expansions found in this section apply to mergers where the continuing credit union is a federal charter. That is, the two credit unions must share a common bond.

Where the merging credit union is state-chartered, the common bond rules applicable to a federal credit union apply.

Mergers must be approved by the NCUA regional director where the continuing credit union is headquartered, with the concurrence of the regional director of the merging credit union, and, as applicable, the state regulators.

If a single associational credit union wants to merge into a multiple common bond or community credit union, Section IV.D or Section V.D of this Chapter, respectively, should be reviewed.

III.D.2—Emergency Mergers

An emergency merger may be approved by NCUA without regard to common bond or other legal constraints. An emergency merger involves NCUA's direct intervention and approval. The credit union to be merged must either be insolvent or likely to become insolvent, and NCUA must determine that:

- An emergency requiring expeditious action exists;
- Other alternatives are not reasonably available; and
- The public interest would best be served by approving the merger.

If not corrected, conditions that could lead to insolvency include, but are not limited to:

- Abandonment by management;
- Loss of sponsor;
- Serious and persistent record keeping problems; or
- Serious and persistent operational concerns.

In an emergency merger situation, NCUA will take an active role in finding a suitable merger partner (continuing credit union). NCUA is primarily concerned that the continuing credit union has the financial strength and management expertise to absorb the troubled credit union without adversely affecting its own financial condition and stability.

As a stipulated condition to an emergency merger, the field of membership of the merging credit union may be transferred intact to the continuing federal credit union without regard to any common bond restrictions. Under this authority, therefore, a single associational common bond federal credit union may take into its field of membership any dissimilar charter type.

The common bond characteristic of the continuing credit union in an emergency merger does not change. That is, even though the merging credit union is a multiple common bond or community, the continuing credit union will remain a single common bond credit union. Similarly, if the merging credit union is an unlike single common bond, the continuing credit union will remain a single common bond credit union. Future common bond expansions will be based on the continuing credit union's single common bond.

Emergency mergers involving federally insured credit unions in different NCUA regions must be approved by the regional director where the continuing credit union is headquartered, with the concurrence of the regional director of the merging credit union and, as applicable, the state regulators.

III.D.3—Purchase and Assumption (P&A)

Another alternative for acquiring the field of membership of a failing credit union is through a consolidation known as a P&A. A P&A has limited application because, in most cases, the failing credit union must be placed into involuntary liquidation. In the few instances where a P&A may be appropriate, the assuming federal credit union, as with emergency mergers, may acquire the entire field of membership if the emergency merger criteria are satisfied. However, if the P&A does not meet the emergency merger criteria, it must be processed under the common bond requirements.

In a P&A processed under the emergency criteria, specified loans, shares, and certain other designated assets and liabilities, without regard to common bond restrictions, may also be acquired without changing the character of the continuing federal credit union for purposes of future field of membership amendments.

If the purchased and/or assumed credit union's field of membership does not share a common bond with the purchasing and/or assuming credit union, then the continuing credit union's original common bond will be controlling for future common bond expansions.

P&As involving federally insured credit unions in different NCUA regions must be approved by the regional director where the continuing credit union is headquartered, with the concurrence of the regional director of the purchased and/or assumed credit union and, as applicable, the state regulators.

III.D.4—Spin-Offs

A spin-off occurs when, by agreement of the parties, a portion of the field of membership, assets, liabilities, shares, and capital of a credit union are transferred to a new or existing credit union. A spin-off is unique in that usually one credit union has a field of membership expansion and the other loses a portion of its field of membership.

All common bond requirements apply regardless of whether the spun-off group becomes a new credit union or goes to an existing federal charter.

The request for approval of a spin-off must be supported with a plan that addresses, at a minimum:

- Why the spin-off is being requested;
- What part of the field of membership is to be spun off;
- Whether the affected credit unions have the same common bond (applies only to single associational credit unions);
- Which assets, liabilities, shares, and capital are to be transferred;
- The financial impact the spin-off will have on the affected credit unions;
- The ability of the acquiring credit union to effectively serve the new members;
- The proposed spin-off date; and
- Disclosure to the members of the requirements set forth above.

The spin-off request must also include current financial statements from the affected credit unions and the proposed voting ballot.

For federal credit unions spinning off a group, membership notice and voting requirements and procedures are the same as for mergers (see Part 708 of the NCUA Rules and Regulations), except that only the members directly affected by the spin-off—those whose shares are to be transferred—are permitted to vote. Members whose shares are not being transferred will not be afforded the opportunity to vote. All members of the group to be spun off (whether they voted in favor, against, or not at all) will be transferred if the spin-off is approved by the voting membership. Voting requirements for federally insured state credit unions are governed by state law.

Spin-offs involving federally insured credit unions in different NCUA regions must be approved by all regional directors where the credit unions are headquartered and the state regulators, as applicable. Spin-offs in the same region also require approval by the state regulator, as applicable.

*III.E—OVERLAPS**III.E.1—General*

An overlap exists when a group of persons is eligible for membership in two or more credit unions. NCUA will permit single associational federal credit unions to overlap

any other charters without performing an overlap analysis.

III.E.2—Organizational Restructuring

A federal credit union's field of membership will always be governed by the common bond descriptions contained in Section 5 of its charter. Where a sponsor organization expands its operations internally, by acquisition or otherwise, the credit union may serve these new entrants to its field of membership if they are part of the common bond described in Section 5. NCUA will permit a complete overlap of the credit unions' fields of membership. If a sponsor organization sells off a group, new members can no longer be served unless they otherwise qualify for membership in the credit union or it converts to a multiple common bond.

Credit unions must submit documentation explaining the restructuring and providing information regarding the new organizational structure.

III.E.3—Exclusionary Clauses

An exclusionary clause is a limitation precluding the credit union from serving the primary members of a portion of a group otherwise included in its field of membership. NCUA no longer grants exclusionary clauses. Those granted prior to the adoption of this new chartering manual will remain in effect unless the credit unions agree to remove them or one of the affected credit unions submits a housekeeping amendment to have it removed.

III.F—CHARTER CONVERSIONS

A single associational common bond federal credit union may apply to convert to a community charter provided the field of membership requirements of the community charter are met. Groups within the existing charter which cannot qualify in the new charter cannot be served except for members of record, or groups or communities obtained in an emergency merger or P&A. A credit union must notify all groups that will be removed from the field of membership as a result of conversion. Members of record can continue to be served. Also, in order to support a case for a conversion, the applicant federal credit union may be required to develop a detailed business plan as specified in Chapter 2, Section V.A.3.

A single associational common bond federal credit union may apply to convert to a multiple common bond charter by adding a non-common bond group that is within a reasonable proximity of a service facility. Groups within the existing charter may be retained and continue to be served. However, future amendments, including any expansions of the original single common bond group, must be done in accordance with multiple common bond policy.

National Credit Union Administration

Pt. 701, App. B

III.G—REMOVAL OF GROUPS FROM THE FIELD OF MEMBERSHIP

A credit union may request removal of a portion of the common bond group from its field of membership for various reasons. The most common reasons for this type of amendment are:

- The group is within the field of membership of two credit unions and one wishes to discontinue service;
- The federal credit union cannot continue to provide adequate service to the group;
- The group has ceased to exist;
- The group does not respond to repeated requests to contact the credit union or refuses to provide needed support; or
- The group initiates action to be removed from the field of membership.

When a federal credit union requests an amendment to remove a group from its field of membership, the regional director will determine why the credit union desires to remove the group. If the regional director concurs with the request, membership will continue for those who are already members under the "once a member, always a member" provision of the Federal Credit Union Act.

III.H—OTHER PERSONS ELIGIBLE FOR CREDIT UNION MEMBERSHIP

A number of persons by virtue of their close relationship to a common bond group may be included, at the charter applicant's option, in the field of membership. These include the following:

- Spouses of persons who died while within the field of membership of this credit union;
- Employees of this credit union;
- Volunteers;
- Members of the immediate family or household;
- Organizations of such persons; and
- Corporate or other legal entities in this charter.

Immediate family is defined as spouse, child, sibling, parent, grandparent, or grandchild. This includes stepparents, stepchildren, stepsiblings, and adoptive relationships.

Household is defined as persons living in the same residence maintaining a single economic unit.

Membership eligibility is extended only to individuals who are members of an "immediate family or household" of a credit union member. It is not necessary for the primary member to join the credit union in order for the immediate family or household member of the primary member to join, provided the immediate family or household clause is included in the field of membership. However, it is necessary for the immediate family member or household member to first join in order for that person's immediate family member or household member to join the

credit union. A credit union can adopt a more restrictive definition of immediate family or household.

Volunteers, by virtue of their close relationship with a sponsor group, may be included. One example is volunteers working at a church.

Under the Federal Credit Union Act, once a person becomes a member of the credit union, such person may remain a member of the credit union until the person chooses to withdraw or is expelled from the membership of the credit union. This is commonly referred to as "once a member, always a member." The "once a member, always a member" provision does not prevent a credit union from restricting services to members who are no longer within the field of membership.

IV—MULTIPLE OCCUPATIONAL/ ASSOCIATIONAL COMMON BONDS

IV.A.1—General

A federal credit union may be chartered to serve a combination of distinct, definable single occupational and/or associational common bonds. This type of credit union is called a multiple common bond credit union. Each group in the field of membership must have its own occupational or associational common bond. For example, a multiple common bond credit union may include two unrelated employers, or two unrelated associations, or a combination of two or more employers or associations. Additionally, these groups must be within reasonable geographic proximity of the credit union. That is, the groups must be within the service area of one of the credit union's service facilities. These groups are referred to as select groups. A multiple common bond credit union cannot include a TIP or expand using single common bond criteria.

A federal credit union's service area is the area that can reasonably be served by the service facilities accessible to the groups within the field of membership. The service area will most often coincide with that geographic area primarily served by the service facility. Additionally, the groups served by the credit union must have access to the service facility. The non-availability of other credit union service is a factor to be considered in determining whether the group is within reasonable proximity of a credit union wishing to add the group to its field of membership.

A service facility for multiple common bond credit unions is defined as a place where shares are accepted for members' accounts, loan applications are accepted or loans are disbursed. This definition includes a credit union owned branch, a mobile branch, an office operated on a regularly scheduled weekly basis, a credit union owned

ATM, or a credit union owned electronic facility that meets, at a minimum, these requirements. A service facility also includes a shared branch or a shared branch network if either: (1) the credit union has an ownership interest in the service facility either directly or through a CUSO or similar organization; or (2) the service facility is local to the credit union and the credit union is an authorized participant in the service center. This definition does not include the credit union's Internet Web site.

The select group as a whole will be considered to be within a credit union's service area when:

- A majority of the persons in a select group live, work, or gather regularly within the service area;
- The group's headquarters is located within the service area; or
- The group's "paid from" or "supervised from" location is within the service area.

IV.A.2—Sample Multiple Common Bond Field of Membership

An example of a multiple common bond field of membership is:

"The field of membership of this federal credit union shall be limited to the following:

1. Employees of Teltex Corporation who work in Wilmington, Delaware;
2. Partners and employees of Smith & Jones, Attorneys at Law, who work in Wilmington, Delaware;
3. Members of the M&L Association in Wilmington, Delaware, who qualify for membership in accordance with its charter and bylaws in effect on December 31, 1997."

IV.B—MULTIPLE COMMON BOND AMENDMENTS

IV.B.1—General

Section 5 of every multiple common bond federal credit union's charter defines the field of membership and select groups the credit union can legally serve. Only those persons or legal entities specified in the field of membership can be served. There are a number of instances in which Section 5 must be amended by NCUA.

First, a new select group is added to the field of membership. This may occur through agreement between the group and the credit union directly, or through a merger, corporate acquisition, purchase and assumption (P&A), or spin-off.

Second, a federal credit union qualifies to change its charter from:

- A single occupational or associational charter to a multiple common bond charter;
- A multiple common bond to a single occupational or associational charter;
- A multiple common bond to a community charter; or
- A community to a multiple common bond charter.

Third, a federal credit union removes a group from its field of membership through agreement with the group, a spin-off, or because the group no longer exists.

IV.B.2—Numerical Limitation of Select Groups

An existing multiple common bond federal credit union that submits a request to amend its charter must provide documentation to establish that the multiple common bond requirements have been met. The regional director must approve all amendments to a multiple common bond credit union's field of membership.

NCUA will approve groups to a credit union's field of membership if the agency determines in writing that the following criteria are met:

- The credit union has not engaged in any unsafe or unsound practice, as determined by the regional director, which is material during the one year period preceding the filing to add the group;

- The credit union is "adequately capitalized." NCUA defines adequately capitalized to mean the credit union has a net worth ratio of not less than 6 percent. For low-income credit unions or credit unions chartered less than ten years, the regional director may determine that a net worth ratio of less than 6 percent is adequate if the credit union is making reasonable progress toward meeting the 6 percent net worth requirement. For any other credit union, the regional director may determine that a net worth ratio of less than 6 percent is adequate if the credit union is making reasonable progress toward meeting the 6 percent net worth requirement, and the addition of the group would not adversely affect the credit union's capitalization level;

- The credit union has the administrative capability to serve the proposed group and the financial resources to meet the need for additional staff and assets to serve the new group;

- Any potential harm the expansion may have on any other credit union and its members is clearly outweighed by the probable beneficial effect of the expansion. With respect to a proposed expansion's effect on other credit unions, the requirements on overlapping fields of membership set forth in Section IV.E of this Chapter are also applicable; and

- If the formation of a separate credit union by such group is not practical and consistent with reasonable standards for the safe and sound operation of a credit union.

A detailed analysis is required for groups of 3,000 or more primary potential members requesting to be added to a multiple common bond credit union. It is incumbent upon the credit union to demonstrate that the formation of a separate credit union by such a

group is not practical. The group must provide evidence that it lacks sufficient volunteer and other resources to support the efficient and effective operations of a credit union or does not meet the economic advisability criteria outlined in Chapter 1. If this can be demonstrated, the group may be added to a multiple common bond credit union's field of membership.

IV.B.3—Documentation Requirements

A multiple common bond credit union requesting a select group expansion must submit a formal written request, using the Application for Field of Membership Amendment (NCUA 4015 or NCUA 4015-EZ) to the appropriate NCUA regional director. An authorized credit union representative must sign the request.

The NCUA 4015-EZ (for groups less than 3,000 potential members) must be accompanied by the following:

- A letter, or equivalent documentation, from the group requesting credit union service. This letter must indicate:
 - That the group wants to be added to the applicant federal credit union's field of membership;
 - The number of persons currently included within the group to be added and their locations; and
 - The group's proximity to credit union's nearest service facility.
 - The most recent copy of the group's charter and bylaws or equivalent documentation (for associational groups).
- The NCUA 4015 (for groups of 3,000 or more primary potential members) must be accompanied by the following:
- A letter, or equivalent documentation, from the group requesting credit union service. This letter must indicate:
 - That the group wants to be added to the federal credit union's field of membership;
 - Whether the group presently has other credit union service available;
 - The number of persons currently included within the group to be added and their locations;
 - The group's proximity to credit union's nearest service facility, and
 - Why the formation of a separate credit union for the group is not practical or consistent with safety and soundness standards. A credit union need not address every item on the list, simply those issues that are relevant to its particular request:

Member location—whether the membership is widely dispersed or concentrated in a central location.

Demographics—the employee turnover rate, economic status of the group's members, and whether the group is more apt to consist of savers and/or borrowers.

Market competition—the availability of other financial services.

Desired services and products—the type of services the group desires in comparison to the type of services a new credit union could offer.

Sponsor subsidies—the availability of operating subsidies.

The desire of the sponsor—the extent of the sponsor's interest in supporting a credit union charter.

Employee interest—the extent of the employees' interest in obtaining a credit union charter.

Evidence of past failure—whether the group previously had its own credit union or previously filed for a credit union charter.

Administrative capacity to provide services—will the group have the management expertise to provide the services requested.

- If the group is eligible for membership in any other credit union, documentation must be provided to support inclusion of the group under the overlap standards set forth in Section IV.E of this Chapter; and
- The most recent copy of the group's charter and bylaws or equivalent documentation (for associational groups).

IV.B.4—Corporate Restructuring

If a select group within a federal credit union's field of membership undergoes a substantial restructuring, a change to the credit union's field of membership may be required if the credit union is to continue to provide service to the select group. NCUA permits a multiple common bond credit union to maintain in its field of membership a sold, spun-off, or merged select group to which it has been providing service. This type of amendment to the credit union's charter is not considered an expansion; therefore, the criteria relating to adding new groups are not applicable.

When two groups merge and each is in the field of membership of a credit union, then both (or all affected) credit unions can serve the resulting merged group, subject to any existing geographic limitation and without regard to any overlap provisions. However, the credit unions cannot serve the other multiple groups that may be in the field of membership of the other credit union.

IV.C—NCUA'S PROCEDURES FOR AMENDING THE FIELD OF MEMBERSHIP

IV.C.1—General

All requests for approval to amend a federal credit union's charter must be submitted to the appropriate regional director.

IV.C.2—Regional Director's Decision

NCUA staff will review all amendment requests in order to ensure conformance to NCUA policy.

Before acting on a proposed amendment, the regional director may require an on-site

review. In addition, the regional director may, after taking into account the significance of the proposed field of membership amendment, require the applicant to submit a business plan addressing specific issues.

The financial and operational condition of the requesting credit union will be considered in every instance. An expanded field of membership may provide the basis for reversing adverse trends. In such cases, an amendment to expand the field of membership may be granted notwithstanding the credit union's adverse trends. The applicant credit union must clearly establish that the approval of the expanded field of membership meets the requirements of Section IV.B.2 of this Chapter and will not increase the risk to the NCUSIF.

IV.C.3—Regional Director Approval

If the regional director approves the requested amendment, the credit union will be issued an amendment to Section 5 of its charter.

IV.C.4—Regional Director Disapproval

When a regional director disapproves any application, in whole or in part, to amend the field of membership under this chapter, the applicant will be informed in writing of the:

- Specific reasons for the action;
- Options to consider, if appropriate, for gaining approval; and
- Appeal procedure.

IV.C.5—Appeal of Regional Director Decision

If a field of membership expansion request, merger, or spin-off is denied by the regional director, the federal credit union may appeal the decision to the NCUA Board. An appeal must be sent to the appropriate regional office within 60 days of the date of denial, and must address the specific reason(s) for the denial. The regional director will then forward the appeal to the NCUA Board. NCUA central office staff will make an independent review of the facts and present the appeal to the Board with a recommendation.

Before appealing, the credit union may, within 30 days of the denial, provide supplemental information to the regional director for reconsideration. A reconsideration will contain new and material evidence addressing the reasons for the initial denial. The regional director will have 30 days from the date of the receipt of the request for reconsideration to make a final decision. If the request is again denied, the applicant may proceed with the appeal process within 60 days of the date of the last denial. A second request for reconsideration will be treated as an appeal to the NCUA Board.

IV.D—MERGERS, PURCHASE AND ASSUMPTIONS, AND SPIN-OFFS

In general, other than the addition of select groups, there are three additional ways a multiple common bond federal credit union can expand its field of membership:

- By taking in the field of membership of another credit union through a merger;
- By taking in the field of membership of another credit union through a purchase and assumption (P&A); or
- By taking a portion of another credit union's field of membership through a spin-off.

IV.D.1—Voluntary Mergers

a. All Select Groups in the Merging Credit Union's Field of Membership Have Less Than 3,000 Primary Potential Members

A voluntary merger of two or more federal credit unions is permissible as long as each select group in the merging credit union's field of membership has less than 3,000 primary potential members. While the merger requirements outlined in Section 205 of the Federal Credit Union Act must still be met, the requirements of Chapter 2, Section IV.B.2 of this manual are not applicable.

b. One or More Select Groups in the Merging Credit Union's Field of Membership Has 3,000 or More Primary Potential Members

If the merging credit unions serve the same group, and the group consists of 3,000 or more primary potential members, then the ability to form a separate credit union analysis is not required for that group. If the merging credit union has any other groups consisting of 3,000 or more primary potential members, special requirements apply. NCUA will analyze each group of 3,000 or more primary potential members, except as noted above, to determine whether the formation of a separate credit union by such a group is practical. If the formation of a separate credit union by such a group is not practical because the group lacks sufficient volunteer and other resources to support the efficient and effective operations of a credit union or does not meet the economic advisable criteria outlined in Chapter 1, the group may be merged into a multiple common bond credit union. If the formation of a separate credit union is practical, the group must be spun-off before the merger can be approved.

c. Merger of a Single Common Bond Credit Union Into a Multiple Common Bond Credit Union

A financially healthy single common bond credit union with a primary potential membership of 3,000 or more cannot merge into a multiple common bond credit union, absent supervisory reasons, unless the continuing credit union already serves the same group.

d. Merger Approval

If the merger is approved, the qualifying groups within the merging credit union's field of membership will be transferred intact to the continuing credit union and can continue to be served.

Where the merging credit union is state-chartered, the field of membership rules applicable to a federal credit union apply.

Mergers must be approved by the NCUA regional director where the continuing credit union is headquartered, with the concurrence of the regional director of the merging credit union, and, as applicable, the state regulators.

IV.D.2—Supervisory Mergers

The NCUA may approve the merger of any federally insured credit union when safety and soundness concerns are present without regard to the 3,000 numerical limitation. The credit union need not be insolvent or in danger of insolvency for NCUA to use this statutory authority. Examples constituting appropriate reasons for using this authority are: abandonment of the management and/or officials and an inability to find replacements, loss of sponsor support, serious and persistent record keeping problems, sustained material decline in financial condition, or other serious or persistent circumstances.

IV.D.3—Emergency Mergers

An emergency merger may be approved by NCUA without regard to field of membership rules, the 3,000 numerical limitation, or other legal constraints. An emergency merger involves NCUA's direct intervention and approval. The credit union to be merged must either be insolvent or likely to become insolvent, and NCUA must determine that:

- An emergency requiring expeditious action exists;
- Other alternatives are not reasonably available; and
- The public interest would best be served by approving the merger.

If not corrected, conditions that could lead to insolvency include, but are not limited to:

- Abandonment by management;
- Loss of sponsor;
- Serious and persistent record keeping problems; or
- Serious and persistent operational concerns.

In an emergency merger situation, NCUA will take an active role in finding a suitable merger partner (continuing credit union). NCUA is primarily concerned that the continuing credit union has the financial strength and management expertise to absorb the troubled credit union without adversely affecting its own financial condition and stability.

As a stipulated condition to an emergency merger, the field of membership of the merging credit union may be transferred intact to the continuing federal credit union without regard to any field of membership restrictions including numerical limitation requirements. Under this authority, any single occupational or associational common bond, multiple common bond, or community charter may merge into a multiple common bond credit union and that credit union can continue to serve the merging credit union's field of membership. Subsequent field of membership expansions of the continuing multiple common bond credit union must be consistent with multiple common bond policies.

Emergency mergers involving federally insured credit unions in different NCUA regions must be approved by the regional director where the continuing credit union is headquartered, with the concurrence of the regional director of the merging credit union and, as applicable, the state regulators.

IV.D.4—Purchase and Assumption (P&A)

Another alternative for acquiring the field of membership of a failing credit union is through a consolidation known as a P&A. Generally, the requirements applicable to field of membership expansions found in this chapter apply to purchase and assumptions where the purchasing credit union is a federal charter.

A P&A has limited application because, in most cases, the failing credit union must be placed into involuntary liquidation. However, in the few instances where a P&A may occur, the assuming federal credit union, as with emergency mergers, may acquire the entire field of membership if the emergency criteria are satisfied. Specified loans, shares, and certain other designated assets and liabilities, without regard to field of membership restrictions, may also be acquired without changing the character of the continuing federal credit union for purposes of future field of membership amendments. Subsequent field of membership expansions must be consistent with multiple common bond policies.

P&As involving federally insured credit unions in different NCUA regions must be approved by the regional director where the continuing credit union is headquartered, with the concurrence of the regional director of the purchased and/or assumed credit union and, as applicable, the state regulators.

IV.D.5—Spin-Offs

A spin-off occurs when, by agreement of the parties, a portion of the field of membership, assets, liabilities, shares, and capital of a credit union are transferred to a new or existing credit union. A spin-off is unique in that usually one credit union has a field of

membership expansion and the other loses a portion of its field of membership.

All common bond requirements apply regardless of whether the spun-off group becomes a new charter or goes to an existing federal charter.

The request for approval of a spun-off group must be supported with a plan that addresses, at a minimum:

- Why the spin-off is being requested;
- What part of the field of membership is to be spun off;
- Which assets, liabilities, shares, and capital are to be transferred;
- The financial impact the spin-off will have on the affected credit unions;
- The ability of the acquiring credit union to effectively serve the new members;
- The proposed spin-off date; and
- Disclosure to the members of the requirements set forth above.

The spin-off request must also include current financial statements from the affected credit unions and the proposed voting ballot.

For federal credit unions spinning off a group, membership notice and voting requirements and procedures are the same as for mergers (see Part 708 of the NCUA Rules and Regulations), except that only the members directly affected by the spin-off—those whose shares are to be transferred—are permitted to vote. Members whose shares are not being transferred will not be afforded the opportunity to vote. All members of the group to be spun off (whether they voted in favor, against, or not at all) will be transferred if the spin-off is approved by the voting membership. Voting requirements for federally insured state credit unions are governed by state law.

Spin-offs involving federally insured credit unions in different NCUA regions must be approved by all regional directors where the credit unions are headquartered and the state regulators, as applicable. Spin-offs in the same region also require approval by the state regulator, as applicable.

IV.E—OVERLAPS

IV.E.1—General

An overlap exists when a group of persons is eligible for membership in two or more credit unions, including state charters. An overlap is permitted when the expansion's beneficial effect in meeting the convenience and needs of the members of the group proposed to be included in the field of membership clearly outweighs any adverse effect on the overlapped credit union.

Credit unions must investigate the possibility of an overlap with federally insured credit unions prior to submitting an expansion request if the group has 3,000 or more primary potential members. If cases arise where the assurance given to a regional director concerning the unavailability of cred-

it union service is inaccurate, the misinformation may be grounds for removal of the group from the federal credit union's charter.

When an overlap situation requiring analysis does arise, officials of the expanding credit union must ascertain the views of the overlapped credit union. If the overlapped credit union does not object, the applicant must submit a letter or other documentation to that effect. If the overlapped credit union does not respond, the expanding credit union must notify NCUA in writing of its attempt to obtain the overlapped credit union's comments.

NCUA will approve an overlap if the expansion's beneficial effect in meeting the convenience and needs of the members of the group clearly outweighs any adverse effect on the overlapped credit union.

In reviewing the overlap, the regional director will consider:

- The view of the overlapped credit union(s);
- Whether the overlap is incidental in nature—the group of persons in question is so small as to have no material effect on the original credit union;
- Whether there is limited participation by members or employees of the group in the original credit union after the expiration of a reasonable period of time;
- Whether the original credit union fails to provide requested service;
- Financial effect on the overlapped credit union;
- The desires of the group(s);
- The desire of the sponsor organization; and
- The best interests of the affected group and the credit union members involved.

Generally, if the overlapped credit union does not object, and NCUA determines that there is no safety and soundness problem, the overlap will be permitted.

Potential overlaps of a federally insured state credit union's field of membership by a federal credit union will generally be analyzed in the same way as if two federal credit unions were involved. Where a federally insured state credit union's field of membership is broadly stated, NCUA will exclude its field of membership from any overlap protection.

NCUA will permit multiple common bond federal credit unions to overlap community charters without performing an overlap analysis.

IV.E.2—Overlap Issues as a Result of Organizational Restructuring

A federal credit union's field of membership will always be governed by the field of membership descriptions contained in Section 5 of its charter. Where a sponsor organization expands its operations internally, by acquisition or otherwise, the credit union

may serve these new entrants to its field of membership if they are part of any select group listed in Section 5. Where acquisitions are made which add a new subsidiary, the group cannot be served until the subsidiary is included in the field of membership through a housekeeping amendment.

Overlaps may occur as a result of restructuring or merger of the parent organization. When such overlaps occur, each credit union must request a field of membership amendment to reflect the new groups each wishes to serve. The credit union can continue to serve any current group in its field of membership that is acquiring a new group or has been acquired by a new group. The new group cannot be served by the credit union until the field of membership amendment is approved by NCUA.

Credit unions affected by organizational restructuring or merger should attempt to resolve overlap issues among themselves. Unless an agreement is reached limiting the overlap resulting from the corporate restructuring, NCUA will permit a complete overlap of the credit unions' fields of membership. When two groups merge, or one group is acquired by the other, and each is in the field of membership of a credit union, both (or all affected) credit unions can serve the resulting merged or acquired group, subject to any existing geographic limitation and without regard to any overlap provisions. This is accomplished through a housekeeping amendment.

Credit unions must submit to NCUA documentation explaining the restructuring and provide information regarding the new organizational structure.

IV.E.3—Exclusionary Clauses

An exclusionary clause is a limitation precluding the credit union from serving the primary members of a portion of a group otherwise included in its field of membership. NCUA no longer grants exclusionary clauses. Those granted prior to the adoption of this new chartering manual will remain in effect unless the credit unions agree to remove them or one of the affected credit unions submits a housekeeping amendment to have it removed.

IV.F—CHARTER CONVERSION

A multiple common bond federal credit union may apply to convert to a community charter provided the field of membership requirements of the community charter are met. Groups within the existing charter which cannot qualify in the new charter cannot be served except for members of record, or groups or communities obtained in an emergency merger or P&A. A credit union must notify all groups that will be removed from the field of membership as a result of conversion. Members of record can continue

to be served. Also, in order to support a case for a conversion, the applicant federal credit union may be required to develop a detailed business plan as specified in Chapter 2, Section V.A.3.

A multiple common bond federal credit union may apply to convert to a single occupational or associational common bond charter provided the field of membership requirements of the new charter are met. Groups within the existing charter, which do not qualify in the new charter, cannot be served except for members of record, or groups or communities obtained in an emergency merger or P&A. A credit union must notify all groups that will be removed from the field of membership as a result of conversion.

IV.G—REMOVAL OF GROUPS FROM THE FIELD OF MEMBERSHIP

A credit union may request removal of a group from its field of membership for various reasons. The most common reasons for this type of amendment are:

- The group is within the field of membership of two credit unions and one wishes to discontinue service;
- The federal credit union cannot continue to provide adequate service to the group;
- The group has ceased to exist;
- The group does not respond to repeated requests to contact the credit union or refuses to provide needed support;
- The group initiates action to be removed from the field of membership; or
- The federal credit union wishes to convert to a single common bond.

When a federal credit union requests an amendment to remove a group from its field of membership, the regional director will determine why the credit union desires to remove the group. If the regional director concurs with the request, membership will continue for those who are already members under the "once a member, always a member" provision of the Federal Credit Union Act.

IV.H—OTHER PERSONS ELIGIBLE FOR CREDIT UNION MEMBERSHIP

A number of persons, by virtue of their close relationship to a common bond group, may be included, at the charter applicant's option, in the field of membership. These include the following:

- Spouses of persons who died while within the field of membership of this credit union;
- Employees of this credit union;
- Persons retired as pensioners or annuitants from the above employment;
- Volunteers;
- Members of the immediate family or household;
- Organizations of such persons; and

- Corporate or other legal entities in this charter.

Immediate family is defined as spouse, child, sibling, parent, grandparent, or grandchild. This includes stepparents, stepchildren, stepsiblings, and adoptive relationships.

Household is defined as persons living in the same residence maintaining a single economic unit.

Membership eligibility is extended only to individuals who are members of an “immediate family or household” of a credit union member. It is not necessary for the primary member to join the credit union in order for the immediate family or household member of the primary member to join, provided the immediate family or household clause is included in the field of membership. However, it is necessary for the immediate family member or household member to first join in order for that person’s immediate family member or household member to join the credit union. A credit union can adopt a more restrictive definition of immediate family or household.

Volunteers, by virtue of their close relationship with a sponsor group, may be included. Examples include volunteers working at a hospital or church.

Under the Federal Credit Union Act, once a person becomes a member of the credit union, such person may remain a member of the credit union until the person chooses to withdraw or is expelled from the membership of the credit union. This is commonly referred to as “once a member, always a member.” The “once a member, always a member” provision does not prevent a credit union from restricting services to members who are no longer within the field of membership.

V—COMMUNITY CHARTER REQUIREMENTS

V.A.1—General

Community charters must be based on a single, geographically well-defined local community, neighborhood, or rural district where individuals have common interests and/or interact. More than one credit union may serve the same community.

NCUA recognizes four types of affinity on which a community charter can be based—persons who live in, worship in, attend school in, or work in the community. Businesses and other legal entities within the community boundaries may also qualify for membership.

NCUA has established the following requirements for community charters:

- The geographic area’s boundaries must be clearly defined;
- The area is a “well-defined local, community, neighborhood, or rural district;” and
- Individuals must have common interests and/or interact.

V.A.2—Documentation Requirements

In addition to the documentation requirements set forth in Chapter 1 to charter a credit union, a community credit union applicant must provide additional documentation addressing the proposed area to be served and community service policies.

A community credit union must meet the statutory requirements that the proposed community area is (1) well-defined, and (2) a local community, neighborhood, or rural district.

“Well-defined” means the proposed area has specific geographic boundaries. Geographic boundaries may include a city, township, county (or its political equivalent), or a clearly identifiable neighborhood. Although congressional districts and state boundaries are well-defined areas, they do not meet the requirement that the proposed area be a local community.

The well-defined local community, neighborhood, or rural district requirement is *met* if:

- The area to be served is in a recognized single political jurisdiction, i.e., a city, county, or their political equivalent, or any contiguous portion thereof.

The well-defined local community, neighborhood, or rural district requirement *may be met* if:

- The area to be served is in multiple contiguous political jurisdictions, i.e., a city, county, or their political equivalent, or any contiguous portion thereof and if the population of the requested well-defined area does not exceed 500,000; or
- The area to be served is a Metropolitan Statistical Area (MSA) or its equivalent, or a portion thereof, where the population of the MSA or its equivalent does not exceed 1,000,000.

If the proposed area meets either the multiple political jurisdiction or MSA criteria, the credit union must submit a letter describing how the area meets the standards for community interaction and/or common interests.

If NCUA does not find sufficient evidence of community interaction and/or common interests or if the area to be served does not meet the MSA or multiple political jurisdiction requirements of the preceding paragraph, the application must include documentation to support that it is a well-defined local community, neighborhood, or rural district.

It is the applicant’s responsibility to demonstrate the relevance of the documentation provided in support of the application. This must be provided in a narrative summary. The narrative summary must explain how the documentation demonstrates interaction and/or common interests. For example, simply listing newspapers and organizations in the area is not sufficient to demonstrate

National Credit Union Administration

Pt. 701, App. B

that the area is a local community, neighborhood, or rural district.

Examples of acceptable documentation may include:

- The defined political jurisdictions;
- Major trade areas (shopping patterns and traffic flows);
- Shared/common facilities (for example, educational, medical, police and fire protection, school district, water, etc.);
- Organizations and clubs within the community area;
- Newspapers or other periodicals published for and about the area;
- A local map designating the area to be served and locations of current and proposed service facilities and a regional or state map with the proposed community outlined; or
- Other documentation that demonstrates that the area is a community where individuals have common interests and/or interact.

An applicant need not submit a narrative summary or documentation to support a proposed community charter, amendment or conversion as a well-defined local community, neighborhood or rural district if the NCUA has previously determined that the same exact geographic area meets that requirement in connection with consideration of a prior application since IRPS 99-1, as amended. Applicants may contact the appropriate regional office to find out if the area they are interested in has already been determined to meet the community requirements. If the area is the same as a previously approved area, an applicant need only include a statement to that effect in the application. Applicants may be required to submit their own summary and documentation regarding the community requirements if NCUA has reason to believe that prior submissions are no longer accurate.

A community credit union is frequently more susceptible to competition from other local financial institutions and generally does not have substantial support from any single sponsoring company or association. As a result, a community credit union will often encounter financial and operational factors that differ from an occupational or associational charter. Its diverse membership may require special marketing programs targeted to different segments of the community. For example, the lack of payroll deduction creates special challenges in the development of savings promotional programs and in the collection of loans.

Accordingly, it is essential for the proposed community credit union to develop a detailed and practical business and marketing plan for at least the first two years of operation. The proposed credit union must not only address the documentation requirements set forth in Chapter 1, but also focus on the accomplishment of the unique financial and operational factors of a community charter.

Community credit unions will be expected to regularly review and to follow, to the fullest extent economically possible, the marketing and business plan submitted with their application.

V.A.3—Special Documentation Requirements for a Converting Credit Union

An existing federal credit union may apply to convert to a community charter. Groups currently in the credit union's field of membership but outside the new community credit union's boundaries may not be included in the new community charter. Therefore, the credit union is required to notify groups that will be removed from the field of membership as a result of the conversion. Members of record can continue to be served.

The documentation requirements set forth in Section V.A.2 of this Chapter must be met before a community charter can be approved. In order to support a case for a conversion to community charter, the applicant federal credit union must develop a business plan incorporating the following data:

- Pro forma financial statements for the first two years after the proposed conversion, including assumptions—e.g., member, share, loan, and asset growth;
- Marketing plan addressing how the community will be served;
- Financial services to be provided to members;
- A local map showing current and proposed service facilities; and
- Anticipated financial impact on the credit union in terms of need for additional employees and fixed assets.

Before approval of an application to convert to a community credit union, NCUA must be satisfied that the institution will be viable and capable of providing services to its members.

V.A.4—Community Boundaries

The geographic boundaries of a community federal credit union are the areas defined in its charter. The boundaries can usually be defined using political borders, streets, rivers, railroad tracks, etc.

A community that is a recognized legal entity, may be stated in the field of membership—for example, "Gus Township, Texas" or "Kristi County, Virginia."

A community that is a recognized MSA must state in the field of membership the political jurisdiction(s) that comprise the MSA.

V.A.5—Special Community Charters

A community field of membership may include persons who work or attend school in a particular industrial park, shopping mall, office complex, or similar development. The proposed field of membership must have clearly defined geographic boundaries.

Pt. 701, App. B

V.A.6—Sample Community Fields of Membership

A community charter does not have to include all four affinities (*i.e.*, live, work, worship, or attend school in a community). Some examples of community fields of membership are:

- Persons who live, work, worship, or attend school in, and businesses located in the area of Johnson City, Tennessee, bounded by Fern Street on the north, Long Street on the east, Fourth Street on the south, and Elm Avenue on the west;
- Persons who live or work in Green County, Maine;
- Persons who live, worship, or work in and businesses and other legal entities located in Independent School District No. 1, DuPage County, Illinois;
- Persons who live, worship, work (or regularly conduct business in), or attend school on the University of Dayton campus, in Dayton, Ohio;
- Persons who work for businesses located in Clifton Country Mall, in Clifton Park, New York; or
- Persons who live, work, or worship in the Binghamton, New York, MSA, consisting of Broome and Tioga Counties, New York.

Some examples of insufficiently defined community field of membership definitions are:

- Persons who live or work within and businesses located within a ten-mile radius of Washington, D.C. (using a radius does not establish a well-defined area);
- Persons who live or work in the industrial section of New York, New York (not a well-defined neighborhood, community, or rural district); or
- Persons who live or work in the greater Boston area (not a well-defined neighborhood, community, or rural district).

Some examples of unacceptable local communities, neighborhoods, or rural districts are:

- Persons who live or work in the State of California (does not meet the definition of local community, neighborhood, or rural district).
- Persons who live in the first congressional district of Florida (does not meet the definition of local community, neighborhood, or rural district).

V.B—FIELD OF MEMBERSHIP AMENDMENTS

A community credit union may amend its field of membership by adding additional affinities or removing exclusionary clauses. This can be accomplished with a house-keeping amendment.

A community credit union also may expand its geographic boundaries. Persons who live, work, worship, or attend school within the proposed well-defined local community, neighborhood or rural district must have

12 CFR Ch. VII (1–1–10 Edition)

common interests and/or interact. The credit union must follow the requirements of Section V.A.3 of this chapter.

V.C—NCUA PROCEDURES FOR AMENDING THE FIELD OF MEMBERSHIP

V.C.1—General

All requests for approval to amend a community credit union's charter must be submitted to the appropriate regional director. If a decision cannot be made within a reasonable period of time, the regional director will notify the credit union.

V.C.2—NCUA's Decision

The financial and operational condition of the requesting credit union will be considered in every instance. The economic advisability of expanding the field of membership of a credit union with financial or operational problems must be carefully considered.

In most cases, field of membership amendments will only be approved for credit unions that are operating satisfactorily. Generally, if a federal credit union is having difficulty providing service to its current membership, or is experiencing financial or other operational problems, it may have more difficulty serving an expanded field of membership.

Occasionally, however, an expanded field of membership may provide the basis for reversing current financial problems. In such cases, an amendment to expand the field of membership may be granted notwithstanding the credit union's financial or operational problems. The applicant credit union must clearly establish that the expanded field of membership is in the best interest of the members and will not increase the risk to the NCUSIF.

V.C.3—NCUA Approval

If the requested amendment is approved by NCUA, the credit union will be issued an amendment to Section 5 of its charter.

V.C.4—NCUA Disapproval

When NCUA disapproves any application to amend the field of membership, in whole or in part, under this chapter, the applicant will be informed in writing of the:

- Specific reasons for the action;
- If appropriate, options or suggestions that could be considered for gaining approval; and
- Appeal procedures.

V.C.5—Appeal of Regional Director Decision

If a field of membership expansion request, merger, or spin-off is denied by the regional director, the federal credit union may appeal the decision to the NCUA Board. An appeal

must be sent to the appropriate regional office within 60 days of the date of denial and must address the specific reason(s) for the denial. The regional director will then forward the appeal to the NCUA Board. NCUA central office staff will make an independent review of the facts and present the appeal to the NCUA Board with a recommendation.

Before appealing, the credit union may, within 30 days of the denial, provide supplemental information to the regional director for reconsideration. A reconsideration will contain new and material evidence addressing the reasons for the initial denial. The regional director will have 30 days from the date of the receipt of the request for reconsideration to make a final decision. If the request is again denied, the applicant may proceed with the appeal process within 60 days of the date of the last denial. A second request for reconsideration will be treated as an appeal to the NCUA Board.

V.D.—MERGERS, PURCHASE AND ASSUMPTIONS, AND SPIN-OFFS

There are three additional ways a community federal credit union can expand its field of membership:

- By taking in the field of membership of another credit union through a merger;
- By taking in the field of membership through a purchase and assumption (P&A); or
- By taking a portion of another credit union's field of membership through a spin-off.

V.D.1—Standard Mergers

Generally, the requirements applicable to field of membership expansions apply to mergers where the continuing credit union is a community federal charter.

Where both credit unions are community charters, the continuing credit union must meet the criteria for expanding the community boundaries. A community credit union cannot merge into a single occupational/associational, or multiple common bond credit union, except in an emergency merger. However, a single occupational or associational, or multiple common bond credit union can merge into a community charter as long as the merging credit union has a service facility within the community boundaries or a majority of the merging credit union's field of membership would qualify for membership in the community charter. While a community charter may take in an occupational, associational, or multiple common bond credit union in a merger, it will remain a community charter.

Groups within the merging credit union's field of membership located outside of the community boundaries may not continue to be served. The merging credit union must notify groups that will be removed from the

field of membership as a result of the merger. However, the credit union may continue to serve members of record.

Where a state-chartered credit union is merging into a community federal credit union, the continuing federal credit union's field of membership will be worded in accordance with NCUA policy. Any subsequent field of membership expansions must comply with applicable amendment procedures.

Mergers must be approved by the NCUA regional director where the continuing credit union is headquartered, with the concurrence of the regional director of the merging credit union, and, as applicable, the state regulators.

V.D.2—Emergency Mergers

An emergency merger may be approved by NCUA without regard to field of membership requirements or other legal constraints. An emergency merger involves NCUA's direct intervention and approval. The credit union to be merged must either be insolvent or likely to become insolvent, and NCUA must determine that:

- An emergency requiring expeditious action exists;
- Other alternatives are not reasonably available; and
- The public interest would best be served by approving the merger.

If not corrected, conditions that could lead to insolvency include, but are not limited to:

- Abandonment by management;
- Loss of sponsor;
- Serious and persistent record keeping; or
- Serious and persistent operational concerns.

In an emergency merger situation, NCUA will take an active role in finding a suitable merger partner (continuing credit union). NCUA is primarily concerned that the continuing credit union has the financial strength and management expertise to absorb the troubled credit union without adversely affecting its own financial condition and stability.

As a stipulated condition to an emergency merger, the field of membership of the merging credit union may be transferred intact to the continuing federal credit union without regard to any field of membership restrictions, including the service facility requirement. Under this authority, a federal credit union may take in any dissimilar field of membership.

Even though the merging credit union is a single common bond credit union or multiple common bond credit union or community credit union, the continuing credit union will remain a community charter. Future community expansions will be based on the continuing credit union's original community area.

Emergency mergers involving federally insured credit unions in different NCUA regions must be approved by the regional director where the continuing credit union is headquartered, with the concurrence of the regional director of the merging credit union and, as applicable, the state regulators.

V.D.3—Purchase and Assumption (P&A)

Another alternative for acquiring the field of membership of a failing credit union is through a consolidation known as a P&A. Generally, the requirements applicable to community expansions found in this chapter apply to purchase and assumptions where the purchasing credit union is a federal charter.

A P&A has limited application because, in most instances, the failing credit union must be placed into involuntary liquidation. However, in the few instances where a P&A may occur, the assuming federal credit union, as with emergency mergers, may acquire the entire field of membership if the emergency criteria are satisfied.

In a P&A processed under the emergency criteria, specified loans, shares, and certain other designated assets and liabilities may also be acquired without regard to field of membership restrictions and without changing the character of the continuing federal credit union for purposes of future field of membership amendments.

If the P&A does not meet the emergency criteria, then only members of record can be obtained unless they otherwise qualify for membership in the community charter.

P&As involving federally insured credit unions in different NCUA regions must be approved by the regional director where the continuing credit union is headquartered, with the concurrence of the regional director of the purchased and/or assumed credit union and, as applicable, the state regulators.

V.D.4—Spin-Offs

A spin-off occurs when, by agreement of the parties, a portion of the field of membership, assets, liabilities, shares, and capital of a credit union are transferred to a new or existing credit union. A spin-off is unique in that usually one credit union has a field of membership expansion and the other loses a portion of its field of membership.

All field of membership requirements apply regardless of whether the spun-off group goes to a new or existing federal charter.

The request for approval of a spin-off must be supported with a plan that addresses, at a minimum:

- Why the spin-off is being requested;
- What part of the field of membership is to be spun off;
- Whether the field of membership requirements are met;

- Which assets, liabilities, shares, and capital are to be transferred;
- The financial impact the spin-off will have on the affected credit unions;
- The ability of the acquiring credit union to effectively serve the new members;
- The proposed spin-off date; and
- Disclosure to the members of the requirements set forth above.

The spin-off request must also include current financial statements from the affected credit unions and the proposed voting ballot.

For federal credit unions spinning off a portion of the community, membership notice and voting requirements and procedures are the same as for mergers (see Part 708 of the NCUA Rules and Regulations), except that only the members directly affected by the spin-off—those whose shares are to be transferred—are permitted to vote. Members whose shares are not being transferred will not be afforded the opportunity to vote. All members of the group to be spun off (whether they voted in favor, against, or not at all) will be transferred if the spin-off is approved by the voting membership. Voting requirements for federally insured state credit unions are governed by state law.

V.E—OVERLAPS

V.E.1—General

Generally, an overlap exists when a group of persons is eligible for membership in two or more credit unions. NCUA will permit community credit unions to overlap any other charters without performing an overlap analysis.

V.E.2—Exclusionary Clauses

An exclusionary clause is a limitation precluding the credit union from serving the primary members of a portion of a group or community otherwise included in its field of membership. NCUA no longer grants exclusionary clauses. Those granted prior to the adoption of this new chartering manual will remain in effect unless the credit unions agree to remove them or one of the affected credit unions submits a housekeeping amendment to have it removed.

V.F—CHARTER CONVERSIONS

A community federal credit union may convert to a single occupational or associational, or multiple common bond credit union. The converting credit union must meet all occupational, associational, and multiple common bond requirements, as applicable. The converting credit union may continue to serve members of record of the prior field of membership as of the date of the conversion, and any groups or communities obtained in an emergency merger or P&A. A change to the credit union's field of

National Credit Union Administration

Pt. 701, App. B

membership and designated common bond will be necessary.

A community credit union may convert to serve a new geographical area provided the field of membership requirements of V.A.3 of this chapter are met. Members of record of the original community can continue to be served.

V.G—OTHER PERSONS WITH A RELATIONSHIP TO THE COMMUNITY

A number of persons who have a close relationship to the community may be included, at the charter applicant's option, in the field of membership. These include the following:

- Spouses of persons who died while within the field of membership of this credit union;
- Employees of this credit union;
- Volunteers in the community;
- Members of the immediate family or household; and
- Organizations of such persons

Immediate family is defined as spouse, child, sibling, parent, grandparent, or grandchild. This includes stepparents, stepchildren, stepsiblings, and adoptive relationships.

Household is defined as persons living in the same residence maintaining a single economic unit.

Membership eligibility is extended only to individuals who are members of an "immediate family or household" of a credit union member. It is not necessary for the primary member to join the credit union in order for the immediate family or household member of the primary member to join, provided the immediate family or household clause is included in the field of membership. However, it is necessary for the immediate family member or household member to first join in order for that person's immediate family member or household member to join the credit union. A credit union can adopt a more restrictive definition of immediate family or household.

Under the Federal Credit Union Act, once a person becomes a member of the credit union, such person may remain a member of the credit union until the person chooses to withdraw or is expelled from the membership of the credit union. This is commonly referred to as "once a member, always a member." The "once a member, always a member" provision does not prevent a credit union from restricting services to members who are no longer within the field of membership.

CHAPTER 3

LOW-INCOME CREDIT UNIONS AND CREDIT UNIONS SERVING UNDERSERVED AREAS

I—INTRODUCTION

One of the primary reasons for the creation of federal credit unions is to make credit

available to people of modest means for provident and productive purposes. To help NCUA fulfill this mission, the agency has established special operational policies for federal credit unions that serve low-income groups and underserved areas. The policies provide a greater degree of flexibility that will enhance and invigorate capital infusion into low-income groups, low-income communities, and underserved areas. These unique policies are necessary to provide credit unions serving low-income groups with financial stability and potential for controlled growth and to encourage the formation of new charters as well as the delivery of credit union services in low-income communities.

II—LOW-INCOME CREDIT UNION

II.A—Defined

A credit union serving predominantly low-income members may be designated as a low-income credit union. Section 701.34 of NCUA's Rules and Regulations defines the term "low-income members" as those members:

- Who make less than 80 percent of the average for all wage earners as established by the Bureau of Labor Statistics; or
- Whose annual household income falls at or below 80 percent of the median household income for the nation as established by the Census Bureau.

The term "low-income members" also includes members who are full-time or part-time students in a college, university, high school, or vocational school.

To obtain a low-income designation from NCUA, an existing credit union must establish that a majority of its members meet the low-income definition. An existing community credit union that serves a geographic area where a majority of residents meet the annual income standard is presumed to be serving predominantly low-income members. A low-income designation for a new credit union charter may be based on a majority of the potential membership.

II.B—SPECIAL PROGRAMS

A credit union with a low-income designation has greater flexibility in accepting non-member deposits insured by the NCUSIF, are exempt from the aggregate loan limit on business loans, and may offer secondary capital accounts to strengthen its capital base. It also may participate in special funding programs such as the Community Development Revolving Loan Program for Credit Unions (CDRLP) if it is involved in the stimulation of economic development and community revitalization efforts.

The CDRLP provides both loans and grants for technical assistance to low-income credit unions. The requirements for participation in the revolving loan program are in Part 705

of the NCUA Rules and Regulations. Only operating credit unions are eligible for participation in this program.

II.C—LOW-INCOME DOCUMENTATION

A federal credit union charter applicant or existing credit union wishing to receive a low-income designation should forward a separate request for the designation to the regional director, along with appropriate documentation supporting the request.

For community charter applicants, the supporting material should include the median household income or annual wage figures for the community to be served. If this information is unavailable, the applicant should identify the individual zip codes or census tracts that comprise the community and NCUA will assist in obtaining the necessary demographic data.

Similarly, if single occupational or associational or multiple common bond charter applicants cannot supply income data on its potential members, they should provide the regional director with a list which includes the number of potential members, sorted by their residential zip codes, and NCUA will assist in obtaining the necessary demographic data.

An existing credit union can perform a loan or membership survey to determine if the credit union is primarily serving low-income members.

II.D—THIRD PARTY ASSISTANCE

A low-income federal credit union charter applicant may contract with a third party to assist in the chartering and low-income designation process. If the charter is granted, a low-income credit union may contract with a third party to provide necessary management services. Such contracts should not exceed the duration of one year subject to renewal.

II.E—SPECIAL RULES FOR LOW-INCOME FEDERAL CREDIT UNIONS

In recognition of the unique efforts needed to help make credit union service available to low-income groups, NCUA has adopted special rules that pertain to low-income credit union charters, as well as field of membership additions for low-income credit unions. These special rules provide additional latitude to enable underserved, low-income individuals to gain access to credit union service.

NCUA permits credit union chartering and field of membership amendments based on associational groups formed for the sole purpose of making credit union service available to low-income persons. The association must be defined so that all of its members will meet the low-income definition of Section 701.34 of the NCUA Rules and Regulations. Any multiple common bond credit union can

add low-income associations to their fields of membership.

A low-income designated community federal credit union has additional latitude in serving persons who are affiliated with the community. In addition to serving members who live, work, worship, or attend school in the community, a low-income community federal credit union may also serve persons who participate in programs to alleviate poverty or distress, or who participate in associations headquartered in the community.

Examples of a low-income designated community and an associational-based low-income federal credit union are as follows:

- Persons who live in [the target area]; persons who work, worship, attend school, or participate in associations headquartered in [the target area]; persons participating in programs to alleviate poverty or distress which are located in [the target area]; incorporated and unincorporated organizations located in [the target area] or maintaining a facility in [the target area]; and organizations of such persons.

- Members of the Canarsie Economic Assistance League, in Brooklyn, NY, an association whose members all meet the low-income definition of Section 701.34 of the NCUA Rules and Regulations.

III—SERVICE TO UNDERSERVED COMMUNITIES

III.A—General

A multiple common bond federal credit union may include in its field of membership, without regard to location, an “underserved area” as defined by the Federal Credit Union Act, 12 U.S.C. 1759(c)(2). The addition of an “underserved area” will not change the charter type of the multiple common bond federal credit union. More than one multiple common-bond federal credit union can serve the same “underserved area,” provided each credit union is approved as provided below.

By adding an “underserved area,” a multiple common bond federal credit union does not become eligible to receive the benefits afforded to low-income designated credit unions, such as expanded use of nonmember deposits and access to the Community Development Revolving Loan Program for Credit Unions.

III.B—“Underserved Area” Defined

The Federal Credit Union Act defines an “underserved area” as (1) a “local community, neighborhood, or rural district” that (2) meets the definition of an “investment area” under section 103(16) of the Community Development Banking and Financial Institutions Act of 1994 (“CDFI”), 12 U.S.C. 4702(16), and (3) is “underserved by other depository institutions” based on data of the NCUA Board and the federal banking agencies.

III.B.1—Local Community

To be eligible for approval as “underserved,” a proposed area must be a well-defined local community, neighborhood, or rural district as defined in Chapter 2, sections V.A.1. and V.A.2. of this Manual. However, if the proposed area qualifies as a community either because it consists of multiple political jurisdictions with a total population of 500,000 or less, or is within a Metropolitan Statistical Area (“MSA”) that has a population of 1 million or less, the applicant is not required to submit a supplemental letter describing how the area meets the standards for community interaction and/or common interests.

III.B.2—Investment Area

To be approved as an “underserved area,” the proposed area must meet the CDFI definition of an “investment area.” *Id.* §4702(16). A proposed area that, at the time the credit union applies, is designated in its entirety as an Empowerment Zone or Enterprise Community (*id.* §1391) automatically qualifies as an “investment area”; no further criteria of an “investment area” must be met. *Id.* §4702(16)(B). A proposed area that is not designated as such must qualify as an “investment area” under “the objective criteria of economic distress” developed by the CDFI Fund (“distress criteria”) based on current decennial U.S. Census data, and also must have “significant unmet needs” for loans and financial services that credit unions are authorized to offer to their members. *Id.* §4702(16)(A).

III.B.2.a—Economic Distress Criteria

Geographic Unit(s) By Proposed Area’s Location. The location of a proposed “underserved area” either within or outside of an MSA corresponding to the most recent completed decennial census published by the U.S. Bureau of the Census (“decennial Census”) determines the geographic unit(s) that apply to determine whether the area meets the distress criteria.

Within MSA. For a proposed area located, in whole or in part, within an MSA, the permissible geographic units (“Metro units”) for implementing the economic distress criteria are: (i) a census tract; (ii) a block group; and (iii) an American Indian or Alaskan Native area. 12 CFR 1805.201(b)(3)(ii)(B) (2008). For ease of implementation, it is advisable to use a census tract as the proposed area’s Metro unit.

Outside MSA. For a proposed area that is located entirely outside an MSA, the permissible units (“Non-Metro units”) for implementing the economic distress criteria are: (i) a county or equivalent area; (ii) a minor civil division that is a unit of local government; (iii) an incorporated place; (iv) a census tract; (v) a block numbering area; (vi) a

block group; and (vii) an American Indian or Alaskan Native area. *Id.* For ease of implementation, it is advisable to use either a census tract or county, as the case may be, as the proposed area’s Non-Metro unit.

Proposed Area Consisting of a Single Metro Unit. A proposed area consisting of a single whole Metro unit (*e.g.*, a single census tract located within an MSA) must meet one of the following distress criteria, as reported by the most recent decennial Census:

- *Unemployment.* The proposed area’s unemployment rate is at least 1.5 times the national average; or
- *Poverty.* At least 20 percent (20%) of the proposed area’s population lives in poverty; or
- *Median Family Income.* The proposed area’s Median Family Income (“MFI”) is at or below 80 percent (80%) of either the MFI of the corresponding MSA, or of the national MFI for Metro Areas, whichever is greater; or
- *Other Criterion.* Any other economic distress criterion the CDFI Fund may adopt in the future.

Id. §1805.201(b)(3)(ii)(D)(1), (2)(i) and (3) (2008).

Proposed Area Consisting of a Single Non-Metro Unit. A proposed area consisting of a single whole Non-Metro unit (*e.g.*, a single county located outside an MSA) must meet one of the following distress criteria, as reported by the most recent decennial Census:

- *Unemployment.* The proposed area’s unemployment rate is at least 1.5 times the national average; or
- *Poverty.* At least 20 percent (20%) of the proposed area’s population lives in poverty; or
- *Median Family Income.* The proposed area’s MFI is at or below 80 percent (80%) of either the corresponding state’s Non-Metro MFI or the national MFI for Non-Metro Areas, whichever is greater; or
- *Other Criterion.* Any other economic distress criterion the CDFI Fund may adopt in the future.

Id. §1805.201(b)(3)(ii)(D)(1), (2)(ii) and (3) (2008). Alternatively, a proposed area consisting of a single Non-Metro county (located outside an MSA) may instead meet either of the following two criteria, as reported by the decennial Census:

- *County Population Loss.* County’s population loss of at least 10 percent (10%) between the most recent and the preceding decennial Census; or
- *County Migration Loss.* County’s net migration loss of at least 5 percent (5%) in the 5-year period preceding the most recent decennial Census.

Id. §1805.201(b)(3)(ii)(D)(4)–(5) (2008).

Proposed Area Consisting of Multiple Contiguous Units. When a proposed area consists of either multiple contiguous Metro units (*e.g.*,

a group of adjoining census tracts) or multiple contiguous Non-Metro units (*e.g.*, a group of adjoining counties), a population threshold applies when implementing the economic distress criteria. At least 85 percent (85%) of the area's total population must reside within the units that are "distressed," *i.e.*, that meet one of the applicable economic distress criteria above, as reported by the decennial Census (Unemployment, Poverty and MFI for census tracts plus, for counties only, Population Loss and Migration Loss); the balance of the area's population may reside in the non-"distressed" tract(s). The population threshold is met, and the whole proposed area qualifies as "distressed," when the "distressed" units represent at least 85 percent of the area's total population.

III.B.2.b—Proposed Area's "Significant Unmet Needs"

A proposed area that is "distressed" also must display "significant unmet needs" for loans or for one or more of the financial services credit unions are authorized to offer. To meet this criterion, the credit union must include within its Business Plan a section, one page in length, entitled "Significant Unmet Needs for Credit Union Services" ("SUN section") that establishes the existence of such unmet needs by identifying the credit and depository needs of the community and detailing how the credit union plans to serve those needs. The credit union may choose which among the following "credit and depository needs" to address in the SUN section: loans, share draft accounts, savings accounts, check cashing, money orders, certified checks, automated teller machines, deposit taking, safe deposit box services, and similar services. The existence of each "credit and depository need" the credit union identifies and plans to serve must be supported by objective reasons and/or accompanying documentation derived from an identified, authoritative source of the credit union's choice. Third party documentation generally is the most compelling.

III.B.3—Underserved by Other Depository Institutions

A proposed area that meets the CDFI definition of an "investment area" (*i.e.*, is "distressed" and has "significant unmet needs") must also be underserved by other insured depository institutions, including credit unions, 12 U.S.C. 1759(c)(2)(A)(ii). This statutory criterion is met when the concentration of depository institution facilities among the population of the proposed area's non-"distressed" tracts—which sets a benchmark level of adequate service—is greater than the concentration of facilities among the population of all of the proposed area's census tracts combined. If there are no non-"dis-

tressed" tracts within a proposed area, a non-"distressed" census tract or larger geographic unit (*e.g.*, city or county) of the credit union's choice that adjoins the proposed area may be used to set the benchmark concentration ratio.

Without regard to a proposed area's location within or outside an MSA, this criterion compares two ratios: the ratio of facilities to the population of the non-"distressed" tracts (the benchmark) versus the same facilities-to-population ratio among all the tracts of the proposed area as a whole. If the benchmark ratio is greater than the ratio for the whole area, then the area is "underserved by other depository institutions," and vice versa.

III.C—NCUA Approval

If NCUA approves the request to add an "underserved area," the credit union will be issued an amendment to Section 5 of its charter.

III.D—Approval to Serve an Already Approved "Underserved Area"

Once a credit union is initially approved to serve an "underserved area," other credit unions that subsequently apply may be approved to serve the same area. To be approved, the area must qualify as "underserved" at the time the new applicant applies. An applicant must demonstrate the area continues to be "distressed", as provided above, only if a new decennial Census has been published since the date the area was last approved. In any case, the applicant must demonstrate that the area still has "significant unmet needs" for loans or credit union services (to qualify as an "investment area"), and remains "underserved by other depository institutions" (to qualify as "underserved").

III.E—Business Plan

A federal credit union that desires to include an underserved community in its field of membership must first develop, and submit for approval, a business plan specifying how it will serve the community. In addition, the business plan must include a SUN section as provided in section III.B.2.b. above. The credit union will be expected to regularly review the business plan to determine if the community is being adequately served. The regional director may require periodic service status reports from a credit union about the "underserved area" to ensure that the needs of the community are being met, and must require such reports before NCUA allows a multiple common bond federal credit union to add an additional "underserved area."

III.F—Service Facility

Once an “underserved area” has been added to a federal credit union’s field of membership, the credit union must establish within two years, and maintain, an office or service facility in the community. A service facility is defined as a place where shares are accepted for members’ accounts, loan applications are accepted and loans are disbursed. By definition, a service facility includes a credit union-owned branch, a shared branch, a mobile branch, or an office operated on a regularly scheduled weekly basis or a credit union owned electronic facility that meets, at a minimum, the above requirements. This definition does not include an ATM or the credit union’s Internet Web site.

IV—APPEAL PROCEDURES FOR DENIAL OF UNDERSERVED AREA

IV.A—NCUA Disapproval

When NCUA disapproves any application to add an “underserved area” in whole or in part, under this chapter, the applicant will be informed in writing of the:

- Specific reasons for the action;
- Options to consider, if appropriate, for gaining approval; and
- Appeal procedures.

IV.B—Appeal of Regional Director Decision

If the regional director denies an “underserved area” request, the federal credit union may appeal the decision to the NCUA Board. An appeal must be sent to the appropriate regional office within 60 days of the date of denial and must address the specific reason(s) for the denial. The regional director will then forward the appeal to the NCUA Board. NCUA central office staff will make an independent review of the facts and present the appeal to the NCUA Board with a recommendation.

Before appealing, the credit union may, within 30 days of the denial, provide supplemental information to the regional director for reconsideration. A reconsideration will contain new and material evidence addressing the reasons for the initial denial. The regional director will have 30 days from the date of the receipt of the request for reconsideration to make a final decision. If the request is again denied, the applicant may proceed with the appeal process within 60 days of the date of the last denial. A second request for reconsideration will be treated as an appeal to the NCUA Board.

CHAPTER 4

CHARTER CONVERSIONS

I—INTRODUCTION

A charter conversion is a change in the jurisdictional authority under which a credit union operates.

Federal credit unions receive their charters from NCUA and are subject to its supervision, examination, and regulation.

State-chartered credit unions are incorporated in a particular state, receiving their charter from the state agency responsible for credit unions and subject to the state’s regulator. If the state-chartered credit union’s deposits are federally insured, it will also fall under NCUA’s jurisdiction.

A federal credit union’s power and authority are derived from the Federal Credit Union Act and NCUA Rules and Regulations. State-chartered credit unions are governed by state law and regulation. Certain federal laws and regulations also apply to federally insured state chartered credit unions.

There are two types of charter conversions: federal charter to state charter and state charter to federal charter. Common bond and community requirements are not an issue from NCUA’s standpoint in the case of a federal to state charter conversion. The procedures and forms relevant to both types of charter conversion are included in appendix 4.

II—CONVERSION OF A STATE CREDIT UNION TO A FEDERAL CREDIT UNION

II.A—General Requirements

Any state-chartered credit union may apply to convert to a federal credit union. In order to do so it must:

- Comply with state law regarding conversion and file proof of compliance with NCUA;
- File the required conversion application, proposed federal credit union organization certificate, and other documents with NCUA;
- Comply with the requirements of the Federal Credit Union Act, e.g., chartering and reserve requirements; and
- Be granted federal share insurance by NCUA.

Conversions are treated the same as any initial application for a federal charter, including an on-site examination by NCUA where appropriate. NCUA will also consult with the appropriate state authority regarding the credit union’s current financial condition, management expertise, and past performance. Since the applicant in a conversion is an ongoing credit union, the economic advisability of granting a charter is more readily determinable than in the case of an initial charter applicant.

A converting state credit union’s field of membership must conform to NCUA’s chartering policy. The field of membership will

be phrased in accordance with NCUA chartering policy. However, if the converting credit union is a multiple group charter and the new federal charter is a multiple group, then the new federal charter may retain in its field of membership any group that the state credit union was serving at the time of conversion. Subsequent changes must conform to NCUA chartering policy in effect at that time.

If the converting credit union is a community charter and the new federal charter is community-based, it must meet the community field of membership requirements set forth in Chapter 2, Section V of this manual. If the state-chartered credit union's community boundary is more expansive than the approved federal boundary, only members of record outside of the new community boundary may continue to be served.

The converting credit union, regardless of charter type, may continue to serve members of record. The converting credit union may retain in its field of membership any group or community added pursuant to state emergency provisions.

II.B—SUBMISSION OF CONVERSION PROPOSAL TO NCUA

The following documents must be submitted with the conversion proposal:

- Conversion of State Charter to Federal Charter (NCUA 4000);
- Organization Certificate (NCUA 4008). Only Part (3) and the signature/notary section should be completed and, where applicable, signed by the credit union officials.
- Report of Officials and Agreement to Serve (NCUA 4012);
- The Application to Convert From State Credit Union to Federal Credit Union (NCUA 4401);
- The Application and Agreements for Insurance of Accounts (NCUA 9500);
- Certification of Resolution (NCUA 9501);
- Written evidence regarding whether the state regulator is in agreement with the conversion proposal; and
- Business plan, as appropriate, including the most current financial report and delinquent loan schedule.

If the state charter is applying to become a federal community charter, it must also comply with the documentation requirements included in Chapter 2, Section V.A.2 of this manual.

II.C—NCUA CONSIDERATION OF APPLICATION TO CONVERT

II.C.1—Review by the Regional Director

The application will be reviewed to determine that it is complete and that the proposal is in compliance with Section 125 of the Federal Credit Union Act. This review will include a determination that the state credit union's field of membership is in compliance

with NCUA's chartering policies. The regional director may make further investigation into the proposal and may require the submission of additional information to support the request to convert.

II.C.2—On-Site Review

NCUA may conduct an on-site examination of the books and records of the credit union. Non-federally insured credit unions will be assessed an insurance application fee.

II.C.3—Approval by the Regional Director and Conditions to the Approval

The conversion will be approved by the regional director if it is in compliance with Section 125 of the Federal Credit Union Act and meets the criteria for federal insurance. Where applicable, the regional director will specify any special conditions that the credit union must meet in order to convert to a federal charter, including changes to the credit union's field of membership in order to conform to NCUA's chartering policies. Some of these conditions may be set forth in a Letter of Understanding and Agreement (LUA), which requires the signature of the officials and the regional director.

II.C.4—Notification

The regional director will notify both the credit union and the state regulator of the decision on the conversion.

II.C.5—NCUA Disapproval

When NCUA disapproves any application to convert to a federal charter, the applicant will be informed in writing of the:

- Specific reasons for the action;
- Options to consider, if appropriate, for gaining approval; and
- Appeal procedures.

II.C.6—Appeal of Regional Director Decision

If a conversion to a federal charter is denied by the regional director, the applicant credit union may appeal the decision to the NCUA Board. An appeal must be sent to the appropriate regional office within 60 days of the date of denial and must address the specific reason(s) for the denial. The regional director will then forward the appeal to the NCUA Board. NCUA central office staff will make an independent review of the facts and present the appeal to the NCUA Board with a recommendation.

Before appealing, the credit union may, within 30 days of the denial, provide supplemental information to the regional director for reconsideration. The request will not be considered as an appeal, but a request for reconsideration by the regional director. The regional director will have 30 business days from the date of the receipt of the request for reconsideration to make a final decision. If the application is again denied, the credit

union may proceed with the appeal process to the NCUA Board within 60 days of the date of the last denial by the regional director.

II.D—ACTION BY BOARD OF DIRECTORS

II.D.1—General

Upon being informed of the regional director's preliminary approval, the board must:

- Comply with all requirements of the state regulator that will enable the credit union to convert to a federal charter and cease being a state credit union;
- Obtain a letter or official statement from the state regulator certifying that the credit union has met all of the state requirements and will cease to be a state credit union upon its receiving a federal charter. A copy of this document must be submitted to the regional director;
- Obtain a letter from the private share insurer (includes excess share insurers), if applicable, certifying that the credit union has met all withdrawal requirements. A copy of this document must be submitted to the regional director; and
- Submit a statement of the action taken to comply with any conditions imposed by the regional director in the preliminary approval of the conversion proposal and, if applicable, submit the signed LUA.

II.D.2—Application for a Federal Charter

When the regional director has received evidence that the board of directors has satisfactorily completed the actions described above, the federal charter and new Certificate of Insurance will be issued.

The credit union may then complete the conversion as discussed in the following section. A denial of a conversion application can be appealed. Refer to Section II.C.6 of this chapter.

II.E—COMPLETION OF THE CONVERSION

II.E.1—Effective Date of Conversion

The date on which the regional director approves the Organization Certificate and the Application and Agreements for Insurance of Accounts is the date on which the credit union becomes a federal credit union. The regional director will notify the credit union and the state regulator of the date of the conversion.

II.E.2—Assumption of Assets and Liabilities

As of the effective date of the conversion, the federal credit union will be the owner of all of the assets and will be responsible for all of the liabilities and share accounts of the state credit union.

II.E.3—Board of Directors' Meeting

Upon receipt of its federal charter, the board will hold its first meeting as a federal credit union. At this meeting, the board will transact such business as is necessary to complete the conversion as approved and to operate the credit union in accordance with the requirements of the Federal Credit Union Act and NCUA Rules and Regulations.

As of the commencement of operations, the accounting system, records, and forms must conform to the standards established by NCUA.

II.E.4—Credit Union's Name

Changing of the credit union's name on all signage, records, accounts, investments, and other documents should be accomplished as soon as possible after conversion. The credit union has 180 days from the effective date of the conversion to change its signage and promotional material. This requires the credit union to discontinue using any remaining stock of "state credit union" stationery immediately, and discontinue using credit cards, ATM cards, etc., within 180 days after the effective date of the conversion, or the reissue date, whichever is later. The regional director has the discretion to extend the timeframe for an additional 180 days. Member share drafts with the state-chartered name can be used by the members until depleted.

II.E.5—Reports to NCUA

Within 10 business days after commencement of operations, the recently converted federal credit union must submit to the regional director the following:

- Report of Officials (NCUA 4501); and
- Financial and Statistical Reports, as of the commencement of business of the federal credit union.

III—CONVERSION OF A FEDERAL CREDIT UNION TO A STATE CREDIT UNION

III.A—GENERAL REQUIREMENTS

Any federal credit union may apply to convert to a state credit union. In order to do so, it must:

- Notify NCUA prior to commencing the process to convert to a state charter and state the reason(s) for the conversion;
- Comply with the requirements of Section 125 of the Federal Credit Union Act that enable it to convert to a state credit union and to cease being a federal credit union; and
- Comply with applicable state law and the requirements of the state regulator.

It is important that the credit union provide an accurate disclosure of the reasons for the conversion. These reasons should be stated in specific terms, not as generalities. The federal credit union converting to a state charter remains responsible for the entire

operating fee for the year in which it converts.

III.B—SPECIAL PROVISIONS REGARDING FEDERAL SHARE INSURANCE

If the federal credit union intends to continue federal share insurance after the conversion to a state credit union, it must submit an Application for Insurance of Accounts (NCUA 9600) to the regional director at the time it requests approval of the conversion proposal. The regional director has the authority to approve or disapprove the application.

If the converting federal credit union does not intend to continue federal share insurance or if its application for continued insurance is denied, insurance will cease in accordance with the provisions of Section 206 of the Federal Credit Union Act.

If, upon its conversion to a state credit union, the federal credit union will be terminating its federal share insurance or converting from federal to non-federal share insurance, it must comply with the membership notice and voting procedures set forth in Section 206 of the Federal Credit Union Act and Part 708 of NCUA's Rules and Regulations, and address the criteria set forth in Section 205(c) of the Federal Credit Union Act.

Where the state credit union will be non-federally insured, federal insurance ceases on the effective date of the charter conversion. If it will be otherwise uninsured, then federal insurance will cease one year after the date of conversion subject to the restrictions in Section 206(d)(1) of the Federal Credit Union Act. In either case, the state credit union will be entitled to a refund of the federal credit union's NCUSIF capitalization deposit after the final date on which any of its shares are federally insured.

The NCUA Board reserves the right to delay the refund of the capitalization deposit for up to one year if it determines that payment would jeopardize the NCUSIF.

III.C—SUBMISSION OF CONVERSION PROPOSAL TO NCUA

Upon approval of a proposition for conversion by a majority vote of the board of directors at a meeting held in accordance with the federal credit union's bylaws, the conversion proposal will be submitted to the regional director and will include:

- A current financial report;
- A current delinquent loan schedule;
- An explanation and appropriate documents relative to any changes in insurance of member accounts;
- A resolution of the board of directors;
- A proposed Notice of Special Meeting of the Members (NCUA 4221);
- A copy of the ballot to be sent to all members (NCUA 4506);

- If the credit union intends to continue with federal share insurance, an application for insurance of accounts (NCUA 9600);
- Evidence that the state regulator is in agreement with the conversion proposal; and
- A statement of reasons supporting the request to convert.

III.D—APPROVAL OF PROPOSAL TO CONVERT

III.D.1—Review by the Regional Director

The proposal will be reviewed to determine that it is complete and is in compliance with Section 125 of the Federal Credit Union Act. The regional director may make further investigation into the proposal and require the submission of additional information to support the request.

III.D.2—Conditions to the Approval

The regional director will specify any special conditions that the credit union must meet in order to proceed with the conversion.

III.D.3—Approval by the Regional Director

The proposal will be approved by the regional director if it is in compliance with Section 125 and, in the case where the state credit union will no longer be federally insured, the notice and voting requirements of Section 206 of the Federal Credit Union Act.

III.D.4—Notification

The regional director will notify both the credit union and the state regulator of the decision on the proposal.

III.D.5—NCUA Disapproval

When NCUA disapproves any application to convert to a state charter, the applicant will be informed in writing of the:

- Specific reasons for the action;
- If appropriate, options or suggestions that could be considered for gaining approval; and
- Appeal procedures.

III.D.6—Appeal of Regional Director Decision

If the regional director denies a conversion to a state charter, the applicant credit union may appeal the decision to the NCUA Board. An appeal must be sent to the appropriate regional office within 60 days of the date of denial and must address the specific reason(s) for the denial. The regional director will then forward the appeal to the NCUA Board. NCUA central office staff will make an independent review of the facts and present the appeal to the NCUA Board with a recommendation.

Before appealing, the credit union may, within 30 days of the denial, provide supplemental information to the regional director for reconsideration. The request will not be

considered as an appeal, but a request for reconsideration by the regional director. The regional director will have 30 business days from the date of the receipt of the request for reconsideration to make a final decision. If the application is again denied, the credit union may proceed with the appeal process to the NCUA Board within 60 days of the date of the last denial by the regional director.

III.E—APPROVAL OF PROPOSAL BY MEMBERS

The members may not vote on the proposal until it is approved by the regional director. Once approval of the proposal is received, the following actions will be taken by the board of directors:

- The proposal must be submitted to the members for approval and a date set for a meeting to vote on the proposal. The proposal may be acted on at the annual meeting or at a special meeting for that purpose. The members must also be given the opportunity to vote by written ballot to be filed by the date set for the meeting.
- Members must be given advance notice (NCUA 4221) of the meeting at which the proposal is to be submitted. The notice must:
 - Specify the purpose, time and place of the meeting;
 - Include a brief, complete, and accurate statement of the reasons for and against the proposed conversion, including any effects it could have upon share holdings, insurance of member accounts, and the policies and practices of the credit union;
 - Specify the costs of the conversion, i.e., changing the credit union's name, examination and operating fees, attorney and consulting fees, tax liability, etc.;
 - Inform the members that they have the right to vote on the proposal at the meeting, or by written ballot to be filed not later than the date and time announced for the annual meeting, or at the special meeting called for that purpose;
 - Be accompanied by a Federal to State Conversion—Ballot for Conversion Proposal (NCUA 4506); and
 - State in **bold** face type that the issue will be decided by a majority of members who vote.
- The proposed conversion must be approved by a majority of all of the members who vote on the proposal, a quorum being present, in order for the credit union to proceed further with the proposition, provided federal insurance is maintained. If the proposed state-chartered credit union will not be federally insured, 20 percent of the total membership must participate in the voting, and of those, a majority must vote in favor of the proposal. Ballots cast by members who did not attend the meeting but who submitted their ballots in accordance with instructions above will be counted with votes cast at the meeting. In order to have a suit-

able record of the vote, the voting at the meeting should be by written ballot as well.

- The board of directors shall, within 10 days, certify the results of the membership vote to the regional director. The statement shall be verified by affidavits of the Chief Executive Officer and the Recording Officer on NCUA 4505.

III.F—COMPLIANCE WITH STATE LAWS

If the proposal for conversion is approved by a majority of all members who voted, the board of directors will:

- Ensure that all requirements of state law and the state regulator have been accommodated;
- Ensure that the state charter or the license has been received within 90 days from the date the members approved the proposal to convert; and
- Ensure that the regional director is kept informed as to progress toward conversion and of any material delay or of substantial difficulties which may be encountered.

If the conversion cannot be completed within the 90-day period, the regional director should be informed of the reasons for the delay. The regional director may set a new date for the conversion to be completed.

III.G—COMPLETION OF CONVERSION

In order for the conversion to be completed, the following steps are necessary:

- The board of directors will submit a copy of the state charter to the regional director within 10 days of its receipt. This will be accompanied by the federal charter and the federal insurance certificate. A copy of the financial reports as of the preceding month-end should be submitted at this time.
- The regional director will notify the credit union and the state regulator in writing of the receipt of evidence that the credit union has been authorized to operate as a state credit union.
- The credit union shall cease to be a federal credit union as of the effective date of the state charter.
- If the regional director finds a material deviation from the provisions that would invalidate any steps taken in the conversion, the credit union and the state regulator shall be promptly notified in writing. This notice may be either before or after the copy of the state charter is filed with the regional director. The notice will inform the credit union as to the nature of the adverse findings. The conversion will not be effective and completed until the improper actions and steps have been corrected.
- Upon ceasing to be a federal credit union, the credit union shall no longer be subject to any of the provisions of the Federal Credit Union Act, except as may apply if federal share insurance coverage is continued. The

Pt. 701, App. B

12 CFR Ch. VII (1–1–10 Edition)

successor state credit union shall be immediately vested with all of the assets and shall continue to be responsible for all of the obligations of the federal credit union to the same extent as though the conversion had not taken place. Operation of the credit union from this point will be in accordance with the requirements of state law and the state regulator.

- If the regional director is satisfied that the conversion has been accomplished in accordance with the approved proposal, the federal charter will be canceled.

- There is no federal requirement for closing the records of the federal credit union at the time of conversion or for the manner in which the records shall be maintained thereafter. The converting credit union is advised to contact the state regulator for applicable state requirements.

- The credit union shall neither use the words “Federal Credit Union” in its name nor represent itself in any manner as being a federal credit union.

- Changing of the credit union’s name on all signage, records, accounts, investments,

and other documents should be accomplished as soon as possible after conversion. Unless it violates state law, the credit union has 180 days from the effective date of the conversion to change its signage and promotional material. This requires the credit union to discontinue using any remaining stock of “federal credit union” stationery immediately, and discontinue using credit cards, ATM cards, etc., within 180 days after the effective date of the conversion, or the reissue date, whichever is later. The regional director has the discretion to extend the time-frame for an additional 180 days. Member share drafts with the federal chartered name can be used by the members until depleted. If the state credit union is not federally insured, it must change its name and must immediately cease using any credit union documents referencing federal insurance.

- If the state credit union is to be federally insured, the regional director will issue a new insurance certificate.

(Approved by the Office of Management and Budget under control numbers 3133–0015 and 3133–0116)

APPENDIX 1

GLOSSARY

These definitions apply only for use with this Manual. Definitions are not intended to be all inclusive or comprehensive. This Manual, the Federal Credit Union Act, and NCUA Rules and Regulations, as well as state laws, may be used for further reference.

Adequately capitalized - A credit union is considered adequately capitalized when it has a net worth ratio of at least 6 percent. A multiple common bond credit union must be adequately capitalized in order to add new groups to its charter. The regional director may determine that a net worth ratio of less than 6 percent is adequate if the credit union is making reasonable progress toward meeting the 6 percent net worth requirement, and the addition of the group would not adversely affect the credit union's capitalization level.

Affinity - A relationship upon which a community charter is based. Acceptable affinities include living, working, worshiping, or attending school in a community.

Appeal - The right of a credit union or charter applicant to request a formal review of a regional director's adverse decision by the National Credit Union Administration Board.

Associational common bond - A common bond comprised of members and employees of a recognized association. It includes individuals (natural persons) and/or groups (non-natural persons) whose members participate in activities developing common loyalties, mutual benefits, and mutual interests.

Business plan - Plan submitted by a charter applicant or existing federal credit union addressing the economic advisability of a proposed charter or field of membership addition.

Charter - The document which authorizes a group to operate as a credit union and defines the fundamental limits of its operating authority, generally including the persons the credit union is permitted to accept for membership. Charters are issued by the National Credit Union Administration for federal credit unions and by the designated state chartering authority for credit unions organized under the laws of that state.

Common bond - The characteristic or combination of characteristics which distinguishes a particular group of persons from the general public. There are two common bonds which can serve as a basis for a group forming a federal credit union or being included in an existing federal credit union's field of membership: occupational - employment by the same company, related companies or in a trade, industry, or profession (TIP); and associational - membership in the same association.

Community credit union - A credit union whose field of membership consists of persons who live, work, worship, or attend school in the same well-defined local community, neighborhood, or rural district.

Credit union - A member-owned, not-for-profit cooperative financial institution formed to permit those in the field of membership specified in the charter to save, borrow, and obtain related financial services.

Economic advisability - An overall evaluation of the credit union's or charter applicant's ability to operate successfully.

Emergency merger - Pursuant to Section 205(h) of the Federal Credit Union Act, authority of NCUA to merge two credit unions without regard to common bond policy.

Exclusionary clause - A limitation, written in a credit union's charter, which precludes the credit union from serving a portion of a group which otherwise could be included in its field of membership.

Federal share insurance - Insurance coverage provided by the National Credit Union Share Insurance Fund and administered by the National Credit Union Administration. Coverage is provided for qualified accounts in all federal credit unions and participating state credit unions.

Field of membership - The persons (including organizations and other legal entities) a credit union is permitted to accept for membership.

Household - Persons living in the same residence maintaining a single economic unit.

Housekeeping Amendment - A field of membership amendment to delete groups, change group names, change group locations, remove exclusionary clauses, and to add other persons eligible for credit union membership by virtue of their close relationship to a common bond group or the community for community charters.

Immediate family member - A spouse, child, sibling, parent, grandparent, or grandchild. This includes stepparents, stepchildren, stepsiblings, and adoptive relationships.

Letter of Understanding and Agreement - Agreement between NCUA and federal credit union officials not to engage in certain activities and/or to establish reasonable operational goals. These are normally entered into with new charter applicants for a limited time.

Mentor - An individual who provides guidance and assistance to newly chartered, small, or low-income credit unions. All new federal credit unions are encouraged to establish a mentor relationship with a trained, experienced credit union individual or an existing credit union.

Metropolitan Statistical Area (MSA) - The Office of Management and Budget defines a metropolitan statistical area as an urbanized area that has at least one urbanized area in excess of 50,000 and "comprises the central county or counties containing the core, plus adjacent outlying counties having a high degree of social and economic integration with the central county as measured through commuting."

Merger - Absorption by one credit union of all of the assets, liabilities and equity of another credit union. Mergers must be approved by the National Credit Union Administration and by the appropriate state regulator whenever a state credit union is involved.

Multiple common bond credit union - A credit union whose field of membership consists of more than one group, each of which has a common bond of occupation or association.

Occupational common bond - Employment by the same entity or related entities or a Trade, Industry, or Profession.

Once a member, always a member - A provision of the Federal Credit Union Act which permits an individual to remain a member of the credit union until he or she chooses to withdraw or is expelled from the membership of the credit union. Under this provision, leaving a group that is named in the credit union's charter does not terminate an individual's membership in the credit union.

Organizations of such persons - An organization or organizations composed exclusively of persons who are within the field of membership of the credit union.

Overlap - The situation which results when a group is eligible for membership in more than one credit union.

Primary potential members - Members or employees who belong to an associational or occupational group.

Purchase and assumption - Purchase of all or part of the assets of and assumption of all or part of the liabilities of one credit union by another credit union. The purchased and assumed credit union must first be placed into involuntary liquidation.

Service area - The area that can reasonably be served by the service facilities accessible to the groups within the field of membership.

Service facility - A place where shares are accepted for members' accounts, loan applications are accepted or loans are disbursed. This definition includes a credit union owned branch, a mobile branch, an office operated on a regularly scheduled weekly basis, a credit union owned ATM, or a credit union owned electronic facility that meets, at a minimum, these requirements. A service facility also includes a shared branch or a shared branch network if either: (1) the credit union has an ownership interest in the service facility either directly or through a CUSO or similar organization; or (2) the service facility is local to the credit union and the credit union is an authorized participant in the service center. This definition does not include the credit union's Internet Web site. A service facility does not include an ATM or interest in a shared branch network for purposes of serving an underserved area.

Single associational common bond credit union - A credit union whose field of membership includes members and employees of a recognized association.

Single common bond credit union - A credit union whose field of membership consists of one group which has a common bond of occupation or association.

Single occupational common bond credit union - A credit union whose field of membership consists of employees of the same entity or related entities or part of a Trade, Industry, or Profession (TIP).

Spin-off - The transfer of a portion of the field of membership, assets, liabilities, shares, and capital of one credit union to a new or existing credit union.

Subscribers - For a federal credit union, at least seven individuals who sign the charter application and pledge at least one share.

Trade, Industry, or Profession (TIP) - A single occupational common bond credit union based on employment in a trade, industry, or profession including employment at any number of corporations or other legal entities that while not under common ownership – have a common bond by virtue of producing similar products, providing similar services, or participating in the same type of business.

Underserved community - A local community, neighborhood, or rural district that is an “investment area” as defined in Section 103(16) of the Community Development Banking and Financial Institutions Act of 1994. The area must also be underserved based on other NCUA and federal banking agency data.

Unsafe or unsound practice - Any action, or lack of action, which would result in an abnormal risk or loss to the credit union, its members, or the National Credit Union Share Insurance Fund.

APPENDIX 2

LETTER OF UNDERSTANDING AND AGREEMENT

To the Board of Directors and Other Officials
_____ Federal Credit Union

Since the purposes of credit unions are to promote thrift and to make funds available for loans to credit union members for provident and productive purposes, and since newly chartered credit unions do not generally have sufficient reserves to cover large losses on loans or meet unduly large liquidity requirements, Federal insurance coverage of member accounts under the National Credit Union Share Insurance Fund will be granted to the above named credit union subject to the conditions listed in this Letter of Understanding and Agreement and in the Organization Certificate and Application and Agreements for Insurance of Accounts. These terms are listed below and are subject to acceptance by authorized credit union officials.

1. The credit union will refrain from soliciting or accepting brokered fund deposits from any source without the prior written approval of the Regional Director.
2. The credit union will refrain from the making of large loans, that is, loans in excess of 5 percent of unimpaired capital and surplus, to any one member or group of members without the prior written approval of the Regional Director.
3. The credit union will not establish or invest in a Credit Union Service Organization (CUSO) without the prior written approval of the Regional Director.
4. The credit union will not enter into any insurance programs whereby the credit union member finances the payment of insurance premiums through loans from the credit union.
5. Any special insurance plan/program, that is, insurance other than usual and normal surety bonding or casualty or liability or loan protection and life savings insurance coverage, which the credit union officials intend to undertake, will be submitted to the Regional Director of the National Credit Union Administration for written approval prior to the officials committing the credit union thereto.
6. The credit union will prepare and mail to the district examiner financial and statistical reports as required by the Federal Credit Union Act and Bylaws by the 20th of each month following that for which the report is prepared.
7. As the credit union's officials gain experience and the credit union achieves target levels of growth and profitability, the above terms and conditions may be renegotiated by the two parties.

We, the undersigned officials of the _____ Federal Credit Union, as authorized by the board of directors, acknowledge receipt of and agree to the attached Letter of Understanding and Agreement dated _____.

This Letter of Understanding and Agreement has been voluntarily entered into with the National Credit Union Administration. We agree to comply with all terms and conditions expressed in this Letter of Understanding and Agreement.

Should the NCUA Board determine that these terms and conditions have not been complied with or that the board of directors or other officials have not conducted the affairs of the credit

union in a sound and prudent manner, the NCUA Board may terminate insurance coverage of the credit union. If actions by the officials, in violation of this Letter of Understanding and Agreement, cause the credit union to become insolvent, the officials assume such personal liability as may result from their actions.

The term of this Letter of Understanding and Agreement shall be for the period of at least 24 months from the date the credit union is insured. This Letter of Understanding and Agreement may, at the option of the Regional Director, be extended for an additional 24 months at the end of the initial term of this agreement.

FORM 4000 INSTRUCTIONS

A. INFORMATION FOR CHARTERS AND BYLAWS

The subscriber should select a name for the proposed credit union. It is the responsibility of the federal credit union organizers to ensure that the proposed federal credit union name does not constitute an infringement on the name of any corporation in its trade area. The last three words in the name must be "Federal Credit Union." Since the name selected should not duplicate exactly the name of an existing credit union, item 1 provides space for a second choice.

The territory of operations of a Federal credit union is described in the field of membership, item 5. The principal office of the credit union will usually be maintained at a location described in the field of membership.

The proposed field of membership should be defined so clearly that it leaves no room for any doubt as to whom the credit union is to serve or the area which it is to operate. Corporations and other organizations referred to in the definition of the field of membership should be designated by the exact names rather than by some local or popular contraction of these names. Any segment of a larger organization should be identified with the parent. The field of membership for each type of common bond and samples are discussed in detail in Chapter 2 of the "*Chartering and Field of Membership Manual*."

With the guidance of the organizer, the subscribers to the Organization Certificate decide on the number of directors and credit committee members. The board and credit committee must be composed of an odd number of members. The supervisory committee is appointed by the board of directors.

B. CHARACTER AND FITNESS OF SUBSCRIBERS

The names and address of the subscribers should be recorded legibly and completely in item 7 of this report. It is from this information that the National Credit Union Administration prepares Section 3 of the charter. The names of the subscribers must be IDENTICAL to their signatures on the Organization Certificate.

C. SUBMITTAL OF CHARTER APPLICATION

In addition to this Investigation Report, the following should be submitted to the appropriate regional director of NCUA:

1. Application to Convert, NCUA 4401 – one original;
2. Written evidence regarding whether the state regulator is in agreement with the conversion proposal;
3. Application and Agreements for Insurance of Accounts, NCUA 9500 - one original;
4. Certificate of Resolution, NCUA 9501 - one original;
5. Organization Certificate, NCUA 4008 - one notarized original. At least seven, *but no more than ten persons*, must sign the organization certificate. The person administering the oath must not be one of the subscribers. The oath on the organization certificate must be executed and show the notary's seal and date the commission expires as required by State law;
6. Report of Official and Agreement to Serve, NCUA 4012 – one original for each board member, credit committee member, and supervisory committee member;
7. Most current financial report and delinquent loan schedule; and
8. Business Plan - refer to Chapter 1 of the *Chartering and Field of Membership Manual* for a discussion of the components of an acceptable business plan.

CRIMINAL OFFENSE GUIDELINES

The Federal Credit Union Act, Subchapter II, Section 205(d), requires that, except with the written consent of the NCUA Board, no person shall serve as director, officer, committee member, or employee of an insured credit union who has been convicted or who is hereafter convicted, of any criminal offense involving dishonesty or breach of trust. To assist the NCUA Board in making a determination of the fitness of a person who is selected to serve and who the organizer believes is qualified to serve as an official, the specific information above will need to be furnished.

If the NCUA Board believes that, in view of the facts presented and the date of the offense, they can give their consent to the appointment they will so advise that person in writing. If on the other hand, the NCUA Board believes after careful consideration that they cannot in good conscience give their written consent to the appointment they will contact the organizer and ask that another person be selected for the position. The person selected will have to complete a Report of Official and Agreement to Serve.

An indication of whether the bonding company would agree to provide coverage should be included if the person is to serve as treasurer. Bonding company agrees to provide coverage: ☐ YES ☐ NO

AUTHORIZATION TO OBTAIN A CREDIT REPORT

NCUA may disapprove any individual whose employment it believes will not be in the best interest of the credit union or of the public. To assist in the evaluation process, NCUA may obtain and review an individual's credit report.

FORM 9600 INSTRUCTION

APPLICATION OF A STATE CHARTERED CREDIT UNION
FOR INSURANCE OF ACCOUNTS

The application and all supporting documents should be prepared, photocopied, and submitted in accordance with these instructions. Additional schedules may be included if deemed appropriate.

Existing credit unions must complete the entire application. All other applicants do not have to complete questions 8, 11, 12, 13, 15, and 16.

Existing credit unions must submit current policies and financial statements as noted in the application. All other applicants must submit proposed policies and pro forma financial statements for the first and second year of operation.

When an item specifies that a schedule should be prepared and attached, please assign a schedule number in consecutive order, starting with number one. Please show the schedule number at the top right-hand corner of the schedule.

Some of the items are self-explanatory and require no special instructions. Other items, however, need special explanations, definitions, and instructions for completion. These are listed below, identified by the same item numbers as appear in Exhibit A.

Item No. 10: Reserves: The term "reserves" means that account, or accounts, which represents segregated portions of earnings as provided by the law, bylaws, and/or the credit union's management for the absorption of losses relating to loans to members.

Item No. 11a: The delinquent loan list requested should include, for each delinquent loan, the account number of the borrower, date of loan, original amount of loan, unpaid balance, date of last payment of principle, excluding transfers from pledged shares, collateral, and comments regarding the collectability of each loan in the categories 6 months to less than 12 months and 12 months and over. Payments of interest only should be so identified.

Item No. 11b: The schedule provided for the delinquent loan information is set up in delinquency categories of 2 months to less than 6 months, 6 to less than 12 months, and 12 months and over. Credit unions that compute delinquency using categories other than shown in column (b) may use these other categories and show them in column (a). Credit unions using column (a) need not show the delinquencies in the column (b) categories. It is not necessary to report on loans which are delinquent less than 2 months.

Adverse Trends: If items 8, 9, or 11 indicate adverse trends such as significant decreases in shares, loans or reserves, increases in loan delinquency or loan charge-offs, or unresolved

serious exceptions shown in the State examination report, the credit union may attach an explanation and identify it as "Explanation of Adverse Trends or

Unresolved Examination Exceptions" and assign it a schedule number.

Item No. 14: This item need be completed only if the credit union owns any of the following:

- A. Investments in U.S. Government securities guaranteed as to principle and interest or Federal Agency securities, the market value of which is now less than the book value.
- B. Real estate other than that used entirely for the credit union's own office(s).
- C. Other investments of any type except:
 - 1. Loans to other credit unions.
 - 2. Certificates of, or accounts in, federally insured financial institutions.
 - 3. Deposits or accounts in corporate credit unions.

If corporate bonds are listed, please show maturity date, rate of interest on bonds and current yield rate.

If stocks are listed, please show number of shares and bid price.

Please identify the source of the market valuation information and the date of such information.

Item No. 21b: In selecting the largest loans for this Exhibit, list the largest outstanding unpaid loan balance and proceed in descending order by dollar amount until the number specified below has been shown. The number of such loans to be listed will be determined as follows:

<p>If your credit union has the following no. of outstanding loans</p> <hr/>	<p>You should list the following no. of the largest unpaid balances</p> <hr/>
--	---

Under 100	5
100 to 199	10
200 to 299	15
300 to 399	20
400 or more	25

If any of the above loans are delinquent, please show the number of months delinquent in the appropriate "Status of Re-payment" column.

Complete the Credit Union Service Organization (CUSO) schedule for each investment/loan to a CUSO.

TERMINATION OF INSURANCE

Should the credit union, after obtaining insurance of member accounts, desire to terminate its insured status, this could be accomplished by complying with the provisions of Section 206(a), (c) and (d) of Title II of the Federal Credit Union Act. This action would require approval by a vote of the majority of the members, and ninety days written notice of the proposed termination date to NCUA. Member accounts would continue to be insured for one year following termination of insurance and the insurance premium would be paid during that period. After termination of insurance, the credit union shall give prompt and reasonable notice to all members whose accounts are insured that it has ceased to be an insured credit union.

Sections 206(a)(2) and 206(d)(2) and (3) of the Act provide that an insured credit union may also terminate its insurance by converting from its status as an insured credit union under the Act to insurance from a corporation authorized and duly licensed to insure member accounts. In this event, approval is required by a majority of all the directors and by affirmative vote of a majority of the members voting, provided that at least 20 percent of the members have voted on the proposition. Under this provision for termination, insurance of member accounts would cease as of the date of termination.

2. Any waivers of the statutory reserve or full and fair disclosure requirements or any direct charges to the statutory reserve other than loss loans must have the prior written approval of the NCUA Board. In addition, corporate credit unions shall be subject to the reserve requirements specified in Part 704 of NCUA's regulations.
5. Not to issue or have outstanding any account or security the form of which has not been approved by the NCUA Board, except accounts authorized by state law for state credit unions.

When, as of the end of any dividend period, the amount in the Investment Valuation Reserve exceeds the difference between book value and market value, the board of directors may authorize the transfer of the excess to Undivided Earnings.
9. When a state-chartered credit union is permitted by state law to accept nonmember shares or deposits from sources other than other credit unions and public units, such nonmember accounts shall be identified as nonmember shares or deposits on any statement or report required by the NCUA Board for insurance purposes. Immediately after a state-chartered credit union receives notice from NCUA that its member accounts are federally insured, the credit union will advise any present nonmember share and deposit holders by letter that their accounts are not insured by the National Credit Union Share Insurance Fund. Also, future nonmember share and deposit fund holders will be so advised by letter as they open accounts.

§ 702.1 Authority, purpose, scope and other supervisory authority.

(a) *Authority.* Subparts A, B and C of this part and subpart L of part 747 of this chapter are issued by the National Credit Union Administration pursuant to section 216 of the Federal Credit Union Act (FCUA), 12 U.S.C. 1790d (section 1790d), as added by section 301 of the Credit Union Membership Access Act, Pub. L. No. 105–219, 112 Stat. 913 (1998). Subpart D of this part is issued

pursuant to FCUA section 120, 12 U.S.C. 1766.

(b) *Purpose.* The express purpose of prompt corrective action under section 1790d is to resolve the problems of federally-insured credit unions at the least possible long-term loss to the National Credit Union Share Insurance Fund. This part carries out the purpose of prompt corrective action by establishing a framework of mandatory and discretionary supervisory actions, applicable according to a credit union’s net worth ratio, designed primarily to restore and improve the net worth of federally-insured credit unions.

(c) *Scope.* This part implements the provisions of section 1790d as they apply to federally-insured credit unions, whether federally- or state-chartered; to such credit unions defined as “new” pursuant to section 1790d(b)(2); and to such credit unions defined as “complex” pursuant to section 1790d(d). Certain of these provisions also apply to officers and directors of federally-insured credit unions. This part does not apply to corporate credit unions. Procedures for issuing, reviewing and enforcing orders and directives issued under this part are set forth in subpart L of part 747 of this chapter, 12 CFR 747.2001 *et seq.*

(d) *Other supervisory authority.* Neither §1790d nor this part in any way limits the authority of the NCUA Board or appropriate State official under any other provision of law to take additional supervisory actions to address unsafe or unsound practices or conditions, or violations of applicable law or regulations. Action taken under this part may be taken independently of, in conjunction with, or in addition to any other enforcement action available to the NCUA Board or appropriate State official, including issuance of cease and desist orders, orders of prohibition, suspension and removal, or assessment of civil money penalties, or any other actions authorized by law.

§ 702.2 Definitions

Except as provided below, the terms used in this part have the same meanings as set forth in FCUA sections 101 and 216, 12 U.S.C. 1752, 1790d.

§ 702.101

12 CFR Ch. VII (1–1–10 Edition)

(b) *Appropriate State official* means the commission, board or other supervisory authority having jurisdiction over credit unions chartered by the State which chartered the affected credit union.

(c) *Credit union* means a federally-insured, natural person credit union, whether federally- or State-chartered, as defined by 12 U.S.C. 1752(6).

(d) *CUSO* means a credit union service organization as described in 12 CFR 712 *et seq.* for federally-chartered credit unions, and as defined under State law for State-chartered credit unions.

(e) *NCUSIF* means the National Credit Union Share Insurance Fund as defined by 12 U.S.C. 1783.

(f) *Net Worth* means (1) The retained earnings balance of the credit union at quarter-end as determined under generally accepted accounting principles, subject to paragraph (f)(3) of this section. Retained earnings consists of undivided earnings, regular reserves, and any other appropriations designated by management or regulatory authorities;

(2) For a low income-designated credit union, net worth also includes secondary capital accounts that are uninsured and subordinate to all other claims, including claims of creditors, shareholders and the NCUSIF; and

(3) For a credit union that acquires another credit union in a mutual combination, net worth includes the retained earnings of the acquired credit union, or of an integrated set of activities and assets, at the point of acquisition. A mutual combination is a transaction in which a credit union acquires another credit union, or acquires an integrated set of activities and assets that is capable of being conducted and managed as a credit union.

(g) *Net worth ratio* means the ratio of the net worth of the credit union (as defined in paragraph (f) of this section to the total assets of the credit union (as defined by a measure chosen under paragraph (j) of this section).

(h) *New credit union* means a federally-insured credit union which both

has been in operation for less than ten (10) years and has \$10,000,000 or less in total assets.

(i) *Senior executive officer* means a senior executive officer as defined by 12 CFR 701.14(b)(2).

(j) *Shares* means deposits, shares, share certificates, share drafts, or any other depository account authorized by federal or state law.

(k) *Total assets*. (1) Total assets means a credit union's total assets as measured by either—

(i) *Average quarterly balance*. The average of quarter-end balances over the current and three preceding calendar quarters; or

(ii) *Average monthly balance*. The average of month-end balances over the three calendar months of the calendar quarter; or

(iii) *Average daily balance*. The average daily balance over the calendar quarter; or

(iv) *Quarter-end balance*. The quarter-end balance of the calendar quarter as reported on the credit union's Call Report.

(2) For each quarter, a credit union must elect a measure of total assets from paragraph (k)(1) of this section to apply for all purposes under this part except §§ 702.103 through 702.108 [risk-based net worth requirement].

(l) *Weighted-average life* means the weighted-average time to the return of a dollar of principal, calculated by multiplying each portion of principal received by the time at which it is expected to be received (based on a reasonable and supportable estimate of that time), and then summing and dividing by the total amount of principal.

Subpart A—Net Worth Classification

§ 702.101 Measures and effective date of net worth classification.

(1) *Quarter-end effective date.* The last day of the calendar month following the end of the calendar quarter; or

(2) *Corrected net worth category.* The date the credit union received subsequent written notice from NCUA or, if State-chartered, from the appropriate State official, of a decline in net worth category due to correction of an error or misstatement in the credit union's most recent Call Report; or

(3) *Reclassification to lower category.* The date the credit union received written notice from NCUA or, if State-chartered, the appropriate State official, of reclassification on safety and soundness grounds as provided under §§ 702.102(b) or 702.302(d).

(c) *Notice to NCUA by filing Call Report.* (1) Other than by filing a Call Report, a federally-insured credit union need not notify the NCUA Board of a change in its net worth ratio that places the credit union in a lower net worth category;

(2) Failure to timely file a Call Report as required under this section in no way alters the effective date of a change in net worth classification under this paragraph (b) of this section, or the affected credit union's cor-

responding legal obligations under this part.

§ 702.102 Statutory net worth categories.

(a) *Net worth categories.* Except for credit unions defined as “new” under subpart B of this part, a federally-insured credit union shall be classified (Table 1)—

(1) *Well capitalized* if it has a net worth ratio of seven percent (7%) or greater and also meets any applicable risk-based net worth requirement under §§ 702.103 through 702.108; or

(2) *Adequately capitalized* if it has a net worth ratio of six percent (6%) or more but less than seven percent (7%), and also meets any applicable risk-based net worth requirement under §§ 702.103 through 702.108 below; or

(3) *Undercapitalized* if it has a net worth ratio of four percent (4%) or more but less than six percent (6%), or fails to meet any applicable risk-based net worth requirement under §§ 702.103 through 702.108; or

(4) *Significantly undercapitalized* if it

(i) Has a net worth ratio of two percent (2%) or more but less than four percent (4%); or

(A) Fails to submit an acceptable net worth restoration plan within the time prescribed in § 702.206; or

(B) Materially fails to implement a net worth restoration plan approved by the NCUA Board; or

(5) *Critically undercapitalized* if it has a net worth ratio of less than two percent (2%).

(b) *Reclassification based on supervisory criteria other than net worth.* The NCUA Board may reclassify a "well capitalized" credit union as "adequately capitalized" and may require an "adequately capitalized" or "undercapitalized" credit union to comply with certain mandatory or discretionary supervisory actions as if it were in the next lower net worth category (each of such actions hereinafter referred to generally as "reclassification") in the following circumstances:

(1) *Unsafe or unsound condition.* The NCUA Board has determined, after notice and opportunity for hearing pursuant to § 747.2003 of this chapter, that the credit union is in an unsafe or unsound condition; or

(2) *Unsafe or unsound practice.* The NCUA Board has determined, after notice and opportunity for hearing pursuant to § 747.2003 of this chapter, that the credit union has not corrected a material unsafe or unsound practice of which it was, or should have been, aware.

(c) *Non-delegation.* The NCUA Board may not delegate its authority to reclassify a credit union under paragraph (b) of this section.

(d) *Consultation with State officials.* The NCUA Board shall consult and seek to work cooperatively with the appropriate State official before reclassifying a federally-insured State-chartered credit union under paragraph (b)

A credit union's RBNW requirement is the sum of eight standard components. A standard component is calculated for each of the eight risk portfolios, equal to the sum of each amount of a risk portfolio times its risk weighting. A credit union is classified "undercapitalized" if its net worth ratio is less than its applicable RBNW requirement.

§ 702.107 Alternative components for standard calculation.

A credit union may substitute one or more alternative components below, in place of the corresponding standard components in § 702.106 above, when any alternative component amount, expressed as a percentage of the credit union's quarter-end total assets as reflected in its most recent Call Report, rounded to two decimal places, is smaller (Table 5):

(a) *Long-term real estate loans.* The sum of:

(1) *Non-callable.* Non-callable long-term real estate loans as follows:

(i) Eight percent (8%) of the amount of such loans with a remaining maturity of greater than 5 years, but less than or equal to 12 years;

(ii) Twelve percent (12%) of the amount of such loans with a remaining maturity of greater than 12 years, but less than or equal to 20 years; and

(iii) Fourteen percent (14%) of the amount of such loans with a remaining maturity greater than 20 years;

(2) *Callable.* Long-term real estate loans callable in 5 years or less as follows:

(i) Six percent (6%) of the amount of such loans with a documented call provision of 5 years or less and with a remaining maturity of greater than 5 years, but less than or equal to 12 years;

(ii) Ten percent (10%) of the amount of such loans with a documented call provision of 5 years or less and with a remaining maturity of greater than 12 years, but less than or equal to 20 years; and

(iii) Twelve percent (12%) of the amount of such loans with a documented call provision of 5 years or less and with a remaining maturity of greater than 20 years;

(b) *Member business loans outstanding.* The sum of:

(1) *Fixed rate.* Fixed-rate member business loans outstanding as follows:

(i) Six percent (6%) of the amount of such loans with a remaining maturity of 3 or fewer years;

(ii) Nine percent (9%) of the amount of such loans with a remaining maturity greater than 3 years, but less than or equal to 5 years;

(iii) Twelve percent (12%) of the amount of such loans with a remaining maturity greater than 5 years, but less than or equal to 7 years;

(iv) Fourteen percent (14%) of the amount of such loans with a remaining maturity greater than 7 years, but less than or equal to 12 years; and

(v) Sixteen percent (16%) of the amount of such loans with a remaining maturity greater than 12 years; and

(2) *Variable-rate.* Variable-rate member business loans outstanding as follows:

(i) Six percent (6%) of the amount of such loans with a remaining maturity of 3 or fewer years;

(ii) Eight percent (8%) of the amount of such loans with a remaining maturity greater than 3 years, but less than or equal to 5 years;

(iii) Ten percent (10%) of the amount of such loans with a remaining maturity greater than 5 years, but less than or equal to 7 years;

(iv) Twelve percent (12%) of the amount of such loans with a remaining maturity greater than 7 years, but less than or equal to 12 years; and

(v) Fourteen percent (14%) of the amount of such loans with a remaining maturity greater than 12 years.

(c) *Investments.* The sum of:

(1) Three percent (3%) of the amount of investments with a weighted-average life (as specified in § 702.105 above) of one (1) year or less;

(2) Six percent (6%) of the amount of investments with a weighted-average life greater than one (1) year, but less than or equal to three (3) years;

(3) Eight percent (8%) of the amount of investments with a weighted-average life greater than three (3) years, but less than or equal to five (5) years;

(4) Twelve percent (12%) of the amount of investments with a weighted-average life greater than five (5) years, but less than or equal to seven (7) years;

(5) Sixteen percent (16%) of the amount of investments with a weighted-average life greater than seven (7) years, but less than or equal to ten (10) years; and

(6) Twenty percent (20%) of the amount of investments with a weighted-average life greater than ten (10) years.

National Credit Union Administration

§ 702.107

(d) *Loans sold with recourse.* The alternative component is the sum of:

(1) Six percent (6%) of the amount of loans sold with contractual recourse obligations of six percent (6%) or greater; and

(2) The weighted average recourse percent of the amount of loans sold with contractual recourse obligations of less than six percent (6%), as computed by the credit union.

TABLE 5—§ 702.107 ALTERNATIVE COMPONENTS FOR STANDARD CALCULATION

(a) LONG-TERM REAL ESTATE LOANS

<i>Amount of long-term real estate loans by remaining maturity</i>	<i>Alternative risk weighting</i>
<i>Non-callable long-term real estate loans</i>	
<i>Remaining maturity:</i>	
> 5 years to 12 years	.08
> 12 years to 20 years	.12
> 20 years	.14
<i>Long-term real estate loans callable in 5 years or less</i>	
<i>Remaining maturity:</i>	
> 5 years to 12 years	.06
> 12 years to 20 years	.10
> 20 years	.12
The "alternative component" is the sum of each amount of the "long-term real estate loans" risk portfolio by non-"callable" and "callable" characteristic and by remaining maturity (as a percent of quarter-end total assets) times its alternative factor. Substitute for corresponding standard component if smaller.	

(b) MEMBER BUSINESS LOANS

<i>Amount of member business loans by remaining maturity</i>	<i>Alternative risk weighting</i>
<i>Fixed-rate MBLs</i>	
0 to 3 years	.06
> 3 years to 5 years	.09
> 5 years to 7 years	.12
> 7 years to 12 years	.14
> 12 years	.16
<i>Variable-rate MBLs</i>	
0 to 3 years	.06
> 3 years to 5 years	.08
> 5 years to 7 years	.10
> 7 years to 12 years	.12
> 12 years	.14
The "alternative component" is the sum of each amount of the member business loans risk portfolio by fixed and variable rate and by remaining maturity (as a percent of quarter-end total assets) times its alternative factor. Substitute for corresponding standard component if smaller.	

(c) INVESTMENTS

<i>Amount of investments by weighted-average life</i>	<i>Alternative risk weighting</i>
0 to 1 year	.03
>1 year to 3 years	.06
>3 years to 5 years	.08
>5 years to 7 years	.12
>7 years to 10 years	.16
> 10 years	.20
The "alternative component" is the sum of each amount of the Investments risk portfolio by weighted-average life (as a percent of quarter-end total assets) times its alternative factor. Substitute for corresponding standard component if smaller.	

(d) LOANS SOLD WITH RECOURSE

<i>Amount of loans by recourse</i>	<i>Alternative risk weighting</i>
Recourse 6% or greater	.06
Recourse <6%	Weighted average recourse percent
The "alternative component" is the sum of each amount of the "loans sold with recourse" risk portfolio by level of recourse (as a percent of quarter-end total assets) times its alternative factor. The alternative factor for loans sold with recourse of less than 6% is equal to the weighted average recourse percent on such loans. A credit union must compute the weighted average recourse percent for its loans sold with recourse of less than six percent (6%). Substitute for corresponding standard component if smaller.

§ 702.108 Risk mitigation credit.

(a) *Who may apply.* A credit union may apply for a risk mitigation credit if on any of the current or three preceding effective dates of classification it either failed an applicable RBNW requirement or met it by less than 100 basis points.

(b) *Application for credit.* Upon application pursuant to guidelines duly adopted by the NCUA Board, the NCUA Board may in its discretion grant a credit to reduce a risk-based net worth requirement under §§ 702.106 and 702.107 upon proof of mitigation of:

(1) Credit risk; or

(2) Interest rate risk as demonstrated by economic value exposure measures.

(c) *Application by FISCO.* In the case of a FISCO seeking a risk mitigation credit—

(1) Before an application under paragraph (a) above may be submitted to the NCUA Board, it must be submitted in duplicate to the appropriate State official and the appropriate Regional Director; and

(2) The NCUA Board, when evaluating the application of a FISCO, shall consult and seek to work cooperatively with the appropriate State official, and shall provide prompt notice of its decision to the appropriate State official.

Subpart B—Mandatory and Discretionary Supervisory Actions

§ 702.201 Prompt corrective action for "adequately capitalized" credit unions.

(a) *Earnings retention.* Beginning the effective date of classification as "adequately capitalized" or lower, a federally-insured credit union must increase the dollar amount of its net worth quarterly either in the current quarter, or on average over the current and three preceding quarters, by an amount equivalent to at least 1/10th percent (0.1%) of its total assets, and must quarterly transfer that amount (or more by choice) from undivided earnings to its regular reserve account until it is "well capitalized."

(b) *Decrease in retention.* Upon written application received no later than 14 days before the quarter end, the NCUA Board, on a case-by-case basis, may permit a credit union to increase the dollar amount of its net worth and quarterly transfer an amount that is less than the amount required under paragraph (a) of this section, to the extent the NCUA Board determines that such lesser amount—

(1) Is necessary to avoid a significant redemption of shares; and

(2) Would further the purpose of this part.

(c) *Decrease by FISCO.* The NCUA Board shall consult and seek to work cooperatively with the appropriate State official before permitting a federally-insured State-chartered credit union to decrease its earnings retention under paragraph (b) of this section.

(d) *Periodic review.* A decision under paragraph (b) of this section to permit a credit union to decrease its earnings retention is subject to quarterly review and revocation except when the credit union is operating under an approved net worth restoration plan that provides for decreasing its earnings retention as provided under paragraph (b).

[67 FR 71091, Nov. 29, 2002]

§ 702.202 Prompt corrective action for "undercapitalized" credit unions.

(a) *Mandatory supervisory actions by credit union.* A federally-insured credit union which is "undercapitalized" must—

(1) *Earnings retention.* Increase net worth and transfer earnings to its regular reserve account in accordance with § 702.201;

(2) *Submit net worth restoration plan.* Submit a net worth restoration plan pursuant to § 702.206, *provided however*, that a credit union in this category having a net worth ratio of less than five percent (5%) which fails to timely submit such a plan, or which materially fails to implement an approved plan, is classified “significantly undercapitalized” pursuant to § 702.102(a)(4)(ii) above;

(3) *Restrict increase in assets.* Beginning the effective date of classification as “undercapitalized” or lower, not permit the credit union’s assets to increase beyond its total assets (per § 702.2(j)) for the preceding quarter unless—

(i) *Plan approved.* The NCUA Board has approved a net worth restoration plan which provides for an increase in total assets and—

(A) The assets of the credit union are increasing consistent with the approved plan; and

(B) The credit union is implementing steps to increase the net worth ratio consistent with the approved plan;

(ii) *Plan not approved.* The NCUA Board has not approved a net worth restoration plan and total assets of the credit union are increasing because of increases since quarter-end in balances of:

(A) Total accounts receivable and accrued income on loans and investments; or

(B) Total cash and cash equivalents; or

(C) Total loans outstanding, not to exceed the sum of total assets (per § 702.2(j)) plus the quarter-end balance of unused commitments to lend and unused lines of credit provided however that a credit union which increases a balance as permitted under paragraphs (A), (B) or (C) cannot offer rates on shares in excess of prevailing rates on shares in its relevant market area, and cannot open new branches;

(4) *Restrict member business loans.* Beginning the effective date of classification as “undercapitalized” or lower, not increase the total dollar amount of member business loans (defined as

loans outstanding and unused commitments to lend) as of the preceding quarter-end unless it is granted an exception under 12 U.S.C. 1757a(b).

(b) “*Second tier*” discretionary supervisory actions by NCUA. Subject to the applicable procedures for issuing, reviewing and enforcing directives set forth in subpart L of part 747 of this chapter, the NCUA Board may, by directive, take one or more of the following actions with respect to an “undercapitalized” credit union having a net worth ratio of less than five percent (5%), or a director, officer or employee of such a credit union, if it determines that those actions are necessary to carry out the purpose of this part:

(1) *Requiring prior approval for acquisitions, branching, new lines of business.* Prohibit a credit union from, directly or indirectly, acquiring any interest in any business entity or financial institution, establishing or acquiring any additional branch office, or engaging in any new line of business, unless the NCUA Board has approved the credit union’s net worth restoration plan, the credit union is implementing its plan, and the NCUA Board determines that the proposed action is consistent with and will further the objectives of that plan;

(2) *Restricting transactions with and ownership of CUSO.* Restrict the credit union’s transactions with a CUSO, or require the credit union to reduce or divest its ownership interest in a CUSO;

(3) *Restricting dividends paid.* Restrict the dividend rates the credit union pays on shares to the prevailing rates paid on comparable accounts and maturities in the relevant market area, as determined by the NCUA Board, except that dividend rates already declared on shares acquired before imposing a restriction under this paragraph may not be retroactively restricted;

(4) *Prohibiting or reducing asset growth.* Prohibit any growth in the credit union’s assets or in a category of assets, or require the credit union to reduce its assets or a category of assets;

(5) *Alter, reduce or terminate activity.* Require the credit union or its CUSO

§ 702.203

12 CFR Ch. VII (1–1–10 Edition)

to alter, reduce, or terminate any activity which poses excessive risk to the credit union;

(6) *Prohibiting nonmember deposits.* Prohibit the credit union from accepting all or certain nonmember deposits;

(7) *Dismissing director or senior executive officer.* Require the credit union to dismiss from office any director or senior executive officer, *provided however*, that a dismissal under this clause shall not be construed to be a formal administrative action for removal under 12 U.S.C. 1786(g);

(8) *Employing qualified senior executive officer.* Require the credit union to employ qualified senior executive officers (who, if the NCUA Board so specifies, shall be subject to its approval); and

(9) *Other action to carry out prompt corrective action.* Restrict or require such other action by the credit union as the NCUA Board determines will carry out the purpose of this part better than any of the actions prescribed in paragraphs (b)(1) through (8) of this section.

(c) *“First tier” application of discretionary supervisory actions.* An “undercapitalized” credit union having a net worth ratio of five percent (5%) or more, or which is classified “undercapitalized” by reason of failing to satisfy a risk-based net worth requirement under § 702.105 or 702.106, is subject to the discretionary supervisory actions in paragraph (b) of this section if it fails to comply with any mandatory supervisory action in paragraph (a) of this section or fails to timely implement an approved net worth restoration plan under § 702.206, including meeting its prescribed steps to increase its net worth ratio.

[65 FR 8584, Feb. 18, 2000, as amended at 67 FR 71092, Nov. 29, 2002]

§ 702.203 Prompt corrective action for “significantly undercapitalized” credit unions.

(a) *Mandatory supervisory actions by credit union.* A federally-insured credit union which is “significantly undercapitalized” must—

(1) *Earnings retention.* Increase net worth and transfer earnings to its regular reserve account in accordance with § 702.201;

(2) *Submit net worth restoration plan.* Submit a net worth restoration plan pursuant to § 702.206;

(3) *Restrict increase in assets.* Not permit the credit union’s total assets to increase except as provided in § 702.202(a)(3) and

(4) *Restrict member business loans.* Not increase the total dollar amount of member business loans (defined as loans outstanding and unused commitments to lend) as provided in § 702.202(a)(4).

(b) *Discretionary supervisory actions by NCUA.* Subject to the applicable procedures for issuing, reviewing and enforcing directives set forth in subpart L of part 747 of this chapter, the NCUA Board may, by directive, take one or more of the following actions with respect to any “significantly undercapitalized” credit union, or a director, officer or employee of such credit union, if it determines that those actions are necessary to carry out the purpose of this part:

(1) *Requiring prior approval for acquisitions, branching, new lines of business.* Prohibit a credit union from, directly or indirectly, acquiring any interest in any business entity or financial institution, establishing or acquiring any additional branch office, or engaging in any new line of business, except as provided in § 702.202(b)(1);

(2) *Restricting transactions with and ownership of CUSO.* Restrict the credit union’s transactions with a CUSO, or require the credit union to divest or reduce its ownership interest in a CUSO;

(3) *Restricting dividends paid.* Restrict the dividend rates that the credit union pays on shares as provided in § 702.202(b)(3);

(4) *Prohibiting or reducing asset growth.* Prohibit any growth in the credit union’s assets or in a category of assets, or require the credit union to reduce assets or a category of assets;

(5) *Alter, reduce or terminate activity.* Require the credit union or its CUSO(s) to alter, reduce, or terminate any activity which poses excessive risk to the credit union;

(6) *Prohibiting nonmember deposits.* Prohibit the credit union from accepting all or certain nonmember deposits;

National Credit Union Administration

§ 702.204

(7) *New election of directors.* Order a new election of the credit union's board of directors;

(8) *Dismissing director or senior executive officer.* Require the credit union to dismiss from office any director or senior executive officer, *provided however*, that a dismissal under this clause shall not be construed to be a formal administrative action for removal under 12 U.S.C. 1786(g);

(9) *Employing qualified senior executive officer.* Require the credit union to employ qualified senior executive officers (who, if the NCUA Board so specifies, shall be subject to its approval);

(10) *Restricting senior executive officers' compensation.* Except with the prior written approval of the NCUA Board, limit compensation to any senior executive officer to that officer's average rate of compensation (excluding bonuses and profit sharing) during the four (4) calendar quarters preceding the effective date of classification of the credit union as "significantly undercapitalized," and prohibit payment of a bonus or profit share to such officer;

(11) *Other actions to carry out prompt corrective action.* Restrict or require such other action by the credit union as the NCUA Board determines will carry out the purpose of this part better than any of the actions prescribed in paragraphs (b)(1) through (10) of this section; and

(12) *Requiring merger.* Require the credit union to merge with another financial institution if one or more grounds exist for placing the credit union into conservatorship pursuant to 12 U.S.C. 1786(h)(1)(F), or into liquidation pursuant to 12 U.S.C. 1787(a)(3)(A)(i).

(c) *Discretionary conservatorship or liquidation if no prospect of becoming "adequately capitalized."* Notwithstanding any other actions required or permitted to be taken under this section, when a credit union becomes "significantly undercapitalized" (including by reclassification under section 702.102(b) above), the NCUA Board may place the credit union into conservatorship pursuant to 12 U.S.C. 1786(h)(1)(F), or into liquidation pursuant to 12 U.S.C. 1787(a)(3)(A)(i), provided that the credit

union has no reasonable prospect of becoming "adequately capitalized."

§ 702.204 Prompt corrective action for "critically undercapitalized" credit unions

(a) *Mandatory supervisory actions by credit union.* A federally-insured credit union which is "critically undercapitalized" must—

(1) *Earnings retention.* Increase net worth and transfer earnings to its regular reserve account in accordance with § 702.201;

(2) *Submit net worth restoration plan.* Submit a net worth restoration plan pursuant to § 702.206;

(3) *Restrict increase in assets.* Not permit the credit union's total assets to increase except as provided in § 702.202(a)(3); and

(4) *Restrict member business loans.* Not increase the total dollar amount of member business loans (defined as loans outstanding and unused commitments to lend) as provided in § 702.202(a)(4).

(b) *Discretionary supervisory actions by NCUA.* Subject to the applicable procedures for issuing, reviewing and enforcing directives set forth in subpart L of part 747 of this chapter, the NCUA Board may, by directive, take one or more of the following actions with respect to any "critically undercapitalized" credit union, or a director, officer or employee of such credit union, if it determines that those actions are necessary to carry out the purpose of this part:

(1) *Requiring prior approval for acquisitions, branching, new lines of business.* Prohibit a credit union from, directly or indirectly, acquiring any interest in any business entity or financial institution, establishing or acquiring any additional branch office, or engaging in any new line of business, except as provided by § 702.202(b)(1);

(2) *Restricting transactions with and ownership of CUSO.* Restrict the credit union's transactions with a CUSO, or require the credit union to divest or reduce its ownership interest in a CUSO;

(3) *Restricting dividends paid.* Restrict the dividend rates that the credit

union pays on shares as provided in § 702.202(b)(3).

(4) *Prohibiting or reducing asset growth.* Prohibit any growth in the credit union's assets or in a category of assets, or require the credit union to reduce assets or a category of assets;

(5) *Alter, reduce or terminate activity.* Require the credit union or its CUSO(s) to alter, reduce, or terminate any activity which poses excessive risk to the credit union;

(6) *Prohibiting nonmember deposits.* Prohibit the credit union from accepting all or certain nonmember deposits;

(7) *New election of directors.* Order a new election of the credit union's board of directors;

(8) *Dismissing director or senior executive officer.* Require the credit union to dismiss from office any director or senior executive officer, *provided however*, that a dismissal under this clause shall not be construed to be a formal administrative action for removal under 12 U.S.C. 1786(g);

(9) *Employing qualified senior executive officer.* Require the credit union to employ qualified senior executive officers (who, if the NCUA Board so specifies, shall be subject to its approval);

(10) *Restricting senior executive officers' compensation.* Reduce or, with the prior written approval of the NCUA Board, limit compensation to any senior executive officer to that officer's average rate of compensation (excluding bonuses and profit sharing) during the four (4) calendar quarters preceding the effective date of classification of the credit union as "critically undercapitalized," and prohibit payment of a bonus or profit share to such officer;

(11) *Restrictions on payments on uninsured secondary capital.* Beginning 60 days after the effective date of classification of a credit union as "critically undercapitalized," prohibit payments of principal, dividends or interest on the credit union's uninsured secondary capital accounts established after August 7, 2000, except that unpaid dividends or interest shall continue to accrue under the terms of the account to the extent permitted by law;

(12) *Requiring prior approval.* Require a "critically undercapitalized" credit union to obtain the NCUA Board's

prior written approval before doing any of the following:

(i) Entering into any material transaction not within the scope of an approved net worth restoration plan (or approved revised business plan under subpart C of this part);

(ii) Extending credit for transactions deemed highly leveraged by the NCUA Board or, if State-chartered, by the appropriate State official;

(iii) Amending the credit union's charter or bylaws, except to the extent necessary to comply with any law, regulation, or order;

(iv) Making any material change in accounting methods; and

(v) Paying dividends or interest on new share accounts at a rate exceeding the prevailing rates of interest on insured deposits in its relevant market area;

(13) *Other action to carry out prompt corrective action.* Restrict or require such other action by the credit union as the NCUA Board determines will carry out the purpose of this part better than any of the actions prescribed in paragraphs (b)(1) through (12) of this section; and

(14) *Requiring merger.* Require the credit union to merge with another financial institution if one or more grounds exist for placing the credit union into conservatorship pursuant to 12 U.S.C. 1786(h)(1)(F), or into liquidation pursuant to 12 U.S.C. 1787(a)(3)(A)(i).

(c) *Mandatory conservatorship, liquidation or action in lieu thereof*—(1) *Action within 90 days.* Notwithstanding any other actions required or permitted to be taken under this section (and regardless of a credit union's prospect of becoming "adequately capitalized"), the NCUA Board must, within 90 calendar days after the effective date of classification of a credit union as "critically undercapitalized"—

(i) *Conservatorship.* Place the credit union into conservatorship pursuant to 12 U.S.C. 1786(h)(1)(G); or

(ii) *Liquidation.* Liquidate the credit union pursuant to 12 U.S.C. 1787(a)(3)(A)(ii); or

(iii) *Other corrective action.* Take other corrective action, in lieu of conservatorship or liquidation, to better

National Credit Union Administration

§ 702.205

achieve the purpose of this part, provided that the NCUA Board documents why such action in lieu of conservatorship or liquidation would do so, *provided however*, that other corrective action may consist, in whole or in part, of complying with the quarterly timetable of steps and meeting the quarterly net worth targets prescribed in an approved net worth restoration plan.

(2) *Renewal of other corrective action.* A determination by the NCUA Board to take other corrective action in lieu of conservatorship or liquidation under paragraph (c)(1)(iii) of this section shall expire after an effective period ending no later than 180 calendar days after the determination is made, and the credit union shall be immediately placed into conservatorship or liquidation under paragraphs (c)(1)(i) and (ii), unless the NCUA Board makes a new determination under paragraph (c)(1)(iii) of this section before the end of the effective period of the prior determination;

(3) *Mandatory liquidation after 18 months*—(i) *Generally.* Notwithstanding paragraphs (c)(1) and (2) of this section, the NCUA Board must place a credit union into liquidation if it remains “critically undercapitalized” for a full calendar quarter, on a monthly average basis, following a period of 18 months from the effective date the credit union was first classified “critically undercapitalized.”

(ii) *Exception.* Notwithstanding paragraph (c)(3)(i) of this section, the NCUA Board may continue to take other corrective action in lieu of liquidation if it certifies that the credit union—

(A) Has been in substantial compliance with an approved net worth restoration plan requiring consistent improvement in net worth since the date the net worth restoration plan was approved;

(B) Has positive net income or has an upward trend in earnings that the NCUA Board projects as sustainable; and

(C) Is viable and not expected to fail.

(iii) *Review of exception.* The NCUA Board shall, at least quarterly, review the certification of an exception to liquidation under paragraph (c)(3)(ii) of this section and shall either—

(A) Recertify the credit union if it continues to satisfy the criteria of paragraph (c)(3)(ii) of this section; or

(B) Promptly place the credit union into liquidation, pursuant to 12 U.S.C. 1787(a)(3)(A)(ii), if it fails to satisfy the criteria of paragraph (c)(3)(ii) of this section.

(4) *Nondelegation.* The NCUA Board may not delegate its authority under paragraph (c) of this section, unless the credit union has less than \$5,000,000 in total assets. A credit union shall have a right of direct appeal to the NCUA Board of any decision made by delegated authority under this section within ten (10) calendar days of the date of that decision.

(d) *Mandatory liquidation of insolvent federal credit union.* In lieu of paragraph (c) of this section, a “critically undercapitalized” federal credit union that has a net worth ratio of less than zero percent (0%) may be placed into liquidation on grounds of insolvency pursuant to 12 U.S.C. 1787(a)(1)(A).

§ 702.205 Consultation with State officials on proposed prompt corrective action.

(a) *Consultation on proposed conservatorship or liquidation.* Before placing a federally-insured State-chartered credit union into conservatorship (pursuant to 12 U.S.C. 1786(h)(1)(F) or (G)) or liquidation (pursuant to 12 U.S.C. 1787(a)(3)) as permitted or required under subparts B or C of this part to facilitate prompt corrective action—

(1) The NCUA Board shall seek the views of the appropriate State official (as defined in § 702.2(b), and give him or her an opportunity to take the proposed action;

(2) The NCUA Board shall, upon timely request of the appropriate State official, promptly provide him or her with a written statement of the reasons for the proposed conservatorship or liquidation, and reasonable time to respond to that statement; and

(3) If the appropriate State official makes a timely written response that disagrees with the proposed conservatorship or liquidation and gives reasons for that disagreement, the NCUA Board shall not place the credit

union into conservatorship or liquidation unless it first considers the views of the appropriate State official and determines that—

(i) The NCUSIF faces a significant risk of loss if the credit union is not placed into conservatorship or liquidation; and

(ii) Conservatorship or liquidation is necessary either to reduce the risk of loss, or to reduce the expected loss, to the NCUSIF with respect to the credit union.

(b) *Nondelegation.* The NCUA Board may not delegate any determination under paragraph (a)(3) of this section.

(c) *Consultation on proposed discretionary action.* The NCUA Board shall consult and seek to work cooperatively with the appropriate State official before taking any discretionary supervisory action under §§ 702.202(b), 702.203(b), 702.204(b), 702.304(b) and 702.305(b) with respect to a federally-insured State-chartered credit union; shall provide prompt notice of its decision to the appropriate State official; and shall allow the appropriate State official to take the proposed action independently or jointly with NCUA.

[65 FR 8584, Feb. 18, 2000, as amended at 67 FR 71092, Nov. 29, 2002]

§ 702.206 Net worth restoration plans.

(a) *Schedule for filing*—(1) *Generally.* A federally-insured credit union shall file a written net worth restoration plan (NWRP) with the appropriate Regional Director and, if State-chartered, the appropriate State official, within 45 calendar days of the effective date of classification as either “undercapitalized,” “significantly undercapitalized” or “critically undercapitalized,” unless the NCUA Board notifies the credit union in writing that its NWRP is to be filed within a different period.

(2) *Exception.* An otherwise “adequately capitalized” credit union that is reclassified “undercapitalized” on safety and soundness grounds under § 702.102(b) is not required to submit a NWRP solely due to the reclassification, unless the NCUA Board notifies the credit union that it must submit an NWRP.

(3) *Filing of additional plan.* Notwithstanding paragraph (a)(1) of this section, a credit union that has already

submitted and is operating under a NWRP approved under this section is not required to submit an additional NWRP due to a change in net worth category (including by reclassification under § 702.102(b)), unless the NCUA Board notifies the credit union that it must submit a new NWRP. A credit union that is notified to submit a new or revised NWRP shall file the NWRP in writing with the appropriate Regional Director within 30 calendar days of receiving such notice, unless the NCUA Board notifies the credit union in writing that the NWRP is to be filed within a different period.

(4) *Failure to timely file plan.* When a credit union fails to timely file an NWRP pursuant to this paragraph, the NCUA Board shall promptly notify the credit union that it has failed to file an NWRP and that it has 15 calendar days from receipt of that notice within which to file an NWRP.

(b) *Assistance to small credit unions.* Upon timely request by a credit union having total assets of less than \$10 million (regardless how long it has been in operation), the NCUA Board shall provide assistance in preparing an NWRP required to be filed under paragraph (a) of this section.

(c) *Contents of NWRP.* An NWRP must—

(1) Specify—

(i) A quarterly timetable of steps the credit union will take to increase its net worth ratio so that it becomes “adequately capitalized” by the end of the term of the NWRP, and to remain so for four (4) consecutive calendar quarters. If “complex,” the credit union is subject to a risk-based net worth requirement that may require a net worth ratio higher than six percent (6%) to become “adequately capitalized”;

(ii) The projected amount of earnings to be transferred to the regular reserve account in each quarter of the term of the NWRP as required under § 702.201(a), or as permitted under § 702.201(b);

(iii) How the credit union will comply with the mandatory and any discretionary supervisory actions imposed on it by the NCUA Board under this subpart;

(iv) The types and levels of activities in which the credit union will engage; and

(v) If reclassified to a lower category under § 702.102(b), the steps the credit union will take to correct the unsafe or unsound practice(s) or condition(s);

(2) Include pro forma financial statements, including any off-balance sheet items, covering a minimum of the next two years; and

(3) Contain such other information as the NCUA Board has required.

(d) *Criteria for approval of NWRP.* The NCUA Board shall not accept a NWRP plan unless it—

(1) Complies with paragraph (c) of this section;

(2) Is based on realistic assumptions, and is likely to succeed in restoring the credit union's net worth; and (3) Would not unreasonably increase the credit union's exposure to risk (including credit risk, interest-rate risk, and other types of risk).

(e) *Consideration of regulatory capital.* To minimize possible long-term losses to the NCUSIF while the credit union takes steps to become "adequately capitalized," the NCUA Board shall, in evaluating an NWRP under this section, consider the type and amount of any form of regulatory capital which may become established by NCUA regulation, or authorized by State law and recognized by NCUA, which the credit union holds, but which is not included in its net worth.

(f) *Review of NWRP—(1) Notice of decision.* Within 45 calendar days after receiving an NWRP under this part, the NCUA Board shall notify the credit union in writing whether the NWRP has been approved, and shall provide reasons for its decision in the event of disapproval.

(2) *Delayed decision.* If no decision is made within the time prescribed in paragraph (f)(1) of this section, the NWRP is deemed approved.

(3) *Consultation with State officials.* In the case of an NWRP submitted by a federally-insured State-chartered credit union (whether an original, new, additional, revised or amended NWRP), the NCUA Board shall, when evaluating the NWRP, seek and consider the views of the appropriate State official,

and provide prompt notice of its decision to the appropriate State official.

(g) *NWRP not approved (1) Submission of revised NWRP.* If an NWRP is rejected by the NCUA Board, the credit union shall submit a revised NWRP within 30 calendar days of receiving notice of disapproval, unless it is notified in writing by the NCUA Board that the revised NWRP is to be filed within a different period.

(2) *Notice of decision on revised NWRP.* Within 30 calendar days after receiving a revised NWRP under paragraph (g)(1) of this section, the NCUA Board shall notify the credit union in writing whether the revised NWRP is approved. The Board may extend the time within which notice of its decision shall be provided.

(3) *Disapproval of reclassified credit union's NWRP.* A credit union which has been classified "significantly undercapitalized" under § 702.102(a)(4)(ii) shall remain so classified pending NCUA Board approval of a new or revised NWRP.

(h) *Amendment of NWRP.* A credit union that is operating under an approved NWRP may, after prior written notice to, and approval by the NCUA Board, amend its NWRP to reflect a change in circumstance. Pending approval of an amended NWRP, the credit union shall implement the NWRP as originally approved.

(i) *Publication.* An NWRP need not be published to be enforceable because publication would be contrary to the public interest.

Subpart C—Alternative Prompt Corrective Action for New Credit Unions

§ 702.301 Scope and definition.

(a) *Scope.* This subpart C applies in lieu of subpart B of this part exclusively to credit unions defined in paragraph (b) of this section as "new" pursuant to 12 U.S.C. 1790d(b)(2).

(b) *New credit union defined.* A "new" credit union for purposes of this subpart is a federally-insured credit union that both has been in operation for less than ten (10) years and has total assets

§ 702.302

12 CFR Ch. VII (1–1–10 Edition)

of not more than \$10 million. A credit union which exceeds \$10 million in total assets may become “new” if its total assets subsequently decline below \$10 million while it is still in operation for less than 10 years.

(c) *Effect of spin-offs.* A credit union formed as the result of a “spin-off” of a group from the field of membership of an existing credit union is deemed to be in operation since the effective date of the “spin-off.” A credit union whose total assets decline below \$10 million because a group within its field of membership has been “spun-off” is deemed “new” if it has been in operation less than 10 years.

(d) *Actions to evade prompt corrective action.* If the NCUA Board determines that a credit union was formed, or was reduced in asset size as a result of a “spin-off,” or was merged, primarily to qualify as “new” under this subpart, the credit union shall be deemed subject to prompt corrective action under subpart A of this part.

§ 702.302 Net worth categories for new credit unions.

(a) *Net worth measures.* For purposes of this part, a new credit union must determine its net worth category classification quarterly according to its net worth ratio as defined in § 702.2(g).

(b) *Effective date of net worth classification of new credit union.* For pur-

poses of subpart C, the effective date of a new federally-insured credit union’s classification within a net worth category in paragraph (c) of this section shall be determined as provided in § 702.101(b); and written notice to the NCUA Board of a decline in net worth category in paragraph (c) of this section shall be given as required by section 702.101(c).

(c) *Net worth categories.* A federally-insured credit union defined as “new” under this section shall be classified (Table 6)—

(1) *Well capitalized* if it has a net worth ratio of seven percent (7%) or greater;

(2) *Adequately capitalized* if it has a net worth ratio of six percent (6%) or more but less than seven percent (7%);

(3) *Moderately capitalized* if it has a net worth ratio of three and one-half percent (3.5%) or more but less than six percent (6%);

(4) *Marginally capitalized* if it has a net worth ratio of two percent (2%) or more but less than three and one-half percent (3.5%);

(5) *Minimally capitalized* if it has a net worth ratio of zero percent (0%) or greater but less than two percent (2%); and

(6) *Uncapitalized* if it has a net worth ratio of less than zero percent (0%) (e.g., a deficit in retained earnings).

TABLE 6 -- NET WORTH CATEGORY CLASSIFICATION FOR “NEW” CREDIT UNIONS

A “new” credit union’s net worth category is . . .	if its net worth ratio is . . .
“Well Capitalized”	7% or above
“Adequately Capitalized”	6% to 6.99%
“Moderately Capitalized”	3.5% to 5.99%
“Marginally Capitalized”	2% to 3.49%
“Minimally Capitalized”	0% to 1.99%
“Uncapitalized”	Less than 0%

(d) *Reclassification based on supervisory criteria other than net worth.* Subject to § 702.102(b) and (c), the NCUA Board may reclassify a “well capitalized,” “adequately capitalized” or “moderately capitalized” new credit union to the next lower net worth cat-

egory (each of such actions is herein-after referred to generally as “reclassification”) in either of the circumstances prescribed in § 702.102(b).

(e) *Consultation with State officials.* The NCUA Board shall consult and seek to work cooperatively with the

appropriate State official before reclassifying a federally-insured State-chartered credit union under paragraph (d) of this section, and shall promptly notify the appropriate State official of its decision to reclassify.

[65 FR 8584, Feb. 18, 2000, as amended at 65 FR 44974, July 20, 2000; 65 FR 55439, Sept. 14, 2000; 67 FR 71092, Nov. 29, 2002]

§ 702.303 Prompt corrective action for “adequately capitalized” new credit unions.

Beginning on the effective date of classification, an “adequately capitalized” new credit union must increase the dollar amount of its net worth by the amount reflected in its approved initial or revised business plan in accordance with § 702.304(a)(2), or in the absence of such a plan, in accordance with § 702.201, and quarterly transfer that amount from undivided earnings to its regular reserve account, until it is “well capitalized.”

[67 FR 71092, Nov. 29, 2002]

§ 702.304 Prompt corrective action for “moderately capitalized,” “marginally capitalized” or “minimally capitalized” new credit unions.

(a) *Mandatory supervisory actions by new credit union.* Beginning on the date of classification as “moderately capitalized,” “marginally capitalized” or “minimally capitalized” (including by reclassification under § 702.302(d)), a new credit union must—

(1) *Earnings retention.* Increase the dollar amount of its net worth by the amount reflected in its approved initial or revised business plan and quarterly transfer that amount from undivided earnings to its regular reserve account;

(2) *Submit revised business plan.* Submit a revised business plan within the time provided by § 702.306 if the credit union either:

(i) Has not increased its net worth ratio consistent with its then-present approved business plan;

(ii) Has no then-present approved business plan; or

(iii) Has failed to comply with paragraph (a)(3) of this section; and

(3) *Restrict member business loans.* Not increase the total dollar amount of member business loans (defined as loans outstanding and unused commit-

ments to lend) as of the preceding quarter-end unless it is granted an exception under 12 U.S.C. 1757a(b).

(b) *Discretionary supervisory actions by NCUA.* Subject to the applicable procedures set forth in subpart L of part 747 of this chapter for issuing, reviewing and enforcing directives, the NCUA Board may, by directive, take one or more of the actions prescribed in § 702.204(b) if the credit union’s net worth ratio has not increased consistent with its then-present business plan, or the credit union has failed to undertake any mandatory supervisory action prescribed in paragraph (a) of this section.

(c) *Discretionary conservatorship or liquidation.* Notwithstanding any other actions required or permitted to be taken under this section, the NCUA Board may place a new credit union which is “moderately capitalized,” “marginally capitalized” or “minimally capitalized” (including by reclassification under § 702.302(d)) into conservatorship pursuant to 12 U.S.C. 1786(h)(1)(F), or into liquidation pursuant to 12 U.S.C. 1787(a)(3)(A)(i), provided that the credit union has no reasonable prospect of becoming “adequately capitalized.”

§ 702.305 Prompt corrective action for “uncapitalized” new credit unions.

(a) *Mandatory supervisory actions by new credit union.* Beginning on the effective date of classification as “uncapitalized,” a new credit union must—

(1) *Earnings retention.* Increase the dollar amount of its net worth by the amount reflected in the credit union’s approved initial or revised business plan;

(2) *Submit revised business plan.* Submit a revised business plan within the time provided by § 702.306, providing for alternative means of funding the credit union’s earnings deficit, if the credit union either:

(i) Has not increased its net worth ratio consistent with its then-present approved business plan;

(ii) Has no then-present approved business plan; or

(iii) Has failed to comply with paragraph (a)(3) of this section; and

(3) *Restrict member business loans.* Not increase the total dollar amount of member business loans as provided in § 702.304(a)(3).

(b) *Discretionary supervisory actions by NCUA.* Subject to the procedures set forth in subpart L of part 747 of this chapter for issuing, reviewing and enforcing directives, the NCUA Board may, by directive, take one or more of the actions prescribed in § 702.204(b) if the credit union's net worth ratio has not increased consistent with its then-present business plan, or the credit union has failed to undertake any mandatory supervisory action prescribed in paragraph (a) of this section.

(c) *Mandatory liquidation or conservatorship.* Notwithstanding any other actions required or permitted to be taken under this section, the NCUA Board—

(1) *Plan not submitted.* May place into liquidation pursuant to 12 U.S.C. 1787(a)(3)(A)(ii), or conservatorship pursuant to 12 U.S.C. 1786(h)(1)(F), an “uncapitalized” new credit union which fails to submit a revised business plan within the time provided under paragraph (a)(2) of this section; or

(2) *Plan rejected, approved, implemented.* Except as provided in paragraph (c)(3) of this section, must place into liquidation pursuant to 12 U.S.C. 1787(a)(3)(A)(ii), or conservatorship pursuant to 12 U.S.C. 1786(h)(1)(F), an “uncapitalized” new credit union that remains “uncapitalized” one hundred twenty (120) calendar days after the later of:

(i) The effective date of classification as “uncapitalized”; or

(ii) The last day of the calendar month following expiration of the time period provided in the credit union's initial business plan (approved at the time its charter was granted) to remain “uncapitalized,” regardless whether a revised business plan was rejected, approved or implemented.

(3) *Exception.* The NCUA Board may decline to place a new credit union into liquidation or conservatorship as provided in paragraph (c)(2) of this section if the credit union documents to the NCUA Board why it is viable and has a

reasonable prospect of becoming “adequately capitalized.”

(d) *Mandatory liquidation of “uncapitalized” federal credit union.* In lieu of paragraph (c) of this section, an “uncapitalized” federal credit union may be placed into liquidation on grounds of insolvency pursuant to 12 U.S.C. 1787(a)(1)(A).

§ 702.306 Revised business plans for new credit unions.

(a) *Schedule for filing—(1) Generally.* Except as provided in paragraph (a)(2) of this section, a new credit union classified “moderately capitalized” or lower must file a written revised business plan (RBP) with the appropriate Regional Director and, if State-chartered, with the appropriate State official, within 30 calendar days of either:

(i) The last of the calendar month following the end of the calendar quarter that the credit union's net worth ratio has not increased consistent with its the-present approved business plan;

(ii) The effective date of classification as less than “adequately capitalized” if the credit union has no then-present approved business plan; or

(iii) The effective date of classification as less than “adequately capitalized” if the credit union has increased the total amount of member business loans in violation of § 702.304(a)(3).

(2) *Exception.* The NCUA Board may notify the credit union in writing that its RBP is to be filed within a different period or that it is not necessary to file an RBP.

(3) *Failure to timely file plan.* When a new credit union fails to file an RBP as provided under paragraphs (a)(1) or (a)(2) of this section, the NCUA Board shall promptly notify the credit union that it has failed to file an RBP and that it has 15 calendar days from receipt of that notice within which to do so.

(b) *Contents of revised business plan.* A new credit union's RBP must, at a minimum—

(1) Address changes, since the new credit union's current business plan was approved, in any of the business plan elements required for charter approval under Chapter 1, section IV.D. of

NCUA's *Chartering and Field of Membership Manual* (IRPS 99-1), 63 FR 71998, 72019 (Dec. 30, 1998), or its successor(s), or for State-chartered credit unions under applicable State law;

(2) Establish a timetable of quarterly targets for net worth during each year in which the RBP is in effect so that the credit union becomes "adequately capitalized" by the time it no longer qualifies as "new" per § 702.301(b);

(3) Specify the projected amount of earnings to be transferred quarterly to its regular reserve as provided under § 702.304(a)(1) or 702.305(a)(1);

(4) Explain how the new credit union will comply with the mandatory and discretionary supervisory actions imposed on it by the NCUA Board under this subpart;

(5) Specify the types and levels of activities in which the new credit union will engage;

(6) In the case of a new credit union reclassified to a lower category under § 702.302(d), specify the steps the credit union will take to correct the unsafe or unsound condition or practice; and

(7) Include such other information as the NCUA Board may require.

(c) *Criteria for approval.* The NCUA Board shall not approve a new credit union's RBP unless it—

(1) Addresses the items enumerated in paragraph (b) of this section;

(2) Is based on realistic assumptions, and is likely to succeed in building the credit union's net worth; and

(3) Would not unreasonably increase the credit union's exposure to risk (including credit risk, interest-rate risk, and other types of risk).

(d) *Consideration of regulatory capital.* To minimize possible long-term losses to the NCUSIF while the credit union takes steps to become "adequately capitalized," the NCUA Board shall, in evaluating an RBP under this section, consider the type and amount of any form of regulatory capital which may become established by NCUA regulation, or authorized by State law and recognized by NCUA, which the credit union holds, but which is not included in its net worth.

(e) *Review of revised business plan—*(1) *Notice of decision.* Within 30 calendar days after receiving an RBP under this section, the NCUA Board shall notify

the credit union in writing whether its RBP is approved, and shall provide reasons for its decision in the event of disapproval. The NCUA Board may extend the time within which notice of its decision shall be provided.

(2) *Delayed decision.* If no decision is made within the time prescribed in paragraph (e)(1) of this section, the RBP is deemed approved.

(3) *Consultation with State officials.* When evaluating an RBP submitted by a federally-insured State-chartered new credit union (whether an original, new or additional RBP), the NCUA Board shall seek and consider the views of the appropriate State official, and provide prompt notice of its decision to the appropriate State official.

(f) *Plan not approved—*(1) *Submission of new revised plan.* If an RBP is rejected by the NCUA Board, the new credit union shall submit a new RBP within 30 calendar days of receiving notice of disapproval of its initial RBP, unless it is notified in writing by the NCUA Board that the new RBP is to be filed within a different period.

(2) *Notice of decision on revised plan.* Within 30 calendar days after receiving an RBP under paragraph (f)(1) of this section, the NCUA Board shall notify the credit union in writing whether the new RBP is approved. The Board may extend the time within which notice of its decision shall be provided.

(g) *Amendment of plan.* A credit union that has filed an approved RBP may, after prior written notice to and approval by the NCUA Board, amend it to reflect a change in circumstance. Pending approval of an amended RBP, the new credit union shall implement its existing RBP as originally approved.

(h) *Publication.* An RBP need not be published to be enforceable because publication would be contrary to the public interest.

§ 702.307 Incentives for new credit unions.

(a) *Assistance in revising business plans.* Upon timely request by a credit union having total assets of less than \$10 million (regardless how long it has been in operation), the NCUA Board shall provide assistance in preparing a

§ 702.401

revised business plan required to be filed under § 702.306.

(b) *Assistance.* Management training and other assistance to new credit unions will be provided in accordance with policies approved by the NCUA Board.

(c) *Small credit union program.* A new credit union is eligible to join and receive comprehensive benefits and assistance under NCUA's Small Credit Union Program.

Subpart D—Reserves

§ 702.401 Reserves.

(a) *Special reserve.* Each federally-insured credit union shall establish and maintain such reserves as may be required by the FCUA, by state law, by regulation, or in special cases by the NCUA Board or appropriate State official.

(b) *Regular reserve.* Each federally-insured credit union shall establish and maintain a regular reserve account for the purpose of absorbing losses that exceed undivided earnings and other appropriations of undivided earnings, subject to paragraph (c) of this section. Earnings required to be transferred annually to a credit union's regular reserve under subparts B or C of this part shall be held in this account.

(c) *Charges to regular reserve after depleting undivided earnings.* The board of directors of a federally-insured credit union may authorize losses to be charged to the regular reserve after first depleting the balance of the undivided earnings account and other reserves, provided that the authorization states the amount and provides an explanation of the need for the charge, and either—

(1) The charge will not cause the credit union's net worth classification to fall below "adequately capitalized" under subparts B or C of this part; or

(2) If the charge will cause the net worth classification to fall below "adequately capitalized," the appropriate Regional Director and, if State-chartered, the appropriate State official, have given written approval (in an NWRP or otherwise) for the charge.

(d) *Transfers to regular reserve.* The transfer of earnings to a federally-insured credit union's regular reserve ac-

count when required under subparts B or C of this part must occur after charges for loan or other losses are addressed as provided in paragraph (c) of this section and § 702.402(d), but before payment of any dividends to members.

§ 702.402 Full and fair disclosure of financial condition.

(a) *Full and fair disclosure defined.* "Full and fair disclosure" is the level of disclosure which a prudent person would provide to a member of a federally-insured credit union, to NCUA, or, at the discretion of the board of directors, to creditors to fairly inform them of the financial condition and the results of operations of the credit union.

(b) *Full and fair disclosure implemented.* The financial statements of a federally-insured credit union shall provide for full and fair disclosure of all assets, liabilities, and members' equity, including such valuation (allowance) accounts as may be necessary to present fairly the financial condition; and all income and expenses necessary to present fairly the statement of income for the reporting period.

(c) *Declaration of officials.* The Statement of Financial Condition, when presented to members, to creditors or to the NCUA, shall contain a dual declaration by the treasurer and the chief executive officer, or in the latter's absence, by any other officer designated by the board of directors of the reporting credit union to make such declaration, that the report and related financial statements are true and correct to the best of their knowledge and belief and present fairly the financial condition and the statement of income for the period covered.

(d) *Charges for loan losses.* Full and fair disclosure demands that a credit union properly address charges for loan losses as follows:

(1) Charges for loan losses shall be made in accordance with generally accepted accounting principles (GAAP);

(2) The allowance for loan and lease losses (ALL) established for loans must fairly present the probable losses for all categories of loans and the proper valuation of loans. The valuation allowance must encompass specifically

§ 703.1

identified loans, as well as estimated losses inherent in the loan portfolio, such as loans and pools of loans for which losses have been incurred but are not identifiable on a specific loan-by-loan basis;

(3) Adjustments to the valuation ALL will be recorded in the expense account "Provision for Loan and Lease Losses";

(4) The maintenance of an ALL shall not affect the requirement to transfer earnings to a credit union's regular reserve when required under subparts B or C of this part; and

(5) At a minimum, adjustments to the ALL shall be made prior to the distribution or posting of any dividend to the accounts of members.

§ 702.403 Payment of dividends.

(a) *Restriction on dividends.* Dividends shall be available only from undivided earnings, if any.

(b) *Payment of dividends if undivided earnings depleted.* The board of directors of a "well capitalized" federally-insured credit union that has depleted the balance of its undivided earnings account may authorize a transfer of funds from the credit union's regular reserve account to undivided earnings to pay dividends, provided that either—

(1) The payment of dividends will not cause the credit union's net worth classification to fall below "adequately capitalized" under subpart B or C of this part; or

(2) If the payment of dividends will cause the net worth classification to fall below "adequately capitalized," the appropriate Regional Director and, if State-chartered, the appropriate State official, have given prior written approval (in an NWRP or otherwise) to pay a dividend.

§ 703.2 Definitions.

The following definitions apply to this part:

Adjusted trading means selling an investment to a counterparty at a price above its current fair value and simultaneously purchasing or committing to purchase from the counterparty another investment at a price above its current fair value.

Associated personnel means a person engaged in the investment banking or securities business who is directly or indirectly controlled by a National Association of Securities Dealers (NASD) member, whether or not this person is registered or exempt from registration with NASD. Associated personnel includes every sole proprietor, partner, officer, director, or branch manager of any NASD member.

Banker's acceptance means a time draft that is drawn on and accepted by a bank and that represents an irrevocable obligation of the bank.

Bank note means a direct, unconditional, and unsecured general obligation of a bank that ranks equally with all other senior unsecured indebtedness of the bank, except deposit liabilities and other obligations that are subject to any priorities or preferences.

Borrowing repurchase transaction means a transaction in which the Federal credit union agrees to sell a security to a counterparty and to repurchase the same or an identical security from that counterparty at a specified future date and at a specified price.

Call means an option that gives the holder the right to buy a specified quantity of a security at a specified price during a fixed time period.

Collateralized Mortgage Obligation (CMO) means a multi-class mortgage related security.

Collective investment fund means a fund maintained by a national bank

under 12 CFR part 9 (Comptroller of the Currency's regulations).

Commercial mortgage related security means a mortgage related security, as defined below, except that it is collateralized entirely by commercial real estate, such as a warehouse or office building, or a multi-family dwelling consisting of more than four units.

Counterparty means the party on the other side of the transaction.

Custodial Agreement means a contract in which one party agrees to hold securities in safekeeping for others.

Delivery versus payment means payment for an investment must occur simultaneously with its delivery.

Deposit note means an obligation of a bank that is similar to a certificate of deposit but is rated.

Derivatives means any derivative instrument as defined under generally accepted accounting principles (GAAP).

Embedded option means a characteristic of an investment that gives the issuer or holder the right to alter the level and timing of the cash flows of the investment. Embedded options include call and put provisions and interest rate caps and floors. Since a prepayment option in a mortgage is a type of call provision, a mortgage-backed security composed of mortgages that may be prepaid is an example of an investment with an embedded option.

Eurodollar deposit means a U.S. dollar-denominated deposit in a foreign branch of a United States depository institution.

European financial options contract means an option that can be exercised only on its expiration date.

Exchangeable Collateralized Mortgage Obligation means a class of a collateralized mortgage obligation (CMO) that, at the time of purchase, represents beneficial ownership interests in a combination of two or more underlying classes of the same CMO structure. The holder of an exchangeable CMO may pay a fee and take delivery of the underlying classes of the CMO.

Fair value means the amount at which an instrument could be exchanged in a current, arms-length transaction between willing parties, as opposed to a forced or liquidation sale.

Industry-recognized information provider means an organization that obtains compensation by providing information to investors and receives no compensation for the purchase or sale of investments.

Investment means any security, obligation, account, deposit, or other item authorized for purchase by a Federal credit union under Sections 107(7), 107(8), or 107(15) of the Act, or this part, other than loans to members.

Investment repurchase transaction means a transaction in which an investor agrees to purchase a security from a counterparty and to resell the same or an identical security to that counterparty at a specified future date and at a specified price.

Maturity means the date the last principal amount of a security is scheduled to come due and does not mean the call date or the weighted average life of a security.

Mortgage related security means a security as defined in Section 3(a)(41) of the Securities Exchange Act of 1934 (15 U.S.C. 78c(a)(41)), *e.g.*, a privately-issued security backed by first lien mortgages secured by real estate upon which is located a dwelling, mixed residential and commercial structure, residential manufactured home, or commercial structure, that is rated in one of the two highest rating categories by at least one nationally-recognized statistical rating organization.

Mortgage servicing rights means a contractual obligation to perform mortgage servicing and the right to receive compensation for performing those services. Mortgage servicing is the administration of a mortgage loan, including collecting monthly payments

and fees, providing recordkeeping and escrow functions, and, if necessary curing defaults and foreclosing.

Negotiable instrument means an instrument that may be freely transferred from the purchaser to another person or entity by delivery, or endorsement and delivery, with full legal title becoming vested in the transferee.

Net worth means the retained earnings balance of the credit union at quarter end as determined under generally accepted accounting principles and as further defined in §702.2(f) of this chapter.

Registered investment company means an investment company that is registered with the Securities and Exchange Commission under the Investment Company Act of 1940 (15 U.S.C. 80a). Examples of registered investment companies are mutual funds and unit investment trusts.

Regular way settlement means delivery of a security from a seller to a buyer within the time frame that the securities industry has established for immediate delivery of that type of security. For example, regular way settlement of a Treasury security includes settlement on the trade date (cash), the business day following the trade date (regular way), and the second business day following the trade date (skip day).

Residual interest means the remainder cash flows from collateralized mortgage obligations/real estate mortgage

Senior management employee means a Federal credit union's chief executive officer (typically this individual holds the title of President or Treasurer/Manager), an assistant chief executive officer, and the chief financial officer.

Small business related security means a security as defined in Section 3(a)(53) of the Securities Exchange Act of 1934 (15 U.S.C. 78c(a)(53), e.g., a security that is rated in 1 of the 4 highest rating categories by at least one nationally recognized statistical rating organization, and represents an interest in one or more promissory notes or leases of personal property evidencing the obligation of a small business concern and originated by an insured depository institution, insured credit union, insurance company, or similar institution which is supervised and examined by a Federal or State authority, or a finance company or leasing company. This definition does not include Small Business Administration securities permissible under § 107(7) of the Act.

Weighted average life means the weighted-average time to the return of a dollar of principal, calculated by multiplying each portion of principal

received by the time at which it is expected to be received (based on a reasonable and supportable estimate of that time) and then summing and dividing by the total amount of principal.

Zero coupon investment means an investment that makes no periodic interest payments but instead is sold at a discount from its face value. The holder of a zero coupon investment realizes the rate of return through the gradual appreciation of the investment, which is redeemed at face value on a specified maturity date.

criteria for their selection, and limits on the amounts that may be invested with each;

(f) How the Federal credit union will manage concentration risk, which can result from dealing with a single or related issuers, lack of geographic distribution, holding obligations with similar characteristics like maturities and indexes, holding bonds having the same trustee, and holding securitized loans having the same originator, packager, or guarantor;

(g) Who has investment authority and the extent of that authority. Those with authority must be qualified by education or experience to assess the risk characteristics of investments and investment transactions. Only officials or employees of the Federal credit union may be voting members of an investment-related committee;

(h) The broker-dealers the Federal credit union may use;

(i) The safekeepers the Federal credit union may use;

(j) How the Federal credit union will handle an investment that, after purchase, is outside of board policy or fails a requirement of this part; and

§ 703.4 Recordkeeping and documentation requirements.

(a) Federal credit unions with assets of \$10,000,000 or greater must comply with all generally accepted accounting principles applicable to reports or statements required to be filed with NCUA. Federal credit unions with assets less than \$10,000,000 are encouraged to do the same, but are not required to do so.

(b) A Federal credit union must maintain documentation for each investment transaction for as long as it holds the investment and until the documentation has been audited in accordance with § 715.4 of this chapter and examined by NCUA. The documentation should include, where applicable, bids and prices at purchase and sale and for periodic updates, relevant disclosure documents or a description of the security from an industry-recognized information provider, financial data, and tests and reports required by the Federal credit union's investment policy and this part.

(c) A Federal credit union must maintain documentation its board of directors used to approve a broker-dealer or a safekeeper for as long as the broker-dealer or safekeeper is approved and until the documentation has been audited in accordance with § 715.4 of this chapter and examined by NCUA.

(d) A Federal credit union must obtain an individual confirmation statement from each broker-dealer for each investment purchased or sold.

[68 FR 32960, June 3, 2003, as amended at 69 FR 27828, May 17, 2004; 72 FR 30246, May 31, 2007]

§ 703.5 Discretionary control over investments and investment advisers.

(a) Except as provided in paragraph (b) of this section, a Federal credit union must retain discretionary control over its purchase and sale of investments. A Federal credit union has not delegated discretionary control to an investment adviser when the Federal credit union reviews all recommendations from investment advisers and is required to authorize a recommended purchase or sale transaction before its execution.

(b)(1) A Federal credit union may delegate discretionary control over the purchase and sale of investments to a person other than a Federal credit union official or employee:

(i) Provided the person is an investment adviser registered with the Securities and Exchange Commission under the Investment Advisers Act of 1940 (15 U.S.C. 80b); and

(ii) In an amount up to 100 percent of its net worth in the aggregate at the time of delegation.

§ 703.6

(2) At least annually, the Federal credit union must adjust the amount of funds held under discretionary control to comply with the 100 percent of net worth cap. The Federal credit union's board of directors must receive notice as soon as possible, but no later than the next regularly scheduled board meeting, of the amount exceeding the net worth cap and notify in writing the appropriate regional director within 5 days after the board meeting. The credit union must develop a plan to comply with the cap within a reasonable period of time.

(3) Before transacting business with an investment adviser, a Federal credit union must analyze his or her background and information available from State or Federal securities regulators, including any enforcement actions against the adviser, associated personnel, and the firm for which the adviser works.

(c) A Federal credit union may not compensate an investment adviser with discretionary control over the purchase and sale of investments on a per transaction basis or based on capital gains, capital appreciation, net income, performance relative to an index, or any other incentive basis.

(d) A Federal credit union must obtain a report from its investment adviser at least monthly that details the investments under the adviser's control and their performance.

§ 703.6 Credit analysis.

A Federal credit union must conduct and document a credit analysis on an investment and the issuing entity before purchasing it, except for investments issued or fully guaranteed as to principal and interest by the U.S. government or its agencies, enterprises, or corporations or fully insured (including accumulated interest) by the National Credit Union Administration or the Federal Deposit Insurance Corporation. A Federal credit union must update this analysis at least annually for as long as it holds the investment.

§ 703.7 Notice of non-compliant investments.

A Federal credit union's board of directors must receive notice as soon as possible, but no later than the next

12 CFR Ch. VII (1–1–10 Edition)

regularly scheduled board meeting, of any investment that either is outside of board policy after purchase or has failed a requirement of this part. The board of directors must document its action regarding the investment in the minutes of the board meeting, including a detailed explanation of any decision not to sell it. The Federal credit union must notify in writing the appropriate regional director of an investment that has failed a requirement of this part within 5 days after the board meeting.

§ 703.8 Broker-dealers.

(a) A Federal credit union may purchase and sell investments through a broker-dealer as long as the broker-dealer is registered as a broker-dealer with the Securities and Exchange Commission under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*) or is a depository institution whose broker-dealer activities are regulated by a Federal or State regulatory agency.

(b) Before purchasing an investment through a broker-dealer, a Federal credit union must analyze and annually update the following:

(1) The background of any sales representative with whom the Federal credit union is doing business;

(2) Information available from State or Federal securities regulators and securities industry self-regulatory organizations, such as the National Association of Securities Dealers and the North American Securities Administrators Association, about any enforcement actions against the broker-dealer, its affiliates, or associated personnel; and

(3) If the broker-dealer is acting as the Federal credit union's counterparty, the ability of the broker-dealer and its subsidiaries or affiliates to fulfill commitments, as evidenced by capital strength, liquidity, and operating results. The Federal credit union should consider current financial data, annual reports, reports of nationally-recognized statistical rating organizations, relevant disclosure documents, and other sources of financial information.

(c) The requirements of paragraph (a) of this section do not apply when the

National Credit Union Administration

§ 703.12

Federal credit union purchases a certificate of deposit or share certificate directly from a bank, credit union, or other depository institution.

[68 FR 32960, June 3, 2003, as amended at 69 FR 39831, July 1, 2004]

§ 703.9 Safekeeping of investments.

(a) A Federal credit union's purchased investments and repurchase collateral must be in the Federal credit union's possession, recorded as owned by the Federal credit union through the Federal Reserve Book-Entry System, or held by a board-approved safekeeper under a written custodial agreement that requires the safekeeper to exercise, at least, ordinary care.

(b) Any safekeeper used by a Federal credit union must be regulated and supervised by either the Securities and Exchange Commission, a Federal or State depository institution regulatory agency, or a State trust company regulatory agency.

(c) A Federal credit union must obtain and reconcile monthly a statement of purchased investments and repurchase collateral held in safekeeping.

(d) Annually, the Federal credit union must analyze the ability of the safekeeper to fulfill its custodial responsibilities, as evidenced by capital strength, liquidity, and operating results. The Federal credit union should consider current financial data, annual reports, reports of nationally-recognized statistical rating organizations, relevant disclosure documents, and other sources of financial information.

§ 703.10 Monitoring non-security investments.

(a) At least quarterly, a Federal credit union must prepare a written report listing all of its shares and deposits in banks, credit unions, and other depository institutions, that have one or more of the following features:

- (1) Embedded options;
- (2) Remaining maturities greater than 3 years; or
- (3) Coupon formulas that are related to more than one index or are inversely related to, or multiples of, an index.

(b) The requirement of paragraph (a) of this section does not apply to shares and deposits that are securities.

(c) If a Federal credit union does not have an investment-related committee, then each member of its board of directors must receive a copy of the report described in paragraph (a) of this section. If a Federal credit union has an investment-related committee, then each member of the committee must receive a copy of the report, and each member of the board must receive a summary of the information in the report.

§ 703.11 Valuing securities.

(a) Before purchasing or selling a security, a Federal credit union must obtain either price quotations on the security from at least two broker-dealers or a price quotation on the security from an industry-recognized information provider. This requirement to obtain price quotations does not apply to new issues purchased at par or at original issue discount.

(b) At least monthly, a Federal credit union must determine the fair value of each security it holds. It may determine fair value by obtaining a price quotation on the security from an industry-recognized information provider, a broker-dealer, or a safekeeper.

(c) At least annually, the Federal credit union's supervisory committee or its external auditor must independently assess the reliability of monthly price quotations received from a broker-dealer or safekeeper. The Federal credit union's supervisory committee or external auditor must follow generally accepted auditing standards, which require either re-computation or reference to market quotations.

(d) If a Federal credit union is unable to obtain a price quotation required by this section for a particular security, then it may obtain a quotation for a security with substantially similar characteristics.

§ 703.12 Monitoring securities.

(a) At least monthly, a Federal credit union must prepare a written report setting forth, for each security held, the fair value and dollar change since the prior month-end, with summary information for the entire portfolio.

§ 703.13

12 CFR Ch. VII (1–1–10 Edition)

(b) At least quarterly, a Federal credit union must prepare a written report setting forth the sum of the fair values of all fixed and variable rate securities held that have one or more of the following features:

- (1) Embedded options;
- (2) Remaining maturities greater than 3 years; or
- (3) Coupon formulas that are related to more than one index or are inversely related to, or multiples of, an index.

(c) Where the amount calculated in paragraph (b) of this section is greater than a Federal credit union's net worth, the report described in that paragraph must provide a reasonable and supportable estimate of the potential impact, in percentage and dollar terms, of an immediate and sustained parallel shift in market interest rates of plus and minus 300 basis points on:

- (1) The fair value of each security in the Federal credit union's portfolio;
- (2) The fair value of the Federal credit union's portfolio as a whole; and
- (3) The Federal credit union's net worth.

(d) If the Federal credit union does not have an investment-related committee, then each member of its board of directors must receive a copy of the reports described in paragraphs (a) through (c) of this section. If the Federal credit union has an investment-related committee, then each member of the committee must receive copies of the reports, and each member of the board of directors must receive a summary of the information in the reports.

§ 703.13 Permissible investment activities.

(a) *Regular way settlement and delivery versus payment basis.* A Federal credit union may only contract for the purchase or sale of a security as long as the delivery of the security is by regular way settlement and the transaction is accomplished on a delivery versus payment basis.

(b) *Federal funds.* A Federal credit union may sell Federal funds to an institution described in Section 107(8) of the Act and credit unions, as long as the interest or other consideration received from the financial institution is at the market rate for Federal funds transactions.

(c) *Investment repurchase transaction.* A Federal credit union may enter into an investment repurchase transaction so long as:

(1) Any securities the Federal credit union receives are permissible investments for Federal credit unions, the Federal credit union, or its agent, either takes physical possession or control of the repurchase securities or is recorded as owner of them through the Federal Reserve Book Entry Securities Transfer System, the Federal credit union, or its agent, receives a daily assessment of their market value, including accrued interest, and the Federal credit union maintains adequate margins that reflect a risk assessment of the securities and the term of the transaction; and

(2) The Federal credit union has entered into signed contracts with all approved counterparties.

(d) *Borrowing repurchase transaction.* A Federal credit union may enter into a borrowing repurchase transaction so long as:

(1) The transaction meets the requirements of paragraph (c) of this section;

(2) Any cash the Federal credit union receives is subject to the borrowing limit specified in Section 107(9) of the Act, and any investments the Federal credit union purchases with that cash are permissible for Federal credit unions; and

(3) The investments referenced in paragraph (d)(2) of this section mature no later than the maturity of the borrowing repurchase transaction.

(e) *Securities lending transaction.* A Federal credit union may enter into a securities lending transaction so long as:

(1) The Federal credit union receives written confirmation of the loan;

(2) Any collateral the Federal credit union receives is a legal investment for Federal credit unions, the Federal credit union, or its agent, obtains a first priority security interest in the collateral by taking physical possession or control of the collateral, or is recorded as owner of the collateral through the Federal Reserve Book Entry Securities Transfer System; and the Federal credit union, or its agent,

receives a daily assessment of the market value of the collateral, including accrued interest, and maintains adequate margin that reflects a risk assessment of the collateral and the term of the loan;

(3) Any cash the Federal credit union receives is subject to the borrowing limit specified in Section 107(9) of the Act, and any investments the Federal credit union purchases with that cash are permissible for Federal credit unions and mature no later than the maturity of the transaction; and

(4) The Federal credit union has executed a written loan and security agreement with the borrower.

(f)(1) *Trading securities.* A Federal credit union may trade securities, including engaging in when-issued trading and pair-off transactions, so long as the Federal credit union can show that it has sufficient resources, knowledge, systems, and procedures to handle the risks.

(2) A Federal credit union must record any security it purchases or sells for trading purposes at fair value on the trade date. The trade date is the date the Federal credit union commits, orally or in writing, to purchase or sell a security.

(3) At least monthly, the Federal credit union must give its board of directors or investment-related committee a written report listing all purchase and sale transactions of trading securities and the resulting gain or loss on an individual basis.

§ 703.14 Permissible investments.

(a) *Variable rate investment.* A Federal credit union may invest in a variable rate investment, as long as the index is tied to domestic interest rates and not, for example, to foreign currencies, foreign interest rates, or domestic or foreign commodity prices, equity prices, or inflation rates. For purposes of this part, the U.S. dollar-denominated London Interbank Offered Rate (LIBOR) is a domestic interest rate.

(b) *Corporate credit union shares or deposits.* A Federal credit union may purchase shares or deposits in a corporate credit union, except where the NCUA Board has notified it that the corporate credit union is not operating in compliance with part 704 of this chap-

ter. A Federal credit union's aggregate amount of paid-in capital and membership capital, as defined in part 704 of this chapter, in one corporate credit union is limited to two percent of its assets measured at the time of investment or adjustment. A Federal credit union's aggregate amount of paid-in capital and membership capital in all corporate credit unions is limited to four percent of its assets measured at the time of investment or adjustment.

(c) *Registered investment company.* A Federal credit union may invest in a registered investment company or collective investment fund, as long as the prospectus of the company or fund restricts the investment portfolio to investments and investment transactions that are permissible for Federal credit unions.

(d) *Collateralized mortgage obligation/real estate mortgage investment conduit.* A Federal credit union may invest in a fixed or variable rate collateralized mortgage obligation/real estate mortgage investment conduit.

(e) *Municipal security.* A Federal credit union may purchase and hold a municipal security, as defined in Section 107(7)(K) of the Act, only if a nationally-recognized statistical rating organization has rated it in one of the four highest rating categories.

(f) *Instruments issued by institutions described in Section 107(8) of the Act.* A Federal credit union may invest in the following instruments issued by an institution described in Section 107(8) of the Act:

- (1) Yankee dollar deposits;
- (2) Eurodollar deposits;
- (3) Banker's acceptances;
- (4) Deposit notes; and
- (5) Bank notes with original weighted average maturities of less than 5 years.

(g) *European financial options contract.* A Federal credit union may purchase a European financial options contract or a series of European financial options contracts only to fund the payment of dividends on member share certificates where the dividend rate is tied to an equity index provided:

- (1) The option and dividend rate are based on a domestic equity index;
- (2) Proceeds from the options are used only to fund dividends on the equity-linked share certificates;

§ 703.15

(3) Dividends on the share certificates are derived solely from the change in the domestic equity index over a specified period;

(4) The options' expiration dates are no later than the maturity date of the share certificate.

(5) The certificate may be redeemed prior to the maturity date only upon the member's death or termination of the corresponding option;

(6) The total costs associated with the purchase of the option is known by the Federal credit union prior to effecting the transaction;

(7) The options are purchased at the same time the certificate is issued to the member.

(8) The counterparty to the transaction is a domestic counterparty and has been approved by the Federal credit union's board of directors;

(9) The counterparty to the transaction:

(i) Has a long-term, senior, unsecured debt rating from a nationally-recognized statistical rating organization of AA- (or equivalent) or better at the time of the transaction, and the contract between the counterparty and the Federal credit union specifies that if the long-term, senior, unsecured debt rating declines below AA- (or equivalent) then the counterparty agrees to post collateral with an independent party in an amount fully securing the value of the option; or

(ii) Posts collateral with an independent party in an amount fully securing the value of the option if the counterparty does not have a long-term, senior unsecured debt rating from a nationally-recognized statistical rating organization.

(10) Any collateral posted by the counterparty is a permissible investment for Federal credit unions and is valued daily by an independent third party along with the value of the option;

(11) The aggregate amount of equity-linked member share certificates does not exceed the credit union's net worth;

(12) The terms of the share certificate include a guarantee that there can be no loss of principal to the member regardless of changes in the value of the

12 CFR Ch. VII (1-1-10 Edition)

option unless the certificate is redeemed prior to maturity; and

(13) The Federal credit union provides its board of directors with a monthly report detailing at a minimum:

(i) The dollar amount of outstanding equity-linked share certificates;

(ii) Their maturities; and

(iii) The fair value of the options as determined by an independent third party.

(h) *Mortgage note repurchase transactions.* A federal credit union may invest in securities that are offered and sold pursuant to section 4(5) of the Securities Act of 1933, 15 U.S.C. 77d(5), only as a part of an investment repurchase agreement under § 703.13(c), subject to the following conditions:

(1) The aggregate of the investments with any one counterparty is limited to 25 percent of the credit union's net worth and 100 percent of its net worth with all counterparties;

(2) At the time a federal credit union purchases the securities, the counterparty, or a party fully guaranteeing the transaction, must have outstanding debt with a long-term rating no lower than A- or its equivalent and outstanding debt with a short-term rating, if any, no lower than A-1 or its equivalent;

(3) The federal credit union must obtain a daily assessment of the market value of the securities under § 703.13(c)(1) using an independent qualified agent;

(4) The mortgage note repurchase transaction is limited to a maximum term of 90 days;

(5) All mortgage note repurchase transactions will be conducted under tri-party custodial agreements; and

(6) A federal credit union must obtain an undivided interest in the securities.

[68 FR 32960, June 3, 2003, as amended at 69 FR 39831, July 1, 2004; 71 FR 76124, Dec. 20, 2006]

§ 703.15 Prohibited investment activities.

Adjusted trading or short sales. A Federal credit union may not engage in adjusted trading or short sales.

§ 703.16 Prohibited investments.

(a) *Derivatives.* A Federal credit union may not purchase or sell financial derivatives, such as futures, options, interest rate swaps, or forward rate swaps. This prohibition does not apply to:

(1) Any derivatives permitted under §§ 701.21(i) and 703.14(g) of this chapter;

(2) Embedded options not required under GAAP to be accounted for separately from the host contract; and

(3) Interest rate lock commitments or forward sales commitments made in connection with a loan originated by the Federal credit union.

(b) *Zero coupon investments.* A Federal credit union may not purchase a zero coupon investment with a maturity date that is more than 10 years from the settlement date;

(c) *Mortgage servicing rights.* A Federal credit union may not purchase mortgage servicing rights as an investment but may perform mortgage servicing functions as a financial service for a member as long as the mortgage loan is owned by a member;

(d) A Federal credit union may not purchase a commercial mortgage related security that is not otherwise permitted by Section 107(7)(E) of the Act; and

(e) *Stripped mortgage backed securities (SMBS).* A Federal credit union may not invest in SMBS or securities that represent interests in SMBS except as described in paragraphs (1) and (3) below.

(1) A Federal credit union may invest in and hold exchangeable collateralized mortgage obligations (exchangeable CMOs) representing beneficial ownership interests in one or more interest-only classes of a CMO (IO CMOs) or principal-only classes of a CMO (PO CMOs), but only if:

(i) At the time of purchase, the ratio of the market price to the remaining principal balance is between .8 and 1.2, meaning that the discount or premium of the market price to par must be less than 20 points;

(ii) The offering circular or other official information available at the time of purchase indicates that the notional principal on each underlying IO CMO should decline at the same rate as the principal on one or more of the under-

lying non-IO CMOs, and that the principal on each underlying PO CMO should decline at the same rate as the principal, or notional principal, on one or more of the underlying non-PO CMOs; and

(iii) The credit union staff has the expertise dealing with exchangeable CMOs to apply the conditions in paragraphs (e)(1)(i) and (e)(1)(ii) of this section.

(2) A Federal credit union that invests in an exchangeable CMO may exercise the exchange option only if all of the underlying CMOs are permissible investments for that credit union.

(3) A Federal credit union may accept an exchangeable CMO representing beneficial ownership interests in one or more IO CMOs or PO CMOs as an asset associated with an investment repurchase transaction or as collateral in a securities lending transaction. When the exchangeable CMO is associated with one of these two transactions, it need not conform to the conditions in paragraphs (e)(1)(i) and (ii) of this section.

(f) *Other prohibited investments.* A Federal credit union may not purchase residual interests in collateralized mortgage obligations, real estate mortgage investment conduits, or small business related securities.

[68 FR 32960, June 3, 2003, as amended at 69 FR 39832, July 1, 2004]

§ 703.17 Conflicts of interest.

(a) A Federal credit union's officials and senior management employees, and their immediate family members, may not receive anything of value in connection with its investment transactions. This prohibition also applies to any other employee, such as an investment officer, if the employee is directly involved in investments, unless the Federal credit union's board of directors determines that the employee's involvement does not present a conflict of interest. This prohibition does not include compensation for employees.

(b) A Federal credit union's officials and employees must conduct all transactions with business associates or family members that are not specifically prohibited by paragraph (a) of this section at arm's length and in the Federal credit union's best interest.

§ 703.18 Grandfathered investments.

(a) Subject to safety and soundness considerations, a Federal credit union may hold a CMO/REMIC residual, stripped mortgage-backed securities, or zero coupon security with a maturity greater than 10 years, if it purchased the investment:

- (1) Before December 2, 1991; or
- (2) On or after December 2, 1991, but before January 1, 1998, if for the purpose of reducing interest rate risk and if the Federal credit union meets the following:
 - (i) The Federal credit union has a monitoring and reporting system in place that provides the documentation necessary to evaluate the expected and actual performance of the investment under different interest rate scenarios;
 - (ii) The Federal credit union uses the monitoring and reporting system to conduct and document an analysis that shows, before purchase, that the proposed investment will reduce its interest rate risk;
 - (iii) After purchase, the Federal credit union evaluates the investment at least quarterly to determine whether or not it actually has reduced the interest rate risk; and
 - (iv) The Federal credit union accounts for the investment consistent with generally accepted accounting principles.
- (b) All grandfathered investments are subject to the valuation and monitoring requirements of §§ 703.10, 703.11, and 703.12 of this part.

§ 703.19 Investment pilot program.

- (a) Under the investment pilot program, NCUA will permit a limited number of Federal credit unions to engage in investment activities prohibited by this part but permitted by the Act.
- (b) Except as provided in paragraph (c) of this section, before a Federal credit union may engage in additional activities it must obtain written approval from NCUA. To obtain approval, a Federal credit union must submit a request to its regional director that addresses the following items:
 - (1) Certification that the Federal credit union is “well-capitalized” under part 702 of this chapter;

(2) Board policies approving the activities and establishing limits on them;

(3) A complete description of the activities, with specific examples of how they will benefit the Federal credit union and how they will be conducted;

(4) A demonstration of how the activities will affect the Federal credit union’s financial performance, risk profile, and asset-liability management strategies;

(5) Examples of reports the Federal credit union will generate to monitor the activities;

(6) Projections of the associated costs of the activities, including personnel, computer, audit, and so forth;

(7) Descriptions of the internal systems that will measure, monitor, and report the activities;

(8) Qualifications of the staff and officials responsible for implementing and overseeing the activities; and

(9) Internal control procedures that will be implemented, including audit requirements.

(c) A third-party seeking approval of an investment pilot program must submit a request to the Director of the Office of Capital Markets and Planning that addresses the following items:

(1) A complete description of the activities with specific examples of how a credit union will conduct and account for them, and how they will benefit a Federal credit union;

(2) A description of any risks to a Federal credit union from participating in the program; and

(3) Contracts that must be executed by the Federal credit union.

(d) A Federal credit union need not obtain individual written approval to engage in investment activities prohibited by this part but permitted by statute where the activities are part of a third-party investment program that NCUA has approved under this section.

APPENDIX B TO PART 704—EXPANDED AUTHORITIES AND REQUIREMENTS

AUTHORITY: 12 U.S.C. 1766(a), 1781, 1789.

SOURCE: 62 FR 12938, Mar. 19, 1997, unless otherwise noted.

§ 704.1 Scope.

(a) This part establishes special rules for all federally insured corporate credit unions. Non federally insured corporate credit unions must agree, by written contract, to both adhere to the requirements of this part and submit to examinations, as determined by NCUA, as a condition of receiving shares or deposits from federally insured credit unions. This part grants certain additional authorities to federal corporate credit unions. Except to the extent that they are inconsistent with this part, other provisions of NCUA's Rules and Regulations (12 CFR chapter VII) and the Federal Credit Union Act apply to federally chartered corporate credit unions and federally insured state-chartered corporate credit unions to the same extent that they apply to other federally chartered and federally insured state-chartered credit unions, respectively.

(b) The Board has the authority to issue orders which vary from this part. This authority is provided under Section 120(a) of the Federal Credit Union Act, 12 U.S.C. 1766(a). Requests by state-chartered corporate credit unions for waivers to this part and for expansions of authority under appendix B of this part must be approved by the state regulator before being submitted to NCUA.

§ 704.2 Definitions.

Adjusted trading means any method or transaction whereby a corporate credit union sells a security to a vendor at a price above its current market price and simultaneously purchases or commits to purchase from the vendor another security at a price above its current market price.

Asset-backed security (ABS) means a security that is primarily serviced by the cashflows of a discrete pool of receivables or other financial assets, either fixed or revolving, that by their terms convert into cash within a finite time period plus any rights or other assets designed to assure the servicing or timely distribution of proceeds to the securityholders. This definition excludes mortgage related securities.

Capital means the sum of a corporate credit union's retained earnings, paid-in capital, and membership capital. For a corporate credit union that acquires another credit union in a mutual combination, capital includes the retained earnings of the acquired credit union, or of an integrated set of activities and assets, at the point of acquisition.

Capital ratio means the corporate credit union's capital divided by its moving daily average net assets.

Collateralized mortgage obligation (CMO) means a multi-class mortgage related security.

Core capital means the sum of a corporate credit union's retained earnings, and paid-in capital. For a corporate credit union that acquires another credit union in a mutual combination, core capital includes the retained earnings of the acquired credit union, or of an integrated set of activities and assets, at the point of acquisition.

Core capital ratio means the corporate credit union's core capital divided by its moving daily average net assets.

Corporate credit union means an organization that:

- (1) Is chartered under Federal or state law as a credit union;
- (2) Receives shares from and provides loan services to credit unions;
- (3) Is operated primarily for the purpose of serving other credit unions;
- (4) Is designated by NCUA as a corporate credit union;

(5) Limits natural person members to the minimum required by state or federal law to charter and operate the credit union; and

(6) Does not condition the eligibility of any credit union to become a member on that credit union's membership in any other organization.

Daily average net assets means the average of net assets calculated for each day during the period.

Derivatives means any derivative instrument as defined under generally accepted accounting principles (GAAP).

Dollar roll means the purchase or sale of a mortgage backed security to a counterparty with an agreement to resell or repurchase a substantially identical security at a future date and at a specified price.

Embedded option means a characteristic of certain assets and liabilities which gives the issuer of the instrument the ability to change the features such as final maturity, rate, principal amount and average life. Options include, but are not limited to, calls, caps, and prepayment options.

Exchangeable collateralized mortgage obligation means a class of a collateralized mortgage obligation (CMO) that, at the time of purchase, represents beneficial ownership interests in a combination of two or more underlying classes of the same CMO structure. The holder of an exchangeable CMO may pay a fee and take delivery of the underlying classes of the CMO.

Fair value means the amount at which an instrument could be exchanged in a current, arms-length transaction between willing parties, as opposed to a forced or liquidation sale. Quoted market prices in active markets are the best evidence of fair value. If a quoted market price in an active market is not available, fair value may be estimated using a valuation technique that is reasonable and supportable, a quoted market price in an active market for a similar instrument, or a current appraised value. Examples of valuation techniques include the present value of estimated future cash flows, option-pricing models, and option-adjusted spread models. Valuation techniques should incorporate assump-

tions that market participants would use in their estimates of values, future revenues, and future expenses, including assumptions about interest rates, default, prepayment, and volatility.

Federal funds transaction means a short-term or open-ended unsecured transfer of immediately available funds by one depository institution to another depository institution or entity.

Foreign bank means an institution which is organized under the laws of a country other than the United States, is engaged in the business of banking, and is recognized as a bank by the banking supervisory authority of the country in which it is organized.

Forward settlement of a transaction means settlement on a date later than regular-way settlement.

Immediate family member means a spouse or other family member living in the same household.

Limited liquidity investment means a private placement or funding agreement.

Member reverse repurchase transaction means an integrated transaction in which a corporate credit union purchases a security from one of its member credit unions under agreement by that member credit union to repurchase the same security at a specified time in the future. The corporate credit union then sells that same security, on the same day, to a third party, under agreement to repurchase it on the same date on which the corporate credit union is obligated to return the security to its member credit union.

Membership capital means funds contributed by members that: are adjustable balance with a minimum withdrawal notice of 3 years or are term certificates with a minimum term of 3 years; are available to cover losses that exceed retained earnings and paid-in capital; are not insured by the NCUSIF or other share or deposit insurers; and cannot be pledged against borrowings.

Mortgage related security means a security as defined in section 3(a)(41) of the Securities Exchange Act of 1934, 15 U.S.C. 78c(a)(41), *e.g.*, a privately-issued security backed by mortgages secured by real estate upon which is located a dwelling, mixed residential and commercial structure, residential manufactured home, or commercial structure

that is rated in one of the two highest rating categories by at least one nationally recognized statistical rating organization.

Moving daily average net assets means the average of daily average net assets exclusive of identifiable intangibles and goodwill for the month being measured and the previous eleven (11) months.

Mutual combination means a transaction or event in which a corporate credit union acquires another credit union, or acquires an integrated set of activities and assets that is capable of being conducted and managed as a credit union.

NCUA means NCUA Board (Board), unless the particular action has been delegated by the Board.

Net assets means total assets less Central Liquidity Facility (CLF) stock subscriptions, CLF loans guaranteed by the NCUSIF, U.S. Central CLF certificates, and member reverse repurchase transactions. For its own account, a corporate credit union's payables under reverse repurchase agreements and receivables under repurchase agreements may be netted out if the Generally Accepted Accounting Principles (GAAP) conditions for offsetting are met.

Net economic value (NEV) means the fair value of assets minus the fair value of liabilities. All fair value calculations must include the value of forward settlements and embedded options. The amortized portion of membership capital and paid-in capital, which do not qualify as capital, are treated as liabilities for purposes of this calculation. The NEV ratio is calculated by dividing NEV by the fair value of assets.

Obligor means the primary party obligated to repay an investment, *e.g.*, the issuer of a security, the taker of a deposit, or the borrower of funds in a federal funds transaction. Obligor does not include an originator of receivables underlying an asset-backed security, the servicer of such receivables, or an insurer of an investment.

Official means any director or committee member.

Paid-in capital means accounts or other interests of a corporate credit union that: are perpetual, non-cumulative dividend accounts; are available to cover losses that exceed retained

earnings; are not insured by the NCUSIF or other share or deposit insurers; and cannot be pledged against borrowings.

Pair-off transaction means a security purchase transaction that is closed out or sold at, or prior to, the settlement or expiration date.

Quoted market price means a recent sales price or a price based on current bid and asked quotations.

Regular-way settlement means delivery of a security from a seller to a buyer within the time frame that the securities industry has established for immediate delivery of that type of security. For example, regular-way settlement of a Treasury security includes settlement on the trade date ("cash"), the business day following the trade date ("regular way"), and the second business day following the trade date ("skip day").

Repurchase transaction means a transaction in which a corporate credit union agrees to purchase a security from a counterparty and to resell the same or any identical security to that counterparty at a specified future date and at a specified price.

Residual interest means the remainder cash flows from a CMO or ABS transaction after payments due bondholders and trust administrative expenses have been satisfied.

Retained earnings means the total of the corporate credit union's undivided earnings, reserves, and any other appropriations designated by management or regulatory authorities. For purposes of this regulation, retained earnings does not include the allowance for loan and lease losses account, accumulated unrealized gains and losses on available for sale securities, or other comprehensive income items.

Retained earnings ratio means the corporate credit union's retained earnings divided by its moving daily average net assets. For a corporate credit union that acquires another credit union in a mutual combination, the numerator of the retained earnings ratio also includes the retained earnings of the acquired credit union, or of an integrated set of activities and assets, at the point of acquisition.

Section 107(8) institution means an institution described in Section 107(8) of

§ 704.3

12 CFR Ch. VII (1–1–10 Edition)

the Federal Credit Union Act (12 U.S.C. 1757(8)).

Securities lending means lending a security to a counterparty, either directly or through an agent, and accepting collateral in return.

Senior management employee means a chief executive officer, any assistant chief executive officer (e.g., any assistant president, any vice president or any assistant treasurer/manager), and the chief financial officer (controller).

[62 FR 12938, Mar. 19, 1997, as amended at 67 FR 65651, Oct. 25, 2002; 69 FR 39832, July 1, 2004; 73 FR 72692, Dec. 1, 2008]

§ 704.3 Corporate credit union capital.

(a) *Capital plan.* A corporate credit union must develop and ensure implementation of written short- and long-term capital goals, objectives, and strategies which provide for the building of capital consistent with regulatory requirements, the maintenance of sufficient capital to support the risk exposures that may arise from current and projected activities, and the periodic review and reassessment of the capital position of the corporate credit union.

(b) *Requirements for membership capital—(1) Form.* Membership capital funds may be in the form of a term certificate or an adjusted balance account.

(2) *Disclosure.* The terms and conditions of a membership capital account must be disclosed to the recorded owner of the account at the time the account is opened and at least annually thereafter.

(i) The initial disclosure must be signed by either all of the directors of the member credit union or, if authorized by board resolution, the chair and secretary of the board; and

(ii) The annual disclosure notice must be signed by the chair of the corporate credit union. The chair must sign a statement that certifies that the notice has been sent to member credit unions with membership capital accounts. The certification must be maintained in the corporate credit union's files and be available for examiner review.

(3) *Three-year remaining maturity.* When a membership capital account has been placed on notice or has a remaining maturity of less than three years, the amount of the account that can be considered membership capital

is reduced by a constant monthly amortization that ensures membership capital is fully amortized one year before the date of maturity or one year before the end of the notice period. The full balance of a membership capital account being amortized, not just the remaining non-amortized portion, is available to absorb losses in excess of the sum of retained earnings and paid-in capital until the funds are released by the corporate credit union at the time of maturity or the conclusion of the notice period.

(4) *Release.* Membership capital may not be released due solely to the merger, charter conversion or liquidation of a member credit union. In the event of a merger, the membership capital transfers to the continuing credit union. In the event of a charter conversion, the membership capital transfers to the new institution. In the event of liquidation, the membership capital may be released to facilitate the payout of shares with the prior written approval of the OCCU Director.

(5) *Sale.* A member may sell its membership capital to another member in the corporate credit union's field of membership, subject to the corporate credit union's approval.

(6) *Liquidation.* In the event of liquidation of a corporate credit union, membership capital is payable only after satisfaction of all liabilities of the liquidation estate, including uninsured share obligations to shareholders and the National Credit Union Share Insurance Fund (NCUSIF), but excluding paid-in capital.

(7) *Merger.* In the event of a merger of a corporate credit union, membership capital transfers to the continuing corporate credit union. The minimum three-year notice period for withdrawal of membership capital remains in effect.

(8) *Adjusted balance accounts:*

(i) May be adjusted no more frequently than once every six months; and

(ii) Must be adjusted in relation to a measure, *e.g.*, one percent of a member credit union's assets, established and disclosed at the time the account is opened without regard to any minimum withdrawal period. If the measure is other than assets, the corporate

credit union must address the measure's permanency characteristics in its capital plan.

(iii) *Notice of withdrawal.* Upon written notice of intent to withdraw membership capital, the balance of the account will be frozen (no further adjustments) until the conclusion of the notice period.

(9) *Grandfathering.* Membership capital issued before the effective date of this regulation is exempt from the limitation of § 704.3(b)(8)(i).

(c) *Requirements for paid-in capital—(1) Disclosure.* The terms and conditions of any paid-in capital instrument must be disclosed to the recorded owner of the instrument at the time the instrument is created and must be signed by either all of the directors of the member credit union or, if authorized by board resolution, the chair and secretary of the board.

(2) *Release.* Paid-in capital may not be released due solely to the merger, charter conversion or liquidation of a member credit union. In the event of a merger, the paid-in capital transfers to the continuing credit union. In the event of a charter conversion, the paid-in capital transfers to the new institution. In the event of liquidation, the paid-in capital may be released to facilitate the payout of shares with the prior written approval of the OCCU Director.

(3) *Callability.* Paid-in capital accounts are callable on a pro-rata basis across an issuance class only at the option of the corporate credit union and only if the corporate credit union meets its minimum level of required capital and NEV ratios after the funds are called.

(4) *Liquidation.* In the event of liquidation of the corporate credit union, paid-in capital is payable only after satisfaction of all liabilities of the liquidation estate, including uninsured share obligations to shareholders, the NCUSIF, and membership capital holders.

(5) *Merger.* In the event of a merger of a corporate credit union, paid-in capital shall transfer to the continuing corporate credit union.

(6) *Paid-in capital.* Paid-in capital includes both member and nonmember paid-in capital.

(i) Member paid-in capital means paid-in capital that is held by the corporate credit union's members. A corporate credit union may not condition membership, services, or prices for services on a credit union's ownership of paid-in capital.

(ii) Nonmember paid-in capital means paid-in capital that is not held by the corporate credit union's members.

(7) *Grandfathering.* A corporate credit union's authority to include paid-in capital as a component of capital is governed by the regulation in effect at the time the paid-in capital was issued. When a grandfathered paid-in capital instrument has a remaining maturity of less than 3 years, the amount that may be considered paid-in capital is reduced by a constant monthly amortization that ensures the paid-in capital is fully amortized 1 year before the date of maturity. The full balance of grandfathered paid-in capital being amortized, not just the remaining non-amortized portion, is available to absorb losses in excess of retained earnings until the funds are released by the corporate credit union at maturity.

(d) *Capital ratio.* A corporate credit union will maintain a minimum capital ratio of 4 percent, except as otherwise provided in this part. A corporate credit union must calculate its capital ratio at least monthly.

(e) *Individual capital ratio requirement—(1)* When significant circumstances or events warrant, the OCCU Director may require a different minimum capital ratio for an individual corporate credit union based on its circumstances. Factors that may warrant a different minimum capital ratio include, but are not limited to:

(i) An expectation that the corporate credit union has or anticipates losses resulting in capital inadequacy;

(ii) Significant exposure exists, unsupported by adequate capital or risk management processes, due to credit, liquidity, market, fiduciary, operational, and similar types of risks;

(iii) A merger has been approved; or

(iv) An emergency exists because of a natural disaster.

(2) When the OCCU Director determines that a different minimum capital ratio is necessary or appropriate

for a particular corporate credit union, he or she will notify the corporate credit union in writing of the proposed capital ratio and the date by which the capital ratio must be reached. The OCCU Director also will provide an explanation of why the proposed capital ratio is considered necessary or appropriate.

(3)(i) The corporate credit union may respond to any or all of the items in the notice. The response must be in writing and delivered to the OCCU Director within 30 calendar days after the date on which the corporate credit union received the notice. The OCCU Director may shorten the time period when, in its opinion, the condition of the corporate credit union so requires, provided that the corporate credit union is informed promptly of the new time period, or with the consent of the corporate credit union. In its discretion, the OCCU Director may extend the time period for good cause.

(ii) Failure to respond within 30 calendar days or such other time period as may be specified by the OCCU Director shall constitute a waiver of any objections to any item in the notice. Failure to address any item in a response shall constitute a waiver of any objection to that item.

(iii) After the close of the corporate credit union's response period, the OCCU Director will decide, based on a review of the corporate credit union's response and other information concerning the corporate credit union, whether a different minimum capital ratio should be established for the corporate credit union and, if so, the capital ratio and the date the requirement must be reached. The corporate credit union will be notified of the decision in writing. The notice will include an explanation of the decision, except for a decision not to establish a different minimum capital ratio for the corporate credit union.

(f) *Failure to maintain minimum capital ratio requirement.* When a corporate credit union's capital ratio falls below the minimum required by paragraphs (d) or (e) of this section, or appendix B to this part, as applicable, operating management of the corporate credit

union must notify its board of directors, supervisory committee, and the OCCU Director within 10 calendar days.

(g) *Capital restoration plan.* (1) A corporate credit union must submit a plan to restore and maintain its capital ratio at the minimum requirement when either of the following conditions exist:

(i) The capital ratio falls below the minimum requirement and is not restored to the minimum requirement by the next month end; or

(ii) Regardless of whether the capital ratio is restored by the next month end, the capital ratio falls below the minimum requirement for three months in any 12-month period.

(2) The capital restoration plan must, at a minimum, include the following:

(i) Reasons why the capital ratio fell below the minimum requirement;

(ii) Descriptions of steps to be taken to restore the capital ratio to the minimum requirement within specific time frames;

(iii) Actions to be taken to maintain the capital ratio at the minimum required level and increase it thereafter;

(iv) Balance sheet and income projections, including assumptions, for the current calendar year and one additional calendar year; and

(v) Certification from the board of directors that it will follow the proposed plan if approved by the OCCU Director.

(3) The capital restoration plan must be submitted to the OCCU Director within 30 calendar days of the occurrence. The OCCU Director will respond to the corporate credit union regarding the adequacy of the plan within 45 calendar days of its receipt.

(h) *Capital directive.* (1) If a corporate credit union fails to submit a capital restoration plan; or the plan submitted is not deemed adequate to either restore capital or restore capital within a reasonable time; or the credit union fails to implement its approved capital restoration plan, NCUA may issue a capital directive.

(2) A capital directive may order a corporate credit union to:

(i) Achieve adequate capitalization within a specified time frame by taking any action deemed necessary, including but not limited to the following:

(A) Increase the amount of capital to specific levels;

(B) Reduce dividends;

(C) Limit receipt of deposits to those made to existing accounts;

(D) Cease or limit issuance of new accounts or any or all classes of accounts;

(E) Cease or limit lending or making a particular type or category of loans;

(F) Cease or limit the purchase of specified investments;

(G) Limit operational expenditures to specified levels;

(H) Increase and maintain liquid assets at specified levels; and

(I) Restrict or suspend expanded authorities issued under appendix B of this part.

(ii) Adhere to a previously submitted plan to achieve adequate capitalization.

(iii) Submit and adhere to a capital plan acceptable to NCUA describing the means and a time schedule by which the corporate credit union shall achieve adequate capitalization.

(iv) Meet with NCUA.

(v) Take a combination of these actions.

(3) Prior to issuing a capital directive, NCUA will notify a corporate credit union in writing of its intention to issue a capital directive.

(i) The notice will state:

(A) The reasons for the issuance of the directive; and

(B) The proposed content of the directive.

(ii) A corporate credit union must respond in writing within 30 calendar days of receipt of the notice stating that it either concurs or disagrees with the notice. If it disagrees with the notice, it must state the reasons why the directive should not be issued and/or propose alternative contents for the directive. The response should include all matters that the corporate credit union wishes to be considered. For good cause, including the following conditions, the response time may be shortened or lengthened:

(A) When the condition of the corporate requires, and the corporate credit union is notified of the shortened response period in the notice;

(B) With the consent of the corporate credit union; or

(C) When the corporate credit union already has advised NCUA that it cannot or will not achieve adequate capitalization.

(iii) Failure to respond within 30 calendar days, or another time period specified in the notice, shall constitute a waiver of any objections to the proposed directive.

(4) After the closing date of the corporate credit union's response period, or the receipt of the response, if earlier, NCUA shall consider the response and may seek additional information or clarification. Based on the information provided during the response period, NCUA will determine whether or not to issue a capital directive and, if issued, the form it should take.

(5) Upon issuance, a capital directive and a statement of the reasons for its issuance will be delivered to the corporate credit union. A directive is effective immediately upon receipt by the corporate credit union, or upon such later date as may be specified therein, and shall remain effective and enforceable until it is stayed, modified, or terminated by NCUA.

(6) A capital directive may be issued in addition to, or in lieu of, any other action authorized by law in response to a corporate credit union's failure to achieve or maintain the applicable minimum capital ratios.

(7) Upon a change in circumstances, a corporate credit union may request reconsideration of the terms of the directive. Requests that are not based on a significant change in circumstances or are repetitive or frivolous will not be considered. Pending a decision on reconsideration, the directive shall continue in full force and effect.

(i) *Earnings retention requirement.* A corporate credit union must increase retained earnings if the prior month-end retained earnings ratio is less than 2 percent.

(1) Its retained earnings must increase:

(i) During the current month, by an amount equal to or greater than the monthly earnings retention amount; or

(ii) During the current and prior two months, by an amount equal to or greater than the quarterly earnings retention amount.

(2) Earnings retention amounts are calculated as follows:

(i) The monthly earnings retention amount is determined by multiplying the earnings retention factor by the prior month-end moving daily average net assets; and

(ii) The quarterly earnings retention amount is determined by multiplying the earnings retention factor by moving daily average net assets for each of the prior three month-ends.

(3) The earnings retention factor is determined as follows:

(i) If the prior month-end retained earnings ratio is less than 2 percent and the core capital ratio is less than 3 percent, the earnings retention factor is .15 percent per annum; or

(ii) If the prior month-end retained earnings ratio is less than 2 percent and the core capital ratio is equal to or greater than 3 percent, the earnings retention factor is .10 percent per annum.

(4) The OCCU Director may approve a decrease to the earnings retention amount if it is determined a lesser amount is necessary to avoid a significant adverse impact upon a corporate credit union.

(5) Operating management of the corporate credit union must notify its board of directors, supervisory committee, the OCCU Director and, if applicable, the state regulator within 10 calendar days of determining that the retained earnings ratio has declined below 2 percent. If the decline in the retained earnings ratio is due, in full or in part, to a decline in the dollar amount of retained earnings and the retained earnings ratio is not restored to at least 2 percent by the next month end, a retained earnings action plan is required to be submitted within 30 calendar days.

(6) The retained earnings action plan must be submitted to the OCCU Director and, if applicable, the state regulator and, at a minimum, include the following:

(i) Reasons why the dollar amount of retained earnings has decreased;

(ii) Description of actions to be taken to increase the dollar amount of retained earnings within specific time frames; and

(6) Financial performance is evaluated to ensure that the objectives of the corporate credit union and the responsibilities of management are met; and

(d) *Repurchase agreements.* A corporate credit union may enter into a repurchase agreement provided that:

(2) The repurchase securities are legal investments for that corporate credit union;

(3) The corporate credit union, directly or through its agent, receives daily assessment of the market value of the repurchase securities and maintains adequate margin that reflects a risk assessment of the repurchase securities and the term of the transaction; and

(4) The corporate credit union has entered into signed contracts with all approved counterparties and agents, and ensures compliance with the contracts. Such contracts must address any supplemental terms and conditions necessary to meet the specific requirements of this part. Third party arrangements must be supported by tri-party contracts in which the repurchase securities are priced and reported daily and the tri-party agent ensures compliance; and

(e) *Securities Lending.* A corporate credit union may enter into a securities lending transaction provided that:

(1) The corporate credit union, directly or through its agent, receives written confirmation of the loan, obtains a first priority security interest in the collateral by taking physical possession or control of the collateral, or is recorded as owner of the collateral through the Federal Reserve Book-Entry Securities Transfer System;

(f) *Investment companies.* A corporate credit union may invest in an investment company registered with the Securities and Exchange Commission under the Investment Company Act of 1940 (15 U.S.C. 80a), provided that the prospectus of the company restricts

National Credit Union Administration

§ 704.6

(A) At the time of purchase, the ratio of the market price to the remaining principal balance is between .8 and 1.2, meaning that the discount or premium of the market price to par must be less than 20 points;

(B) The offering circular or other official information available at the time of purchase indicates that the notional principal on each underlying IO CMO should decline at the same rate as the principal on one or more of the underlying non-IO CMOs, and that the principal on each underlying PO CMO should decline at the same rate as the principal, or notional principal, on one or more of the underlying non-PO CMOs; and

(C) The credit union investment staff has the expertise dealing with exchangeable CMOs to apply the conditions in paragraphs (h)(5)(i)(A) and (B) of this section.

(ii) A corporate credit union that invests in an exchangeable CMO may exercise the exchange option only if all of the underlying CMOs are permissible investments for that credit union.

(iii) A corporate credit union may accept an exchangeable CMO representing beneficial ownership interests in one or more IO CMOs or PO CMOs as an asset associated with an investment repurchase transaction or as collateral in a securities lending transaction. When the exchangeable CMO is associated with one of these two transactions, it need not conform to the conditions in paragraphs (h)(5)(i)(A) or (B) of this section.

(i) *Conflicts of interest.* A corporate credit union's officials, employees, and immediate family members of such individuals, may not receive pecuniary consideration in connection with the making of an investment or deposit by the corporate credit union. § 704.6 Credit risk management.

(a) *Policies.* A corporate credit union must operate according to a credit risk management policy that is commensurate with the investment risks and activities it undertakes. The policy must address at a minimum:

(1) The approval process associated with credit limits;

(2) Due diligence analysis requirements;

(3) Maximum credit limits with each obligor and transaction counterparty, set as a percentage of capital. In addition to addressing deposits and securities, limits with transaction counterparties must address aggregate exposures of all transactions including, but not limited to, repurchase agreements, securities lending, and forward settlement of purchases or sales of investments; and

(4) Concentrations of credit risk (*e.g.*, originator of receivables, insurer, industry type, sector type, and geographic).

(b) *Exemption.* The requirements of this section do not apply to investments that are issued or fully guaranteed as to principal and interest by the U.S. government or its agencies or enterprises (excluding subordinated debt) or are fully insured (including accumulated interest) by the NCUSIF or Federal Deposit Insurance Corporation.

(c) *Concentration limits*—(1) *General rule.* The aggregate of all investments in any single obligor is limited to 50 percent of capital or \$5 million, whichever is greater.

(2) *Exceptions.* Exceptions to the general rule are:

(i) Aggregate investments in repurchase and securities lending agreements with any one counterparty are limited to 200 percent of capital;

(ii) Investments in corporate CUSOs are subject to the limitations of § 704.11; and

(iii) Aggregate investments in corporate credit unions are not subject to the limitations of paragraph (c)(1) of this section.

§ 704.7

(3) For purposes of measurement, each new credit transaction must be evaluated in terms of the corporate credit union's capital at the time of the transaction. An investment that fails a requirement of this section because of a subsequent reduction in capital will be deemed nonconforming. A corporate credit union is required to exercise reasonable efforts to bring nonconforming investments into conformity within 90 calendar days. Investments that remain nonconforming for 90 calendar days will be deemed to fail a requirement of this section and the corporate credit union will have to comply with § 704.10.

(d) *Credit ratings.* (1) All investments, other than in a corporate credit union or CUSO, must have an applicable credit rating from at least one nationally recognized statistical rating organization (NRSRO).

(2) At the time of purchase, investments with long-term ratings must be rated no lower than AA- (or equivalent) and investments with short-term ratings must be rated no lower than A-1 (or equivalent).

(3) Any rating(s) relied upon to meet the requirements of this part must be identified at the time of purchase and must be monitored for as long as the corporate owns the investment.

(4) When two or more ratings are relied upon to meet the requirements of this part at the time of purchase, the board or an appropriate committee must place on the § 704.6(e)(1) investment watch list any investment for which a rating is downgraded below the minimum rating requirements of this part.

(5) Investments are subject to the requirements of § 704.10 if:

(i) One rating was relied upon to meet the requirements of this part and that rating is downgraded below the minimum rating requirements of this part; or

(ii) Two or more ratings were relied upon to meet the requirements of this part and at least two of those ratings are downgraded below the minimum rating requirements of this part.

(e) *Reporting and documentation.* (1) At least annually, a written evaluation of each credit limit with each obligor or transaction counterparty must be

12 CFR Ch. VII (1–1–10 Edition)

prepared and formally approved by the board or an appropriate committee. At least monthly, the board or an appropriate committee must receive an investment watch list of existing and/or potential credit problems and summary credit exposure reports, which demonstrate compliance with the corporate credit union's risk management policies.

(2) At a minimum, the corporate credit union must maintain:

(i) A justification for each approved credit limit;

(ii) Disclosure documents, if any, for all instruments held in portfolio. Documents for an instrument that has been sold must be retained until completion of the next NCUA examination; and

(iii) The latest available financial reports, industry analyses, internal and external analyst evaluations, and rating agency information sufficient to support each approved credit limit.

§ 704.7 Lending.

(a) *Policies.* A corporate credit union must operate according to a lending policy which addresses, at a minimum:

(1) Loan types and limits;

(2) Required documentation and collateral; and

(3) Analysis and monitoring standards.

(b) *General.* Each loan or line of credit limit will be determined after analyzing the financial and operational soundness of the borrower and the ability of the borrower to repay the loan.

(c) *Loans to members—*(1) *Credit unions.* (i) The maximum aggregate amount in unsecured loans and lines of credit to any one member credit union, excluding pass-through and guaranteed loans from the CLF and the NCUSIF, must not exceed 50 percent of capital.

(ii) The maximum aggregate amount in secured loans and lines of credit to any one member credit union, excluding those secured by shares or marketable securities and member reverse repurchase transactions, must not exceed 100 percent of capital.

(2) *Corporate CUSOs.* Any loan or line of credit must comply with § 704.11.

(3) *Other members.* The maximum aggregate amount of loans and lines of

National Credit Union Administration

§ 704.8

credit to any other one member must not exceed 15 percent of the corporate credit union's capital plus pledged shares.

(d) *Loans to nonmembers*—(1) *Credit unions*. A loan to a nonmember credit union, other than through a loan participation with another corporate credit union, is only permissible if the loan is for an overdraft related to the providing of correspondent services pursuant to § 704.12. Generally, such a loan will have a maturity of one business day.

(2) *Corporate CUSOs*. Any loan or line of credit must comply with § 704.11.

(e) *Member business loan rule*. Loans, lines of credit and letters of credit to:

(1) Member credit unions are exempt from part 723 of this chapter;

(2) Corporate CUSOs are not subject to part 723 of this chapter.

(3) Other members not excluded under § 723.1(b) of this chapter must comply with part 723 of this chapter unless the loan or line of credit is fully guaranteed by a credit union or fully secured by U.S. Treasury or agency securities. Those guaranteed and secured loans must comply with the aggregate limits of § 723.16 but are exempt from the other requirements of part 723.

(f) *Participation loans with other corporate credit unions*. A corporate credit union is permitted to participate in a loan with another corporate credit union provided the corporate retains an interest of at least 5 percent of the face amount of the loan and a master participation loan agreement is in place before the purchase or the sale of a participation. A participating corporate credit union must exercise the same due diligence as if it were the originating corporate credit union.

(g) *Prepayment penalties*. If provided for in the loan contract, a corporate credit union is authorized to assess prepayment penalties on loans.

[62 FR 12938, Mar. 19, 1997, as amended at 64 FR 57365, Oct. 25, 1999; 67 FR 65655, Oct. 25, 2002; 68 FR 56550, Oct. 1, 2003]

§ 704.8 Asset and liability management.

(a) *Policies*. A corporate credit union must operate according to a written asset and liability management policy which addresses, at a minimum:

(1) The purpose and objectives of the corporate credit union's asset and liability activities;

(2) The maximum allowable percentage decline in net economic value (NEV), compared to base case NEV;

(3) The minimum allowable NEV ratio;

(4) Policy limits and specific test parameters for the interest rate sensitivity analysis requirements set forth in paragraph (d) of this section;

(5) The modeling of indexes that serve as references in financial instrument coupon formulas; and

(6) The tests that will be used, prior to purchase, to estimate the impact of investments on the percentage decline in NEV, compared to base case NEV. The most recent NEV analysis, as determined under paragraph (d)(1)(i) of this section may be used as a basis of estimation.

(b) *Asset and liability management committee (ALCO)*. A corporate credit union's ALCO must have at least one member who is also a member of the board of directors. The ALCO must review asset and liability management reports on at least a monthly basis. These reports must address compliance with Federal Credit Union Act, NCUA Rules and Regulations (12 CFR chapter VII), and all related risk management policies.

(c) *Penalty for early withdrawals*. A corporate credit union that permits early certificate/share withdrawals must assess market-based penalties sufficient to cover the estimated replacement cost of the certificate/share redeemed. This means the minimum penalty must be reasonably related to the rate that the corporate credit union would be required to offer to attract funds for a similar term with similar characteristics.

(d) *Interest rate sensitivity analysis*. (1) A corporate credit union must:

(i) Evaluate the risk in its balance sheet by measuring, at least quarterly, the impact of an instantaneous, permanent, and parallel shock in the yield curve of plus and minus 100, 200, and 300 basis points on its NEV and NEV ratio. If the base case NEV ratio falls below 3 percent at the last testing date, these tests must be calculated at least

§ 704.9

monthly until the base case NEV ratio again exceeds 3 percent;

(ii) Limit its risk exposure to levels that do not result in a base case NEV ratio or any NEV ratio resulting from the tests set forth in paragraph (d)(1)(i) of this section below 2 percent; and

(iii) Limit its risk exposures to levels that do not result in a decline in NEV of more than 15 percent.

(2) A corporate credit union must assess annually if it should conduct periodic additional tests to address market factors that may materially impact that corporate credit union's NEV. These factors should include, but are not limited to, the following:

(i) Changes in the shape of the Treasury yield curve;

(ii) Adjustments to prepayment projections used for amortizing securities to consider the impact of significantly faster/slower prepayment speeds;

(iii) Adjustments to the market spread assumptions for non Treasury instruments to consider the impact of widening spreads; and

(iv) Adjustments to volatility assumptions to consider the impact that changing volatilities have on embedded option values.

(e) *Regulatory violations.* If a corporate credit union's decline in NEV, base case NEV ratio or any NEV ratio resulting from the tests set forth in paragraph (d)(1)(i) of this section violates the limits established by this rule and is not brought into compliance within 10 calendar days, operating management of the corporate credit union must immediately report the information to the board of directors, supervisory committee, and the OCCU Director. If any violation persists for 30 calendar days, the corporate credit union must submit a detailed, written action plan to the OCCU Director that sets forth the time needed and means by which it intends to correct the violation. If the OCCU Director determines that the plan is unacceptable, the corporate credit union must immediately restructure the balance sheet to bring the exposure back within compliance or adhere to an alternative course of action determined by the OCCU Director.

(f) *Policy violations.* If a corporate credit union's decline in NEV, base

12 CFR Ch. VII (1–1–10 Edition)

case NEV ratio, or any NEV ratio resulting from the tests set forth in paragraph (d)(1)(i) of this section violates the limits established by its board, it must determine how it will bring the exposure within policy limits. The disclosure to the board of the violation must occur no later than its next regularly scheduled board meeting.

[62 FR 12938, Mar. 19, 1997, as amended at 67 FR 65655, Oct. 25, 2002; 69 FR 39833, July 1, 2004; 73 FR 30477, May 28, 2008]

§ 704.9 Liquidity management.

(a) *General.* In the management of liquidity, a corporate credit union must:

(1) Evaluate the potential liquidity needs of its membership in a variety of economic scenarios;

(2) Regularly monitor sources of internal and external liquidity;

(3) Demonstrate that the accounting classification of investment securities is consistent with its ability to meet potential liquidity demands; and

(4) Develop a contingency funding plan that addresses alternative funding strategies in successively deteriorating liquidity scenarios. The plan must:

(i) List all sources of liquidity, by category and amount, that are available to service an immediate outflow of funds in various liquidity scenarios;

(ii) Analyze the impact that potential changes in fair value will have on the disposition of assets in a variety of interest rate scenarios; and

(iii) Be reviewed by the board or an appropriate committee no less frequently than annually or as market or business conditions dictate.

(b) *Borrowing.* A corporate credit union may borrow up to 10 times capital or 50 percent of shares (excluding shares created by the use of member reverse repurchase agreements) and capital, whichever is greater. CLF borrowings and borrowed funds created by the use of member reverse repurchase agreements are excluded from this limit. The corporate credit union must demonstrate that sufficient contingent sources of liquidity remain available.

§ 704.10 Investment action plan.

(a) Any corporate credit union in possession of an investment, including a

derivative, that fails to meet a requirement of this part must, within 30 calendar days of the failure, report the failed investment to its board of directors, supervisory committee and the OCCU Director. If the corporate credit union does not sell the failed investment, and the investment continues to fail to meet a requirement of this part, the corporate credit union must, within 30 calendar days of the failure, provide to the OCCU Director a written action plan that addresses:

(1) The investment's characteristics and risks;

(2) The process to obtain and adequately evaluate the investment's market pricing, cash flows, and risk;

(3) How the investment fits into the credit union's asset and liability management strategy;

(4) The impact that either holding or selling the investment will have on the corporate credit union's earnings, liquidity, and capital in different interest rate environments; and

(5) The likelihood that the investment may again pass the requirements of this part.

(b) The OCCU Director may require, for safety and soundness reasons, a shorter time period for plan development than that set forth in paragraph (a) of this section.

(c) If the plan described in paragraph (a) of this section is not approved by the OCCU Director, the credit union must adhere to the OCCU Director's directed course of action.

§ 704.11 Corporate Credit Union Service Organizations (Corporate CUSOs).

(a) A corporate CUSO is an entity that:

(1) Is at least partly owned by a corporate credit union;

(2) Primarily serves credit unions;

(3) Restricts its services to those related to the normal course of business of credit unions; and

(4) Is structured as a corporation, limited liability company, or limited partnership under state law.

(b) *Investment and loan limitations.* (1) The aggregate of all investments in member and nonmember corporate

CUSOs must not exceed 15 percent of a corporate credit union's capital.

(2) The aggregate of all investments in and loans to member and nonmember corporate CUSOs must not exceed 30 percent of a corporate credit union's capital. A corporate credit union may lend to member and nonmember corporate CUSOs an additional 15 percent of capital if the loan is collateralized by assets in which the corporate has a perfected security interest under state law.

(3) If the limitations in paragraphs (b)(1) and (b)(2) of this section are reached or exceeded because of the profitability of the CUSO and the related GAAP valuation of the investment under the equity method without an additional cash outlay by the corporate, divestiture is not required. A corporate credit union may continue to invest up to the regulatory limit without regard to the increase in the GAAP valuation resulting from the corporate CUSO's profitability.

(c) *Due diligence.* A corporate credit union must comply with the due diligence requirements of §§ 723.5 and 723.6(f) through (j) of this chapter for all loans to corporate CUSOs. This requirement does not apply to loans excluded under § 723.1(b).

(d) *Separate entity.* (1) A corporate CUSO must be operated as an entity separate from a corporate credit union.

(2) A corporate credit union investing in or lending to a corporate CUSO must obtain a written legal opinion that concludes the corporate CUSO is organized and operated in a manner that the corporate credit union will not reasonably be held liable for the obligations of the corporate CUSO. This opinion must address factors that have led courts to "pierce the corporate veil," such as inadequate capitalization, lack of corporate identity, common boards of directors and employees, control of one entity over another, and lack of separate books and records.

(e) *Prohibited activities.* A corporate credit union may not use this authority to acquire control, directly or indirectly, of another depository financial institution or to invest in shares, stocks, or obligations of an insurance company, trade association, liquidity facility, or similar organization.

(f) An official of a corporate credit union which has invested in or loaned to a corporate CUSO may not receive, either directly or indirectly, any salary, commission, investment income, or other income, compensation, or consideration from the corporate CUSO. This prohibition also extends to immediate family members of officials.

(g) Prior to making an investment in or loan to a corporate CUSO, a corporate credit union must obtain a written agreement that the corporate CUSO will:

- (1) Follow GAAP;
 - (2) Provide financial statements to the corporate credit union at least quarterly;
 - (3) Obtain an annual CPA opinion audit and provide a copy to the corporate credit union. A wholly owned or majority owned CUSO is not required to obtain a separate annual audit if it is included in the corporate credit union's annual consolidated audit; and
 - (4) Allow the auditor, board of directors, and NCUA complete access to its books, records, and any other pertinent documentation.
- (h) Corporate credit union authority to invest in or loan to a CUSO is limited to that provided in this section. A corporate credit union is not authorized to invest in or loan to a CUSO under part 712 of this chapter.

[62 FR 12938, Mar. 19, 1997, as amended at 63 FR 10756, Mar. 5, 1998; 67 FR 65656, Oct. 25, 2002; 68 FR 56550, Oct. 1, 2003]

§ 704.12 Permissible services.

(a) *Preapproved services.* A corporate credit union may provide to members the preapproved services set out in this section. NCUA may at any time, based upon supervisory, legal, or safety and soundness reasons, limit or prohibit any preapproved service. The specific activities listed within each preapproved category are provided as illustrations of activities permissible under the particular category, not as an exclusive or exhaustive list.

(1) *Correspondent services agreement.* A corporate credit union may only provide financial services to nonmembers through a correspondent services agreement. A correspondent services agreement is an agreement between two corporate credit unions, whereby

one of the corporate credit unions agrees to provide services to the other corporate credit union or its members.

(2) *Credit and investment services.* Credit and investment services are advisory and consulting activities that assist the member in lending or investment management. These services may include loan reviews, investment portfolio reviews and investment advisory services.

(3) *Electronic financial services.* Electronic financial services are any services, products, functions, or activities that a corporate credit union is otherwise authorized to perform, provide or deliver to its members but performed through electronic means. Electronic services may include automated teller machines, online transaction processing through a website, website hosting services, account aggregation services, and internet access services to perform or deliver products or services to members.

(4) *Excess capacity.* Excess capacity is the excess use or capacity remaining in facilities, equipment or services that: a corporate credit union properly invested in or established, in good faith, with the intent of serving its members; and it reasonably anticipates will be taken up by the future expansion of services to its members. A corporate credit union may sell or lease the excess capacity in facilities, equipment or services, such as office space, employees and data processing.

(5) *Liquidity and asset and liability management.* Liquidity and asset and liability management services are any services, functions or activities that assist the member in liquidity and balance sheet management. These services may include liquidity planning and balance sheet modeling and analysis.

(6) *Operational services.* Operational services are services established to deliver financial products and services that enhance member service and promote safe and sound operations. Operational services may include tax payment, electronic fund transfers and providing coin and currency service.

(7) *Payment systems.* Payment systems are any methods used to facilitate the movement of funds for transactional purposes. Payment systems may include Automated Clearing

National Credit Union Administration

§ 704.14

House, wire transfer, item processing and settlement services.

(8) *Trustee or custodial services.* Trustee services are services in which the corporate credit union is authorized to act under a written trust agreement to the extent permitted under part 724 of this chapter. Custodial and safekeeping services are services a corporate credit union performs on behalf of its member to act as custodian or safekeeper of investments.

(b) *Procedure for adding services that are not preapproved.* To provide a service to its members that is not preapproved by NCUA:

(1) A federal corporate credit union must request approval from NCUA. The request must include a full explanation and complete documentation of the service and how the service relates to a corporate credit union's authority to provide services to its members. The request must be submitted jointly to the OCCU Director and the Secretary of the Board. The request will be treated as a petition to amend § 704.12 and NCUA will request public comment or otherwise act on the petition within a reasonable period of time. Before engaging in the formal approval process, a corporate credit union should seek an advisory opinion from NCUA's Office of General Counsel as to whether a proposed service is already covered by one of the authorized categories without filing a petition to amend the regulation; and

(2) A state-chartered corporate credit union must submit a request for a waiver that complies with § 704.1(b) to the OCCU Director.

(c) *Prohibition.* A corporate credit union is prohibited from purchasing loan servicing rights.

[67 FR 65656, Oct. 25, 2002]

§ 704.13 [Reserved]

§ 704.14 Representation.

(a) *Board representation.* The board will be determined as stipulated in its bylaws governing election procedures, provided that:

(1) At least a majority of directors, including the chair of the board, must serve on the board as representatives of member credit unions;

(2) The chair of the board may not serve simultaneously as an officer, director, or employee of a credit union trade association;

(3) A majority of directors may not serve simultaneously as officers, directors, or employees of the same credit union trade association or its affiliates (not including chapters or other subunits of a state trade association);

(4) For purposes of meeting the requirements of paragraphs (a)(2) and (a)(3) of this section, an individual may not serve as a director or chair of the board if that individual holds a subordinate employment relationship to another employee who serves as an officer, director, or employee of a credit union trade association; and

(5) In the case of a corporate credit union whose membership is composed of more than 25 percent non credit unions, the majority of directors serving as representatives of member credit unions, including the chair, must be elected only by member credit unions.

(b) *Credit union trade association.* As used in this section, a credit union trade association includes but is not limited to, state credit union leagues and league service corporations and national credit union trade associations.

(c) *Representatives of organizational members.* (1) An organizational member of a corporate credit union is a member that is not a natural person. An organizational member may appoint one of its members or officials as a representative to the corporate credit union. The representative shall be empowered to attend membership meetings, to vote, and to stand for election on behalf of the member. No individual may serve as the representative of more than one organizational member in the same corporate credit union.

(2) Any vacancy on the board of a corporate credit union caused by a representative being unable to complete his or her term shall be filled by the board of the corporate credit union according to its bylaws governing the filling of board vacancies.

(d) *Recusal provision.* (1) No director, committee member, officer, or employee of a corporate credit union shall in any manner, directly or indirectly, participate in the deliberation upon or

§ 704.15

the determination of any question affecting his or her pecuniary interest or the pecuniary interest of any entity (other than the corporate credit union) in which he or she is interested, except if the matter involves general policy applicable to all members, such as setting dividend or loan rates or fees for services.

(2) An individual is "interested" in an entity if he or she:

(i) Serves as a director, officer, or employee of the entity;

(ii) Has a business, ownership, or deposit relationship with the entity; or

(iii) Has a business, financial, or familial relationship with an individual whom he or she knows has a pecuniary interest in the entity.

(3) In the event of the disqualification of any directors, by operation of paragraph (c)(1) of this section, the remaining qualified directors present at the meeting, if constituting a quorum with the disqualified directors, may exercise, by majority vote, all the powers of the board with respect to the matter under consideration. Where all of the directors are disqualified, the matter must be decided by the members of the corporate credit union.

(4) In the event of the disqualification of any committee member by operation of paragraph (c)(1) of this section, the remaining qualified committee members, if constituting a quorum with the disqualified committee members, may exercise, by majority vote, all the powers of the committee with respect to the matter under consideration. Where all of the committee members are disqualified, the matter shall be decided by the board of directors.

(e) *Administration.* (1) A corporate credit union shall be under the direction and control of its board of directors. While the board may delegate the performance of administrative duties, the board is not relieved of its responsibility for their performance. The board may employ a chief executive officer who shall have such authority and such powers as delegated by the board to conduct business from day to day. Such chief executive officer must answer solely to the board of the corporate credit union, and may not be an

12 CFR Ch. VII (1–1–10 Edition)

employee of a credit union trade association.

(2) The provisions of § 701.14 of this chapter apply to corporate credit unions, except that where "Regional Director" is used, read "NCUA Board."

§ 704.15 Audit requirements.

(a) *External audit.* The corporate credit union supervisory committee shall cause an annual opinion audit of the financial statements to be made. The audit must be performed in accordance with generally accepted auditing standards and the audited financial statements must be prepared consistent with GAAP, except where law or regulation has provided for a departure from GAAP. The supervisory committee shall submit the audit report to the board of directors. A copy of the audit report, and copies of all communications that are provided to the corporate credit union by the external auditor, shall be submitted to the OCCU Director within 30 calendar days after receipt by the board of directors. If requested by the OCCU Director, the external auditor's workpapers shall be made available, at the auditor's office or elsewhere, for the OCCU Director's review. The corporate credit union shall submit a summary of the audit report to the membership at the next annual meeting.

(b) *Internal audit.* A corporate credit union with average daily assets in excess of \$400 million for the preceding calendar year, or as ordered by the OCCU Director, must employ or contract, on a full- or part-time basis, the services of an internal auditor. The internal auditor's responsibilities will, at a minimum, comply with the Standards and Professional Practices of Internal Auditing, as established by the Institute of Internal Auditors. The internal auditor will report directly to the chair of the corporate credit union's supervisory committee, who may delegate supervision of the internal auditor's daily activities to the chief executive officer of the corporate credit union. The internal auditor's reports, findings, and recommendations will be in writing and presented to the supervisory committee no less than

National Credit Union Administration

quarterly, and will be provided upon request to the external auditor and the OCCU Director.

§ 704.16 Contracts/written agreements.

Services, facilities, personnel, or equipment shared with any party shall be supported by a written contract, with the duties and responsibilities of each party specified and the allocation of service fee/expenses fully supported and documented.

§ 704.17 State-chartered corporate credit unions.

(a) This part does not expand the powers and authorities of any state-chartered corporate credit union, beyond those powers and authorities provided under the laws of the state in which it was chartered.

(b) A state-chartered corporate credit union that is not insured by the NCUSIF, but that receives funds from federally insured credit unions, is considered an "institution-affiliated party" within the meaning of Section 206(r) of the Federal Credit Union Act, 12 U.S.C. 1786(r).

(c) NCUA will notify, consult with, and provide explanation to the appropriate state supervisory authority before taking administrative action against a state-chartered corporate credit union.

§ 704.18 Fidelity bond coverage.

(a) *Scope.* This section provides the fidelity bond requirements for employees and officials in corporate credit unions.

(b) *Review of coverage.* The board of directors of each corporate credit union shall, at least annually, carefully review the bond coverage in force to determine its adequacy in relation to risk exposure and to the minimum requirements in this section.

(c) *Minimum coverage; approved forms.* Every corporate credit union will maintain bond coverage with a company holding a certificate of authority from the Secretary of the Treasury. All bond forms, and any riders and en-

dorsements which limit the coverage provided by approved bond forms, must receive the prior written approval of NCUA. Fidelity bonds must provide coverage for the fraud and dishonesty of all employees, directors, officers, and supervisory and credit committee members. Notwithstanding the foregoing, all bonds must include a provision, in a form approved by NCUA, requiring written notification by surety to NCUA:

(1) When the bond of a credit union is terminated in its entirety;

(2) When bond coverage is terminated, by issuance of a written notice, on an employee, director, officer, supervisory or credit committee member; or

(3) When a deductible is increased above permissible limits. Said notification shall be sent to NCUA and shall include a brief statement of cause for termination or increase.

(d) *Minimum coverage amounts.* (1) The minimum amount of bond coverage will be computed based on the corporate credit union's daily average net assets for the preceding calendar year. The following table lists the minimum requirements:

Daily average net assets	Minimum bond (million)
Less than \$50 million	\$1.0
\$50-\$99 million	2.0
\$100-\$499 million	4.0
\$500-\$999 million	6.0
\$1.0-\$1.999 billion	8.0
\$2.0-\$4.999 billion	10.0
\$5.0-\$9.999 billion	15.0
\$10.0-\$24.999 billion	20.0
\$25.0 billion plus	25.0

(2) It is the duty of the board of directors of each corporate credit union to provide adequate protection to meet its unique circumstances by obtaining, when necessary, bond coverage in excess of the minimums in the table in paragraph (d)(1) of this section.

(e) *Deductibles.* (1) The maximum amount of deductibles allowed are based on the corporate credit union's core capital ratio. The following table sets out the maximum deductibles, except that in each category the maximum deductible shall be \$5 million:

Core capital ratio	Maximum deductible
Less than 1.0 percent	7.5 percent of the sum of retained earnings and paid-in capital.
1.0–1.74 percent	10.0 percent of the sum of retained earnings and paid-in capital.
1.75–2.24 percent	12.0 percent of the sum of retained earnings and paid-in capital.
Greater than 2.25 percent	15.0 percent of the sum of retained earnings and paid-in capital.

(2) A deductible may be applied separately to one or more insuring clauses in a blanket bond. Deductibles in excess of those showing in this section must have the written approval of NCUA at least 30 calendar days prior to the effective date of the deductibles.

(f) *Additional coverage.* NCUA may require additional coverage for any corporate credit union when, in the opinion of NCUA, current coverage is insufficient. The board of directors of the corporate credit union must obtain additional coverage within 30 calendar days after the date of written notice from NCUA.

§ 704.19 Wholesale corporate credit unions.

(a) *General.* Wholesale corporate credit unions are subject to the preceding requirements of this part, except as set forth in this section.

(b) *Earnings retention requirement.* A wholesale corporate credit union must increase retained earnings if the prior month-end retained earnings ratio is less than 1 percent.

(1) Its retained earnings must increase:

(i) During the current month, by an amount equal to or greater than the monthly earnings retention amount; or

(ii) During the current and prior two months, by an amount equal to or greater than the quarterly earnings retention amount.

(2) Earnings retention amounts are calculated as follows:

(i) The monthly earnings retention amount is determined by multiplying the earnings retention factor by the prior month-end moving daily average net assets; and

(ii) The quarterly earnings retention amount is determined by multiplying the earnings retention factor by moving daily average net assets for each of the prior three month-ends.

(3) The earnings retention factor is determined as follows:

(i) If the prior month-end retained earnings ratio is less than 1 percent and the core capital ratio is less than 3 percent, the earnings retention factor is .15 percent per annum; or

(ii) If the prior month-end retained earnings ratio is less than 1 percent and the core capital ratio is equal to or greater than 3 percent, the earnings retention factor is .075 percent per annum.

(4) The OCCU Director may approve a decrease to the earnings retention amount set forth in this section if it is determined a lesser amount is necessary to avoid a significant adverse impact upon a wholesale corporate credit union.

(5) Operating management of the wholesale corporate credit union must notify its board of directors, supervisory committee, OCCU Director and, if applicable, the state regulator within 10 calendar days of determining the retained earnings ratio has declined below 1 percent. If the decline in the retained earnings ratio is due in full or in part, to a decline in the dollar amount of retained earnings and the retained earnings ratio is not restored to at least 1 percent by the next month end, a retained earnings action plan is required to be submitted within 30 calendar days.

(6) The retained earnings action plan must be submitted to the OCCU Director and, if applicable, the state regulator and, at a minimum, include the following:

(i) Reasons why the dollar amount of retained earnings has decreased;

(ii) Description of actions to be taken to increase the dollar amount of retained earnings within specific time frames; and

(iii) Monthly balance sheet and income projections, including assumptions for the ensuing 12-month period.

APPENDIX A TO PART 704—MODEL FORMS

This appendix contains sample forms intended for use by corporate credit unions to aid in compliance with the membership capital account and paid-in capital disclosure requirements of §704.3.

Sample Form 1

Terms and Conditions of Membership Capital Account

(1) A membership capital account is not subject to share insurance coverage by the NCUSIF or other deposit insurer.

(2) A membership capital account is not releasable due solely to the merger, charter conversion or liquidation of the member credit union. In the event of a merger, the membership capital account transfers to the continuing credit union. In the event of a charter conversion, the membership capital account transfers to the new institution. In the event of liquidation, the membership capital account may be released to facilitate the payout of shares with the prior written approval of NCUA.

(3) A member credit union may withdraw membership capital with three years' notice.

(4) Membership capital cannot be used to pledge borrowings.

(5) Membership capital is available to cover losses that exceed retained earnings and paid-in capital.

(6) Where the corporate credit union is liquidated, membership capital accounts are payable only after satisfaction of all liabilities of the liquidation estate including uninsured obligations to shareholders and the NCUSIF.

(7) Where the corporate credit union is merged into another corporate credit union, the membership capital account will transfer to the continuing corporate credit union. The three-year notice period for withdrawal of the membership capital account will remain in effect.

(8) {If an adjusted balance account}: The membership capital balance will be adjusted _____ (1 or 2) _____ time(s) annually in relation to the member credit union's _____ (assets or other measure) _____ as of _____ (date(s)) _____. {If a term certificate}: The membership capital account is a term certificate that will mature on _____ (date) _____.
I have read the above terms and conditions and I understand them.

I further agree to maintain in the credit union's files the annual notice of terms and conditions of the membership capital account.

The notice form must be signed by either all of the directors of the member credit union or, if authorized by board resolution,

the chair and secretary of the board of the credit union.

The annual disclosure notice form must be signed by the chair of the corporate credit union. The chair must then sign a statement that certifies that the notice has been sent to member credit unions with membership capital accounts. The certification must be maintained in the corporate credit union's files and be available for examiner review.

Sample Form 2

Terms and Conditions of Paid-In Capital

(1) A paid-in capital account is not subject to share insurance coverage by the NCUSIF or other deposit insurer.

(2) A paid-in capital account is not releasable due solely to the merger, charter conversion or liquidation of the member credit union. In the event of a merger, the paid-in capital account transfers to the continuing credit union. In the event of a charter conversion, the paid-in capital account transfers to the new institution. In the event of liquidation, the paid-in capital account may be released to facilitate the payout of shares with the prior written approval of NCUA.

(3) The funds are callable only at the option of the corporate credit union and only if the corporate credit union meets its minimum required capital and NEV ratios after the funds are called.

(4) Paid-in capital cannot be used to pledge borrowings.

(5) Paid-in capital is available to cover losses that exceed retained earnings.

(6) Where the corporate credit union is liquidated, paid-in capital accounts are payable only after satisfaction of all liabilities of the liquidation estate including uninsured obligations to shareholders and the NCUSIF, and membership capital holders.

(7) Where the corporate credit union is merged into another corporate credit union, the paid-in capital account will transfer to the continuing corporate credit union.

(8) Paid-in capital is perpetual maturity and noncumulative dividend.

I have read the above terms and conditions and I understand them. I further agree to maintain in the credit union's files the annual notice of terms and conditions of the paid-in capital instrument.

The notice form must be signed by either all of the directors of the credit union or, if authorized by board resolution, the chair and secretary of the board of the credit union.

APPENDIX B TO PART 704—EXPANDED AUTHORITIES AND REQUIREMENTS

A corporate credit union may obtain all or part of the expanded authorities contained in

this appendix if it meets the applicable requirements of Part 704 and appendix B, fulfills additional management, infrastructure, and asset and liability requirements, and receives NCUA's written approval. Additional guidance is set forth in the NCUA publication Guidelines for Submission of Requests for Expanded Authority.

A corporate credit union seeking expanded authorities must submit to NCUA a self-assessment plan supporting its request. A corporate credit union may adopt expanded authorities when NCUA has provided final approval. If NCUA denies a request for expanded authorities, it will advise the corporate credit union of the reason(s) for the denial and what it must do to resubmit its request. NCUA may revoke these expanded authorities at any time if an analysis indicates a significant deficiency. NCUA will notify the corporate credit union in writing of the identified deficiency. A corporate credit union may request, in writing, reinstatement of the revoked authorities by providing a self-assessment plan detailing how it has corrected the deficiency.

Minimum Requirement

In order to participate in any of the authorities set forth in Base-Plus, Part I, Part II, Part III, Part IV, and Part V of this appendix, a corporate credit union must evaluate monthly the changes in NEV and the NEV ratio for the tests set forth in §704.8(d)(1)(i).

BASE-PLUS

A corporate that has met the requirements for this Base-plus authority may, in performing the rate stress tests set forth in §704.8(d)(1)(i), allow its NEV to decline as much as 20 percent.

PART I

(a) A corporate credit union that has met the requirements for this Part I may:

- (1) Purchase investments with long-term ratings no lower than A– (or equivalent);

 - (3) Engage in short sales of permissible investments to reduce interest rate risk;
 - (4) Purchase principal only (PO) stripped mortgage-backed securities to reduce interest rate risk; and
 - (5) Enter into a dollar roll transaction.
- (b) Aggregate investments in repurchase and securities lending agreements with any one counterparty are limited to 300 percent of capital.

(c) In performing the rate stress tests set forth in §704.8(d)(1)(i), the NEV of a cor-

- (d) The maximum aggregate amount in unsecured loans and lines of credit to any one member credit union, excluding pass-through and guaranteed loans from the CLF and the NCUSIF, must not exceed 100 percent of the corporate credit union's capital. The board of directors must establish the limit, as a percent of the corporate credit union's capital plus pledged shares, for secured loans and lines of credit.

PART II

(a) A corporate credit union that has met the requirements for this Part II may:

- (1) Purchase investments with long-term ratings no lower than BBB (flat) (or equivalent). The aggregate of all investments rated BBB+ (or equivalent) or lower in any single obligor is not to exceed 25 percent of capital;
 - (2) Purchase investments with short-term ratings no lower than A–2 (or equivalent), provided that the issuer has a long-term rating no lower than BBB (flat) (or equivalent) or the investment is a domestically issued asset-backed security;

(c) In performing the rate stress tests set forth in §704.8(d)(1)(i), the NEV of a corporate credit union which has met the requirements of this Part II may decline as much as:

- (1) 20 percent;
- (2) 28 percent if the corporate credit union has a 5 percent minimum capital ratio and is specifically approved by NCUA; or
- (3) 35 percent if the corporate credit union has a 6 percent minimum capital ratio and is specifically approved by NCUA.

(d) The maximum aggregate amount in unsecured loans and lines of credit to any one member credit union, excluding pass-through and guaranteed loans from the CLF and the NCUSIF, must not exceed 100 percent of the corporate credit union's capital. The board of directors must establish the limit, as a percent of the corporate credit union's capital plus pledged shares, for secured loans and lines of credit.

- (1) Create structured products;
- (2) Manage its own balance sheet; and
- (3) Hedge the balance sheets of its members.

(b) Credit Ratings:

(1) All derivative transactions are subject to the following requirements:

(i) If the counterparty is domestic, the counterparty rating must be no lower than the minimum permissible rating for comparable term permissible investments; and

(ii) If the counterparty is foreign, the corporate must have Part III expanded authority and the counterparty rating must be no lower than the minimum permissible rating for a comparable term investment under Part III Authority.

(iii) Any rating(s) relied upon to meet the requirements of this part must be identified at the time the transaction is entered into and must be monitored for as long as the contract remains open.

(iv) Section 704.10 of this part if:

(A) one rating was relied upon to meet the requirements of this part and that rating is downgraded below the minimum rating requirements of this part; or

(a) The maximum aggregate amount of participation loans with any one member credit union must not exceed 25 percent of capital; and

§ 705.6 Community needs plan.

(a) The credit union's board of directors will prepare a Community Needs Plan and submit it with its loan application. The Plan will contain a list of needed community services that the credit union will provide.

(b) The credit union's board of directors will report on the progress of providing needed community services to the credit union members once a year, either at the annual meeting or in a written report sent to all members. The credit union will also submit the written report or a summary of the report given at the annual meeting to NCUA.

§ 705.7 Loans to participating credit unions.

(a) *Amount and recording of loans.* A participating credit union will be eligible to receive up to \$300,000 in the aggregate, as determined by the NCUA Board, in the form of a loan from the Community Development Revolving

Loan Fund for Credit Unions. The amount of the loan will be based on funds availability, the creditworthiness of the participating credit union, financial need, and a demonstrated capability of a participating credit union to provide financial and related services to its members. At the discretion of NCUA, a loan will be recorded by a participating credit union as either a note payable or a nonmember deposit.

(b) *Matching requirements.* Participating credit unions will be encouraged to develop, as rapidly as possible, a permanent source of member shares.

(1) Generally loan monies made available must be matched by the participating credit union by increasing its share deposits in an amount equal to the loan amount. However, any loan monies matched by member share deposits will be credited as a two-for-one match. Nonmember share deposits accepted to meet the matching requirement are not subject to the 20% limitation on nonmember deposits under § 701.32. Participating credit unions must meet this matching requirement within one year of the approval of the loan application and must maintain the increase in the total amount of share deposits for the duration of the loan. Once the loan is repaid, nonmember share deposits accepted to meet the matching requirement are subject to § 701.32.

(2) Upon approval of its loan application, and before it meets its matching requirement, a participating credit union may receive the entire loan commitment in a single payment. If any funds are withheld, the remainder of the funds committed will be available to the participating credit union only after it has documented that it has met the match requirement for the total amount of the loan committed.

(3) Failure of a participating credit union to generate the required match within one year of the approval of the loan will result in the reduction of the loan proportionate to the amount of match actually generated. Payment of any additional funds initially approved will be limited as appropriate to reflect the revised amount of the loan approved. Any funds already advanced to the participating credit union in excess of the revised amount of loan approval

§ 705.8

must be repaid immediately to NCUA. Failure to repay such funds to NCUA upon demand shall result in the default of the entire loan.

(c) *Terms and repayment.* (1) Assistance made available through Program loans, whether recorded by the credit union as a note payable or nonmember deposit at NCUA's direction, is in the form of a loan and must be repaid to NCUA. All loans will be scheduled for repayment within the shortest time compatible with sound business practices and with objectives of the Program, but in no case will the term exceed five years.

(2) Semiannual interest payments (beginning six months after the initial distribution of a loan) and semiannual principal payments (beginning one year after the initial distribution of a loan) will be required.

(d) *Interest rates.* Loans made under this part shall bear interest at a fixed annual percentage rate of not more than 3 percent and not less than 1 percent as determined by the NCUA Board.

(e) *Default, collections and adjustments.* The terms of each loan agreement shall provide for the immediate acceleration of the unpaid balance for breach or default in the performance by the participating credit union of the terms or conditions of the loan. This will include misrepresentation, default in making interest/principal payments, failure to report, insolvency, failure to maintain adequate match for the duration of the loan period, etc. The unpaid balance will also be accelerated and immediately due if any part of the loan funds are improperly used, or if uninvested loan proceeds remain unused for an unreasonable or unjustified period of time.

[58 FR 21646, Apr. 23, 1993, as amended at 61 FR 50696, Sept. 27, 1996]

§ 705.8 State-chartered credit unions.

State-chartered credit union loan applicants approved for participation by NCUA must obtain written concurrence from their respective state regulatory authority. Such applicants shall make copies of their state examination reports available to NCUA and shall agree to examination by NCUA for the

12 CFR Ch. VII (1–1–10 Edition)

limited purpose of compliance with this part.

§ 705.9 Application period.

NCUA will announce annually and publish in the FEDERAL REGISTER when applications for participation in the program may be submitted. Such notice will be dependent upon the availability of funds.

§ 705.10 Technical assistance.

NCUA may provide technical assistance to participating credit unions directly or through outside providers selected by the credit unions or NCUA. NCUA will base technical assistance on funds availability, the needs of the participating credit union, and a demonstrated capability of the participating credit union to provide financial and related services to its members. NCUA will consider applications for technical assistance and determine whether to grant them in accordance with established procedures and standards that are publicly available. Participating credit unions can be provided with technical assistance without obtaining a Program loan. NCUA technical assistance will aid participating credit unions in providing services to their members and in the efficient operation of such credit unions.

EFFECTIVE DATE NOTE: At 74 FR 5575, Jan. 29, 2009, part 706 was revised, effective July 1, 2010. The revised text follows this part.

§ 706.1 Definitions.

(a) *Person.* An individual, corporation, or other business organization.

National Credit Union Administration

§ 706.3

(b) *Consumer*. A natural person member who seeks or acquires goods, services, or money for personal, family, or household use.

(c) *Obligation*. An agreement between a consumer and a Federal credit union.

(d) *Debt*. Money that is due or alleged to be due from one to another.

(e) *Earnings*. Compensation paid or payable to an individual or for his or her account for personal services rendered or to be rendered by him or her, whether denominated as wages, salary, commission, bonus, or otherwise, including periodic payments pursuant to a pension, retirement, or disability program.

(f) *Household goods*. Clothing, furniture, appliances, one radio and one television, linens, china, crockery, kitchenware, and personal effects (including wedding rings) of the consumer and his or her dependents, provided that the following are not included within the scope of the term "household goods":

(1) Works of art;

(2) Electronic entertainment equipment (except one television and one radio);

(3) Items acquired as antiques; and

(4) Jewelry (except wedding rings).

(g) *Antique*. Any item over one hundred years of age, including such items that have been repaired or renovated without changing their original form or character.

(h) *Cosigner*. A natural person who renders himself or herself liable for the obligation of another person without receiving goods, services, or money in return for the credit obligation, or, in the case of an open-end credit obligation, without receiving the contractual right to obtain extensions of credit under the obligation. The term includes any person whose signature is requested as a condition to granting credit to a consumer, or as a condition for forbearance on collection of a consumer's obligation that is in default. The term does not include a spouse whose signature is required on a credit obligation to perfect a security interest pursuant to state law. A person is a cosigner within the meaning of this definition whether or not he or she is designated as such on a credit obligation.

§ 706.2 Unfair credit practices.

(a) In connection with the extension of credit to consumers, it is an unfair act or practice for a Federal credit union, directly or indirectly, to take or receive from a consumer an obligation that:

(1) Constitutes or contains a cognovit or confession of judgment (for purposes other than executory process in the State of Louisiana), warrant of attorney, or other waiver of the right to notice and the opportunity to be heard in the event of suit or process thereon.

(2) Constitutes or contains an executory waiver or a limitation of exemption from attachment, execution, or other process on real or personal property held, owned by, or due to the consumer, unless the waiver applies solely to property subject to a security interest executed in connection with the obligation.

(3) Constitutes or contains an assignment of wages or other earnings unless:

(i) The assignment by its terms is revocable at the will of the debtor, or

(ii) The assignment is a payroll deduction plan or preauthorized payment plan, commencing at the time of the transaction, in which the consumer authorizes a series of wage deductions as a method of making each payment, or

(iii) The assignment applies only to wages or other earnings already earned at the time of the assignment.

(4) Constitutes or contains a nonpossessory security interest in household goods other than a purchase money security interest.

§ 706.3 Unfair or deceptive cosigner practices.

(a) *Prohibited practices*. In connection with the extension of credit to consumers, it is:

(1) A deceptive act or practice for a Federal credit union, directly or indirectly, to misrepresent the nature or extent of cosigner liability to any person.

(2) An unfair act or practice for a Federal credit union, directly or indirectly, to obligate a cosigner unless the cosigner is informed prior to becoming obligated, which in the case of open-end credit means prior to the time that the agreement creating the cosigner's liability for future charges is executed,

§ 706.4

of the nature of his or her liability as cosigner.

(b) *Disclosure requirement.* (1) To comply with the cosigner information requirement of paragraph (a)(2) of this section, a clear and conspicuous disclosure statement shall be given in writing to the cosigner prior to becoming obligated. The disclosure statement will contain only the following statement, or one which is substantially equivalent, and shall either be a separate document or included in the documents evidencing the consumer credit obligation.

NOTICE TO COSIGNER

You are being asked to guarantee this debt. Think carefully before you do. If the borrower doesn't pay the debt, you will have to. Be sure you can afford to pay if you have to, and that you want to accept this responsibility.

You may have to pay up to the full amount of the debt if the borrower does not pay. You may also have to pay late fees or collection costs, which increase this amount.

The creditor can collect this debt from you without first trying to collect from the borrower. The creditor can use the same collection methods against you that can be used against the borrower, such as suing you, garnishing your wages, etc. If this debt is ever in default, that fact may become a part of your credit record.

This notice is not the contract that makes you liable for the debt.

(2) If the notice to cosigner is a separate document, nothing other than the following items may appear with the notice. Items (i) through (v) may not be part of the narrative portion of the notice to cosigner.

(i) The name and address of the Federal credit union;

(ii) An identification of the debt to be consigned (e.g., a loan identification number);

(iii) The amount of the loan;

(iv) The date of the loan;

(v) A signature line for a cosigner to acknowledge receipt of the notice; and

(vi) To the extent permitted by state law, a cosigner notice required by state law may be included in the paragraph (b)(1) notice.

(3) To the extent the notice to cosigner specified in paragraph (b)(1) of this section refers to an action against a cosigner that is not permitted by

12 CFR Ch. VII (1–1–10 Edition)

state law, the notice to cosigner may be modified.

§ 706.4 Late charges.

(a) In connection with collecting a debt arising out of an extension of credit to a consumer, it is an unfair act or practice for a Federal credit union, directly or indirectly, to levy or collect any delinquency charge on a payment, which payment is otherwise a full payment for the applicable period and is paid on its due date or within an applicable grace period, when the only delinquency is attributable to late fee(s) or delinquency charge(s) assessed on earlier installment(s).

(b) For purposes of this section, “collecting a debt” means any activity other than the use of judicial process that is intended to bring about or does bring about repayment of all or part of a consumer debt.

§ 706.5 State exemptions.

(a) If, upon application to the NCUA by an appropriate state agency, the NCUA determines that:

(1) There is a state requirement or prohibition in effect that applies to any transaction to which a provision of this rule applies; and

(2) The state requirement or prohibition affords a level of protection to consumers that is substantially equivalent to, or greater than, the protection afforded by this rule; then that provision of this rule will not be in effect in the state to the extent specified by the NCUA in its determination, for as long as the state administers and enforces the state requirement or prohibition effectively.

(b) States that received an exemption from the Federal Trade Commission's Credit Practices Rule prior to September 17, 1987, are not required to re-apply to NCUA for an exemption under paragraph (a) of this section provided that the state forwards a copy of its exemption determination to the appropriate Regional Office. NCUA will honor the exemption for as long as the state administers and enforces the state requirement or prohibition effectively. Any state seeking a greater exemption than that granted to it by the Federal Trade Commission must apply to NCUA for the exemption.

§ 706.11 Definitions.

For purposes of this subpart, the following definitions apply:

Consumer means a natural person member who seeks or acquires goods, services, or money for personal, family, or household purposes, other than for the purchase of real property, and who applies for or is extended *consumer credit*.

Consumer credit means credit extended to a natural person member for personal, family, or household purposes. It includes consumer loans; educational loans; unsecured loans for real property alteration, repair or improvement, or for the equipping of real property; overdraft loans; and credit cards. It also includes loans secured by liens on real estate and chattel liens secured by mobile homes and leases of personal property to consumers that may be considered the functional equivalent of loans on personal security but only if the federal credit union relies substantially upon other factors, such as the general credit standing of the borrower, guaranties, or security other than the real estate or mobile home, as the primary security for the loan.

Earnings means compensation paid or payable to an individual or for the individual's account for personal services rendered or to be rendered by the individual, whether denominated as wages, salary, commission, bonus, or otherwise, including periodic payments pursuant to a pension, retirement, or disability program.

Obligation means an agreement between a consumer and a federal credit union.

Person means an individual, corporation, or other business organization.

§ 706.12 Unfair credit contract provisions.

It is an unfair act or practice for a federal credit union, directly or indirectly, to enter into a consumer credit obligation that constitutes or contains, or to enforce in a consumer credit obligation the federal credit union purchased, any of the following provisions:

(a) *Confession of judgment.* A cognovit or confession of judgment (for purposes other than executory process in the State of Louisiana), warrant of attorney, or other waiver of the right to notice and the opportunity to be heard in the event of suit or process thereon.

(b) *Waiver of exemption.* An executory waiver or a limitation of exemption from attachment, execution, or other process on real or personal property held, owned by, or due to the consumer, unless the waiver applies solely to property subject to a security interest executed in connection with the obligation.

(c) *Assignment of wages.* An assignment of wages or other earnings unless:

(1) The assignment by its terms is revocable at the will of the debtor;

(2) The assignment is a payroll deduction plan or preauthorized payment plan, commencing at the time of the transaction, in which the consumer authorizes a series of wage deductions as a method of making each payment; or

(3) The assignment applies only to wages or other earnings already earned at the time of the assignment.

(d) *Security interest in household goods.* A nonpossessory security interest in household goods other than a purchase-money security interest. For purposes of this paragraph, *household goods*:

(1) Means clothing, furniture, appliances, linens, china, crockery, kitchenware, and personal effects of the consumer and the consumer's dependents.

(2) Does not include:

(i) Works of art;

(ii) Electronic entertainment equipment (except one television and one radio);

(iii) Antiques (any item over one hundred years of age, including such items that have been repaired or renovated without changing their original form or character); or

(iv) Jewelry (other than wedding rings).

§ 706.13 Unfair or deceptive cosigner practices.

(a) *Prohibited deception.* It is a deceptive act or practice for a federal credit union, directly or indirectly in connection with the extension of credit to consumers, to misrepresent the nature or extent of cosigner liability to any person.

(b) *Prohibited unfairness.* It is an unfair act or practice for a federal credit union, directly or indirectly in connection with the extension of credit to consumers, to obligate a cosigner unless the cosigner is informed, before becoming obligated, of the nature of the cosigner's liability.

(c) *Disclosure requirement*—(1) *Disclosure statement.* A clear and conspicuous statement must be given in writing to the cosigner before becoming obligated. In the case of open-end credit, the disclosure statement must be given to the cosigner before the time that the cosigner becomes obligated for any fees or transactions on the account. The disclosure statement must contain the following statement or one that is substantially similar:

NOTICE OF COSIGNER

You are being asked to guarantee this debt. Think carefully before you do. If the borrower doesn't pay the debt, you will have to. Be sure you can afford to pay if you have to, and that you want to accept this responsibility.

You may have to pay up to the full amount of the debt if the borrower does not pay. You may also have to pay late fees or collection costs, which increase this amount.

The creditor can collect this debt from you without first trying to collect from the borrower. The creditor can use the same collection methods against you that can be used against the borrower, such as suing you, garnishing your wages, etc. If this debt is ever in default, that fact may become a part of your credit record.

(2) *Compliance.* Compliance with paragraph (c)(1) of this section constitutes compliance with the consumer disclosure requirement in paragraph (b) of this section.

(3) *Additional content limitations.* If the notice is a separate document, nothing other than the following items may appear with the notice:

(i) The federal credit union's name and address;

(ii) An identification of the debt to be co-signed (*e.g.*, a loan identification number);

(iii) The date (of the transaction); and

(iv) The statement, "This notice is not the contract that makes you liable for the debt."

(d) *Cosigner defined*—(1) *Cosigner* means a natural person who assumes liability for the obligation of a consumer without receiving goods, services, or money in return for the obligation, or, in the case of an open-end credit obligation, without receiving the contractual right to obtain extensions of credit under the account.

(2) *Cosigner* includes any person whose signature is requested as a condition to granting credit to a consumer, or as a condition for forbearance on collection of a consumer's obligation that is in default. The term does not include a spouse or other person whose signature is required on a credit obligation to perfect a security interest pursuant to state law.

(3) A person who meets the definition in this paragraph is a cosigner, whether or not the person is designated as such on a credit obligation.

§ 706.14 Unfair late charges.

(a) *Prohibition.* In connection with collecting a debt arising out of an extension of credit to a consumer, it is an unfair act or practice for a federal credit union, directly or indirectly, to levy or collect any delinquency charge on a payment, when the only delinquency is attributable to late fees or delinquency charges assessed on earlier installments and the payment is otherwise a full payment for the applicable period and is paid on its due date or within an applicable grace period.

(b) *Collecting a debt defined.* *Collecting a debt* means, for the purposes of this section, any activity, other than the use of judicial process, that is intended to bring about or does

bring about repayment of all or part of money due (or alleged to be due) from a consumer.

§§ 706.15–706.20 [Reserved]

Subpart C—Consumer Credit Card Account Practices Rule

§ 706.21 Definitions.

For purposes of this subpart, the following definitions apply:

Annual percentage rate means the product of multiplying each periodic rate for a balance or transaction on a consumer credit card account by the number of periods in a year. The term “periodic rate” has the same meaning as in 12 CFR 226.2.

Consumer means a natural person member to whom credit is extended under a consumer credit card account or a natural person who is a co-obligor or guarantor of a consumer credit card account.

Consumer credit card account means an account provided to a consumer primarily for personal, family, or household purposes under an open-end credit plan that is accessed by a credit card or charge card. The terms “open-end credit,” “credit card,” and “charge card” have the same meanings as in 12 CFR 226.2. The following are not consumer credit card accounts for purposes of this subpart:

- (1) Home equity plans subject to the requirements of 12 CFR 226.5b that are accessible by a credit or charge card;
- (2) Overdraft lines of credit tied to asset accounts accessed by check-guarantee cards or by debit cards;
- (3) Lines of credit accessed by check-guarantee cards or by debit cards that can be used only at automated teller machines; and
- (4) Lines of credit accessed solely by account numbers.

§ 706.22 Unfair time to make payment.

(a) *General rule.* Except as provided in paragraph (c) of this section, a federal credit union must not treat a payment on a consumer credit card account as late for any purpose unless the consumer has been provided a reasonable amount of time to make the payment.

(b) *Compliance with general rule—(1) Establishing compliance.* A federal credit union must be able to establish that it has complied with paragraph (a) of this section.

(2) *Safe harbor.* A federal credit union complies with paragraph (a) of this section if it has adopted reasonable procedures designed to ensure that periodic statements specifying the payment due date are mailed or delivered to consumers at least 21 days before the payment due date.

(c) *Exception for grace periods.* Paragraph (a) of this section does not apply to any time period a federal credit union provides within

which the consumer may repay any portion of the credit extended without incurring an additional finance charge.

§ 706.23 Unfair allocation of payments.

When different annual percentage rates apply to different balances on a consumer credit card account, a federal credit union must allocate any amount paid by the consumer in excess of the required minimum periodic payment among the balances using one of the following methods:

(a) *High-to-low method.* The amount paid by the consumer in excess of the required minimum periodic payment is allocated first to the balance with the highest annual percentage rate and any remaining portion to the other balances in descending order based on the applicable annual percentage rate.

(b) *Pro rata method.* The amount paid by the consumer in excess of the required minimum periodic payment is allocated among the balances in the same proportion as each balance bears to the total balance.

§ 706.24 Unfair increases in annual percentage rates.

(a) *General rule.* At account opening, a federal credit union must disclose the annual percentage rates that will apply to each category of transactions on the consumer credit card account. A federal credit union must not increase the annual percentage rate for a category of transactions on any consumer credit card account except as provided in paragraph (b) of this section.

(b) *Exceptions.* The prohibition in paragraph (a) of this section on increasing annual percentage rates does not apply where an annual percentage rate may be increased pursuant to one of the exceptions in this paragraph.

(1) *Account opening disclosure exception.* An annual percentage rate for a category of transactions may be increased to a rate disclosed at account opening upon expiration of a period of time disclosed at account opening.

(2) *Variable rate exception.* An annual percentage rate for a category of transactions that varies according to an index that is not under the federal credit union's control and is available to the general public may be increased due to an increase in the index.

(3) *Advance notice exception.* An annual percentage rate for a category of transactions may be increased pursuant to a notice under 12 CFR 226.9(c) or (g) for transactions that occur more than seven days after provision of the notice. This exception does not permit an increase in any annual percentage rate during the first year after the account is opened.

(4) *Delinquency exception.* An annual percentage rate may be increased due to the federal credit union not receiving the consumer's required minimum periodic payment

within 30 days after the due date for that payment.

(5) *Workout arrangement exception.* An annual percentage rate may be increased due to the consumer's failure to comply with the terms of a workout arrangement between the federal credit union and the consumer, provided that the annual percentage rate applicable to a category of transactions following any such increase does not exceed the rate that applied to that category of transactions prior to commencement of the workout arrangement.

(c) *Treatment of protected balances.* For purposes of this paragraph, "protected balance" means the amount owed for a category of transactions to which an increased annual percentage rate cannot be applied after the rate for that category of transactions has been increased pursuant to paragraph (b)(3) of this section.

(1) *Repayment.* A federal credit union must provide the consumer with one of the following methods of repaying a protected balance or a method that is no less beneficial to the consumer than one of the following methods:

(i) An amortization period of no less than five years, starting from the date on which the increased rate becomes effective for the category of transactions; or

(ii) A required minimum periodic payment that includes a percentage of the protected balance that is no more than twice the percentage required before the date on which the increased rate became effective for the category of transactions.

(2) *Fees and charges.* A federal credit union must not assess any fee or charge based solely on a protected balance.

§ 706.25 Unfair balance computation method.

(a) *General rule.* Except as provided in paragraph (b) of this section, a federal credit union must not impose finance charges on balances on a consumer credit card account based on balances for days in billing cycles that precede the most recent billing cycle as a result of the loss of any time period provided by the federal credit union within which the consumer may repay any portion of the credit extended without incurring a finance charge.

(b) *Exceptions.* Paragraph (a) of this section does not apply to:

(1) Adjustments to finance charges as a result of the resolution of a dispute under 12 CFR 226.12 or 12 CFR 226.13; or

(2) Adjustments to finance charges as a result of the return of a payment for insufficient funds.

§ 706.26 Unfair charging of security deposits and fees for the issuance or availability of credit to consumer credit card accounts.

(a) *Limitation for first year.* During the first year, a federal credit union must not charge to a consumer credit card account security deposits and fees for the issuance or availability of credit that in total constitute a majority of the initial credit limit for the account.

(b) *Limitations for first billing cycle and subsequent billing cycles—(1) First billing cycle.* During the first billing cycle, the federal credit union must not charge to a consumer credit card account security deposits and fees for the issuance or availability of credit that in total constitute more than 25 percent of the initial credit limit for the account.

(2) *Subsequent billing cycles.* Any additional security deposits and fees for the issuance or availability of credit permitted by paragraph (a) of this section must be charged to the account in equal portions in no fewer than the five billing cycles immediately following the first billing cycle.

(c) *Evasion prohibited.* A federal credit union must not evade the requirements of this section by providing the consumer additional credit to fund the payment of security deposits and fees for the issuance or availability of credit that exceed the total amounts permitted by paragraphs (a) and (b) of this section.

(d) *Definitions.* For purposes of this section, the following definitions apply:

(1) *Fees for the issuance or availability of credit* means:

(i) Any annual or other periodic fee that may be imposed for the issuance or availability of a consumer credit card account, including any fee based on account activity or inactivity; and

(ii) Any non-periodic fee that relates to opening an account.

(2) *First billing cycle* means the first billing cycle after a consumer credit card account is opened.

(3) *First year* means the period beginning with the date on which a consumer credit card account is opened and ending twelve months from that date.

(4) *Initial credit limit* means the credit limit in effect when a consumer credit card account is opened.

APPENDIX A TO PART 706—OFFICIAL STAFF COMMENTARY

SUBPART A—GENERAL PROVISIONS FOR CONSUMER PROTECTION RULES

Section 706.1—Authority, Purpose, and Scope

1(c) Scope

1. *Penalties for noncompliance.* Administrative enforcement of the rule for federal credit unions may involve actions under section 206 of the Federal Credit Union Act (12 U.S.C. 1786), including cease-and-desist orders requiring that actions be taken to remedy violations and civil money penalties.

SUBPART C—CONSUMER CREDIT CARD ACCOUNT PRACTICES RULE

Section 706.22—Unfair Time To Make Payment

22(a) General Rule

1. *Treating a payment as late for any purpose.* Treating a payment as late for any purpose includes increasing the annual percentage rate as a penalty, reporting the consumer as delinquent to a credit reporting agency, or assessing a late fee or any other fee based on the consumer's failure to make a payment within the amount of time provided to make that payment under this section.

2. *Reasonable amount of time to make payment.* Whether an amount of time is reasonable for purposes of making a payment is determined from the perspective of the consumer, not the federal credit union. Under §706.22(b)(2), a federal credit union provides a reasonable amount of time to make a payment if it has adopted reasonable procedures designed to ensure that periodic statements specifying the payment due date are mailed or delivered to consumers at least 21 days before the payment due date.

22(b) Compliance With General Rule

1. *Reasonable procedures.* A federal credit union is not required to determine the specific date on which periodic statements are mailed or delivered to each consumer. A federal credit union provides a reasonable amount of time to make a payment if it has adopted reasonable procedures designed to ensure that periodic statements are mailed or delivered to consumers no later than a certain number of days after the closing date of the billing cycle and adds that number of days to the 21-day period in §706.24(b)(2) when determining the payment due date. For example, if a federal credit union has adopted reasonable procedures designed to ensure that periodic statements are mailed or delivered to consumers no later than three days after the closing date of the billing cycle, the payment due date on the periodic statement must be no less than 24 days after the closing date of the billing cycle.

2. *Payment due date.* For purposes of §706.22(b)(2), “payment due date” means the date by which a federal credit union requires the consumer to make the required minimum periodic payment in order to avoid being treated as late for any purpose, except as provided in §706.22(c).

3. *Example of alternative method of compliance.* Assume that, for a particular type of consumer credit card account, a federal credit union only provides periodic statements electronically and only accepts payments electronically, consistent with applicable law and regulatory guidance. Under these circumstances, the federal credit union could comply with §706.22(a) even if it does not provide periodic statements 21 days before the payment due date consistent with §706.22(b)(2).

Section 706.23—Unfair Allocation of Payments

1. *Minimum periodic payment.* Section 706.23 addresses the allocation of amounts paid by a consumer in excess of the minimum periodic payment required by a federal credit union. Section 706.23 does not limit or otherwise address a federal credit union's ability to determine, consistent with applicable law and regulatory guidance, the amount of the required minimum periodic payment or how that payment is allocated. A federal credit union may, but is not required to, allocate the required minimum periodic payment consistent with the requirements in §706.23 to the extent consistent with other applicable law or regulatory guidance.

2. *Adjustments of one dollar or less permitted.* When allocating payments, a federal credit union may adjust amounts by one dollar or less. For example, if a federal credit union is allocating \$100 pursuant to §706.23(b) among balances of \$1,000, \$2,000, and \$4,000, the federal credit union may apply \$14 to the \$1,000 balance, \$29 to the \$2,000 balance, and \$57 to the \$4,000 balance.

3. *Applicable balances and annual percentage rates.* Section 706.23 permits a federal credit union to allocate an amount paid by the consumer in excess of the required minimum periodic payment based on the balances and annual percentage rates on the date the preceding billing cycle ends, on the date the payment is credited to the account, or on any day between those two dates. For example, assume that the billing cycles for a consumer credit card account start on the first day of the month and end on the last day of the month. On the date the March billing cycle ends, March 31, the account has a purchase balance of \$500 at a variable annual percentage rate of 10% and a cash advance balance of \$200 at a variable annual percentage rate of 13%. On April 1, the rate for purchases increases to 13% and the rate for cash advances increases to 15% consistent with

§ 706.24(b)(2). On April 15, the purchase balance increases to \$700. On April 25, the federal credit union credits to the account \$400 paid by the consumer in excess of the required minimum periodic payment. Under § 706.23, the federal credit union may allocate the \$400 based on the balances in existence and rates in effect on any day from March 31 through April 25.

4. *Use of permissible allocation methods.* A federal credit union is not prohibited from changing the allocation method for a consumer credit card account or from using different allocation methods for different consumer credit card accounts, so long as the methods used are consistent with § 706.23. For example, a federal credit union may change from allocating to the highest rate balance first pursuant to § 706.23(a) to allocating pro rata pursuant to § 706.23(b) or vice versa. Similarly, a federal credit union may allocate to the highest rate balance first pursuant to § 706.23(a) on some of its accounts and allocate pro rata pursuant to § 706.23(b) on other accounts.

5. *Claims or defenses under Regulation Z, 12 CFR 226.12(c).* When a consumer has asserted a claim or defense against the card issuer pursuant to 12 CFR 226.12(c), a federal credit union must allocate consistent with 12 CFR 226.12 comment 226.12(c)-4.

6. *Balances with the same annual percentage rate.* When the same annual percentage rate applies to more than one balance on an account and a different annual percentage rate applies to at least one other balance on that account, § 706.23 does not require that a federal credit union use any particular method when allocating among the balances with the same annual percentage rate. Under these circumstances, a federal credit union may treat the balances with the same rate as a single balance or separate balances. *See* comments 23(a)-1.iv and 23(b)-2.iv.

23(a) High-to-Low Method

1. *Examples.* For purposes of the following examples, assume that none of the required minimum periodic payment is allocated to the balances discussed, unless otherwise stated.

i. Assume that a consumer's account has a cash advance balance of \$500 at an annual percentage rate of 15% and a purchase balance of \$1,500 at an annual percentage rate of 10% and that the consumer pays \$800 in excess of the required minimum periodic payment. A federal credit union using this method would allocate \$500 to pay off the cash advance balance and then allocate the remaining \$300 to the purchase balance.

ii. Assume that a consumer's account has a cash advance balance of \$500 at an annual percentage rate of 15% and a purchase balance of \$1,500 at an annual percentage rate of 10% and that the consumer pays \$400 in excess of the required minimum periodic pay-

ment. A federal credit union using this method would allocate the entire \$400 to the cash advance balance.

iii. Assume that a consumer's account has a cash advance balance of \$100 at an annual percentage rate of 15%, a purchase balance of \$300 at an annual percentage rate of 13%, and a \$600 protected balance on which the 10% annual percentage rate cannot be increased pursuant to § 706.24. If the consumer pays \$500 in excess of the required minimum periodic payment, a federal credit union using this method would allocate \$100 to pay off the cash advance balance, \$300 to pay off the purchase balance, and \$100 to the protected balance.

iv. Assume that a consumer's account has a cash advance balance of \$500 at an annual percentage rate of 15%, a purchase balance of \$1,000 at an annual percentage rate of 12%, and a transferred balance of \$2,000 that was previously at a discounted annual percentage rate of 5% but is now at an annual percentage rate of 12%. Assume also that the consumer pays \$800 in excess of the required minimum periodic payment. A federal credit union using this method would allocate \$500 to pay off the cash advance balance and allocate the remaining \$300 among the purchase balance and the transferred balance in the manner the federal credit union deems appropriate.

23(b) Pro Rata Method

1. *Total balance.* A federal credit union may, but is not required to, deduct amounts paid by the consumer's required minimum periodic payment when calculating the total balance for purposes of § 706.23(b)(3). *See* comment 23(b)-2.iii.

2. *Examples.* For purposes of the following examples, assume that none of the required minimum periodic payment is allocated to the balances discussed, unless otherwise stated, and that the amounts allocated to each balance are rounded to the nearest dollar.

i. Assume that a consumer's account has a cash advance balance of \$500 at an annual percentage rate of 15% and a purchase balance of \$1,500 at an annual percentage rate of 12% and that the consumer pays \$555 in excess of the required minimum periodic payment. A federal credit union using this method would allocate 25% of the amount (\$139) to the cash advance balance and 75% of the amount (\$416) to the purchase balance.

ii. Assume that a consumer's account has a cash advance balance of \$100 at an annual percentage rate of 15%, a purchase balance of \$300 at an annual percentage rate of 13%, and a \$600 protected balance on which the 10% annual percentage rate cannot be increased pursuant to § 706.24. If the consumer pays \$130 in excess of the required minimum periodic payment, a federal credit union using this method would allocate 10% of the amount

(\$13) to the cash advance balance, 30% of the amount (\$39) to the purchase balance, and 60% of the amount (\$78) to the protected balance.

iii. Assume that a consumer's account has a cash advance balance of \$300 at an annual percentage rate of 15% and a purchase balance of \$600 at an annual percentage rate of 13%. Assume also that the required minimum periodic payment is \$50 and that the federal credit union allocates this payment first to the balance with the lowest annual percentage rate, the \$600 purchase balance. If the consumer pays \$300 in excess of the \$50 minimum payment, a federal credit union using this method could allocate based on a total balance of \$850, consisting of the \$300 cash advance balance plus the \$550 purchase balance after application of the \$50 minimum payment. In this case, the federal credit union would apply 35% of the \$300 (\$105) to the cash advance balance and 65% of that amount (\$195) to the purchase balance. In the alternative, the federal credit union could allocate based on a total balance of \$900, which does not reflect the \$50 minimum payment. In that case, the federal credit union would apply one-third of the \$300 excess payment (\$100) to the cash advance balance and two-thirds (\$200) to the purchase balance.

iv. Assume that a consumer's account has a cash advance balance of \$500 at an annual percentage rate of 15%, a purchase balance of \$1,000 at an annual percentage rate of 12%, and a transferred balance of \$2,000 that was previously at a discounted annual percentage rate of 5%, but is now at an annual percentage rate of 12%. Assume also that the consumer pays \$800 in excess of the required minimum periodic payment. A federal credit union using this method would allocate 14% of the excess payment (\$112) to the cash advance balance and allocate the remaining 86% (\$688) among the purchase balance and the transferred balance in the manner the federal credit union deems appropriate.

Section 706.24—Unfair Increases in Annual Percentage Rates

1. *Relationship to Regulation Z, 12 CFR part 226.* A federal credit union that complies with the applicable disclosure requirements in Regulation Z, 12 CFR part 226, has complied with the disclosure requirements in § 706.24. See 12 CFR 226.5a, 226.6, 226.9. For example, a federal credit union may comply with the requirement in § 706.24(a) to disclose at account opening the annual percentage rates that will apply to each category of transactions by complying with the disclosure requirements in 12 CFR 226.5a regarding applications and solicitations and the requirements in 12 CFR 226.6 regarding account-opening disclosures. Similarly, in order to increase an annual percentage rate on new transactions pursuant to § 706.24(b)(3),

a federal credit union must comply with the disclosure requirements in 12 CFR 226.9(c) or (g). However, nothing in § 706.24 alters the requirements in 12 CFR 226.9(c) and (g) that creditors provide consumers with written notice at least 45 days prior to the effective date of certain increases in the annual percentage rates on open-end (not home-secured) credit plans.

24(a) General Rule

1. *Rates that will apply to each category of transactions.* Section 706.24(a) requires federal credit unions to disclose, at account opening, the annual percentage rates that will apply to each category of transactions on the account. A federal credit union cannot satisfy this requirement by disclosing at account opening only a range of rates or that a rate will be "up to" a particular amount.

2. *Application of prohibition on increasing rates.* Section 706.24(a) prohibits federal credit unions from increasing the annual percentage rate for a category of transactions on any consumer credit card account unless specifically permitted by one of the exceptions in § 706.24(b). The following examples illustrate the application of the rule:

1. Assume that, at account opening on January 1 of year one, a federal credit union discloses that the annual percentage rate for purchases is a non-variable rate of 1% and will apply for six months. The federal credit union also discloses that, after six months, the annual percentage rate for purchases will be a variable rate that is currently 9% and will be adjusted quarterly by adding a margin of 8 percentage points to a publicly-available index not under the federal credit union's control. Finally, the federal credit union discloses that the annual percentage rate for cash advances is the same variable rate that will apply to purchases after six months. The payment due date for the account is the twenty-fifth day of the month and the required minimum periodic payments are applied to accrued interest and fees but do not reduce the purchase and cash advance balances.

A. On January 15, the consumer uses the account to make a \$2,000 purchase and a \$500 cash advance. No other transactions are made on the account. At the start of each quarter, the federal credit union adjusts the variable rate that applies to the \$500 cash advance consistent with changes in the index, pursuant to § 706.24(b)(2). All required minimum periodic payments are received on or before the payment due date until May of year one, when the payment due on May 25 is received by the federal credit union on May 28. The federal credit union is prohibited by § 706.24 from increasing the rates that apply to the \$2,000 purchase, the \$500 cash advance, or future purchases and cash advances. Six months after account opening, July 1, the federal credit union applies the previously-

disclosed variable rate determined using an 8-point margin pursuant to §706.24(b)(1). Because no other increases in rate were disclosed at account opening, the federal credit union may not subsequently increase the variable rate that applies to the \$2,000 purchase and the \$500 cash advance, except due to increases in the index pursuant to §706.24(b)(2). On November 16, the federal credit union provides a notice pursuant to 12 CFR 226.9(c) informing the consumer of a new variable rate that will apply on January 1 of year two, calculated using the same index and an increased margin of 12 percentage points. On January 1 of year two, the federal credit union increases the margin used to determine the variable rate that applies to new purchases to 12 percentage points pursuant to §706.24(b)(3). On January 15 of year two, the consumer makes a \$300 purchase. The federal credit union applies the variable rate determined using the 12-point margin to the \$300 purchase but not the \$2,000 purchase.

B. Same facts as above, except that the required minimum periodic payment due on May 25 of year one is not received by the federal credit union until June 30 of year one. Because the federal credit union received the required minimum periodic payment more than 30 days after the payment due date, §706.24(b)(4) permits the federal credit union to increase the annual percentage rate applicable to the \$2,000 purchase, the \$500 cash advance, and future purchases and cash advances. However, the federal credit union must first comply with the notice requirements in 12 CFR 226.9(g). Thus, if the federal credit union provided a 12 CFR 226.9(g) notice on June 25 stating that all rates on the account would be increased to a non-variable penalty rate of 15%, the federal credit union could apply that 15% rate beginning on August 9, to all balances and future transactions.

ii. Assume that, at account opening on January 1 of year one, a federal credit union discloses that the annual percentage rate for purchases will increase as follows: A non-variable rate of 3% for six months; a non-variable rate of 8% for an additional six months; and thereafter a variable rate that is currently 13% and will be adjusted monthly by adding a margin of 5 percentage points to a publicly available index not under the federal credit union's control. The payment due date for the account is the fifteenth day of the month and the required minimum periodic payments are applied to accrued interest and fees but do not reduce the purchase balance. On January 15, the consumer uses the account to make a \$1,500 purchase. Six months after account opening, July 1, the federal credit union begins accruing interest on the \$1,500 purchase at the previously disclosed 8% non-variable rate pursuant to §706.24(b)(1). On September 15, the

consumer uses the account for a \$700 purchase. On November 16, the federal credit union provides a notice pursuant to 12 CFR 226.9(c) informing the consumer of a new variable rate that will apply on January 1 of year two, calculated using the same index and an increased margin of 8 percentage points. One year after account opening, January 1 of year two, the federal credit union begins accruing interest on the \$2,200 purchase balance at the previously disclosed variable rate determined using a 5-point margin pursuant to §706.24(b)(1). Because the variable rate determined using the 8-point margin was not disclosed at account opening, the federal credit union may not apply that rate to the \$2,200 purchase balance. Furthermore, because no other increases in rate were disclosed at account opening, the federal credit union may not subsequently increase the variable rate that applies to the \$2,200 purchase balance (except due to increases in the index pursuant to §706.24(b)(2)). The federal credit union may, however, apply the variable rate determined using the 8-point margin to purchases made on or after January 1 of year two pursuant to §706.24(b)(3).

iii. Assume that, at account opening on January 1 of year one, a federal credit union discloses that the annual percentage rate for purchases is a variable rate determined by adding a margin of 6 percentage points to a publicly available index outside of the federal credit union's control. The federal credit union also discloses that, to the extent consistent with §706.24 and other applicable law, a non-variable penalty rate of 15% may apply if the consumer makes a late payment. The due date for the account is the fifteenth of the month. On May 30 of year two, the account has a purchase balance of \$1,000. On May 31, the creditor provides a notice pursuant to 12 CFR 226.9(c) informing the consumer of a new variable rate that will apply on July 16 for all purchases made on or after June 8, calculated by using the same index and an increased margin of 8 percentage points. On June 7, the consumer makes a \$500 purchase. On June 8, the consumer makes a \$200 purchase. On June 25, the federal credit union has not received the payment due on June 15, and provides the consumer with a notice pursuant to 12 CFR 226.9(g) stating that the penalty rate of 15% will apply as of August 9, to all transactions made on or after July 2. On July 4, the consumer makes a \$300 purchase.

A. The payment due on June 15 of year two is received on June 25. On July 17, §706.24(b)(3) permits the federal credit union to apply the variable rate determined using the 8-point margin to the \$200 purchase made on June 8 but does not permit the federal credit union to apply this rate to the \$1,500 purchase balance. On August 9, §706.24(b)(3) permits the federal credit union to apply the

15% penalty rate to the \$300 purchase made on July 4, but does not permit the federal credit union to apply this rate to the \$1,500 purchase balance, which remains at the variable rate determined using the 6-point margin, or the \$200 purchase, which remains at the variable rate determined using the 8-point margin.

B. Same facts as above, except the payment due on September 15 of year two is received on October 20. Section 706.24(b)(4) permits the federal credit union to apply the 15% penalty rate to all balances on the account and to future transactions because it has not received payment within 30 days after the due date. However, in order to apply the 15% penalty rate to the entire \$2,000 purchase balance, the federal credit union must provide an additional notice pursuant to 12 CFR 226.9(g). This notice must be sent no earlier than October 16, which is the first day the account became more than 30 days delinquent.

C. Same facts as paragraph A above, except the payment due on June 15 of year two is received on July 20. Section 706.24(b)(4) permits the federal credit union to apply the 15% penalty rate to all balances on the account and to future transactions because it has not received payment within 30 days after the due date. Because the federal credit union provided a 12 CFR 226.9(g) notice on June 24 stating the 15% penalty rate, the federal credit union may apply the 15% penalty rate to all balances on the account as well as any future transactions on August 9, without providing an additional notice pursuant to 12 CFR 226.9(g).

24(b) Exceptions

24(b)(1) Account Opening Disclosure Exception

1. *Prohibited increases in rate.* Section § 706.24(b)(1) permits an increase in the annual percentage rate for a category of transactions to a rate disclosed at account opening upon expiration of a period of time that was also disclosed at account opening. Section 706.24(b)(1) does not permit application of increased rates that are disclosed at account opening but are contingent on a particular event or occurrence or may be applied at the federal credit union's discretion. The following examples illustrate rate increases that are not permitted by § 706.24(a):

i. Assume that a federal credit union discloses at account opening on January 1 of year one that a non-variable rate of 8% applies to purchases, but that all rates on an account may be increased to a non-variable penalty rate of 15% if a consumer's required minimum periodic payment is received after the payment due date, which is the fifteenth of the month. On March 1, the account has a \$2,000 purchase balance. The payment due on March 15 is not received until March 20. Sec-

tion 706.24 does not permit the federal credit union to apply the 15% penalty rate to the \$2,000 purchase balance. However, pursuant to § 706.24(b)(3), the federal credit union could provide a 12 CFR 226.9(c) or (g) notice on November 16, informing the consumer that, on January 1 of year two, the 15% rate (or a different rate) will apply to new transactions.

ii. Assume that a federal credit union discloses at account opening on January 1 of year one that a non-variable rate of 5% applies to transferred balances but that this rate will increase to a non-variable rate of 15% if the consumer does not use the account for at least \$200 in purchases each billing cycle. On July 1, the consumer transfers a balance of \$4,000 to the account. During the October billing cycle, the consumer uses the account for \$150 in purchases. Section 706.24 does not permit the federal credit union to apply the 15% rate to the \$4,000 transferred balance. However, pursuant to § 706.24(b)(3), the federal credit union could provide a 12 CFR 226.9(c) or (g) notice on November 16 informing the consumer that, on January 1 of year two, the 15% rate, or a different rate, will apply to new transactions.

iii. Assume that a federal credit union discloses at account opening on January 1 of year one that interest on purchases will be deferred for one year, although interest will accrue on purchases during that year at a non-variable rate of 15%. The federal credit union further discloses that, if all purchases made during year one are not paid in full by the end of that year, the federal credit union will begin charging interest on the purchase balance and new purchases at 15% and will retroactively charge interest on the purchase balance at a rate of 15% starting on the date of each purchase made during year one. On January 1 of year one, the consumer makes a purchase of \$1,500. No other transactions are made on the account. On January 1 of year two, \$500 of the \$1,500 purchase remains unpaid. Section 706.24 does not permit the federal credit union to reach back to charge interest on the \$1,500 purchase from January 1 through December 31 of year one. However, the federal credit union may apply the previously disclosed 15% rate to the \$500 purchase balance beginning on January 1 of year two pursuant to § 706.24(b)(1).

2. *Loss of grace period.* Nothing in § 706.24 prohibits a federal credit union from assessing interest due to the loss of a grace period to the extent consistent with § 706.25.

3. *Application of rate that is lower than disclosed rate.* Section 706.24(b)(1) permits an increase in the annual percentage rate for a category of transactions to a rate disclosed at account opening upon expiration of a period of time that was also disclosed at account opening. Nothing in § 706.24 prohibits a federal credit union from applying a rate that is lower than the disclosed rate upon expiration of the period. However, if a lower

rate is applied to an existing balance, the federal credit union cannot subsequently increase the rate on that balance unless it has provided the consumer with advance notice of the increase pursuant to 12 CFR 226.9(c). Furthermore, the federal credit union cannot increase the rate on that existing balance to a rate that is higher than the increased rate disclosed at account opening. The following example illustrates the application of this rule:

i. Assume that, at account opening on January 1 of year one, a federal credit union discloses that a non-variable annual percentage rate of 5% will apply to purchases for one year and discloses that, after the first year, the federal credit union will apply a variable rate that is currently 15% and is determined by adding a margin of 10 percentage points to a publicly available index not under the federal credit union's control. On December 31 of year one, the account has a purchase balance of \$3,000.

A. On November 16 of year one, the federal credit union provides a notice pursuant to 12 CFR 226.9(c) informing the consumer of a new variable rate that will apply on January 1 of year two, calculated using the same index and a reduced margin of 8 percentage points. The notice further states that, on July 1 of year two, the margin will increase to the margin disclosed at account opening, 5 percentage points. On July 1 of year two, the federal credit union increases the margin used to determine the variable rate that applies to new purchases to 10 percentage points and applies that rate to any remaining portion of the \$3,000 purchase balance pursuant to § 706.24(b)(1).

B. Same facts as above, except that the federal credit union does not send a notice on November 16 of year one. Instead, on January 1 of year two, the federal credit union lowers the margin used to determine the variable rate to 8 percentage points and applies that rate to the \$3,000 purchase balance and to new purchases. 12 CFR 226.9 does not require advance notice in these circumstances. However, unless the account becomes more than 30 days delinquent, the federal credit union may not subsequently increase the rate that applies to the \$3,000 purchase balance except due to increases in the index pursuant to § 706.24(b)(2).

24(b)(2) Variable Rate Exception

1. *Increases due to increase in index.* Section 706.24(b)(2) provides that an annual percentage rate for a category of transactions that varies according to an index that is not under the federal credit union's control and is available to the general public may be increased due to an increase in the index. This section does not permit a federal credit union to increase the annual percentage rate by changing the method used to determine a rate that varies with an index, such as by in-

creasing the margin, even if that change will not result in an immediate increase.

2. *External index.* A federal credit union may increase the annual percentage rate if the increase is based on an index or indices outside the federal credit union's control. A federal credit union may not increase the rate based on its own prime rate or cost of funds. A federal credit union is permitted, however, to use a published prime rate, such as that in the *Wall Street Journal*, even if the federal credit union's own prime rate is one of several rates used to establish the published rate.

3. *Publicly available.* The index or indices must be available to the public. A publicly available index need not be published in a newspaper, but it must be one the consumer can independently obtain, by telephone, for example, and use to verify the rate applied to the outstanding balance.

4. *Changing a non-variable rate to a variable rate.* Section 706.24 generally prohibits a federal credit union from changing a non-variable annual percentage rate to a variable rate because such a change can result in an increase in rate. However, § 706.24(b)(1) permits a federal credit union to change a non-variable rate to a variable rate if the change was disclosed at account opening. Furthermore, following the first year after the account is opened, § 706.24(b)(3) permits a federal credit union to change a non-variable rate to a variable rate with respect to new transactions, after complying with the notice requirements in 12 CFR 226.9(c) or (g). Finally, § 706.24(b)(4) permits a federal credit union to change a non-variable rate to a variable rate if the required minimum periodic payment is not received within 30 days of the payment due date, after complying with the notice requirements in 12 CFR 226.9(g).

5. *Changing a variable annual percentage rate to a non-variable annual percentage rate.* Nothing in § 706.24 prohibits a federal credit union from changing a variable annual percentage rate to an equal or lower non-variable rate. Whether the non-variable rate is equal to or lower than the variable rate is determined at the time the federal credit union provides the notice required by 12 CFR 226.9(c). For example, assume that on March 1 a variable rate that is currently 15% applies to a balance of \$2,000 and the federal credit union sends a notice pursuant to 12 CFR 226.9(c) informing the consumer that the variable rate will be converted to a non-variable rate of 14% effective April 17. On April 17, the federal credit union may apply the 14% non-variable rate to the \$2,000 balance and to new transactions even if the variable rate on March 2 or a later date was less than 14%.

6. *Substitution of index.* A federal credit union may change the index and margin used to determine the annual percentage rate

under § 706.24(b)(2) if the original index becomes unavailable, as long as historical fluctuations in the original and replacement indices were substantially similar, and as long as the replacement index and margin will produce a rate similar to the rate that was in effect at the time the original index became unavailable. If the replacement index is newly established and therefore does not have any rate history, it may be used if it produces a rate substantially similar to the rate in effect when the original index became unavailable.

24(b)(3) Advance Notice Exception

1. *First year after the account is opened.* A federal credit union may not increase an annual percentage rate pursuant to § 706.24(b)(3) during the first year after the account is opened. This limitation does not apply to accounts opened prior to July 1, 2010.

2. *Transactions that occur more than seven days after notice provided.* Section 706.24(b)(3) generally prohibits a federal credit union from applying an increased rate to transactions that occur within seven days after provision of the 12 CFR 226.9(c) or (g) notice. This prohibition does not, however, apply to transactions that are authorized within seven days after provision of the 12 CFR 226.9(c) or (g) notice but are settled more than seven days after the notice was provided.

3. Examples.

i. Assume that a consumer credit card account is opened on January 1 of year one. On March 14 of year two, the account has a purchase balance of \$2,000 at a non-variable annual percentage rate of 5%. On March 15, the federal credit union provides a notice pursuant to 12 CFR 226.9(c) informing the consumer that the rate for new purchases will increase to a non-variable rate of 15% on May 1. The notice further states that the 5% rate will apply for six months until November 1, and states that thereafter the federal credit union will apply a variable rate that is currently 15% and is determined by adding a margin of 10 percentage points to a publicly-available index that is not under the federal credit union's control. The seventh day after provision of the notice is March 22 and, on that date, the consumer makes a \$200 purchase. On March 24, the consumer makes a \$1,000 purchase. On May 1, § 706.24(b)(3) permits the federal credit union to begin accruing interest at 15% on the \$1,000 purchase made on March 24. The federal credit union is not permitted to apply the 15% rate to the \$2,200 purchase balance as of March 22. After six months, November 2, the federal credit union may begin accruing interest on any remaining portion of the \$1,000 purchase at the previously-disclosed variable rate determined using the 10-point margin.

ii. Same facts as above except that the \$200 purchase is authorized by the federal credit

union on March 22 but is not settled until March 23. On May 1, § 706.24(b)(3) permits the federal credit union to start charging interest at 15% on both the \$200 purchase and the \$1,000 purchase. The federal credit union is not permitted to apply the 15% rate to the \$2,000 purchase balance as of March 22.

iii. Same facts as in paragraph i above, except that on September 17 of year two, which is 45 days before expiration of the 18% non-variable rate, the federal credit union provides a notice pursuant to 12 CFR 226.9(c) informing the consumer that, on November 2, a new variable rate will apply to new purchases and any remaining portion of the \$1,000 balance, calculated by using the same index and a reduced margin of 10 percentage points. The notice further states that, on May 1 of year three, the margin will increase to the margin disclosed at account opening, 12 percentage points. On May 1 of year three, § 706.24(b)(3) permits the federal credit union to increase the margin used to determine the variable rate that applies to new purchases to 12 percentage points and to apply that rate to any remaining portion of the \$1,000 purchase as well as to new purchases. See comment 24(b)(1)-3. The federal credit union is not permitted to apply this rate to any remaining portion of the \$2,200 purchase balance as of March 22.

24(b)(5) Workout Arrangement Exception

1. *Scope of exception.* Nothing in § 706.24(b)(5) permits a federal credit union to alter the requirements of § 706.24 pursuant to a workout arrangement between a consumer and the federal credit union. For example, a federal credit union cannot increase an annual percentage rate pursuant to a workout arrangement unless otherwise permitted by § 706.24. In addition, a federal credit union cannot require the consumer to make payments with respect to a protected balance that exceed the payments permitted under § 706.24(c).

2. *Variable annual percentage rates.* If the annual percentage rate that applied to a category of transactions prior to commencement of the workout arrangement varied with an index consistent with § 706.24(b)(2), the rate applied to that category of transactions following an increase pursuant to § 706.24(b)(5) must be determined using the same formula, index and margin.

3. *Example.* Assume that, consistent with § 706.24(b)(4), the margin used to determine a variable annual percentage rate that applies to a \$5,000 balance is increased from 5 percentage points to 15 percentage points. Assume also that the federal credit union and the consumer subsequently agree to a workout arrangement that reduces the margin back to 5 points on the condition that the consumer pay a specified amount by the payment due date each month. If the consumer does not pay the agreed-upon amount by the

payment due date, the federal credit union may increase the margin for the variable rate that applies to the \$5,000 balance up to 15 percentage points. 12 CFR 226.9 does not require advance notice of this type of increase.

24(c) Treatment of Protected Balances

1. *Protected balances.* Because rates cannot be increased pursuant to §706.24(b)(3) during the first year after account opening, §706.24(c) does not apply to balances during the first year. Instead, the requirements in §706.24(c) apply only to “protected balances,” which are amounts owed for a category of transactions to which an increased annual percentage rate cannot be applied after the rate for that category of transactions has been increased pursuant to §706.24(b)(3). For example, assume that, on March 15 of year two, an account has a purchase balance of \$1,000 at a non-variable rate of 12% and that, on March 16, the federal credit union sends a notice pursuant to 12 CFR 226.9(c) informing the consumer that the rate for new purchases will increase to a non-variable rate of 15% on May 2. On March 20, the consumer makes a \$100 purchase. On March 24, the consumer makes a \$150 purchase. On May 2, §706.24(b)(3) permits the federal credit union to start charging interest at 15% on the \$150 purchase made on March 24 but does not permit the federal credit union to apply that 15% rate to the \$1,100 purchase balance as of March 23. Accordingly, §706.24(c) applies to the \$1,100 purchase balance as of March 23 but not the \$150 purchase made on March 24.

24(c)(1) Repayment

1. *No less beneficial to the consumer.* A federal credit union may provide a method of repaying the protected balance that is different from the methods listed in §706.24(c)(1) so long as the method used is no less beneficial to the consumer than one of the listed methods. A method is no less beneficial to the consumer if the method amortizes the protected balance in five years or longer or if the method results in a required minimum periodic payment that is equal to or less than a minimum payment calculated consistent with §706.24(c)(1)(ii). For example, a federal credit union could increase the percentage of the protected balance included in the required minimum periodic payment from 2% to 5% so long as doing so would not result in amortization of the protected balance in less than five years. Alternatively, a federal credit union could require a consumer to make a minimum payment that amortizes the protected balance in less than five years so long as the payment does not include a percentage of the balance that is more than twice the percentage included in the minimum payment before the effective

date of the increased rate. For example, a federal credit union could require the consumer to make a minimum payment that amortizes the protected balance in four years so long as doing so would not more than double the percentage of the balance included in the minimum payment prior to the effective date of the increased rate.

2. *Lower limit for required minimum periodic payment.* If the required minimum periodic payment under §706.24(c)(1)(i) or (c)(1)(ii) is less than the lower dollar limit for minimum payments established in the cardholder agreement before the effective date of the rate increase, the federal credit union may set the minimum payment consistent with that limit. For example, if at account opening the cardholder agreement stated that the required minimum periodic payment would be either the total of fees and interest charges plus 1% of the total amount owed or \$20, whichever is greater, the federal credit union may require the consumer to make a minimum payment of \$20 even if doing so would pay off the protected balance in less than five years or constitute more than 2% of the protected balance plus fees and interest charges.

Paragraph 24(c)(1)(i)

1. *Amortization period starting from date on which increased rate becomes effective.* Section 706.24(c)(1)(i) provides for an amortization period for the protected balance of no less than five years, starting from the date on which the increased annual percentage rate becomes effective. A federal credit union is not required to recalculate the required minimum periodic payment for the protected balance if, during the amortization period, that balance is reduced as a result of the allocation of amounts paid by the consumer in excess of the minimum payment consistent with §706.23 or any other practice permitted by these rules and other applicable law.

2. *Amortization when applicable annual percentage rate is variable.* If the annual percentage rate that applies to the protected balance varies with an index consistent with §706.24(b)(2), the federal credit union may adjust the interest charges included in the required minimum periodic payment for that balance accordingly in order to ensure that the outstanding balance is amortized in five years. For example, assume that a variable rate that is currently 10% applies to a protected balance and that, in order to amortize that balance in five years, the required minimum periodic payment must include a specific amount of principal plus all accrued interest charges. If the 10% variable rate increases due to an increase in the index, the federal credit union may increase the required minimum periodic payment to include the additional interest charges.

Paragraph 24(c)(1)(ii)

1. *Required minimum periodic payment on other balances.* Section 706.24(c)(1)(ii) addresses the required minimum periodic payment on the protected balance. Section 706.24(c)(1)(ii) does not limit or otherwise address the federal credit union's ability to determine the amount of the required minimum periodic payment for other balances.

2. *Example.* Assume that the method used by a federal credit union to calculate the required minimum periodic payment for a consumer credit card account requires the consumer to pay either the total of fees and interest charges plus 1% of the total amount owed or \$20, whichever is greater. Assume also that the account has a purchase balance of \$2,000 at an annual percentage rate of 10% and a cash advance balance of \$500 at an annual percentage rate of 15% and that the federal credit union increases the rate for purchases to 15%, but does not increase the rate for cash advances. Under §706.24(c)(1)(ii), the federal credit union may require the consumer to pay fees and interest plus 2% of the \$2,000 purchase balance. Section 706.24(c)(1)(ii) does not prohibit the federal credit union from increasing the required minimum periodic payment for the cash advance balance.

24(c)(2) Fees and Charges

1. *Fee or charge based solely on the protected balance.* A federal credit union is prohibited from assessing a fee or charge based solely on balances to which §706.24(c) applies. For example, a federal credit union is prohibited from assessing a monthly maintenance fee that would not be charged if the account did not have a protected balance. A federal credit union is not, however, prohibited from assessing fees such as late payment fees or fees for exceeding the credit limit even if such fees are based in part on the protected balance.

Section 706.25—Unfair Balance Computation Method

25(a) General Rule

1. *Two-cycle method prohibited.* When a consumer ceases to be eligible for a time period provided by the federal credit union within which the consumer may repay any portion of the credit extended without incurring a finance charge, a grace period, the federal credit union is prohibited from computing the finance charge using the so-called two-cycle average daily balance computation method. This method calculates the finance charge using a balance that is the sum of the average daily balances for two billing cycles. The first balance is for the current billing cycle, and is calculated by adding the total balance, including or excluding new purchases and deducting payments and credits,

for each day in the billing cycle, and then dividing by the number of days in the billing cycle. The second balance is for the preceding billing cycle.

2. *Examples.*

i. Assume that the billing cycle on a consumer credit card account starts on the first day of the month and ends on the last day of the month. The payment due date for the account is the twenty-fifth day of the month. Under the terms of the account, the consumer will not be charged interest on purchases if the balance at the end of a billing cycle is paid in full by the following payment due date. The consumer uses the credit card to make a \$500 purchase on March 15. The consumer pays the balance for the February billing cycle in full on March 25. At the end of the March billing cycle, March 31, the consumer's balance consists only of the \$500 purchase and the consumer will not be charged interest on that balance if it is paid in full by the following due date, April 25. The consumer pays \$400 on April 25, leaving a \$100 balance. The federal credit union may charge interest on the \$500 purchase from the start of the April billing cycle, April 1, through April 24 and interest on the remaining \$100 from April 25 through the end of the April billing cycle, April 30. The federal credit union is prohibited, however, from reaching back and charging interest on the \$500 purchase from the date of purchase, March 15 to the end of the March billing cycle, March 31.

ii. Assume the same circumstances as in the previous example except that the consumer does not pay the balance for the February billing cycle in full on March 25 and therefore, under the terms of the account, is not eligible for a time period within which to repay the \$500 purchase without incurring a finance charge. With respect to the \$500 purchase, the federal credit union may charge interest from the date of purchase, March 15, through April 24 and interest on the remaining \$100 from April 25 through the end of the April billing cycle, April 30.

Section 706.26—Unfair Charging of Security Deposits and Fees for the Issuance or Availability of Credit to Consumer Credit Card Accounts

26(a) Limitation for First Year

1. *Majority of the credit limit.* The total amount of security deposits and fees for the issuance or availability of credit constitutes a majority of the initial credit limit if that total is greater than half of the limit. For example, assume that a consumer credit card account has an initial credit limit of \$500. Under §706.26(a), a federal credit union may charge to the account security deposits and fees for the issuance or availability of credit totaling no more than \$250 during the first year (consistent with §706.26(b)).

26(b) Limitations for First Billing Cycle and Subsequent Billing Cycles

1. *Adjustments of one dollar or less permitted.* When dividing amounts pursuant to § 706.26(b)(2), a federal credit union may adjust amounts by one dollar or less. For example, if a federal credit union is dividing \$87 over five billing cycles, the federal credit union may charge \$18 for two months and \$17 for the remaining three months.

2. *Examples.*

i. Assume that a consumer credit card account opened on January 1 has an initial credit limit of \$500. Assume also that the billing cycles for this account begin on the first day of the month and end on the last day of the month. Under § 706.26(a), the federal credit union may charge to the account no more than \$250 in security deposits and fees for the issuance or availability of credit during the first year after the account is opened. If it charges \$250, the federal credit union may charge up to \$125 during the first billing cycle. If it charges \$125 during the first billing cycle, it may then charge no more than \$25 in each of the next five billing cycles. If it chooses, the federal credit union may spread the additional security deposits and fees over a longer period, such as by charging \$12.50 in each of the ten billing cycles following the first billing cycle.

ii. Same facts as above except that on July 1 the federal credit union increases the credit limit on the account from \$500 to \$750. Because the prohibition in § 706.26(a) is based on the initial credit limit of \$500, the increase in credit limit does not permit the federal credit union to charge to the account additional security deposits and fees for the issuance or availability of credit, such as a fee for increasing the credit limit.

26(c) Evasion Prohibited

1. *Evasion.* Section 706.26(c) prohibits a federal credit union from evading the requirements of this section by providing the consumer with additional credit to fund the consumer's payment of security deposits and fees that exceed the total amounts permitted by § 706.26(a) and (b). For example, assume that on January 1 a consumer opens a consumer credit card account with an initial credit limit of \$400 and the federal credit union charges to that account \$100 in fees for the issuance or availability of credit. Assume also that the billing cycles for the account coincide with the days of the month and that the federal credit union will charge \$20 in fees for the issuance or availability of credit in the February, March, April, May, and June billing cycles. The federal credit union violates § 706.26(c) if it provides the consumer with a separate credit product to fund additional security deposits or fees for the issuance or availability of credit.

2. *Payment with funds not obtained from the federal credit union.* A federal credit union does not violate § 706.26(c) if it requires the consumer to pay security deposits or fees for the issuance or availability of credit using funds that are not obtained, directly or indirectly, from the federal credit union. For example, a federal credit union does not violate § 706.26(c) if a \$400 security deposit paid by a consumer to obtain a consumer credit card account with a credit line of \$400 is not charged to a credit account provided by the federal credit union or its affiliate.

26(d) Definitions

1. *Membership fees.* Membership fees for opening an account are fees for the issuance or availability of credit. A membership fee to join an organization that provides a credit or charge card as a privilege of membership is a fee for the issuance or availability of credit only if the card is issued automatically upon membership. If membership results merely in eligibility to apply for an account, then such a fee is not a fee for the issuance or availability of credit.

2. *Enhancements.* Fees for optional services in addition to basic membership privileges in a credit or charge card account, for example, travel insurance or card-registration services, are not fees for the issuance or availability of credit if the basic account may be opened without paying such fees. Issuing a card to each primary cardholder, not authorized users, is considered a basic membership privilege and fees for additional cards, beyond the first card on the account, are fees for the issuance or availability of credit. Thus, a fee to obtain an additional card on the account beyond the first card, so that each cardholder would have his or her own card, is a fee for the issuance or availability of credit even if the fee is optional; that is, if the fee is charged only if the cardholder requests one or more additional cards.

3. *One-time fees.* Non-periodic fees related to opening an account, such as application fees or one-time membership or participation fees, are fees for the issuance or availability of credit. Fees for reissuing a lost or stolen card, statement reproduction fees, and fees for late payment or other violations of the account terms are examples of fees that are not fees for the issuance or availability of credit.

§ 707.1 Authority, purpose, coverage and effect on State laws.

(a) *Authority.* This regulation is issued by the National Credit Union Administration to implement the Truth in Savings Act of 1991 (TISA), contained in the Federal Deposit Insurance Corporation Improvement Act of 1991, 12 U.S.C. 3201 *et seq.*, Pub. L. 102-242, 105 Stat. 2236. Information collection requirements in this regulation have been approved by the Office of Management and Budget under the provisions of 44 U.S.C. 3501 *et seq.* and have been assigned OMB No. 3133-0134.

(b) *Purpose.* The purpose of this part is to enable credit union members and potential members to make informed decisions about accounts at credit unions. This part requires credit unions to provide disclosures so that members and potential members can make meaningful comparisons among credit unions and depository institutions.

(c) *Coverage.* This part applies to all credit unions whose accounts are either insured by, or eligible to be insured by, the National Credit Union Share Insurance Fund, except for any credit union that has been designated as a corporate credit union by the National Credit Union Administration and any credit union that has \$2 million or less in assets, after subtracting any nonmember deposits, and is determined to be nonautomated by the National Credit Union Administration. In addition, the advertising rules in § 707.8 apply to any person who advertises an account offered by a credit union, including any person who solicits any amount from any other person for placement in a credit union.

(d) *Effect on state laws.* State law requirements that are inconsistent with the requirements of the TISA and this part are preempted to the extent of the inconsistency.

§ 707.2 Definitions.

For purposes of this part, the following definitions apply:

(a) *Account* means a share or deposit account at a credit union held by or offered to a member or potential member. It includes, but is not limited to, accounts such as share, share draft, checking and term share accounts. For purposes of the advertising regulations in § 707.8, the term also includes an account at a credit union that is held by or offered by a share or deposit broker.

(b) *Advertisement* means a commercial message, appearing in any medium, that promotes directly or indirectly:

(1) The availability or terms of, or a deposit in, a new account; and

(2) For purposes of § 707.8(a) and § 707.11 of this part, the terms of, or a deposit in, a new or existing account.

(c) *Annual percentage yield* means a percentage rate reflecting the total amount of dividends paid on an account, based on the dividend rate and the frequency of compounding for a 365-day period and calculated according to the rules in appendix A of this part.

(d) *Average daily balance method* means the application of a periodic rate to the average daily balance in the account for the period. The average daily balance is determined by adding the full amount of principal in the account for each day of the period and dividing that figure by the number of days in the period.

(e) *Board* means the National Credit Union Administration Board.

(f) *Bonus* means a premium, gift, award, or other consideration worth more than \$10 (whether in the form of cash, credit, merchandise, or any equivalent) given or offered to a member during a year in exchange for opening, maintaining, or renewing an account, or increasing an account balance. The term does not include dividends, other consideration worth \$10 or less given during a year, the waiver or

reduction of a fee, the absorption of expenses, non-dividend membership benefits, or extraordinary dividends.

(g) *Credit union* means a federal or state-chartered credit union that is either insured by, or is eligible to apply for insurance from, the National Credit Union Share Insurance Fund.

(h) *Daily balance method* means the application of a daily periodic rate to the full amount of principal in the account each day.

(i) *Dividend* and *dividends* mean any declared or prospective earnings on a member's shares in a credit union to be paid to a member or to the member's account. For purposes of this part, the term does not include the payment of a bonus or other consideration worth \$10 or less given during a year, the waiver or reduction of a fee, the absorption of expenses, non-dividend membership benefits, or extraordinary dividends.

(j) *Dividend declaration date* means the date that the board of directors of a credit union declares a dividend for the preceding dividend period.

(k) *Dividend period* means the span of time established by the board of directors of a credit union by the end of which shares in a member account earn dividend credit. The dividend period may be different for each type of account.

(l) *Dividend rate* means the declared or prospective annual dividend rate paid on an account, which does not reflect compounding. For purposes of the account disclosures in § 707.4(b)(1)(i), the rate may, but need not, be referred to as the "annual percentage rate" in addition to being referred to as the "dividend rate."

(m) *Extraordinary dividends* means a nonrepetitive dividend paid at an irregular time from funds legally available for such distribution.

(n) *Fixed-rate account* means an account that is not a variable rate account as defined in paragraph (z) of this section.

(o) *Grace period* means a period following the maturity of an automatically renewing term share account during which the member may withdraw funds without being assessed a penalty.

(p) *Interest* means any payment to a member or to a member's account for the use of funds in a nondividend-bearing

account at a state-chartered credit union offered pursuant to state law, calculated by application of a periodic rate to the balance. For purposes of this regulation, the term does not include the payment of a bonus or other consideration worth \$10 or less given during a year, the waiver or reduction of a fee, the absorption of expenses, non-dividend membership benefits, or extraordinary dividends. Except as is specifically otherwise provided in this part, in the case of an interest-bearing account held in or offered by a state-chartered credit union pursuant to state law, the word "interest" shall be substituted for all references to "dividend" or "dividends" in this part.

(q) *Member* means:

(1) A natural person member of the credit union who holds an account primarily for personal, family, or household purposes;

(2) A natural person nonmember who holds an account primarily for personal, family, or household purposes, either jointly with a natural person member or in a credit union designated as a low-income credit union, or to whom such an account is offered; and

(3) A natural person nonmember who holds a deposit account in a state-chartered credit union pursuant to state law, or to whom such deposit account is offered.

The term does not include a natural person who holds an account for another in a professional capacity or an unincorporated nonbusiness association of natural person members.

(r) *Non-dividend membership benefits* means any property or service provided by a credit union to its members, the nature of which makes its valuation unreasonable and administratively impracticable.

(s) *Passbook account* means an account in which the member retains a book or other document in which the credit union records transactions on the account.

(t) *Periodic statement* means a statement setting forth information about an account (other than a term share account or passbook account) that is provided to a member on a regular basis four or more times a year.

(u) *Potential member* means a natural person within the credit union's field of

National Credit Union Administration

§ 707.3

membership (or an unincorporated non-business association of such persons) or otherwise eligible to become a member as defined in paragraph (q) of this section.

(v) *State* means a state, the District of Columbia, the Commonwealth of Puerto Rico, and any territory or possession of the United States.

(w) *Stepped-rate account* means an account that has two or more dividend rates that take effect in succeeding periods and are known when the account is opened.

(x) *Term share account* means any share certificate, interest-bearing certificate of deposit account, or other account with a maturity of at least seven days in which the member generally does not have a right to make withdrawals for six days after the account is opened, unless the account is subject to an early withdrawal penalty of at least seven days' dividends on amounts withdrawn, offered by a credit union to a member or potential member.

(y) *Tiered-rate account* means an account that has two or more dividend rates that are applicable to specified balance levels.

(z) *Variable-rate account* means a share, share draft, checking, or term share account in which the simple dividend rate may change after the account is opened, unless the credit union contracts to give at least thirty days advance written notice of rate decreases.

[58 FR 50445, Sept. 27, 1993, as amended at 59 FR 13436, Mar. 22, 1994; 59 FR 59899, Nov. 21, 1994; 70 FR 72898, Dec. 8, 2005]

§ 707.3 General disclosure requirements.

(a) *Form.* Credit unions must make the disclosures required by §§ 707.4 through 707.6 of this part, as applicable, clearly and conspicuously, in writing, and in a form the member or potential member may keep. Credit unions may provide the disclosures required by this part to a member or potential member in electronic form, subject to compliance with the consent and other applicable provisions of the Electronic Signatures in Global and National Commerce Act (E-Sign Act), 15 U.S.C. 7001 *et seq.* Credit unions may provide the disclosures required by

§§ 707.4(a)(2) and 707.8 to a member or potential member in electronic form without regard to the consent or other provisions of the E-Sign Act in the circumstances set forth in those sections. Disclosures for each account offered by a credit union may be presented separately or combined with disclosures for the credit union's other accounts, as long as it is clear which disclosures are applicable to the member or potential member's account.

(b) *General.* The disclosures shall reflect the terms of the legal obligation between the member and the credit union. Disclosures may be made in languages other than English, provided the disclosures are available in English upon request.

(c) *Relation to Regulation E (12 CFR part 205).* Disclosures required by and provided in accordance with the Electronic Fund Transfer Act (15 U.S.C. 1601) and its implementing Regulation E (12 CFR part 205) that are also required by this part may be substituted for the disclosures required by this part.

(d) *Multiple members.* If an account is held by more than one member, disclosures may be made to any one of the members.

(e) *Oral responses to inquiries.* In an oral response to a member or potential member's inquiry about dividend rates payable on its accounts, the credit union shall state the annual percentage yield. The dividend rate may be stated in addition to the annual percentage yield. No other rate may be stated. In stating a dividend rate and annual percentage yield, a credit union shall:

(1) For dividend-bearing accounts other than term share accounts, specify a dividend rate and annual percentage yield as of the last dividend declaration date. In the event that disclosures of a dividend rate and annual percentage yield as of the last dividend declaration date might be inaccurate because of known or contemplated dividend rate changes, the credit union may disclose the prospective dividend rate and prospective annual percentage yield. Such prospective dividend rate and prospective annual percentage yield may be disclosed either in lieu of, or in addition to, the dividend rate and

§ 707.4

12 CFR Ch. VII (1–1–10 Edition)

annual percentage yield as of the last dividend declaration date.

(2) For interest-bearing accounts and for dividend-bearing term share accounts, specify an interest (dividend) rate and annual percentage yield that were offered within the most recent seven calendar days; state that the rate and yield are accurate as of an identified date; and provide a telephone number members may call to obtain current rate information.

(f) *Rounding and accuracy rules for rates and yields*—(1) *Rounding*. The annual percentage yield, the annual percentage yield earned, and the dividend rate shall be rounded to the nearest one-hundredth of one percentage point (.01%) and expressed to two decimal places. For account disclosures, the dividend rate may be expressed to more than two decimal places.

(2) *Accuracy*. The annual percentage yield (and the annual percentage yield earned) will be considered accurate if not more than one-twentieth of one percentage point (.05%) above or below the annual percentage yield (and the annual percentage yield earned) determined in accordance with the rules in appendix A of this part.

§ 707.4 Account disclosures.

(a) *Delivery of account disclosures*—(1) *Account opening*. (i) *General*. A credit union must provide account disclosures to a member or potential member before an account is opened or a service is provided, whichever is earlier. A credit union is deemed to have provided a service when a fee required to be disclosed is assessed. Except as provided in paragraph (a)(1)(ii) of this section, if a member or potential member is not present at the credit union when the account is opened or the service is provided and has not already received the disclosures, the credit union must mail or deliver the disclosures no later than 10 business days after the account is opened or the service is provided, whichever is earlier.

(ii) *Timing of electronic disclosures*. If a member or potential member who is

not present at the credit union uses electronic means, for example, an internet Web site, to open an account or request a service, the disclosures required under paragraph (a)(1) of this section must be provided before the account is opened or the service is provided.

(2) *Requests*. (i) A credit union must provide account disclosures to a member or potential member upon request. If a member or potential member who is not present at the credit union makes a request, the credit union must mail or deliver the disclosures within a reasonable time after it receives the request and may provide the disclosures in paper form or electronically if the member or potential member agrees.

(ii) In providing disclosures upon request, the credit union may:

(A) Specify rates as follows:

(1) For dividend-bearing accounts other than term share accounts, specify a dividend rate and annual percentage yield as of the last dividend declaration date. In the event that disclosures of a dividend rate and annual percentage yield as of the last dividend declaration date might be inaccurate because of known or contemplated dividend rate changes, the credit union may disclose the prospective dividend rate and prospective annual percentage yield. Such prospective dividend rate and prospective annual percentage yield may be disclosed either in lieu of, or in addition to, the dividend rate and annual percentage yield as of the last dividend declaration date.

(2) For interest bearing accounts and for dividend-bearing term share accounts, specify an interest rate and annual percentage yield that were offered within the most recent seven calendar days; state that the rate and yield are accurate as of an identified date; and provide a telephone number members may call to obtain current rate information; and

(B) State the maturity of a term share account as either a term or a date.

(b) *Content of account disclosures*. Account disclosures shall include the following, as applicable:

(1) *Rate information*—(i) *Annual percentage yield and dividend rate*. (A) For

National Credit Union Administration

§ 707.4

interest-bearing accounts and for dividend-bearing term share accounts, the “annual percentage yield” and the “interest rate” (“dividend rate”), using those terms, and for fixed-rate accounts the period of time the interest (dividend) rate will be in effect.

(B) For dividend-bearing accounts other than term share accounts, a credit union shall specify a dividend rate and annual percentage yield (using those terms) as of the last dividend declaration date. In the event that disclosures of a dividend rate and annual percentage yield as of the last dividend declaration date might be inaccurate because of known or contemplated dividend rate changes, the credit union may disclose the prospective dividend rate and prospective annual percentage yield. Such prospective dividend rate and prospective annual percentage yield may be disclosed either in lieu of, or in addition to, the dividend rate and annual percentage yield as of the last dividend declaration date.

(ii) *Variable rates.* For variable-rate accounts:

(A) The fact that the dividend rate and annual percentage yield may change;

(B) How the dividend rate is determined;

(C) The frequency with which the dividend rate may change; and

(D) Any limitation on the amount the dividend rate may change.

(2) *Compounding and crediting*—(i) *Frequency.* The frequency with which dividends are compounded and credited, and the dividend period for dividend-bearing accounts.

(ii) *Effect of closing an account.* If members will forfeit dividends if they close an account before accrued dividends are credited, a statement that the dividends will not be paid in such cases.

(3) *Balance information*—(i) *Minimum balance requirements.* Any minimum balance required to:

(A) Open the account;

(B) Avoid the imposition of a fee; or

(C) Obtain the annual percentage yield disclosed.

Except for the balance to open the account, the disclosure shall state how the balance is determined for these purposes.

(ii) *Balance computation method.* An explanation of the balance computation method specified in § 707.7, used to calculate dividends on the account.

(iii) *When dividends begin to accrue.* A statement of when dividends begin to accrue on noncash deposits.

(4) *Fees.* The amount of any fee that may be imposed in connection with the account (or an explanation of how the fee will be determined) and the conditions under which the fee may be imposed.

(5) *Transaction limitations.* Any limitations on the number or dollar amount of withdrawals or deposits.

(6) *Features of term share accounts.* For term share accounts:

(i) *Time requirements.* The maturity date.

(ii) *Early withdrawal penalties.* A statement that a penalty will be imposed for early withdrawal, how it is calculated, and the conditions for its assessment.

(iii) *Withdrawal of dividends prior to maturity.* If compounding occurs and dividends may be withdrawn prior to maturity, a statement that the annual percentage yield assumes dividends remain in the account until maturity and that a withdrawal will reduce earnings. For accounts with a stated maturity greater than 1 year that do not compound dividends on an annual or more frequent basis, that require dividend payouts at least annually, and that disclose an APY determined in accordance with section E of appendix A of this part, a statement that dividends cannot remain on account and that payout of dividends is mandatory.

(iv) *Renewal policies.* A statement of whether or not the account will renew automatically at maturity. If it will, a statement of whether or not a grace period will be provided and, if so, the length of that period must be stated. If the account will not renew automatically, a statement of whether dividends will be paid after maturity if the member does not renew the account must be stated.

(7) *Bonuses.* The amount or type of any bonus, when the bonus will be provided, and any minimum balance and time requirements to obtain the bonus.

(8) *Nature of dividends.* For accounts earning dividends, other than term

§ 707.5

12 CFR Ch. VII (1–1–10 Edition)

share accounts, a statement that dividends are paid from current income and available earnings, after required transfers to reserves at the end of a dividend period.

(c) *Notice to existing account holders—*
(1) *Notice of availability of disclosures.* Credit unions shall provide a notice to members who receive periodic statements and who hold existing accounts of the type offered by the credit union on January 1, 1995. The notice shall be included on or with the first periodic statement sent after January 1, 1995 (or on or with the first periodic statement for a statement cycle beginning on or after that date). The notice shall state that the members may request account disclosures containing terms, fees, and rate information for the account. In responding to such a request, credit unions shall provide disclosures in accordance with paragraph (a)(2) of this section.

(2) *Alternative to notice.* As an alternative to the notice described in paragraph (c)(1) of this section, credit unions may provide account disclosures to members. The disclosures may be provided either with a periodic statement or separately, but must be sent no later than when the periodic statement described in paragraph (c)(1) of this section is sent.

§ 707.5 Subsequent disclosures.

(a) *Change in terms—*(1) *Advance notice required.* A credit union shall give advance notice to affected members of any change in a term required to be disclosed under § 707.4(b), if the change may reduce the annual percentage yield or adversely affect the member. The notice shall include the effective date of the change. The notice shall be mailed or delivered at least 30 calendar days before the effective date of the change.

(2) *No notice required.* No notice under this section is required for:

(i) *Variable-rate changes.* Changes in the dividend rate and corresponding

changes in the annual percentage yield in variable-rate accounts.

(ii) *Share draft and check printing fees.* Changes in fees for check printing.

(iii) *Short-term term share accounts.* Changes in any term for term share accounts with maturities of one month or less.

(b) *Notice before maturity for term share accounts longer than one month that renew automatically.* For term share accounts with a maturity longer than one month that renew automatically at maturity, credit unions shall provide the disclosures described below before maturity. The disclosures shall be mailed or delivered at least 30 calendar days before maturity of the existing account. Alternatively, the disclosures may be mailed or delivered at least 20 calendar days before the end of the grace period on the existing account, provided a grace period of at least five calendar days is allowed.

(1) *Maturities of longer than one year.* If the maturity is longer than one year, the credit union shall provide account disclosures set forth in § 707.4(b) for the new account, along with the date the existing account matures. If the dividend rate and annual percentage yield that will be paid for the new account are unknown when disclosures are provided, the credit union shall state that those rates have not yet been determined, the date when they will be determined, and a telephone number members may call to obtain the dividend rate and the annual percentage yield that will be paid for the new account.

(2) *Maturities of one year or less but longer than one month.* If the maturity is one year or less but longer than one month, the credit union shall either:

(i) Provide disclosures as set forth in paragraph (b)(1) of this section; or

(ii) Disclose to the member:

(A) The date the existing account matures and the new maturity date if the account is renewed;

(B) The dividend rate and the annual percentage yield for the new account if they are known (or that those rates have not yet been determined, the date when they will be determined, and a telephone number the member may call to obtain the dividend rate and the

National Credit Union Administration

§ 707.7

annual percentage yield that will be paid for the new account); and

(C) Any difference in the terms of the new account as compared to the terms required to be disclosed under § 707.4(b) for the existing account.

(c) *Notice before maturity for term share accounts longer than one year that do not renew automatically.* For term share accounts with a maturity longer than one year that do not renew automatically at maturity, credit unions shall disclose to members the maturity date and whether dividends will be paid after maturity. The disclosures shall be mailed or delivered at least 10 calendar days before maturity of the existing account.

§ 707.6 Periodic statement disclosures.

(a) *Rule when statement and crediting periods vary.* In making the disclosures described in paragraph (b) of this section, credit unions that calculate and credit dividends for a period other than the statement period, such as the dividend period, may calculate and disclose the annual percentage yield earned and amount of dividends earned based on that period rather than the statement period. The information in paragraph (b)(4) shall be stated for that period as well as for the statement period.

(b) *Statement disclosures.* If a credit union mails or delivers a periodic statement, the statement shall include the following disclosures:

(1) *Annual percentage yield earned.* The “annual percentage yield earned,” using that term as calculated according to the rules in appendix A of this part.

(2) *Amount of dividends.* The dollar amount of dividends earned (accrued or paid and credited) on the account. The dollar amount of any extraordinary dividends earned during the statement period shall be shown as a separate figure.

(3) *Fees imposed.* Fees required to be disclosed under § 707.4(b)(4) of this part that were debited from the account during the statement period. The fees must be itemized by type and dollar amounts. Except as provided in

§ 707.11(a)(1) of this part, when fees of the same type are imposed more than once in a statement period, a credit union may itemize each fee separately or group the fees together and disclose a total dollar amount for all fees of that type.

(4) *Length of period.* The total number of days in the statement period, or the beginning and ending dates of the period.

§ 707.7 Payment of dividends.

(a) *Permissible methods—(1) Balance on which dividends are calculated.* Credit unions shall calculate dividends on the full amount of principal in an account for each day by use of either the daily balance method or the average daily balance method. Credit unions shall calculate dividends by use of a daily rate of at least $\frac{1}{365}$ of the dividend rate. In a leap year a daily rate of $\frac{1}{366}$ of the dividend rate may be used.

(2) *Determination of minimum balance to earn dividends.* A credit union shall use the same method to determine any minimum balance required to earn dividends as it uses to determine the balance on which dividends are calculated. A credit union may use an additional method that is unequivocally beneficial to the member.

(b) *Compounding and crediting policies.* This section does not require credit unions to compound or credit dividends at any particular frequency.

(c) *Date dividends begin to accrue.* Dividends shall begin to accrue not later than the day specified in section 606 of the Expedited Funds Availability Act (12 U.S.C. 4005) and implementing Regulation CC (12 CFR part 229). Dividends shall accrue on funds until the day funds are withdrawn.

§ 707.8

12 CFR Ch. VII (1–1–10 Edition)

§ 707.8 Advertising.

(a) *Misleading or inaccurate advertisements.* An advertisement must not:

(1) Be misleading or inaccurate or misrepresent a credit union's account agreement; or

(2) Refer to or describe an account as "free" or "no cost" or contain a similar term if any maintenance or activity fee may be imposed on the account. The word "profit" must not be used in referring to dividends or interest paid on an account.

(b) *Permissible rates.* If an advertisement states a rate of return, it shall state the rate as an "annual percentage yield," using that term. (The abbreviation "APY" may be used provided the term "annual percentage yield" is stated at least once in the advertisement.) The advertisement shall not state any other rate, except that the "dividend rate," using that term, may be stated in conjunction with, but not more conspicuously than, the annual percentage yield to which it relates.

(c) *When additional disclosures are required.* Except as provided in paragraph (e) of this section, if the annual percentage yield is stated in an advertisement, the advertisement shall state the following information, to the extent applicable, clearly and conspicuously:

(1) *Variable rates.* For variable-rate accounts, a statement that the rate may change after the account is opened.

(2) *Time annual percentage yield is offered.* For interest-bearing accounts and dividend-bearing term share accounts, the period of time the annual percentage yield will be offered, or a statement that the annual percentage yield is accurate as of a specified date. For dividend-bearing accounts other than term share accounts, a statement that the annual percentage yield is accurate as of the last dividend declaration date. In the event that disclosure of an annual percentage yield as of the last dividend declaration date might be inaccurate because of known or contemplated dividend rate changes, the credit union may disclose the prospective annual percentage yield. Such prospective annual percentage yield may be disclosed either in lieu of, or in ad-

dition to, the dividend rate and annual percentage yield as of the last dividend declaration date.

(3) *Minimum balance.* The minimum balance required to earn the advertised annual percentage yield. For tiered-rate accounts, the minimum balance required for each tier shall be stated in close proximity and with equal prominence to the applicable annual percentage yield.

(4) *Minimum opening deposit.* The minimum deposit required to open the account, if it is greater than the minimum balance necessary to earn the advertised annual percentage yield.

(5) *Effect of fees.* A statement that fees could reduce the earnings on the account.

(6) *Features of term share accounts.* For term share accounts:

(i) *Time requirements.* The term of the account.

(ii) *Early withdrawal penalties.* A statement that a penalty will or may be imposed for early withdrawal.

(iii) *Required dividend payouts.* For noncompounding term share accounts with a stated maturity greater than one year that do not compound dividends on an annual or more frequent basis, that require dividend payouts at least annually, and that disclose an APY determined in accordance with section E of appendix A of this part, a statement that dividends cannot remain on account and that payout of dividends is mandatory.

(d) *Bonuses.* Except as provided in paragraph (e) of this section, if a bonus is stated in an advertisement, the advertisement shall state the following information, to the extent applicable, clearly and conspicuously:

(1) The "annual percentage yield," using that term;

(2) The time requirements to obtain the bonus;

(3) The minimum balance required to obtain the bonus;

(4) The minimum balance required to open the account, if it is greater than the minimum balance necessary to obtain the bonus; and

(5) When the bonus will be provided.

(e) *Exemption for certain advertisements*—(1) *Certain media.* If an advertisement is made through one of the following media, it need not contain

- (ii) Outdoor media, such as billboards; or
- (iii) Telephone response machines.

(2) *Indoors signs.* (i) Signs inside the premises of a credit union (or the premises of a share or deposit broker) are not subject to paragraphs (b), (c), (d) or (e)(1) of this section.

(ii) If a sign exempted by paragraph (e)(2) of this section states a rate of return, it shall:

(A) State the rate as an “annual percentage yield,” using that term or the term “APY.” The sign shall not state any other rate, except that the dividend rate may be stated in conjunction with the annual percentage yield to which it relates.

(B) Contain a statement advising members to contact an employee for further information about applicable fees and terms.

(3) *Newsletters.* (i) Newsletters sent by a credit union to existing members only are not subject to paragraphs (b), (c), (d) or (e)(1) of this section.

(ii) If a newsletter exempted by paragraph (e)(3) of this section states a rate of return, it shall:

(A) State the rate as an “annual percentage yield,” using that term or the term “APY.” The newsletter shall not state any other rate, except that the dividend rate may be stated in conjunction with the annual percentage yield to which it relates.

(B) Contain a statement advising members to contact an employee for further information about applicable fees and terms.

(f) *Additional disclosures in connection with the payment of overdrafts.* Credit unions that promote the payment of overdrafts in an advertisement must include in the advertisement the disclosures required by § 707.11(b) of this part.

§ 707.11 Additional disclosure requirements for overdraft services.

(a) *Disclosure of total fees on periodic statements—*(1) *General.* A credit union must separately disclose on each periodic statement, as applicable:

(i) The total dollar amount for all fees or charges imposed on the account for paying checks or other items when there are insufficient or unavailable funds and the account becomes overdrawn; and

(ii) The total dollar amount for all fees or charges imposed on the account for returning items unpaid.

(2) *Totals required.* The disclosures required by paragraph (a)(1) of this section must be provided for the statement period and for the calendar year-to-date.

(3) *Format requirements.* The aggregate fee disclosures required by paragraph (a) of this section must be disclosed in close proximity to fees identified under § 707.6(a)(3), using a format substantially similar to Sample Form B-10 in appendix B.

(b) *Advertising disclosures for overdraft services—*(1) *Disclosures.* Except as provided in paragraphs (b)(2), (b)(3), and

(b)(4) of this section, any advertisement promoting the payment of overdrafts must disclose in a clear and conspicuous manner:

- (i) The fee or fees for the payment of each overdraft;
- (ii) The categories of transactions for which a fee for paying an overdraft may be imposed;
- (iii) The time period by which the member must repay or cover any overdraft; and
- (iv) The circumstances under which the credit union will not pay an overdraft.

(2) *Communications about the payment of overdrafts not subject to additional advertising disclosures.* Paragraph (b)(1) of this section does not apply to:

- (i) An advertisement promoting a service where the credit union's payment of overdrafts will be agreed upon in writing and subject to part 226 of this title (Regulation Z);
- (ii) A communication by a credit union about the payment of overdrafts in response to a member-initiated inquiry about share accounts or overdrafts. Providing information about the payment of overdrafts in response to a balance inquiry made through an automated system, such as a telephone response machine, ATM, or a credit union's Internet site, is not a response to a member-initiated inquiry for purposes of this paragraph;
- (iii) An advertisement made through broadcast or electronic media, such as television or radio;
- (iv) An advertisement made on outdoor media, such as billboards;
- (v) An ATM receipt;
- (vi) An in-person discussion with a member;
- (vii) Disclosures required by Federal or other applicable law;
- (viii) Information included on a periodic statement or a notice informing a member about a specific overdrawn item or the amount the account is overdrawn;
- (ix) A term in a share account agreement discussing the credit union's right to pay overdrafts;
- (x) A notice provided to a member, such as at an ATM, that completing a requested transaction may trigger a fee for overdrawing an account, or a gen-

eral notice that items overdrawing an account may trigger a fee;

(xi) Informational or educational materials concerning the payment of overdrafts if the materials do not specifically describe the credit union's overdraft service; or

(xii) An opt-out or opt-in notice regarding the credit union's payment of overdrafts or provision of discretionary overdraft services.

(3) *Exception for ATM screens and telephone response machines.* The disclosures described in paragraphs (b)(1)(ii) and (b)(1)(iv) of this section are not required in connection with any advertisement made on an ATM screen or using a telephone response machine.

(4) *Exception for indoor signs.* Paragraph (b)(1) of this section does not apply to advertisements for the payment of overdrafts on indoor signs as described by §707.8(e)(2) of this part, provided that the sign contains a clear and conspicuous statement that fees may apply and that members should contact an employee for further information about applicable fees and terms. For purposes of this paragraph (b)(4), an indoor sign does not include an ATM screen.

(c) *Disclosure of account balances.* If a credit union discloses balance information to a member through an automated system, the balance may not include additional amounts that the credit union may provide to cover an item when there are insufficient or unavailable funds in the member's account, whether under a service provided in its discretion, a service subject to part 226 of this title (Regulation Z), or a service to transfer funds from another member account. The credit union may, at its option, disclose additional account balances that include such additional amounts, if the credit union prominently states that any such balance includes such additional amounts and, if applicable, that additional amounts are not available for all transactions.

APPENDIX A TO PART 707—ANNUAL PERCENTAGE YIELD CALCULATION

The annual percentage yield (APY) measures the total amount of dividends a credit

union pays on an account based on the dividend rate and the frequency of compounding. The annual percentage yield is expressed as an annualized rate, based on a 365-day year. (Credit unions may calculate the annual percentage yield based on a 365-day or a 366-day year in a leap year.) Part I of this appendix discusses the annual percentage yield calculations for account disclosures and advertisements, while Part II discusses annual percentage yield earned calculations for statements. The annual percentage yield reflects only dividends and does not include the value of any bonus, as that term is defined in part 707, that may be provided to the member to open, maintain, increase or renew an account. Dividends, interest or other earnings are not to be included in the annual percentage yield if such amounts are determined by circumstances that may or may not occur in the future. These formulas apply to both dividend-bearing and interest-bearing accounts held by credit unions.

PART I. ANNUAL PERCENTAGE YIELD FOR ACCOUNT DISCLOSURES AND ADVERTISING PURPOSES

In general, the annual percentage yield for account disclosures under §§ 707.4 and 707.5 and for advertising under § 707.8 is an annualized rate that reflects the relationship between the amount of dividends that would be earned by the member for the term of the account and the amount of principal used to calculate those dividends. The amount of dividends that would be earned may be projected based on the most recent past declared rate or an anticipated future rate, whichever the credit union judges to most reasonably approximate the dividends to be earned. Special rules apply to accounts with tiered and stepped dividend rates, and to certain term share accounts with a stated maturity greater than 1 year.

A. General Rules

Except as provided in Part I. E. of this appendix, the annual percentage yield shall be calculated by the formula shown below. Credit unions may calculate the annual percentage yield using projected dividends based on either the rate at the last dividend declaration date or the rate anticipated at a future date. The credit union must disclose whichever option it uses to members. Credit unions shall calculate the annual percentage yield based on the actual number of days for the term of the account. For accounts without a stated maturity date (such as a typical share or share draft account), the calculation shall be based on an assumed term of 365 days. In determining the total dividends figure to be used in the formula, credit unions shall assume that all principal and dividends remain on deposit for the entire term, and that no other transactions (deposits or with-

drawals) occur during the term. (This assumption shall not be used if a credit union requires, as a condition of the account, that members withdraw dividends during the term. In such a case, the dividends (and annual percentage yield calculation) shall reflect that requirement.) For term share accounts that are offered in multiples of months, credit unions may base the number of days on either the actual number of days during the applicable period, or the number of days that would occur for any actual sequence of that many calendar months. If credit unions choose to use this permissive rule, they must use the same number of days to calculate the dollar amount of dividends that will be earned on the account in the annual percentage yield formula (where "Dividends" are divided by "Principal".)

The annual percentage yield is to be calculated by use of the following general formula ("APY") is used for convenience in the formulas):

$$APY = 100 [(1 + \text{Dividends/Principal})^{(365/\text{Days in term})} - 1].$$

"Principal" is the amount of funds assumed to have been deposited at the beginning of the account.

"Dividends" is the total dollar amount of dividends earned on the Principal for the term of the account.

"Days in term" is the actual number of days in the term of the account.

When the "days in term" is 365 (that is, where the stated maturity is 365 days or where the account does not have a stated maturity), the APY can be calculated by use of the following simple formula:

$$APY = 100 (\text{Dividends/Principal}).$$

Examples:

(1) If a credit union would pay \$61.68 in dividends for a 365-day year on \$1,000 deposited into a share draft account, the APY is 6.17%:

$$APY = 100 [(1 + 61.68/1,000)^{(365/365)} - 1]$$

$$APY = 6.17\%.$$

Or, using the simple formula above (since the term is deemed to be 365 days):

$$APY = 100 (61.68/1,000)$$

$$APY = 6.17\%.$$

(2) If a credit union pays \$30.37 in dividends on a \$1,000 six-month term share certificate account (where the six-month period used by the credit union contains 182 days), using the general formula above, the APY is 6.18%:

$$APY = 100 [(1 + 30.37/1,000)^{(365/182)} - 1]$$

$$APY = 6.18\%.$$

The APY is affected by the frequency of compounding, i.e., the amount of dividends will be greater the more frequently dividends are compounded for a given nominal rate. When two credit unions are offering the same dividend rate on, for example, a share account, the APY disclosed may be different

Pt. 707, App. A

12 CFR Ch. VII (1–1–10 Edition)

if the credit unions use a different frequency of compounding.

Examples:

(1) If a credit union pays \$1,268.25 in dividends for a 365-day year on \$10,000 deposited into a regular share account earning 12%, and the dividends are compounded monthly, the APY will be 12.68%.

APY=100 $(\$1,268.25/10,000)$

APY=12.68%

(2) However, if a credit union is compounding dividends on a quarterly basis on an account which otherwise has the same terms, the dividends will be \$1,255.09 and the APY will be 12.55%.

APY=100 $(\$1,255.09/10,000)$

APY=12.55%

B. Stepped-Rate Accounts (Different Rates Apply in Succeeding Periods)

For accounts with two or more dividend rates applied in succeeding periods (where the rates are known at the time the account is opened), a credit union shall assume each dividend rate is in effect for the length of time provided for in any share agreement.

Examples:

(1) If a credit union offers a \$1,000 6-month term share (certificate) account on which it pays a 5% dividend rate, compounded daily, for the first three months (which contain 91 days), and a 5.5% dividend rate, compounded daily, for the next three months (which contain 92 days), the total dividends for six months is \$26.68, and, using the general formula above, the APY is 5.39%:

APY=100 $[(1+26.68/1,000)^{(365/183)} - 1]$

APY=5.39%.

(2) If a credit union offers a \$1,000 2-year share certificate on which it pays a 6% dividend rate, compounded daily, for the first year, and a 6.5% dividend rate, compounded daily, for the next year, the total dividends for two years is \$133.13, and, using the general formula above, the APY is 6.45%:

APY=100 $[(1+133.13/1,000)^{(365/730)} - 1]$

APY=6.45%.

C. Variable-Rate Accounts

For variable-rate accounts without an introductory premium or discounted rate, a credit union must base the calculation only on the initial dividend rate in effect when the account is opened (or advertised), and assume that this rate will not change during the year.

Variable-rate accounts with an introductory premium or discount rate must be treated like stepped-rate accounts. Thus, a credit union shall assume that: (1) The introductory simple dividend rate is in effect for the length of time provided for in the account contract; and (2) the variable dividend rate that would have been in effect when the account is opened or advertised (but for the

introductory rate) is in effect for the remainder of the year. If the variable rate is tied to an index, the index-based rate in effect at the time of disclosure must be used for the remainder of the year. If the rate is not tied to an index, the rate in effect for existing members holding the same account (who are not receiving the introductory dividend rate) must be used for the remainder of the year.

For example, if a credit union offers an account on which it pays a 7% dividend rate, compounded daily, for the first three months (which, for example, contains 91 days), while the variable dividend rate that would have been in effect when the account was opened was 5%, the total dividends for a 365-day year for a \$1,000 account balance is \$56.52, (based on 91 days at 7% followed by 274 days at 5%). Using the simple formula, the APY is 5.65%:

APY=100 $(\$56.52/1,000)$

APY=5.65%.

D. Accounts With Tiered Rates (Different Rates Apply to Specified Balance Level)

For accounts in which two or more dividend rates paid on the account are applicable to specified balance levels, the credit union must calculate the annual percentage yield in accordance with the method described below that it uses to calculate dividends. In all cases, an annual percentage yield (or a range of annual percentage yields, if appropriate) must be disclosed for each balance tier.

For purposes of the examples discussed below, assume the following:

Simple dividend rate (Percent)	Share balance required to earn rate
5.25	Up to but not exceeding \$2,500.
5.50	Above \$2,500, but not exceeding \$15,000.
5.75	Above \$15,000.

Tiering Method A

Under this method, a credit union pays on the full balance in the account the stated dividend rate that corresponds to the applicable share balance tier. For example, if a member deposits \$8,000, the credit union pays the 5.50% dividend rate on the entire \$8,000. This is also known as a “hybrid” or “plateau” tiered rate account.

When this method is used to determine dividends, only one annual percentage yield will apply to each tier. Within each tier, the annual percentage yield will not vary with the amount of principal assumed to have been deposited.

For the dividend rates and account balances assumed above, the credit union will state three annual percentage yields—one corresponding to each balance tier. Calculation of each annual percentage yield is similar for this type of account as for accounts with a single fixed dividend rate. Thus, the

calculation is based on the total amount of dividends that would be received by the member for each tier of the account for a year and the principal assumed to have been deposited to earn that amount of dividends.

First tier. Assuming daily compounding, the credit union will pay \$53.90 in dividends on a \$1,000 account balance. Using the general formula for the first tier, the APY is 5.39%:

$$APY=100 [(1+53.90/1,000)^{(365/365)} - 1]$$

$$APY=5.39\%.$$

Using the simple formula:

$$APY=100 (53.90/1,000)$$

$$APY=5.39\%.$$

Second tier. The credit union will pay \$452.29 in dividends on an \$8,000 deposit. Thus, using the simple formula, the annual percentage yield for the second tier is 5.65%:

$$APY=100 (452.29/8,000)$$

$$APY=5.65\%.$$

Third tier. The credit union will pay \$1,183.61 in dividends on a \$20,000 account balance. Thus, using the simple formula, the annual percentage yield for the third tier is 5.92%:

$$APY=100 (1,183.61/20,000)$$

$$APY=5.92\%.$$

Tiering Method B

Under this method, a credit union pays the stated dividend rate only on that portion of the balance within the specified tier. For example, if a member deposits \$8,000, the credit union pays 5.25% on only \$2,500 and 5.50% on \$5,500 (the difference between \$8,000 and the first tier cutoff of \$2,500). This is also known as a "pure" tiered rate account.

The credit union that computes dividends in this manner must provide a range that shows the lowest and the highest annual percentage yields for each tier (other than for the first tier, which, like the tiers in Method A, has the same annual percentage yield throughout). The low figure for an annual percentage yield is calculated based on the total amount of dividends earned for a year assuming the *minimum* principal required to earn the dividend rate for that tier. The high figure for an annual percentage yield is based on the amount of dividends the credit union would pay on the *highest* principal that could be deposited to earn that same dividend rate. If the account does not have a limit on the amount that can be deposited, the credit union may assume any amount.

For the tiering structure assumed above, the credit union would state a total of five annual percentage yields—one figure for the first tier and two figures stated as a range for the other two tiers.

First tier. Assuming daily compounding, the credit union could pay \$53.90 in dividends on a \$1,000 account balance. For this first tier, using the simple formula, the annual percentage yield is 5.39%:

$$APY=100 (53.90/1,000)$$

$$APY=5.39\%.$$

Second tier. For the second tier the credit union would pay between \$134.75 and \$841.45 in dividends, based on assumed balances of \$2,500.01 and \$15,000, respectively. For \$2,500.01, dividends would be figured on \$2,500 at 5.25% dividend rate plus dividends on \$.01 at 5.50%. For the low end of the second tier, therefore, the annual percentage yield is 5.39%. Using the simple formula:

$$APY=100 (134.75/2,500)$$

$$APY=5.39\%.$$

For \$15,000, dividends are figured on \$2,500 at 5.25% dividend rate plus dividends on \$12,500 at 5.50% dividend rate. For the high end of the second tier, the annual percentage yield, using the simple formula, is 5.61%:

$$APY=100 (841.45/15,000)$$

$$APY=5.61\%.$$

Thus, the annual percentage yield range that would be stated for the second tier is 5.39% to 5.61%.

Third tier. For the third tier, the credit union would pay \$841.45 and \$5,871.78 in dividends on the low end of the third tier (a balance of \$15,000.01). For \$15,000.01, dividends would be figured on \$2,500 at 5.25% dividend rate, plus dividends on \$12,500 at 5.50% dividend rate, plus dividends on \$.01 at 5.75% dividend rate. For the low end of the third tier, therefore, the annual percentage yield, using the simple formula, is 5.61%:

$$APY=100 (841.45/15,000)$$

$$APY=5.61\%.$$

Assuming the credit union does not limit the account balance, it may assume any maximum amount for the purposes of computing the annual percentage yield for the high end of the third tier. For an assumed maximum balance amount of \$100,000, dividends would be figured on \$2,500 at 5.25% dividend rate, plus dividends on \$12,500 at 5.50% dividend rate, plus dividends on \$85,000 at 5.75% dividend rate. For the high end of the third tier, therefore, the annual percentage yield, using the simple formula, is 5.87%:

$$APY=100 (5,871.78/100,000)$$

$$APY=5.87\%.$$

Thus, the annual percentage yield that would be stated for the third tier is 5.61% to 5.87%. If the assumed maximum balance amount is \$1,000,000, credit unions would use \$985,000 rather than \$85,000 in the last calculation. In that case for the high end of the third tier, the annual percentage yield, using the simple formula, is 5.91%:

$$APY=100 (59,134.22/1,000,000)$$

$$APY=5.91\%$$

Thus, the annual percentage yield range that would be stated for the third tier is 5.61% to 5.91%.

E. Term Share Accounts with a Stated Maturity Greater than One Year that Pay Dividends At Least Annually

1. For term share accounts with a stated maturity greater than one year, that do not compound dividends on an annual or more frequent basis, and that require the member to withdraw dividends at least annually, the annual percentage yield may be disclosed as equal to the dividend rate.

Example:

If a credit union offers a \$1,000 two-year term share account that does not compound and that pays out dividends semi-annually by check or transfer at a 6.00% dividend rate, the annual percentage yield may be disclosed as 6.00%.

2. For term share accounts covered by this paragraph that are also stepped-rate accounts, the annual percentage yield may be disclosed as equal to the composite dividend rate.

Example:

(1) If a credit union offers a \$1,000 three-year term share account that does not compound and that pays out dividends annually by check or transfer at a 5.00% dividend rate for the first year, 6.00% dividend rate for the second year, and 7.00% dividend rate for the third year, the credit union may compute the composite dividend rate and APY as follows:

- (a) Multiply each dividend rate by the number of days it will be in effect;
- (b) Add these figures together; and
- (c) Divide by the total number of days in the term.

(2) Applied to the example, the products of the dividend rates and days the rates are in effect are (5.00%×365 days) 1825, (6.00%×365 days) 2190, and (7.00%×365) 2555, respectively. The sum of these products, 6570, is divided by 1095, the total number of days in the term. The composite dividend rate and APY are both 6.00%.

PART II. ANNUAL PERCENTAGE YIELD EARNED FOR STATEMENTS

The annual percentage yield earned for statements under § 707.6 is an annualized rate that reflects the relationship between the amount of dividends actually earned (accrued or paid and credited) to the member's account during the period and the average daily balance in the account for the period over which the dividends were earned.

Pursuant to § 707.6(a), when dividends are paid less frequently than statements are sent, the APY Earned may reflect the number of days over which dividends were earned rather than the number of days in the statement period, e.g., if a credit union uses the average daily balance method and calculates dividends for a period other than the statement period, the annual percentage yield earned shall reflect the relationship between

the amount of dividends earned and the average daily balance in the account for the other period, such as a crediting or dividend period.

The annual percentage yield shall be calculated by using the following formulas ("APY Earned" is used for convenience in the formulas):

A. General Formula

APY Earned=100 [(1+Dividends earned/Balance)^(365/Daysinperiod) – 1].

"Balance" is the average daily balance in the account for the period.

"Dividends earned" is the actual amount of dividends accrued or paid and credited to the account for the period.

"Days in period" is the actual number of days over which the dividends disclosed on the statement were earned.

Examples:

(1) If a credit union calculates dividends for the statement period (and uses either the daily balance or the average daily balance method), and the account had a balance of \$1,500 for 15 days and a balance of \$500 for the remaining 15 days of a 30-day statement period, the average daily balance for the period is \$1,000. Assume that \$5.25 in dividends was earned during the period. The annual percentage yield earned (using the formula above) is 6.58%:

APY Earned=100 [(1+5.25/1,000)^(365/30) – 1]

APY Earned=6.58%.

(2) Assume a credit union calculates dividends on the average daily balance for the calendar month and provides periodic statements that cover the period from the 16th of one month to the 15th of the next month. The account has a balance of \$2,000 September 1 through September 15 and a balance of \$1,000 for the remaining 15 days of September. The average daily balance for the month of September is \$1,500, which results in \$6.50 in dividends earned for the month. The annual percentage yield earned on the month of September would be shown on the periodic statement covering September 16 through October 15. The annual percentage yield earned (using the formula above) is 5.40%:

APY Earned=100 [(1+6.50/1,500)^(365/30) – 1]

APY Earned = 5.40%.

(3) Assume a credit union calculates dividends on the average daily balance for a quarter (for example, the calendar months of September through November), and provides monthly periodic statements covering calendar months. The account has a balance of \$1,000 throughout the 30 days of September, a balance of \$2,000 throughout the 31 days of October, and a balance of \$3,000 throughout the 30 days of November. The average daily balance for the quarter is \$2,000, which results in \$21 in dividends earned for the quarter. The annual percentage yield earned

National Credit Union Administration

Pt. 707, App. B

would be shown on the periodic statement for November. The annual percentage yield earned (using the formula above) is 4.28%:

$$\text{APY Earned} = 100 [(1 + 21/2,000)^{(365/91)} - 1]$$

$$\text{APY Earned} = 4.28\%.$$

B. SPECIAL FORMULA FOR USE WHERE PERIODIC STATEMENT IS SENT MORE OFTEN THAN THE PERIOD FOR WHICH DIVIDENDS ARE COMPOUNDED.

Credit unions that use the daily balance method to accrue dividends and that issue periodic statements more often than the period for which dividends are compounded shall use the following special formula:

$$\text{APY Earned} = 100 \left[\left\{ 1 + \frac{(\text{Dividends earned/Balance})}{\text{Days in period (Compounding)}} \right\}^{(365/\text{Compounding})} - 1 \right]$$

The following definition applies for use in this formula (all other terms are defined under Part II):

“Compounding” is the number of days in each compounding period.

Assume a credit union calculates dividends for the statement period using the daily balance method, pays a 5.00% dividend rate,

compounded annually, and provides periodic statements for each monthly cycle. The account has a daily balance of \$1000.00 for a 30-day statement period. The dividend earned of \$4.11 for the period, and the annual percentage yield earned (using the special formula above) is 5.00%:

$$\text{APY Earned} = 100 \left[\left\{ 1 + \frac{(\$4.11/1,000)}{30} (365) \right\}^{(365/365)} - 1 \right]$$

APY Earned = 5.00%.

B-9—Sample Form (Term Share (Certificate) Account Disclosures)

B-10—Sample Form (Periodic Statement)

B-11—Sample Form (Rate and Fee Schedule)

GENERAL NOTE: Appendix B contains model clauses and sample forms intended for optional use by credit unions to aid in compliance with the disclosure requirements of §§ 707.4 (account disclosures), 707.5 (subsequent disclosures), 707.6 (statement disclosures), and 707.8 (advertisements). Section 269(b) of TISA provides that credit unions that use these clauses and forms will be in compliance with TISA's disclosure provisions.

As discussed in the supplementary information to § 707.3(a), this final rule provides for flexibility in designing the format of the

disclosures. Credit unions can choose to prepare a single document or brochure that incorporates disclosures for all accounts offered, or to prepare different documents for each type of account. Credit unions may also use inserts to a document, or fill in blanks to show current rates, fees and other terms.

In the model clauses, words in parentheses indicate the type of disclosure a credit union should insert in the space provided (for example, a credit union might insert “July 23, 1995” in the blank for a “(date)” disclosure). Brackets and “/” indicate that a credit union must choose the alternative that best describes its practice (for example, “[daily balance/ average daily balance]”). It should be noted that only in sections B–6 through B–10 of this appendix have specific examples of disclosures been given, with dates and figures. Sections B–1 through B–5, and section B–11 provide only unspecific model clauses or blank forms. The Board felt, as did the FRB in the appendix A to Regulation DD, that a mix of blank clauses and forms and application of the model clauses to real specific situations would benefit those who must comply with TISA.

Any references to NCUA Rules and Regulations, the *NCUA Standard FCU Bylaws*, or the *NCUA Accounting Manual for FCUs*, are provided for guidance and as a point of reference for credit unions. Citations to these sources does not indicate that their application is required for those credit unions who need not follow them.

B–1 MODEL CLAUSES FOR ACCOUNT DISCLOSURES (§707.4(B))

(A) Rate Information (Sec. 707.4(b)(1))

(1) Fixed-Rate Accounts (§707.4(b)(1)(i)(A–B))

1. Interest-bearing Accounts

The interest rate on your deposit account is _____% with an annual percentage yield (APY) of _____. [For purposes of this disclosure, this is a rate and APY that were offered within the most recent seven calendar days and were accurate as of (date). Please call (credit union telephone number) to obtain current rate information.] You will be paid this rate [for (time period)/until (date)/for at least 30 calendar days].

NOTE: This provision reflects an accurate statement for an interest-bearing account authorized by state law for state-chartered credit unions. While the definition of the term “interest” permits its substitution for the term “dividends,” separate disclosures should be made for interest-bearing accounts. Since account opening disclosures may be provided to potential members requesting account information before opening an account, and members opening new accounts, information is provided indicating that the rate may not be current, but that

the potential member or member may call the credit union to obtain up-to-date information. When opening a new account, of course, a credit union could provide the contractual rate alone, and delete the sentences in brackets. Given the definition of fixed-rate account in §707.2(n), credit unions offering fixed-rate accounts must contract to hold rates steady for at least a 30-day period. Thus, if the 30-day option of the last sentence is not chosen, the period chosen must be longer than 30 days.

2. Dividend-bearing Term Share Accounts

The dividend rate on your term share account is _____% with an annual percentage yield (APY) of _____. [For purposes of this disclosure, this is a rate and APY that were offered within the most recent seven calendar days and were accurate as of (date). Please call (credit union telephone number) to obtain current rate information.] You will be paid this rate [for (time period)/until (date)/for at least 30 calendar days].

NOTE: This provision reflects an accurate statement for a fixed-rate, dividend-bearing term share account. Interest-bearing term share accounts would use the disclosure in §1, above. Since account opening disclosures may be provided to potential members requesting account information before opening an account, and members opening new accounts, information is provided indicating that the rate may not be current, but that the potential member or member may call the credit union to obtain up-to-date information. When opening a new account, of course, a credit union could provide the contractual rate alone, and delete the sentences in brackets. Given the definition of fixed-rate account in §707.2(n), credit unions offering fixed-rate accounts must contract to hold rates steady for at least a 30-day period. Thus, if the 30-day option of the last sentence is not chosen, the period chosen must be longer than 30 days.

3. Other Dividend-bearing Accounts

[As of [the last dividend declaration date/ (date)], the dividend rate was _____% with an annual percentage yield (APY) of _____% on your account. /or The prospective dividend rate on your account is _____% with a prospective APY of _____% for the current dividend period.] You will be paid this rate for [(time period)/at least 30 calendar days].

or

[As of [the last dividend declaration date/ (date)], the dividend rate was _____% with an annual percentage yield (APY) of _____% on your account. /or The prospective dividend rate on your account is _____% with an annual percentage yield (APY) of _____% for this dividend period.] This rate will not

change unless the credit union notifies you at least 30 calendar days prior to any change.

NOTE: Credit unions may disclose the dividend rate and annual percentage yield on accounts as of the last dividend declaration date. This necessitates inclusion of a disclosure of the actual calendar date of the last dividend declaration date. Additionally or alternatively (if the last dividend rate could be inaccurate), credit unions may disclose a prospective dividend rate and a prospective annual percentage yield. Such prospective rates and yields must be estimated in good faith, and must be declared at the proper time if it is at all possible to do so. As for the last sentence in these disclosures, this provision reflects a credit union policy to set prospective dividend rates for the next month (or at least 30 days), quarter or other period. Many credit unions, at their mid-monthly board meeting, set prospective dividend rates for the next month beginning on the 1st day of the month and continuing to the last day of the month. These rates must be formalized or ratified at the end of a dividend period. Given the timing of the board meetings, the time to prepare and mail notices and the 30 day period, it will often take credit unions 45 to 60 days to effectively change rates. For these reasons, the Board strongly suggests that credit unions do not offer fixed-rate, dividend-bearing accounts.

(II) *Variable-Rate Accounts (§ 707.4(b)(1)(ii))*

1. *Interest-bearing Accounts*

The interest rate on your deposit account is _____%, with an annual percentage yield (APY) of _____. [For purposes of this disclosure, this is a rate and APY that were offered within the most recent seven calendar days and were accurate as of (date). Please call (credit union telephone number) to obtain current rate information.] The interest rate and annual percentage yield may change every (time period) based on [(name of index)/the determination of the credit union board of directors]. The interest rate for your account will [never change by more than _____% each (time period)/never be less/more than _____%/never exceed _____% above or fall more than _____% below the initial interest rate].

NOTE: This disclosure combines the requirements of § 707.4(b)(1)(i) with § 707.4(b)(1)(ii) for interest-bearing accounts. The variable nature of a deposit account usually is based on an external index or is set at the discretion of the board. If another means of rate setting is used, that, instead of the proposed language, must be disclosed. Since account opening disclosures may be provided to potential members requesting account information before opening an account, and members opening new accounts, information is provided indicating that the rate may not

be current, but that the potential member or member may call the credit union to obtain up-to-date information. When opening a new account, of course, a credit union could provide the contractual rate alone, and delete the sentences in brackets. Rarely would there be limitations on rate changes, but language is provided for this situation in the last sentence. Of course, it is only to be used if it applies to an account.

2. *Dividend-bearing Term Share Accounts*

The dividend rate on your term share account is _____%, with an annual percentage yield (APY) of _____. [For purposes of this disclosure, this is a rate and APY that were offered within the most recent seven calendar days and were accurate as of (date). Please call (credit union telephone number) to obtain current rate information.] The dividend rate and annual percentage yield may change every (time period) based on [(name of index)/the determination of the credit union board of directors]. The dividend rate for your account will [never change by more than _____% each (time period)/never be less/more than _____%/never exceed _____% above or fall more than _____% below the initial dividend rate].

NOTE: This disclosure combines the requirements of § 707.4(b)(1)(i) with § 707.4(b)(1)(ii) for dividend-bearing, variable-rate term share accounts. The variable nature of a deposit account usually is based on an external index or is set at the discretion of the board. If another means of rate setting is used, that, instead of the model language, must be disclosed. Since account opening disclosures may be provided to potential members requesting account information before opening an account, and members opening new accounts, information is provided indicating that the rate may not be current, but that the potential member or member may call the credit union to obtain up-to-date information. When opening a new account, of course, a credit union could provide the contractual rate alone, and delete the sentences in brackets. Rarely would there be limitations on rate changes, but language is provided for this situation in the last sentence. Of course, it is only to be used if it applies to an account.

3. *Other Dividend-bearing Accounts*

[As of [the last dividend declaration date/(date)], the dividend rate was _____% with an annual percentage yield (APY) of _____% on your account. /or The prospective dividend rate on your account is _____% with an anticipated annual percentage yield (APY) of _____% for the current dividend period.] The dividend rate and annual percentage yield may change every (dividend period) as determined by the credit union board of directors.

NOTE: This language combines the requirements of § 707.4(b)(1)(i) with § 707.4(b)(1)(ii). Credit unions may disclose the dividend rate and annual percentage yield on accounts as of the last dividend declaration date. This necessitates inclusion of a disclosure of the actual calendar date of the last dividend declaration date or use of the phrase “last dividend declaration date”. Additionally or alternatively, credit unions may disclose a prospective dividend rate and a prospective annual percentage yield. Such prospective rates and yields must be estimated in good faith, and must be declared at the proper time if it is at all possible to do so. As for the last sentence in these disclosures, this provision reflects the variable nature of the account. Generally, there is only one variable-rate feature for share accounts: the frequency of dividend period rate changes (e.g., daily, weekly, monthly, quarterly, semi-annually, annually). Normally, there are no contractual limitations on share account earnings (unless imposed by a regulator), nor are earnings based on any internal or external index. If contractual limitations or an index are involved, however, those factors would need to be disclosed (unless a regulator orders otherwise).

(III) *Stepped-Rate Accounts (§ 707.4(b)(1)(i))*

1. *Interest-bearing Accounts*

The initial interest rate on your deposit account is ____%. You will be paid that rate [for (time period)/ until (date)]. After that time, the interest rate for your deposit account will be ____% and you will be paid that rate [for (time period)/ until (date)]. The annual percentage yield (APY) for your account is ____%. [For purposes of this disclosure, this is a rate and APY that were offered within the most recent seven calendar days and were accurate as of (date). Please call (credit union telephone number) to obtain current rate information.] You will be paid this rate [for (time period)/until (date)/for at least 30 calendar days].

2. *Dividend-bearing Term Share Accounts*

The initial dividend rate on your term share account is ____%. You will be paid that rate [for (time period)/ until (date)]. After that time, the dividend rate for your term share account will be ____% and you will be paid that rate [for (time period)/ until (date)]. The annual percentage yield (APY) for your account is ____%. [For purposes of this disclosure, this is a rate and APY that were offered within the most recent seven calendar days and were accurate as of (date). Please call (credit union telephone number) to obtain current rate information.] You will be paid this rate [for (time period)/until (date)/for at least 30 calendar days].

3. *Other Dividend-bearing Accounts*

[As of [the last dividend declaration date/ (date)], the initial dividend rate on your account was ____%. /or The prospective dividend rate on your account is ____%.] You will be paid that rate [for (time period)/ until (date)]. After that time, the prospective dividend rate for your share account will be ____% and you will be paid such rate [for (time period)/ until (date)]. The annual percentage yield (APY) for your account is ____%. You will be paid this rate for [(time period)/at least 30 calendar days].

NOTE: Stepped-rate accounts are accounts with two or more rates that take effect in succeeding periods. The applicable rates and time periods *are known* when the account is opened. By nature these are fixed-rate accounts and are usually associated with term share (certificate) accounts. Accordingly, a contract provision (for share accounts) to change rates should be included.

(IV) *Tiered-Rate Accounts (§ 707.4(b)(1)(i))*

1. *Interest-bearing Accounts*

Tiering Method A

1* If your [daily balance/average daily balance] is \$ ____ or more, the interest rate paid on the entire balance in your account will be ____%, with an annual percentage yield (APY) of ____%.

2* If your [daily balance/average daily balance] is more than \$ ____, but less than \$ ____, the interest rate paid on the entire balance in your account will be ____%, with an APY of ____%.

3* If your [daily balance/average daily balance] is \$ ____ or less, the interest rate paid on the entire balance will be ____% with an APY of ____%.

[For purposes of this disclosure, this is a rate and APY that were offered within the most recent seven calendar days and were accurate as of (date). Please call (credit union telephone number) to obtain current rate information.]

[*Fixed-rate*—You will be paid this rate [for (time period)/until (date)/for at least 30 calendar days]./ *Variable-rate*—The interest rate and APY may change every (time period) based on [(name of index)/ the determination of the credit union board of directors.]

NOTE: Tiering Method A pays the stated interest rate that corresponds to the applicable deposit tier on the full balance in the account. This example contemplates a two-tier system. The option (1, 2 or 3) most closely matching the terms of the account should be chosen as the appropriate disclosure. For tiered-rate accounts, a disclosure may be added about the currency of the rate, as is provided in the first set of brackets. A disclosure regarding the fixed-rate or variable-

rate nature of the account must be added, as is provided in the last set of brackets.

Tiering Method B

1* An interest rate of _____% will be paid only on the portion of your [daily balance/average daily balance] that is greater than \$_____. The annual percentage yield (APY) for this tier will range from _____% to _____%, depending on the balance in the account.

2* An interest rate of _____% will be paid only on the portion of your [daily balance/average daily balance] that is greater than \$_____, but less than \$_____. The annual percentage yield (APY) for this tier will range from _____% to _____%, depending on the balance in the account.

3* If your [daily balance/average daily balance] is \$_____ or less, the interest rate paid on the entire balance will be _____%, with an annual percentage yield (APY) of _____%.

[For purposes of this disclosure, this is a rate and APY that were offered within the most recent seven calendar days and were accurate as of (date). Please call (credit union telephone number) to obtain current rate information.]

[*Fixed-rate*—You will be paid this rate [for (time period)/until (date)] for at least 30 calendar days]./ *Variable-rate*—The interest rate and APY may change every (time period) based on [(name of index)/ the determination of the credit union board of directors.]

NOTE: Tiering Method B pays different stated interest rates corresponding to applicable deposit tiers, on the applicable balance in each tier of the account. For example, a credit union might pay 3% interest on account funds of \$500 or below, and pay 4% interest on the portion of the same account that exceeds \$500. The example contemplates an account with two tiers, but additional tiers are possible. The option (1, 2 or 3) most closely matching the terms of the account should be chosen as the appropriate disclosure. For tiered-rate accounts, a disclosure may be added about the currency of the rate, as is provided in the first set of brackets.

Tiered-rate accounts can be either fixed-rate or variable-rate accounts. The last sentence offers an option of either fixed-rate or variable-rate disclosure. Thus, the disclosures outlined above will be made in addition to either: (i) Disclosure of the period the fixed-rates are in effect or (ii) the variable-rate disclosures. Tiered-rate accounts are also subject to the requirement for disclosure of the balance computation method, see paragraph (e) to this appendix.

2. Dividend-bearing Term Share Accounts

Tiering Method A

1* If your [daily balance/average daily balance] is \$_____ or more, the dividend rate paid on the entire balance in your account will be _____%, with an annual percentage yield (APY) of _____%.

2* If your [daily balance/average daily balance] is more than \$_____, but less than \$_____, the dividend rate paid on the entire balance in your account will be _____%, with an APY of _____%.

3* If your [daily balance/average daily balance] is \$_____ or less, the dividend rate paid on the entire balance will be _____% with an APY of _____%.

[For purposes of this disclosure, this is a rate and APY that were offered within the most recent seven calendar days and were accurate as of (date). Please call (credit union telephone number) to obtain current rate information.]

[*Fixed-rate*—You will be paid this rate [for (time period)/until (date)] for at least 30 calendar days]./ *Variable-rate*—The interest rate and APY may change every (time period) based on [(name of index)/ the determination of the credit union board of directors.]

NOTE: Tiering Method A pays the stated dividend rate that corresponds to the applicable account balance tier on the full balance in the account. This example contemplates a two-tier system. The option (1, 2 or 3) most closely matching the terms of the account should be chosen as the appropriate disclosure. For tiered-rate accounts, a disclosure may be added about the currency of the rate, as is provided in the first set of brackets. A disclosure regarding the fixed-rate or variable-rate nature of the account must be added, as is provided in the last set of brackets.

Tiering Method B

1* A dividend rate of _____% will be paid only on the portion of your [daily balance/average daily balance] that is greater than \$_____. The annual percentage yield (APY) for this tier will range from _____% to _____%, depending on the balance in the account.

2* A dividend rate of _____% will be paid only on the portion of your [daily balance/average daily balance] that is greater than \$_____, but less than \$_____. The annual percentage yield (APY) for this tier will range from _____% to _____%, depending on the balance in the account.

3* If your [daily balance/average daily balance] is \$_____ or less, the dividend rate paid on the entire balance will be _____%, with an annual percentage yield (APY) of _____%.

[For purposes of this disclosure, this is a rate and APY that were offered within the

most recent seven calendar days and were accurate as of (date). Please call (credit union telephone number) to obtain current rate information.]

[*Fixed-rate*—You will be paid this rate [for (time period)/until (date)/for at least 30 calendar days]./ *Variable-rate*—The interest rate and APY may change every (time period) based on [(name of index)/ the determination of the credit union board of directors.]

NOTE: Tiering Method B pays different stated dividend rates corresponding to applicable account balance tiers, on the applicable balance in each tier of the account. For example, a credit union might pay 3% dividend on account funds of \$500 or below, and pay 4% dividend on the portion of the same account that exceeds \$500. The example contemplates an account with two tiers, but additional tiers are possible. The option (1, 2 or 3) most closely matching the terms of the account should be chosen as the appropriate disclosure. For tiered-rate accounts, a disclosure may be added about the currentness of the rate, as is provided in the first set of brackets.

Tiered-rate accounts can be either fixed-rate or variable-rate accounts. The last sentence offers an option of either fixed-rate or variable-rate disclosure. Thus, the disclosures outlined above will be made in addition to either: (i) Disclosure of the period the fixed-rates are in effect or (ii) the variable-rate disclosures. Tiered-rate accounts are also subject to the requirement for disclosure of the balance computation method, see paragraph (e) to this appendix.

3. Other Dividend-bearing Accounts

1* [As of [the last dividend declaration date/ (date)], if your [daily balance/average daily balance] was \$ _____ or more, the dividend rate paid on the entire balance in your account was _____%, with an annual percentage yield (APY) of _____%. /or If your [daily balance/average daily balance] is \$ _____ or more, a prospective dividend rate of _____% will be paid on the entire balance in your account with a prospective annual percentage yield (APY) of _____% for this dividend period.]

2* [As of [the last dividend declaration date/ (date)], if your [daily balance/average daily balance] was more than \$ _____, but was less than \$ _____, the dividend rate paid on the entire balance in your account was _____%, with an annual percentage yield (APY) of _____%. /or If your [daily balance/average daily balance] is more than \$ _____, but is less than \$ _____, a prospective dividend rate of _____% will be paid on the entire balance in your account with a prospective annual percentage yield (APY) of _____% for this dividend period.]

[*Fixed-rate*—You will be paid this rate for [(time period)/at least 30 calendar days]./ *Variable-rate*—The dividend rate and APY may change every (dividend period) as determined by the credit union board of directors.]

NOTE: Tiering Method A pays the stated dividend rate that corresponds to the applicable deposit tier on the full balance in the account. This example contemplates a two-tier system. The option (1, 2 or 3) most closely matching the terms of the account should be chosen as the appropriate disclosure. For tiered-rate accounts, a disclosure may be added about the prospective rate. Note that the prospective rate disclosure options match the required tiered-rate disclosures based on the previous dividend declaration date. A disclosure regarding the fixed-rate or variable-rate nature of the account must be added, as is provided in the last set of brackets.

Tiering Method B

1* [As of [the last dividend declaration date/ (date)], a dividend rate of _____% was paid only on the portion of your [daily balance/average daily balance] that was greater than \$ _____. The annual percentage yield (APY) for this tier ranged from _____% to _____%, depending on the balance in the account. /or A prospective dividend rate of _____% will be paid only on the portion of your [daily balance/average daily balance] that is greater than \$ _____ with a prospective annual percentage yield (APY) ranging from _____% to _____%, depending on the balance in the account, for this dividend period.]

2* [As of [the last dividend declaration date/ (date)], a dividend rate of _____% was paid only on the portion of your [daily balance/average daily balance] that was greater than \$ _____ but less than \$ _____. The annual percentage yield (APY) for this tier ranged from _____% to _____%, depending on the balance in the account. /or A prospective dividend rate of _____% will be paid only on the portion of your [daily balance/average daily balance] that is greater than \$ _____, but less than \$ _____] with a prospective annual percentage yield (APY)

ranging from _____% to _____%, depending on the balance in the account, for this dividend period.]

3* [As of [the last dividend declaration date/ (date)], if your [daily balance/average daily balance] was \$ _____ or less, the dividend rate paid on the entire balance was _____%, with an annual percentage yield (APY) of _____%. /or If your [daily balance/average daily balance] was \$ _____ or less, the prospective dividend rate paid on the entire balance in your account will be _____% with a prospective annual percentage yield (APY) of _____% for this dividend period.

NOTE: Tiering Method B pays different stated dividend rates corresponding to applicable account tiers, on the applicable balance in each tier of the account. For example, a credit union might pay a 3% dividend on account funds of \$500 or below, and pay a 4% dividend on the portion of the same account that exceeds \$500. The example contemplates an account with two tiers, but additional tiers are possible. The option (1, 2 or 3) most closely matching the terms of the account should be chosen as the appropriate disclosure. Note that the prospective rate disclosure options match the required tiered-rate disclosures based on the previous dividend declaration date.

Tiered-rate accounts can be either fixed-rate or variable-rate accounts. The last sentence offers an option of either fixed-rate or variable-rate disclosures. Thus, the disclosures outlined above must be made in addition to either: (i) Disclosure of the period the fixed-rates are in effect or (ii) the variable-rate disclosures. Tiered-rate accounts are also subject to the requirement for disclosure of the balance computation method, see paragraph (e) to this appendix.

(B) Nature of Dividends (§ 707.4(b)(8))

Dividends are paid from current income and available earnings, after required transfers to reserves at the end of a dividend period.

NOTE: The Board of Directors declares dividends based on current income and available earnings of the credit union after providing for the required reserves at the end of the month. The dividend rate and annual percentage yield shown may reflect either the last dividend declaration date on the account or the earnings the credit union anticipates having available for distribution. This disclosure only applies to share and share draft (as opposed to deposit) accounts and should be grouped with the Rate Information to make the disclosures more meaningful. This disclosure also does not apply to term share accounts for reasons discussed in the supplementary information regarding §§ 707.3(e) and 707.4(b)(8).

(c) Compounding and Crediting (§ 707.4(b)(2))

[Dividends/Interest] will be compounded (frequency) and will be credited (frequency). and, if applicable:

If you close your [share/deposit] account before [dividends/interest] [are/is] paid, you will not receive the accrued [dividends/interest].

and, if applicable (for dividend-bearing accounts):

For this account type, the dividend period is (frequency), for example, the beginning date of the first dividend period of the calendar year is (date) and the ending date of such dividend period is (date). All other dividend periods follow this same pattern of dates. The dividend declaration date follows the ending date of a dividend period, and for the example is (date).

NOTE: Where the word “(frequency)” appears, time periods must be inserted to coincide with those specified in board resolutions of each credit union’s board of directors. A disclosure of dividend period was added to § 707.4(b)(2)(i) in the final rule to assist members in knowing when dividend rate and APY disclosures would be given by a credit union using the optional statement rule of § 707.6(a). The dividend declaration date is important for purposes of § 707.4(a)(2)(ii), request disclosures, § 707.4(b)(2), account opening disclosures, and § 707.8(c)(2), advertising disclosures. The Board believes that this is critical information for dividend-bearing accounts, but that provision by an example (whether of the first dividend period of the year, or of any randomly chosen dividend period) is favorable to providing a list of such dates for the entire year or for a period of years (although these methods would also be permissible). As noted in the supplementary information to § 707.2(j), dividend declaration date, the dividend period and actual dividend distribution date may vary. Thus, it is possible for crediting periods and dividend periods not to coincide, though the Board believes that credit unions should make every effort to attempt to coordinate the two periods.

(D) Minimum Balance Requirements (§ 707.4(b)(3)(i))

(i) To open the account

The minimum balance required to open this account is \$ _____.
or, for first share account at a credit union

The minimum required to open this account is the purchase of a (par value of a share) share in the credit union.

(ii) To avoid imposition of fees

You must maintain a minimum daily balance of \$ _____ in your account to avoid a service fee. If, during any (time period), your account balance falls below the required

Pt. 707, App. B

12 CFR Ch. VII (1–1–10 Edition)

minimum daily balance, your account will be subject to a service fee of \$_____ for that (time period).

or

You must maintain a minimum average daily balance of \$_____ in your account to avoid a service fee. If, during any (time period), your average daily balance is below the required minimum, your account will be subject to a service fee of \$_____ for that (time period).

(iii) *To obtain the annual percentage yield disclosed*

You must maintain a minimum daily balance of \$_____ in your account each day to obtain the disclosed annual percentage yield.

or

You must maintain a minimum average daily balance of \$_____ in your account to obtain the disclosed annual percentage yield.

(iv) *Absence of minimum balance requirements*
No minimum balance requirements apply to this account.

(v) *Par value*

The par value of a share in this credit union is \$_____.

NOTE: Where the words “(time period)” appear, time periods should be inserted to coincide with those specified in board resolutions of each credit union’s board of directors. As the supplementary information to §707.4(b)(3)(i) explains, the par value of a share to establish membership is a critical disclosure to be made to potential members of credit unions. The par value disclosure is required by §707.4(b)(3)(i) as being analogous to a minimum balance account opening requirement.

(E) Balance Computation Method
(§ 707.4(b)(3)(ii))

(i) Daily Balance Method

[Dividends/Interest] [are/is] calculated by the daily balance method which applies a daily periodic rate to the balance in the account each day.

(ii) Average Daily Balance Method

[Dividends/Interest] [are/is] calculated by the average daily balance method which applies a periodic rate to the average daily balance in the account for the period. The average daily balance is calculated by adding the balance in the account for each day of the period and dividing that figure by the number of days in the period.

NOTE: Any explanation of balance computation method must contain enough information for members to grasp the means by which dividends or interest will be calculated on their accounts. Using a shorthand form, such as “day in/day out” for the daily balance method or “average balance” for the average daily balance method, without more information, is insufficient. In addition, any disclosure based on the equivalency of the

two allowable methods, such as stating that the average daily balance method was the same as the daily balance method, is impermissible and misleading.

(F) Accrual of Dividends/Interest on Noncash Deposits (§ 704.4(b)(3)(iii))

[Dividends/Interest] will begin to accrue on the business day you [place/deposit] noncash items (e.g. checks) to your account.

or

[Dividends/Interest] will begin to accrue no later than the business day we receive provisional credit for the [placement/deposit] of noncash items (e.g. checks) to your account.

NOTE: Accrual information is not included in the explanation of balance computation method required by §707.4(b)(4)(ii). In addition, the disclosures required by TISA do not affect the substantive requirements of the EFSA and Regulation CC.

The EFSA and Regulation CC control, and any modifications to them should occasion credit unions to revisit this disclosure with a view to revising it to reflect current law.

(G) Fees and Charges (§ 707.4(b)(4))

The following fees and charges may be assessed against your account:

(Service/explanation)—\$_____.
(Service/explanation)—\$_____.

NOTE: Fees and charges may be disclosed in an account disclosure, or separately in a Rate and Fee Schedule (see section B–11 of this appendix). In either event, the disclosure should also specify when the fee will be assessed by using phrases such as “per item,” “per month,” or “per inquiry.”

(H) Transaction Limitations (§ 707.4(b)(5))

The minimum amount you may [withdraw/write a draft for] is \$_____.

During any statement period, you may not make more than six withdrawals or transfers to another credit union account of yours or to a third party by means of a preauthorized or automatic transfer or telephonic order or instruction. No more than three of the six transfers may be made by check, draft, debit card, if applicable, or similar order to a third party. If you exceed the transfer limitations set forth above in any statement period, your account will be subject to [closure by the credit union/a fee of \$_____].

NOTE: This paragraph satisfies the requirements of §707.4(b)(6) with respect to Regulation D limitations on share accounts and money market accounts. These are some of the more common limitations applicable.

The credit union reserves the right to require a member intending to make a withdrawal from any account (except a share draft account) to give written notice of such

National Credit Union Administration

Pt. 707, App. B

intent not less than seven days and up to 60 days before such withdrawal.

NOTE: This disclosure is limited to federal credit unions with Bylaws containing this limitation. See *Standard Federal Credit Union Bylaws*, Art. III, section 5(a). Similar disclosures are required of any state-chartered credit unions having similar limitations in their bylaws, or under state law. This limitation does not directly relate to the “number” or “amount” of transactions, and accordingly, may not be necessary under §707.4(b)(5), but would, if applicable, be required by §707.3(b).

(I) Disclosures Related to Term Share Accounts (§ 707.4(b)(6))

(i) Time requirements

Your account will mature on (date).

or

Your account will mature after (time period).

(ii) Early withdrawal penalties

We [will/may] impose a penalty if you withdraw [any/all] of the [funds/principal] in your account before the maturity date. The penalty will equal [_____] [days/weeks/months'] [dividends/interest] on your account.

or

We [will/may] impose a penalty of \$ _____ if you withdraw [any/all] of the [funds/principal] before the maturity date.

If you withdraw some of your funds before maturity, the [dividend/interest] rate for the remaining funds in your account will be _____%, with an annual percentage yield of _____%.

NOTE: In most cases, the dividend rate and annual percentage yield on the funds remaining in the account after early withdrawal are the same as before the withdrawal. Accordingly, the disclosure of dividend rate and annual percentage yield after withdrawal is required only if the dividend rate and APY will change.

(iii) Withdrawal of Dividends/Interest Prior to Maturity

The annual percentage yield is based on an assumption that [dividends/interest] will remain in the account until maturity. A withdrawal will reduce earnings.

NOTE: This disclosure may be used if the credit union compounds dividends/interest and allows withdrawal of accrued dividends/interest before maturity. This disclosure alerts members that the annual percentage yield is based on an assumption that the dividends/interest remain on deposit until maturity.

(iv) Renewal Policies

1. Automatically Renewable Term Share Accounts

Your term share account will automatically renew at maturity. You will have a grace period of _____ [calendar/business] days after the maturity date to withdraw the funds in the account without being charged an early withdrawal penalty.

or

Your term share account will automatically renew at maturity. There is no grace period following the maturity of this account.

2. Non-Automatically Renewable Term Share Accounts

This account will not renew automatically at maturity. If you do not renew the account, your account will [continue to earn/no longer earn] [dividends/interest] after the maturity date.

NOTE: These disclosures should agree with the necessary pre-maturity notices for term share accounts in B-3 of this appendix.

(v) Required dividend distribution.

This account requires the distribution of dividends and does not allow dividends to remain in the account.

(J) Bonuses (§ 704.4(b)(7))

You will [be paid/receive] [\$ _____/(description of item)] as a bonus [when you open the account/on (date)].

You must maintain a minimum [daily balance/average daily balance] of \$ _____ to obtain the bonus.

To earn the bonus, [\$ _____/your entire principal] must remain on deposit [for (time period)/until (date)].

NOTE: These disclosures follow the requirements of §707.4(b)(7) and should be used as applicable. Further information may also be added, especially if it clarifies the conditions and timing of receiving the bonus, or better informs the member about the bonus.

B-2 MODEL CLAUSES FOR CHANGES IN TERMS (§ 707.5(A))

On (date), the (type of fee) will increase to \$ _____.

On (date), the [dividend/interest] rate on your account will decrease to _____%, with an annual percentage yield (APY) of _____%.

On (date), the [minimum daily balance/average daily balance] required to avoid imposition of a fee will increase to \$ _____.

NOTE: These examples apply to the more common changes necessitating a change in terms notice. However, any change, amendment or modification reducing the APY or adversely affecting the members holding such accounts must be disclosed. For such changes not contemplated by the model

Pt. 707, App. B

12 CFR Ch. VII (1–1–10 Edition)

clauses, the Board recommends the use of as simple language as possible to convey the change, along with cross-referencing to the particular sections or paragraph numbers of the account opening disclosures, when to do so will assist members in reviewing and understanding the change.

B-3 MODEL CLAUSES FOR PRE-MATURITY NOTICES FOR TERM SHARE ACCOUNTS (§707.5(B-C))

(A) Maturity Date

Your term share account will mature on _____.

(B) Nonrenewal

Unless your term share account is renewed, it will not accrue further [dividends/interest] after the maturity date.

(C) Rate Information

The [dividend/interest] rate and annual percentage yield that will apply to your term share account if it is renewed have not yet been determined. That information will be available on _____. After that date, you may call the credit union during regular business hours at (telephone number) to find out the [dividend/interest] rate and annual percentage yield (APY) that will apply to your term share account if it is renewed.

NOTE: Pre-maturity notices should follow the requirements of §707.5(b-d) as closely as possible. Care should be taken to explain any grace periods used. See discussion of use of alternative timing in supplementary information to §707.2(o) and §707.5(b-d).

the field of membership of this Credit Union; the information provided on this application is true and correct; and my signature on this card applies to all accounts under my name at this Credit Union. I also agree to be bound to the terms and conditions of any account that I have in the Credit Union now or in the future.

(Secretary; Exec. Cmte. Member, or Membership Officer)

NOTE: This form is modeled on NCUA Form FCU 150, Application for Membership, as discussed in the *Accounting Manual for FCUs*, §§5030.1, 5150.3. It is noted that other information can also be requested on the signature card, as long as it is in accordance with federal and state laws. For example, information identifying the member, such as a state driver's license number, could be added. The types of accounts that the signature applies to could be specified. Furthermore, the Board notes that this card contains much identification information that may not be necessary for all credit unions; common sense should guide credit union boards of directors in designing their applications for membership/signature cards. However, the Board believes that the information solicited on this form is reasonable and prudent for many credit unions. Payable on death designations, joint account language required under state law, life savings beneficiary designations, and other like variations and designations may be added to the card if so desired. The proposed signature card/ application for membership form contained taxpayer certification language. One commenter noted that the IRS may always change its requirements in this area, which are beyond the authority of the Board. Therefore, the Board has deleted reference to the IRS taxpayer certification required by 26 USC 3406, but notes that such certification must be made in accordance with applicable law and IRS rules. The information may be included on the front and back of a standard size signature card, or on the front of a large size signature card. However, no account terms may be included on a signature card unless a copy of the signature card is provided to the member at the time of account opening. The Board recommends that credit unions refrain from this practice, and instead use standard account disclosures. One reason for this is that if laws, regulations or credit union policies change, discrepancies may result between them and the earlier signature card terms. Given the longevity of

National Credit Union Administration

Pt. 707, App. B

credit union membership, signature cards may well be in use for up to or over a century. In addition, as signature cards are relatively small, they probably will not contain enough space to make all desired and required disclosures. Fragmentation of terms, some on signature cards, some on separate disclosures, could easily lead to member confusion. As terms are usually construed against the drafter, credit unions should be very careful in their use of account terms and conditions varying from those provided as model clauses and sample forms in this appendix.

The annual percentage yield and dividend rate assume that dividends are to be [check one] () added to principal/ () paid to regular share account number _____ / () mailed to owner(s). This account is subject to all terms and conditions stated in the Term Share Certificate Account Disclosures, as they may be amended from time to time, and incorporates the same by reference into this agreement.

Authorized signature _____

Authorized signature _____

NOTE: This form is modeled on NCUA Form FCU 107SCP, Credit Union Share Certificate, as discussed in the *Accounting Manual for FCUs*, §§5030.1, 5150.6. It is simplified to reflect the term share (certificate) account agreement, the parties involved, the maturity term and the annual percentage yield and dividend rate. All other terms are incorporated by reference. This should allow the credit union maximum flexibility in fashioning certificate, and other term share account, products. If a credit union so desired, other terms and conditions could be incor-

porated into the term share certificate itself, as long as a copy is presented to the member at the account opening. Care should also be taken to ensure that the term share certificate format addresses any necessary state law concerns. As the FRB's Regulation D on reserve requirements permits all term share accounts to be represented by a transferable or nontransferable, or a negotiable or non-negotiable, certificate, instrument, passbook, statement or otherwise, and still be considered a "time deposit", the Board has made no entry on this sample form regarding such terms, leaving the decision instead to each credit union's board of directors. 12 CFR 202.4(c)(2).

B-6 SAMPLE FORM (REGULAR SHARE ACCOUNT DISCLOSURES)

Regular Share Account Disclosures

1. *Rate information.* As of April 1, 1995, the dividend rate was 5.00% and the annual percentage yield (APY) was 5.13% on your regular share account. In addition, the credit union estimates a prospective dividend rate of 5.25% and a prospective APY of 5.39% on your share account for this dividend period. The dividend rate and annual percentage yield may change every quarter as determined by the credit union board of directors.

2. *Compounding and crediting.* Dividends will be compounded daily and will be credited quarterly. For this account type, the dividend period is quarterly, for example, the beginning date of the first dividend period of the calendar year is January 1 and the ending date of such dividend period is March 31. All other dividend periods follow this same pattern of dates. The dividend declaration date follows the ending date of a dividend period, and for the example is April 1. If you close your regular share account before dividends are credited, you will not receive accrued dividends.

3. *Minimum balance requirements.* The minimum balance to open this account is the purchase of a \$5 share in the Credit Union. You must maintain a minimum daily balance of \$500 in your account to avoid a service fee. If, during any day during a quarter, your account balance falls below the required minimum daily balance, your account will be subject to a service fee of \$5 for that quarter.

4. *Balance computation method.* Dividends are calculated by the daily balance method which applies a daily periodic rate to the principal in your account each day.

5. *Accrual of dividends.* Dividends will begin to accrue on the business day you deposit noncash items (e.g., checks) to your account.

6. *Fees and charges.* The following fees and charges may be assessed against your account.

- a. Statement copies—\$5.00 per statement.
- b. Account inquiries—\$3.00 per inquiry.

- c. Dormant account fee—\$10.00 per month.
- d. Wire transfers—\$8.00 per transfer.
- e. Minimum balance service fee—\$5.00 per quarter.
- f. Share transfer—\$1.00 per transfer.
- g. Excessive share withdrawals \$1.00 per item.

7. *Transaction limitations.* During any statement period, you may not make more than six withdrawals or transfers to another credit union account of yours or to a third party by means of a preauthorized or automatic transfer or telephonic order or instruction. No more than three of the six transfers may be made by check, draft, debit card, if applicable, or similar order to a third party. If you exceed the transfer limitations set forth above in any statement period, your account will be subject to closure by the credit union or to a fee of \$1.00 per item.

8. *Nature of dividends.* Dividends are paid from current income and available earnings, after required transfers to reserves at the end of a dividend period.

9. *Bylaw Requirements.* A member who fails to complete payment of one share within _____ of his admission to membership, or within _____ from the increase in the par value in shares, or a member who reduces his share balance below the par value of one share and does not increase the balance to at least the par value of one share within _____ of the reduction may be terminated from membership at the end of a dividend period. [All blanks should be filled with time chosen by credit union board of directors.] Shares may be transferred only from one member to another, by written instrument in such form as the Credit Union may prescribe. The Credit Union reserves the right, at any time, to require members to give, in writing, not more than 60 days notice of intention to withdraw the whole or any part of the amounts so paid in by them. No member may withdraw shareholdings that are pledged as required on security on loans without the written approval of the credit committee or a loan officer, except to the extent that such shares exceed the member's total primary and contingent liability to the Credit Union. No member may withdraw any shareholdings below the amount of his/her primary or contingent liability to the Credit Union if he/she is delinquent as a borrower, or if borrowers for whom he/she is comaker, endorser, or guarantor are delinquent, without the written approval of the credit committee or loan officer.

10. *Par value of shares; Dividend period.* The par value of a regular share in this Credit Union is \$5. The dividend period of the Credit Union is quarterly.

11. *National Credit Union Share Insurance Fund.* Member accounts in this Credit Union are federally insured by the National Credit Union Share Insurance Fund.

12. *Other Terms and Conditions.* [In this item, which may be titled or subdivided in any manner by each credit union, NCUA suggests that the following issues be covered or handled: Statutory lien or setoff; expenses (garnishments and bankruptcy orders and holds on account); joint ownership accounts; trust accounts; payable-on-death accounts; retirement accounts; Uniform Transfer to Minor Act accounts; sole proprietorship accounts; escrow and custodial accounts; corporation accounts; not-for-profit corporation accounts; voluntary association accounts; partnership accounts; public unit accounts; powers of attorney (guardianship orders); tax disclosures and certifications; Uniform Commercial Code variances; amendments; reliance on signature card; change of address; incorporations of other documents by reference, such as expedited funds availability policies, service charges schedules or electronic banking disclosures; ability to suspend services; and operational matters (stop payment orders—verbal and written, satisfactory identification, refusal of deposits not in proper form, wire transfers, stale check deposits, availability of periodic statements or passbook feature.)]

NOTE: This form is modeled on the share account disclosures in the *Accounting Manual for FCUs*, §5150.7. The disclosures are for a variable-rate, daily balance method dividend calculation regular share account in an FCU with a \$500 minimum balance to avoid service fees. For the example, the account was opened on May 1, 1995. Other terms are self-explanatory. The dividend rate paid and annual percentage yield disclosures will reflect the prospective dividend rate for a given dividend period. Item nos. 1–8 reflect standard TISA and part 707 disclosures discussed in sections B-1 through B-3 of this appendix. Note that if the credit union limits the maximum amount of shares which may be held by one member under *NCUA Standard FCU Bylaws*, Art. III, section 2, that this should be stated in item no. 7, transaction limitations. Item no. 9 reflects various terms provided in Art. III, sections 3–6 of the *NCUA Standard FCU Bylaws*. Item no. 10 reflects the par value amount of regular shares in a federal credit union, pursuant to section 117 of the FCU Act, 12 U.S.C. 117. It also states the dividend period of the credit union, which is set by the board of directors. Item no. 11 addresses the requirements of 12 CFR part 740. Nonfederally insured credit unions (NICUs) would be expected to disclose information required by section 151 of the Federal Deposit Insurance Corporation Improvement Act of 1991, 12 USC 1831t. By December 19, 1992, all NICUs were required to include conspicuously on all periodic statements of account, signature cards, passbooks, share certificates and other similar instruments of deposit and in all advertising a notice that the credit

National Credit Union Administration

Pt. 707, App. B

union is not federally insured. Additional disclosures will be required of NICUs by June 19, 1994. Item no. 12 is inserted to ensure that credit unions add other account terms and conditions not covered by the proposed regulation. These sorts of terms are contemplated by proposed §707.3(b), requiring that the disclosures reflect the terms of the legal obligation between the member and the credit union. This list is not meant to be exhaustive, but to give a general idea of other topics often covered in share account contracts. Item no. 12 is not expressly required by either TISA or part 707, but any of these terms that are disclosed must be accurate and not misleading. Also the Board strongly recommends that such terms are included in account opening disclosures to inform the membership and to clearly set forth the legal relationship between the members and their credit union.

B-7 SAMPLE FORM (SHARE DRAFT ACCOUNT DISCLOSURES)

Share Draft Account Disclosures

1. *Rate information.* As of January 1, 1995, the dividend rate was 3.00% and the annual percentage yield (APY) was 3.04% on your share account. In addition, the prospective dividend rate on your account is 3.15% with a prospective annual percentage yield (APY) of 3.20% for the current dividend period. The dividend rate and APY may change every dividend period as determined by the credit union board of directors.

2. *Compounding and crediting.* Dividends will be compounded monthly and will be credited monthly. For this account type, the dividend period is monthly, for example, the beginning date of the first dividend period of the calendar year is January 1 and the ending date of such dividend period is January 31. All other dividend periods follow this same pattern of dates. The dividend declaration date follows the ending date of a dividend period, and for the example above is February 1. If you close your share draft account before dividends are credited, you will not receive accrued dividends.

3. *No Minimum balance requirements apply to this account.*

4. *Balance computation method.* Dividends are calculated by the average daily balance method which applies a periodic rate to the average daily balance in the account for the period. The average daily balance is calculated by adding the balance in the account for each day of the period and dividing that figure by the number of days in the period.

5. *Accrual of dividends.* Dividends will begin to accrue no later than the business day we receive provisional credit for the placement of noncash items (e.g. checks) to your account.

6. *Fees and charges.* The following fees and charges may be assessed against your account.

- a. Statement copies—\$5.00 per statement.
- b. Account inquiries—\$3.00 per inquiry.
- c. Dormant account fee—\$10.00 per month.
- d. Wire transfers—\$8.00 per transfer.
- e. Overdrafts/Returned Items—\$5.00 per draft.
- f. Share transfer—\$1.00 per transfer.
- g. Excessive share withdrawals—\$1.00 per item.
- h. Certified checks—\$5.00 per check.
- i. Stop Payment Order—\$5.00 per order.
- j. Check Printing Fee—\$12.00 per 200 checks (varies depending on style of check ordered).

7. *No transaction limitations apply to this account.*

8. *Nature of dividends.* Dividends are paid from current income and available earnings, after required transfers to reserves at the end of a dividend period.

9. *Bylaw Requirements.* A member who fails to complete payment of one share within _____ of his admission to membership, or within _____ from the increase in the par value in shares, or a member who reduces his share balance below the par value of one share and does not increase the balance to at least the par value of one share within _____ of the reduction may be terminated from membership at the end of a dividend period. [All blanks should be filled with time chosen by credit union board of directors.] Shares may be transferred only from one member to another, by written instrument in such form as the Credit Union may prescribe. The Credit Union reserves the right, at any time, to require members to give, in writing, not more than 60 days notice of intention to withdraw the whole or any part of the amounts so paid in by them. Shares paid in under an accumulated payroll deduction plan may not be withdrawn until credited to a member's account. No member may withdraw shareholdings that are pledged as required on security on loans without the written approval of the credit committee or a loan officer, except to the extent that such shares exceed the member's total primary and contingent liability to the Credit Union. No member may withdraw any shareholdings below the amount of his/her primary or contingent liability to the Credit Union if he/she is delinquent as a borrower, or if borrowers for whom he/she is comaker, endorser, or guarantor are delinquent, without the written approval of the credit committee or loan officer.

10. *Par value of shares; Dividend period.* The par value of a regular share in this Credit Union is \$5. The dividend period of the Credit Union is monthly, beginning on the first of a month and ending on the last day of the month.

11. *National Credit Union Share Insurance Fund.* Member accounts in this Credit Union

are federally insured by the National Credit Union Share Insurance Fund.

12. *Other Terms and Conditions.* [See section B-6, item 12, of this appendix].

NOTE: This form is modeled on the share account disclosures in the *Accounting Manual for FCUs*, §5150.7. The disclosures are for a variable-rate, average daily balance method dividend calculation share draft account in an FCU with no minimum balance requirement. For purposes of this example, the account was opened on January 15, 1995. The Credit Union has monthly dividend periods. Other terms are self-explanatory. The dividend rate paid and annual percentage yield disclosures will reflect the prospective dividend rate for a given dividend period. The disclosures are very similar to the ones in section B-6 of appendix B, except for the roll-back and par value disclosures, which have been removed from the final rule and appendices.

B-8 SAMPLE FORM (MONEY MARKET SHARE ACCOUNT DISCLOSURES)

Money Market Share Account Disclosures

1. *Rate information.* As of January 1, 1995, if your average daily balance was \$500 or more, the dividend rate paid on the entire balance in your account was 4.75%, with an annual percentage yield (APY) of 4.85%. If your average daily balance is \$500 or more, a prospective dividend rate of 4.95% will be paid on the entire balance in your account with a prospective APY of 5.00% for this dividend period on your account. The dividend rate and APY may change every dividend period as determined by the credit union board of directors.

2. *Compounding and crediting.* Dividends will be compounded monthly and will be credited quarterly. If you close your share money market account before dividends are credited, you will not receive accrued dividends.

3. *Minimum balance requirements.* The minimum balance required to open this account is \$500. You must maintain a minimum daily balance of \$500 in your account to avoid a service fee. If, during any (time period), your account falls below the required minimum daily balance, your account will be subject to a service fee of \$5 for that (time period).

4. *Balance computation method.* Dividends are calculated by the average daily balance method which applies a periodic rate to the average daily balance in your account for the period. The average daily balance is calculated by adding the principal in the account for each day of the period and dividing that figure by the number of days in the period.

5. *Accrual of dividends.* Dividends will begin to accrue on the business day you deposit noncash items (e.g., checks) to your account.

6. *Fees and charges.* The following fees and charges may be assessed against your account.

- a. Statement copies—\$5.00 per statement.
- b. Account inquiries—\$3.00 per inquiry.
- c. Dormant account fee—\$10.00 per month.
- d. Wire transfers—\$8.00 per transfer.
- e. Minimum balance service fee—\$5.00 per (time period).

No more than three of the six transfers may be made by check, draft, debit card, if applicable, or similar order to a third party. If you exceed the transfer limitations set forth above in any statement period, your account will be subject to closure by the credit union or to a fee of \$1.00 per item.

8. *Nature of dividends.* Dividends are paid from current income and available earnings, after required transfers to reserves at the end of a dividend period.

9. *Bylaw Requirements.* [This section should reflect any requirements concerning share accounts in the FISCO's bylaws or charter.]

10. *Par value of shares; Dividend period.* The par value of a regular share in this Credit Union is \$50. The dividend period of the Credit Union is monthly, beginning on the first of a month and ending on the last day of the month.

11. *National Credit Union Share Insurance Fund.* Member accounts in this Credit Union are federally insured by the National Credit Union Share Insurance Fund.

12. *Other Terms and Conditions.* [See section B-6, item 12, of this appendix.]

NOTE: This form is modeled on the share account disclosures in the *Accounting Manual for FCUs*, §5150.7 and on the share draft account disclosures in section B-7 of this appendix. The disclosures are for a variable-rate, tiered-rate (method A, option 1), average daily balance method dividend calculation, money market share account in a FISCO with a \$500 minimum balance to open the account and to avoid service fees. For purposes of this example, the account was opened on January 29, 1995. Other terms are self-explanatory. The dividend rate paid and annual percentage yield disclosures will reflect the prospective dividend rate for a given dividend period. Note that the contents of Item 9, Bylaw requirements, must be tailored to the specific bylaws of a FISCO or

B-9 SAMPLE FORM (TERM SHARE (CERTIFICATE) ACCOUNT DISCLOSURES)

Term Share (Certificate) Account Disclosures

1. *Rate information.* [Repeat rates disclosed on face of term share certificate, *see* §B-5, Sample Form (Term Share (Certificate) Account)].

2. *Compounding and crediting.* Dividends will be compounded monthly and will be credited annually. If you close your certificate account before dividends are credited, you will not receive accrued dividends.

3. *Minimum balance requirements.* The minimum balance required to open this account is \$500.

4. *Balance computation method.* Dividends are calculated by the daily balance method, which applies a daily periodic rate to the principal in your account each day.

5. *Accrual of dividends.* Dividends will begin to accrue on the business day you deposit noncash items (e.g., checks) to your account.

6. *Fees and charges.* The following fees and charges may be assessed against your account.

- a. Statement copies—\$5.00 per statement.
- b. Account inquiries—\$3.00 per inquiry.
- c. Share transfer—\$1.00 per transfer.

7. *Transaction limitations.* After the account is opened, you may not make deposits into the account until the maturity date stated on the certificate.

8. *Maturity date.* Your account will mature on January 1, 1996.

9. *Early withdrawal penalties.* We may impose a penalty if you withdraw any of the funds before the maturity date. The penalty will equal three months' dividends on your deposit.

10. *Renewal policies.* Your certificate account will automatically renew at maturity. You will have a grace period of 10 business days after the maturity date to withdraw the funds in the account without being charged an early withdrawal penalty.

11. *Bonus.* You will receive a new (insert brand name) toaster-oven as a bonus when you open the account after December 31, 1994, and before June 30, 1995. You must maintain your entire principal on deposit until the maturity date of your certificate account to obtain the bonus.

12. [Reserved]

13. *Bylaw Requirements.* [This section should reflect any requirements concerning share accounts in the FISCO's bylaws or charter.]

14. *Par value of shares; Dividend period.* The par value of a regular share in this Credit Union is \$25. The dividend period of the Credit Union on this type of account is annual, beginning on the date the account is opened,

and ending on the stated maturity date, unless renewed.

15. *National Credit Union Share Insurance Fund.* Member accounts in this Credit Union are federally insured by the National Credit Union Share Insurance Fund.

16. *Other Terms and Conditions.* [See section B-6, item 12, of this appendix.]

NOTE: Even though this disclosure is for an account at a FISCO, this form is modeled on the share account disclosures in the *Accounting Manual for FCUs*, §5150.7 and upon the regular share account disclosures in section B-6 of this appendix. The disclosures are for a fixed-rate, daily balance method dividend calculation, automatically renewing term share certificate account in a FISCO with a \$500 minimum balance to open the account and a ten day grace period. For the example, the account is opened on January 1, 1995 and matures on January 1, 1996. Other terms are self-explanatory. The dividend rate paid and annual percentage yield disclosures reflect the contracted, prospective dividend rate for a given dividend period. Note the special disclosures for term share certificate accounts, items nos. 8-10. Note also the bonus disclosure, item no. 11.

Codes of transactions are not required, but are a common credit union practice. The information regarding fees could also be included on the line of the periodic statement showing when the fees were debited from the account. Alternatively, a credit union could show all fees debited against the account for the statement period in a special area of the periodic statement. Clarity to the member of the required information—annual percentage yield earned; amount of dividends; fees imposed and length of period—is the important goal. An additional disclosure regarding the dollar value of any extraordinary dividends earned must be added to those statements showing the payment of such extraordinary dividends to the member.

APPENDIX C TO PART 707—OFFICIAL STAFF INTERPRETATIONS

Introduction

1. *Official status.* This commentary is the means by which the staff of the Office of General Counsel of the National Credit Union Administration issues official staff interpretations of Part 707 of the NCUA Rules and Regulations. Good faith compliance with this commentary affords protection from liability under section 271(f) of the Truth in Savings Act (TISA), 12 U.S.C. 4311.

Section 707.1—Authority, Purpose, Coverage, and Effect on State Laws

(c) Coverage

1. *Foreign applicability.* Part 707 applies to all credit unions that offer share and deposit accounts to residents (including resident aliens) of any state as defined in §707.2(v) and that offer accounts insurable by the National Credit Union Share Insurance Fund (NCUSIF) whether or not such accounts are insured by the NCUSIF. Corporate credit unions designated as such by NCUA under 12 CFR 704.2 (definition of “corporate credit union”) are exempt from part 707.

2. *Persons who advertise accounts.* Persons who advertise accounts are subject to the advertising rules. This includes agent and agented accounts, such as a member who subdivides interests in a jumbo term share certificate account for sale to other parties or among members who form a certificate account investment club. For example, if an agent places an advertisement that offers members an interest in an account at a credit union, the advertising rules apply to the advertisement, whether the account is held by the agent or directly by the member.

3. *Nonautomated credit unions.* Nonautomated credit unions with an asset size of \$2 million or less, after subtracting any non-

member deposits, are exempt from TISA and part 707. NCUA defines a “nonautomated credit union” as a credit union without sufficient data processing capability and capacity to establish, operate and maintain a share and loan software system to timely and accurately process all account transactions of all members. The nonautomated credit union exemption is available to all credit unions meeting the asset size and automation standards of this comment, including newly chartered credit unions. If any of the credit unions eligible for this exemption grow to have more than \$2 million in assets as of December 31 of any year, the NCUA Board will require such credit unions to comply with TISA and part 707 on January 1 of one year after such credit union loses its exemption eligibility. Similarly, if a credit union becomes sufficiently automated to operate a complete share and loan system, such credit union will be entitled to the same compliance phase-in period.

(d) Effect on State Laws

1. *Preemption of state laws/Inconsistent requirements.* State law requirements that are inconsistent with the requirements of TISA and part 707 are preempted to the extent of the inconsistency. A state law is inconsistent if it requires a credit union to make disclosures or take actions that contradict the requirements of the federal law. A state law is also contradictory if it requires the use of the same term to represent a different amount or a different meaning than the federal law, requires the use of a term different from that required in the federal law to describe the same item, or permits a method of calculating dividends or interest on an account different from that required in the federal law.

2. *Preemption determinations.* A credit union, state, or other interested party may request the Board to determine whether a state law requirement is inconsistent with the federal requirements. A request for a determination should be addressed to NCUA’s Office of General Counsel, 1775 Duke Street, Alexandria, VA 22314. Written preemption requests should cite (or include a copy of) the allegedly inconsistent state law, demonstrate the inconsistency with TISA and part 707 and the burden on credit unions, and formally request a preemption determination. The Office of General Counsel may provide other interested parties, particularly affected states, an informal opportunity to comment on any request for a preemption determination, unless it finds that such notice and opportunity for comment would be impracticable, unnecessary, or contrary to the public interest. NCUA will publicize any preemption determinations using any means readily at its disposal.

3. *Effect of preemption determinations.* After the Board, through its Office of General Counsel, determines that a state law is inconsistent, a credit union may not make disclosures using the inconsistent term or take actions relying on the inconsistent law.

4. *Reversal of determination.* The Board reserves the right to reverse a determination for any reason bearing on the coverage or effect of state or federal law.

Section 707.2—Definitions

(a) Account

1. *Covered accounts.* Examples of accounts subject to the regulation are:

i. Dividend-bearing and interest-bearing accounts.

ii. Non-dividend-bearing and non-interest-bearing accounts.

iii. Accounts opened as a condition of obtaining a credit card.

iv. Escrow accounts with a consumer purpose, such as an account established by a member to escrow rental payments, pending resolution of a dispute with the member's landlord.

v. Accounts held by a parent or custodian for a minor under a state's Uniform Gift to Minors Act (or Uniform Transfers to Minors Act).

vi. Individual retirement accounts (IRAs) and simplified employee pension (SEP) accounts.

vii. Payable-on-Death (POD) or "Totten trust" accounts.

2. *Other accounts.* Examples of accounts not subject to the regulation are:

i. Mortgage escrow accounts for collecting taxes and property insurance premiums.

ii. Accounts established to make periodic disbursements on construction loans.

iii. Trust accounts opened by a trustee pursuant to a formal written trust agreement (not merely declarations of trust on a signature card such as a "Totten trust," or an IRA or SEP account).

iv. Accounts opened by an executor in the name of decedent's estate.

v. Accounts of individuals operating businesses as sole proprietors.

vi. Certificates of indebtedness. Some credit unions borrow funds from their members through a certificate of indebtedness that sets forth the terms and conditions of the repayment of the borrowing, such as federal credit unions do through 12 CFR 701.38. Such an account does not represent an account in a credit union and is not covered by part 707.

vii. Unincorporated nonbusiness association accounts.

3. *Other investments.* The term "account" does not apply to these products. Examples of products not covered are:

i. Government securities.

ii. Mutual funds.

iii. Annuities.

iv. Securities or obligations of a credit union.

v. Contractual arrangements such as repurchase agreements, interest rate swaps, and bankers acceptances.

vi. Purchases of U.S. Savings Bonds through a credit union.

vii. Services offered through a group purchasing plan or a credit union service organization (CUSO).

4. *Options.* All dividend-bearing and interest-bearing accounts are either fixed-rate or variable-rate accounts.

5. *Use of synonyms.* Generally, it is not the purpose of part 707 to prohibit specific descriptive terms for accounts. For example, credit unions can use adjectives and trade names to describe accounts such as "Best Share Draft Account," or "Ultra Money Market Share Account." Synonyms for share, share draft, money market share, and term share accounts may be used to describe various types of credit union share and deposit accounts as long as the synonym is accurate and not misleading and, for account disclosures, is used in conjunction with the correct legal term. For example, the following synonyms may be used:

i. The term "checking account" may be used to describe share draft accounts.

ii. The term "money market account" may be used to describe money market share accounts.

iii. The term "savings account" may be used to describe regular share and share accounts.

iv. The terms "share certificate," "certificate account," or "certificate" may be used to describe share certificates and other dividend-bearing term share accounts.

v. However, under no circumstances may a credit union describe a share account as a deposit account, or vice versa. For example, the term "certificate of deposit" or "CD" may not be used to describe share certificates and other dividend-bearing term share accounts. Similarly, the terms "time account" (used in Regulation DD, 12 CFR 230.2(u)) and "time deposit" (used in Regulation D, 12 CFR 204.2(c)) may not be used to describe term share accounts.

(b) Advertisement

1. *Covered messages.* Advertisements include commercial messages in visual, oral, or print media that invite, offer, or otherwise announce generally to members and potential members the availability of member accounts such as:

i. Telephone solicitations.

ii. Messages on automated teller machine (ATM) screens (including any printout).

iii. Messages on a computer screen in a credit union's lobby (including any printout) other than a screen viewed solely by the credit union's employee.

iv. Messages in a newspaper, magazine, or promotional flyer or on radio or television.

v. Messages promoting an account that are provided along with information about the member's existing account at a credit union and that promote another account at the credit union (such as account promotional messages on the periodic statement).

2. *Other messages.* Examples of messages that are *not* advertisements are:

i. Rate sheets published in newspapers, periodicals, or trade journals (unless the credit union or share and deposit broker that offers accounts at the credit union pays a fee to have the information included or otherwise controls publication).

ii. Telephone conversations initiated by a member or potential member about an account.

iii. An in-person discussion with a member about the terms for a specific account.

iv. For purposes of §707.8(b) of this part through §707.8(e) of this part, information given to members about existing accounts, such as current rates recorded on a voice-response machine or notices for automatically renewable time account sent before renewal.

v. Information about a particular transaction in an existing account.

vi. Disclosures required by Federal or other applicable law.

vii. A share account agreement.

(c) *Annual Percentage Yield.*

1. *General.* The annual percentage yield (APY) is required for disclosures for new accounts, oral responses to inquiries about rates; disclosures provided upon request; initial disclosures (if the credit union chooses to provide full disclosures instead of the abbreviated notice); notices prior to the renewal of a term share account, if known at the time the notice is sent, and in advertising. The annual percentage yield shows the total amount of dividends for a 365 day period (or a 366 day period for a leap year) on an assumed principal amount based on the dividend rate and frequency of compounding as a percentage of the assumed principal (for accounts such as share or share draft accounts) or for the total amount of dividends over the term of the account for term share accounts. The annual percentage yield assumes the principal amount remains in the account for 365 days (366 days for leap year) or for the term of the account.

2. *How Annual Percentage Yield Differs from Annual Percentage Yield Earned.* The annual percentage yield (APY) differs from the annual percentage yield earned (APYE). The annual percentage yield earned is required for periodic statements only. The annual percentage yield earned shows the total amount of dividends earned for the dividend or statement period as a percent of the actual average daily balance in the member's account. Unlike the annual percentage yield,

the annual percentage yield earned is affected by additions and withdrawals during the period. The annual percentage yield and the annual percentage yield earned must be calculated according to the formulas provided in appendix A to this rule.

(d) *Average Daily Balance Method*

1. *General.* One of the two required methods (the daily balance is the other) of determining the balance upon which dividends must be accrued and paid. The average daily balance method requires the application of a periodic rate to the average daily balance in the account for the average daily balance calculation period. The average daily balance is determined by adding the full amount of principal in the account for each day of the period and dividing that figure by the number of days in the period.

(e) *Board.*

1. *General.* The NCUA Board.

(f) *Bonus*

1. *General.* Bonuses include items of value offered as incentives to members, such as an offer to pay the final installment deposit for a holiday club account if the final installment is over \$10. Bonuses do not include the payment of dividends (including extraordinary dividends), the waiver or reduction of a fee, the absorption of expenses, non-dividend membership benefits, or other consideration aggregating \$10 or less per year.

2. *Examples.* The following are examples of bonuses.

i. A credit union offers \$25 to potential members for becoming a member and opening an account. The \$25 could be provided by check, cash, or direct deposit.

ii. A credit union offers \$25 to a member with only a regular share account to open a share draft account. The \$25 could be provided by check, cash, or direct deposit.

iii. A credit union offers a portable radio with a value of \$20 to members and potential members for opening a share draft account.

iv. A credit union pays the final installment deposit for a holiday club account if over \$10.

3. *Examples not comprising bonuses.* The following are examples of items that are *not* bonuses:

i. Discount coupons distributed by credit unions for use at restaurants or stores.

ii. A credit union offers \$20 to any member if the member is responsible for encouraging a potential member to open an account. The \$20 is not a bonus because the \$20 is not paid to the individual opening the account. Any item, including cash, given or offered to a third party (that is not a joint member or joint owner in an account being opened) in exchange for a member or potential member

opening (or a member renewing or adding to) an account is not a bonus.

iii. A credit union offers \$25 to a member if the member can locate his name in the body of a newsletter.

iv. Life savings benefits. Many credit unions offer life savings benefits to beneficiaries of deceased members. Because the benefit accrues to a third party, such life savings plans offered are not bonuses.

v. A credit union offers to pay annual membership dues in a benevolent organization for a class of members.

4. *De minimis* rule. Items with a *de minimis* value of \$10 or less are not bonuses. Credit unions may rely on the valuation standard used by the Internal Revenue Service (IRS) to determine if the value of the item is *de minimis*. Items required to be reported by the credit union under IRS rules are bonuses under this regulation. Examples of items of *de minimis* values are:

i. Disability insurance premiums on a share account valued at an amount of \$10 or less per year.

ii. Coffee mugs, T-shirts or other merchandise with a market value of \$10 or less per year.

5. *Aggregation*. In determining if an item valued at \$10 or less is a bonus, credit unions must aggregate per account per calendar year items that may be given to members. In making this determination, credit unions aggregate per account only the market value of items that may be given for a specific promotion. To illustrate, assume a credit union offers in January to give members an item valued at \$7 for each calendar quarter during the year that the average account balance in a share draft account exceeds \$10,000. The bonus rules are triggered, since members are eligible under the promotion to receive up to \$28 during the year. However, the bonus rules are not triggered if an item valued at \$7 is offered to members opening a share draft account during the month of January, even though in November the credit union introduces a new promotion that includes, for example, an offer to existing share draft account holders for an item valued at \$8 for maintaining an average balance of \$5,000 for the month.

6. *Waiver or reduction of a fee or absorption of expenses*. Bonuses do not include value received by members through the waiver or reduction of fees for credit union-related services (even if the fees waived exceed \$10), such as the following:

i. Waiving a safe deposit box rental fee for one year for members who open a new account.

ii. Waiving fees for travelers checks for members, and waiving check and share draft printing fees.

iii. Nondiscriminatorily waiving all fees for a particular class of members, such as seniors or minors.

iv. Discounts on interest rates charged for loans at the credit union.

v. Rebates of loan interest already paid by a member.

vi. Discounts on application fees charged for loans at the credit union.

vii. Packaged, linked, or tied-account services.

7. *Non-dividend membership benefits*. Such benefits are not bonuses because they are sporadic in nature, often difficult to value, and providing non-dividend membership benefits is a long-standing unique credit union practice. (See commentary to §707.2(r) for examples of such benefits.)

(g) Credit Union

1. *General*. Includes credit unions in the United States, Puerto Rico, Guam, U.S. Virgin Islands, and U.S. territories. Applies to credit unions whether or not the accounts in the credit union are federally, state, privately insured, or uninsured.

(h) Daily Balance Method

1. *General*. One of the two required methods (the average daily balance is the other) of determining the balance upon which dividends must be accrued and paid. The daily balance method requires the application of a daily periodic rate to the full amount of principal in the account each day.

(i) Dividend and Dividends

1. *General*. Member savings placed in share accounts are equity investments, and the returns earned on these accounts are dividends. Federal credit unions may only offer dividend-bearing and non-dividend-bearing share accounts. State-chartered credit unions may offer both share and deposit accounts if permitted by state law. State law, including without limitation regulations and official interpretations, will determine if returns earned in accounts in state-chartered credit unions are dividends. Dividends exclude the payment of a bonus or other consideration worth \$10 or less given during a year, the waiver or reduction of a fee, the absorption of expenses, non-dividend membership benefits and extraordinary dividends. Dividend-bearing accounts must be either fixed-rate or variable-rate accounts.

2. *Procedure*. Credit unions must follow appropriate law (state law for state-chartered credit unions and federal law for federal credit unions) in determining dividend policies and declaring dividends. Generally, dividends may be viewed as a portion of the available account and undivided earnings of the credit union which is set apart, after required transfer to reserves, by valid act of the board of directors, for distribution among the members. As a matter of legal procedure, members are usually not entitled to dividends until the following steps are

completed: (1) The board of the credit union develops a nondiscriminatory dividend policy, by establishing dividend periods, dividend credit determination dates dividend distribution dates, any associated penalties (if applicable), and the method of dividend computation for each type of share account; (2) the provisions for required transfers to reserves are made; (3) sufficient and available prior and/or current earnings are available at the end of the dividend period; (4) the board formally makes a dividend declaration in accordance with the credit union's dividend policy; and (5) dividends must be paid to members by a credit to the appropriate share account, payment by check or share draft, or by a combination of the two methods.

3. *When available.* Credit unions must follow the law of their primary chartering authority to determine when dividends are available. Generally, it is the declaration of the dividend itself which creates the dividend and the member has no right to receive a dividend until it is so declared. The decision of when to declare dividends lies within the official discretion of each credit union's board of directors and cannot be abrogated by contract. An agreement to pay dividends on a share account is generally interpreted not as an obligation to pay the stipulated dividends absolutely and unconditionally, but as an undertaking to pay them out of the earnings when sufficiently accumulated from which dividends in general are properly payable. Generally, "prospective rates" are rates set in good faith in advance of the close of a dividend period, that may be altered if sufficient funds are not available, or in the event of a superseding event, such as a strike, plant closure, significant fluctuation in market rates and/or a significant change in financial structure, natural disaster or emergency that alters the assumptions under which the "prospective rates" were made. It is the intent of TISA that all disclosure be accurate when made, and credit unions are urged to make every effort to ratify disclosed "prospective rates." "Prospective rates" may also be referred to as "projected rates" or similar wording, but not as "estimated rates." (See comment 3(b)-2, prohibiting use of estimates).

4. *Sample dividend resolutions.* (i) The following resolution may be used where the dividend rates are set after the close of a dividend period.

RESOLUTION OF BOARD OF DIRECTORS FOR THE
DECLARATION OF DIVIDENDS

A. I., _____, certify that I am Secretary of _____ Credit Union Board of Directors, and that the following is a correct copy of the resolution for declaring dividend adopted by the _____ Credit Union at a meeting of the Board of Directors duly and properly held on _____,

19____. This resolution appears in the minutes of this meeting and has not been rescinded or modified.

B. Resolved, that

(1) The Board of Directors has developed a nondiscriminatory dividend policy, by establishing dividend periods, dividend credit determination dates, dividend distribution dates, any associated penalties (if applicable), and the method of dividend computation for each type of share account;

(2) The required transfers to reserves have been made; and

(3) Sufficient and available prior and/or current earnings are available at the end of this dividend period.

C. Resolved, further, that the Board of Directors now formally makes a dividend declaration in accordance with the Credit Union's dividend policy and authorizes that on _____, 19____, dividends must be paid to members by a credit to the appropriate share account, payment by share draft or by a combination of the two methods.

D. I further certify that the Board of Directors of this Credit Union has, and the time of adoption of this resolution had, full power and lawful authority to adopt the foregoing resolutions and that this resolution revokes any prior resolution.

In witness whereof, this is my signature and the date on which I signed this Resolution.

(ii) The following resolution may be used where the dividend rates are set before the close of a dividend period.

RESOLUTION OF BOARD OF DIRECTORS FOR THE
DECLARATION OF DIVIDENDS

A. I., _____, certify that I am the Secretary of _____ Credit Union, and that the following is a correct copy of the resolution for declaring dividends adopted by the _____ Credit Union at a meeting of the Board of Directors duly and properly held on _____, 19____. This resolution appears in the minutes of that meeting and has not been rescinded or modified.

B. Resolved, that the Board of Directors has adopted a nondiscriminatory dividend policy, by establishing dividend periods, dividend credit determination dates, dividend distribution dates, any associated penalties (if applicable) and the method of dividend computation for each type of share account.

C. Resolved, that it is the policy and practice of the Board of Directors to meet periodically to establish prospective dividend

rates for each type of dividend-bearing share account.

D. Resolved, that if the required transfers to reserves have been made and there are sufficient and available prior and/or current earnings available at the end of a dividend period, the officers of the Credit Union are authorized to pay dividends at the rate prospectively established by the Board of Directors for each account for the dividend period. The officers may pay the dividends without any further action of the Board of Directors. The act of paying the dividends shall constitute the declaration of the dividends and shall be a ratification of the prospective dividend rate.

In witness whereof, this is my signature and the date on which I signed this Resolution.

5. *Referencing.* Except where specifically stated otherwise, use of the term “share” in part 707, as in “share account,” also refers to “deposit,” as in “deposit account,” where appropriate (for interest-bearing or non-interest-bearing deposit accounts at some state-chartered credit unions).

(j) Dividend Declaration Date

1. *General.* The importance of the dividend declaration date is to tie the last paid dividend to a certain period of time to place members and potential members on notice that the last paid dividend is different from the next dividend to be paid. In order to achieve this purpose, a credit union may use any of the following methods:

- i. “As of 3/15/95” (the date the board of directors last met and declared the last paid dividend).
- ii. “As of 3/31/95” (the last day of the last dividend period upon which a dividend has been paid).
- iii. “For the period 1/1/95 to 3/31/95” (the last dividend period upon which a dividend has been paid).
- iv. “For the first quarter of 1995” (the last dividend period upon which a dividend has been paid).
- v. “For April 1995” (the last dividend period upon which a dividend has been paid).
- vi. “As of the last dividend declaration date” (the last dividend period upon which a dividend has been paid).

(k) Dividend Period

1. *General.* The dividend period is to be set by a credit union’s board of directors for each account type, e.g., regular share, share draft, money market share, and term share.

The most common dividend periods are weekly, monthly, quarterly, semi-annually, and annually. Dividend periods need not agree with calendar months, e.g., a monthly dividend period could begin March 15 and end April 14.

(l) Dividend Rate

1. *General.* The dividend rate does not reflect compounding. Compounding is reflected in the “annual percentage yield” definition.

2. *Referencing.* Except where specifically stated otherwise, use of the term “dividend rate” in part 707 also refers to “interest rate,” where appropriate (for interest-bearing and non-interest-bearing deposit accounts at some state-chartered credit unions).

(m) Extraordinary Dividends

1. *General.* The definition encompasses all irregularly scheduled and declared dividends, and as dividends, extraordinary dividends are exempt from the “bonus” disclosure requirements. Extraordinary dividends do not have to be disclosed on account disclosures, but the dollar amount of an extraordinary dividend credited to the account during the statement period does have to be separately disclosed on the periodic statement for the dividend period during which the extraordinary dividends are earned. Extraordinary dividends, like ordinary dividends, do not include the payment of a bonus or other consideration worth \$10 or less given during a year, the waiver or reduction of a fee, the absorption of expenses or non-dividend membership benefits. See comments 2(f) 1 through 7 and 2(i) 1 through 4. Extraordinary dividends may be calculated by any means determined by the board of directors of a credit union and may not be used in the annual percentage yield earned calculation.

2. *Use of synonym.* Extraordinary dividends may be described as “bonus dividends.”

(n) Fixed-Rate Account

1. *General.* Includes all accounts in which the credit union, by contract, agrees to give at least 30 days advance written notice of decreases in the dividend rate. Thus, credit unions can decrease rates only after providing advance written notice of rate decreases, e.g., a “change-in-terms notice.”

(o) Grace Period

1. *General.* A period after maturity of an automatically renewing term share account during which the member may withdraw funds without being assessed a penalty. Use of a “grace period” is discretionary, not mandatory. This definition does not refer to the “grace period” account, which is a synonym for “federal rollback method” or “in by the 10th” accounts, which are prohibited by TISA and part 707.

(p) Interest

1. *General.* Member savings placed in deposit accounts are debt investments, and the return earned on these accounts is interest. Federal credit unions are not authorized to offer any interest-bearing deposit accounts. State-chartered credit unions may offer both share and deposit accounts if permitted by state law. State law, including without limitation regulations and official interpretations, will determine if returns earned in accounts in state-chartered credit unions are interest. Interest excludes the payment of a bonus or other consideration worth \$10 or less given during a year, the waiver of reduction of a fee, the absorption of expenses, non-dividend membership benefits, and extraordinary dividends.

2. *Differences between dividends and interest.* Generally, dividends are returns on an equity investment (shares); interest is return on a debt investment (deposits). Dividends, in general, are not properly payable until declared at the close of a dividend period; interest, in general, is properly payable daily according to the deposit contract. Dividend rates are prospective until actually declared; interest rates are set according to contract in advance and are earned on that basis. Share accounts establish a member (owner)/credit union (cooperative) relationship; deposit accounts establish a depositor (creditor)/depository (debtor) relationship.

3. *Referencing.* Except where specifically stated otherwise, use of the terms “dividend” or “dividends” in part 707 also refers to “interest” where appropriate (for interest-bearing and non-interest-bearing deposit accounts at some state-chartered credit unions).

(q) Member

1. *Professional capacity.* Examples of accounts held by a natural person in a professional capacity for another are:

- i. Attorney-client trust accounts.
- ii. Trust, estate and court-ordered accounts.
- iii. Landlord-tenant security accounts.

2. *Other accounts.* Examples of accounts not held in a professional capacity include accounts held by parents for a child under the Uniform Gifts to Minors Act (or Uniform Transfers to Minors Act).

3. *Retirement plans.* IRAs and SEP accounts are member accounts to the extent that funds are invested in accounts subject to the regulation. Keogh accounts, like sole proprietor accounts, are not subject to the regulation.

(r) Non-Dividend Membership Benefits

1. *General.* Term reflects unique credit union practices that are difficult to value, encourage community spirit, and are not

granted in such quantity as to be includable as calculable dividends.

2. *Examples.* Examples include:

- i. Food, refreshments, and drawings and raffles at annual meetings, member functions, and branch openings.
- ii. Travel club benefits.
- iii. Prizes offered at annual meetings, such as U.S. Savings Bonds, a deposit of funds into the winner's account, trips, and other gifts. Such prizes are not bonuses because they are offered as an incentive to increase attendance at the annual meeting, and not to entice members to open, maintain, or renew accounts or increase an account balance.
- iv. Life savings benefits.

(s) Passbook Account

1. *Relation to Regulation E.* Passbook accounts include accounts accessed by preauthorized electronic fund transfers to the account (as defined in 12 CFR §205.2(j)), such as an account credited by direct share and deposit of social security payments. Accounts that permit access by other electronic means are not “passbook accounts,” and any statements that are sent four or more times a year must comply with the requirements of §707.6.

(t) Periodic Statement

1. *General.* Periodic statements are not required by part 707. Passbook and term share accounts are exempt from periodic statement requirements.

2. *Examples.* Periodic statements do not include:

- i. Additional statements provided solely upon request.
- ii. General service information such as a quarterly newsletter or other correspondence that describes available services and products.

(u) Potential Member

1. *General.* A potential member is a natural person eligible for membership in a credit union, who has not yet taken the steps necessary to become a member. The term also includes natural person nonmembers eligible to hold accounts in a credit union pursuant to relevant federal or state law.

2. *Verification of eligibility.* It is recommended that credit unions have sound written procedures in place to identify those eligible for membership. If these procedures include verification measures, such as an application process, verification telephone call or letter to an employer or association within the field of membership, witnessing by an existing member, or similar procedure, then the credit union may first verify the membership eligibility of a potential member before providing account disclosures or other information to the potential member. This

process of verifying a member's eligibility status, making a recommendation for membership, and providing account disclosures should be completed within 20 calendar days. This period also applies when potential members not on credit union premises request disclosures.

3. *Nonmembers.* Within its sole discretion, the board of directors of a credit union may provide TISA disclosures to nonmembers who are ineligible for membership or to hold an account at the credit union. If disclosures are made to such nonmembers, it is the position of the Board that no civil liability can accrue to the credit union for any errors in such disclosures. (See commentary to § 707.3(d)).

(v) *State*

1. *General.* Territories and possessions include American Samoa, Guam, the Mariana Islands, and the Marshall Islands.

(w) *Stepped-Rate Account*

1. *General.* Stepped-rate accounts are those accounts in which two or more dividend rates (known at the time the account is opened) will take effect in succeeding periods.

2. *Example.* An example of a stepped-rate account is a one-year term share certificate account in which a 5.00% dividend rate is paid for the first six months, and 5.50% for the second six months.

(x) *Term Share Account*

1. *Relation to Regulation D.* Regulation D permits, in limited circumstances, the withdrawal of funds without penalty during the first six days after a "time deposit" is opened. (See 12 CFR 204.2(c)(1)(i).) But the fact that a member makes a withdrawal as permitted by Regulation D does not disqualify the account from being a term share account for purposes of this regulation (such as withdrawals upon the death of the member, or within a "grace period" for automatically renewable term share accounts).

2. *Club accounts.* Club accounts, including Christmas club, holiday club, and vacation club accounts may be either term share or regular share accounts, depending on the terms of the account. Although club accounts typically have a maturity date, they are not term share accounts unless they also require a penalty of at least seven days' dividends for withdrawals during the first six days after the account is opened.

(y) *Tiered-Rate Account*

1. *General.* Tiered-rate accounts are those accounts in which two or more dividend rates are paid on the account and are determined by reference to a specified balance level. Tiered-rate accounts are of two types: Tiering Method A and Tiering Method B. In

Tiering Method A accounts, the credit union pays the applicable tiered dividends rate on the entire amount in the account. This method is also known as the "hybrid" or "plateau" tiered-rate account. In Tiering Method B accounts, the credit union does not pay the applicable tiered dividends rate on the entire amount in the account, but only on the portion of the share account balance that falls within each specified tier. This method is also known as the "pure" or "split-rate" tiered-rate account. (See appendix A, part I, D.)

2. *Example.* An example of a tiered-rate account is one in which a credit union pays a 5.00% dividend rate on balances below \$1,000, and 5.50% on balances \$1,000 and above.

3. *Term share accounts.* Term share accounts that pay different rates based solely on the amount of the initial share and deposit are not tiered-rate accounts.

4. *Minimum balance accounts.* A requirement to maintain a minimum balance to earn dividends does not make an account a tiered-rate account. If dividends are not paid on amounts below a specified balance level, then the account has a minimum balance requirement (required to be disclosed under § 707.4(b)(3)(i)), but the account does not constitute a tiered-rate account. A zero rate (0%) cannot constitute a tier. Minimum balance accounts are single rate accounts with a minimum balance requirement.

(z) *Variable-Rate Account*

1. *General.* Includes accounts in which the credit union does not contract to give at least 30 days advance written notice of decreases in the dividend rate. An account meets this definition whether the rate change is determined by reference to an index, by use of a formula, or merely at the discretion of the credit union's board of directors. An account that permits one or more rate adjustments prior to maturity at the member's option, such as a rate relock option, is a variable-rate account.

2. *Differences between fixed-rate and variable-rate accounts.* All accounts must either be fixed-rate or variable-rate accounts. Classifying an account as variable-rate affects credit unions three ways:

- i. Additional account disclosures are required (§ 707.4(b)(1)(ii));
- ii. Rate decreases are exempted from change-in-terms requirements (§ 707.5(a)(2)(i)); and
- iii. Advertising notice required (§ 707.8(c)(1)).

Fixed-rate accounts require a contract term obligating the credit union to a 30-day advance, written notice to members before decreasing the dividend rate on the account. Term changes adversely affecting the member and rate decreases cannot take effect until 30 days after such fixed-rate change-in-

National Credit Union Administration

terms notices are mailed or delivered to members (§707.5(a)).

Section 707.3—General Disclosure Requirements

(a) Form

1. *General.* All required disclosures (e.g., account disclosures, change-in-terms notices, term share renewal/maturity notices, statement disclosures and advertising disclosures) must be made clearly and conspicuously, in a form the member may retain. Disclosures need be made only as applicable (e.g., disclosures for a non-dividend-bearing account would not include disclosure of annual percentage yield, dividend rate, or other disclosures pertaining to dividend calculations).

2. *Design requirements.* Disclosures must be presented in a format that allows members and potential members to readily understand the terms of their account. Credit unions are not required to use a particular type size or typeface, nor are credit unions required to state any term more conspicuously than any other term. Disclosures may be made:

- i. In any order.
- ii. In combination with other disclosures or account terms.
- iii. In combination with disclosures for other types of accounts, as long as it is clear to members and potential members which disclosures apply to their account.
- iv. On more than one page and on the front and reverse sides.
- v. By using inserts to a document or filling in blanks.
- vi. On more than one document, as long as the documents are provided at the same time.

3. *Consistent terminology.* A credit union must use the same terminology to describe terms or features that are required to be disclosed. For example, if a credit union describes a monthly fee (regardless of account activity), as a “monthly service fee” in account opening disclosures, the periodic statements and change-in-terms notices must use the same terminology so that members and potential members can readily identify the fee.

(b) General

1. *Terms and conditions.* Credit unions are required to have disclosures reflect the terms of the legal obligation between the credit union and a member at the time the member opens the account. This provision does not impose any contract terms or supersede state or other laws that define how the legal obligations between a credit union and its membership are determined.

2. *Specificity of legal obligation.* Credit unions may refer to the calendar month or to roughly equivalent intervals during a calendar year as a “month.” Use of estimates is prohibited in TISA disclosures.

3. *Foreign language.* Disclosures may be made in any foreign language, if desired by the board of directors of a credit union. However, disclosures must also be provided in English, upon request.

(c) Relation to Regulation E

1. *General rule.* Compliance with Regulation E (12 CFR part 205) is deemed to satisfy the disclosure requirements of this regulation, such as when:

i. A credit union changes a term that triggers a notice under Regulation E, and the timing and disclosure rules of Regulation E for sending change-in-terms notices.

ii. A member adds an ATM access feature to an account, and the credit union provides disclosures pursuant to Regulation E, including disclosure of fees before the member receives ATM access. (See 12 CFR 205.7.)

iii. A credit union complying with the timing rules of Regulation E discloses at the same time fees for electronic services (such as balance inquiry fees imposed if the inquiry is made at an ATM) that are required to be disclosed by this regulation, but not by Regulation E.

iv. A credit union relies on Regulation E’s rules regarding disclosures of limitations on the frequency and amount of electronic fund transfers, including security-related exceptions. But any limitation on the number of “intra-institutional transfers” to or from the member’s other accounts at the credit union during a given time period must be disclosed, even though intra-institutional transfers are exempt from Regulation E.

(d) Multiple Members

1. *General.* When an account has multiple natural person member accountholders, delivery of disclosures to any member accountholder or agent authorized by the accountholder satisfies the disclosure requirements of part 707.

(e) Oral Response to Inquiries

1. *Application of rule.* Credit unions need not provide rate information orally. Disclosures need be made only as appropriate. For example, the requirement to give a telephone number for a member to call about rates for interest-bearing accounts and dividend-bearing term share accounts, would not be necessary for members calling the credit union for information. Also, the disclosure requirements are applicable only to credit union employees and volunteers acting in the ordinary course of credit union business.

2. *Relation to advertising.* The advertising rules do not cover an oral response to a question about rates.

3. *Existing accounts.* This paragraph does not apply to oral responses about rate information for existing term share accounts or accounts not currently offered. For example,

Pt. 707, App. C

12 CFR Ch. VII (1–1–10 Edition)

if a member holding a one-year term share account requests dividend rate information about the account during the term, the credit union need not disclose the annual percentage yield, unless the member is calling for rate information under a maturity notice.

(f) Rounding and Accuracy Rules for Rates and Yields

(f)(1) Rounding

1. *Permissible rounding.* The annual percentage yield, annual percentage yield earned and dividend rate must be rounded to the nearest one-hundredth of one percentage point (.01%) when disclosed. Examples of permissible rounding are an annual percentage yield calculated to be 5.644%, rounded down and shown as 5.64%; 5.645% would be rounded up and disclosed as 5.65%. For account disclosures, the dividend rate may be expressed to more than two decimal places.

(f)(2) Accuracy

1. *Annual percentage yield and annual percentage yield earned.* The tolerance for annual percentage yield and annual percentage yield earned calculations is designed to accommodate inadvertent errors. Credit unions may not purposely incorporate the one-twentieth of one percentage point (.05%) tolerance into their calculation of yields.

2. *Dividend rate.* There is no tolerance for an inaccuracy in the dividend rate.

Section 707.4—Account Disclosures

(a) Delivery of Account Disclosures

(a)(1) Account Opening

1. *New accounts.* New account disclosures must be provided when:

i. A term share account that does not automatically rollover is renewed by a member.

ii. A member changes the term for a renewable term share account (from a one-year term share account to a six-month term share account, for instance) (see comment 5(b)–5 regarding disclosure alternatives).

iii. A credit union transfers funds from an account to open a new account not at the member's request, unless the credit union previously gave account disclosures and any change-in-terms notices for the new account (e.g., funds in a money market share account are transferred by a credit union to open a new account for the member, such as a share draft account, because the member exceeded transaction limitations on the money market share account).

iv. A credit union accepts a deposit from a member to an account that the credit union had previously deemed to be "closed," under applicable federal or state law, for the purpose of treating accrued, but uncredited, dividends as forfeited dividends. New ac-

count numbers are not required by this requirement.

2. *Acquired accounts.* New account disclosures need not be given when a credit union acquires an account through an acquisition of, or merger with, another credit union (but see §707.5(a) regarding advance notice requirements if terms are changed).

3. *Combination disclosures.* New account disclosures need not be given when a member has already received disclosures covering several accounts, and opens a new account properly disclosed by the already received combination disclosures, if the new account is opened within a reasonable amount of time after receipt of the combination disclosures and if the received disclosures and terms are accurate at the time the new account is opened.

(a)(2) Requests

(a)(2)(i)

1. *Inquiries versus requests.* A response to an oral inquiry (by telephone or in person) about rates and yields or fees does not trigger the duty to provide account disclosures. But, when a member asks for written information about an account (whether by telephone, in person, or by other means), the credit union must provide disclosures unless the account is no longer offered to the public.

2. *General requests.* When member's or potential member's request disclosures about a type of account (a share draft account, for example), a credit union that offers several variations may provide disclosures for any one of them. No disclosures need be made to nonmembers, though a credit union may provide disclosures to nonmembers within its sole discretion.

3. *Timing for response.* Ten business days is a reasonable time for responding to requests for account information that members or potential members do not make in person, including requests made by electronic means, such as by electronic mail.

4. *Use of electronic means.* If a member or potential member who is not present at the credit union makes a request for account disclosures, including a request made by telephone, e-mail, or via the credit union's Web site, the credit union may send the disclosures in paper form or, if the member or potential member agrees, may provide the disclosures electronically, such as to an e-mail address that the member or potential member provides for that purpose, or on the credit union's Web site, without regard to the consent or other provisions of the E-Sign Act. The regulation does not require a credit union to provide, nor a member or potential member to agree to receive, the disclosures required by §707.4(a)(2) in electronic form.

National Credit Union Administration

Pt. 707, App. C

(a)(2)(ii)(A)(2)

1. *Recent rates.* Credit unions comply with this paragraph if they disclose an interest rate (or dividend rate on a dividend-bearing term share account) and annual percentage yield accurate within the seven calendar days preceding the date they send the disclosures.

(a)(2)(ii)(B)

1. *Term.* Describing the maturity of a term share account as “1 year” or “6 months,” for example, illustrates a response stating the maturity of a term share account as a term rather than a date (e.g., “June 1, 1995”).

(b) Content of Account Disclosures

(b)(1) Rate Information

(b)(1)(i) Annual Percentage Yield and Dividend Rate

1. *Rate disclosures.* In addition to the dividend rate and annual percentage yield, credit unions may disclose a periodic rate corresponding to the dividend rate. No other rate or yield (such as “tax effective yield”) is permitted. If the annual percentage yield is the same as the dividend rate, credit unions may disclose a single figure but must use both terms.

2. *Fixed-rate accounts.* For fixed-rate term share accounts paying the opening rate until maturity, credit unions may disclose the period of time the dividend rate will be in effect by stating, or cross-referencing, the maturity date. For other fixed-rate accounts, credit unions may use a date (such as “This rate will be in effect through June 30, 1995”) or a period (such as “This rate will be in effect for at least 30 days”).

3. *Tiered-rate accounts.* Each dividend rate, along with the corresponding annual percentage yield for each specified balance level (or range of annual percentage yields, if appropriate), must be disclosed for tiered-rate accounts. (See appendix A, Part I, Paragraph D.)

4. *Stepped-rate accounts.* A single composite annual percentage yield must be disclosed for stepped-rate accounts. (See appendix A, Part I, Paragraph B.) The dividend rates and the period of time each will be in effect also must be provided. When the initial rate offered for a specified time on a variable-rate account is higher or lower than the rate that would otherwise be paid on the account, the calculation of the annual percentage yield must be made as if for a stepped-rate account. (See appendix A, Part I, Paragraph C.)

5. *Minimum balance accounts.* If a credit union sets a minimum balance to earn dividends, the credit union may, but need not, state that the annual percentage yield is 0% for those days the balance in the account drops below the minimum balance level

when using the daily balance method. Nor is a disclosure of 0% required for credit unions using the average daily balance method, if the member fails to meet the minimum balance required for the average daily balance period.

(b)(1)(ii) Variable Rates

(b)(1)(ii)(B)

1. *Determining dividend rates.* To disclose how the dividend rate is determined, credit unions must:

i. Identify the index and specific margin, if the dividend rate is tied to an index.

ii. State that rate changes are within the credit union’s discretion, if the credit union does not tie changes to an index.

(b)(1)(ii)(C)

1. *Frequency of rate changes.* A credit union reserving the right to change rates at its discretion must state the fact that rates may change at any time.

(b)(1)(ii)(D)

1. *Limitations.* A floor or ceiling on rates or on the amount the rate may decrease or increase during any time period must be disclosed. Credit unions need not disclose the absence of limitations on rate changes.

(b)(2) Compounding and Crediting

(b)(2)(i) Frequency

1. *General.* Descriptions such as “quarterly” or “monthly” are sufficient. Irregular crediting and compounding periods, such as if a cycle is out short at year end for tax reporting purposes, need not be disclosed.

2. *Dividend period.* For dividend-bearing accounts, the dividend period must be disclosed. (A specific example must also be given, see appendix B, §B-1(c).) The dividend period for term share accounts generally may be disclosed as the account’s term (e.g., two years).

(b)(2)(ii) Effect of Closing an Account

1. *Deeming an account closed.* A credit union may, subject to state or other law, provide in account contracts the actions by members that will be treated as closing the account and that will result in the forfeiture of accrued but uncredited dividends. An example is the withdrawal of all funds from the account prior to the date dividends are credited. Credit unions are cautioned that bylaw requirements may prevent a credit union from deeming a member’s account closed until certain time periods are extinguished if funds remain in a member’s account. *NCUA Standard FCU Bylaws*, Art. III, §3. Such bylaw requirements may not be overridden without proper agency approval.

*(b)(3) Balance Information**(b)(3)(i) Minimum Balance Requirements*

1. *Par value.* Credit unions must disclose any minimum balance required to open the account, to avoid the imposition of a fee, or to obtain the annual percentage yield. Since members cannot generally maintain any accounts until the par value of the membership share is paid in full, this section requires that credit unions disclose the par value of a share necessary to become a member and maintain accounts at the credit union. The par value of a share and the minimum balance requirement do not have to be the same amount (e.g., a credit union may have a \$5 par value for a membership share, in order for accounts to be opened and maintained, and a \$100 minimum balance requirement, in order for the account to earn dividends).

2. *Disclosures.* The explanation of minimum balance computation methods may be combined with the balance computation method disclosures (§707.4(b)(3)(ii)) if they are the same. If a credit union uses different cycles for determining minimum balance requirements for purposes of assessing fees and for paying dividends, the credit union must disclose the specific cycle or time period used for each purpose (e.g., use of a midmonth statement cycle for determining dividends, and use of a calendar month cycle for determining fees). Credit unions may assess fees by using any method. If fees on one account are tied to the balance in another account, such provision must be explained (e.g., if share draft fees are tied to a minimum balance in the regular share account (or a combination of the share draft and regular share accounts), the share draft account must explain that fact and how the balance in the regular share account (or both accounts) is determined). The fee need not be disclosed in the account disclosures if the fee is not imposed on that account.

(b)(3)(ii) Balance Computation Method

1. *Methods and periods.* Credit unions may use different methods or periods to calculate minimum balances for purposes of imposing a fee (the daily balance for a calendar month, for example) and accruing dividends (the average daily balance for a statement period, for example). Each method and corresponding period must be disclosed.

(b)(3)(iii) When dividends begin to accrue

1. *Additional information.* Credit unions must include a statement as to when dividends begin to accrue for noncash deposits. Credit unions may disclose additional information such as the time of day after which deposits are treated as having been received the following business day, and may use additional descriptive terms such as “ledger” or “collected” balances to disclose when

dividends begin to accrue. Under the ledger balance method, dividends begin to accrue on the day of deposit. Under the collected balance methods, dividends begin to accrue when provisional credit is received for the item deposited.

(b)(4) Fees

1. *Types of fees.* Fees related to the routine use of an account must be disclosed. The following are types of fees that must be disclosed in connection with an account:

- i. Maintenance fees, such as monthly service fees.
- ii. Fees related to share deposits or withdrawals.
- iii. Fees for special services, such as stop payment fees, fees for balance inquiries or verification of share and deposits, fees associated with checks returned unpaid, fees for regularly sending to members share drafts that otherwise would be held by the credit union, and overdraft line of credit access fees (if charged against the share account).
- iv. Fees to open or to close an account.
- v. Fees imposed upon dormant or inactive accounts.

2. *Other fees.* Credit unions need not disclose fees such as the following:

- i. Fees for services offered to members and nonmembers alike, such as fees for certain travelers checks, for wire transfers and automated clearinghouse (ACH) transfers, to process credit card cash advances, or to handle U.S. Savings Bond Redemption (even if different amounts are charged to members and nonmembers).
- ii. Incidental fees, such as fees associated with state escheat laws, garnishment or attorneys fees, to change names on an account, to generate a midcycle periodic statement, to wrap loose coins, for photocopying, for statements returned to the credit union because of a wrong address, and locator fees.

3. *Amount of fees.* Credit unions are cautioned that merely providing fee information in an account disclosure may not be sufficient to gain the legal right to impose the fee involved under applicable law. Credit unions must state the amount and conditions under which a fee may be imposed. Naming and describing the fee typically satisfies this requirement. Some examples are:

- i. “\$4.00 monthly service fee”.
- ii. “\$7.00 and up” or “fee depends on style of checks ordered” for check printing fees.

4. *Tied-accounts.* Credit unions must state if fees that may be assessed against an account are tied to other accounts at the credit union. For example, if a credit union ties the fees payable on a share draft account to balances held in the share draft account and in a regular share account, the share draft account disclosures must state that fact and explain how the fee is determined.

5. *Regulation E statements.* Some fees are required to be disclosed under both Regulation

E (12 CFR 205.7) and part 707. If such fees, such as ATM transaction fees, are disclosed on a Regulation E statement, they need not be disclosed again on a periodic statement required under part 707.

6. *Fees for overdrawing an account.* Under §707.4(b)(4) of this part, credit unions must disclose the conditions under which a fee may be imposed. In satisfying this requirement credit unions must specify the categories of transactions for which an overdraft fee may be imposed. An exhaustive list of transactions is not required. It is sufficient for a credit union to state that the fee applies to overdrafts “created by check, in-person withdrawal, ATM withdrawal, or other electronic means.” Disclosing a fee “for overdraft items” would not be sufficient.

(b)(5) *Transaction Limitations*

1. *General rule.* Examples of limitations on the number of dollar amount of share deposits or withdrawals that credit unions must disclose are:

- i. Limits on the number of share drafts or checks that may be written on an account for a given time period.
- ii. Limits on withdrawals or share deposits during the term of a term share account.
- iii. Limitations required by Regulation D, such as the number of withdrawals permitted from money market share accounts by check to third parties each month (credit unions need not disclose reservation of right to require a notice for withdrawals from accounts required by federal or state law).

(b)(6) *Features of Term Share Accounts*

(b)(6)(i) *Time Requirements*

1. *“Callable” term share accounts.* In addition to the maturity date, credit unions must state the date or the circumstances under which the credit union may redeem a term share account at the credit union’s option (a “callable” term share account).

(b)(6)(ii) *Early Withdrawal Penalties*

1. *General.* The term “penalty” may, but need not, be used to describe the loss that may be incurred by members for early withdrawal of funds from term share accounts.

2. *Examples.* Examples of early withdrawal penalties are:

- i. Monetary penalties, such as a specific dollar amount (e.g., “\$10.00”) or a specific days’ worth of dividends (e.g., “seven days’ dividends plus accrued but uncredited dividends, but only if the account is closed”).
- ii. Adverse changes to terms such as the lowering of the dividend rate, annual percentage yield, or reducing the compounding or crediting frequency for funds remaining in shares or on deposit.
- iii. Reclamation of bonuses.

3. *Relation to rules for IRAs or similar plans.* Penalties imposed by the Internal Revenue Code for certain withdrawals from IRAs or similar pension or savings plans are not early withdrawal penalties for purposes of this regulation.

4. *Disclosing penalties.* Penalties may be stated in months, whether credit unions assess the penalty using the actual number of days during the period or using another method such as a number of days that occurs in any actual sequence of the total calendar months involved. For example, stating “one month’s dividends” is permissible, whether the credit union assesses 30 days’ dividends during the month of April, or selects a time period between 28 and 31 days for calculating the dividends for all early withdrawals regardless of when the penalty is assessed.

(b)(6)(iv) *Renewal Policies*

1. *Rollover term share accounts.* Credit unions are not required to provide a grace period, to pay dividends during the grace period, or to disclose whether or not dividends will be paid during the grace period. Credit unions offering a grace period on term share accounts must give the length of the grace period. Commentary, appendix B, Model Clauses, §B-1(i)(iv).

2. *Nonrollover term share accounts.* Credit unions that pay dividends on funds following the maturity of term share accounts that do not renew automatically need not state the rate (or annual percentage yield) that may be paid.

(b)(7) *Bonuses*

1. *General.* Credit unions are required to state the amount and type of bonus, and disclose any minimum balance or time requirement to obtain the bonus and when the bonus will be provided. If the minimum balance or time requirement is otherwise required to be disclosed, credit unions need not duplicate the disclosure for purposes of this paragraph.

(b)(8) *Nature of Dividends*

1. *General.* Dividends are not payable until declared and unless sufficient current and undivided earnings are available after required transfers to reserves at the close of a dividend period. A disclosure explaining dividends educates members and protects credit unions in the event that a prospective dividend cannot be paid, or is not properly payable. This disclosure is required for all dividend-bearing share accounts. Term share accounts need not include a statement regarding the nature of dividends.

2. *State-chartered credit unions with interest-bearing deposit accounts.* State law controls the nature of accounts (i.e., whether an account is a share account or a deposit account). If a member of a state-chartered

Pt. 707, App. C

12 CFR Ch. VII (1–1–10 Edition)

credit union is opening only an interest-bearing deposit account, or is requesting account disclosures only for an interest-bearing deposit account (if state law requires the depositor to hold a share account), the disclosures must generally include the following information on any dividend-bearing share portion of the account (e.g., membership share): the par value of a share; a statement that the portion of the deposit that represents the par value of the membership share will earn dividends, and that dividends are paid from current income and available earnings after required transfers to reserves. Further additional disclosures, such as a separate dividend rate and annual percentage yield for the membership share, are not required (if the additional disclosures would agree with the remainder of the account which is invested in an interest-bearing deposit).

(c) Notice to Existing Accountholders

1. *General.* Only members who receive periodic statements (provided regularly at least four times per year) and who hold accounts of the type offered by the credit union as of the compliance date of part 707 (generally January 1, 1995) must receive the notice. If following receipt of the notice members request disclosures, credit unions have twenty calendar days from receipt of the request to provide the disclosures. Rate and annual percentage yield information in such disclosures must conform to that required for disclosures upon request. As an alternative to including the notice in or on the periodic statement, the final rule permits credit unions to send the account disclosures themselves, as long as they are sent at the same time as the periodic statement (the disclosures may be mailed either with the periodic statement or separately).

2. *Form of the notice.* The notice may be included on the periodic statement, in a member newsletter, or on a statement stuffer or other insert, if it is clear and conspicuous. The notice cannot be sent in a separate mailing from the periodic statement.

3. *Timing.* The notice may accompany the first periodic statement after the compliance date for part 707, or the periodic statement for the first cycle beginning after that date. For example, a credit union's statement cycle is December 15, 1994-January 14, 1995. The statement is mailed on January 15. The next cycle is January 15, 1995 through February 14, 1995, and the statement for that cycle is mailed on February 15. The credit union may provide the notice either on or with the January 15 statement or on or with the February 15 statement, as it covers the first cycle after January 1, 1995.

4. *Early compliance.* Credit unions that provide the notice to existing members prior to the compliance date of part 707, must be prepared to provide accurate and timely disclo-

tures when, following receipt of the notice, members ask for account disclosures. Such disclosures must be provided even if they are requested before the compliance date of part 707. Credit unions who provide early notice to existing members need to comply with other aspects of part 707, but need not provide disclosures already provided in compliance with part 707.

Section 707.5—Subsequent Disclosures

(a) Change in Terms

(a)(1) Advance Notice required

1. *Form of notice.* Credit unions may provide a change-in-term notice on or with a regular periodic statement or in another mailing (such as a highlighted portion of a newsletter or statement stuffer insert). If a credit union provides notice through revised account disclosures, the changed term must be highlighted in some manner. For example, credit unions may state that a particular fee has been changed (also specifying the new amount) or use an accompanying letter that refers to the changed term. Credit unions are cautioned that unless credit unions have reserved the right to change terms in the account agreement or disclosures, a change-in-terms notice may not be sufficient to amend the terms under applicable law.

2. *Effective date.* An example of a language for disclosing the effective date of a change is: "As of May 11, 1995".

3. *Terms that change upon the occurrence of an event.* A credit union offering terms that will automatically change upon the occurrence of a stated event need not send an advance notice of the change provided the credit union fully describes the conditions of the change in the account opening disclosures (and sends any change-in-term notices regardless of whether the changed term affects that member's account at that time).

4. *Examples.* Examples of changes not requiring an advance change-in-terms notice are:

i. The termination of employment for employee-members for whom account maintenance or activity fees were waived during their employment by the credit union.

ii. The expiration of one year in a promotion described in the account opening disclosures to "waive \$4.00 monthly service charges for one year".

(a)(2) No Notice Required

(a)(2)(ii) Check Printing Fees

1. *Increase in fees.* A notice is not required for an increase in fees for printing share drafts (or deposit and withdrawal slips) even if the credit union adds some amount to the price charged by the vendor.

National Credit Union Administration

Pt. 707, App. C

(b) Notice Before Maturity for Term Share Accounts Longer Than One Month That Renew Automatically.

1. *Maturity dates on nonbusiness days.* In determining the term of a term share account, credit unions may disregard the fact that the term will be extended beyond the disclosed number of days if the maturity date falls on a nonbusiness day. For example, a holiday or weekend may cause a “one-year” term share account to extend beyond 365 days (or 366, in a leap year), or a “one-month” term share account to extend beyond 31 days.

2. *Disclosing when rates will be determined.* Ways to disclose when the annual percentage yield will be available include the use of:

- i. A specific date, such as “October 28”.
- ii. A date that is easily discernible, such as “the Tuesday prior to the maturity date stated on the notice” or “as of the maturity date stated on this notice”.

3. *Alternative timing rule.* Under the alternative timing rule, a credit union that offers a 10-day grace period would have to provide the disclosures at least 10 calendar days prior to the scheduled maturity date.

4. *Club accounts.* If members have agreed to the transfer of payments from another account to a club term share account for the next club period, the credit union must comply with the requirements for automatically renewable term share accounts—even though members may withdraw funds from the club account at the end of the current club period.

5. *Renewal of a term share account.* In the case of a change-in-terms that becomes effective if a rollover term share account is subsequently renewed:

- i. If the change is initiated by the credit union, the disclosure requirements of this paragraph apply. (Section 707.5(a) applies if the change becomes effective prior to the maturity of the existing term share account.)
- ii. If the change is initiated by the member, the account opening disclosure requirements of §707.4(b) apply. (If the notice required by this paragraph has been provided, credit unions may give new account disclosures or disclosures that reflect the new term.)

6. *Example.* If a member receives a notice prior to maturity on a one-year term share account and requests a rollover to a six-month account, the credit union must provide either account opening disclosures including the new maturity date or, if all other terms previously disclosed in the pre-maturity notice remain the same, only the new maturity date.

(b)(1) Maturities of Longer Than One Year

1. *Highlighting changed terms.* Credit unions need not highlight terms that have changed

since the last account disclosures were provided.

(c) Notice Before Maturity for Term Share Accounts Longer Than One Year That Do not Renew Automatically

1. *Subsequent account.* When funds are transferred following maturity of a nonroll-over term share account, credit unions need not provide account disclosures unless a new account is established.

Section 707.6—Periodic Statement Disclosures

(a) Rule When Statement and Crediting Periods Vary

1. *General.* Credit unions are not required to provide periodic statements. If they provide periodic statements, disclosures need only be furnished to the extent applicable. For example, if no dividends are earned for a statement period, credit unions need not state that fact. Or, credit unions may disclose “\$0” dividends earned and “0%” annual percentage yield earned.

2. *Regulation E interim statements.* When a credit union provides regular quarterly statements, and in addition provides a monthly interim statement to comply with Regulation E, the interim statement need not comply with this section unless it states dividend or rate information. (See 12 CFR 205.9.) For credit unions that choose not to treat Regulation E activity statements as part 707 periodic statements, the quarterly periodic statement must reflect the annual percentage yield earned and dividends earned for the full quarter. However, credit unions choosing this option need not redisclose fees already disclosed on an interim Regulation E activity statement on the quarterly periodic statement. For credit unions that choose to treat Regulation E activity statements as part 707 periodic statements, the Regulation E statement must meet all part 707 requirements.

3. *Combined statements.* Credit unions may provide certain information about an account (such as a money market share account or regular share account) on the periodic statement for another account (such as a share draft account) without triggering the disclosures required by this section, as long as:

- i. The information is limited to information such as the account number, the type of account, balance information, accountholders’ names, and social security or tax identification number; and
- ii. The credit union also provides members a periodic statement complying with this section for the account (the money market share account or regular share account, in the example).

4. *Other information.* Additional information that may be given on or with a periodic statement, includes:

- i. Dividend rates and corresponding periodic rates to the dividend rate applied to balances during the statement period.
- ii. The dollar amount of dividends earned year-to-date.
- iii. Bonuses paid (or any *de minimis* consideration of \$10 or less).
- iv. Fees for other products, such as safe deposit boxes.
- v. Accounts not covered by the periodic statement disclosure requirements (passbook and term share accounts) may disclose any information on the statement related to such accounts, so long as such information is accurate and not misleading.

5. *When statement and crediting periods vary.* This rule permits credit unions, on dividend-bearing share accounts, to report the annual percentage yield earned and the amount of dividends earned on a statement other than on each periodic statement when the dividend period does not agree with, varies from, or is different than, the statement period. For dividend-bearing share accounts, credit unions may disclose the required information either upon each periodic statement, or on the statement on which dividends are actually earned (credited or posted) to the member's account. In addition, for accounts using the average daily balance method of calculating dividends, when the average daily balance period and the statement periods do not agree, vary or are different, credit unions may also report annual percentage yield earned and the dollar amount of dividends earned on the periodic statement on which the dividends or interest is earned. For example, if a credit union has quarterly dividend periods, or uses a quarterly average daily balance on an account, the first two monthly statements may not state annual percentage yield earned and dividends earned figures; the third "monthly" statement will reflect the dividends earned and the annual percentage yield earned for the entire quarter. The fees imposed disclosure must be given on the periodic statement on which they are imposed.

6. *Length of the period.* Credit unions must disclose the length of both the dividend period (or average daily balance calculation period) and the statement period. For example, a statement could disclose a statement period of April 16 through May 15 and further state that "the dividends earned and the annual percentage yield earned are based on your dividend period (or average daily balance) for the period April 1 through April 30."

7. *Dividend period more frequent than statement period.* Credit unions that calculate dividends on a monthly basis, but send statements on a quarterly basis, may disclose a single dividend (and annual percentage yield

earned) figure. Alternatively, a credit union may disclose three dividends earned and three annual percentage yield earned figures, one of each month in the quarter, as long as the credit union states the number of days (or beginning and ending date) in each dividend period if it varies from the statement period.

8. *Additional voluntary disclosures.* For credit unions not disclosing the annual percentage yield earned and dividends earned on all periodic statements, credit unions may place a notice on statements without dividends and annual percentage yield earned figures, that the annual percentage yield earned and dollar amount of dividends earned will appear on the first statement at the close of the dividend (or average daily balance) period, or similar wording. Credit unions may also choose to include a telephone number to call for interim information, if desired by a member.

(b) *Statement Disclosures*

(b)(1) *Annual Percentage Yield Earned*

1. *Ledger and collected balances.* Credit unions that accrue interest using the collected balance method may use either the ledger or collected balance methods to determine the balance used to determine the annual percentage yield earned. Ledger balance means the record of the balance in a member's account, as per the credit union's records. (The ledger balance may reflect additions and deposits for which the credit union has not yet received final payment). Collected balance means the record of balance in a member's account reflecting collected funds, that is, cash or checks deposited in the credit union which have been presented for payment and for which payment has actually been received. (See Regulation CC, 12 CFR 229.14).

(b)(2) *Amount of Dividends or Interest*

1. *Definition of earned.* The term "earned" is defined to include dividends and interest either "accrued" or "paid and credited." Credit unions may use either the "ledger" or the "collected" balance for either option. (See 707.6(b)(1)1. and 707.7(c)2. of this appendix.)

2. *Accrued interest.* Credit unions must state the amount of interest that accrued during the statement period, even if it was not credited.

3. *Terminology.* In disclosing dividends earned for the period, credit unions must use the term "dividends" or terminology such as: "Dividends paid," to describe dividends that have been credited; "Dividends accrued," to indicate that dividends are not yet credited.

4. *Closed accounts.* If a member closes an account between crediting periods and forfeits accrued dividends, the credit union may

not show any figures for “dividends earned” or annual percentage yield earned for the period (other than zero, at the credit union’s option).

5. *Extraordinary dividends.* Extraordinary dividends are not a component of the annual percentage yield earned or the dividend rate, but are an addition to the member’s account. The dollar amount of the extraordinary dividends paid, denoted as a separate, identified figure, must be disclosed on the periodic statement on which the extraordinary dividends are earned. A credit union may also disclose information regarding the calculation of the extraordinary dividends, and additional annual percentage yield earned and dividend rate figures taking into account the extraordinary dividend, so long as such information is accurate and not misleading.

(b)(3) *Fees Imposed*

1. *General.* Periodic statements must state fees disclosed under §707.4(b) that were debited to the account during the statement period, even if assessed for an earlier period.

2. *Itemizing fees by type.* In itemizing fees imposed more than once in the period, credit unions may group fees if they are the same type. See §707.11(a)(1) of this part regarding certain fees that must be grouped when a credit union promotes the payment of overdrafts. When fees of the same type are grouped together, the description must make clear that the dollar figure represents more than a single fee, for example, “total fees for checks written this period.” Examples of fees that may not be grouped together are—

- i. Monthly maintenance and excess-activity fees.
- ii. “Transfer” fees, if different dollar amounts are imposed, such as \$.50 for deposits and \$1.00 for withdrawals.
- iii. Fees for electronic fund transfers and fees for other services, such as balance-inquiry or maintenance fees.
- iv. Fees for paying overdrafts and fees for returning checks or other items unpaid.

3. *Identifying fees.* Statement details must enable the member to identify the specific fee. For example:

- i. Credit unions may use a code to identify a particular fee if the code is explained on the periodic statement or in documents accompanying the statement.
- ii. Credit unions using debit slips may disclose the date the fee was debited on the periodic statement and show the amount and type of fee on the dated debit slip.

4. *Relation to Regulation E.* Disclosure of fees in compliance with Regulation E complies with this section for fees related to electronic fund transfers (for example, totaling all electronic funds transfer fees in a single figure).

(b)(4) *Length of Period*

1. *General.* Credit unions providing the beginning and ending dates of the period must make clear whether both dates are included in the period. For example, stating “April 1 through April 30” would clearly indicate that both April 1 and April 30 are included in the period.

2. *Opening or closing an account mid-cycle.* If an account is opened or closed during the period for which a statement is sent, credit unions must calculate the annual percentage yield earned based on account balances for each day the account was open.

Section 707.7—Payment of Dividends

(a) *Permissible Methods*

1. *Prohibited calculation methods.* Calculation methods that do not comply with the requirement to pay dividends on the full amount of principal in the account each day include:

- i. The “rollback” method, also known as the “grace period” or “in by the 10th” method, where credit unions pay dividends on the lowest balance in the account for the period.
- ii. The “increments of par value” method, where credit unions only pay dividends on full shares in an account, e.g., a credit union with \$5 par value shares pays dividends on \$20 of a \$24 account balance.
- iii. The “ending balance” method, where credit unions pay dividends on the balance in the account at the end of the period.
- iv. The “investable balance” method, where credit unions pay dividends on a percentage of the balance, excluding an amount credit unions set aside for reserve requirements.
- v. The “low balance” method, where credit unions pay dividends on the lowest balance in the account for any day in that period.

2. *Use of 365-day basis.* Credit unions may apply a daily periodic rate that is greater than $\frac{1}{365}$ of the dividend rate—such as $\frac{1}{360}$ of the dividend rate—as long as it is applied 365 days a year.

3. *Periodic dividend payments.* A credit union can pay dividends each day on the account and still make uniform dividend payments. For example, for a one-year term share account, a credit union could make monthly dividend payments that are equal to $\frac{1}{12}$ of the amount of dividends that will be earned for a 365-day period (or 11 uniform monthly payments—each equal to roughly $\frac{1}{12}$ of the total amount of dividends—and one payment that accounts to the remainder of the total amount of dividends earned for the period).

4. *Leap year.* Credit unions may apply a daily rate of $\frac{1}{366}$ or $\frac{1}{365}$ of the dividend rate for 366 days in a leap year, if the account will earn dividends for February 29.

5. *Maturity of term share accounts.* Credit unions are not required to pay dividends after term share accounts mature. Examples include:

- i. During any grace period offered by a credit union for an automatically renewable term share account, if the member decides during that period not to renew the account.
- ii. Following the maturity of nonrollover term share accounts.
- iii. When the maturity date falls on a holiday, and the member must wait until the next business day to obtain the funds.

6. *Dormant accounts.* Credit unions must pay dividends on funds in an account, even if inactivity or the infrequency of transactions would permit the credit union to consider the account to be “inactive” or “dormant” (or similar status) as defined by state or other law or the account contract.

7. *Insufficient funds.* Credit unions are not required to pay dividends on checks or share drafts deposited to a member’s account that are returned for insufficient funds. If a credit union accrues dividends on a check that it later determines is not good, it may deduct from the accrued dividends any dividends attributed to the proceeds of the returned check. If dividends have already been credited before the credit union determines the item has insufficient funds, the credit union may deduct the amount of the check and associated dividends from the account balance. The amount deducted will not be reflected in the dividend amount and annual percentage yield earned reported for the next period.

8. *Account drawn below par value of a share.* If a member draws his or her account below the par value of a share, dividends would continue to accrue on the account so long as any minimum balance requirement is met. However, under the *NCUA Standard FCU Bylaws*, if a member who reduces his or her share balance below the value of a par value share and does not increase the balance within at least six months, the credit union may terminate the member’s membership. State-chartered credit unions may have similar termination provisions.

(a)(2) *Determination of Minimum Balance To Earn Dividends*

1. *General.* Credit unions may set minimum balance requirements that must be met in order to earn dividends. However, credit unions must use the same method to determine a minimum balance required to earn dividends as they use to determine the balance upon which dividends will accrue and pay. For example, a credit union that calculates dividends on the daily balance method must use the daily balance method to determine if the minimum balance to earn dividends has been met. Similarly, a credit union that calculates dividends on the average daily balance method must use the average daily balance method to determine if the

minimum to earn dividends has been met. Credit unions may have a par value of a share that is different from the minimum balance requirement to earn dividends. (See commentary to §707.4(b)(3)(i)).

2. *Daily balance accounts.* Credit unions that require a minimum balance to earn dividends may choose not to pay dividends for days when the balance drops below the required minimum balance if they use the daily balance method to calculate dividends. For example, a credit union could set a minimum daily balance level of \$200 and pay dividends only those days the \$200 daily balance is maintained.

3. *Average daily balance accounts.* Credit unions that require a minimum balance to earn dividends may choose not to pay dividends for the average daily balance calculation period in which the average daily balance drops below the required minimum, if they use the average daily balance method to calculate dividends. For example, a credit union could set a minimum average daily balance level of \$200 and pay dividends only if the \$200 average daily balance is met for the calculation period.

4. *Beneficial method.* Credit unions may not require members to maintain both a minimum daily balance and a minimum average daily balance to earn dividends, such as by requiring the member to maintain a \$500 daily balance and a prescribed average daily balance (whether higher or lower). But a credit union could offer a minimum balance to earn dividends that includes an additional method that is “unequivocally beneficial” to the member such as the following:

i. A credit union using the daily balance method to calculate dividends and requiring a \$500 minimum daily balance could choose to pay dividends on the account (for those days the minimum balance is not met) as long as the member maintained an average daily balance throughout the month of \$400.

ii. A credit union using the average daily balance method to calculate dividends and requiring a \$400 minimum average daily balance could choose to pay dividends on the account as long as the member maintained a daily balance of \$500 for at least half of the days in the period.

iii. A credit union using either the daily balance method or average daily balance method to calculate dividends that requires: (A) a \$500 daily balance; or (B) a \$400 average daily balance to pay dividends on the account.

5. *Paying on full balance.* Credit unions must pay dividends on the full balance in the account that meets the required minimum balance. For example, if \$300 is the minimum daily balance required to earn dividends, and a member deposits \$500, the credit union must pay the stated dividend rate on the full \$500 and not just on the \$200.

6. *Negative balances prohibited.* Credit unions must treat a negative account balance as zero to determine:

i. The daily or average daily balance on which dividends will be paid.

ii. Whether any minimum balance to earn dividends is met. (See commentary to appendix A, Part II, which prohibits credit unions from using negative balances in calculating the dividends figure for the annual percentage yield earned.)

7. *Club accounts.* Credit unions offering club accounts (such as a “holiday” or “vacation” club accounts) cannot impose a minimum balance requirement for dividends based on the total number or dollar amount of payments required under the club plan. For example, if a plan calls for \$10 weekly payments for 50 weeks, the credit union cannot set a \$500 minimum balance and then pay only if the member makes all 50 payments.

8. *Minimum balances not affecting dividends.* Credit unions may use the daily balance, average daily balance, or other computation method to calculate minimum balance requirements not involving the payment of dividends—such as to compute minimum balances for assessing fees.

(b) *Compounding and Crediting Policies*

1. *General.* Credit unions choosing to compound dividends may compound or credit dividends annually, semi-annually, quarterly, monthly, daily, continuously, or on any other basis.

2. *Withdrawals prior to crediting date.* If members withdraw funds (without closing the account), prior to a scheduled crediting date, credit unions may delay paying the accrued dividends on the withdrawn amount until the scheduled crediting date, but may not avoid paying dividends.

3. *Closed accounts.* Subject to state or other law, a credit union may choose not to pay accrued dividends if members close an account prior to the date accrued dividends are credited, as long as the credit union has disclosed that fact. If accrued dividends are paid, accrued dividends must be paid on funds up until the account is closed or the account is deemed closed. For example, if an account is closed on a Tuesday, accrued dividends on the funds through Monday would be paid. Whether (and the conditions under which) credit unions are permitted to deem an account closed by a member is determined by state or other law, if any. Credit unions are cautioned that bylaw requirements may prevent a credit union from deeming a member’s account closed until certain time periods are extinguished. (See *NCUA Standard FCU Bylaws*, Art. III, §3. Such bylaw requirements may not be overridden without proper agency approval.)

(c) *Date Dividends Begin To Accrue*

1. *Relation to Regulation CC.* Credit unions may rely on the Expedited Funds Availability Act (EFAA) and Regulation CC (12 CFR part 229) to determine, for example, when a deposit is considered made for purposes of dividend accrual, or when dividends need not be paid on funds because a deposited check is later returned unpaid.

2. *Ledger and collected balances.* Credit unions may calculate dividends by using a “ledger” balance or “collected” balance method, as long as the crediting requirements of the EFAA are met (12 CFR 229.14).

3. *Withdrawal of principal.* Credit unions must accrue dividends on funds until the funds are withdrawn from the account. For example, if a check is debited to an account on a Tuesday, the credit union must accrue dividends on those funds through Monday.

Section 707.8—Advertising

(a) *Misleading or Inaccurate Advertisements*

1. *General.* All advertisements are subject to the rule against misleading or inaccurate advertisements, even though the disclosure applicable to various media differ. The word “profit” may be used when referring to dividend-bearing share accounts, as it reflects the nature of dividends. The word “profit” may not be used when referring to interest-bearing deposit accounts.

2. *Indoor signs.* An indoor sign advertising an annual percentage yield is not misleading or inaccurate if:

i. For a tiered-rate account, it also provides the upper and lower dollar amounts of the tier corresponding to the advertised annual percentage yield.

ii. For a term share account, it also provides the term required to obtain the advertised annual percentage yield.

3. *“Free” or “no cost” accounts.* For purposes of determining whether an account can be advertised as “free” or “no cost,” maintenance and activity fees include:

i. Any fee imposed if a minimum balance requirement is not met, or if the member exceeds a specified number of transactions.

ii. Transaction and service fees that members reasonably expect to be imposed on an account on a regular basis (see comments 4(b)(4)–1 and 2).

iii. A flat fee, such as a monthly service fee.

iv. Fees imposed to deposit, withdraw or transfer funds, including per-check or per-transaction charges (for example, \$.25 for each withdrawal, whether by check, in person).

4. *Other fees.* Examples of fees that are not maintenance or activity fees include:

i. Fees that are not required to be disclosed under §707.4(b)(4).

ii. Check printing fees of any type.

iii. Fees for obtaining copies of checks, whether or not the original checks have been truncated or returned to the member periodically.

iv. Balance inquiry fees.

v. Fees assessed against a dormant account.

vi. Fees for using an ATM.

vii. Fees for electronic transfer services that are not required to obtain an account, such as preauthorized transfers or home electronic credit union services.

viii. Stop payment fees and fees for share drafts or checks returned unpaid.

5. *Similar terms.* An advertisement may not use a term such as “fees waived” if a maintenance or activity fee may be imposed because it is similar to the terms “free” or “no cost.”

6. *Specific account services.* Credit unions may advertise a specific account service or feature as free as long as no fee is imposed for that service or feature. For example, credit unions offering an account that is free of deposit or withdrawal fees could advertise that fact, as long as the advertisement does not mislead members by implying that the account is free and that no other fee (a monthly service fee, for example) may be charged.

7. *Free for limited time.* If an account (or a specific account service) is free only for a limited period of time—for example, for one year following the account opening—the account (or service) may be advertised as free as long as the time period is stated.

8. *Conditions not related to share accounts.* Credit unions may advertise accounts as “free” for members that meet conditions not related to share accounts, such as the member’s age. For example, credit unions may advertise a share draft account as “free for persons over 65 years old,” even though a maintenance or activity fee may be assessed on accounts held by members that are 65 or younger.

9. *Electronic advertising.* If an electronic advertisement, such as an advertisement appearing on an internet Web site, displays a triggering term, such as a bonus or annual percentage yield, the advertisement must clearly refer the member to the location where the additional required information begins. For example, an advertisement that includes a bonus or annual percentage yield may be accompanied by a link that directly takes the member to the additional information.

10. *Examples.* Examples of advertisements that would ordinarily be misleading, inaccurate, or misrepresent the deposit contract are:

i. Representing an overdraft service as a “line of credit,” unless the service is subject to 12 CFR part 226 (Regulation Z).

ii. Representing that the credit union will honor all checks or authorize payment of all

transactions that overdraw an account, with or without a specified dollar limit, when the credit union retains discretion at any time not to honor checks or authorize transactions.

iii. Representing that members with an overdrawn account can maintain a negative balance when the terms of the account’s overdraft service require members promptly to return the share account to a positive balance.

iv. Describing a credit union’s overdraft service solely as protection against bounced checks when the credit union also permits overdrafts for a fee for overdrawing their accounts by other means, such as ATM withdrawals, debit card transactions, or other electronic fund transfers.

v. Advertising an account-related service for which the credit union charges a fee in an advertisement that also uses the word “free” or “no cost” or a similar term to describe the account, unless the advertisement clearly and conspicuously indicates that there is a cost associated with the service. If the fee is a maintenance or activity fee under §707.8(a)(2) of this part, however, an advertisement may not describe the account as “free” or “no cost” or contain a similar term even if the fee is disclosed in the advertisement.

11. *Additional disclosures in connection with the payment of overdrafts.* The rule in §707.3(a), providing that disclosures required by §707.8 may be provided to the member in electronic form without regard to E-Sign Act requirements, applies to the disclosures described in §707.11(b), which are incorporated by reference in §707.8(f).

(b) Permissible Rates

1. *Tiered-rate accounts.* An advertisement for a tiered-rate account that states an annual percentage yield must also state the annual percentage yield for each tier, along with corresponding minimum balance requirements. Any dividend rates stated must appear in conjunction with the annual percentage yields for each tier.

2. *Stepped-rate accounts.* An advertisement that states a dividend rate for a stepped-rate account must state all the dividend rates and the time period that each rate is in effect.

3. *Representative examples.* An advertisement that states an annual percentage yield for a type of account (such as a term share account for a specified term) need not state the annual percentage yield applicable to every variation offered by the credit union or indicate that other maturity terms are available. In an advertisement stating that rates for an account may vary depending on the amount of the initial deposit or the term of a term share account, credit unions need not list each balance level and term offered. Instead, the advertisement may:

i. Provide a representative example of the annual percentage yields offered, clearly described as such. For example, if a credit union offers a \$25 bonus on all term share accounts and the annual percentage yield will vary depending on the term selected, the credit union may provide a disclosure of the annual percentage yield as follows: "For example, our 6-month share certificate currently pays a 3.15% annual percentage yield."

ii. Indicate that various rates are available, such as by stating short-term and longer-term maturities along with the applicable annual percentage yields: "We offer share certificates with annual percentage yields that depend on the maturity you choose. For example, our one-month share certificate earns a 2.75% APY. Or, earn a 5.25% APY for a three-year share certificate."

(c) When Additional Disclosures are Required

1. *Trigger terms.* The following are examples of information stated in advertisements that are not "trigger" terms:

- i. "One, three, and five year share certificates available".
- ii. "Bonus rates available".
- iii. "1% over our current rate," so long as the rates are not determinable from the advertisement.

(c)(2) Time Annual Percentage Yield is Offered

1. *Specified recent date.* If an advertisement discloses an annual percentage yield as of a specified date, that date must be recent in relation to the publication or broadcast frequency of the media used. For example, the printing date of a brochure printed once for an account promotion that will be in effect for six months would be considered "recent," even though rates change during the six-month period. Dividend rates published in a daily newspaper or on television must be a rate offered shortly before (or on) the date the rates are published or broadcast. Similarly, dividend rates published in a daily newspaper or on television must be a rate reflecting either the preceding dividend period, or a prospective rate, and the option chosen should be noted.

2. *Reference to date of publication.* An advertisement may refer to the annual percentage yield as being accurate as of the date of publication, if the date is on the publication itself. For instance, an advertisement in a periodical may state that a rate is "current through the date of this issue," if the periodical shows the date.

(c)(5) Effect of Fees

1. *Scope.* This requirement applies only to maintenance or activity fees as described in paragraph 8(a).

(c)(6) Features of Term Share Accounts

(c)(6)(i) Time Requirements

1. *Club accounts.* If a club account has a maturity date, but the term may vary depending on when the account is opened, credit unions may use a phrase such as: "The maturity date of this club account is November 15; its term varies depending on when the account is opened."

(c)(6)(ii) Early Withdrawal Penalties

1. *Discretionary penalties.* Credit unions imposing early withdrawal penalties on a case-by-case basis may disclose that they "may" (rather than "will") impose a penalty if that accurately describes the account terms.

(d) Bonuses

1. *General reference to "bonus."* General statements such as "bonus checking" or "get a bonus when you open a checking account" do not trigger the bonus disclosures.

(e) Exemption for Certain Advertisements

(e)(1) Certain Media

(e)(1)(i)

1. *Internet advertisements.* The exemption for advertisements made through broadcast or electronic media does not extend to advertisements posted on the internet or sent by e-mail.

2. *Internet advertisements.* The exemption for advertisements made through broadcast or electronic media does not extend to advertisements made by electronic communication, such as advertisements posted on the Internet or sent by e-mail.

(e)(1)(iii)

1. *Tiered-rate accounts.* Solicitations for tiered-rate accounts made through telephone response machines must provide all annual percentage yields and the balance requirements applicable to each tier.

(e)(2) Indoor Signs

(e)(2)(i)

1. *General.* Indoor signs include advertisements displayed on computer screens, banners, preprinted posters, and chalk or peg boards. Any advertisement inside the premises that can be retained by a member (such as a brochure or a printout from a computer) is not an indoor sign.

(e)(3) Newsletters

1. *General.* The partial exemption applies to all credit union newsletters, whether instituted before or after the compliance date of part 707. Nor must a newsletter be of any particular circulation frequency (e.g., weekly, monthly, quarterly, biannually, annually,

Pt. 707, App. C

or irregularly) or of any certain format (e.g. magazine, bulletin, broadside, circular, mimeograph, letter, or pamphlet) in order to be eligible for the partial advertising exemption.

2. *Permissible Distribution.* In order for newsletters to retain the partial advertising exemption, newsletters can be sent to existing credit union members only. Any distribution reasonably calculated to reach only members is also acceptable, such as:

- i. Mailing newsletters to existing members.
- ii. Distributing newsletters at a function reasonably limited to members, such as an annual meeting or member picnic.
- iii. Displaying or offering newsletters at a credit union lobby, branch, or office.

3. *Impermissible Distribution.* Distributing a newsletter in a place open to nonmembers, such as a sponsor's lunch room, is not reasonably calculated to reach only members, and such newsletter would be subject to all applicable advertising rules.

Section 707.9—Enforcement and Record Retention

(c) Record Retention

1. *Evidence of required actions.* Credit unions comply with the regulation by demonstrating they have done the following:

- i. Established and maintained procedures for paying dividends and providing timely disclosures as required by the regulation, and
- ii. Retained sample disclosures for each type account offered to members, such as account-opening disclosures, copies of advertisements, and change-in-term notices; and information regarding the dividend rates and annual percentage yields offered.

2. *Methods of retaining evidence.* Credit unions must be able to reconstruct the required disclosures or other actions. They need not keep disclosures or other business records in hard copy. Records evidencing compliance may be retained on microfilm, microfiche, or by other methods that reproduce records accurately (including computer files). Credit unions must retain copies of all printed advertisements and the text of all advertisements conveyed by electronic or broadcast media, and newsletters.

3. *Payment of dividends.* Credit unions must retain sufficient rate and balance information to permit the verification of dividends paid on an account, including the payment of dividends on the full principal balance.

12 CFR Ch. VII (1–1–10 Edition)

Section 707.10 [Reserved]

Section 707.11—Additional Disclosures Regarding the Payment of Overdrafts

(a) Disclosure of total fees on periodic statements

(a)(1) General

1. *Examples of credit unions advertising the payment of overdrafts.* A credit union would trigger the periodic statement disclosures if it:

i. Promotes the credit union's policy or practice of paying some overdrafts, unless the service would be subject to 12 CFR part 226 (Regulation Z), in advertisements using broadcast media, brochures, telephone solicitations, or electronic mail, or on Internet sites, ATM screens or receipts, billboards, or indoor signs. But see, §707.11(a)(2) of this part regarding communications about the payment of overdrafts that would not trigger periodic statement disclosures;

ii. Includes a message on a periodic statement informing the member of an overdraft limit or the amount of funds available for overdrafts. For example, a credit union that includes a message on a periodic statement informing the member of a \$500 overdraft limit or that the member has \$300 remaining on the overdraft limit, is promoting an overdraft service;

iii. Discloses an overdraft limit or includes the dollar amount of an overdraft limit in a balance disclosed by any means, including on an ATM receipt or on an automated system, such as a telephone response machine, ATM screen, or the credit union's Internet site.

EDITORIAL NOTE: At 74 FR 36105, July 22, 2009, appendix C to part 707 was amended in section 707.11(a)(1) by removing paragraph 2. and redesignating paragraphs 3. through 8. as 1. through 6.; however, paragraph 1. already exists in the 2009 volume.

1. *Transfer services.* The overdraft services covered by §707.11(a)(1) of this part do not include a service providing for the transfer of funds from another share account of the member to permit the payment of items without creating an overdraft, even if a fee is charged for the transfer.

2. *Fees for paying overdrafts.* Credit unions must disclose on periodic statements a total dollar amount for all fees or charges imposed on the account for paying overdrafts. The credit union must disclose separate totals for the statement period and for the calendar year-to-date. The total dollar amount includes per-item fees as well as interest charges, daily or other periodic fees, or fees charged for maintaining an account in overdraft status, whether the overdraft is by check or by other means. It also includes fees charged when there are insufficient funds because previously deposited funds are

subject to a hold or are uncollected. It does not include fees for transferring funds from another member account to avoid an overdraft, or fees charged under a service subject to part 226 of this title (Regulation Z).

3. *Fees for returning items unpaid.* The total dollar amount for all fees for returning items unpaid must include all fees charged to the account for dishonoring or returning checks or other items drawn on the account. The credit union must disclose separate totals for the statement period and for the calendar year-to-date. Fees imposed when deposited items are returned are not included. Credit unions may use terminology such as "returned item fee" or "NSF fee" to describe fees for returning items unpaid.

4. *Waived fees.* In some cases, a credit union may provide a statement for the current period reflecting that fees imposed during a previous period were waived and credited to the account. Credit unions may, but are not required to, reflect the adjustment in the total for the calendar year-to-date and in the applicable statement period. For example, if a credit union assesses a fee in January and refunds the fee in February, the credit union could disclose a year-to-date total reflecting the amount credited, but it should not affect the total disclosed for the February statement period, because the fee was not assessed in the February statement period. If a credit union assesses and then waives and credits a fee within the same cycle, the credit union may, at its option, reflect the adjustment in the total disclosed for fees imposed during the current statement period and for the total for the calendar year-to-date. Thus, if the credit union assesses and waives the fee in the February statement period, the February fee total could reflect a total net of the waived fee.

5. *Totals for the calendar year to date.* Some credit unions' statement periods do not coincide with the calendar month. In such cases, the credit union may disclose a calendar year-to-date total by aggregating fees for 12 monthly cycles, starting with the period that begins during January and finishing with the period that begins during December. For example, if statement periods begin on the 10th day of each month, the statement covering December 10, 2006 through January 9, 2007 may disclose the year-to-date total for fees imposed from January 10, 2006 through January 9, 2007. Alternatively, the credit union could provide a statement for the cycle ending January 9, 2007, showing the year-to-date total for fees imposed January 1, 2006 through December 31, 2006.

6. *Itemization of fees.* A credit union may itemize each fee in addition to providing the disclosures required by §707.11(a)(1) of this part.

(a)(3) *Time period covered by disclosures*

1. *Periodic statement disclosures.* The disclosures under §707.11(a) must be included on periodic statements provided by a credit union starting with the first statement period that begins after January 1, 2010. For example, if a member's statement period typically closes on the 15th of each month, a credit union must provide the disclosures required by §707.11(a)(1) on subsequent periodic statements for that member beginning with the statement reflecting the period from January 16, 2010 to February 15, 2010.

(a)(5) *Acquired accounts*

(b) *Advertising disclosures in connection with overdraft services*

1. *Examples of credit unions promoting the payment of overdrafts.* A credit union must include the advertising disclosures in §707.11(b)(1) of this part if the credit union:

i. Promotes the credit union's policy or practice of paying overdrafts, unless the service would be subject to 12 CFR part 226 (Regulation Z). This includes advertisements using print media such as newspapers or brochures, telephone solicitations, electronic mail, or messages posted on an Internet site. But see, §707.11(b)(2) of this part for communications that are not subject to the additional advertising disclosures;

ii. Includes a message on a periodic statement informing the member of an overdraft limit or the amount of funds available for overdrafts. For example, a credit union that includes a message on a periodic statement informing the member of a \$500 overdraft limit or that the member has \$300 remaining on the overdraft limit, is promoting an overdraft service.

iii. Discloses an overdraft limit or includes the dollar amount of an overdraft limit in a balance disclosed on an automated system, such as a telephone response machine, ATM screen, or the credit union's Internet site. See, however, §707.11(b)(3) of this part.

2. *Transfer services.* The overdraft services covered by §707.11(b)(1) of this part do not include a service providing for the transfer of funds from another share account of the member to permit the payment of items without creating an overdraft, even if a fee is charged for the transfer.

3. *Electronic media.* The exception for advertisements made through broadcast or electronic media, such as television or radio, does not apply to advertisements posted on a credit union's Internet site, on an ATM screen, provided on telephone response machines, or sent by electronic mail.

4. *Fees.* The fees that must be disclosed under §707.11(b)(1) of this part include per-item fees as well as interest charges, daily or other periodic fees, and fees charged for maintaining an account in overdraft status,

whether the overdraft is by check or by other means. The fees also include fees charged when there are insufficient funds because previously deposited funds are subject to a hold or are uncollected. The fees do not include fees for transferring funds from another account to avoid an overdraft or fees charged when the credit union has previously agreed in writing to pay items that overdraw the account and the service is subject to 12 CFR part 226 (Regulation Z).

5. *Categories of transactions.* An exhaustive list of transactions is not required. Disclosing that a fee may be imposed for covering overdrafts created by check, in-person withdrawal, ATM withdrawal, or other electronic means would satisfy the requirements of §707.11(b)(1)(ii) of this part where the fee may be imposed in these circumstances. See comment 4(b)(4)-5 of this part.

6. *Time period to repay.* If a credit union reserves the right to require a member to pay an overdraft immediately or on demand instead of affording members a specific time period to establish a positive balance in the account, a credit union may comply with §707.11(b)(1)(iii) of this part by disclosing this fact.

7. *Circumstances for nonpayment.* A credit union must describe the circumstances under which it will not pay an overdraft. It is sufficient to state, as applicable: “Whether your overdrafts will be paid is discretionary and we reserve the right not to pay. For example, we typically do not pay overdrafts if your account is not in good standing, or you are not making regular deposits, or you have too many overdrafts.”

8. *Advertising an account as “free.”* If the advertised account-related service is an overdraft service subject to the requirements of §707.11(b)(1) of this part, credit unions must disclose the fee or fees for the payment of each overdraft, not merely that a cost is associated with the overdraft service, as well as other required information. Compliance with comment 8(a)—10.v is not sufficient.

(c) *Disclosure of account balances*

1. *Balance that does not include additional amounts.* For purposes of the balance disclosure requirement in §707.11(c), if a credit union discloses balance information to a member through an automated system, it must disclose a balance that excludes any funds the credit union may provide to cover an overdraft pursuant to a discretionary overdraft service that will be paid by the credit union under a service subject to part 226 of this title (Regulation Z) or that will be transferred from another account held individually or jointly by a member. The balance may, but need not, include funds that are deposited in the member’s account, such as from a check, that are not yet made available for withdrawal in accordance with the funds availability rules under part 229 of the

title (Regulation CC). In addition, the balance may, but need not, include funds that are held by the credit union to satisfy a prior obligation of the member, for example, to cover a hold for an ATM or debit card transaction that has been authorized but for which the credit union has not settled.

2. *Additional balance.* The credit union may disclose additional balances supplemented by funds that may be provided by the credit union to cover an overdraft, whether pursuant to a discretionary overdraft service, a service subject to part 226 of this title (Regulation Z), or a service that transfers funds from another account held individually or jointly by the member, so long as the credit union prominently states that any additional balance includes these additional overdraft amounts. The credit union may not simply state, for instance, that the second balance is the member’s “available balance,” or contains “available funds.” Rather, the credit union should provide enough information to convey that the second balance includes these amounts. For example, the credit union may state that the balance includes “overdraft funds.” Where a member has opted out of the credit union’s discretionary overdraft service, any additional balance disclosed should not include funds credit unions provide under that service. Where a member has opted out of the credit union’s discretionary overdraft service for some, but not all transactions, *e.g.*, the member has opted out of overdraft services for ATM and debit card transactions, a credit union that includes funds from its discretionary overdraft service in the balance should convey that the overdraft funds are not available for all transactions. For example, the credit union could state that overdraft funds are not available for ATM and debit card transactions.

3. *Automated systems.* The balance disclosure requirement in §707.11(c) applies to any automated system through which the member requests a balance, including, but not limited to, a telephone response system, the credit union’s Internet site, or an ATM. The requirement applies whether the credit union discloses a balance through an ATM owned or operated by the credit union or through an ATM not owned or operated by the credit union, including an ATM operated by an entity that is not a financial institution. If the balance is obtained at an ATM, the requirement also applies whether the balance is disclosed on the ATM screen or on a paper receipt.

Appendix A to Part 707—Annual Percentage Yield Calculation

Part I. Annual Percentage Yield for Account Disclosures and Advertising Purposes

1. *Rounding for calculations.* The following are examples of permissible rounding rules

for calculating dividends and the annual percentage yield:

i. The daily rate applied to a balance carried to five or more decimals. For example; .008219178%, 3.00% for a 365 day year, would be rounded to no less than .00822%.

ii. The daily dividends or interest earned carried to five or more decimals. For example; \$.08219178082, daily dividends on \$1,000 at 3% for a 365 day year, would be rounded to no less than \$.08219.

2. *Exponents in a leap year.* The annual percentage yield formula's exponent numerator will remain 365 in leap years. The "days in term" figure used in the denominator should be consistent with the length of term used in the dividends calculation.

3. *First tier of a tiered-rate account.* When credit unions use a rate table, the first tier of a tiered rate account is to be disclosed and advertised; "Up to but not exceeding * * *", "\$0.01 to * * *", or similar language.

4. *Term Share Accounts Opened in Midterm.* For club accounts that meet the definition of a term share account, the annual percentage yield is based on the maximum number of days in the term not to exceed 365 days (or 366 days in a leap year).

Part II. Annual Percentage Yield Earned for Periodic Statements

1. *Balance method.* The dividend or interest figure used in the calculation of the annual percentage yield earned may be derived from the daily balance method or the average daily balance method. Regardless of the dividend calculation method, the balance used in the annual percentage yield earned formula is the average daily balance. The average daily balance calculation is the sum of the balances for each day in the period divided by the number of days in the period. The balance for each day is based on a point in time; i.e. beginning of day balance, end of day balance, closing of day balance, etc. Each day's balance, for dividend accrual and payment purposes, must be based on the same point in time and cannot be based on the day's low balance.

2. *Negative balances prohibited.* Credit unions must treat a negative account balance as zero to determine the balance on which the annual percentage yield earned is calculated. (See commentary to §707.7(a)(2).)

A. General Formula

1. *Accrued but uncredited dividends.* To calculate the annual percentage yield earned, accrued but uncredited dividends:

i. May not be included in the balance for statements that are issued at the same time or less frequently than the account's compounding and crediting frequency. For example, if monthly statements are sent for an account that compounds dividends daily and credits dividends monthly, the balance

may not be increased each day to reflect the effect of daily compounding. Assume a credit union will pay \$13.70 in dividends on \$100,000 for the first day, \$6.85 in dividends on \$50,013.70 for the second day, and \$3.43 in dividends on \$25,020.55 for the third day. The sum of each days balance is \$175,000 (does not include accrued, but uncredited, dividends amounts \$13.70, \$6.85, and \$3.43), thereby resulting in an average daily balance for the three days of \$58,333.33.

ii. Must be included in the balance for succeeding statements if a statement is issued more frequently than compounded dividends is credited on an account. For example, if monthly statements are sent for an account that compounds dividends daily and credits dividends quarterly, the balance for the second monthly statement would include dividends that had accrued for the prior month. Assume a credit union will pay \$411.78 in dividends on 30 days of \$100,000, \$427.28 in dividends on 31 days of \$100,411.78, and \$415.23 in dividends on 30 days of \$100,839.06. The balance (average daily balance in the account for the period) for the second 31 days is \$100,411.78.

2. *Rounding.* The dividends earned figure used to calculate the annual percentage yield earned must be rounded to two decimals to reflect the amount actually paid. For example, if the dividends earned for a statement period is \$20.074 and the credit union pays the member \$20.07, the credit union must use \$20.07 (not \$20.074) to calculate the annual percentage yield earned. For accounts that pay dividends based on the daily balance method, compound and credit dividends or interest quarterly, and send monthly statements, the credit union may, but need not, round accrued dividends to two decimals for calculating the "projected" or "anticipated" annual percentage yield earned on the first two monthly statements issued during the quarter. However, on the quarterly statement the dividends earned figure must reflect the amount actually paid.

3. *Compounding frequency using the average daily balance method.* Any compounding frequency, including daily compounding, can be used when calculating dividends using the average daily balance method. (See comment 707.7(b), which does not require credit unions to compound or credit dividends at any particular frequency).

B. Special Formula for Use Where Periodic Statement is Sent More Often Than the Period for Which Dividends are Compounded

1. *Statements triggered by Regulation E.* Credit unions may, but need not, use this formula to calculate the annual percentage yield earned for accounts that receive quarterly statements and that are subject to Regulation E's rule calling for monthly statements

Pt. 708a

when an electronic fund transfer has occurred. They may do so even though no monthly statement was issued during a specific quarter. This formula must be used for accounts that compound and credit dividends quarterly and that receive monthly statements, triggered by Regulation E, which comply with the provisions of §707.6.

2. *Days in compounding period.* Credit unions using the special annual percentage yield earned formula must use the actual number of days in the compounding period.

Appendix B to Part 707—Model Clauses and Sample Forms

1. *Modifications.* Credit unions that modify the model clauses will be deemed in compliance as long as they do not delete information required by TISA or regulation or rearrange the format so as to affect the substance or clarity of the disclosures.

2. *Format.* Credit unions may use inserts to a document (see Sample Form B-11) or fill-in blanks (see Sample Forms B-4 and B-5, which use double underlining to indicate terms that have been filled in) to show current rates, fees or other terms.

3. *Disclosures for opening accounts.* The sample forms illustrate the information that must be provided to a member when an account is opened, as required by §707.4(a)(1). (See §707.4(a)(2), which states the requirements for disclosing the annual percentage yield, the dividend rate, and the maturity of a term share account in responding to a member's request.)

4. *Compliance with Regulation E.* Credit unions may satisfy certain requirements under Part 707 with disclosures that meet the requirements of Regulation E. (See §707.3(c).) The model clauses and sample forms do not give examples of disclosures that would be covered by both this regulation and Regulation E (such as disclosing the amount of a fee for ATM usage). Credit unions should consult appendix A to Regulation E for appropriate model clauses.

5. *Duplicate disclosures.* If a requirement such as a minimum balance applies to more than one account term (to obtain a bonus and determine the annual percentage yield, for example), credit unions need not repeat the requirement for each term, as long as it is clear which terms the requirement applies to.

6. *Guide to model clauses.* In the model clauses, italicized words indicate the type of disclosure a credit union should insert in the space provided (for example, a credit union might insert "March 25, 1995" in the blank for "(date)" disclosure). Brackets and diagonals (" / ") indicate a credit union must choose the alternative that describes its practice (for example, [daily balance/average daily balance]).

7. *Sample forms.* The sample forms (B-4 through B-11) serve a purpose different from

12 CFR Ch. VII (1–10 Edition)

the model clauses. They illustrate various ways of adapting the model clauses to specific accounts. The clauses shown relate only to the specific transactions described.

§ 708a.1 Definitions.

As used in this part:

Clear and conspicuous means text in bold type in a font size at least one size larger than any other text used in the document (exclusive of headings), but in no event smaller than 12 point.

Credit union has the same meaning as insured credit union in section 101 of the Federal Credit Union Act.

Federal banking agencies have the same meaning as in section 3 of the Federal Deposit Insurance Act.

Mutual savings bank and *savings association* have the same meaning as in section 3 of the Federal Deposit Insurance Act.

Regional director means the director of the NCUA regional office for the region where a natural person credit union's main office is located. For corporate credit unions, *regional director*

National Credit Union Administration

§ 708a.4

means the director of NCUA's Office of Corporate Credit Unions.

Senior management official means a chief executive officer, an assistant chief executive officer, a chief financial officer, and any other senior executive officer as defined by the appropriate federal banking agencies pursuant to section 32(f) of the Federal Deposit Insurance Act.

§ 708a.2 Authority to convert.

A credit union, with the approval of its members, may convert to a mutual savings bank or a savings association that is in mutual form without the prior approval of the NCUA, subject to applicable law governing mutual savings banks and savings associations and the other requirements of this part.

§ 708a.3 Board of directors' approval and members' opportunity to comment.

(a) A credit union's board of directors must comply with the following notice requirements before voting on a proposal to convert.

(1) No later than 30 days before a board of directors votes on a proposal to convert, it must publish a notice in a general circulation newspaper, or in multiple newspapers if necessary, serving all areas where the credit union has an office, branch, or service center. It must also post the notice in a clear and conspicuous fashion in the lobby of the credit union's home office and branch offices and on the credit union's Web site, if it has one. If the notice is not on the home page of the Web site, the home page must have a clear and conspicuous link, visible on a standard monitor without scrolling, to the notice.

(2) The public notice must include the following:

(i) The name and address of the credit union;

(ii) The type of institution to which the credit union's board is considering a proposal to convert;

(iii) A brief statement of why the board is considering the conversion and the major positive and negative effects of the proposed conversion;

(iv) A statement that directs members to submit any comments on the

proposal to the credit union's board of directors by regular mail, electronic mail, or facsimile;

(v) The date on which the board plans to vote on the proposal and the date by which members must submit their comments for consideration, which may not be more than 5 days before the board vote;

(vi) The street address, electronic mail address, and facsimile number of the credit union where members may submit comments; and

(vii) A statement that, in the event the board approves the proposal to convert, the proposal will be submitted to the membership of the credit union for a vote following a notice period that is no shorter than 90 days.

(3) The board of directors must approve publication of the notice.

(b) The credit union must collect member comments and retain copies at the credit union's main office until the conversion process is completed.

(c) The board of directors may vote on the conversion proposal only after reviewing and considering all member comments. The conversion proposal may only be approved by an affirmative vote of a majority of board members who have determined the conversion is in the best interests of the members. If approved, the board of directors must set a date for a vote on the proposal by the members of the credit union.

§ 708a.4 Disclosures and communications to members.

(a) After the board of directors has complied with § 708a.3 and approves a conversion proposal, the credit union must provide written notice of its intent to convert to each member who is eligible to vote on the conversion. The notice to members must be submitted 90 calendar days, 60 calendar days, and 30 calendar days before the date of the membership vote on the conversion. A ballot must be included in the same envelope as the 30-day notice and only in the 30-day notice. A converting credit union may not distribute ballots with either the 90-day or 60-day notice, in any other written communications, or in person before the 30-day notice is sent.

§ 708a.4

12 CFR Ch. VII (1–1–10 Edition)

(b)(1) The notice to members must adequately describe the purpose and subject matter of the vote to be taken at the special meeting or by submission of the written ballot. The notice must clearly inform members that they may vote at the special meeting or by submitting the written ballot. The notice must state the date, time, and place of the meeting.

(2) The notices that are submitted 90 and 60 days before the membership vote on the conversion must state in a clear and conspicuous fashion that a written ballot will be mailed together with another notice 30 days before the date of the membership vote on conversion. The notice submitted 30 days before the membership vote on the conversion must state in a clear and conspicuous fashion that a written ballot is included in the same envelope as the 30-day notice materials.

(3) For purposes of facilitating the member-to-member contact described in paragraph (f) of this section, the 90-day notice must indicate the number of credit union members eligible to vote on the conversion proposal and state how many members have agreed to accept communications from the credit union in electronic form. The 90-day notice must also include the information listed in paragraph (f)(9) of this section.

(4) The member ballot must include:

(i) A brief description of the proposal (e.g., “Proposal: Approval of the Plan Charter Conversion by which (insert name of credit union) will convert its charter to that of a federal mutual savings bank.”);

(ii) Two blocks marked respectively as “FOR” and “AGAINST;” and

(ii) The following language: “A vote FOR the proposal means that you want your credit union to become a mutual savings bank. A vote AGAINST the proposal means that you want your credit union to remain a credit union.” This language must be displayed in a clear and conspicuous fashion immediately beneath the FOR and AGAINST blocks.

(5) The ballot may also include voting instructions and the recommendation of the board of directors (i.e., “Your Board of Directors recommends a vote FOR the Plan of Conversion”)

but may not include any further information without the prior written approval of the Regional Director.

(c) An adequate description of the purpose and subject matter of the member vote on conversion, as required by paragraph (b) of this section, must include:

(1) A clear and conspicuous disclosure that the conversion from a credit union to a mutual savings bank could lead to members losing their ownership interests in the credit union if the mutual savings bank subsequently converts to a stock institution and the members do not become stockholders;

(2) A clear and conspicuous disclosure of how a conversion from a credit union to a mutual savings bank will affect members’ voting rights and if the mutual savings bank intends to base voting rights on account balances;

(3) A clear and conspicuous disclosure of any conversion-related economic benefit a director or senior management official will or may receive including receipt of or an increase in compensation and an explanation of any foreseeable stock-related benefits associated with a subsequent conversion to a stock institution or mutual holding company structure. The explanation of stock-related benefits must include a comparison of the opportunities to acquire stock available to officials and employees with those opportunities available to the general membership;

(4) A clear and conspicuous disclosure of how the conversion from a credit union to a mutual savings bank will affect the institution’s ability to make non-housing-related consumer loans because of a mutual savings bank’s obligations to satisfy certain lending requirements as a mutual savings bank. This disclosure should specify possible reductions in some kinds of loans to members; and

(5) An affirmative statement that, at the time of conversion to a mutual savings bank, the credit union does or does not intend to convert to a stock institution or a mutual holding company structure.

(d)(1) A converting credit union must provide the following disclosures in a clear and conspicuous fashion with the

90-, 60-, and 30-day notices it sends to its members regarding the conversion:

IMPORTANT REGULATORY DISCLOSURE ABOUT YOUR VOTE

The National Credit Union Administration, the federal government agency that supervises credit unions, requires [insert name of credit union] to provide the following disclosures:

1. **LOSS OF CREDIT UNION MEMBERSHIP.** A vote "FOR" the proposed conversion means you want your credit union to become a mutual savings bank. A vote "AGAINST" the proposed conversion means you want your credit union to remain a credit union.
2. **RATES ON LOANS AND SAVINGS.** If your credit union converts to a bank, you may experience changes in your loan and savings rates. Available historic data indicates that, for most loan products, credit unions on average charge lower rates than banks. For most savings products, credit unions on average pay higher rates than banks.
3. **POTENTIAL PROFITS BY OFFICERS AND DIRECTORS.** Conversion to a mutual savings bank is often the first step in a two-step process to convert to a stock-issuing bank or holding company structure. In such a scenario, the officers and directors of the institution often profit by obtaining stock in excess of that available to other members.

(2) This text must be placed in a box, must be the only text on the front side of a single piece of paper, and must be placed so that the member will see the text after reading the credit union's cover letter but before reading any other part of the member notice. The back side of the paper must be blank. A converting credit union may modify this text only with the prior written consent of the Regional Director and, in the case of a state-chartered credit union, the appropriate state regulatory agency.

(e) All written communications from a converting credit union to its members regarding the conversion must be written in a manner that is simple and easy to understand. Simple and easy to understand means the communications are written in plain language designed to be understood by ordinary consumers and use clear and concise sentences, paragraphs, and sections. For purposes of this part, examples of factors to be considered in determining whether a communication is in plain language and uses clear and concise sentences, paragraphs and sections include the use of short explanatory sentences; use of definite, concrete, everyday words; use of active voice; avoidance of multiple negatives; avoidance of legal and technical business terminology; avoidance of explanations that are imprecise and reasonably subject to different interpretations; and use of language that is not misleading.

(f)(1) A converting credit union must mail or e-mail a requesting member's proper conversion-related materials to other members eligible to vote if:

(i) A credit union's board of directors has adopted a proposal to convert;

(ii) A member makes a written request that the credit union mail or e-mail materials for the member;

(iii) The request is received by the credit union no later than 35 days after it sends out the 90-day member notice; and

(iv) The requesting member agrees to reimburse the credit union for the reasonable expenses, excluding overhead, of mailing or e-mailing the materials and also provides the credit union with an appropriate advance payment.

(2) A member's request must indicate if the member wants the materials mailed or e-mailed. If a member requests that the materials be mailed, the credit union will mail the materials to all eligible voters. If a member requests the materials be e-mailed, the credit union will e-mail the materials to all members who have agreed to accept communications electronically from the credit union. The subject line of the credit union's e-mail will be "Proposed Credit Union Conversion—Views of Member (insert member name)."

(3) (i) A converting credit union may, at its option, include the following statement with a member's material:

§ 708a.4

12 CFR Ch. VII (1–1–10 Edition)

On (date), the board of directors of (name of converting credit union) adopted a proposal to convert from a credit union to a mutual savings bank. Credit union members who wish to express their opinions about the proposed conversion to other members may provide those opinions to (name of credit union). By law, the credit union, at the requesting members' expense, must then send those opinions to the other members. The attached document represents the opinion of a member of this credit union. This opinion is a personal opinion and does not necessarily reflect the views of the management or directors of the credit union.

(ii) A converting credit union may not add anything other than this statement to a member's material without the prior approval of the Regional Director.

(4) The term "proper conversion-related materials" does not include materials that:

(i) Due to size or similar reasons are impracticable to mail or e-mail;

(ii) Are false or misleading with respect to any material fact;

(iii) Omit a material fact necessary to make the statements in the material not false or misleading;

(iv) Relate to a personal claim or a personal grievance, or solicit personal gain or business advantage by or on behalf of any party;

(v) Relate to any matter, including a general economic, political, racial, religious, social, or similar cause, that is not significantly related to the proposed conversion;

(vi) Directly or indirectly and without expressed factual foundation impugn a person's character, integrity, or reputation;

(vii) Directly or indirectly and without expressed factual foundation make charges concerning improper, illegal, or immoral conduct; or

(viii) Directly or indirectly and without expressed factual foundation make statements impugning the stability and soundness of the credit union.

(5) If a converting credit union believes some or all of a member's request is not proper it must submit the member materials to the Regional Director within seven days of receipt. The credit union must include with its transmittal letter a specific statement of why the materials are not proper and a specific recommendation for how the materials should be modified, if

possible, to make them proper. The Regional Director will review the communication, communicate with the requesting member, and respond to the credit union within seven days with a determination on the propriety of the materials. The credit union must then immediately mail or e-mail the material to the members if so directed by NCUA.

(6) A credit union must ensure that its members receive all materials that meet the requirements of § 708a.4(f) on or before the date the members receive the 30-day notice and associated ballot. If a credit union cannot meet this delivery requirement, it must postpone mailing the 30-day notice until it can deliver the member materials. If a credit union postpones the mailing of the 30-day notice, it must also postpone the special meeting by the same number of days. When the credit union has completed the delivery, it must inform the requesting member that the delivery was completed and provide the number of recipients.

(7) The term "appropriate advance payment" means:

(i) For requests to mail materials to all eligible voters, a payment in the amount of 150% of the first class postage rate times the number of mailings, and

(ii) For requests to e-mail materials only to members that have agreed to accept electronic communications, a payment in the amount of 200 dollars.

(8) If a credit union posts conversion-related information or material on its Web site, then it must simultaneously make a portion of its Web site available free of charge to its members to post and share their opinions on the conversion. A link to the portion of the Web site available to members to post their views on the conversion must be marked "Members: Share your views on the proposed conversion and see other members views" and the link must also be visible on all pages on which the credit union posts its own conversion-related information or material, as well as on the credit union's homepage. If a credit union believes a particular member submission is not proper for posting, it will provide that submission to the Regional Director for review as described in paragraph

National Credit Union Administration

§ 708a.5

(f)(5) of this section. The credit union may also post a content-neutral disclaimer using language similar to the language in paragraph (f)(3)(i) of this section.

(9) A converting credit union must inform members with the 90-day notice that if they wish to provide their opinions about the proposed conversion to other members they can submit their opinions in writing to the credit union no later than 35 days from the date of the notice and the credit union will forward those opinions to other members. The 90-day notice will provide a contact at the credit union for delivery of communications, will explain that members must agree to reimburse the credit union's costs of transmitting the communication including providing an advance payment, and will refer members to this section of NCUA's rules for further information about the communication process. The credit union, at its option, may include additional factual information about the communication process with its 90-day notice.

(10) A group of members may make a joint request that the credit union send its materials to other members. For purposes of paragraphs (f)(2) and (f)(3) of this section, the credit union will use the group name provided by the group.

§ 708a.5 Notice to NCUA.

(a) If a converting credit union's board of directors approves a proposal to convert, it must provide the Regional Director with notice of its intent to convert during the 90 calendar day period preceding the date of the membership vote on the conversion.

(1) A credit union must give notice to the Regional Director of its intent to convert by providing a letter describing the material features of the conversion or a copy of the filing the credit union has made or intends to make with another federal or state regulatory agency in which the credit union seeks that agency's approval of the conversion. A credit union must include with the notice to the Regional Director copies of the notices the credit union has provided or intends to provide to members under §§708a.3 and 708a.4. The credit union must also include a copy of the ballot form and all

written materials the credit union has distributed or intends to distribute to members. The term "written materials" includes written documentation or information of any sort, including electronic communications posted on a Web site or transmitted by electronic mail.

(2) As part of its notice to NCUA of intent to convert, the credit union's board of directors must provide the Regional Director with a certification of its support for the conversion proposal and plan. Each director who voted in favor of the conversion proposal must sign the certification. The certification must contain the following:

(i) A statement that each director signing the certification supports the proposed conversion and believes the proposed conversion is in the best interests of the members of the credit union;

(ii) A description of all materials submitted to the Regional Director with the notice and certification;

(iii) A statement that each board member signing the certification has examined all these materials carefully and these materials are true, correct, current, and complete as of the date of submission; and

(iv) An acknowledgement that federal law (18 U.S.C. 1001) prohibits any misrepresentations or omissions of material facts, or false, fictitious or fraudulent statements or representations made with respect to the certification or the materials provided to the Regional Director or any other documents or information provided to the members of the credit union or NCUA in connection with the conversion.

(3) A state-chartered credit union must state as part of the notice required by §708a.5(a) if its state chartering law permits it to convert to a mutual savings bank and provide the specific legal citation. A state-chartered credit union will remain subject to any state law requirements for conversion that are more stringent than those this part imposes, including any internal governance requirements, such as the requisite membership vote for conversion and the determination of a member's eligibility to vote. If a state-chartered credit union relies for its authority to convert to a mutual

§ 708a.6

savings bank on a state law parity provision, meaning a provision in state law permitting a state-chartered credit union to operate with the same or similar authority as a federal credit union, it must:

(i) Include in its notice a statement that its state regulatory authority agrees that it may rely on the state law parity provision as authority to convert; and

(ii) Indicate its state regulatory authority's position as to whether federal law and regulations or state law will control internal governance issues in the conversion such as the requisite membership vote for conversion and the determination of a member's eligibility to vote.

(b) If it chooses, a credit union may seek a preliminary determination from the Regional Director regarding any of the notices required under this part and its proposed methods and procedures applicable to the membership conversion vote. The Regional Director will make a preliminary determination regarding the notices and methods and procedures applicable to the membership vote within 30 calendar days of receipt of a credit union's request for review unless the Regional Director extends the period as necessary to request additional information or review a credit union's submission. A credit union's prior submission of any notice or proposed voting procedures does not relieve the credit union of its obligation to certify the results of the membership vote required by § 708a.6 or eliminate the right of the Regional Director to disapprove the actual methods and procedures applicable to the membership vote if the credit union fails to conduct the membership vote in a fair and legal manner consistent with the Federal Credit Union Act and these rules.

(c) After receiving the notice described in paragraph (a)(3) of this section, the Regional Director will contact and consult with the appropriate State Supervisory Authority.

§ 708a.6 Membership approval of a proposal to convert.

(a) A proposal for conversion approved by a board of directors requires

12 CFR Ch. VII (1–1–10 Edition)

approval by a majority of the members who vote on the proposal.

(b) The board of directors must set a voting record date to determine member voting eligibility that is at least one day before the publication of notice required in § 708a.3.

(c) A member may vote on a proposal to convert in person at a special meeting held on the date set for the vote or by written ballot filed by the member. The vote on the conversion proposal must be by secret ballot and conducted by an independent entity. The independent entity must be a company with experience in conducting corporate elections. No official or senior management official of the credit union or the immediate family members of any official or senior management official may have any ownership interest in or be employed by the independent entity.

§ 708a.7 Certification of vote on conversion proposal.

(a) The board of directors of the converting credit union must certify the results of the membership vote to the Regional Director within 10 calendar days after the vote is taken.

(b) The certification must also include a statement that the notice, ballot and other written materials provided to members were identical to those submitted to NCUA pursuant to § 708a.5. If the board cannot certify this, the board must provide copies of any new or revised materials and an explanation of the reasons for any changes.

§ 708a.8 NCUA oversight of methods and procedures of membership vote.

(a) The Regional Director will review the methods by which the membership vote was taken and the procedures applicable to the membership vote. The Regional Director will determine: if the notices and other communications to members were accurate, not misleading, and timely; the membership vote was conducted in a fair and legal manner; and the credit union has otherwise complied with part 708a.

National Credit Union Administration

§ 708a.13

(b) After completion of this review, the Regional Director will issue a determination that the methods and procedures applicable to the membership vote are approved or disapproved. The Regional Director will issue this determination within 30 calendar days of receipt from the credit union of the certification of the result of the membership vote required under § 708a.7 unless the Regional Director extends the period as necessary to request additional information or review the credit union's submission. Approval of the methods and procedures under this paragraph remains subject to a credit union fulfilling the requirements in § 708a.10 for timely completion of the conversion.

(c) If the Regional Director disapproves the methods by which the membership vote was taken or the procedures applicable to the membership vote, the Regional Director may direct that a new vote be taken.

(d) A converting credit union may appeal the Regional Director's determination to the NCUA Board. The credit union must file the appeal within 30 days after receipt of the Regional Director's determination. The NCUA Board will act on the appeal within 90 days of receipt.

§ 708a.9 Other regulatory oversight of methods and procedures of membership vote.

The federal or state regulatory agency that will have jurisdiction over the financial institution after conversion must verify the membership vote and may direct that a new vote be taken, if it disapproves of the methods by which the membership vote was taken or the procedures applicable to the membership vote.

§ 708a.10 Completion of conversion.

(a) After receipt of the approvals under § 708a.8 and § 708a.9 the credit union may complete the conversion.

(b) The credit union must complete the conversion within one year of the date of receipt of NCUA approval under § 708a.8. If a credit union fails to complete the conversion within one year the Regional Director will disapprove of the methods and procedures. The credit union's board of directors must

then adopt a new conversion proposal and solicit another member vote if it still desires to convert.

(c) The Regional Director may, upon timely request and for good cause, extend the one year completion period for an additional six months.

(d) After notification by the board of directors of the mutual savings bank or mutual savings association that the conversion has been completed, the NCUA will cancel the insurance certificate of the credit union and, if applicable, the charter of a federal credit union.

§ 708a.11 Limit on compensation of officials.

No director or senior management official of an insured credit union may receive any economic benefit in connection with the conversion of a credit union other than compensation and other benefits paid to directors or senior management officials of the converted institution in the ordinary course of business.

§ 708a.12 Voting incentives.

If a converting credit union offers an incentive to encourage members to participate in the vote, including a prize raffle, every reference to such incentive made by the credit union in a written communication to its members must also state that members are eligible for the incentive regardless of whether they vote for or against the proposed conversion.

§ 708a.13 Voting guidelines.

A converting credit union must conduct its member vote on conversion in a fair and legal manner. NCUA provides the following guidelines as suggestions to help a credit union obtain a fair and legal vote and otherwise fulfill its regulatory obligations. These guidelines are not an exhaustive checklist and do not by themselves guarantee a fair and legal vote.

(a) *Applicability of state law.* While NCUA's conversion rule applies to all conversions of federally insured credit unions, federally insured state-chartered credit unions (FISCUs) are also subject to state law on conversions. NCUA's position is that a state legislature or state supervisory authority

may impose conversion requirements more stringent or restrictive than NCUA's. States that permit this kind of conversion may have substantive and procedural requirements that vary from federal law. For example, there may be different voting standards for approving a vote. While the Federal Credit Union Act requires a simple majority of those who vote to approve a conversion, some states have higher voting standards requiring two-thirds or more of those who vote. A FISCU should be careful to understand both federal and state law to navigate the conversion process and conduct a proper vote.

(b) *Eligibility to vote.* (1) Determining who is eligible to cast a ballot is fundamental to any vote. No conversion vote can be fair and legal if some members are improperly excluded. A converting credit union should be cautious to identify all eligible members and make certain they are included on its voting list. NCUA recommends that a converting credit union establish internal procedures to manage this task.

(2) A converting credit union should be careful to make certain its member list is accurate and complete. For example, when a credit union converts from paper recordkeeping to computer recordkeeping, some member names may not transfer unless the credit union is careful in this regard. This same problem can arise when a credit union converts from one computer system to another where the software is not completely compatible.

(3) Problems with keeping track of who is eligible to vote can also arise when a credit union converts from a federal charter to a state charter or vice versa. NCUA is aware of an instance where a federal credit union used membership materials allowing two or more individuals to open a joint account and also allowed each to become a member. The federal credit union later converted to a state-chartered credit union that, like most other state-chartered credit unions in its state, used membership materials allowing two or more individuals to open a joint account but only allowed the first person listed on the account to become a member. The other individuals did not become members as a

result of their joint account, but were required to open another account where they were the first or only person listed on the account. Over time, some individuals who became members of the federal credit union as the second person listed on a joint account were treated like those individuals who were listed as the second person on a joint account opened directly with the state-chartered credit union. Specifically, both of those groups were treated as non-members not entitled to vote. This example makes the point that a credit union must be diligent in maintaining a reliable membership list.

(c) *Scheduling the special meeting.* NCUA's conversion rule requires a converting credit union to permit members to vote by written mail ballot or in person at a special meeting held for the purpose of voting on the conversion. Although most members may choose to vote by mail, a significant number may choose to vote in person. As a result, a converting credit union should be careful to conduct its special meeting in a manner conducive to accommodating all members wishing to attend, including selecting a meeting location that can accommodate the anticipated number of attendees and is conveniently located. The meeting should also be held on a day and time suitable to most members' schedules. A credit union should conduct its meeting in accordance with applicable federal and state law, its bylaws, Robert's Rules of Order or other appropriate parliamentary procedures, and determine before the meeting the nature and scope of any discussion to be permitted.

(d) *Voting incentives.* Some credit unions may wish to offer incentives to members, such as entry to a prize raffle, to encourage participation in the conversion vote. The credit union must exercise care in the design and execution of such incentives.

(1) The credit union should ensure that the incentive complies with all applicable state, federal, and local laws.

(2) The incentive should not be unreasonable in size. The cost of the incentive should have a negligible impact on the credit union's net worth ratio

National Credit Union Administration

§ 708b.2

and the incentive should not be so large that it distracts the member from the purpose of the vote. If the board desires to use such incentives, the cost of the incentive should be included in the directors' deliberation and determination that the conversion is in the best interests of the credit union's members.

(3) The credit union should ensure that the incentive is available to every member that votes regardless of how or when he or she votes. All of the credit union's written materials promoting the incentive to the membership must disclose to the members, as required by § 708a.12 of this part, that they have an equal opportunity to participate in the incentive program regardless of whether they vote for or against the conversion. The credit union should also design its incentives so that they are available equally to all members who vote, regardless of whether they vote by mail or in person at the special meeting.

(b) *Convert, conversion, and converting*, when used in connection with insurance, refer to the act of canceling federal insurance and simultaneously obtaining insurance from another insurance carrier. They mean that after cancellation of federal insurance the credit union will be nonfederally-insured.

(c) *Federally-insured* means insured by the National Credit Union Administration (NCUA) through the National Credit Union Share Insurance Fund (NCUSIF).

§ 708b.101

(d) *Independent entity* means a company with experience in conducting corporate elections. No official or senior manager of the credit union, or the immediate family members of any official or senior manager, may have any ownership interest in, or be employed by, the entity.

(e) *Insurance* and *insured* refer to primary share or deposit insurance. These terms do not include excess share or deposit insurance as referred to in part 740 of this chapter.

(f) *Merging credit union* means the credit union that will cease to exist as an operating credit union at the time of the merger.

(g) *Nonfederally-insured* means insured by a private or cooperative insurance fund or guaranty corporation organized or chartered under state or territorial law.

(h) *Share insurance communication* means any written communication, excluding the forms in Subpart C of this Part, that is made by or on behalf of a federally-insured credit union that is intended to be read by two or more credit union members and that mentions share insurance conversion or termination. The term:

(1) Includes communications delivered or made available before, during, and after the credit union's board of directors decides to seek conversion or termination.

(2) Includes, but is not limited to, communications delivered or made available by mail, e-mail, and internet website posting.

(3) Does not include communications intended to be read only by the credit union's own employees or officials.

(i) *State credit union* means any credit union organized and operated according to the laws of any state, the several territories and possessions of the United States, or the Commonwealth of Puerto Rico. Accordingly, *state authority* means the appropriate state or territorial regulatory or supervisory authority for any such credit union.

(j) *Terminate, termination, and terminating*, when used in reference to insurance, refer to the act of canceling federal insurance and mean that the credit union will become uninsured.

12 CFR Ch. VII (1–1–10 Edition)

(k) *Uninsured* means there is no share or deposit insurance available on the credit union accounts.

Subpart A—Mergers

§ 708b.101 Mergers generally.

(a) In any case where a merger will result in the termination of federal insurance or conversion to nonfederal insurance, the merging credit union must comply with the provisions of subparts B and C of this part in addition to this subpart A.

(b) A federally-insured credit union must have the prior written approval of the NCUA before merging with any other credit union.

(c) Where the continuing credit union is a federal credit union, it must be in compliance with the chartering policies of the NCUA.

(d) Where the continuing or merging credit union is a state credit union, the merger must be permitted by state law or authorized by the state authority.

(e) Where both the merging and continuing credit unions are federally-insured and the two credit unions have overlapping fields of membership, the continuing credit union must, within three months after completion of the merger, either:

(1) Notify all members of the continuing credit union of the potential loss of insurance coverage if they had overlapping membership.

(2) Notify all individuals and entities that were actually members of both credit unions of the potential loss of insurance coverage, or

(3) Determine which members of both credit unions may actually have uninsured funds six months after the merger and notify those members of the potential loss of insurance coverage.

§ 708b.102 Special provisions for federal insurance.

(a) Where the continuing credit union is federally-insured, the NCUSIF will assess a deposit and a prorated insurance premium (unless waived in whole or in part for all insured credit unions during that year) on the additional share accounts insured as a result of the merger of a nonfederally-insured or uninsured credit union with a federally-insured credit union.

(b) Where the continuing credit union is nonfederally-insured or uninsured but desires to be federally-insured as of the date of the merger, it must submit an application to the appropriate Regional Director when the merging credit union requests approval of the merger proposal. If the Regional Director approves the merger, the NCUSIF will assess a deposit and a prorated insurance premium (unless waived in whole or in part for all insured credit unions during that year) on any additional share accounts insured as a result of the merger.

(c) Where the continuing credit union is nonfederally-insured or uninsured and does not make application for insurance, but the merging credit union is federally-insured, the continuing credit union is entitled to a refund of the merging credit union's NCUSIF deposit and to a refund of the unused portion of the NCUSIF share insurance premium (if any). If the continuing credit union is uninsured, the NCUSIF will make the refund only after expiration of the one-year period of continued insurance coverage noted in paragraph (e) of this section.

(d) Where the continuing credit union is nonfederally-insured, NCUSIF insurance of the member accounts of a merging federally-insured credit union ceases as of the effective date of the merger.

(e) Where the continuing credit union is uninsured, NCUSIF insurance of the member accounts of the merging federally-insured credit union will continue for a period of one year, subject to the restrictions in section 206(d)(1) of the Act.

§ 708b.103 Preparation of merger plan.

(a) Upon the approval of a proposition for merger by the boards of directors of the credit unions, the two credit unions must prepare a plan for the proposed merger that includes:

- (1) Current financial statements for both credit unions;
- (2) Current delinquent loan summaries and analyses of the adequacy of the Allowance for Loan and Lease Losses account;
- (3) Consolidated financial statements, including an assessment of the generally accepted accounting prin-

ciples (GAAP) net worth of each credit union before the merger and the GAAP net worth of the continuing credit union after the merger;

- (4) Analyses of share values;
 - (5) Explanation of any proposed share adjustments;
 - (6) Explanation of any provisions for reserves, undivided earnings or dividends;
 - (7) Provisions with respect to notification and payment of creditors;
 - (8) Explanation of any changes relative to insurance such as life savings and loan protection insurance and insurance of member accounts;
 - (9) Provisions for determining that all assets and liabilities of the continuing credit union will conform with the requirements of the Act (where the continuing credit union is a federal credit union); and
 - (10) Proposed charter amendments (where the continuing credit union is a federal credit union). These amendments, if any, will usually pertain to the name of the credit union and the definition of its field of membership.
- (b) [Reserved]

§ 708b.104 Submission of merger proposal to the NCUA.

(a) Upon approval of the merger plan by the boards of directors of the credit unions, the credit unions must submit the following information to the Regional Director:

- (1) The merger plan, as described in this part;
- (2) Resolutions of the boards of directors;
- (3) Proposed Merger Agreement;
- (4) Proposed Notice of Special Meeting of the Members (for merging federal credit unions);
- (5) Copy of the form of Ballot to be sent to the members (for merging federal credit unions);
- (6) Evidence that the state's supervisory authority approves the merger proposal (for states that require such agreement before NCUA approval);
- (7) Application and Agreement for Insurance of Member Accounts (for continuing state credit unions desiring to become federally-insured);
- (8) If the merging credit union has \$50 million or more in assets on its latest call report, a statement about whether

§ 708b.105

the two credit unions intend to make a Hart-Scott-Rodino Act premerger notification filing with the Federal Trade Commission and, if not, an explanation why not; and

(9) For mergers where the continuing credit union is not federally-insured and will not apply for federal insurance:

(i) A written statement from the continuing credit union that it “is aware of the requirements of 12 U.S.C. 1831t(b), including all notification and acknowledgment requirements”; and

(ii) Proof that the accounts of the credit union will be accepted for coverage by the nonfederal insurer (if the credit union will have nonfederal insurance).

(b) [Reserved]

§ 708b.105 Approval of merger proposal by the NCUA.

(a) In any case where the continuing credit union is federally-insured and the merging credit union is nonfederally-insured or uninsured, the NCUA will determine the potential risk to the NCUSIF.

(b) If the NCUA finds that the merger proposal complies with the provisions of this part and does not present an undue risk to the NCUSIF, it may approve the proposal subject to any other specific requirements as it may prescribe to fulfill the intended purposes of the proposed merger. For mergers of federal credit unions into federally-insured credit unions, if the NCUA determines that the merging credit union is in danger of insolvency and that the proposed merger would reduce the risk or avoid a threatened loss to the NCUSIF, the NCUA may permit the merger to become effective without an affirmative vote of the membership of the merging credit union otherwise required by § 708b.106 of this part.

(c) NCUA may approve any proposed charter amendments for a continuing federal credit union contingent upon the completion of the merger. All charter amendments must be consistent with NCUA chartering policy.

12 CFR Ch. VII (1–1–10 Edition)

§ 708b.106 Approval of the merger proposal by members.

(a) When the merging credit union is a federal credit union, the members must:

(1) Have the right to vote on the merger proposal in person at the annual meeting, if within 60 days after NCUA approval, or at a special meeting to be called within 60 days of NCUA approval, or by mail ballot, received no later than the date and time announced for the annual meeting or the special meeting called for that purpose.

(2) Be given advance notice of the meeting in accordance with the provisions of Article IV, Meetings of Members, Federal Credit Union Bylaws. The notice must:

(i) Specify the purpose of the meeting and the time and place;

(ii) Contain a summary of the merger plan, including, but not necessarily limited to, current financial statements for each credit union, a consolidated financial statement for the continuing credit union, analyses of share values, explanation of any proposed share adjustments, explanation of any changes relative to insurance such as life savings and loan protection insurance and insurance of member accounts;

(iii) State reasons for the proposed merger;

(iv) Provide name and location, including branches, of the continuing credit union;

(v) Inform the members that they have the right to vote on the merger proposal in person at the meeting or by written ballot to be received no later than the date and time announced for the annual meeting or the special meeting called for that purpose; and

(vi) Be accompanied by a Ballot for Merger Proposal.

(b) Approval of a proposal to merge a federal credit union into a federally-insured credit union requires the affirmative vote of a majority of the members of the merging credit union who vote on the proposal. If the continuing credit union is uninsured or nonfederally-insured, the voting requirements of subpart B apply. If the continuing credit union is nonfederally-insured, the merging credit union must use the form notice and ballot in subpart C of

National Credit Union Administration

§ 708b.202

this part unless the Regional Director approves the use of different forms.

§ 708b.107 Certificate of vote on merger proposal.

The board of directors of the merging federal credit union must certify the results of the membership vote to the Regional Director within 10 days after the vote is taken. The certification must include the total number of members of record of the credit union, the number who voted on the merger, the number who voted in favor, and the number who voted against. If the continuing credit union is nonfederally-insured, the merging credit union must use the certification form in subpart C of this part unless the Regional Director approves the use of a different form.

§ 708b.108 Completion of merger.

(a) Upon approval of the merger proposal by the NCUA and by the state supervisory authority (where the continuing or merging credit union is a state credit union) and by the members of each credit union where required, the credit unions may complete the merger.

(b) Upon completion of the merger, the board of directors of the continuing credit union must certify the completion of the merger to the Regional Director within 30 days after the effective date of the merger.

(c) Upon the NCUA's receipt of certification that the merger has been completed, the NCUA will cancel the charter of the merging federal credit union (if applicable) and the insurance certificate of any merging federally-insured credit union.

Subpart B—Voluntary Termination or Conversion of Insured Status

§ 708b.201 Termination of insurance.

(a) A state credit union may terminate federal insurance, if permitted by state law, either on its own or by merging into an uninsured credit union.

(b) A federal credit union may terminate federal insurance only by merging into, or converting its charter to, an uninsured state credit union.

(c) A majority of the credit union's members must approve a termination

of insurance by affirmative vote. The credit union must use an independent entity to collect and tally the votes and certify the results for all terminations, including terminations that involve a merger or charter conversion. The vote must be taken by secret ballot, meaning that no credit union employee or official can determine how a particular member voted.

(d) Termination of federal insurance requires the NCUA's prior written approval. A credit union must notify the NCUA and request approval of the termination through the Regional Director in writing at least 90 days before the proposed termination date and within one year after obtaining the membership vote. The notice to the NCUA must include:

(1) A written statement from the credit union that it "is aware of the requirements of 12 U.S.C. 1831t(b), including all notification and acknowledgment requirements;" and

(2) A certification of the member vote that must include the total number of members of record of the credit union, the number who voted in favor of the termination, and the number who voted against.

(e) The NCUA will approve or disapprove the termination in writing within 90 days after being notified by the credit union.

§ 708b.202 Notice to members of proposal to terminate insurance.

(a) When the board of directors of a federally-insured credit union adopts a resolution proposing to terminate federal insurance, including termination due to a merger or conversion of charter, it must provide its members with written notice of the proposal to terminate and of the date set for the membership vote. The first written communication following the resolution that is made by or on behalf of the credit union and that informs the members that the credit union will seek termination is the notice of the proposal to terminate. This notice must:

(1) Inform the members of the requirement for a membership vote and the date for the vote;

(2) Explain that the insurance provided by the NCUA is federal insurance and is backed by the full faith and

credit of the United States government; and

(3) Include a conspicuous statement that if the termination or merger is approved, and the credit union, or the continuing credit union in the case of a merger, subsequently fails, the federal government does not guarantee the member will get his or her money back.

(b) The credit union must deliver the notice in person to each member, or mail it to each member at the address for the member as it appears on the records of the credit union, not more than 30 nor less than 7 days before the date of the vote. The membership must be given the opportunity to vote by mail ballot. The credit union may provide the notice of the proposal and the ballot to members at the same time.

(c) If the membership and the NCUA approve the proposition for termination of insurance, the credit union must give the members prompt and reasonable notice of termination.

§ 708b.203 Conversion of insurance.

(a) A federally-insured state credit union may convert to nonfederal insurance, if permitted by state law, either on its own or by merging into a nonfederally-insured credit union.

(b) A federal credit union may convert to nonfederal insurance only by merging into, or converting its charter to, a nonfederally-insured state credit union.

(c) Conversion to nonfederal insurance requires the prior written approval of the NCUA. After the credit union board of directors resolves to seek a conversion, the credit union must notify the Regional Director promptly, in writing, of the desired conversion and request NCUA approval of the conversion. The notification must be in the form specified in subpart C of this part, unless the Regional Director approves a different form. The credit union must provide this notification and request for approval to the Regional Director at least 14 days before the credit union notifies its members and seeks their vote and at least 90 days before the proposed conversion date. NCUA will approve or disapprove the conversion as described in paragraph (g) of this section.

(d) Approval of a conversion of federal to nonfederal insurance requires the affirmative vote of a majority of the credit union's members who vote on the proposition, provided at least 20 percent of the total membership participates in the voting. The credit union must use an independent entity to collect and tally the votes and certify the results for all share insurance conversions, including share insurance conversions that involve a merger or charter conversion. The vote must be taken by secret ballot, meaning that no credit union employee or official can determine how a particular member voted.

(e) For all conversions, the notice to the NCUA must include:

(1) A written statement from the credit union that "it is aware of the requirements of 12 U.S.C. 1831t(b), including all notification and acknowledgment requirements;" and

(2) Proof that the nonfederal insurer is authorized to issue share insurance in the state where the credit union is located and that the insurer will insure the credit union.

(f) The board of directors of the credit union and the independent entity that conducts the membership vote must certify the results of the membership vote to the NCUA within 10 days after the deadline for receipt of votes. The certification must include the total number of members of record of the credit union, the number who voted on the conversion, the number who voted in favor of the conversion, and the number who voted against. The certification must be in the form specified in subpart C of this part.

(g) Generally, the NCUA will approve or disapprove the conversion in writing within 14 days after receiving the certification of the vote.

(h) For conversions by merger, the merging credit unions must follow the procedures specified in subparts A and B of this part and use the forms specified in subpart C of this part. In the event the procedures of Subpart A and B conflict, the credit union must follow subpart B.

§ 708b.204 Notice to members of proposal to convert insurance.

(a) When the board of directors of a federally-insured credit union adopts a resolution proposing to convert from federal to nonfederal insurance, including an insurance conversion associated with a merger or conversion of charter, it must provide its members with written notice of the proposal to convert insurance and of the date set for the membership vote. The first written communication following this resolution that is made by or on behalf of the credit union and that informs the members that the credit union will seek conversion of insurance is the notice of the proposal to convert. This notice must:

(1) Inform the members of the requirement for a membership vote and the date for the vote;

(2) Explain that the insurance provided by the NCUA is federal insurance and is backed by the full faith and credit of the United States government, while the insurance provided by the nonfederal insurer is not guaranteed by the federal or any state government;

(3) Include a conspicuous statement that if the conversion or merger is approved, and the credit union, or the continuing credit union in the case of a merger, subsequently fails, the federal government does not guarantee the member will get his or her money back; and

(4) Be in the form set forth in subpart C of this part, unless the Regional Director approves a different form.

(b) The credit union must deliver the notice in person to each member or mail it to each member at the address for the member as it appears on the records of the credit union, not more than 30 nor less than 7 days before the date for the vote. The credit union must give the membership the opportunity to vote by mail ballot. The form of the ballot must be as set forth in subpart C of this part, unless the Regional Director approves the use of a different form. The notice of the proposal and the ballot may be provided to the members at the same time.

(c) If the membership and the NCUA approve the proposition for conversion of insurance, the credit union will give

prompt and reasonable notice to the membership. The credit union must deliver the notice at least 30 days before the effective date of the conversion. The notice must identify the effective date of the conversion, and the first page must also include a conspicuous statement (*i.e.*, in bold and no smaller than any other font size used in the notice) that:

(1) The conversion will result in the loss of federal share insurance, and

(2) The credit union will, at any time before the effective date of conversion, permit all members who have share certificates or other term accounts to close the federally-insured portion of those accounts without an early withdrawal penalty.

§ 708b.205 Modifications to notice and ballot.

(a) Converting credit unions will use the form notice and ballot as provided in subpart C of this part unless the Regional Director approves the use of a different form.

(b) A converting credit union will provide the Regional Director with a copy of the notice and ballot, including any reasons for conversion and estimated costs of conversion, on or before the date the notice and ballot are mailed to the members.

(c) Federally-insured state credit unions may include additional language in the notice and ballot regarding state requirements for mergers, where appropriate.

§ 708b.206 Share insurance communications to members.

(a) Every share insurance communication must comply with § 740.2 of this chapter, which, in part, prohibits federally-insured credit unions from making any representation that is inaccurate or deceptive in any particular.

(b) Every share insurance communication about share insurance conversion must contain the following conspicuous statement: "IF YOU ARE A MEMBER OF THIS CREDIT UNION, YOUR ACCOUNTS ARE CURRENTLY INSURED BY THE NATIONAL CREDIT UNION ADMINISTRATION, A FEDERAL AGENCY. THIS FEDERAL INSURANCE IS BACKED BY THE FULL

FAITH AND CREDIT OF THE UNITED STATES GOVERNMENT. IF THE CREDIT UNION CONVERTS TO PRIVATE INSURANCE AND THE CREDIT UNION FAILS, THE FEDERAL GOVERNMENT DOES NOT GUARANTEE THAT YOU WILL GET YOUR MONEY BACK.” The statement must:

(1) Appear on the first page of the communication where conversion is discussed and, if the communication is on an internet website posting, the credit union must make reasonable efforts to make it visible without scrolling; and

(2) Must be in capital letters, bolded, offset from the other text by use of a border, and at least one font size larger than any other text (exclusive of headings) used in the communication.

(c) Every share insurance communication about share insurance termination must contain the following conspicuous statement: “IF YOU ARE A MEMBER OF THIS CREDIT UNION, YOUR ACCOUNTS ARE CURRENTLY INSURED BY THE NATIONAL CREDIT UNION ADMINISTRATION, A FEDERAL AGENCY. THIS FEDERAL INSURANCE IS BACKED BY THE FULL FAITH AND CREDIT OF THE UNITED STATES GOVERNMENT. IF THE CREDIT UNION TERMINATES ITS FEDERAL INSURANCE AND THE CREDIT UNION FAILS, THE FEDERAL GOVERNMENT DOES NOT GUARANTEE THAT YOU WILL GET YOUR MONEY BACK.” The statement must:

(1) Appear on the first page of the communication where termination is discussed and, if the communication is on an internet website posting, the credit union must make reasonable efforts to make it visible without scrolling; and

(2) Must be in capital letters, bolded, offset from the other text by use of a border, and at least one font size larger than any other text (exclusive of headings) used in the communication.

(d) A converting credit union must provide the Regional Director with a copy of any share insurance communication that the credit union will make during the voting period. The Regional Director must receive the copy at or before the time the credit union makes it available to members. The

converting credit union must inform the Regional Director when the communication is to be made, to which members it will be directed, and how it will be disseminated. For purposes of this section, the voting period begins on the date of the board of director’s resolution to seek conversion or termination and ends on the date the member voting closes.

(e) The Regional Director may take appropriate action, including disapproving a conversion, if he or she determines that a converting credit union, by inclusion or omission of information in a share insurance communication, materially mislead or misinformed its membership. For example, the Regional Director will treat any share insurance communication that compares the relative strength, safety, or claims paying ability of a private insurer with that of the National Credit Union Share Insurance Fund as materially misleading if the comparison fails to mention that the federal insurance provided by the NCUA is backed by the full faith and credit of the United States government.

Subpart C—Forms

§ 708b.301 Conversion of insurance (State Chartered Credit Union).

Unless the Regional Director approves the use of different forms, a state chartered credit union must use the forms in this section in connection with a conversion to nonfederal insurance.

(b) Form notice to members of intent to convert and special meeting of members:

NOTICE OF PROPOSAL TO CONVERT TO NONFEDERALLY-INSURED STATUS AND SPECIAL MEETING OF MEMBERS

(INSERT NAME OF CONVERTING CREDIT UNION)

On (insert date), the board of directors of your credit union approved a proposition to convert from federal share (deposit) insurance to private insurance. You are encouraged to attend a special meeting of our credit union at (insert address) on (insert time and date) to address this proposition.

PURPOSE OF MEETING

The meeting has two purposes:

1. To consider and act upon a proposal to convert your account insurance from federal insurance to private insurance.
2. To approve the action of the Board of Directors in authorizing the officers of the credit union to carry out the proposed conversion.

INSURANCE CONVERSION

Currently, your accounts have share insurance provided by the National Credit Union Administration, an agency of the federal government. The basic federal coverage is up to \$100,000, but accounts may be structured in different ways, such as joint accounts, payable-on-death accounts, or IRA accounts, to achieve federal coverage of much more than \$100,000. If the conversion is approved, your federal insurance will terminate on the effective date of the conversion. Instead, your accounts in the credit union will be insured up to \$(insert dollar amount) by (insert name of insurer), a corporation chartered by the State of (insert name of State). The federal insurance provided by the National Credit Union Administration is backed by the full faith and credit of the United States government. The private insurance you will receive from (insert name of insurer), however, is not guaranteed by the federal or any state or local government.

IF THIS CONVERSION IS APPROVED, AND THE (insert name of credit union) FAILS, THE FEDERAL GOVERNMENT DOES NOT GUARANTEE YOU WILL GET YOUR MONEY BACK.

Also, because this conversion, if approved, would result in the loss of federal share insurance, the credit union will, at any time between the approval of the conversion and the effective date of conversion and upon request by the member, permit all members who have share certificates or other term accounts to close the federally-insured portion

of those accounts without an early withdrawal penalty. (This is an optional sentence. It may be deleted without the approval of the Regional Director. The members must be informed about this right, however, as described in 12 CFR 708b.204(c).)

The board of directors has concluded that the proposed conversion is desirable for the

§ 708b.301

12 CFR Ch. VII (1–1–10 Edition)

following reasons: (insert reasons). (This is an optional paragraph. It may be deleted without the prior approval of the Regional Director.)

The proposed conversion will result in the following one-time cost associated with the conversion: (List the total estimated dollar amount, including (1) the cost of conducting the vote, (2) the cost of changing the credit union's name and insurance logo, and (3) attorney and consultant fees.)

The conversion must have the approval of a majority of members who vote on the proposal, provided at least 20 percent of the total membership participates in the voting.

Enclosed with this Notice of Special Meeting is a ballot. If you cannot attend the meeting, please complete the ballot and return it to (insert name and address of independent entity conducting the vote) by no later than (insert time and date). To be counted, your ballot must reach us by that date and time.

By order of the board of directors.

BALLOT FOR CONVERSION TO NONFEDERALLY-INSURED STATUS

Name of Member: (insert name)

Account Number: (insert account number)

The credit union must receive this ballot by (insert date and time for vote). Please mail or bring it to: (Insert name of independent entity and address).

I understand if the conversion of the (insert name of credit union) is approved, the National Credit Union Administration share (deposit) insurance I now have, up to \$100,000, or possibly more if I use different account structures, will terminate upon the effective date of the conversion. Instead, my shares in the (insert name of credit union) will be insured up to \$(insert dollar amount) by (insert name of insurer), a corporation chartered by the State of (insert name of state). The federal insurance provided by the National Credit Union Administration is backed by the full faith and credit of the United States Government. The private insurance provided by (insert name of insurer) is not.

**I FURTHER UNDERSTAND THAT IF THIS CONVERSION IS APPROVED
AND THE (insert name of credit union) FAILS, THE FEDERAL
GOVERNMENT DOES NOT GUARANTEE THAT I WILL GET MY MONEY
BACK.**

I vote on the proposal as follows (check one box):

☐ Approve the conversion to private insurance and authorize the Board of Directors to take all necessary action to accomplish the conversion.

☐ Do not approve the conversion to private insurance.

§ 708b.302 Conversion of Insurance (Federal Credit Union).

Unless the Regional Director approves the use of different forms, a federal credit union must use the following forms in this section in connection with a conversion to a nonfederally-insured state charter.

(a) Form letter notifying NCUA of intent to convert:

(insert name), NCUA Regional Director

(insert address of NCUA Regional Director)

Re: Notice of Intent To Convert to State Charter and to Private Share Insurance

Dear Director (insert name):

In accordance with federal law at Title 12, United States Code Section 1785(b)(1)(D), I request the National Credit Union Administration approve the conversion of (insert name of federal credit union) to a state charter in (insert name of state) and from federal share insurance to private primary share insurance with (insert name of private insurance company).

On (insert date), the board of directors of (insert name of credit union) resolved to pursue the charter conversion and the conversion from federal insurance to private insurance. A copy of the resolution is enclosed.

On (insert date), the credit union plans to solicit the vote of our members on the conversion. The credit union will employ (insert name, address, and telephone number of independent entity) to conduct the vote. The credit union will use the form notice and ballot required by NCUA regulations, and will

certify the results to NCUA as required by NCUA regulations.

Aside from the notice and ballot, the credit union (does)(does not) intend to provide our members with additional written information about the conversion. I understand that NCUA regulations forbid any communications to members, including communications about NCUA insurance or private insurance, that are inaccurate or deceptive.

I have enclosed a copy of a letter from (insert name and title of state regulator) indicating approval of our conversion to a state charter.

(Insert name of State) allows credit unions to obtain primary share insurance from (insert name of private insurance company). I have enclosed a copy of a letter from (insert name and title of state regulator) establishing that (insert name of private insurer) has the authority to provide (insert name of credit union), after conversion to a state charter, with primary share insurance.

I have enclosed a copy of a letter from (insert name of private insurer) indicating it has accepted (insert name of credit union) for primary share insurance and will insure the credit union immediately upon the date that it loses its federal share insurance.

I am aware of the requirements of 12 U.S.C. 1831t(b), including all notification and acknowledgment requirements.

Enclosed you will also find other information required by NCUA's Chartering and Field of Membership Manual, Chapter 4, §III.C.

The point of contact for conversion matters is (insert name and title of credit union employee), who can be reached at (insert telephone number).

Sincerely,

(signature),

Chief Executive Officer.

(b) Form notice to members of intent to convert and special meeting of members:

NOTICE OF PROPOSAL TO CONVERT TO A STATE CHARTER AND TO NONFEDERALLY-INSURED STATUS AND SPECIAL MEETING OF MEMBERS

(INSERT NAME OF CONVERTING CREDIT UNION)

On (insert date), the board of directors of your credit union approved a proposition to convert from federal share (deposit) insurance to private insurance and to convert from a federal credit union to a state-chartered credit union. You are encouraged to attend a special meeting of our credit union at (insert address) on (insert time and date) to address this proposition.

PURPOSE OF MEETING

The meeting has two purposes:

1. To consider and act upon a proposal to convert your credit union from a federal charter to a state charter and your account insurance from federal insurance to private insurance.
2. To approve the action of the Board of Directors in authorizing the officers of the credit union to carry out the proposed conversion.

INSURANCE CONVERSION

Currently, your accounts have share insurance provided by the National Credit Union Administration, an agency of the federal government. The basic federal coverage is up

to \$100,000, but accounts may be structured in different ways, such as joint accounts, payable-on-death accounts, or IRA accounts, to achieve federal coverage of much more than \$100,000. If the conversion is approved, your federal insurance will terminate on the effective date of the conversion. Instead, your accounts in the credit union will be insured up to \$(insert dollar amount) by (insert name of insurer), a corporation chartered by the State of (insert name of State). The federal insurance provided by the National Credit Union Administration is backed by the full faith and credit of the United States government. The private insurance you will receive from (insert name of insurer), however, is not guaranteed by the federal or any state or local government.

IF THIS CONVERSION IS APPROVED, AND THE (insert name of credit union) FAILS, THE FEDERAL GOVERNMENT DOES NOT GUARANTEE YOU WILL GET YOUR MONEY BACK.

Also, because this conversion, if approved, would result in the loss of federal share insurance, the credit union will, at any time between the approval of the conversion and the effective date of conversion and upon request of the member, permit all members who have share certificates or other term accounts to close the federally-insured portion of those accounts without an early withdrawal penalty. (This is an optional sentence. It may be deleted without the approval of the Regional Director. The members must be informed about this right, however, as described in 12 CFR 708b.204(c).)

The board of directors has concluded that the proposed conversion is desirable for the following reasons: (Insert reasons) (This is an optional paragraph. It may be deleted without the approval of the Regional Director.).

The proposed conversion will result in the following one-time cost associated with the conversion: (List the total estimated dollar amount, including (1) the cost of conducting the vote, (2) the cost of changing the credit union's name and insurance logo, and (3) attorney and consultant fees.)

The conversion must have the approval of a majority of members who vote on the proposal, provided at least 20 percent of the total membership participates in the voting.

Enclosed with this Notice of Special Meeting is a ballot. If you cannot attend the meeting, please complete the ballot and return it to (insert name and address of independent entity conducting the vote) by no

later than (insert time and date). To be counted, your ballot must reach us by that date and time.

§ 709.3 Challenge to revocation of charter and involuntary liquidation.

If a Federal credit union is determined to be insolvent and placed into liquidation pursuant to 12 U.S.C. 1787, the Federal credit union may, not later than 10 days after the date on which the Board closes the credit union for liquidation, apply to the United States District Court for the District in which the principal office of the credit union is located or the United States District Court for the District of Columbia for an order requiring the Board to show cause why it should not be prohibited from continuing such liquidation. At the time of initial publication, the liquidating agent shall mail a notice similar to the published notice to any creditor shown on the credit union's books at the last address appearing therein. If the liquidating agent discovers the name of a creditor whose name does not appear on the credit union's books, a notice similar to the published notice shall be mailed to such creditor within 30 days after the discovery of the name and address.

(c) *General.* The liquidating agent shall collect all obligations and money due such credit union and may, to the extent consistent with its appointment, do all things desirable or expedient in its discretion to wind up the affairs of the credit union including, but not limited to, the following:

(7) Deposit, withdraw, or transfer funds, and otherwise exercise complete control over all investment or depository accounts maintained by or for the credit union at financial dispository or similar institutions;

(8) Do such things, and have such rights, powers, privileges, immunities, and duties, whether or not otherwise granted in this part 709, as shall be authorized, directed, conferred, or imposed from time to time by the Board, or as shall be conferred by the Federal Credit Union Act;

(b) Unsecured claims against the liquidation estate that are proved to the satisfaction of the liquidating agent shall have priority in the following order:

(1) Administrative costs and expenses of liquidation;

(2) Claims for wages and salaries, including vacation, severance, and sick leave pay;

(3) Taxes legally due and owing to the United States or any state or subdivision thereof;

(4) Debts due and owing the United States, including the National Credit Union Administration;

(7) In a case involving liquidation of a corporate credit union, membership capital;

(8) In a case involving liquidation of a low-income designated credit union, any outstanding secondary capital accounts issued pursuant to the authority of §§ 701.34 or 741.204(c) of this chapter; and

(9) In a case involving liquidation of a corporate credit union, paid-in capital.

(c) Priorities are to be based on the circumstances that exist on the date of liquidation.

(d) If the repudiation or disaffirmance of any contract or lease gives rise to a claim for damages, such claim shall be considered a general creditor claim under paragraph (b)(5) of this section and not a cost or expense of liquidation under paragraph (b)(1) of this section.

(e) All unsecured claims of any category or class or priority described in paragraphs (b)(1) through (b)(7) of this section shall be paid in full, or provisions made for such payment, before

any claims of lesser priority are paid. If there are insufficient funds to pay all claims of a category or class, payment shall be made pro rata. Notwithstanding anything to the contrary herein, the liquidating agent may, at any time, and from time to time, prior to the payment in full of all claims of a category or class with higher priority, make such distributions to claimants in priority categories described in paragraphs (b)(1), (b)(2), (b)(3), (b)(4), and (b)(5) of this section as the liquidating agent believes are reasonably necessary to conduct the liquidation, provided that the liquidating agent determines that adequate funds exist or will be recovered during the liquidation to pay in full all claims of any higher priority. If a surplus remains after making distribution in full on all allowed claims described in paragraphs (b)(1) through (b)(9) of this section, such surplus shall be distributed pro rata to the credit union's shareholders.

§ 709.6 Initial determination of creditor claims by the liquidating agent.

(a)(1) Any party wishing to submit a claim against the liquidated credit union must submit a written proof of claim in accordance with the requirements set forth in the notice to creditors. A failure to submit a written claim within the time provided in the notice to creditors shall be deemed a waiver of said claim and claimant shall have no further rights or remedies with respect to such claim.

(2) Notwithstanding paragraph (a)(1) of this section, the liquidating agent may, at his discretion, consider an untimely claim provide the following two criteria are present:

(i) The claimant did not receive notice of the appointment of the liquidating agent in time to file a claim before the date provided for in the notice; and

(ii) The claim is filed in time to permit payment of the claim.

(b) The liquidating agent may require submission of supplemental evidence

by the claimant and by interested parties in the event of a dispute concerning a claim against any asset of the liquidated credit union. In requiring the submission of supplemental evidence, the liquidating agent may set such limitations of time, scope, and size as the liquidating agent deems reasonable in the circumstances, and may refuse to include in the record submissions or portions of submissions not in compliance with such limitations or requirements. The liquidating agent shall compile such written record of a claim or dispute as, in its discretion, is deemed sufficient to provide a reasonable basis for allowing or disallowing a claim or resolving a dispute. This written record shall be considered the administrative record.

(c) The liquidating agent shall determine whether to allow or disallow a claim and shall notify the claimant within 180 days from the date a claim against a credit union is filed pursuant to paragraph (a)(1) of the section. This 180-day period may be extended by written agreement between the claimant and the liquidating agent. Failure by the liquidating agent to determine a claim and notify the claimant within the 180-day period or, if the period is extended, within the extended period, shall be deemed a denial of the claim.

(d) If a claim or any portion thereof is disallowed, the notice to the claimant shall contain a statement of the reasons for the disallowance and an explanation of appeal rights pursuant to § 709.7 of this part.

(e) Notice of any determination with respect to a claim shall be sufficient if mailed to the most recent address of the claimant which appears:

- (1) On the credit union's books;
 - (2) In the claim filed by the claimant;
- or

(3) In the documents submitted in the proof of claim.

(f) In the event the liquidating agent disallows all or part of a claim, the liquidating agent shall file with the Board, or its designated agent, a report of its determination. This report shall become part of the record and shall include the notice to the claimant and findings on all issues raised and decided by the liquidating agent.

§ 709.7 Procedures for appeal of initial determination.

In order to appeal all or part of an initial decision which disallows a claim, in whole or in part, a claimant must, within 60 days of the mailing of the initial determination, file an administrative appeal pursuant to § 709.8 of this part, or file suit against the liquidated credit union in the United States District Court for the District of Columbia or in the United States district court having jurisdiction over the place where the credit union's principal place of business is located, or continue an action commenced before the appointment of the liquidating agent. If the claimant does not appeal or file or continue a suit, any disallowance shall be final and the claimant shall have no further rights or remedies with respect to such claim.

§ 709.8 Administrative appeal of the initial determination.

(a) *General.* A claimant requesting an administrative appeal may request review pursuant to any of the procedures listed in paragraph (b) or (c) of this section. Any appeal of the initial determination must be in writing and must specify what type of appeal the claimant requests. The determination of whether to agree to a request for administrative appeal shall rest solely with the Board, which shall notify the claimant of its decision in writing. The 60 day period for filing a lawsuit in United States district court, provided for in § 709.7 of this part, shall be tolled from the date of claimant's request for an administrative appeal to the date of the Board's decision regarding that request.

(b) *Hearing on the record.* Except as provided herein, any hearing requested pursuant to this section shall be conducted in accordance with the provisions of subpart A, part 747, of this chapter. The Board shall render a final decision with respect to such claim after consideration of the hearing record and recommended decision. The Board's determination shall be subject to judicial review under chapter 7 of title 5, United States Code. Any claimant seeking judicial review of the Board's final decision under this paragraph must file a petition in the court

of appeals for the circuit in which the principal office of the credit union is located, or in the United States Court of Appeals for the District of Columbia Circuit, within 30 days of the date of the Board's final decision. If a claimant does not file a petition before the end of the 30-day period, the Board's decision shall be final, and the claimant shall have no further rights or remedies with respect to such claim.

(1) *Burden of proof.* In any hearing on the record, the burden of proof to establish entitlement to any modification of the initial determination shall rest solely upon the claimant.

(2) *Order of procedure.* In any hearing on the record, at the time for opening arguments, counsel for the claimant shall argue first, and at the time for closing arguments, counsel for the claimant shall argue last.

(c) *Alternative dispute resolution.* Paragraphs (c) (1) and (2) of this section list alternatives for dispute resolution which may be available at the discretion of the Board. From time to time, the NCUA Board may authorize additional alternative dispute resolution processes.

(1) *Appeal to the Board.* Pursuant to this paragraph (c)(1), the claimant may file an appeal with the NCUA Board within the time provided for in § 709.7. The appeal must be in writing and filed with the Secretary of the Board, National Credit Union Administration, 1775 Duke Street, Alexandria, VA 22314-3428. There shall be no personal appearance before the Board in connection with an appeal under this paragraph (c)(1).

(i) *Content of appeal.* Any appeal must include:

(A) A statement of the facts on which the appeal is based;

(B) A statement of the basis for the initial determination to which the claimant objects and the alleged error in such determination, including citations to applicable statutes and regulations;

(C) Any other evidence relied upon by the claimant which was not previously provided to the liquidating agent.

(ii) *Procedures for review of the appeal.*

(A) Within 60 days of the date of the Board's receipt of an appeal, pursuant to paragraph (c)(1) of this section, the

Board may request in writing that the claimant submit supplemental evidence in support of its appeal. If additional evidence is requested, the claimant shall have 45 days from the date of issuance of such request to provide such additional information. Failure by the claimant to provide such additional information may, as determined solely by the Board, result in denial of the claimant's appeal.

(B) Within 60 days from the date of the Board's receipt of an appeal, pursuant to paragraph (c)(1) of this section, the claimant may amend or supplement the appeal in writing. In the event the claimant does amend or supplement the appeal, the provisions of paragraph (c)(1)(ii)(A) of this section, with respect to requests for additional information and responses to such requests, shall apply with equal force to any such amendment or supplement to an appeal.

(iii) *Determination on appeal.* (A) Within 180 days from the date of receipt of an appeal by the Board, the Board shall issue a decision allowing or disallowing claimant's appeal.

(B) The decision by the Board on appeal shall be provided to the claimant in writing, stating the reasons for the decision, and shall constitute a final agency decision regarding the claimant's claim.

(C) Failure by the Board to issue a decision on appeal of the claimant's claim within the 180-day period provided for under paragraph (c)(1)(iii)(A) of this section shall be deemed to be a denial of such appeal for the purposes of paragraph (c)(1)(iv) of this section.

(iv) *Judicial review.* (A) For the purposes of seeking judicial review of actions taken pursuant to paragraph (c)(1) of this section, only a determination on appeal issued by the NCUA Board pursuant to this section shall constitute a final determination regarding a claim.

(B) A final determination by the Board is reviewable in accordance with the provisions of chapter 7, title 5, United States Code, by the United States Court of Appeals for the District of Columbia or the court of appeals for the Federal judicial circuit where the credit union's principal place of business is located. Any request for judicial

review under this paragraph must be filed within 60 days of the date of the Board's final decision. If any claimant fails to file before the end of the 60-day period, the Board's decision shall be final, and the claimant shall have no further rights or remedies with respect to such claim.

(2) The following additional procedures for dispute resolution may be made available at the sole discretion of the Board: mediation; nonbinding arbitration; and neutral fact finding.

§ 709.9 Expedited determination of creditor claims.

(a) *General.* The provisions of this section establish procedures under which claimants may request expedited relief in lieu of the procedures set forth in § 709.6 of this part. A claimant shall be entitled to expedited determination of a claim only upon a showing that there exists a legally valid and enforceable or perfected security interest in assets of the liquidated credit union and that irreparable injury will occur if the routine claims procedure is followed.

(b) *Filing of request for expedited relief.* All requests for expedited relief must be filed within 30 days from the date of mailing, by the liquidating agent, of the notice to the creditor concerned. The request shall be deemed to be filed when received by the Secretary of the Board, National Credit Union Administration, 1775 Duke Street, Alexandria, VA 22314-3428. A copy of the request must be simultaneously served upon the liquidating agent for the credit union concerned. There shall be no right of personal appearance before the Board in connection with any claim submitted under this paragraph.

(c) *Content of request for expedited relief.* Any Request for Expedited Relief must contain the following:

(1) A clear and concise statement of the facts and issues on which the request is based;

(2) A clear and concise statement describing the nature of any security interests in any assets of the credit union;

(3) A clear and concise statement of the probable, imminent and irreparable

harm likely to occur if expedited relief is not granted;

(4) An assessment of the likelihood of success on the merits of the underlying claim, including statutory citations and relevant documentation supporting the merits of the claim;

(5) Any other relevant documentation that supports the request;

(6) Citations to applicable statutes, regulations, or other legal authority; and

(7) A signed statement certifying that a copy of the request has been mailed or hand delivered to the liquidating agent on or before the day that the request was filed with the Board.

(d) *Burden of proof.* The burden of proving entitlement to expedited relief rests at all times with the requester.

(e) *Additional information.* The Board may order the filing of additional information and or documentation in order to make its determination. Such filing shall be on a date certain, and failure to provide the additional documentation or information may constitute the sole grounds for denial of the request.

(f) *Decision.* Before the end of the 90-day period beginning on the date a request is filed, the Board shall render its decision and provide it to the requester. The Board will determine whether to grant expedited review and allow or disallow the claim or whether such claim should be resolved pursuant to the claims process described in § 709.6 of this part.

(1) *Expedited review denied.* A decision by the Board that expedited review is not appropriate shall be final and the claim shall be decided pursuant to the claims adjudication process set forth in § 709.6 of this part.

(2) *Expedited review granted.* If expedited review is granted, the Board shall decide the claim. If the claim is disallowed, in whole or part, the decision shall contain a statement of each reason for the disallowance and the procedure for obtaining judicial review.

(g) *Period for filing or renewing suit.* Any claimant who files a request for expedited relief shall be permitted to file a suit, or to continue a suit filed before the appointment of the liquidating agent, seeking a determination of the claimant's rights with respect to

its security interest after the earlier of:

(1) The end of the 90-day period beginning on the date of the filing of a request for expedited relief; or

(2) The date the Board denies all or part of the claim.

(h) *Statute of limitations.* If an action described in paragraph (g) of this section is not filed, or the motion to renew a previously filed suit is not made, before the end of the 30-day period beginning on the date on which such action or motion may be filed in accordance with paragraph (g) of this section, the claim shall be deemed to be disallowed as of the end of such period (other than any portion of such claim that was allowed by the Board). Such disallowance shall be final and the claimant shall have no further rights or remedies with respect to such claim.

§ 709.10 Treatment by conservator or liquidating agent of financial assets transferred in connection with a securitization or participation.

(a) *Definitions.* (1) *Beneficial interest* means debt or equity (or mixed) interests or obligations of any type issued by a special purpose entity that entitle their holders to receive payments that depend primarily on the cash flow from financial assets owned by the special purpose entity.

(2) *Financial asset* means cash or a contract or instrument that conveys to one entity a contractual right to receive cash or another financial instrument from another entity.

(3) *Legal isolation* means that transferred financial assets have been put presumptively beyond the reach of the transferor, its creditors, a trustee in bankruptcy, or a receiver, either by a single transaction or a series of transactions taken as a whole.

(4) *Participation* means the transfer or assignment of an undivided interest in all or part of a loan or a lease from a seller, known as the "lead," to a buyer, known as the "participant," without recourse to the lead, under an agreement between the lead and the participant. *Without recourse* means that the participation is not subject to any

agreement that requires the lead to repurchase the participant's interest or to otherwise compensate the participant due to a default on the underlying obligation.

(5) *Securitization* means the issuance by a special purpose entity of beneficial interests:

(i) The most senior class of which at time of issuance is rated in one of the four highest categories assigned to long-term debt or in an equivalent short-term category (within either of which there may be sub-categories or gradations indicating relative standing) by one or more nationally recognized statistical rating organizations; or

(ii) Which are sold in transactions by an issuer not involving any public offering for purposes of section 4 of the Securities Act of 1933, as amended, or in transactions exempt from registration under such Act under 17 CFR 230.91 through 230.905 (Regulation S) thereunder (or any successor regulation).

(6) *Special purpose entity* means a trust, corporation, or other entity demonstrably distinct from the federally-insured credit union that is primarily engaged in acquiring and holding (or transferring to another special purpose entity) financial assets, and in activities related or incidental thereto, in connection with the issuance by such special purpose entity (or by another special purpose entity that acquires financial assets directly or indirectly from such special purpose entity) of beneficial interests.

(b) The Board, by exercise of its authority to disaffirm or repudiate contracts under 12 U.S.C. 1787(c), will not reclaim, recover, or recharacterize as property of the credit union or the liquidation estate any financial assets transferred to another party by a federally-insured credit union in connection with a securitization or participation, provided that a transfer meets all conditions for sale accounting treatment under generally accepted accounting principles, other than the "legal isolation" condition addressed by this section.

(c) Paragraph (b) of this section will not apply unless the federally-insured

credit union received adequate consideration for the transfer of financial assets at the time of the transfer, and the documentation effecting the transfer of financial assets reflects the intent of the parties to treat the transaction as a sale, and not as a secured borrowing, for accounting purposes.

(d) Paragraph (b) of this section will not be construed as waiving, limiting, or otherwise affecting the power of the Board, as conservator or liquidating agent, to disaffirm or repudiate any agreement imposing continuing obligations or duties upon the federally-insured credit union in conservatorship or the liquidation estate.

(e) Paragraph (b) of this section will not be construed as waiving, limiting or otherwise affecting the rights or powers of the Board to take any action or to exercise any power not specifically limited by this section, including, but not limited to, any rights, powers or remedies of the Board regarding transfers taken in contemplation of the credit union's insolvency or with the intent to hinder, delay, or defraud the credit union or the creditors of such credit union, or that is a fraudulent transfer under applicable law.

(f) The Board will not seek to avoid an otherwise legally enforceable securitization agreement or participation agreement executed by a federally-insured credit union solely because such agreement does not meet the "contemporaneous" requirement of sections 207(b)(9) and 208(a)(3) of the Federal Credit Union Act.

(g) This section may be repealed by the NCUA upon 30 days notice and opportunity for comment provided in the FEDERAL REGISTER, but any such repeal or amendment will not apply to any transfers of financial assets made in connection with a securitization or participation that was in effect before such repeal or modification. For purposes of this paragraph, a securitization would be in effect on the earliest date that the most senior level of beneficial interests is issued, and a participation would be in effect on the date that the parties executed the participation agreement.

§ 709.11 Treatment by conservator or liquidating agent of collateralized public funds.

An agreement to provide for the lawful collateralization of funds of a federal, state, or local governmental entity or of any depositor or member referred to in section 207(k)(2)(A) of the Act will not be deemed to be invalid under sections 207(b)(9) and 208(a)(3) of the Act solely because such agreement was not executed contemporaneously with the acquisition of collateral or with any changes, increases, or substitutions in the collateral made in accordance with such agreement, provided the following conditions are met:

(a) The agreement was undertaken in the ordinary course of business, not in contemplation of insolvency, and with no intent to hinder, delay or defraud the credit union or its creditors;

(b) The secured obligation represents a bona fide and arm's length transaction;

(c) The secured party or parties are not insiders or affiliates of the credit union;

(d) The grant or creation of the security interest was for adequate consideration; and,

(e) The security agreement evidencing the security interest is in writing, was approved by the credit union's board of directors, and has been continuously an official record of the credit union from the time of its execution.

§ 709.12 Prepayment fees to Federal Home Loan Bank.

The Board as conservator or liquidating agent of a federally-insured credit union in receipt of any extension of credit from a Federal Home Loan Bank will allow a claim for a prepayment fee by the Bank if:

(a) The claim is made pursuant to a written contract that provides for a prepayment fee but the prepayment fee allowed by the Board will not exceed the present value of the loss attributable to the difference between the contract rate of the secured borrowing and the reinvestment rate then available to the Bank; and

(b) The indebtedness owed to the Bank is secured by sufficient collateral in which a perfected security interest

§ 710.0 Scope.

This part describes the requirements that must be followed to accomplish the voluntary liquidation of a Federal credit union. Federally insured state credit unions are only subject to the notification requirement provided in § 710.9; voluntary liquidation is to be accomplished in accordance with state law or procedures established by the state regulatory authority.

§ 710.1 Definitions.

For the purpose of this part, the following definitions apply:

(a) *Voluntary liquidation* means the dissolution of a solvent Federal credit union with the assets being sold or collected, liabilities paid, and shares distributed under the direction of the board of directors or its duly appointed liquidating agent.

(b) *Liquidation date* means the date the members vote to approve liquidation.

(c) *Liquidating agent* means the person or persons, including any legally recognized entity, appointed by the board of directors to liquidate the Federal credit union.

§ 710.2 Responsibility for conducting voluntary liquidation.

(a) The board of directors shall be responsible for conserving the assets, for expediting the liquidation, and for equitable distribution of the assets to the members.

(b) After voting to present the question of liquidation to the members, the board of directors may appoint a liquidating agent and delegate all or part of the board's responsibility to such agent and authorize reasonable compensation for the services provided.

(c) The board of directors shall determine that the liquidating agent and all persons who handle or have access to funds of the Federal credit union are adequately covered by surety bond and that either such coverage remains in effect, or the discovery period is extended, for at least four months after final distribution of assets.

(d) Within three days after the decision of the board of directors to submit the question of liquidation to the members, the Regional Director will be notified in writing, setting forth in detail

§710.3

the reasons for the proposed action. A balance sheet and income statement as of the previous month-end will be included with the notification. During the liquidation process, financial statements will be submitted to the Regional Director as requested.

(e) Promptly after the decision to present the question of liquidation to the members, the board of directors or liquidating agency shall develop a written plan for the liquidation of the assets and payment of shares (liquidation plan). The plan should provide for the liquidation of assets and payment of creditors and shareholders within one year of the liquidation date. A copy of the liquidation plan will be mailed to the Regional Director within 30 days of the date the board of directors votes to present the question of liquidation to the members.

§710.3 Approval of the liquidation proposal by members.

(a) When the board of directors decides to present the question of liquidation to the members, it shall act promptly to obtain the members' approval. The members shall be given advance notice of the membership meeting at which the liquidation proposal is to be submitted. The notice shall:

(1) Inform members that they have the right to vote on the liquidation proposal in person at the membership meeting called for that purpose or by written ballot to be received no later than the time and date indicated on the notice.

(2) Include or be accompanied by a ballot for the liquidation proposal.

(b) The liquidation proposal must be approved by the affirmative vote of a majority of the Federal credit union members who vote on the proposal.

(c) If the members do not approve the liquidation, the board of directors, or if delegated the authority, the liquidating agent, must decide within seven days whether the Federal credit union should resume operations or, if good cause exists, to resubmit the question of liquidation to the members.

(d) If the members approve the liquidation, neither the members nor the

12 CFR Ch. VII (1–1–10 Edition)

board of directors may rescind the decision to liquidate unless the Regional Director concurs in the rescission.

(e) The Regional Director will be notified in writing of the results of the membership vote on the voluntary liquidation proposal within three days of the date of the vote.

[58 FR 35365, July 1, 1993, as amended at 72 FR 30246, May 31, 2007]

§710.4 Transaction of business during liquidation.

(a) Immediately upon decision by the board of directors to present the question of liquidation to the members, payments on shares, withdrawal of shares (except for transfer of shares to loans and interest), transfer of shares to another share account, granting of loans, and making of investments other than short-term investments shall be suspended pending action by the members on the proposal to liquidate. Collection of loans and interest, payment of necessary expenses, clearing of share drafts and credit card charges will continue.

(b) Upon approval of the members, payments on shares, withdrawal of shares (except for transfer of shares to loans and interest), transfer of shares to another share account, granting of loans, and making of investments other than short-term investments shall be discontinued permanently. Collection of loans and interest and payment of necessary expenses will continue during the period of liquidation. Members will be notified to discontinue the use of share drafts and credit cards, and items will not be cleared 15 days from the liquidation date.

(c) Approval of the Regional Director must be obtained prior to consummating any sale of assets which would not provide sufficient funds to pay shareholders at par.

§710.5 Notice of liquidation to creditors.

(a) When approval for liquidation is obtained from the members, the board of directors or the liquidating agent shall cause notice to be given to creditors to present their claims.

(1) Federal credit unions with assets in excess of \$5 million as of the month

end prior to the liquidation date shall publish the notice once a week in each of three successive weeks, in a newspaper of general circulation, in each county in which the Federal credit union maintains an office or branch for the transaction of business on the liquidation date. The first notice shall be published within seven days of the liquidation date.

(2) Federal credit unions with assets in excess of \$500,000 but less than \$5 million as of the month end prior to the liquidation date shall publish the notice once, in a newspaper of general circulation, in each county in which the Federal credit union maintains an office or branch for the transaction of business on the liquidation date. The notice shall be published within seven days of the liquidation date.

(3) Federal credit unions with assets less than \$500,000 as of the month end prior to the liquidation date shall not be required to publish the notice.

(b) Within 10 days of the liquidation date, a copy of the notice of liquidation shall be mailed to all creditors reflected on the records of the Federal credit union.

(c) Creditors shall be provided 30 days from the liquidation date to submit their claims.

§ 710.6 Distribution of assets.

(a) With the approval of the regional director, a partial pro rata distribution of the Federal credit union's assets may be made to its members from cash funds available on authorization by the board of directors or liquidating agent. Payment of a partial distribution may exclude member accounts of less than \$25.00.

(b) After all assets of the Federal credit union have been converted to cash or found to be worthless and all loans and debts owing to it have been collected or found to be uncollectible and all obligations of the Federal credit union have been paid, with the exception of shares due its members, the books shall be closed and the pro rata distribution to the members shall be computed. The computation shall be based on the total amount in each share account.

(c) Promptly after the pro rata distribution to members has been com-

puted, checks shall be drawn for the amounts to be distributed to each member. The checks shall be mailed to the members at their last known address or handed to them in person.

(d) Unclaimed share accounts, unpaid claims, and unpaid claims of members or creditors who failed to cash their final distribution checks shall be trustee or escheated in accordance with the laws of the state in which the member or creditor resides.

(e) The Regional Director will be notified in writing within three days when the final distribution of assets to the members is started.

§ 710.7 Retention of records.

(a) The board of directors or liquidating agent shall appoint a custodian for the Federal credit union's records which are to be retained after the final distribution of assets.

(b) All records of the liquidated Federal credit union necessary to establish that creditors were paid and that assets were equitably distributed to the members shall be retained by the custodian for a period of five years following the date of charter cancellation.

§ 710.8 Certificate of dissolution and liquidation.

Within 120 days after the final distribution of assets to members is started, a duly executed Certificate of Dissolution and Liquidation shall be filed with the Regional Director.

§ 710.9 Federally insured state credit unions.

A federal insured state credit union will notify the Regional Director in writing within three days after the board of directors' decision to liquidate is made. A balance sheet and income statement as of the previous month-end and a copy of any liquidation plan will be included with the notification to the Regional Director.

§711.1 Authority, purpose, and scope.

(a) *Authority.* This part is issued under the provisions of the Depository Institution Management Interlocks Act (Interlocks Act) (12 U.S.C. 3201 *et seq.*).

(b) *Purpose.* The purpose of the Interlocks Act and this part is to foster competition by generally prohibiting a management official from serving two nonaffiliated depository organizations in situations where the management interlock likely would have an anti-competitive effect.

(c) *Scope.* This part applies to management officials of federally insured credit unions. Section 711.4(c) exempts a management official of a credit union from the prohibitions of the Interlocks Act when the individual serves as a management official of another credit union. Therefore, the Interlocks Act prohibitions contained in this part only apply to a management official of a credit union when that individual also serves as a management official of another type of depository organization (usually a bank or thrift).

§711.2 Definitions.

For purposes of this part, the following definitions apply:

(a) *Affiliate.* (1) The term *affiliate* has the meaning given in section 202 of the Interlocks Act (12 U.S.C. 3201). For purposes of that section 202, shares held by an individual include shares held by members of his or her immediate family. “Immediate family” means spouse, mother, father, child, grandchild, sister, brother, or any of their spouses, whether or not any of their shares are held in trust.

(2) For purposes of section 202(3)(B) of the Interlocks Act (12 U.S.C. 3201(3)(B)), an affiliate relationship involving a depository institution based on common ownership does not exist if the appropriate federal supervisory

agency determines, after giving the affected persons the opportunity to respond, that the asserted affiliation was established in order to avoid the prohibitions of the Interlocks Act and does not represent a true commonality of interest between the depository organizations. In making this determination, the appropriate Federal supervisory agency considers, among other things, whether a person, including members of his or her immediate family, whose shares are necessary to constitute the group owns a nominal percentage of the shares of one of the organizations and the percentage is substantially disproportionate to that person’s ownership of shares in the other organization.

(b) *Area median income* means:

(1) The median family income for the metropolitan statistical area (MSA), if a depository organization is located in an MSA; or

(2) The statewide nonmetropolitan median family income, if a depository organization is located outside an MSA.

(c) *Community* means a city, town, or village, and contiguous or adjacent cities, towns, or villages.

(d) *Contiguous or adjacent cities, towns, or villages* means cities, towns, or villages whose borders touch each other or whose borders are within 10 road miles of each other at their closest points. The property line of an office located in an unincorporated city, town, or village is the boundary line of that city, town, or village for the purpose of this definition.

(e) *Depository holding company* means a bank holding company or a savings and loan holding company (as more fully defined in section 202 of the Interlocks Act (12 U.S.C. 3201) having its principal office located in the United States.

(f) *Depository institution* means a commercial bank (including a private bank), a savings bank, a trust company, a savings and loan association, a building and loan association, a homestead association, a cooperative bank, an industrial bank, or a credit union, chartered under the laws of the United States and having a principal office located in the United States. Additionally, a United States office, including a

National Credit Union Administration

§711.3

branch or agency, of a foreign commercial bank is a depository institution.

(g) *Depository institution affiliate* means a depository institution that is an affiliate of a depository organization.

(h) *Depository organization* means a depository institution or a depository holding company.

(i) *District bank* means any State bank operating under the Code of Law of the District of Columbia.

(j) *Low and moderate-income areas* means census tracts (or, if an area is not in a census tract, block numbering areas delineated by the United States Bureau of the Census) where the median family income is less than 100 percent of the area median income.

(k) *Management official*. (1) The term *management official* means:

(i) A director;
(ii) An advisory or honorary director of a depository institution with total assets of \$100 million or more;

(iii) A senior executive officer as that term is defined in 12 CFR 701.14(b)(2), or a person holding an equivalent position regardless of title;

(iv) A branch manager;
(v) A trustee of a depository organization under the control of trustees; and

(vi) Any person who has a representative or nominee serving in any of the capacities in this paragraph (m)(1).

(2) The term *management official* does not include:

(i) A person whose management functions relate exclusively to the business of retail merchandising or manufacturing;

(ii) A person whose management functions relate principally to the business outside the United States of a foreign commercial bank; or

(iii) A person described in the provisions of section 202(4) of the Interlocks Act (12 U.S.C. 3201(4)) (referring to an officer of a State-chartered savings bank, cooperative bank, or trust company that neither makes real estate mortgage loans nor accepts savings).

(l) *Office* means a principal or branch office of a depository institution located in the United States. *Office* does not include a representative office of a foreign commercial bank, an electronic terminal, or a loan production office.

(m) *Person* means a natural person, corporation, or other business entity.

(n) *Relevant metropolitan statistical area (RMSA)* means an MSA, a primary MSA, or a consolidated MSA that is not comprised of designated primary MSAs to the extent that these terms are defined and applied by the Office of Management and Budget.

(o) *Representative or nominee* means a natural person who serves as a management official and has an obligation to act on behalf of another person with respect to management responsibilities. NCUA will find that a person has an obligation to act on behalf of another person only if the first person has an agreement, express or implied, to act on behalf of the second person with respect to management responsibilities. NCUA will determine, after giving the affected persons an opportunity to respond, whether a person is a *representative or nominee*.

(p) *Total assets*. (1) The term *total assets* means assets measured on a consolidated basis and reported in the most recent fiscal year-end Consolidated Report of Condition and Income.

(2) The term *total assets* does not include:

(i) Assets of a diversified savings and loan holding company as defined by section 10(a)(1)(F) of the Home Owners' Loan Act (12 U.S.C. 1467a(a)(1)(F)) other than the assets of its depository institution affiliate;

(ii) Assets of a bank holding company that is exempt from the prohibitions of section 4 of the Bank Holding Company Act of 1956 pursuant to an order issued under section 4(d) of that Act (12 U.S.C. 1843(d)) other than the assets of its depository institution affiliate; or

(iii) Assets of offices of a foreign commercial bank other than the assets of its United States branch or agency.

(q) *United States* includes any State or territory of the United States of America, the District of Columbia, Puerto Rico, Guam, American Samoa, and the Virgin Islands.

[61 FR 50702, Sept. 27, 1996, as amended at 64 FR 66360, Nov. 26, 1999; 73 FR 30477, May 28, 2008]

§711.3 Prohibitions.

(a) *Community*. A management official of a depository organization may

§711.4

12 CFR Ch. VII (1–1–10 Edition)

not serve at the same time as a management official of an unaffiliated depository organization if the depository organizations in question (or a depository institution affiliate thereof) have offices in the same community.

(b) *RMSA*. A management official of a depository organization may not serve at the same time as a management official of an unaffiliated depository organization if the depository organizations in question (or a depository institution affiliate thereof) have offices in the same RMSA and each depository organization has total assets of \$50 million or more.

(c) *Major assets*. A management official of a depository organization with total assets exceeding \$2.5 billion (or any affiliate thereof) may not serve at the same time as a management official of an unaffiliated depository organization with total assets exceeding \$1.5 billion (or any affiliate thereof), regardless of the location of the two depository organizations. The NCUA will adjust these thresholds, as necessary, based on year-to-year change in the average of the Consumer Price Index for the Urban Wage Earners and Clerical Workers, not seasonally adjusted, with rounding to the nearest \$100 million. The NCUA will announce the revised thresholds by publishing a notice in the FEDERAL REGISTER.

[61 FR 50702, Sept. 27, 1996, as amended at 64 FR 66360, Nov. 26, 1999; 72 FR 58249, Oct. 15, 2007]

§711.4 Interlocking relationships permitted by statute.

The prohibitions of §711.3 do not apply in the case of any one or more of the following organizations or to a subsidiary thereof:

(a) A depository organization that has been placed formally in liquidation, or which is in the hands of a receiver, conservator, or other official exercising a similar function;

(b) A corporation operating under section 25 or section 25A of the Federal Reserve Act (12 U.S.C. 601 *et seq.* and 12 U.S.C. 611 *et seq.*, respectively) (Edge Corporations and Agreement Corporations);

(c) A credit union being served by a management official of another credit union;

(d) A depository organization that does not do business within the United States except as an incident to its activities outside the United States;

(e) A State-chartered savings and loan guaranty corporation;

(f) A Federal Home Loan Bank or any other bank organized solely to serve depository institutions (a bankers' bank) or solely for the purpose of providing securities clearing services and services related thereto for depository institutions and securities companies;

(g) A depository organization that is closed or is in danger of closing as determined by the appropriate Federal depository institutions regulatory agency and is acquired by another depository organization. This exemption lasts for five years, beginning on the date the depository organization is acquired; and

(h)(1) A diversified savings and loan holding company (as defined in section 10(a)(1)(F) of the Home Owners' Loan Act (12 U.S.C. 1467a(a)(1)(F)) with respect to the service of a director of such company who also is a director of an unaffiliated depository organization if:

(i) Both the diversified savings and loan holding company and the unaffiliated depository organization notify their appropriate Federal depository institutions regulatory agency at least 60 days before the dual service is proposed to begin; and

(ii) The appropriate regulatory agency does not disapprove the dual service before the end of the 60-day period.

(2) The NCUA Board or its designee may disapprove a notice of proposed service if it finds that:

(i) The service cannot be structured or limited so as to preclude an anti-competitive effect in financial services in any part of the United States;

(ii) The service would lead to substantial conflicts of interest or unsafe or unsound practices; or

(iii) The notificant failed to furnish all the information required by NCUA.

(3) The NCUA Board or its designee may require that any interlock permitted under this paragraph (h) be terminated if a change in circumstances occurs with respect to one of the interlocked depository organizations that would have provided a basis for

National Credit Union Administration

§ 711.8

disapproval of the interlock during the notice period.

§ 711.5 Small market share exemption.

(a) *Exemption.* A management interlock that is prohibited by § 711.3(a) or § 711.3(b) is permissible, provided:

(1) The interlock is not prohibited by § 711.3(c); and

(2) The depository organizations (and their depository institution affiliates) hold, in the aggregate, no more than 20% of the deposits, in each RMSA or community in which the depository organizations (or their depository institution affiliates) are located. The amount of deposits will be determined by reference to the most recent annual Summary of Deposits published by the FDIC. This information is available on the Internet at <http://www.fdic.gov>.

(b) *Confirmation and records.* Each depository organization must maintain records sufficient to support its determination of eligibility for the exemption under paragraph (a) of this section, and must reconfirm that determination on an annual basis.

[64 FR 66360, Nov. 26, 1999]

§ 711.6 General exemption.

(a) *Exemption.* NCUA may, by agency order issued following receipt of an application, exempt an interlock from the prohibitions in § 711.3, if NCUA finds that the interlock would not result in a monopoly or substantial lessening of competition, and would not present other safety and soundness concerns.

(b) *Presumptions.* In reviewing applications for an exemption under this section, NCUA will apply a rebuttable presumption that an interlock will not result in a monopoly or substantial lessening of competition if the depository organization seeking to add a management official:

(1) Primarily serves, low- and moderate-income areas;

(2) Is controlled or managed by persons who are members of a minority group or women;

(3) Is a depository institution that has been chartered for less than two years; or

(4) Is deemed to be in "troubled condition" as defined in § 701.14(b)(3) of this chapter.

(c) *Duration.* Unless a shorter expiration period is provided in the NCUA approval, an exemption permitted by paragraph (a) of this section may continue so long as it would not result in a monopoly or substantial lessening of competition, or be unsafe or unsound. If the NCUA grants an interlock exemption in reliance upon a presumption under paragraph (b) of this section, the interlock may continue for three years, unless otherwise provided in the approval.

[64 FR 66360, Nov. 26, 1999]

§ 711.7 Change in circumstances.

(a) *Termination.* A management official shall terminate his or her service if a change in circumstances causes the service to become prohibited. A change in circumstances may include, but is not limited to, an increase in asset size of an organization, a change in the delineation of the RMSA or community, the establishment of an office, an increase in the aggregate deposits of the depository organization, or an acquisition, merger, consolidation, or reorganization of the ownership structure of a depository organization that causes a previously permissible interlock to become prohibited.

(b) *Transition period.* A management official described in paragraph (a) of this section may continue to serve the depository organization involved in the interlock for 15 months following the date of the change in circumstances. NCUA may shorten this period under appropriate circumstances.

[61 FR 50702, Sept. 27, 1996, as amended at 64 FR 66360, Nov. 26, 1999]

§ 711.8 Enforcement.

Except as provided in this section, NCUA administers and enforces the Interlocks Act with respect to federally insured credit unions, and may refer any case of a prohibited interlocking relationship involving these entities to the Attorney General of the United States to enforce compliance with the Interlocks Act and this part.

712.10 How can a state supervisory authority obtain an exemption for state chartered credit unions from compliance with § 712.3(d)(3)?

AUTHORITY: 12 U.S.C. 1756, 1757(5)(D) and (7)(I), 1766, 1782, 1784, 1785, and 1786.

SOURCE: 63 FR 10756, Mar. 5, 1998, unless otherwise noted.

§ 712.1 What does this part cover?

This part establishes when a Federal credit union (FCU) can invest in and make loans to CUSOs. CUSOs are subject to review by NCUA. This part does not apply to corporate credit unions that have CUSOs subject to § 704.11 of this title. Sections 712.3(d)(3) and 712.4 of this part apply to state-chartered credit unions and their subsidiaries, as provided in § 741.222 of this chapter.

[63 FR 10756, Mar. 5, 1998, as amended at 73 FR 79311, Dec. 29, 2008]

§ 712.2 How much can an FCU invest in or loan to CUSOs, and what parties may participate?

(a) *Investments.* An FCU's total investments in CUSOs must not exceed, in the aggregate, 1% of its paid-in and unimpaired capital and surplus as of its last calendar year-end financial report.

(b) *Loans.* An FCU's total loans to CUSOs must not exceed, in the aggregate, 1% of its paid-in and unimpaired capital and surplus as of its last calendar year-end financial report. Loan authority is independent and separate from the 1% investment authority of subsection (a) of this section.

(c) *Parties.* An FCU may invest in or loan to a CUSO by itself, with other credit unions, or with non-credit union parties.

(d) *Measurement for calculating regulatory limitation.* For purposes of paragraphs (a) and (b) of this section:

(1) *Paid-in and unimpaired capital and surplus* means shares plus post-closing, undivided earnings (this does not include regular reserves or special reserves required by law, regulation or special agreement between the credit union and its regulator or share insurer); and

(2) Total investments in and total loans to CUSOs will be measured consistent with GAAP.

(3) *Special rule in the case of less than adequately capitalized FCUs.* This paragraph (d)(3) applies in the case of either an FCU that is currently less than adequately capitalized, as determined under part 702, or where the making of an investment in a CUSO would render the FCU less than adequately capitalized under part 702. Before making an investment in a CUSO, the FCU must obtain prior written approval from the appropriate NCUA regional office if the making of the investment would result in an aggregate cash outlay, measured on a cumulative basis (regardless of how the investment is valued for accounting purposes) in an amount in excess of one percent of the credit union's paid in and unimpaired capital and surplus.

(e) *Divestiture.* If the limitations in paragraph (a) of this section are reached or exceeded because of the profitability of the CUSO and the related GAAP valuation of the investment under the equity method, without an additional cash outlay by the FCU, divestiture is not required. An FCU may continue to invest up to 1% without regard to the increase in the GAAP valuation resulting from a CUSO's profitability.

[63 FR 10756, Mar. 5, 1998, as amended at 64 FR 33187, June 22, 1999; 66 FR 65624, Dec. 20, 2001; 73 FR 79312, Dec. 29, 2008]

§ 712.3 What are the characteristics of and what requirements apply to CUSOs?

(a) *Structure.* An FCU can invest in or loan to a CUSO only if the CUSO is

structured as a corporation, limited liability company, or limited partnership. An FCU may only participate in a limited partnership as a limited partner. For purposes of this part, “corporation” means a legally incorporated corporation as established and maintained under relevant federal or state law. For purposes of this part, “limited partnership” means a legally established limited partnership as established and maintained under relevant state law. For purposes of this part, “limited liability company” means a legally established limited liability company as established and maintained under relevant state law, provided that the FCU obtains written legal advice that the limited liability company is a recognized legal entity under the applicable laws of the state of formation and that the limited liability company is established in a manner that will limit potential exposure of the FCU to no more than the amount of funds invested in, or loaned to, the CUSO.

(b) *Customer base.* An FCU can invest in or loan to a CUSO only if the CUSO primarily serves credit unions, its membership, or the membership of credit unions contracting with the CUSO; *provided, however*, that with respect to any approved CUSO service, as set out in § 712.5, that also meets the description of services set out in § 701.30 of this chapter, this requirement is met if the CUSO primarily provides such services to persons who are eligible for membership in the FCU or are eligible for membership in credit unions contracting with the CUSO.

(c) *Federal credit union accounting for financial reporting purposes.* An FCU must account for its investments in or loans to a CUSO in conformity with “generally accepted accounting principles” (GAAP).

(d) *CUSO accounting; audits and financial statements; NCUA access to information.* An FCU must obtain written agreements from a CUSO, prior to investing in or lending to the CUSO, that the CUSO will:

- (1) Account for all its transactions in accordance with GAAP;
- (2) Prepare quarterly financial statements and obtain an annual financial statement audit of its financial state-

ments by a licensed certified public accountant in accordance with generally accepted auditing standards. A wholly owned CUSO is not required to obtain a separate annual financial statement audit if it is included in the annual consolidated financial statement audit of the credit union that is its parent; and

(3)(i) Provide NCUA, its representatives, and the state credit union regulatory authority having jurisdiction over any federally insured, state-chartered credit union with an outstanding loan to, investment in or contractual agreement for products or services with the CUSO with complete access to any books and records of the CUSO and the ability to review CUSO internal controls, as deemed necessary by NCUA or the state credit union regulatory authority in carrying out their respective responsibilities under the Act and the relevant state credit union statute.

(ii) The effective date for compliance with this section is June 29, 2009.

(e) *Other laws.* A CUSO must comply with applicable Federal, state and local laws.

[63 FR 10756, Mar. 5, 1998, as amended at 64 FR 33187, June 22, 1999; 64 FR 57365, Oct. 25, 1999; 66 FR 40578, Aug. 3, 2001; 70 FR 55228, Sept. 21, 2005; 73 FR 79312, Dec. 29, 2008]

§ 712.4 What must an FCU and a CUSO do to maintain separate corporate identities?

(a) *Corporate separateness.* An FCU and a CUSO must be operated in a manner that demonstrates to the public the separate corporate existence of the FCU and the CUSO. Good business practices dictate that each must operate so that:

- (1) Its respective business transactions, accounts, and records are not intermingled;
- (2) Each observes the formalities of its separate corporate procedures;
- (3) Each is adequately financed as a separate unit in the light of normal obligations reasonably foreseeable in a business of its size and character;
- (4) Each is held out to the public as a separate enterprise;
- (5) The FCU does not dominate the CUSO to the extent that the CUSO is

§712.5

12 CFR Ch. VII (1–1–10 Edition)

treated as a department of the FCU; and

(6) Unless the FCU has guaranteed a loan obtained by the CUSO, all borrowings by the CUSO indicate that the FCU is not liable.

(b) *Legal opinion.* Prior to an FCU investing in a CUSO, the FCU must obtain written legal advice as to whether the CUSO is established in a manner that will limit potential exposure of the FCU to no more than the loss of funds invested in, or lent to, the CUSO. In addition, if a CUSO in which an FCU has an investment plans to change its structure under §712.3(a), an FCU must also obtain prior, written legal advice that the CUSO will remain established in a manner that will limit potential exposure of the FCU to no more than the loss of funds invested in, or loaned to, the CUSO. The legal advice must address factors that have led courts to “pierce the corporate veil” such as inadequate capitalization, lack of separate corporate identity, common boards of directors and employees, control of one entity over another, and lack of separate books and records. The legal advice may be provided by independent legal counsel of the investing FCU or the CUSO.

§712.5 What activities and services are preapproved for CUSOs?

NCUA may at any time, based upon supervisory, legal, or safety and soundness reasons, limit any CUSO activities or services, or refuse to permit any CUSO activities or services. Otherwise, an FCU may invest in, loan to, and/or contract with only those CUSOs that are sufficiently bonded or insured for their specific operations and engaged in the preapproved activities and services related to the routine daily operations of credit unions. The specific activities listed within each preapproved category are provided in this section as illustrations of activities permissible under the particular category, not as an exclusive or exhaustive list.

§ 712.6 What activities and services are prohibited for CUSOs?

General. CUSOs must not acquire control of, either directly or indirectly, another depository financial institution, nor invest in shares, stocks, or obligations of an insurance company, trade association, liquidity facility or similar organization, corporation, or association.

[63 FR 10756, Mar. 5, 1998, as amended at 64 FR 66361, Nov. 26, 1999]

§ 712.8 What transaction and compensation limits might apply to individuals related to both an FCU and a CUSO?

(a) *Officials and Senior Management Employees.* The officials, senior management employees, and their immediate family members of an FCU that has outstanding loans or investments in a CUSO must not receive any salary, commission, investment income, or other income or compensation from the CUSO either directly or indirectly, or from any person being served through the CUSO. This provision does not prohibit such FCU officials or senior management employees from assisting in the operation of a CUSO, provided the officials or senior management employees are not compensated by the CUSO. Further, the CUSO may reimburse the FCU for the services provided by such FCU officials and senior management employees only if the account receivable of the FCU due from the CUSO is paid in full at least every 120 days. For purposes of this paragraph (a), "official" means affiliated credit union directors or committee members. For purposes of this paragraph (a), "senior management employee" means affiliated credit union chief executive officer (typically this individual holds the title of President or Treasurer/Manager), any assistant chief executive officers (e.g. Assistant President, Vice President, or Assistant Treasurer/Manager) and the chief financial officer (Comptroller). For purposes of this paragraph (a), "immediate family member" means a spouse or other family members living in the same household.

(b) *Employees.* The prohibition contained in paragraph (a) of this section

§ 712.9

also applies to FCU employees not otherwise covered if the employees are directly involved in dealing with the CUSO unless the FCU's board of directors determines that the FCU employees' positions do not present a conflict of interest.

(c) *Others.* All transactions with business associates or family members of FCU officials, senior management employees, and their immediate family members, not specifically prohibited by paragraphs (a) and (b) of this section must be conducted at arm's length and in the interest of the FCU.

§ 712.9 When must an FCU comply with this part?

(a) *Investments.* An FCU's investments in CUSOs in existence prior to April 1, 1998, must conform with this part not later than April 1, 2001, unless the Board grants prior approval to continue such investment for a stated period.

(b) *Loans.* An FCU's loans to CUSOs in existence prior to April 1, 1998, must conform with this part not later than April 1, 2001, unless:

(1) The Board grants prior approval to continue the FCU's loan for a stated period; or

(2) Under the terms of its loan agreement, the FCU cannot require accelerated repayment without breaching the agreement.

§ 712.10 How can a state supervisory authority obtain an exemption for state chartered credit unions from compliance with § 712.3(d)(3)?

(a) The NCUA Board may exempt federally insured credit unions in a given state from compliance with § 712.3(d)(3) if the NCUA Board determines the laws and procedures available to the supervisory authority in that state are sufficient to provide NCUA with the degree of access to CUSO books and records it believes is necessary to evaluate the safety and soundness of credit unions having business relationships with CUSOs owned by credit union(s) chartered in that state.

(b) To obtain the exemption, the state supervisory authority must submit a copy of the legal authority pursuant to which it secures access to CUSO books and records to NCUA's re-

12 CFR Ch. VII (1–1–10 Edition)

gional office having responsibility for that state, along with all procedural and operational documentation supporting and describing the actual practices by which it implements and exercises the authority.

(c) The state supervisory authority must also provide the regional director with an assurance that NCUA examiners will be provided with co-extensive authority and will be allowed direct access to CUSO books and records at such times as NCUA, in its sole discretion, may determine necessary or appropriate. For purposes of this section, access includes the right to make and retain copies of any CUSO record, as to which NCUA will accord the same level of control and confidentiality that it uses with respect to all other examination-related materials it obtains in the course of its duties.

(d) The regional director will review the applicable authority, procedures and assurances and forward the exemption request, along with the regional director's recommendation, to the NCUA Board for a final determination.

(e) For purposes of this section, whether an entity is a CUSO shall be determined in accordance with the definition set out in § 741.222 of this chapter.

National Credit Union Administration

§ 713.5

§ 713.1 What is the scope of this section?

This section provides the requirements for fidelity bonds for Federal credit union employees and officials and for other insurance coverage for losses such as theft, holdup, vandalism, etc., caused by persons outside the credit union.

§ 713.2 What are the responsibilities of a credit union's board of directors under this section?

The board of directors of each Federal credit union must at least annually review its fidelity and other insurance coverage to ensure that it is adequate in relation to the potential risks facing the credit union and the minimum requirements set by the Board.

[64 FR 28720, May 27, 1999, as amended at 64 FR 57365, Oct. 25, 1999]

§ 713.3 What bond coverage must a credit union have?

At a minimum, your bond coverage must:

(a) Be purchased in an individual policy from a company holding a certificate of authority from the Secretary of the Treasury; and

(b) Include fidelity bonds that cover fraud and dishonesty by all employees,

directors, officers, supervisory committee members, and credit committee members.

§ 713.4 What bond forms may be used?

(a) A current listing of basic bond forms that may be used without prior NCUA Board approval is on NCUA's Web site, <http://www.ncua.gov>. If you are unable to access the NCUA website, you can get a current listing of approved bond forms by contacting NCUA's Public and Congressional Affairs Office, at (703) 518-6330.

(b) To use any of the following, you need prior written approval from the Board:

(1) Any other basic bond form; or

(2) Any rider or endorsement that limits coverage of approved basic bond forms.

[64 FR 28720, May 27, 1999, as amended at 70 FR 61716, Oct. 26, 2005; 73 FR 30478, May 28, 2008]

§ 713.5 What is the required minimum dollar amount of coverage?

(a) The minimum required amount of fidelity bond coverage for any single loss is computed based on a federal credit union's total assets.

Assets	Minimum bond
\$0 to \$4,000,000	Lesser of total assets or \$250,000.
\$4,000,001 to \$50,000,000	\$100,000 plus \$50,000 for each million or fraction thereof over \$1,000,000.
\$50,000,000 to \$500,000,000	\$2,550,000 plus \$10,000 for each million or fraction thereof over \$50,000,000, to a maximum of \$5,000,000.
Over \$500,000,000	One percent of assets, rounded to the nearest hundred million, to a maximum of \$9,000,000.

(b) This is the minimum coverage required, but a federal credit union's board of directors should purchase additional or enhanced coverage when its circumstances warrant. In making this determination, a board of directors should consider its own internal risk assessment, its fraud trends and loss experience, and factors such as its cash on hand, cash in transit, and the nature and risks inherent in any expanded services it offers such as wire transfer and remittance services.

(c) While the above is the required minimum amount of bond coverage,

credit unions should maintain increased coverage equal to the greater of either of the following amounts within thirty days of discovery of the need for such increase:

(1) The amount of the daily cash fund, i.e. daily cash plus anticipated daily money receipts on the credit union's premises, or

(2) The total amount of the credit union's money in transit in any one shipment.

(3) Increased coverage is not required pursuant to paragraph (c) of this section, however, when the credit union

§713.6

temporarily increased its cash fund because of unusual events which cannot reasonably be expected to recur.

(d) Any aggregate limit of liability provided for in a fidelity bond policy must be at least twice the single loss limit of liability. This requirement does not apply to optional insurance coverage.

(e) Any proposal to reduce your required bond coverage must be approved in writing by the NCUA Board at least

12 CFR Ch. VII (1–1–10 Edition)

twenty days in advance of the proposed effective date of the reduction.

[64 FR 28720, May 27, 1999, as amended at 70 FR 61716, Oct. 26, 2005]

§713.6 What is the permissible deductible?

(a)(1) The maximum amount of allowable deductible is computed based on a federal credit union's asset size and capital level, as follows:

Assets	Maximum deductible
\$0 to \$100,000	No deductible allowed.
\$100,001 to \$250,000	\$1,000.
\$250,000 to \$1,000,000	\$2,000.
Over \$1,000,000	\$2,000 plus 1/1000 of total assets up to a maximum of \$200,000; for credit unions over \$1 million in assets that qualify for NCUA's Regulatory Flexibility Program in Part 742, the maximum deductible is \$1,000,000.

(2) The deductibles may apply to one or more insurance clauses in a policy. Any deductibles in excess of the above amounts must receive the prior written permission of the NCUA Board.

(b) A deductible may not exceed 10 percent of a credit union's Regular Reserve unless a separate Contingency Reserve is set up for the excess. In computing the maximum deductible, valuation accounts such as the allowance for loan losses cannot be considered.

(c) A credit union's eligibility to qualify for a deductible in excess of \$200,000 is determined based on it having assets in excess of \$1 million as reflected in its most recent year-end 5300 call report and, as of that same year-end, qualifying for NCUA's Regulatory Flexibility Program under part 742 of this title as determined by its most recent examination report. A credit union that previously qualified for a deductible in excess of \$200,000, but that subsequently fails to qualify based on its most recent year-end 5300 call report because either its assets have decreased or it no longer meets the net worth requirements of part 742 of this title or fails to meet the CAMEL rating requirements of part 742 of this title as determined by its most recent examination report, must obtain the coverage otherwise required by paragraph (b) of this section within 30 days of filing its year-end call report and must

notify the appropriate NCUA regional office in writing of its changed status and confirm that it has obtained the required coverage.

[64 FR 28720, May 27, 1999, as amended at 70 FR 61716, Oct. 26, 2005]

§713.7 May the NCUA Board require a credit union to secure additional insurance coverage?

The NCUA Board may require additional coverage when the Board determines that a credit union's current coverage is inadequate. The credit union must purchase this additional coverage within 30 days.

§ 714.5

714.10 What other laws must you comply with when engaged in leasing?

AUTHORITY: 12 U.S.C. 1756, 1757, 1766, 1785, 1789.

SOURCE: 65 FR 34585, May 31, 2000, unless otherwise noted.

§ 714.1 What does this part cover?

This part covers the standards and requirements that you, a federal credit union, must follow when engaged in the leasing of personal property.

§ 714.2 What are the permissible leasing arrangements?

(a) You may engage in direct leasing. In direct leasing, you purchase personal property from a vendor, becoming the owner of the property at the request of your member, and then lease the property to that member.

(b) You may engage in indirect leasing. In indirect leasing, a third party leases property to your member and you then purchase that lease from the third party for the purpose of leasing the property to your member. You do not have to purchase the leased property if you comply with the requirements of § 714.3.

(c) You may engage in open-end leasing. In an open-end lease, your member assumes the risk and responsibility for any difference in the estimated residual value and the actual value of the property at lease end.

(d) You may engage in closed-end leasing. In a closed-end lease, you assume the risk and responsibility for any difference in the estimated residual value and the actual value of the property at lease end. However, your member is always responsible for any excess wear and tear and excess mileage charges as established under the lease.

§ 714.3 Must you own the leased property in an indirect leasing arrangement?

You do not have to own the leased property in an indirect leasing arrangement if:

(a) You obtain a full assignment of the lease. A full assignment is the assignment of all the rights, interests, obligations, and title in a lease to you, that is, you become the owner of the lease;

(b) You are named as the sole lienholder of the leased property;

(c) You receive a security agreement, signed by the leasing company, granting you a sole lien in the leased property and the right to take possession and dispose of the leased property in the event of a default by the lessee, a default in the leasing company's obligations to you, or a material adverse change in the leasing company's financial condition; and

(d) You take all necessary steps to record and perfect your security interest in the leased property. Your state's Commercial Code may treat the automobiles as inventory, and require a filing with the Secretary of State.

§ 714.4 What are the lease requirements?

(a) Your lease must be a net lease. In a net lease, your member assumes all the burdens of ownership including maintenance and repair, licensing and registration, taxes, and insurance;

(b) Your lease must be a full payout lease. In a full payout lease, you must reasonably expect to recoup your entire investment in the leased property, plus the estimated cost of financing, from the lessee's payments and the estimated residual value of the leased property at the expiration of the lease term; and

(c) The amount of the estimated residual value you rely upon to satisfy the full payout lease requirement may not exceed 25% of the original cost of the leased property unless the amount above 25% is guaranteed. Estimated residual value is the projected value of the leased property at lease end. Estimated residual value must be reasonable in light of the nature of the leased property and all circumstances relevant to the leasing arrangement.

§ 714.5 What is required if you rely on an estimated residual value greater than 25% of the original cost of the leased property?

If the amount of the estimated residual value you rely upon to satisfy the full payout lease requirement of § 714.4(b) exceeds 25% of the original cost of the leased property, a financially capable party must guarantee the excess. The guarantor may be the

§714.6

manufacturer. The guarantor may also be an insurance company with an A.M. Best rating of at least a B+, or with at least the equivalent of an A.M. Best B+ rating from another major rating company. You must obtain or have on file financial documentation demonstrating that the guarantor has the resources to meet the guarantee.

§714.6 Are you required to retain salvage powers over the leased property?

You must retain salvage powers over the leased property. Salvage powers protect you from a loss and provide you with the power to take action if there is an unanticipated change in conditions that threatens your financial position by significantly increasing your exposure to risk. Salvage powers allow you:

(a) As the owner and lessor, to take reasonable and appropriate action to salvage or protect the value of the property or your interests arising under the lease; or

(b) As the assignee of a lease, to become the owner and lessor of the leased property pursuant to your contractual rights, or take any reasonable and appropriate action to salvage or protect the value of the property or your interests arising under the lease.

§714.7 What are the insurance requirements applicable to leasing?

(a) You must maintain a contingent liability insurance policy with an endorsement for leasing or be named as the co-insured if you do not own the leased property. Contingent liability insurance protects you should you be sued as the owner of the leased property. You must use an insurance company with a nationally recognized industry rating of at least a B+.

(b) Your member must carry the normal liability and property insurance on the leased property. You must be named as an additional insured on the liability insurance policy and as the loss payee on the property insurance policy.

12 CFR Ch. VII (1–1–10 Edition)

§714.8 Are the early payment provisions, or interest rate provisions, applicable in leasing arrangements?

You are not subject to the early payment provisions set forth in §701.21(c)(6) of this chapter. You are also not subject to the interest rate provisions in §701.21(c)(7).

§714.9 Are indirect leasing arrangements subject to the purchase of eligible obligation limit set forth in §701.23 of this chapter?

Your indirect leasing arrangements are not subject to the eligible obligation limit if they satisfy the provisions of §701.23(b)(3)(iv) that require that you make the final underwriting decision and that the lease contract is assigned to you very soon after it is signed by the member and the dealer or leasing company.

§714.10 What other laws must you comply with when engaged in leasing?

You must comply with the Consumer Leasing Act, 15 U.S.C. 1667–67f, and its implementing regulation, Regulation M, 12 CFR part 213. You must comply with state laws on consumer leasing, but only to the extent that the state leasing laws are consistent with the Consumer Leasing Act, 15 U.S.C. 1667e, or provide the member with greater protections or benefits than the Consumer Leasing Act. You are also subject to the lending rules set forth in §701.21 of this chapter, except as provided in §714.8 and §714.9 of this part. The lending rules in §701.21 address the preemption of other state and federal laws that impact on credit transactions.

SOURCE: 64 FR 41035, July 29, 1999, unless otherwise noted.

§ 715.1 Scope of this part.

This part implements section 202(a)(6)(D) of the Federal Credit Union Act, 12 U.S.C. 1782(a)(6)(D), as added by section 201(a) of the Credit Union Membership Access Act, Pub. L. No. 105-219, 112 Stat. 918 (1998). This part prescribes the responsibilities of the Supervisory Committee to obtain an annual audit of the credit union according to its charter type and asset size, and to conduct a verification of members' accounts.

§ 715.2 Definitions used in this part.

As used in this part:

(a) *Balance sheet audit* refers to the examination of a credit union's assets, liabilities, and equity under generally accepted auditing standards (GAAS) by an independent public accountant for the purpose of opining on the fairness of the presentation on the balance sheet. Credit unions required to file call reports consistent with GAAP should ensure the audited balance sheet is likewise prepared on a GAAP basis. The opinion under this type of engagement would not address the fairness of the presentation of the credit union's income statement, statement of changes in equity (including comprehensive income), or statement of cash flows.

(b) *Compensated person* refers to any accounting/auditing professional, excluding a credit union employee, who is compensated for performing more than one supervisory committee audit and/or verification of members' accounts per calendar year.

(c) *Financial statements* refers to a presentation of financial data, includ-

ing accompanying notes, derived from accounting records of the credit union, and intended to disclose a credit union's economic resources or obligations at a point in time, or the changes therein for a period of time, in conformity with GAAP, as defined herein, or regulatory accounting procedures. Each of the following is considered to be a financial statement: a balance sheet or statement of financial condition; statement of income or statement of operations; statement of undivided earnings; statement of cash flows; statement of changes in members' equity; statement of revenue and expenses; and statement of cash receipts and disbursements.

(d) *Financial statement audit* (also known as an "opinion audit") refers to an audit of the financial statements of a credit union performed in accordance with GAAS by an independent person who is licensed by the appropriate State or jurisdiction. The objective of a financial statement audit is to express an opinion as to whether those financial statements of the credit union present fairly, in all material respects, the financial position and the results of its operations and its cash flows in conformity with GAAP, as defined herein, or regulatory accounting practices.

(e) *GAAP* is an acronym for "generally accepted accounting principles" which refers to the conventions, rules, and procedures which define accepted accounting practice. GAAP includes both broad general guidelines and detailed practices and procedures, provides a standard by which to measure financial statement presentations, and encompasses not only accounting principles and practices but also the methods of applying them.

(f) *GAAS* is an acronym for "generally accepted auditing standards" which refers to the standards approved and adopted by the American Institute of Certified Public Accountants which apply when an "independent, licensed certified public accountant" audits financial statements. Auditing standards differ from auditing procedures in that "procedures" address acts to be performed, whereas "standards" measure the quality of the performance of those acts and the objectives to be achieved by use of the procedures undertaken. In

addition, auditing standards address the auditor's professional qualifications as well as the judgment exercised in performing the audit and in preparing the report of the audit.

(g) *Independent* means the impartiality necessary for the dependability of the compensated auditor's findings. Independence requires the exercise of fairness toward credit union officials, members, creditors and others who may rely upon the report of a supervisory committee audit report.

(h) *Internal control* refers to the process, established by the credit union's board of directors, officers and employees, designed to provide reasonable assurance of reliable financial reporting and safeguarding of assets against unauthorized acquisition, use, or disposition. A credit union's internal control structure consists of five components: control environment; risk assessment; control activities; information and communication; and monitoring. Reliable financial reporting refers to preparation of Call Reports (NCUA Forms 5300 and 5310) that meet management's financial reporting objectives. Internal control over safeguarding of assets against unauthorized acquisition, use, or disposition refers to prevention or timely detection of transactions involving such unauthorized access, use, or disposition of assets which could result in a loss that is material to the financial statements.

(i) *Reportable conditions* refers to a matter coming to the attention of the independent, compensated auditor which, in his or her judgment, represents a significant deficiency in the design or operation of the internal control structure of the credit union, which could adversely affect its ability to record, process, summarize, and report financial data consistent with the representations of management in the financial statements.

(j) *Report on Examination of Internal Control over Call Reporting* refers to an engagement in which an independent, licensed, certified public accountant or public accountant, consistent with attestation standards, examines and reports on management's written assertions concerning the effectiveness of its internal control over financial reporting in its most recently filed semi-

annual or year-end Call Report, with a concentration in high risk areas. For credit unions, such high risk areas most often include: lending activity; investing activity; and cash handling and deposit-taking activity.

(k) *State-licensed person* refers to a certified public accountant or public accountant who is licensed by the State or jurisdiction where the credit union is principally located to perform accounting or auditing services for that credit union.

(l) *Supervisory committee* refers to a supervisory committee as defined in Section 111(b) of the Federal Credit Union Act, 12 U.S.C. 1761(b). For some federally-insured state chartered credit unions, the "audit committee" designated by state statute or regulation is the equivalent of a supervisory committee.

(m) *Supervisory committee audit* refers to an engagement under either §715.5 or §715.6 of this part.

(n) *Working papers* refers to the principal record, in any form, of the work performed by the auditor and/or supervisory committee to support its findings and/or conclusions concerning significant matters. Examples include the written record of procedures applied, tests performed, information obtained, and pertinent conclusions reached in the engagement, proprietary audit programs, analyses, memoranda, letters of confirmation and representation, abstracts of credit union documents, reviewer's notes, if retained, and schedules or commentaries prepared or obtained in the course of the engagement.

[64 FR 41035, July 29, 1999, as amended at 66 FR 65624, Dec. 20, 2001]

§715.3 General responsibilities of the Supervisory Committee.

(a) *Basic.* The supervisory committee is responsible for ensuring that the board of directors and management of the credit union—

(1) Meet required financial reporting objectives and

(2) Establish practices and procedures sufficient to safeguard members' assets.

(b) *Specific.* To carry out the responsibilities set forth in paragraph (a) of this section, the supervisory committee must determine whether:

National Credit Union Administration

§ 715.4

(1) Internal controls are established and effectively maintained to achieve the credit union's financial reporting objectives which must be sufficient to satisfy the requirements of the supervisory committee audit, verification of members' accounts and its additional responsibilities;

(2) The credit union's accounting records and financial reports are promptly prepared and accurately reflect operations and results;

(3) The relevant plans, policies, and control procedures established by the board of directors are properly administered; and

(4) Policies and control procedures are sufficient to safeguard against error, conflict of interest, self-dealing and fraud.

(c) *Mandates.* In carrying out the responsibilities set forth in paragraphs (a) and (b) of this section, the Supervisory Committee must:

(1) Ensure that the credit union adheres to the measurement and filing requirements for reports filed with the NCUA Board under § 741.6 of this chapter;

(2) Perform or obtain a supervisory committee audit, as prescribed in § 715.4 of this part;

(3) Verify or cause the verification of members' passbooks and accounts against the records of the credit union, as prescribed in § 715.8 of this part;

(4) Act to avoid imposition of sanctions for failure to comply with the requirements of this part, as prescribed in §§ 715.11 and 715.12 of this part.

[64 FR 41035, July 29, 1999, as amended at 69 FR 27828, May 17, 2004]

§ 715.4 Audit responsibility of the Supervisory Committee.

(a) *Annual audit requirement.* A federally-insured credit union is required to obtain an annual supervisory committee audit which occurs at least once every calendar year (period of performance) and must cover the period elapsed since the last audit period (period effectively covered).

(b) *Financial statement audit option.* Any federally-insured credit union, whether Federally- or State-chartered and regardless of asset size, may choose to fulfill its Supervisory Committee audit responsibility by obtaining an annual audit of its financial statements performed in accordance with GAAS by an independent person who is licensed to do so by the State or jurisdiction in which the credit union is principally located. (A "financial statement audit" is distinct from a "supervisory committee audit," although a financial statement audit is included among the options for fulfilling the supervisory committee audit requirement. *Compare* § 715.2(c) and (j).)

(c) *Other audit options.* A federally insured credit union which does not choose to obtain a financial statement audit as permitted by subsection (b) must fulfill its supervisory audit responsibility under either of § 715.5 or § 715.6 of this part, whichever is applicable. *See* Table 1. For purposes of this part, a credit union's asset size is the amount of total assets reported in the year-end Call Report (NCUA form 5300) filed for the calendar year-end immediately preceding the period under audit.

<i>Type of Charter</i>	<i>Asset Size</i>	<i>Minimum Audit Required to Fulfill Supervisory Committee Audit Responsibility¹</i>	<i>Part 715 section</i>
Federal charter	\$500 Million or more	Financial statement audit per GAAS by independent, State-licensed person	§ 715.5
	Less than \$500 Million but greater than \$10 Million	Either financial statement audit or other supervisory committee audit options	
	\$10 Million or less	Either of three supervisory committee audit options	
State charter	\$500 Million or more	Financial statement audit per GAAS by independent, State-licensed person	§ 715.6
	Less than \$500 Million	Either of three supervisory committee audit options unless audit prescribed by State law is more stringent.	

¹The Supervisory Committee audit responsibility under Part 715 can always be fulfilled by obtaining a financial statement audit. § 715.4(b).

§ 715.5 Audit of Federal Credit Unions.

(a) *Total assets of \$500 million or greater.* To fulfill its Supervisory Committee audit responsibility, a federal credit union having total assets of \$500 million or greater must obtain an annual audit of its financial statements performed in accordance with GAAS by an independent person who is licensed to do so by the State or jurisdiction in which the credit union is principally located.

(b) *Total assets of less than \$500 million but more than \$10 million.* To fulfill its Supervisory Committee audit responsibility, a Federally-chartered credit union having total assets of less than \$500 million but more than \$10 Million which does not choose to obtain an audit under § 715.5(a), must obtain an annual supervisory committee audit as prescribed in § 715.7.

(c) *Total assets of \$10 million or less.* To fulfill its Supervisory Committee audit responsibility, a Federally-chartered credit union having total assets of \$10 million or less must obtain an annual

Supervisory Committee audit as prescribed in § 715.7.

(d) *Other requirements.* A federally chartered credit union, regardless of which audit it is required to obtain under this section, must meet other applicable requirements of this part.

§ 715.6 Audit of Federally-insured State-chartered credit unions.

(a) *Total assets of \$500 million or greater.* To fulfill its Supervisory Committee audit responsibility, a federally-insured State-chartered credit union having total assets of \$500 million or greater must obtain an annual audit of its financial statements performed in accordance with GAAS by an independent person who is licensed to do so by the State or jurisdiction in which the credit union is principally located.

(b) *Total assets of less than \$500 million.* To fulfill its Supervisory Committee audit responsibility, a federally-insured State-chartered credit union having total assets of less than \$500 million must obtain either an annual supervisory committee audit as prescribed under either § 715.6(a) or § 715.7, or an audit as prescribed by the State or jurisdiction in which the credit

union is principally located, whichever audit is more stringent.

(c) *Other requirements.* A federally-insured, state-chartered credit union, regardless of which audit it is required to obtain under this section, must meet other applicable requirements of this part except §§ 715.5 and 715.12.

§ 715.7 Supervisory Committee audit alternatives to a financial statement audit.

A credit union which is not required to obtain a financial statement audit may fulfill its supervisory committee responsibility by any one of the following engagements:

(a) *Balance sheet audit.* A balance sheet audit, as defined in § 715.2(a), performed by a person who is licensed to do so by the State or jurisdiction in which the credit union is principally located; or

(b) *Report on Examination of Internal Control over Call Reporting.* An engagement and report on management's written assertions concerning the effectiveness of internal control over financial reporting in the credit union's most recently filed semiannual or year-end call report (NCUA Form 5300), as defined in § 715.2(j), performed by a person who is licensed to do so by the State or jurisdiction in which the credit union is principally located, and in which management specifies the criteria on which it based its evaluation of internal control; or

(c) *Audit per Supervisory Committee Guide.* An audit performed by the supervisory committee, its internal auditor, or any other qualified person (such as a certified public accountant, public accountant, league auditor, credit union auditor consultant, retired financial institutions examiner, etc.) in accordance with the procedures prescribed in NCUA's *Supervisory Committee Guide*. Qualified persons who are not State-licensed cannot provide assurance services under this subsection.

§ 715.8 Requirements for verification of accounts and passbooks.

(a) *Verification obligation.* The Supervisory Committee shall, at least once every two years, cause the passbooks (including any book, statements of account, or other record approved by the

NCUA Board) and accounts of the members to be verified against the records of the treasurer of the credit union.

(b) *Methods.* Any of the following methods may be used to verify members' passbooks and accounts, as appropriate:

(1) *Controlled verification.* A controlled verification of 100 percent of members' share and loan accounts;

(2) *Statistical method.* A sampling method which provides for:

(i) Random selection;

(ii) A sample which is representative of the population from which it was selected;

(iii) An equal chance of selecting each dollar in the population;

(iv) Sufficient accounts in both number and scope on which to base conclusions concerning management's financial reporting objectives; and

(v) Additional procedures to be performed if evidence provided by confirmations alone is not sufficient.

(3) *Non-statistical method.* When the verification is performed by an Independent person licensed by the State or jurisdiction in which the credit union is principally located, the auditor may choose among the sampling methods set forth in paragraphs (b)(1) and (2) of this section and non-statistical sampling methods consistent with GAAS if such methods provide for:

(i) Sufficient accounts in both number and scope on which to base conclusions concerning management's financial reporting objectives to provide assurance that the General Ledger accounts are fairly stated in relation to the financial statements taken as a whole;

(ii) Additional procedures to be performed by the auditor if evidence provided by confirmations alone is not sufficient; and

(iii) Documentation of the sampling procedures used and of their consistency with GAAS (to be provided to the NCUA Board upon request).

(c) *Retention of records.* The supervisory committee must retain the records of each verification of members' passbooks and accounts until it completes the next verification of members' passbooks and accounts.

§715.9

§715.9 Assistance from outside, compensated person.

(a) *Unrelated to officials.* A compensated auditor who performs a Supervisory Committee audit on behalf of a credit union shall not be related by blood or marriage to any management employee, member of either the board of directors, the Supervisory Committee or the credit committee, or loan officer of that credit union.

(b) *Engagement letter.* The engagement of a compensated auditor to perform all or a portion of the scope of a financial statement audit or supervisory committee audit shall be evidenced by an engagement letter. In all cases, the engagement must be contracted directly with the Supervisory Committee. The engagement letter must be signed by the compensated auditor and acknowledged therein by the Supervisory Committee prior to commencement of the engagement.

(c) *Contents of letter.* The engagement letter shall:

(1) Specify the terms, conditions, and objectives of the engagement;

(2) Identify the basis of accounting to be used;

(3) If a Supervisory Committee Guide audit, include an appendix setting forth the procedures to be performed;

(4) Specify the rate of, or total, compensation to be paid for the audit;

(5) Provide that the auditor shall, upon completion of the engagement, deliver to the Supervisory Committee a written report of the audit and notice in writing, either within the report or communicated separately, of any internal control reportable conditions and/or irregularities or illegal acts, if any, which come to the auditor's attention during the normal course of the audit (i.e., no notice required if none noted);

(6) Specify a target date of delivery of the written reports, such target date not to exceed 120 days from date of calendar or fiscal year-end under audit (period covered), unless the supervisory committee obtains a waiver from the supervising NCUA Regional Director;

(7) Certify that NCUA staff and/or the State credit union supervisor, or designated representatives of each, will be provided unconditional access to the complete set of original working papers, either at the offices of the credit

12 CFR Ch. VII (1–1–10 Edition)

union or at a mutually agreed upon location, for purposes of inspection; and

(8) Acknowledge that working papers shall be retained for a minimum of three years from the date of the written audit report.

(d) *Complete scope.* If the engagement is to perform a *Supervisory Committee Guide* audit intended to fully meet the requirements of §715.7(c), the engagement letter shall certify that the audit will address the complete scope of that engagement;

(e) *Exclusions from scope.* If the engagement is to perform a *Supervisory Committee Guide* audit which will exclude any item required by the applicable section, the engagement letter shall:

(1) Identify the excluded items;

(2) State that, because of the exclusion(s), the resulting audit will not, by itself, fulfill the scope of a supervisory committee audit; and

(3) Caution that the supervisory committee will remain responsible for fulfilling the scope of a supervisory committee audit with respect to the excluded items.

§715.10 Audit report and working paper maintenance and access.

(a) *Audit report.* Upon completion and/or receipt of the written report of a financial statement audit or a supervisory committee audit, the Supervisory Committee must verify that the audit was performed and reported in accordance with the terms of the engagement letter prescribed herein. The Supervisory Committee must submit the report(s) to the board of directors, and provide a summary of the results of the audit to the members of the credit union orally or in writing at the next annual meeting of the credit union. If a member so requests, the Supervisory Committee shall provide the member access to the full audit report. If the National Credit Union Administration ("NCUA") so requests, the Supervisory Committee shall provide NCUA a copy of each of the audit reports it receives or produces.

(b) *Working papers.* The supervisory committee shall be responsible for preparing and maintaining, or making available, a complete set of original

working papers supporting each supervisory committee audit. The supervisory committee shall, upon request, provide NCUA staff unconditional access to such working papers, either at the offices of the credit union or at a mutually agreeable location, for purposes of inspecting such working papers.

§ 715.11 Sanctions for failure to comply with this part.

(a) *Sanctions.* Failure of a supervisory committee and/or its independent compensated auditor or other person to comply with the requirements of this section, or the terms of an engagement letter required by this section, is grounds for:

(1) The regional director to reject the supervisory committee audit and provide a reasonable opportunity to correct deficiencies;

(2) The regional director to impose the remedies available in § 715.12, provided any of the conditions specified therein is present; and

(3) The NCUA Board to seek formal administrative sanctions against the supervisory committee and/or its independent, compensated auditor pursuant to section 206(r) of the Federal Credit Union Act, 12 U.S.C. 1786(r).

(b) *State Charters.* In the case of a federally-insured state chartered credit union, NCUA shall provide the state regulator an opportunity to timely impose a remedy satisfactory to NCUA before exercising its authority under § 741.202 of this chapter to impose a sanction permitted under paragraph (a) of this section.

§ 715.12 Statutory audit remedies for Federal credit unions.

(a) *Audit by alternative licensed person.* The NCUA Board may compel a federal credit union to obtain a supervisory committee audit which meets the minimum requirements of § 715.5 or § 715.7, and which is performed by an independent person who is licensed by the State or jurisdiction in which the credit union is principally located, for any fiscal year in which any of the following three conditions is present:

(1) The Supervisory Committee has not obtained an annual financial state-

ment audit or performed a supervisory committee audit; or

(2) The Supervisory Committee has obtained a financial statement audit or performed a supervisory committee audit which does not meet the requirements of part 715 including those in § 715.8.

(3) The credit union has experienced serious and persistent recordkeeping deficiencies as defined in paragraph (c) of this section.

(b) *Financial statement audit required.* The NCUA Board may compel a federal credit union to obtain a financial statement audit performed in accordance with GAAS by an independent person who is licensed by the State or jurisdiction in which the credit union is principally located (even if such audit is not required by § 715.5), for any fiscal year in which the credit union has experienced serious and persistent recordkeeping deficiencies as defined in paragraph (c) of this section. The objective of a financial statement audit performed under this paragraph is to reconstruct the records of the credit union sufficient to allow an unqualified or, if necessary, a qualified opinion on the credit union's financial statements. An adverse opinion or disclaimer of opinion should be the exception rather than the norm.

(c) *"Serious and persistent record-keeping deficiencies."* A record-keeping deficiency is "serious" if the NCUA Board reasonably believes that the board of directors and management of the credit union have not timely met financial reporting objectives and established practices and procedures sufficient to safeguard members' assets. A serious recordkeeping deficiency is "persistent" when it continues beyond a usual, expected or reasonable period of time.

§ 716.1 Purpose and scope.

(a) *Purpose.* This part governs the treatment of nonpublic personal information about consumers by the credit unions listed in paragraph (b) of this section. This part:

- (1) Requires a credit union to provide notice to members about its privacy policies and practices;
- (2) Describes the conditions under which a credit union may disclose nonpublic personal information about consumers to nonaffiliated third parties; and

(3) Provides a method for consumers to prevent a credit union from disclosing that information to most non-affiliated third parties by “opting out” of that disclosure, subject to the exceptions in §§ 716.13, 716.14, and 716.15.

(b) *Scope.* (1) This part applies only to nonpublic personal information about individuals who obtain financial products or services for personal, family or household purposes. This part does not apply to information about companies or about individuals who obtain financial products or services for business, commercial or agricultural purposes. This part applies to federally-insured credit unions. This part refers to a federally-insured credit union as “you” or “the credit union.”

(b)(1) *Clear and conspicuous* means that a notice is reasonably understandable and designed to call attention to the nature and significance of the information in the notice.

(2) *Examples.* (i) *Reasonably understandable.* You make your notice reasonably understandable if you:

(A) Present the information contained in the notice in clear, concise sentences, paragraphs and sections;

(B) Use short, explanatory sentences or bullet lists whenever possible;

(C) Use definite, concrete, everyday words and active voice whenever possible;

(D) Avoid multiple negatives;

(E) Avoid legal and highly technical business terminology wherever possible; and

(F) Avoid explanations that are imprecise and readily subject to different interpretations.

(iii) *Notices on websites.* If you provide notices on a web page, you design your notice to call attention to the nature and significance of the information in it if you use text or visual cues to encourage scrolling down the page if necessary to view the entire notice and ensure that other elements on the website (such as text graphics, hyperlinks or sound) do not distract attention from the notice, and you either:

(A) Place the notice on a screen frequently accessed by consumers, such as a home page or a page on which transactions are conducted; or

(B) Place a link on a screen frequently accessed by consumers, such as a home page or a page on which transactions are conducted, that connects directly to the notice and is labeled appropriately to convey the importance, nature and relevance of the notice.

(iii) If you hold ownership or servicing rights to an individual's loan, the individual is your consumer, even if you hold those rights in conjunction with one or more financial institutions. The individual is also a consumer with respect to the other financial institutions involved. This applies, even if you, or another financial institution with those rights, hire an agent to collect on the loan or to provide processing or other services.

(f) *Consumer reporting agency* has the same meaning as in section 603(f) of the Fair Credit Reporting Act (15 U.S.C. 1681a(f)).

Subpart A—Privacy and Opt Out Notices

§716.4 Initial privacy notice to consumers required.

(a) *Initial notice requirement.* You must provide a clear and conspicuous notice that accurately reflects your privacy policies and practices to a:

(1) *Member*, not later than when you establish a member relationship, except as provided in paragraph (e) of this section; and

(2) *Consumer*, before you disclose any nonpublic personal information about the consumer to any nonaffiliated third party, if you make such a disclosure other than as authorized by §§716.14 and 716.15.

(b) *When initial notice to a consumer is not required.* You are not required to provide an initial notice to a consumer under paragraph (a) of this section if:

(1) You do not disclose any nonpublic personal information about the consumer to any nonaffiliated third party, other than as authorized by §§716.14 and 716.15; and

(2) You do not have a member relationship with the consumer.

(c) *When you establish a member relationship*—(1) *General rule.* You establish a member relationship when you and the consumer enter into a continuing relationship.

(2) *Special rule for loans.* You establish a member relationship with a consumer when you originate, or acquire the servicing rights to a loan to the consumer for personal, household or family purposes and that is the only basis for the member relationship. If you subsequently transfer the servicing rights to that loan to another financial institution, the member relationship transfers with the servicing rights.

(3)(i) *Examples of establishing member relationship.* You establish a member relationship when the consumer:

(A) Becomes your member under your bylaws;

(B) Is a nonmember and opens a credit card account with you jointly with a member under your procedures;

(C) Is a nonmember and executes the contract to open a share or share draft account with you or obtains credit from you jointly with a member, including an individual acting as a guarantor;

(D) Is a nonmember and opens an account with you and you are a credit union designated as a low-income credit union;

(E) Is a nonmember and opens an account with you pursuant to state law and you are a state-chartered credit union.

(ii) *Examples of loan rule.* You establish a member relationship with a consumer who obtains a loan for personal, family, or household purposes when you:

(A) Originate the loan to the consumer and retain the servicing rights; or

(B) Purchase the servicing rights to the consumer's loan.

(d) *Existing members.* When an existing member obtains a new financial product or service that is to be used primarily for personal, family, or household purposes, you satisfy the initial notice requirements of paragraph (a) of this section as follows:

(1) You may provide a revised policy notice, under § 716.8, that covers the

member's new financial product or service; or

(2) If the initial, revised, or annual notice that you most recently provided to that member was accurate with respect to the new financial product or service, you do not need to provide a new privacy notice under paragraph (a) of this section.

(e) *Exceptions to allow subsequent delivery of notice.* (1) You may provide the initial notice required by paragraph (a)(1) of this section within a reasonable time after you establish a member relationship if:

(i) Establishing the member relationship is not at the member's election;

(ii) Providing notice not later than when you establish a member relationship would substantially delay the member's transaction and the member agrees to receive the notice at a later time.

(2) *Examples of exceptions.* (i) *Not at member's election.* Establishing a member relationship is not at the member's election if you acquire a member's deposit liability from another financial institution and the member does not have a choice about your acquisition.

(ii) *Substantial delay of member's transaction.* Providing notice not later than when you establish a member relationship would substantially delay the member's transaction when:

(A) You and the individual agree over the telephone to enter into a member relationship involving prompt delivery of the financial product or service; or

(B) You establish a member relationship with an individual under a program authorized by Title IV of the Higher Education Act of 1965 (20 U.S.C. 1070 *et seq.*) or similar student loan programs where loan proceeds are disbursed promptly without prior communication between you and the member.

(iii) *No substantial delay of member's transaction.* Providing notice not later than when you establish a member relationship would not substantially delay the member's transaction when the relationship is initiated in person at your office or through other means by which the member may view the notice, such as on a web site.

(f)(1) *Joint relationships.* If two or more consumers jointly obtain a financial product or service, other than a

§716.5

12 CFR Ch. VII (1–1–10 Edition)

loan, from you, you may satisfy the requirements of paragraph of this section by providing one initial notice to those consumers jointly.

(2) *Special rule for loans.* (i) You are required to provide an initial notice to a borrower or guarantor on a loan if you share his or her nonpublic personal information with nonaffiliated third parties other than for purposes under §§716.13, 716.14 and 716.15. (ii) You may satisfy the annual notice requirements of §716.5 by providing one notice to those borrowers and guarantors jointly.

(g) *Delivery.* When you are required to deliver an initial privacy notice by this section, you must deliver it according to the methods in §716.9. If you use a short-form initial notice for nonmember consumers according to §716.6(c), you may deliver your privacy notice according to §716.6(c)(3).

[65 FR 31740, May 18, 2000, as amended at 65 FR 36783, June 12, 2000]

§716.5 Annual privacy notice to members required.

(a)(1) *General rule.* You must provide a clear and conspicuous notice to members that accurately reflects your privacy policies and practices not less than annually during the continuation of the member relationship. *Annually* means at least once in any period of 12 consecutive months during which that relationship exists. You may define the 12-consecutive-month period, but you must apply it to the member on a consistent basis.

(2) *Example.* You provide a notice annually if you define the 12-consecutive-month period as a calendar year and provide the annual notice to the member once in each calendar year following the calendar year in which you provide the initial notice. For example, if a member opens an account on any day of year one, you must provide an annual notice to that member by December 31 of year two.

(b) (1) *Termination of member relationship.* You are not required to provide an annual notice to a former member.

(2) *Examples.* Your member becomes your former member when:

(i) An individual is no longer your member as defined in your bylaws;

(ii) In the case of a nonmember's share or share draft account, the account is inactive under the credit union's policies;

(iii) In the case of a nonmember's closed-end loan, the loan is paid in full, you charge off the loan, or you sell the loan without retaining servicing rights;

(iv) In the case of a credit card relationship or other open-end credit relationship with a nonmember, you no longer provide any statements or notices to the nonmember concerning that relationship or you sell the credit card receivables without retaining servicing rights; or

(v) You have not communicated with the nonmember about the relationship for a period of twelve consecutive months, other than to provide annual privacy notices or promotional material.

(c) *Delivery.* When you are required to deliver an annual privacy notice by this section, you must deliver it according to the methods in §716.9.

§716.6 Information to be included in privacy notices.

(a) *General rule.* The initial and annual privacy notices under §§716.4 and 716.5 must include each of the following items of information that applies to you or to the consumers to whom you send your privacy notice, in addition to any other information you wish to provide:

(1) The categories of nonpublic personal information that you collect;

(2) The categories of nonpublic personal information that you disclose;

(3) The categories of affiliates and nonaffiliated third parties to whom you disclose nonpublic personal information, other than those parties to whom you disclose information under §§716.14 and 716.15;

(4) The categories of nonpublic personal information about your former members that you disclose and the categories of affiliates and nonaffiliated third parties to whom you disclose it, other than those parties to whom you disclose information under §§716.14 and 716.15;

(5) If you disclose nonpublic personal information to a nonaffiliated third

§ 716.6

party under § 716.13 (and no other exception applies to that disclosure), a separate statement of the categories of information you disclose and the categories of third parties with whom you have contracted;

(6) An explanation of the consumer's right under § 716.10(a) to opt out of the disclosure of nonpublic personal information to nonaffiliated third parties, including the methods by which the consumer may exercise that right at that time;

(7) Any disclosures that you make under section 603(d)(2)(A)(iii) of the Fair Credit Reporting Act (15 U.S.C. 1681a(d)(2)(A)(iii)) (that is, notices regarding the ability to opt out of disclosure of information among affiliates);

(8) Your policies and practices with respect to protecting the confidentiality and security of nonpublic personal information; and

(9) Any disclosures you make under paragraph (b) of this section.

(b) *Description of nonaffiliated third parties subject to exceptions.* If you disclose nonpublic personal information to third parties as authorized under §§ 716.14 and 716.15, you are not required to list those exceptions in the initial or annual privacy notices required by §§ 716.4 and 716.5. When describing the categories with respect to those parties, it is sufficient to state that you make disclosures to other nonaffiliated companies:

(1) For your everyday business purposes, such as *[include all that apply]* to process transactions, maintain account(s), respond to court orders and legal investigations, or report to credit bureaus; or

(2) As permitted by law.

(c) *Short-form initial notice with opt out notice for nonmember consumers.* (1) You may satisfy the initial notice requirements in §§ 716.4(a)(2), 716.7(b), and 716.7(c) for a consumer who is not a member by providing a short-form initial notice at the same time as you deliver an opt out notice as required in § 716.7.

(2) A short-form initial notice must:

(i) Be clear and conspicuous;

(ii) State that your privacy notice is available upon request; and

(iii) Explain a reasonable means by which the consumer may obtain that notice.

(3) You must deliver your short-form initial notice according to § 716.9. You are not required to deliver your privacy notice with your short form initial notice. You instead may simply provide the consumer a reasonable means to obtain your privacy notice. If a consumer who receives your short-form notice requests your privacy notice, you must deliver your privacy notice according to § 716.9.

(4) *Examples of obtaining privacy notice.* You provide a reasonable means by which a consumer may obtain a copy of your privacy notice if you:

(i) Provide a toll-free telephone number that the consumer may call to request the notice; or

(ii) For a consumer who conducts business in person at your office, maintain copies of the notice on hand that you provide to a consumer immediately upon request.

(d) *Future disclosures.* Your notice may include:

(1) Categories of nonpublic personal information that you reserve the right to disclose in the future, but do not currently disclose; and

(2) Categories of affiliates or nonaffiliated third parties to whom you reserve the right in the future to disclose, but to whom you do not currently disclose, nonpublic personal information.

(e) *Examples—(1) Categories of nonpublic personal information that you collect.* You satisfy the requirement to categorize the nonpublic personal information that you collect if you list the following categories, as applicable:

(i) Information from the consumer;

(ii) Information about the consumer's transactions with you or your affiliates;

(iii) Information about the consumer's transactions with nonaffiliated third parties; and

(iv) Information from a consumer reporting agency.

(2) *Categories of nonpublic personal information you disclose.* (i) You satisfy the requirement to categorize the nonpublic personal information that you

§716.7

12 CFR Ch. VII (1–10 Edition)

disclose if you list the categories described in paragraph (e)(1) of this section, as applicable, and a few examples to illustrate the types of information in each category.

(ii) If you reserve the right to disclose all of the nonpublic personal information about consumers that you collect, you may simply state that fact without describing the categories or examples of the nonpublic personal information you disclose.

(3) *Categories of affiliates and non-affiliated third parties to whom you disclose.* You satisfy the requirement to categorize the affiliates and non-affiliated third parties to whom you disclose nonpublic personal information if you list the following categories, as applicable, and a few examples to illustrate the types of third parties in each category.

- (i) Financial service providers;
- (ii) Non-financial companies; and
- (iii) Others.

(4) *Disclosures under exception for service providers and joint marketers.* If you disclose nonpublic personal information under the exception in §716.13 to a nonaffiliated third party to market products or services that you offer alone or jointly with another financial institution, you satisfy the disclosure requirement of paragraph (a)(5) of this section if you:

(i) List the categories of nonpublic personal information you disclose, using the same categories and examples you used to meet the requirements of paragraphs (a)(2) of this section, as applicable; and

(ii) State whether the third party is:

(A) A service provider that performs marketing services on your behalf or on behalf of you and another financial institution; or

(B) A financial institution with whom you have a joint marketing agreement.

(5) *Simplified notices.* If you do not disclose, and do not intend to disclose, nonpublic personal information about members or former members to affiliates or nonaffiliated third parties except as authorized under §§716.14 and 716.15, you may simply state that fact, in addition to the information you must provide under paragraphs (a)(1), (a)(8), (a)(9) and (c) of this section.

(6) *Confidentiality and security.* You describe your policies and practices with respect to protecting the confidentiality and security of nonpublic personal information if you do both of the following:

(i) Describe in general terms who is authorized to have access to the information.

(ii) State whether you have security practices and procedures in place to ensure the confidentiality of the information in accordance with your policy. You are not required to describe technical information about the safeguards you use.

(7) *Joint notice with affiliates.* You may provide a joint notice from you and one or more of your affiliates or other financial institutions, as specified in the notice, as long as the notice is accurate with respect to you and the other institution.

(f) *Model privacy form.* Pursuant to §716.2(a) of this part, a model privacy form that meets the notice content requirements of this section is included in appendix A of this part.

(g) *Sample clauses.* Sample clauses illustrating some of the notice content required by this section are included in appendix B of this part. Use of a sample clause in a privacy notice provided on or before December 31, 2010, to the extent applicable, constitutes compliance with this part.

EFFECTIVE DATE NOTE: At 74 FR 62955, Dec. 1, 2009, §716.6 was amended by removing (g), effective Jan. 1, 2012.

§716.7 Form of opt out notice to consumers and opt out methods.

(a)(1) *Form of opt out notice.* If you are required to provide an opt out notice under §716.10(a)(1), you must provide a clear and conspicuous notice to each of your consumers that accurately explains the right to opt out under that section. The notice must state:

(i) That you disclose or reserve the right to disclose nonpublic personal information about your consumer to a nonaffiliated third party;

(ii) That the consumer has the right to opt out of that disclosure; and

(iii) A reasonable means by which the consumer may exercise the opt out right.

(2) *Examples.* (i) *Adequate opt out notice.* You provide adequate notice that the consumer can opt out of the disclosure of nonpublic personal information to a nonaffiliated third party if you:

(A) Identify all of the categories of nonpublic personal information that you disclose or reserve the right to disclose and all of the categories of nonaffiliated third parties to whom you disclose the information, as described in § 716.6(a)(2) and (3) and state that the consumer can opt out of the disclosure of that information; and

(B) Identify the financial products or services that the consumer obtains from you, either singly or jointly, to which the opt out direction would apply.

(ii) *Reasonable opt out means.* You provide a reasonable means to exercise an opt out right if you:

(A) Designate check-off boxes in a prominent position on the relevant forms with the opt out notice;

(B) Include a reply form together with the opt out notice;

(C) Provide an electronic means to opt out, such as a form that can be sent via electronic mail or a process at your web site, if the consumer agrees to the electronic delivery of information; or

(D) Provide a toll-free telephone number that consumers may call to opt out.

(iii) *Unreasonable opt out means.* You do not provide a reasonable means of opting out if:

(A) The only means of opting out is for the consumer to write his or her own letter to exercise that opt out right; or

(B) The only means of opting out as described in any notice subsequent to the initial notice is to use a check-off box that was provided with the initial notice but not included with the subsequent notice.

(iv) *Specific opt out means.* You may require each consumer to opt out through a specific means, as long as that means is reasonable for that consumer.

(b) *Same form as initial notice permitted.* You may provide the opt out notice together with or on the same writ-

ten or electronic form as the initial notice you provide in accordance with § 716.4.

(c) *Initial notice required when opt out notice delivered subsequent to initial notice.* If you provide the opt out notice later than required for the initial notice in accordance with § 716.4, you must also include a copy of the initial notice in writing or, if the consumer agrees, electronically.

(d) *Joint relationships.* (1) If two or more consumers jointly obtain a financial product or service, other than a loan, from you, you may provide only a single opt out notice. Your opt out notice must explain how you will treat an opt out direction by a joint consumer as explained in the examples in paragraph (d)(5) of this section.

(2) Any of the joint consumers may exercise the right to opt out. You may either:

(i) Treat an opt out direction by a joint consumer to apply to all of the associated joint consumers; or

(ii) Permit each joint consumer to opt out separately.

(3) If you permit each joint consumer to opt out separately, you must permit one of the joint consumers to opt out on behalf of all of the joint consumers.

(4) You may not require all joint consumers to opt out before you implement any opt out direction.

(5) *Example.* If John and Mary have a joint share account with you and arrange for you to send statements to John's address, you may do any of the following, but you must explain in your opt out notice which opt out policy you will follow:

(i) Send a single opt out notice to John's address, but you must accept an opt out direction from either John or Mary.

(ii) Treat an opt out direction by either John or Mary as applying to the entire account. If you do so, and John opts out, you may not require Mary to opt out as well before implementing John's opt out direction.

(iii) Permit John and Mary to make different opt out directions. If you do so, and if John and Mary both opt out, you must permit one or both of them to notify you in a single response (such as on a form or through a telephone call).

§716.8

12 CFR Ch. VII (1–1–10 Edition)

(6) *Special rule for loans.* (i) You are required to provide an initial opt out notice to a borrower or guarantor on a loan if you share his or her nonpublic personal information with non-affiliated third parties other than for purposes under §§716.13, 716.14 and 716.15.

(ii) You may satisfy your annual opt out notice requirement by providing one notice to those borrowers and guarantors jointly.

(e) *Time to comply with opt out.* You must comply with the consumer's opt out direction as soon as reasonably practicable after you receive it.

(f) *Continuing right to opt out.* A consumer may exercise the right to opt out at any time.

(g) *Duration of consumer's opt out direction.* (1) A consumer's direction to opt out under this section is effective until the consumer revokes it in writing or, if the consumer agrees, electronically.

(2) When a member relationship terminates, the member's opt out direction continues to apply to the nonpublic personal information that you collected during or related to the relationship. If the individual subsequently establishes a new member relationship with you, the opt out direction that applied to the former relationship does not apply to the new relationship.

(h) *Delivery.* When you are required to deliver an opt out notice by this section, you must deliver it according to the methods in §716.9.

(i) *Model privacy form.* Pursuant to §716.2(a) of this part, a model privacy form that meets the notice content requirements of this section is included in appendix A of this part.

[65 FR 31740, May 18, 2000, as amended at 65 FR 36783, June 12, 2000; 74 FR 62956, Dec. 1, 2009]

§716.8 Revised privacy notices.

(a) *General rule.* Except as otherwise authorized in this part, you must not, directly or through any affiliate, disclose any nonpublic personal information about a consumer to a non-affiliated third party other than as described in the initial notice that you provided to that consumer under §716.4, unless:

(1) You have provided to the consumer a revised notice that accurately describes your policies and practices;

(2) You have provided to the consumer a new opt out notice;

(3) You have given the consumer a reasonable opportunity, before you disclose the information to the non-affiliated third party, to opt out of the disclosure; and

(4) The consumer does not opt out.

(b) *Examples.* (1) Except as otherwise permitted by §§716.13, 716.14 and 716.15, you must provide a revised notice if you—

(i) Disclose a new category of nonpublic personal information to any nonaffiliated third party;

(ii) Disclose nonpublic personal information to a new category of nonaffiliated third party; or

(iii) Disclose nonpublic personal information about a former member to a nonaffiliated third party, and that former member has not had the opportunity to exercise an opt out right regarding that disclosure.

(2) A revised notice is not required if you disclose nonpublic personal information to a new nonaffiliated third party that you adequately described in your prior notice.

(c) *Delivery.* When you are required to deliver a revised privacy notice by this section, you must deliver it according to the methods in §716.9.

§716.9 Delivering privacy and opt out notices.

(a) *How to provide notices.* You must provide any privacy notices and opt out notices, including short-form initial notices, that this part requires so that each consumer can reasonably be expected to receive actual notice in writing or, if the consumer agrees, electronically.

(b) (1) *Examples of reasonable expectation of actual notice.* You may reasonably expect that a consumer will receive actual notice if you:

(i) Hand-deliver a printed copy of the notice to the consumer;

(ii) Mail a printed copy of the notice to the last known address of the consumer;

(iii) For the consumer who conducts transactions electronically, post the

National Credit Union Administration

§ 716.10

notice on the electronic site and require the consumer to acknowledge receipt of the notice as a necessary step to obtaining a particular financial product or service;

(iv) For an isolated transaction with the consumer, such as an ATM transaction, post the notice on the ATM screen and require the consumer to acknowledge receipt of the notice as a necessary step to obtaining the particular financial product or service.

(2) *Examples of unreasonable expectations of actual notice.* You may not, however, reasonably expect that a consumer will receive actual notice if you:

(i) Only post a sign in your branch or office or generally publish advertisements of your privacy policies and practices;

(ii) Send the notice via electronic mail to a consumer who does not obtain a financial product or service from you electronically.

(c) *Annual notices only.* You may reasonably expect that a member will receive actual notice of your annual privacy notice if:

(1) The member uses your web site to access financial products and services electronically and agrees to receive notices at your web site and you post your current privacy notice continuously in a clear and conspicuous manner on your web site; or

(2) The member has requested that you refrain from sending any information regarding the member relationship, and your current privacy notice remains available to the member upon request.

(d) *Oral description of notice insufficient.* You may not provide any notice required by this part solely by orally explaining the notice, either in person or over the telephone.

(e) *Retention or accessibility of notices for members.* (1) For members only, you must provide the initial notice required by § 716.4 (a)(1), the annual notice required by § 716.5(a) and the revised notice required by § 716.8 so that the member can retain them or obtain them later in writing or, if the member agrees, electronically.

(2) *Examples of retention or accessibility.* You provide the privacy notice to the member so that the member can retain it or obtain it later if you:

(i) Hand-deliver a printed copy of the notice to the member;

(ii) Mail a printed copy of the notice to the last known address of the member upon request of the member; or

(iii) Make your current privacy notice available on a web site (or a link to another web site) for the member who obtains a financial product or service electronically and agrees to receive the notice at the web site.

Subpart B—Limits on Disclosures

§ 716.10 Limits on disclosure of non-public personal information to non-affiliated third parties.

(a) (1) *Conditions for disclosure.* Except as otherwise authorized in this part, you may not, directly or through any affiliate, disclose any nonpublic personal information about a consumer to a nonaffiliated third party unless:

(i) You have provided to the consumer an initial notice as required under § 716.4;

(ii) You have provided to the consumer an opt out notice as required in § 716.7;

(iii) You have given the consumer a reasonable opportunity, before you disclose the information to the non-affiliated third party, to opt out of the disclosure; and

(iv) The consumer does not opt out.

(2) *Opt out definition.* Opt out means a direction by the consumer that you not disclose nonpublic personal information about that consumer to a non-affiliated third party, other than as permitted by §§ 716.13, 716.14 and 716.15.

(3) *Examples of reasonable opportunity to opt out.* You provide a consumer with a reasonable opportunity to opt out if:

(i) *By mail.* You mail the notices required in paragraph (a)(1) of this section to the consumer and allow the consumer to opt out by mailing a form, calling a toll-free telephone number, or any other reasonable means within 30 days from the date you mailed the notices.

(ii) *By electronic means.* A member opens an on-line account with you and agrees to receive the notices required in paragraph (a)(1) of this section electronically, and you make the notices available to the member on your web site and allow the member to opt out

§716.11

12 CFR Ch. VII (1–1–10 Edition)

by any reasonable means within 30 days after the date that the member acknowledges receipt of the notices.

(iii) *Isolated transaction with consumer.* For an isolated transaction, such as the purchase of a traveler's check by a consumer, you provide the consumer with a reasonable opportunity to opt out if you provide the notices required in paragraph (a)(1) of this section at the time of the transaction and request that the consumer decide, as a necessary part of the transaction, whether to opt out before completing the transaction.

(b) *Application of opt out to all consumers and all nonpublic personal information.* (1) You must comply with this section, regardless of whether you and the consumer have established a member relationship.

(2) Unless you comply with this section, you may not, directly or through an affiliate, disclose any nonpublic personal information about a consumer that you have collected, regardless of whether you collected it before or after receiving the direction to opt out from the consumer.

(c) *Partial opt out.* You may allow a consumer to select certain nonpublic personal information or certain non-affiliated third parties with respect to which the consumer wishes to opt out.

§716.11 Limits on redisclosure and reuse of information.

(a)(1) *Information you receive under an exception.* If you receive nonpublic personal information from a nonaffiliated financial institution under an exception in §716.14 or 716.15 of this part, your disclosure and use of that information is limited as follows:

(i) You may disclose the information to the affiliates of the financial institution from which you received the information; and

(ii) You may disclose the information to your affiliates, but your affiliates may, in turn, disclose and use the information only to the extent that you may disclose and use the information; and

(iii) You may disclose and use the information pursuant to an exception in §716.14 or 716.15 in the ordinary course of business to carry out the activity

covered by the exception under which you received the information.

(2) *Example.* If you receive a member list from a credit union in order to provide correspondent services under the exception in §716.14(a), you may disclose that information under any exception in §716.14 or 716.15 in order to provide those services. For example, you could disclose the information in response to a properly authorized subpoena or to your attorneys, accountants, and auditors. You could not disclose that information to a third party for marketing purposes or use that information for your own marketing purposes.

(b)(1) *Information you receive outside of an exception.* If you receive nonpublic personal information from a non-affiliated financial institution other than under an exception in §716.14 or 716.15 of this part, you may disclose the information only:

(i) To the affiliates of the financial institution from which you received the information;

(ii) To your affiliates, but your affiliates may, in turn, disclose the information only to the extent that you can disclose the information;

(iii) To any other person, if the disclosure would be lawful if made directly to that person by the financial institution from which you received the information; and

(iv) Pursuant to an exception in §716.14 or 716.15.

(2) *Example.* If you obtain a customer list from a nonaffiliated financial institution outside of the exceptions in §§716.14 and 716.15,

(i) You may use the list for your own purposes;

(ii) You may disclose that list to another non-affiliated third party only if the financial institution from which you purchased the list could have disclosed the list to that third party, that is you may disclose the list in accordance with the privacy policy of the financial institution from which you received the list, as limited by the opt out direction of each consumer whose nonpublic personal information you intend to disclose; and

(iii) You may disclose that list as permitted by §716.14 or 716.15, such as to your attorneys or accountants.

(c) *Information you disclose under an exception.* If you disclose nonpublic personal information to a nonaffiliated third party under an exception in § 716.14 or 716.15 of this part, the disclosure and use of that information by the third party is limited as follows:

(1) The third party may disclose the information to your affiliates;

(2) The third party may disclose the information to its affiliates, but its affiliates may, in turn, disclose and use the information only to the extent that the third party may disclose and use the information; and

(3) The third party may disclose and use the information pursuant to an exception in § 716.14 or 716.15 in the ordinary course of business to carry out the activity covered by the exception under which it received the information.

(d) *Information you disclose outside of an exception.* If you disclose nonpublic personal information to a nonaffiliated third party other than under an exception in § 716.14 or 716.15 of this part, the third party may disclose the information only:

(1) To your affiliates;

(2) To its affiliates, but its affiliates, in turn, may disclose the information only to the extent the third party can disclose the information;

(3) To any other person, if the disclosure would be lawful if made directly to that person by you; and

(4) Pursuant to an exception in § 716.14 or 716.15.

§ 716.12 Limits on sharing of account number information for marketing purposes.

(a) *General prohibition on disclosure of account numbers.* You must not, directly or through an affiliate, disclose, other than to a consumer reporting agency, an account number or similar form of access number or access code for a consumer's credit card account, share account or transaction account to any nonaffiliated third party for use in telemarketing, direct mail marketing or other marketing through electronic mail to the consumer.

(b) *Exceptions.* Paragraph (a) of this section does not apply if you disclose an account number or similar form of access number or access code:

(1) To your agent or service provider solely in order to perform marketing for your own products or services, as long as the agent or service provider cannot directly initiate charges to the account; or

(2) To a participant in a private label credit card program or an affinity or similar program where the participants in the program are identified to the member when the member enters into the program.

(c) *Examples—*(1) *Account number.* An account number, or similar form of access number or access code, does not include a number or code in an encrypted form, as long as you do not provide the recipient with a means to decode the number or code.

(2) *Transaction account.* A transaction account is an account other than a share or credit card account. A transaction account does not include an account to which a third party cannot initiate a charge.

Subpart C—Exceptions

§ 716.13 Exception to opt out requirements for service providers and joint marketing.

(a) *General rule.* (1) The opt out requirements in §§ 716.7 and 716.10 do not apply when you provide nonpublic personal information to a nonaffiliated third party to perform services for you or functions on your behalf, if you:

(i) Provide the initial notice in accordance with § 716.4; and

(ii) Enter into a contractual agreement with the third party that prohibits the third party from disclosing or using the information other than to carry out the purposes for which you disclosed the information, including use under an exception in § 716.14 or 716.15 in the ordinary course of business to carry out those purposes.

(2) *Example.* If you disclose nonpublic personal information under this section to a financial institution with which you perform joint marketing, your contractual agreement with that institution meets the requirements of paragraph (a)(1)(ii) of this section if it prohibits the institution from disclosing or using the nonpublic personal information except as necessary to carry out the joint marketing or under

§716.14

12 CFR Ch. VII (1–1–10 Edition)

an exception in §716.14 or 716.15 in the ordinary course of business to carry out that joint marketing.

(b) *Service may include joint marketing.* The services that a nonaffiliated third party performs for you under paragraph (a) of this section may include marketing of your own products or services or marketing of financial products or services offered pursuant to joint agreements between you and one or more financial institutions.

(c) *Definition of joint agreement.* For purposes of this section, *joint agreement* means a written contract pursuant to which you and one or more financial institutions jointly offer, endorse, or sponsor a financial product or service.

§716.14 Exceptions to notice and opt out requirements for processing and servicing transactions.

(a) *Exceptions for processing transactions at consumer's request.* The requirements for initial notice in §716.4(a)(2), the opt out in §§716.7 and 716.10 and service providers and joint marketing in §716.13 do not apply if you disclose nonpublic personal information as necessary to effect, administer, or enforce a transaction that a consumer requests or authorizes, or in connection with:

(1) Servicing or processing a financial product or service that a consumer requests or authorizes;

(2) Maintaining or servicing the consumer's account with you, or with another entity as part of a private label credit card program or other extension of credit on behalf of such entity; or

(3) A proposed or actual securitization, secondary market sale (including sales of servicing rights) or similar transaction related to a transaction of the consumer.

(b) *Necessary to effect, administer, or enforce a transaction* means that the disclosure is:

(1) Required, or is one of the lawful or appropriate methods, to enforce your rights or the rights of other persons engaged in carrying out the financial transaction or providing the product or service; or

(2) Required, or is a usual, appropriate or acceptable method:

(i) To carry out the transaction or the product or service business of

which the transaction is a part, and record, service or maintain the consumer's account in the ordinary course of providing the financial service or financial product;

(ii) To administer or service benefits or claims relating to the transaction or the product or service business of which it is a part;

1. How the Model Privacy Form Is Used

(a) The model form may be used, at the option of a financial institution, including a group of financial institutions that use a common privacy notice, to meet the content requirements of the privacy notice and opt-out notice set forth in §§716.6 and 716.7 of this part.

(b) The model form is a standardized form, including page layout, content, format, style, pagination, and shading. Institutions seeking to obtain the safe harbor through use of the model form may modify it only as described in these Instructions.

(c) Note that disclosure of certain information, such as assets, income, and information from a consumer reporting agency, may give rise to obligations under the Fair Credit Reporting Act [15 U.S.C. 1681–1681x] (FCRA), such as a requirement to permit a consumer to opt out of disclosures to affiliates or designation as a consumer reporting agency if disclosures are made to nonaffiliated third parties.

(d) The word “customer” may be replaced by the word “member” whenever it appears in the model form, as appropriate.

2. The Contents of the Model Privacy Form

The model form consists of two pages, which may be printed on both sides of a single sheet of paper, or may appear on two separate pages. Where an institution provides a long list of institutions at the end of the model form in accordance with Instruction C.3(a)(1), or provides additional information in accordance with Instruction C.3(c), and such list or additional information exceeds the space available on page two of the model form, such list or additional information may extend to a third page.

(a) *Page One.* The first page consists of the following components:

- (1) Date last revised (upper right-hand corner).
- (2) Title.
- (3) Key frame (Why?, What?, How?).
- (4) Disclosure table (“Reasons we can share your personal information”).
- (5) “To limit our sharing” box, as needed, for the financial institution’s opt-out information.
- (6) “Questions” box, for customer service contact information.
- (7) Mail-in opt-out form, as needed.

(b) *Page Two.* The second page consists of the following components:

- (1) Heading (Page 2).
- (2) Frequently Asked Questions (“Who we are” and “What we do”).
- (3) Definitions.
- (4) “Other important information” box, as needed.

3. The Format of the Model Privacy Form

The format of the model form may be modified only as described below.

(a) *Easily readable type font.* Financial institutions that use the model form must use an easily readable type font. While a number of factors together produce easily readable type font, institutions are required to use a minimum of 10-point font (unless otherwise expressly permitted in these Instructions) and sufficient spacing between the lines of type.

(b) *Logo.* A financial institution may include a corporate logo on any page of the notice, so long as it does not interfere with the readability of the model form or the space constraints of each page.

(c) *Page size and orientation.* Each page of the model form must be printed on paper in portrait orientation, the size of which must be sufficient to meet the layout and minimum font size requirements, with sufficient white space on the top, bottom, and sides of the content.

(d) *Color.* The model form must be printed on white or light color paper (such as cream) with black or other contrasting ink color. Spot color may be used to achieve visual interest, so long as the color contrast is distinctive and the color does not detract from the readability of the model form. Logos may also be printed in color.

(e) *Languages.* The model form may be translated into languages other than English.

C. Information Required in the Model Privacy Form

The information in the model form may be modified only as described below:

1. Name of the Institution or Group of Affiliated Institutions Providing the Notice

Insert the name of the financial institution providing the notice or a common identity of affiliated institutions jointly providing the notice on the form wherever [name of financial institution] appears.

2. Page One

(a) *Last revised date.* The financial institution must insert in the upper right-hand corner the date on which the notice was last revised. The information shall appear in minimum 8-point font as “rev. [month/year]” using either the name or number of the month, such as “rev. July 2009” or “rev. 7/09”.

(b) *General instructions for the “What?” box.*

(1) The bulleted list identifies the types of personal information that the institution collects and shares. All institutions must use the term “Social Security number” in the first bullet.

(2) Institutions must use five (5) of the following terms to complete the bulleted list: income; account balances; payment history; transaction history; transaction or loss history; credit history; credit scores; assets; investment experience; credit-based insurance scores; insurance claim history; medical information; overdraft history; purchase history; account transactions; risk tolerance; medical-related debts; credit card or other debt; mortgage rates and payments; retirement assets; checking account information; employment information; wire transfer instructions.

(c) *General instructions for the disclosure table.* The left column lists reasons for sharing or using personal information. Each reason correlates to a specific legal provision described in paragraph C.2(d) of this Instruc-

tion. In the middle column, each institution must provide a “Yes” or “No” response that accurately reflects its information sharing policies and practices with respect to the reason listed on the left. In the right column, each institution must provide in each box one of the following three (3) responses, as applicable, that reflects whether a consumer can limit such sharing: “Yes” if it is required to or voluntarily provides an opt-out; “No” if it does not provide an opt-out; or “We don’t share” if it answers “No” in the middle column. Only the sixth row (“For our affiliates to market to you”) may be omitted at the option of the institution. See paragraph C.2(d)(6) of this Instruction.

(d) *Specific disclosures and corresponding legal provisions.*

(1) *For our everyday business purposes.* This reason incorporates sharing information under §§716.14 and 716.15 and with service providers pursuant to §716.13 of this part other than the purposes specified in paragraphs C.2(d)(2) or C.2(d)(3) of these Instructions.

(2) *For our marketing purposes.* This reason incorporates sharing information with service providers by an institution for its own marketing pursuant to §716.13 of this part. An institution that shares for this reason may choose to provide an opt-out.

(3) *For joint marketing with other financial companies.* This reason incorporates sharing information under joint marketing agreements between two or more financial institutions and with any service provider used in connection with such agreements pursuant to §716.13 of this part. An institution that shares for this reason may choose to provide an opt-out.

(4) *For our affiliates’ everyday business purposes—information about transactions and experiences.* This reason incorporates sharing information specified in sections 603(d)(2)(A)(i) and (ii) of the FCRA. An institution that shares for this reason may choose to provide an opt-out.

(5) *For our affiliates’ everyday business purposes—information about creditworthiness.* This reason incorporates sharing information pursuant to section 603(d)(2)(A)(iii) of the FCRA. An institution that shares for this reason must provide an opt-out.

(6) *For our affiliates to market to you.* This reason incorporates sharing information specified in section 624 of the FCRA. This reason may be omitted from the disclosure table when: the institution does not have affiliates (or does not disclose personal information to its affiliates); the institution’s affiliates do not use personal information in a manner that requires an opt-out; or the institution provides the affiliate marketing notice separately. Institutions that include this reason must provide an opt-out of indefinite duration. An institution that is required to provide an affiliate marketing opt-

out, but does not include that opt-out in the model form under this part, must comply with section 624 of the FCRA and 12 CFR part 717, subpart C, with respect to the initial notice and opt-out and any subsequent renewal notice and opt-out. An institution not required to provide an opt-out under this subparagraph may elect to include this reason in the model form.

(7) *For nonaffiliates to market to you.* This reason incorporates sharing described in §§716.7 and 716.10(a) of this part. An institution that shares personal information for this reason must provide an opt-out.

(e) *To limit our sharing:* A financial institution must include this section of the model form *only* if it provides an opt-out. The word “choice” may be written in either the singular or plural, as appropriate. Institutions must select one or more of the applicable opt-out methods described: telephone, such as by a toll-free number; a Web site; or use of a mail-in opt-out form. Institutions may include the words “toll-free” before telephone, as appropriate. An institution that allows consumers to opt out online must provide either a specific Web address that takes consumers directly to the opt-out page or a general Web address that provides a clear and conspicuous direct link to the opt-out page. The opt-out choices made available to the consumer who contacts the institution through these methods must correspond accurately to the “Yes” responses in the third column of the disclosure table. In the part titled “Please note” institutions may insert a number that is 30 or greater in the space marked “[30].” Instructions on voluntary or state privacy law opt-out information are in paragraph C.2(g)(5) of these Instructions.

(f) *Questions box.* Customer service contact information must be inserted as appropriate, where [phone number] or [Web site] appear. Institutions may elect to provide either a phone number, such as a toll-free number, or a Web address, or both. Institutions may include the words “toll-free” before the telephone number, as appropriate.

(g) *Mail-in opt-out form.* Financial institutions must include this mail-in form *only* if they state in the “To limit our sharing” box that consumers can opt out by mail. The mail-in form must provide opt-out options that correspond accurately to the “Yes” responses in the third column in the disclosure table. Institutions that require customers to provide only name and address may omit the section identified as “[account #].” Institutions that require additional or different information, such as a random opt-out number or a truncated account number, to implement an opt-out election should modify the “[account #]” reference accordingly. This includes institutions that require customers with multiple accounts to identify each account to which the opt-out should apply. An institution must enter its opt-out mailing

address: in the far right of this form (*see* version 3); or below the form (*see* version 4). The reverse side of the mail-in opt-out form must not include any content of the model form.

(1) *Joint accountholder.* Only institutions that provide their joint accountholders the choice to opt out for only one accountholder, in accordance with paragraph C.3(a)(5) of these Instructions, must include in the far left column of the mail-in form the following statement: “If you have a joint account, your choice(s) will apply to everyone on your account unless you mark below. ☐ Apply my choice(s) only to me.” The word “choice” may be written in either the singular or plural, as appropriate. Financial institutions that provide insurance products or services, provide this option, and elect to use the model form may substitute the word “policy” for “account” in this statement. Institutions that do not provide this option may eliminate this left column from the mail-in form.

(2) *FCRA Section 603(d)(2)(A)(iii) opt-out.* If the institution shares personal information pursuant to section 603(d)(2)(A)(iii) of the FCRA, it must include in the mail-in opt-out form the following statement: “☐ Do not share information about my creditworthiness with your affiliates for their everyday business purposes.”

(3) *FCRA Section 624 opt-out.* If the institution incorporates section 624 of the FCRA in accord with paragraph C.2(d)(6) of these Instructions, it must include in the mail-in opt-out form the following statement: “☐ Do not allow your affiliates to use my personal information to market to me.”

(4) *Nonaffiliate opt-out.* If the financial institution shares personal information pursuant to §716.10(a) of this part, it must include in the mail-in opt-out form the following statement: “☐ Do not share my personal information with nonaffiliates to market their products and services to me.”

(5) *Additional opt-outs.* Financial institutions that use the disclosure table to provide opt-out options beyond those required by Federal law must provide those opt-outs in this section of the model form. A financial institution that chooses to offer an opt-out for its own marketing in the mail-in opt-out form must include one of the two following statements: “☐ Do not share my personal information to market to me.” or “☐ Do not use my personal information to market to me.” A financial institution that chooses to offer an opt-out for joint marketing must include the following statement: “☐ Do not share my personal information with other financial institutions to jointly market to me.”

(h) *Barcodes.* A financial institution may elect to include a barcode and/or “tagline” (an internal identifier) in 6-point font at the

bottom of page one, as needed for information internal to the institution, so long as these do not interfere with the clarity or text of the form.

3. Page Two

(a) *General Instructions for the Questions.* Certain of the Questions may be customized as follows:

(1) *“Who is providing this notice?”* This question may be omitted where only one financial institution provides the model form and that institution is clearly identified in the title on page one. Two or more financial institutions that jointly provide the model form must use this question to identify themselves as required by §716.9(f) of this part. Where the list of institutions exceeds four (4) lines, the institution must describe in the response to this question the general types of institutions jointly providing the notice and must separately identify those institutions, in minimum 8-point font, directly following the “Other important information” box, or, if that box is not included in the institution’s form, directly following the “Definitions.” The list may appear in a multi-column format.

(2) *“How does [name of financial institution] protect my personal information?”* The financial institution may only provide additional information pertaining to its safeguards practices following the designated response to this question. Such information may include information about the institution’s use of cookies or other measures it uses to safeguard personal information. Institutions are limited to a maximum of 30 additional words.

(3) *“How does [name of financial institution] collect my personal information?”* Institutions must use five (5) of the following terms to complete the bulleted list for this question: open an account; deposit money; pay your bills; apply for a loan; use your credit or debit card; seek financial or tax advice; apply for insurance; pay insurance premiums; file an insurance claim; seek advice about your investments; buy securities from us; sell securities to us; direct us to buy securities; direct us to sell your securities; make deposits or withdrawals from your account; enter into an investment advisory contract; give us your income information; provide employment information; give us your employment history; tell us about your investment or retirement portfolio; tell us about your investment or retirement earnings; apply for financing; apply for a lease; provide account information; give us your contact information; pay us by check; give us your wage statements; provide your mortgage information; make a wire transfer; tell us who receives the money; tell us where to send the money; show your government-issued ID; show your driver’s license; order a commodity futures or option trade. Institu-

tions that collect personal information from their affiliates and/or credit bureaus must include after the bulleted list the following statement: “We also collect your personal information from others, such as credit bureaus, affiliates, or other companies.” Institutions that do not collect personal information from their affiliates or credit bureaus but do collect information from other companies must include the following statement instead: “We also collect your personal information from other companies.” Only institutions that do not collect any personal information from affiliates, credit bureaus, or other companies can omit both statements.

(4) *“Why can’t I limit all sharing?”* Institutions that describe state privacy law provisions in the “Other important information” box must use the bracketed sentence: “See below for more on your rights under state law.” Other institutions must omit this sentence.

(5) *“What happens when I limit sharing for an account I hold jointly with someone else?”* Only financial institutions that provide opt-out options must use this question. Other institutions must omit this question. Institutions must choose one of the following two statements to respond to this question: “Your choices will apply to everyone on your account.” or “Your choices will apply to everyone on your account—unless you tell us otherwise.” Financial institutions that provide insurance products or services and elect to use the model form may substitute the word “policy” for “account” in these statements.

(b) *General Instructions for the Definitions.*

The financial institution must customize the space below the responses to the three definitions in this section. This specific information must be in italicized lettering to set off the information from the standardized definitions.

(1) *Affiliates.* As required by §716.6(a)(3) of this part, where [affiliate information] appears, the financial institution must:

(i) If it has no affiliates, state: “[name of financial institution] has no affiliates”;

(ii) If it has affiliates but does not share personal information, state: “[name of financial institution] does not share with our affiliates; or

(iii) If it shares with its affiliates, state, as applicable: “Our affiliates include companies with a [common corporate identity of financial institution] name; financial companies such as [insert illustrative list of companies]; non-financial companies, such as [insert illustrative list of companies]; and others, such as [insert illustrative list].”

(2) *Nonaffiliates.* As required by §716.6(c)(3) of this part, where [nonaffiliate information] appears, the financial institution must:

(i) If it does not share with nonaffiliated third parties, state: “[name of financial institution] does not share with nonaffiliates so they can market to you”; or

(ii) If it shares with nonaffiliated third parties, state, as applicable: “Nonaffiliates we share with can include [list categories of companies such as mortgage companies, insurance companies, direct marketing companies, and nonprofit organizations].”

(3) *Joint Marketing.* As required by §716.13 of this part, where [joint marketing] appears, the financial institution must:

(i) If it does not engage in joint marketing, state: “[name of financial institution] doesn’t jointly market”; or

(ii) If it shares personal information for joint marketing, state, as applicable: “Our joint marketing partners include [list categories of companies such as credit card companies].”

(c) *General instructions for the “Other important information” box.* This box is optional. The space provided for information in this box is not limited. Only the following types of information can appear in this box.

(1) State and/or international privacy law information; and/or

(2) Acknowledgment of receipt form.

including the method(s) by which the consumer may exercise that right. This clause may be used if you disclose nonpublic personal information other than as permitted by the exceptions in §§716.13, 716.14, and 716.15.

Sample Clause A-6:

If you prefer that we not disclose nonpublic personal information about you to nonaffiliated third parties, you may opt out of those disclosures, that is, you may direct us not to make those disclosures (other than disclosures permitted by law). If you wish to opt out of disclosures to nonaffiliated third parties, you may [describe a reasonable means of opting out, such as “call the following toll-free number: (insert number)"].

A-7—Confidentiality and security (all credit unions)

You may use this clause, as applicable, to meet the requirement of §716.6(a)(8) to describe your policies and practices with respect to protecting the confidentiality and security of nonpublic personal information.

Subpart A—General Provisions

SOURCE: 70 FR 70692, Nov. 22, 2005, unless otherwise noted.

§ 717.1 Purpose, scope, and effective dates.

(a) *Purpose.* The purpose of this part is to implement the provisions of the Fair Credit Reporting Act. This part generally applies to federal credit unions that obtain and use information about consumers to determine the consumer's eligibility for products, services, or employment, share such information among affiliates, and furnish information to consumer reporting agencies.

(b) *Scope.* (1) [Reserved]

(2) *Institutions covered.* (i) Except as otherwise provided in this part, the regulations in this part apply to federal credit unions.

[72 FR 62981, Nov. 7, 2007]

§ 717.2 Examples.

The examples in this part are not exclusive. Compliance with an example, to the extent applicable, constitutes compliance with this part. Examples in a paragraph illustrate only the issue described in the paragraph and do not illustrate any other issue that may arise in this part.

§ 717.3 Definitions.

For purposes of this part, unless explicitly stated otherwise:

(a) *Act* means the Fair Credit Reporting Act (15 U.S.C. 1681 *et seq.*).

(b) *Affiliate* means any company that is related by common ownership or common corporate control with another company. For example, an affiliate of a Federal credit union is a credit union service corporation (CUSO), as provided in 12 CFR part 712, that is controlled by the Federal credit union.

(c) [Reserved]

(d) *Company* means any corporation, limited liability company, business trust, general or limited partnership, association, or similar organization.

§ 717.20

(e) *Consumer* means an individual.

(f)–(h) [Reserved]

(i) *Common ownership or common corporate control* means a relationship between two companies under which:

(1) One company has, with respect to the other company:

(i) Ownership, control, or power to vote 25 percent or more of the outstanding shares of any class of voting security of a company, directly or indirectly, or acting through one or more other persons;

(ii) Control in any manner over the election of a majority of the directors, trustees, or general partners (or individuals exercising similar functions) of a company; or

(iii) The power to exercise, directly or indirectly, a controlling influence over the management or policies of a company, as the NCUA determines; or

(iv) *Example.* NCUA will presume a credit union has a controlling influence over the management or policies of a CUSO, if the CUSO is 67% owned by credit unions.

(2) Any other person has, with respect to both companies, a relationship described in paragraphs (i)(1)(i) through (i)(1)(iii) of this section.

(j) [Reserved]

(k) *Medical information* means:

(1) Information or data, whether oral or recorded, in any form or medium, created by or derived from a health care provider or the consumer, that relates to:

(i) The past, present, or future physical, mental, or behavioral health or condition of an individual;

(ii) The provision of health care to an individual; or

(iii) The payment for the provision of health care to an individual.

(2) The term does not include:

(i) The age or gender of a consumer;

(ii) Demographic information about the consumer, including a consumer's residence address or e-mail address;

(iii) Any other information about a consumer that does not relate to the physical, mental, or behavioral health or condition of a consumer, including the existence or value of any insurance policy; or

(iv) Information that does not identify a specific consumer.

12 CFR Ch. VII (1–1–10 Edition)

(1) *Person* means any individual, partnership, corporation, trust, estate cooperative, association, government or governmental subdivision or agency, or other entity.

Subpart B [Reserved]

Subpart C—Affiliate Marketing

SOURCE: 72 FR 62981, Nov. 7, 2007, unless otherwise noted.

§ 717.20 Coverage and definitions

(a) *Coverage.* Subpart C of this part applies to federal credit unions and their affiliates as defined in § 717.3(a) of Subpart A.

(b) *Definitions.* For purposes of this subpart:

(1) *Clear and conspicuous.* The term “clear and conspicuous” means reasonably understandable and designed to call attention to the nature and significance of the information presented.

(2) *Concise.* (i) In general. The term “concise” means a reasonably brief expression or statement.

(ii) *Combination with other required disclosures.* A notice required by this subpart may be concise even if it is combined with other disclosures required or authorized by federal or state law.

(3) *Eligibility information.* The term “eligibility information” means any information the communication of which would be a consumer report if the exclusions from the definition of “consumer report” in section 603(d)(2)(A) of the Act did not apply. Eligibility information does not include aggregate or blind data that does not contain personal identifiers such as account numbers, names, or addresses.

(4) *Pre-existing business relationship.* (i) *In general.* The term “pre-existing business relationship” means a relationship between a person, or a person's licensed agent, and a consumer based on—

(A) A financial contract between the person and the consumer which is in force on the date on which the consumer is sent a solicitation covered by this subpart;

(B) The purchase, rental, or lease by the consumer of the person's goods or services, or a financial transaction (including holding an active account or a policy in force or having another continuing relationship) between the consumer and the person, during the 18-month period immediately preceding the date on which the consumer is sent a solicitation covered by this subpart; or

(C) An inquiry or application by the consumer regarding a product or service offered by that person during the three-month period immediately preceding the date on which the consumer is sent a solicitation covered by this subpart.

(ii) *Examples of pre-existing business relationships.* (A) If a consumer has a time deposit account, such as a share certificate, at a federal credit union that is currently in force, the federal credit union has a pre-existing business relationship with the consumer and can use eligibility information it receives from its affiliates to make solicitations to the consumer about its products or services.

(B) If a consumer obtained a share certificate from a federal credit union, but did not renew the certificate at maturity, the federal credit union has a pre-existing business relationship with the consumer and can use eligibility information it receives from its affiliates to make solicitations to the consumer about its products or services for 18 months after the date of maturity of the share certificate.

(C) If a consumer obtains a mortgage, the mortgage lender has a pre-existing business relationship with the consumer. If the mortgage lender sells the consumer's entire loan to an investor, the mortgage lender has a pre-existing business relationship with the consumer and can use eligibility information it receives from its affiliates to make solicitations to the consumer about its products or services for 18 months after the date it sells the loan, and the investor has a pre-existing business relationship with the consumer upon purchasing the loan. If, however, the mortgage lender sells a fractional interest in the consumer's loan to an investor but also retains an ownership interest in the loan, the

mortgage lender continues to have a pre-existing business relationship with the consumer, but the investor does not have a pre-existing business relationship with the consumer. If the mortgage lender retains ownership of the loan, but sells ownership of the servicing rights to the consumer's loan, the mortgage lender continues to have a pre-existing business relationship with the consumer. The purchaser of the servicing rights also has a pre-existing business relationship with the consumer as of the date it purchases ownership of the servicing rights, but only if it collects payments from or otherwise deals directly with the consumer on a continuing basis.

(D) If a consumer applies to a federal credit union for a product or service that it offers, but does not obtain a product or service from or enter into a financial contract or transaction with the institution, the federal credit union has a pre-existing business relationship with the consumer and can therefore use eligibility information it receives from an affiliate to make solicitations to the consumer about its products or services for three months after the date of the application.

(E) If a consumer makes a telephone inquiry to a federal credit union about its products or services and provides contact information to the institution, but does not obtain a product or service from or enter into a financial contract or transaction with the institution, the federal credit union has a pre-existing business relationship with the consumer and can therefore use eligibility information it receives from an affiliate to make solicitations to the consumer about its products or services for three months after the date of the inquiry.

(F) If a consumer makes an inquiry to a federal credit union by e-mail about its products or services, but does not obtain a product or service from or enter into a financial contract or transaction with the institution, the federal credit union has a pre-existing business relationship with the consumer and can therefore use eligibility information it receives from an affiliate to make solicitations to the consumer about its products or services

for three months after the date of the inquiry.

(G) If a consumer has an existing relationship with a federal credit union that is part of a group of affiliated companies, makes a telephone call to the centralized call center for the group of affiliated companies to inquire about products or services offered by the insurance brokerage affiliate, and provides contact information to the call center, the call constitutes an inquiry to the insurance brokerage affiliate that offers those products or services. The insurance brokerage affiliate has a pre-existing business relationship with the consumer and can therefore use eligibility information it receives from its affiliated federal credit union to make solicitations to the consumer about its products or services for three months after the date of the inquiry.

(iii) *Examples where no pre-existing business relationship is created.* (A) If a consumer makes a telephone call to a centralized call center for a group of affiliated companies to inquire about the consumer's existing account at a federal credit union, the call does not constitute an inquiry to any affiliate other than the federal credit union that holds the consumer's account and does not establish a pre-existing business relationship between the consumer and any affiliate of the account-holding federal credit union.

(B) If a consumer who has a deposit account with a federal credit union makes a telephone call to an affiliate of the institution to ask about the affiliate's retail locations and hours, but does not make an inquiry about the affiliate's products or services, the call does not constitute an inquiry and does not establish a pre-existing business relationship between the consumer and the affiliate. Also, the affiliate's capture of the consumer's telephone number does not constitute an inquiry and does not establish a pre-existing business relationship between the consumer and the affiliate.

(C) If a consumer makes a telephone call to a federal credit union in response to an advertisement that offers a free promotional item to consumers who call a toll-free number, but the advertisement does not indicate that the

federal credit union's products or services will be marketed to consumers who call in response, the call does not create a pre-existing business relationship between the consumer and the federal credit union because the consumer has not made an inquiry about a product or service offered by the institution, but has merely responded to an offer for a free promotional item.

(5) *Solicitation.* (i) *In general.* The term "solicitation" means the marketing of a product or service initiated by a person to a particular consumer that is—

(A) Based on eligibility information communicated to that person by its affiliate as described in this subpart; and

(B) Intended to encourage the consumer to purchase or obtain such product or service.

(ii) *Exclusion of marketing directed at the general public.* A solicitation does not include marketing communications that are directed at the general public. For example, television, general circulation magazine, and billboard advertisements do not constitute solicitations, even if those communications are intended to encourage consumers to purchase products and services from the person initiating the communications.

(iii) *Examples of solicitations.* A solicitation would include, for example, a telemarketing call, direct mail, e-mail, or other form of marketing communication directed to a particular consumer that is based on eligibility information received from an affiliate.

(6) You means a person described in paragraph (a) of this section.

§717.21 Affiliate marketing opt-out and exceptions.

(a) *Initial notice and opt-out requirement.* (1) *In general.* You may not use eligibility information about a consumer that you receive from an affiliate to make a solicitation for marketing purposes to the consumer, unless—

(i) It is clearly and conspicuously disclosed to the consumer in writing or, if the consumer agrees, electronically, in a concise notice that you may use eligibility information about that consumer received from an affiliate to

make solicitations for marketing purposes to the consumer;

(ii) The consumer is provided a reasonable opportunity and a reasonable and simple method to “opt out,” or prohibit you from using eligibility information to make solicitations for marketing purposes to the consumer; and

(iii) The consumer has not opted out.

(2) *Example.* A consumer has a homeowner’s insurance policy obtained through an insurance brokerage. The insurance brokerage furnishes eligibility information about the consumer to its affiliated federal credit union. Based on that eligibility information, the federal credit union wants to make a solicitation to the consumer about its home equity loan products. The federal credit union does not have a pre-existing business relationship with the consumer and none of the other exceptions apply. The federal credit union is prohibited from using eligibility information received from its insurance brokerage affiliate to make solicitations to the consumer about its home equity loan products unless the consumer is given a notice and opportunity to opt out and the consumer does not opt out.

(3) *Affiliates who may provide the notice.* The notice required by this paragraph must be provided:

(i) By an affiliate that has or has previously had a pre-existing business relationship with the consumer; or

(ii) As part of a joint notice from two or more members of an affiliated group of companies, provided that at least one of the affiliates on the joint notice has or has previously had a pre-existing business relationship with the consumer.

(b) *Making solicitations.* (1) *In general.* For purposes of this subpart, you make a solicitation for marketing purposes if—

(i) You receive eligibility information from an affiliate;

(ii) You use that eligibility information to do one or more of the following:

(A) Identify the consumer or type of consumer to receive a solicitation;

(B) Establish criteria used to select the consumer to receive a solicitation; or

(C) Decide which of your products or services to market to the consumer or tailor your solicitation to that consumer; and

(iii) As a result of your use of the eligibility information, the consumer is provided a solicitation.

(2) *Receiving eligibility information from an affiliate, including through a common database.* You may receive eligibility information from an affiliate in various ways, including when the affiliate places that information into a common database that you may access.

(3) *Receipt or use of eligibility information by your service provider.* Except as provided in paragraph (b)(5) of this section, you receive or use an affiliate’s eligibility information if a service provider acting on your behalf (whether an affiliate or a nonaffiliated third party) receives or uses that information in the manner described in paragraphs (b)(1)(i) or (b)(1)(ii) of this section. All relevant facts and circumstances will determine whether a person is acting as your service provider when it receives or uses an affiliate’s eligibility information in connection with marketing your products and services.

(4) *Use by an affiliate of its own eligibility information.* Unless you have used eligibility information that you receive from an affiliate in the manner described in paragraph (b)(1)(ii) of this section, you do not make a solicitation subject to this subpart if your affiliate:

(i) Uses its own eligibility information that it obtained in connection with a pre-existing business relationship it has or had with the consumer to market your products or services to the consumer; or

(ii) Directs its service provider to use the affiliate’s own eligibility information that it obtained in connection with a pre-existing business relationship it has or had with the consumer to market your products or services to the consumer, and you do not communicate directly with the service provider regarding that use.

(5) *Use of eligibility information by a service provider.* (i) *In general.* You do not make a solicitation subject to Subpart C of this part if a service provider (including an affiliated or third-party service provider that maintains or accesses a common database that you

may access) receives eligibility information from your affiliate that your affiliate obtained in connection with a pre-existing business relationship it has or had with the consumer and uses that eligibility information to market your products or services to the consumer, so long as—

(A) Your affiliate controls access to and use of its eligibility information by the service provider (including the right to establish the specific terms and conditions under which the service provider may use such information to market your products or services);

(B) Your affiliate establishes specific terms and conditions under which the service provider may access and use the affiliate's eligibility information to market your products and services (or those of affiliates generally) to the consumer, such as the identity of the affiliated companies whose products or services may be marketed to the consumer by the service provider, the types of products or services of affiliated companies that may be marketed, and the number of times the consumer may receive marketing materials, and periodically evaluates the service provider's compliance with those terms and conditions;

(C) Your affiliate requires the service provider to implement reasonable policies and procedures designed to ensure that the service provider uses the affiliate's eligibility information in accordance with the terms and conditions established by the affiliate relating to the marketing of your products or services;

(D) Your affiliate is identified on or with the marketing materials provided to the consumer; and

(E) You do not directly use your affiliate's eligibility information in the manner described in paragraph (b)(1)(ii) of this section.

(ii) *Writing requirements.* (A) The requirements of paragraphs (b)(5)(i)(A) and (C) of this section must be set forth in a written agreement between your affiliate and the service provider; and

(B) The specific terms and conditions established by your affiliate as provided in paragraph (b)(5)(i)(B) of this section must be set forth in writing.

(6) *Examples of making solicitations.* (i) A consumer has a deposit account with a federal credit union, which is affiliated with an insurance brokerage. The insurance brokerage receives eligibility information about the consumer from the federal credit union. The insurance brokerage uses that eligibility information to identify the consumer to receive a solicitation about insurance brokerage services, and, as a result, the insurance brokerage provides a solicitation to the consumer about its services. Pursuant to paragraph (b)(1) of this section, the insurance brokerage has made a solicitation to the consumer.

(ii) The same facts as in the example in paragraph (b)(6)(i) of this section, except that after using the eligibility information to identify the consumer to receive a solicitation about insurance brokerage services, the insurance brokerage asks the federal credit union to send the solicitation to the consumer and the federal credit union does so. Pursuant to paragraph (b)(1) of this section, the insurance brokerage has made a solicitation to the consumer because it used eligibility information about the consumer that it received from an affiliate to identify the consumer to receive a solicitation about its products or services, and, as a result, a solicitation was provided to the consumer about the insurance brokerage's services.

(iii) The same facts as in the example in paragraph (b)(6)(i) of this section, except that eligibility information about consumers that have deposit accounts with the federal credit union is placed into a common database that all members of the affiliated group of companies may independently access and use. Without using the federal credit union's eligibility information, the insurance brokerage develops selection criteria and provides those criteria, marketing materials, and related instructions to the federal credit union. The federal credit union reviews eligibility information about its own consumers using the selection criteria provided by the insurance brokerage to determine which consumers should receive the insurance brokerage's marketing materials and sends marketing materials about the insurance

brokerage's services to those consumers. Even though the insurance brokerage has received eligibility information through the common database as provided in paragraph (b)(2) of this section, it did not use that information to identify consumers or establish selection criteria; instead, the federal credit union used its own eligibility information. Therefore, pursuant to paragraph (b)(4)(i) of this section, the insurance brokerage has not made a solicitation to the consumer.

(iv) The same facts as in the example in paragraph (b)(6)(iii) of this section, except that the federal credit union provides the insurance brokerage's criteria to the federal credit union's service provider and directs the service provider to use the federal credit union's eligibility information to identify federal credit union consumers who meet the criteria and to send the insurance brokerage's marketing materials to those consumers. The insurance brokerage does not communicate directly with the service provider regarding the use of the federal credit union's information to market its services to the federal credit union's consumers. Pursuant to paragraph (b)(4)(ii) of this section, the insurance brokerage has not made a solicitation to the consumer.

(v) An affiliated group of companies includes a federal credit union, an insurance brokerage, and a service provider. Each affiliate in the group places information about its consumers into a common database. The service provider has access to all information in the common database. The federal credit union controls access to and use of its eligibility information by the service provider. This control is set forth in a written agreement between the federal credit union and the service provider. The written agreement also requires the service provider to establish reasonable policies and procedures designed to ensure that the service provider uses the federal credit union's eligibility information in accordance with specific terms and conditions established by the federal credit union relating to the marketing of the products and services of all affiliates, including the insurance brokerage. In a separate written communication, the

federal credit union specifies the terms and conditions under which the service provider may use the federal credit union's eligibility information to market the insurance brokerage's products and services to the federal credit union's consumers. The specific terms and conditions are: a list of affiliated companies (including the insurance brokerage) whose products or services may be marketed to the federal credit union's consumers by the service provider; the specific products or types of products that may be marketed to the federal credit union's consumers by the service provider; the categories of eligibility information that may be used by the service provider in marketing products or services to the federal credit union's consumers; the types or categories of the federal credit union's consumers to whom the service provider may market products or services of federal credit union affiliates; the number and/or types of marketing communications that the service provider may send to the federal credit union's consumers; and the length of time during which the service provider may market the products or services of the federal credit union's affiliates to its consumers. The federal credit union periodically evaluates the service provider's compliance with these terms and conditions. The insurance brokerage asks the service provider to market insurance products to certain consumers who have deposit accounts with the federal credit union. Without using the federal credit union's eligibility information, the insurance brokerage develops selection criteria and provides those criteria, marketing materials, and related instructions to the service provider. The service provider uses the federal credit union's eligibility information from the common database to identify the federal credit union's consumers to whom insurance brokerage services will be marketed. When the insurance brokerage's marketing materials are provided to the identified consumers, the name of the federal credit union is displayed on the brokerage marketing materials, an introductory letter that accompanies the marketing materials, an account statement that accompanies the marketing materials,

or the envelope containing the marketing materials. The requirements of paragraph (b)(5) of this section have been satisfied, and the insurance brokerage has not made a solicitation to the consumer.

(vi) The same facts as in the example in paragraph (b)(6)(v) of this section, except that the terms and conditions permit the service provider to use the federal credit union's eligibility information to market the products and services of other affiliates to the federal credit union's consumers whenever the service provider deems it appropriate to do so. The service provider uses the federal credit union's eligibility information in accordance with the discretion afforded to it by the terms and conditions. Because the terms and conditions are not specific, the requirements of paragraph (b)(5) of this section have not been satisfied.

(c) *Exceptions.* The provisions of this subpart do not apply to you if you use eligibility information that you receive from an affiliate:

(1) To make a solicitation for marketing purposes to a consumer with whom you have a pre-existing business relationship;

(2) To facilitate communications to an individual for whose benefit you provide employee benefit or other services pursuant to a contract with an employer related to and arising out of the current employment relationship or status of the individual as a participant or beneficiary of an employee benefit plan;

(3) To perform services on behalf of an affiliate, except that this subparagraph shall not be construed as permitting you to send solicitations on behalf of an affiliate if the affiliate would not be permitted to send the solicitation as a result of the election of the consumer to opt out under this subpart;

(4) In response to a communication about your products or services initiated by the consumer;

(5) In response to an authorization or request by the consumer to receive solicitations; or

(6) If your compliance with this subpart would prevent you from complying with any provision of State insurance laws pertaining to unfair dis-

crimination in any State in which you are lawfully doing business.

(d) *Examples of exceptions.* (1) *Example of the pre-existing business relationship exception.* A consumer has a deposit account with a federal credit union. The consumer also has a relationship with the federal credit union's securities brokerage affiliate. The federal credit union receives eligibility information about the consumer from its securities brokerage affiliate and uses that information to make a solicitation to the consumer about the federal credit union's wealth management services. The federal credit union may make this solicitation even if the consumer has not been given a notice and opportunity to opt out because the federal credit union has a pre-existing business relationship with the consumer.

(2) *Examples of service provider exception.* (i) A consumer has an insurance policy obtained through an insurance brokerage. The insurance brokerage furnishes eligibility information about the consumer to its affiliated federal credit union. Based on that eligibility information, the federal credit union wants to make a solicitation to the consumer about membership and its deposit products. The federal credit union does not have a pre-existing business relationship with the consumer and none of the other exceptions in paragraph (c) of this section apply. The consumer has been given an opt-out notice and has elected to opt out of receiving such solicitations. The federal credit union asks a service provider to send the solicitation to the consumer on its behalf. The service provider may not send the solicitation on behalf of the federal credit union because, as a result of the consumer's opt-out election, the federal credit union is not permitted to make the solicitation.

(ii) The same facts as in paragraph (d)(2)(i) of this section, except the consumer has been given an opt-out notice, but has not elected to opt out. The federal credit union asks a service provider to send the solicitation to the consumer on its behalf. The service provider may send the solicitation on behalf of the federal credit union because, as a result of the consumer's not

opting out, the federal credit union is permitted to make the solicitation.

(3) *Examples of consumer-initiated communications.* (i) A consumer who has a deposit account with a federal credit union initiates a communication with the federal credit union's credit card affiliate to request information about a credit card. The credit card affiliate may use eligibility information about the consumer it obtains from the federal credit union or any other affiliate to make solicitations regarding credit card products in response to the consumer-initiated communication.

(ii) A consumer who has a deposit account with a federal credit union contacts the institution to request information about how to save and invest for a child's college education without specifying the type of product in which the consumer may be interested. Information about a range of different products or services offered by the federal credit union and one or more affiliates of the institution may be responsive to that communication. Such products or services may include the following: Mutual funds offered by the institution; section 529 plans offered by the institution or its securities brokerage affiliate; or trust services offered by the institution or its trust services affiliate. Any affiliate offering investment counseling services that would be responsive to the consumer's request for information about saving and investing for a child's college education may use eligibility information to make solicitations to the consumer in response to this communication.

(iii) A credit card issuer makes a marketing call to the consumer without using eligibility information received from an affiliate. The issuer leaves a voice-mail message that invites the consumer to call a toll-free number to apply for the issuer's credit card. If the consumer calls the toll-free number to inquire about the credit card, the call is a consumer-initiated communication about a product or service and the credit card issuer may now use eligibility information it receives from its affiliates to make solicitations to the consumer.

(iv) A consumer calls a federal credit union to ask about retail locations and hours, but does not request informa-

tion about products or services. The institution may not use eligibility information it receives from an affiliate to make solicitations to the consumer about its products or services because the consumer-initiated communication does not relate to the federal credit union's products or services. Thus, the use of eligibility information received from an affiliate would not be responsive to the communication and the exception does not apply.

(v) A consumer calls a federal credit union to ask about retail locations and hours. The customer service representative asks the consumer if there is a particular product or service about which the consumer is seeking information. The consumer responds that the consumer wants to stop in and find out about share certificates. The customer service representative offers to provide that information by telephone and mail additional information and application materials to the consumer. The consumer agrees and provides or confirms contact information for receipt of the materials to be mailed. The federal credit union may use eligibility information it receives from an affiliate to make solicitations to the consumer about share certificates because such solicitations would respond to the consumer-initiated communication about products or services.

(4) *Examples of consumer authorization or request for solicitations.* (i) A consumer who obtains a mortgage from a federal credit union authorizes or requests information about obtaining homeowner's insurance through the federal credit union's insurance brokerage affiliate. Such authorization or request, whether given to the federal credit union or to the insurance brokerage affiliate, would permit the insurance brokerage to use eligibility information about the consumer it obtains from the federal credit union or any other affiliate to make solicitations to the consumer about its homeowner's insurance services.

(ii) A consumer completes an online application to apply for a credit card from a credit card issuer. The issuer's online application contains a blank check box that the consumer may

check to authorize or request information from the credit card issuer's affiliates. The consumer checks the box. The consumer has authorized or requested solicitations from the card issuer's affiliates.

(iii) A consumer completes an online application to apply for a credit card from a credit card issuer. The issuer's online application contains a pre-selected check box indicating that the consumer authorizes or requests information from the issuer's affiliates. The consumer does not deselect the check box. The consumer has not authorized or requested solicitations from the card issuer's affiliates.

(iv) The terms and conditions of a credit card account agreement contain preprinted boilerplate language stating that by applying to open an account the consumer authorizes or requests to receive solicitations from the credit card issuer's affiliates. The consumer has not authorized or requested solicitations from the card issuer's affiliates.

(e) *Relation to affiliate-sharing notice and opt-out.* Nothing in this subpart limits the responsibility of a person to comply with the notice and opt-out provisions of section 603(d)(2)(A)(iii) of the Act where applicable.

§ 717.22 Scope and duration of opt-out.

(a) *Scope of opt-out.* (1) *In general.* Except as otherwise provided in this section, the consumer's election to opt out prohibits any affiliate covered by the opt-out notice from using eligibility information received from another affiliate as described in the notice to make solicitations to the consumer.

(2) *Continuing relationship.* (i) *In general.* If the consumer establishes a continuing relationship with you or your affiliate, an opt-out notice may apply to eligibility information obtained in connection with—

(A) A single continuing relationship or multiple continuing relationships that the consumer establishes with you or your affiliates, including continuing relationships established subsequent to delivery of the opt-out notice, so long as the notice adequately describes the continuing relationships covered by the opt-out; or

(B) Any other transaction between the consumer and you or your affiliates as described in the notice.

(ii) *Examples of continuing relationships.* A consumer has a continuing relationship with you or your affiliate if the consumer—

(A) Opens a deposit or investment account with you or your affiliate;

(B) Obtains a loan for which you or your affiliate owns the servicing rights;

(C) Purchases an insurance product from you or your affiliate;

(D) Holds an investment product through you or your affiliate, such as when you act or your affiliate acts as a custodian for securities or for assets in an individual retirement arrangement;

(E) Enters into an agreement or understanding with you or your affiliate whereby you or your affiliate undertakes to arrange or broker a home mortgage loan for the consumer;

(F) Enters into a lease of personal property with you or your affiliate; or

(G) Obtains financial, investment, or economic advisory services from you or your affiliate for a fee.

(3) *No continuing relationship.* (i) *In general.* If there is no continuing relationship between a consumer and you or your affiliate, and you or your affiliate obtain eligibility information about a consumer in connection with a transaction with the consumer, such as an isolated transaction or a credit application that is denied, an opt-out notice provided to the consumer only applies to eligibility information obtained in connection with that transaction.

(ii) *Examples of isolated transactions.* An isolated transaction occurs if—

(A) The consumer uses your or your affiliate's ATM to withdraw cash from an account at another financial institution; or

(B) You or your affiliate sells the consumer a cashier's check or money order, airline tickets, travel insurance, or traveler's checks in isolated transactions.

(4) *Menu of alternatives.* A consumer may be given the opportunity to choose from a menu of alternatives when electing to prohibit solicitations, such as by electing to prohibit solicitations from certain types of affiliates

covered by the opt-out notice but not other types of affiliates covered by the notice, electing to prohibit solicitations based on certain types of eligibility information but not other types of eligibility information, or electing to prohibit solicitations by certain methods of delivery but not other methods of delivery. However, one of the alternatives must allow the consumer to prohibit all solicitations from all of the affiliates that are covered by the notice.

(5) *Special rule for a notice following termination of all continuing relationships.* (i) *In general.* A consumer must be given a new opt-out notice if, after all continuing relationships with you or your affiliate(s) are terminated, the consumer subsequently establishes another continuing relationship with you or your affiliate(s) and the consumer's eligibility information is to be used to make a solicitation. The new opt-out notice must apply, at a minimum, to eligibility information obtained in connection with the new continuing relationship. Consistent with paragraph (b) of this section, the consumer's decision not to opt out after receiving the new opt-out notice would not override a prior opt-out election by the consumer that applies to eligibility information obtained in connection with a terminated relationship, regardless of whether the new opt-out notice applies to eligibility information obtained in connection with the terminated relationship.

(ii) *Example.* A consumer is a member of a federal credit union that is part of an affiliated group. The consumer terminates his membership. One year later, the consumer rejoins and opens a savings account with the same federal credit union. The consumer must be given a new notice and opportunity to opt out before the federal credit union's affiliates may make solicitations to the consumer using eligibility information obtained by the federal credit union in connection with the newly established account relationship, regardless of whether the consumer opted out in connection with accounts held during the previous member relationship.

(b) *Duration of opt-out.* The election of a consumer to opt out must be effective

for a period of at least five years (the "opt-out period") beginning when the consumer's opt-out election is received and implemented, unless the consumer subsequently revokes the opt-out in writing or, if the consumer agrees, electronically. An opt-out period of more than five years may be established, including an opt-out period that does not expire unless revoked by the consumer.

(c) *Time of opt-out.* A consumer may opt out at any time.

§ 717.23 Contents of opt-out notice; consolidated and equivalent notices.

(a) *Contents of opt-out notice.* (1) *In general.* A notice must be clear, conspicuous, and concise, and must accurately disclose:

(i) The name of the affiliate(s) providing the notice. If the notice is provided jointly by multiple affiliates and each affiliate shares a common name, such as "ABC," then the notice may indicate that it is being provided by multiple companies with the ABC name or multiple companies in the ABC group or family of companies, for example, by stating that the notice is provided by "all of the ABC companies," "the ABC federal credit union, credit card, insurance brokerage, and securities brokerage companies," or by listing the name of each affiliate providing the notice. But if the affiliates providing the joint notice do not all share a common name, then the notice must either separately identify each affiliate by name or identify each of the common names used by those affiliates, for example, by stating that the notice is provided by "all of the ABC and XYZ companies" or by "the ABC federal credit union and credit card companies and the XYZ insurance brokerage company"

(ii) A list of the affiliates or types of affiliates whose use of eligibility information is covered by the notice, which may include companies that become affiliates after the notice is provided to the consumer. If each affiliate covered by the notice shares a common name, such as "ABC," then the notice may indicate that it applies to multiple companies with the ABC name or multiple companies in the ABC group or

family of companies, for example, by stating that the notice is provided by “all of the ABC companies,” “the ABC federal credit union, credit card, insurance brokerage, and securities brokerage companies,” or by listing the name of each affiliate providing the notice. But if the affiliates covered by the notice do not all share a common name, then the notice must either separately identify each covered affiliate by name or identify each of the common names used by those affiliates, for example, by stating that the notice applies to “all of the ABC and XYZ companies” or to “the ABC federal credit union and credit card companies and the XYZ insurance brokerage company”

(iii) A general description of the types of eligibility information that may be used to make solicitations to the consumer;

(iv) That the consumer may elect to limit the use of eligibility information to make solicitations to the consumer;

(v) That the consumer’s election will apply for the specified period of time stated in the notice and, if applicable, that the consumer will be allowed to renew the election once that period expires;

(vi) If the notice is provided to consumers who may have previously opted out, such as if a notice is provided to consumers annually, that the consumer who has chosen to limit solicitations does not need to act again until the consumer receives a renewal notice; and

(vii) A reasonable and simple method for the consumer to opt out.

(2) *Joint relationships.* (i) If two or more consumers jointly obtain a product or service, a single opt-out notice may be provided to the joint consumers. Any of the joint consumers may exercise the right to opt out.

(ii) The opt-out notice must explain how an opt-out direction by a joint consumer will be treated. An opt-out direction by a joint consumer may be treated as applying to all of the associated joint consumers, or each joint consumer may be permitted to opt-out separately. If each joint consumer is permitted to opt out separately, one of the joint consumers must be permitted to opt out on behalf of all of the joint consumers and the joint consumers

must be permitted to exercise their separate rights to opt out in a single response.

(iii) It is impermissible to require all joint consumers to opt out before implementing any opt-out direction.

(3) *Alternative contents.* If the consumer is afforded a broader right to opt out of receiving marketing than is required by this subpart, the requirements of this section may be satisfied by providing the consumer with a clear, conspicuous, and concise notice that accurately discloses the consumer’s opt-out rights.

(4) *Model notices.* Model notices are provided in appendix C of this part.

(b) *Coordinated and consolidated notices.* A notice required by this subpart may be coordinated and consolidated with any other notice or disclosure required to be issued under any other provision of law by the entity providing the notice, including but not limited to the notice described in section 603(d)(2)(A)(iii) of the Act and the Gramm-Leach-Bliley Act privacy notice.

(c) *Equivalent notices.* A notice or other disclosure that is equivalent to the notice required by this subpart, and that is provided to a consumer together with disclosures required by any other provision of law, satisfies the requirements of this section.

§ 717.24 Reasonable opportunity to opt out.

(a) *In general.* You must not use eligibility information about a consumer that you receive from an affiliate to make a solicitation to the consumer about your products or services, unless the consumer is provided a reasonable opportunity to opt out, as required by § 717.21(a)(1)(ii) of this part.

(b) *Examples of a reasonable opportunity to opt out.* The consumer is given a reasonable opportunity to opt out if:

(1) *By mail.* The opt-out notice is mailed to the consumer. The consumer is given 30 days from the date the notice is mailed to elect to opt out by any reasonable means.

(2) *By electronic means.* (i) The opt-out notice is provided electronically to the consumer, such as by posting the notice at an Internet Web site at which the consumer has obtained a product or

service. The consumer acknowledges receipt of the electronic notice. The consumer is given 30 days after the date the consumer acknowledges receipt to elect to opt out by any reasonable means.

(ii) The opt-out notice is provided to the consumer by e-mail where the consumer has agreed to receive disclosures by e-mail from the person sending the notice. The consumer is given 30 days after the e-mail is sent to elect to opt out by any reasonable means.

(3) *At the time of an electronic transaction.* The opt-out notice is provided to the consumer at the time of an electronic transaction, such as a transaction conducted on an Internet Web site. The consumer is required to decide, as a necessary part of proceeding with the transaction, whether to opt out before completing the transaction. There is a simple process that the consumer may use to opt out at that time using the same mechanism through which the transaction is conducted.

(4) *At the time of an in-person transaction.* The opt-out notice is provided to the consumer in writing at the time of an in-person transaction. The consumer is required to decide, as a necessary part of proceeding with the transaction, whether to opt out before completing the transaction, and is not permitted to complete the transaction without making a choice. There is a simple process that the consumer may use during the course of the in-person transaction to opt out, such as completing a form that requires consumers to write a "yes" or "no" to indicate their opt-out preference or that requires the consumer to check one of two blank check boxes—one that allows consumers to indicate that they want to opt out and one that allows consumers to indicate that they do not want to opt out.

(5) *By including in a privacy notice.* The opt-out notice is included in a Gramm-Leach-Bliley Act privacy notice. The consumer is allowed to exercise the opt-out within a reasonable period of time and in the same manner as the opt-out under that privacy notice.

§ 717.25 Reasonable and simple methods of opting out.

(a) *In general.* You must not use eligibility information about a consumer that you receive from an affiliate to make a solicitation to the consumer about your products or services, unless the consumer is provided a reasonable and simple method to opt out, as required by § 717.21(a)(1)(ii) of this part.

(b) *Examples.* (1) *Reasonable and simple opt-out methods.* Reasonable and simple methods for exercising the opt-out right include—

(i) Designating a check-off box in a prominent position on the opt-out form;

(ii) Including a reply form and a self-addressed envelope together with the opt-out notice;

(iii) Providing an electronic means to opt out, such as a form that can be electronically mailed or processed at an Internet Web site, if the consumer agrees to the electronic delivery of information;

(iv) Providing a toll-free telephone number that consumers may call to opt out; or

(v) Allowing consumers to exercise all of their opt-out rights described in a consolidated opt-out notice that includes the privacy opt-out under the Gramm-Leach-Bliley Act, 15 U.S.C. 6801 et seq., the affiliate sharing opt-out under the Act, and the affiliate marketing opt-out under the Act, by a single method, such as by calling a single toll-free telephone number.

(2) *Opt-out methods that are not reasonable and simple.* Reasonable and simple methods for exercising an opt-out right do not include—

(i) Requiring the consumer to write his or her own letter;

(ii) Requiring the consumer to call or write to obtain a form for opting out, rather than including the form with the opt-out notice;

(iii) Requiring the consumer who receives the opt-out notice in electronic form only, such as through posting at an Internet Web site, to opt out solely by paper mail or by visiting a different Web site without providing a link to that site.

(c) *Specific opt-out means.* Each consumer may be required to opt out through a specific means, as long as

§ 717.26

that means is reasonable and simple for that consumer.

§ 717.26 Delivery of opt-out notices.

(a) *In general.* The opt-out notice must be provided so that each consumer can reasonably be expected to receive actual notice. For opt-out notices provided electronically, the notice may be provided in compliance with either the electronic disclosure provisions in this subpart or the provisions in section 101 of the Electronic Signatures in Global and National Commerce Act, 15 U.S.C. 7001 *et seq.*

(b) *Examples of reasonable expectation of actual notice.* A consumer may reasonably be expected to receive actual notice if the affiliate providing the notice:

(1) Hand-delivers a printed copy of the notice to the consumer;

(2) Mails a printed copy of the notice to the last known mailing address of the consumer;

(3) Provides a notice by e-mail to a consumer who has agreed to receive electronic disclosures by e-mail from the affiliate providing the notice; or

(4) Posts the notice on the Internet Web site at which the consumer obtained a product or service electronically and requires the consumer to acknowledge receipt of the notice.

(c) *Examples of no reasonable expectation of actual notice.* A consumer may not reasonably be expected to receive actual notice if the affiliate providing the notice:

(1) Only posts the notice on a sign in a branch or office or generally publishes the notice in a newspaper;

(2) Sends the notice via e-mail to a consumer who has not agreed to receive electronic disclosures by e-mail from the affiliate providing the notice; or

(3) Posts the notice on an Internet Web site without requiring the consumer to acknowledge receipt of the notice.

§ 717.27 Renewal of opt-out.

(a) *Renewal notice and opt-out requirement.* (1) *In general.* After the opt-out period expires, you may not make solicitations based on eligibility information you receive from an affiliate to a

12 CFR Ch. VII (1–1–10 Edition)

consumer who previously opted out, unless:

(i) The consumer has been given a renewal notice that complies with the requirements of this section and §§ 717.24 through 717.26 of this part, and a reasonable opportunity and a reasonable and simple method to renew the opt-out, and the consumer does not renew the opt-out; or

(ii) An exception in § 717.21(c) of this part applies.

(2) *Renewal period.* Each opt-out renewal must be effective for a period of at least five years as provided in § 717.22(b) of this part.

(3) *Affiliates who may provide the notice.* The notice required by this paragraph must be provided:

(i) By the affiliate that provided the previous opt-out notice, or its successor; or

(ii) As part of a joint renewal notice from two or more members of an affiliated group of companies, or their successors, that jointly provided the previous opt-out notice.

(b) *Contents of renewal notice.* The renewal notice must be clear, conspicuous, and concise, and must accurately disclose:

(1) The name of the affiliate(s) providing the notice. If the notice is provided jointly by multiple affiliates and each affiliate shares a common name, such as “ABC,” then the notice may indicate that it is being provided by multiple companies with the ABC name or multiple companies in the ABC group or family of companies, for example, by stating that the notice is provided by “all of the ABC companies,” “the ABC federal credit union, credit card, insurance brokerage, and securities brokerage companies,” or by listing the name of each affiliate providing the notice. But if the affiliates providing the joint notice do not all share a common name, then the notice must either separately identify each affiliate by name or identify each of the common names used by those affiliates, for example, by stating that the notice is provided by “all of the ABC and XYZ companies” or by “the ABC federal credit union and credit card companies and the XYZ insurance brokerage company”;

National Credit Union Administration

§ 717.30

(2) A list of the affiliates or types of affiliates whose use of eligibility information is covered by the notice, which may include companies that become affiliates after the notice is provided to the consumer. If each affiliate covered by the notice shares a common name, such as “ABC,” then the notice may indicate that it applies to multiple companies with the ABC name or multiple companies in the ABC group or family of companies, for example, by stating that the notice is provided by “all of the ABC companies,” “the ABC federal credit union, credit card, insurance brokerage, and securities brokerage companies,” or by listing the name of each affiliate providing the notice. But if the affiliates covered by the notice do not all share a common name, then the notice must either separately identify each covered affiliate by name or identify each of the common names used by those affiliates, for example, by stating that the notice applies to “all of the ABC and XYZ companies” or to “the ABC federal credit union and credit card companies and the XYZ insurance brokerage company”;

(3) A general description of the types of eligibility information that may be used to make solicitations to the consumer;

(4) That the consumer previously elected to limit the use of certain information to make solicitations to the consumer;

(5) That the consumer’s election has expired or is about to expire;

(6) That the consumer may elect to renew the consumer’s previous election;

(7) If applicable, that the consumer’s election to renew will apply for the specified period of time stated in the notice and that the consumer will be allowed to renew the election once that period expires; and

(8) A reasonable and simple method for the consumer to opt out.

(c) *Timing of the renewal notice.* (1) *In general.* A renewal notice may be provided to the consumer either—

(i) A reasonable period of time before the expiration of the opt-out period; or

(ii) Any time after the expiration of the opt-out period but before solicitations that would have been prohibited

by the expired opt-out are made to the consumer.

(2) *Combination with annual privacy notice.* If you provide an annual privacy notice under the Gramm-Leach-Bliley Act, 15 U.S.C. 6801 et seq., providing a renewal notice with the last annual privacy notice provided to the consumer before expiration of the opt-out period is a reasonable period of time before expiration of the opt-out in all cases.

(d) *No effect on opt-out period.* An opt-out period may not be shortened by sending a renewal notice to the consumer before expiration of the opt-out period, even if the consumer does not renew the opt out.

§ 717.28 Effective date, compliance date, and prospective application.

(a) *Effective date.* This subpart is effective January 1, 2008.

(b) *Mandatory compliance date.* Compliance with this subpart is required not later than October 1, 2008.

(c) *Prospective application.* The provisions of this subpart shall not prohibit you from using eligibility information that you receive from an affiliate to make solicitations to a consumer if you receive such information prior to October 1, 2008. For purposes of this section, you are deemed to receive eligibility information when such information is placed into a common database and is accessible by you.

Subpart D—Medical Information

SOURCE: 70 FR 70693, Nov. 22, 2005 and 70 FR 75931, Dec. 22, 2005 unless otherwise noted.

§ 717.30 Obtaining or using medical information in connection with a determination of eligibility for credit.

(a) *Scope.* This section applies to:

(1) A Federal credit union that participates as a creditor in a transaction; or

(2) Any other person that participates as a creditor in a transaction involving a person described in paragraph (a)(1) of this section.

(b) *General prohibition on obtaining or using medical information—(1) In general.*

A creditor may not obtain or use medical information pertaining to a consumer in connection with any determination of the consumer's eligibility, or continued eligibility, for credit, except as provided in this section.

(2) *Definitions.* (i) *Credit* has the same meaning as in section 702 of the Equal Credit Opportunity Act, 15 U.S.C. 1691a.

(ii) *Creditor* has the same meaning as in section 702 of the Equal Credit Opportunity Act, 15 U.S.C. 1691a.

(iii) *Eligibility, or continued eligibility, for credit* means the consumer's qualification or fitness to receive, or continue to receive, credit, including the terms on which credit is offered. The term does not include:

(A) Any determination of the consumer's qualification or fitness for employment, insurance (other than a credit insurance product), or other non-credit products or services;

(B) Authorizing, processing, or documenting a payment or transaction on behalf of the consumer in a manner that does not involve a determination of the consumer's eligibility, or continued eligibility, for credit; or

(C) Maintaining or servicing the consumer's account in a manner that does not involve a determination of the consumer's eligibility, or continued eligibility, for credit.

(c) *Rule of construction for obtaining and using unsolicited medical information*—(1) *In general.* A creditor does not obtain medical information in violation of the prohibition if it receives medical information pertaining to a consumer in connection with any determination of the consumer's eligibility, or continued eligibility, for credit without specifically requesting medical information.

(2) *Use of unsolicited medical information.* A creditor that receives unsolicited medical information in the manner described in paragraph (c)(1) of this section may use that information in connection with any determination of the consumer's eligibility, or continued eligibility, for credit to the extent the creditor can rely on at least one of the exceptions in §717.30(d) or (e).

(3) *Examples.* A creditor does not obtain medical information in violation of the prohibition if, for example:

(i) In response to a general question regarding a consumer's debts or expenses, the creditor receives information that the consumer owes a debt to a hospital.

(ii) In a conversation with the creditor's loan officer, the consumer informs the creditor that the consumer has a particular medical condition.

(iii) In connection with a consumer's application for an extension of credit, the creditor requests a consumer report from a consumer reporting agency and receives medical information in the consumer report furnished by the agency even though the creditor did not specifically request medical information from the consumer reporting agency.

(d) *Financial information exception for obtaining and using medical information*—(1) *In general.* A creditor may obtain and use medical information pertaining to a consumer in connection with any determination of the consumer's eligibility, or continued eligibility, for credit so long as:

(i) The information is the type of information routinely used in making credit eligibility determinations, such as information relating to debts, expenses, income, benefits, assets, collateral, or the purpose of the loan, including the use of proceeds;

(ii) The creditor uses the medical information in a manner and to an extent that is no less favorable than it would use comparable information that is not medical information in a credit transaction; and

(iii) The creditor does not take the consumer's physical, mental, or behavioral health, condition or history, type of treatment, or prognosis into account as part of any such determination.

(2) *Examples.* (i) *Examples of the types of information routinely used in making credit eligibility determinations.* Paragraph (d)(1)(i) of this section permits a creditor, for example, to obtain and use information about:

(A) The dollar amount, repayment terms, repayment history, and similar information regarding medical debts to calculate, measure, or verify the repayment ability of the consumer, the use of proceeds, or the terms for granting credit;

National Credit Union Administration

§ 717.30

(B) The value, condition, and lien status of a medical device that may serve as collateral to secure a loan;

(C) The dollar amount and continued eligibility for disability income, workers' compensation income, or other benefits related to health or a medical condition that is relied on as a source of repayment; or

(D) The identity of creditors to whom outstanding medical debts are owed in connection with an application for credit, including but not limited to, a transaction involving the consolidation of medical debts.

(ii) *Examples of uses of medical information consistent with the exception.* (A) A consumer includes on an application for credit information about two \$20,000 debts. One debt is to a hospital; the other debt is to a retailer. The creditor contacts the hospital and the retailer to verify the amount and payment status of the debts. The creditor learns that both debts are more than 90 days past due. Any two debts of this size that are more than 90 days past due would disqualify the consumer under the creditor's established underwriting criteria. The creditor denies the application on the basis that the consumer has a poor repayment history on outstanding debts. The creditor has used medical information in a manner and to an extent no less favorable than it would use comparable non-medical information.

(B) A consumer indicates on an application for a \$200,000 mortgage loan that she receives \$15,000 in long-term disability income each year from her former employer and has no other income. Annual income of \$15,000, regardless of source, would not be sufficient to support the requested amount of credit. The creditor denies the application on the basis that the projected debt-to-income ratio of the consumer does not meet the creditor's underwriting criteria. The creditor has used medical information in a manner and to an extent that is no less favorable than it would use comparable non-medical information.

(C) A consumer includes on an application for a \$10,000 home equity loan that he has a \$50,000 debt to a medical facility that specializes in treating a potentially terminal disease. The cred-

itor contacts the medical facility to verify the debt and obtain the repayment history and current status of the loan. The creditor learns that the debt is current. The applicant meets the income and other requirements of the creditor's underwriting guidelines. The creditor grants the application. The creditor has used medical information in accordance with the exception.

(iii) *Examples of uses of medical information inconsistent with the exception.*

(A) A consumer applies for \$25,000 of credit and includes on the application information about a \$50,000 debt to a hospital. The creditor contacts the hospital to verify the amount and payment status of the debt, and learns that the debt is current and that the consumer has no delinquencies in her repayment history. If the existing debt were instead owed to a retail department store, the creditor would approve the application and extend credit based on the amount and repayment history of the outstanding debt. The creditor, however, denies the application because the consumer is indebted to a hospital. The creditor has used medical information, here the identity of the medical creditor, in a manner and to an extent that is less favorable than it would use comparable non-medical information.

(B) A consumer meets with a loan officer of a creditor to apply for a mortgage loan. While filling out the loan application, the consumer informs the loan officer orally that she has a potentially terminal disease. The consumer meets the creditor's established requirements for the requested mortgage loan. The loan officer recommends to the credit committee that the consumer be denied credit because the consumer has that disease. The credit committee follows the loan officer's recommendation and denies the application because the consumer has a potentially terminal disease. The creditor has used medical information in a manner inconsistent with the exception by taking into account the consumer's physical, mental, or behavioral health, condition, or history, type of treatment, or prognosis as part of a determination of eligibility or continued eligibility for credit.

(C) A consumer who has an apparent medical condition, such as a consumer who uses a wheelchair or an oxygen tank, meets with a loan officer to apply for a home equity loan. The consumer meets the creditor's established requirements for the requested home equity loan and the creditor typically does not require consumers to obtain a debt cancellation contract, debt suspension agreement, or credit insurance product in connection with such loans. However, based on the consumer's apparent medical condition, the loan officer recommends to the credit committee that credit be extended to the consumer only if the consumer obtains a debt cancellation contract, debt suspension agreement, or credit insurance product from a nonaffiliated third party. The credit committee agrees with the loan officer's recommendation. The loan officer informs the consumer that the consumer must obtain a debt cancellation contract, debt suspension agreement, or credit insurance product from a nonaffiliated third party to qualify for the loan. The consumer obtains one of these products and the creditor approves the loan. The creditor has used medical information in a manner inconsistent with the exception by taking into account the consumer's physical, mental, or behavioral health, condition, or history, type of treatment, or prognosis in setting conditions on the consumer's eligibility for credit.

(e) *Specific exceptions for obtaining and using medical information*—(1) *In general.* A creditor may obtain and use medical information pertaining to a consumer in connection with any determination of the consumer's eligibility, or continued eligibility, for credit:

(i) To determine whether the use of a power of attorney or legal representative that is triggered by a medical condition or event is necessary and appropriate or whether the consumer has the legal capacity to contract when a person seeks to exercise a power of attorney or act as legal representative for a consumer based on an asserted medical condition or event;

(ii) To comply with applicable requirements of local, state, or Federal laws;

(iii) To determine, at the consumer's request, whether the consumer qualifies for a legally permissible special credit program or credit-related assistance program that is:

(A) Designed to meet the special needs of consumers with medical conditions; and

(B) Established and administered pursuant to a written plan that:

(1) Identifies the class of persons that the program is designed to benefit; and

(2) Sets forth the procedures and standards for extending credit or providing other credit-related assistance under the program;

(iv) To the extent necessary for purposes of fraud prevention or detection;

(v) In the case of credit for the purpose of financing medical products or services, to determine and verify the medical purpose of a loan and the use of proceeds;

(vi) Consistent with safe and sound practices, if the consumer or the consumer's legal representative specifically requests that the creditor use medical information in determining the consumer's eligibility, or continued eligibility, for credit, to accommodate the consumer's particular circumstances, and such request is documented by the creditor;

(vii) Consistent with safe and sound practices, to determine whether the provisions of a forbearance practice or program that is triggered by a medical condition or event apply to a consumer;

(viii) To determine the consumer's eligibility for, the triggering of, or the reactivation of a debt cancellation contract or debt suspension agreement if a medical condition or event is a triggering event for the provision of benefits under the contract or agreement; or

(ix) To determine the consumer's eligibility for, the triggering of, or the reactivation of a credit insurance product if a medical condition or event is a triggering event for the provision of benefits under the product.

(2) *Example of determining eligibility for a special credit program or credit assistance program.* A not-for-profit organization establishes a credit assistance program pursuant to a written plan that is designed to assist disabled veterans in

purchasing homes by subsidizing the down payment for the home purchase mortgage loans of qualifying veterans. The organization works through mortgage lenders and requires mortgage lenders to obtain medical information about the disability of any consumer that seeks to qualify for the program, use that information to verify the consumer's eligibility for the program, and forward that information to the organization. A consumer who is a veteran applies to a creditor for a home purchase mortgage loan. The creditor informs the consumer about the credit assistance program for disabled veterans and the consumer seeks to qualify for the program. Assuming that the program complies with all applicable law, including applicable fair lending laws, the creditor may obtain and use medical information about the medical condition and disability, if any, of the consumer to determine whether the consumer qualifies for the credit assistance program.

(3) *Examples of verifying the medical purpose of the loan or the use of proceeds.*

(i) If a consumer applies for \$10,000 of credit for the purpose of financing vision correction surgery, the creditor may verify with the surgeon that the procedure will be performed. If the surgeon reports that surgery will not be performed on the consumer, the creditor may use that medical information to deny the consumer's application for credit, because the loan would not be used for the stated purpose.

(ii) If a consumer applies for \$10,000 of credit for the purpose of financing cosmetic surgery, the creditor may confirm the cost of the procedure with the surgeon. If the surgeon reports that the cost of the procedure is \$5,000, the creditor may use that medical information to offer the consumer only \$5,000 of credit.

(iii) A creditor has an established medical loan program for financing particular elective surgical procedures. The creditor receives a loan application from a consumer requesting \$10,000 of credit under the established loan program for an elective surgical procedure. The consumer indicates on the application that the purpose of the loan is to finance an elective surgical procedure not eligible for funding

under the guidelines of the established loan program. The creditor may deny the consumer's application because the purpose of the loan is not for a particular procedure funded by the established loan program.

(4) *Examples of obtaining and using medical information at the request of the consumer.* (i) If a consumer applies for a loan and specifically requests that the creditor consider the consumer's medical disability at the relevant time as an explanation for adverse payment history information in his credit report, the creditor may consider such medical information in evaluating the consumer's willingness and ability to repay the requested loan to accommodate the consumer's particular circumstances, consistent with safe and sound practices. The creditor may also decline to consider such medical information to accommodate the consumer, but may evaluate the consumer's application in accordance with its otherwise applicable underwriting criteria. The creditor may not deny the consumer's application or otherwise treat the consumer less favorably because the consumer specifically requested a medical accommodation, if the creditor would have extended the credit or treated the consumer more favorably under the creditor's otherwise applicable underwriting criteria.

(ii) If a consumer applies for a loan by telephone and explains that his income has been and will continue to be interrupted on account of a medical condition and that he expects to repay the loan by liquidating assets, the creditor may, but is not required to, evaluate the application using the sale of assets as the primary source of repayment, consistent with safe and sound practices, provided that the creditor documents the consumer's request by recording the oral conversation or making a notation of the request in the consumer's file.

(iii) If a consumer applies for a loan and the application form provides a space where the consumer may provide any other information or special circumstances, whether medical or non-medical, that the consumer would like the creditor to consider in evaluating

§717.31

12 CFR Ch. VII (1–1–10 Edition)

the consumer's application, the creditor may use medical information provided by the consumer in that space on that application to accommodate the consumer's application for credit, consistent with safe and sound practices, or may disregard that information.

(iv) If a consumer specifically requests that the creditor use medical information in determining the consumer's eligibility, or continued eligibility, for credit and provides the creditor with medical information for that purpose, and the creditor determines that it needs additional information regarding the consumer's circumstances, the creditor may request, obtain, and use additional medical information about the consumer as necessary to verify the information provided by the consumer or to determine whether to make an accommodation for the consumer. The consumer may decline to provide additional information, withdraw the request for an accommodation, and have the application considered under the creditor's otherwise applicable underwriting criteria.

(v) If a consumer completes and signs a credit application that is not for medical purpose credit and the application contains boilerplate language that routinely requests medical information from the consumer or that indicates that by applying for credit the consumer authorizes or consents to the creditor obtaining and using medical information in connection with a determination of the consumer's eligibility, or continued eligibility, for credit, the consumer has not specifically requested that the creditor obtain and use medical information to accommodate the consumer's particular circumstances.

(5) *Example of a forbearance practice or program.* After an appropriate safety and soundness review, a creditor institutes a program that allows consumers who are or will be hospitalized to defer payments as needed for up to three months, without penalty, if the credit account has been open for more than one year and has not previously been in default, and the consumer provides confirming documentation at an appropriate time. A consumer is hospitalized and does not pay her bill for a particular month. This consumer has had

a credit account with the creditor for more than one year and has not previously been in default. The creditor attempts to contact the consumer and speaks with the consumer's adult child, who is not the consumer's legal representative. The adult child informs the creditor that the consumer is hospitalized and is unable to pay the bill at that time. The creditor defers payments for up to three months, without penalty, for the hospitalized consumer and sends the consumer a letter confirming this practice and the date on which the next payment will be due. The creditor has obtained and used medical information to determine whether the provisions of a medically-triggered forbearance practice or program apply to a consumer.

§717.31 Limits on redisclosure of information

(a) *Scope.* This section applies to Federal credit unions.

(b) *Limits on redisclosure.* If a Federal credit union receives medical information about a consumer from a consumer reporting agency or its affiliate, the person must not disclose that information to any other person, except as necessary to carry out the purpose for which the information was initially disclosed, or as otherwise permitted by statute, regulation, or order.

§717.32 Sharing medical information with affiliates.

(a) *Scope.* This section applies to Federal credit unions.

(b) *In general.* The exclusions from the term "consumer report" in section 603(d)(2) of the Act that allow the sharing of information with affiliates do not apply if a Federal credit union communicates to an affiliate:

(1) Medical information;

(2) An individualized list or description based on the payment transactions of the consumer for medical products or services; or

(3) An aggregate list of identified consumers based on payment transactions for medical products or services.

(c) *Exceptions.* A Federal credit union may rely on the exclusions from the term "consumer report" in section 603(d)(2) of the Act to communicate the

National Credit Union Administration

§ 717.41

information in paragraph (b) to an affiliate:

(1) In connection with the business of insurance or annuities (including the activities described in section 18B of the model Privacy of Consumer Financial and Health Information Regulation issued by the National Association of Insurance Commissioners, as in effect on January 1, 2003);

(2) For any purpose permitted without authorization under the regulations promulgated by the Department of Health and Human Services pursuant to the Health Insurance Portability and Accountability Act of 1996 (HIPAA);

(3) For any purpose referred to in section 1179 of HIPAA;

(4) For any purpose described in section 502(e) of the Gramm-Leach-Bliley Act;

(5) In connection with a determination of the consumer's eligibility, or continued eligibility, for credit consistent with § 717.30; or

(6) As otherwise permitted by order of the NCUA.

Subpart E—Duties of Furnishers of Information

SOURCE: 74 FR 31522, July 1, 2009, unless otherwise noted.

EFFECTIVE DATE NOTE: At 74 FR 31522, July 1, 2009, subpart E was added, effective July 1, 2010.

§ 717.40 Scope.

This subpart applies to a Federal credit union that furnishes information to a consumer reporting agency.

§ 717.41 Definitions.

For purposes of this subpart and appendix E of this part, the following definitions apply:

(a) *Accuracy* means that information that a furnisher provides to a consumer reporting agency about an account or other relationship with the consumer correctly:

(1) Reflects the terms of and liability for the account or other relationship;

(2) Reflects the consumer's performance and other conduct with respect to the account or other relationship; and

(3) Identifies the appropriate consumer.

(b) *Direct dispute* means a dispute submitted directly to a furnisher (including a furnisher that is a debt collector) by a consumer concerning the accuracy of any information contained in a consumer report and pertaining to an account or other relationship that the furnisher has or had with the consumer.

(c) *Furnisher* means an entity that furnishes information relating to consumers to one or more consumer reporting agencies for inclusion in a consumer report. An entity is not a furnisher when it:

(1) Provides information to a consumer reporting agency solely to obtain a consumer report in accordance with sections 604(a) and (f) of the Fair Credit Reporting Act;

(2) Is acting as a "consumer reporting agency" as defined in section 603(f) of the Fair Credit Reporting Act;

(3) Is a consumer to whom the furnished information pertains; or

(4) Is a neighbor, friend, or associate of the consumer, or another individual with whom the consumer is acquainted or who may have knowledge about the consumer, and who provides information about the consumer's character, general reputation, personal characteristics, or mode of living in response to a specific request from a consumer reporting agency.

(d) *Identity theft* has the same meaning as in 16 CFR 603.2(a).

(e) *Integrity* means that information that a furnisher provides to a consumer reporting agency about an account or other relationship with the consumer:

(1) Is substantiated by the furnisher's records at the time it is furnished;

(2) Is furnished in a form and manner that is designed to minimize the likelihood that the information may be incorrectly reflected in a consumer report; and

(3) Includes the information in the furnisher's possession about the account or other relationship that the NCUA has:

(i) Determined that the absence of which would likely be materially misleading in evaluating a consumer's

creditworthiness, credit standing, credit capacity, character, general reputation, personal characteristics, or mode of living; and

(ii) Listed in section I.(b)(2)(iii) of appendix E of this part.

§ 717.42 Reasonable policies and procedures concerning the accuracy and integrity of furnished information.

(a) *Policies and procedures.* Each furnisher must establish and implement reasonable written policies and procedures regarding the accuracy and integrity of the information relating to consumers that it furnishes to a consumer reporting agency. The policies and procedures must be appropriate to the nature, size, complexity, and scope of each furnisher's activities.

(b) *Guidelines.* Each furnisher must consider the guidelines in appendix E of this part in developing its policies and procedures required by this section, and incorporate those guidelines that are appropriate.

(c) *Reviewing and updating policies and procedures.* Each furnisher must review its policies and procedures required by this section periodically and update them as necessary to ensure their continued effectiveness.

§ 717.43 Direct disputes.

(a) *General rule.* Except as otherwise provided in this section, a furnisher must conduct a reasonable investigation of a direct dispute if it relates to:

(1) The consumer's liability for a credit account or other debt with the furnisher, such as direct disputes relating to whether there is or has been identity theft or fraud against the consumer, whether there is individual or joint liability on an account, or whether the consumer is an authorized user of a credit account;

(2) The terms of a credit account or other debt with the furnisher, such as direct disputes relating to the type of account, principal balance, scheduled payment amount on an account, or the amount of the credit limit on an open-end account;

(3) The consumer's performance or other conduct concerning an account or other relationship with the furnisher, such as direct disputes relating

to the current payment status, high balance, date a payment was made, the amount of a payment made, or the date an account was opened or closed; or

(4) Any other information contained in a consumer report regarding an account or other relationship with the furnisher that bears on the consumer's creditworthiness, credit standing, credit capacity, character, general reputation, personal characteristics, or mode of living.

(b) *Exceptions.* The requirements of paragraph (a) of this section do not apply to a furnisher if:

(1) The direct dispute relates to:

(i) The consumer's identifying information (other than a direct dispute relating to a consumer's liability for a credit account or other debt with the furnisher, as provided in paragraph (a)(1) of this section) such as name(s), date of birth, Social Security number, telephone number(s), or address(es);

(ii) The identity of past or present employers;

(iii) Inquiries or requests for a consumer report;

(iv) Information derived from public records, such as judgments, bankruptcies, liens, and other legal matters (unless provided by a furnisher with an account or other relationship with the consumer);

(v) Information related to fraud alerts or active duty alerts; or

(vi) Information provided to a consumer reporting agency by another furnisher; or

(2) The furnisher has a reasonable belief that the direct dispute is submitted by, is prepared on behalf of the consumer by, or is submitted on a form supplied to the consumer by, a credit repair organization, as defined in 15 U.S.C. 1679a(3), or an entity that would be a credit repair organization, but for 15 U.S.C. 1679a(3)(B)(i).

(c) *Direct dispute address.* A furnisher is required to investigate a direct dispute only if a consumer submits a dispute notice to the furnisher at:

(1) The address of a furnisher provided by a furnisher and set forth on a consumer report relating to the consumer;

(2) An address clearly and conspicuously specified by the furnisher for submitting direct disputes that is provided

to the consumer in writing or electronically (if the consumer has agreed to the electronic delivery of information from the furnisher); or

(3) Any business address of the furnisher if the furnisher has not so specified and provided an address for submitting direct disputes under paragraphs (c)(1) or (2) of this section.

(d) *Direct dispute notice contents.* A dispute notice must include:

(1) Sufficient information to identify the account or other relationship that is in dispute, such as an account number and the name, address, and telephone number of the consumer, if applicable;

(2) The specific information that the consumer is disputing and an explanation of the basis for the dispute; and

(3) All supporting documentation or other information reasonably required by the furnisher to substantiate the basis of the dispute. This documentation may include, for example: a copy of the relevant portion of the consumer report that contains the allegedly inaccurate information; a police report; a fraud or identity theft affidavit; a court order; or account statements.

(e) *Duty of furnisher after receiving a direct dispute notice.* After receiving a dispute notice from a consumer pursuant to paragraphs (c) and (d) of this section, the furnisher must:

(1) Conduct a reasonable investigation with respect to the disputed information;

(2) Review all relevant information provided by the consumer with the dispute notice;

(3) Complete its investigation of the dispute and report the results of the investigation to the consumer before the expiration of the period under section 611(a)(1) of the Fair Credit Reporting Act (15 U.S.C. 1681i(a)(1)) within which a consumer reporting agency would be required to complete its action if the consumer had elected to dispute the information under that section; and

(4) If the investigation finds that the information reported was inaccurate, promptly notify each consumer reporting agency to which the furnisher provided inaccurate information of that determination and provide to the consumer reporting agency any correction to that information that is necessary

to make the information provided by the furnisher accurate.

(f) *Frivolous or irrelevant disputes.* (1) A furnisher is not required to investigate a direct dispute if the furnisher has reasonably determined that the dispute is frivolous or irrelevant. A dispute qualifies as frivolous or irrelevant if:

(i) The consumer did not provide sufficient information to investigate the disputed information as required by paragraph (d) of this section;

(ii) The direct dispute is substantially the same as a dispute previously submitted by or on behalf of the consumer, either directly to the furnisher or through a consumer reporting agency, with respect to which the furnisher has already satisfied the applicable requirements of the Act or this section; provided, however, that a direct dispute is not substantially the same as a dispute previously submitted if the dispute includes information listed in paragraph (d) of this section that had not previously been provided to the furnisher; or

(iii) The furnisher is not required to investigate the direct dispute because one or more of the exceptions listed in paragraph (b) of this section applies.

(2) *Notice of determination.* Upon making a determination that a dispute is frivolous or irrelevant, the furnisher must notify the consumer of the determination not later than five business days after making the determination, by mail or, if authorized by the consumer for that purpose, by any other means available to the furnisher.

(3) *Contents of notice of determination that a dispute is frivolous or irrelevant.* A notice of determination that a dispute is frivolous or irrelevant must include the reasons for such determination and identify any information required to investigate the disputed information, which notice may consist of a standardized form describing the general nature of such information.

Subparts F–H [Reserved]

Subpart I—Duties of Users of Consumer Reports Regarding Address Discrepancies and Records Disposal

§§ 717.80–717.81 [Reserved]

§ 717.82 Duties of users regarding address discrepancies.

(a) *Scope.* This section applies to a user of consumer reports (user) that receives a notice of address discrepancy from a consumer reporting agency described in 15 U.S.C. 1681a(p), and that is federal credit union.

(b) *Definition.* For purposes of this section, a *notice of address discrepancy* means a notice sent to a user by a consumer reporting agency described in 15 U.S.C. 1681a(p) pursuant to 15 U.S.C. 1681c(h)(1), that informs the user of a substantial difference between the address for the consumer that the user provided to request the consumer report and the address(es) in the agency's file for the consumer.

(c) *Reasonable belief*—(1) *Requirement to form a reasonable belief.* A user must develop and implement reasonable policies and procedures designed to enable the user to form a reasonable belief that a consumer report relates to the consumer about whom it has requested the report, when the user receives a notice of address discrepancy.

(2) *Examples of reasonable policies and procedures.* (i) Comparing the information in the consumer report provided by the consumer reporting agency with information the user:

(A) Obtains and uses to verify the consumer's identity in accordance with the requirements of the Customer Identification Program (CIP) rules implementing 31 U.S.C. 5318(l) (31 CFR 103.121);

(B) Maintains in its own records, such as applications, change of address notifications, other member account records, or retained CIP documentation; or

(C) Obtains from third-party sources; or

(ii) Verifying the information in the consumer report provided by the consumer reporting agency with the consumer.

(d) *Consumer's address*—(1) *Requirement to furnish consumer's address to a*

consumer reporting agency. A user must develop and implement reasonable policies and procedures for furnishing an address for the consumer that the user has reasonably confirmed is accurate to the consumer reporting agency described in 15 U.S.C. 1681a(p) from whom it received the notice of address discrepancy when the user:

(i) Can form a reasonable belief that the consumer report relates to the consumer about whom the user requested the report;

(ii) Establishes a continuing relationship with the consumer; and

(iii) Regularly and in the ordinary course of business furnishes information to the consumer reporting agency from which the notice of address discrepancy relating to the consumer was obtained.

(2) *Examples of confirmation methods.* The user may reasonably confirm an address is accurate by:

(i) Verifying the address with the consumer about whom it has requested the report;

(ii) Reviewing its own records to verify the address of the consumer;

(iii) Verifying the address through third-party sources; or

(iv) Using other reasonable means.

(3) *Timing.* The policies and procedures developed in accordance with paragraph (d)(1) of this section must provide that the user will furnish the consumer's address that the user has reasonably confirmed is accurate to the consumer reporting agency described in 15 U.S.C. 1681a(p) as part of the information it regularly furnishes for the reporting period in which it establishes a relationship with the consumer.

§ 717.83 Disposal of consumer information.

(a) *In general.* You must properly dispose of any consumer information that you maintain or otherwise possess in a manner consistent with the Guidelines for Safeguarding Member Information, in appendix A to part 748 of this chapter.

(b) *Examples.* Appropriate measures to properly dispose of consumer information include the following examples.

National Credit Union Administration

§ 717.90

These examples are illustrative only and are not exclusive or exhaustive methods for complying with this section.

(1) Burning, pulverizing, or shredding papers containing consumer information so that the information cannot practicably be read or reconstructed.

(2) Destroying or erasing electronic media containing consumer information so that the information cannot practicably be read or reconstructed.

(c) *Rule of construction.* This section does not:

(1) Require you to maintain or destroy any record pertaining to a consumer that is not imposed under any other law; or

(2) Alter or affect any requirement imposed under any other provision of law to maintain or destroy such a record.

(d) *Definitions.* As used in this section:

(1) *Consumer information* means any record about an individual, whether in paper, electronic, or other form, that is a consumer report or is derived from a consumer report and that is maintained or otherwise possessed by or on behalf of the credit union for a business purpose. Consumer information also means a compilation of such records. The term does not include any record that does not identify an individual.

(i) *Consumer information* includes:

(A) A consumer report that you obtain;

(B) Information from a consumer report that you obtain from your affiliate after the consumer has been given a notice and has elected not to opt out of that sharing;

(C) Information from a consumer report that you obtain about an individual who applies for but does not receive a loan, including any loan sought by an individual for a business purpose;

(D) Information from a consumer report that you obtain about an individual who guarantees a loan (including a loan to a business entity); or

(E) Information from a consumer report that you obtain about an employee or prospective employee.

(ii) *Consumer information* does not include:

(A) Aggregate information, such as the mean credit score, derived from a group of consumer reports; or

(B) Blind data, such as payment history on accounts that are not personally identifiable, you use for developing credit scoring models or for other purposes.

(2) *Consumer report* has the same meaning as set forth in the Fair Credit Reporting Act, 15 U.S.C. 1681a(d). The meaning of consumer report is broad and subject to various definitions, conditions and exceptions in the Fair Credit Reporting Act. It includes written or oral communications from a consumer reporting agency to a third party of information used or collected for use in establishing eligibility for credit or insurance used primarily for personal, family or household purposes, and eligibility for employment purposes. Examples include credit reports, bad check lists, and tenant screening reports.

12 CFR Ch. VII (1–1–10 Edition)

(ii) Any other account that the federal credit union offers or maintains for which there is a reasonably foreseeable risk to members or to the safety and soundness of the federal credit union from identity theft, including financial, operational, compliance, reputation, or litigation risks.

(4) *Credit* has the same meaning as in 15 U.S.C. 1681a(r)(5).

(5) *Creditor* has the same meaning as in 15 U.S.C. 1681a(r)(5).

(6) *Customer* means a member that has a covered account with a federal credit union.

(7) *Financial institution* has the same meaning as in 15 U.S.C. 1681a(t).

(9) *Red Flag* means a pattern, practice, or specific activity that indicates the possible existence of identity theft.

(10) *Service provider* means a person that provides a service directly to the federal credit union.

(c) *Periodic Identification of Covered Accounts.* Each federal credit union must periodically determine whether it offers or maintains covered accounts. As a part of this determination, a federal credit union must conduct a risk assessment to determine whether it offers or maintains covered accounts described in paragraph (b)(3)(ii) of this section, taking into consideration:

(1) The methods it provides to open its accounts;

(2) The methods it provides to access its accounts; and

(3) Its previous experiences with identity theft.

(d) *Establishment of an Identity Theft Prevention Program.* (1) *Program requirement.* Each federal credit union that offers or maintains one or more covered accounts must develop and implement a written Identity Theft Prevention Program (Program) that is designed to detect, prevent, and mitigate identity theft in connection with the opening of a covered account or any existing covered account. The Program must be appropriate to the size and complexity of

the federal credit union and the nature and scope of its activities.

(2) *Elements of the Program.* The Program must include reasonable policies and procedures to:

(i) Identify relevant Red Flags for the covered accounts that the federal credit union offers or maintains, and incorporate those Red Flags into its Program;

(ii) Detect Red Flags that have been incorporated into the Program of the federal credit union;

(iii) Respond appropriately to any Red Flags that are detected pursuant to paragraph (d)(2)(ii) of this section to prevent and mitigate identity theft; and

(iv) Ensure the Program (including the Red Flags determined to be relevant) is updated periodically, to reflect changes in risks to members and to the safety and soundness of the federal credit union from identity theft.

(e) *Administration of the Program.* Each federal credit union that is required to implement a Program must provide for the continued administration of the Program and must:

(1) Obtain approval of the initial written Program from either its board of directors or an appropriate committee of the board of directors;

(2) Involve the board of directors, an appropriate committee thereof, or a designated employee at the level of senior management in the oversight, development, implementation and administration of the Program;

(3) Train staff, as necessary, to effectively implement the Program; and

(4) Exercise appropriate and effective oversight of service provider arrangements.

(f) *Guidelines.* Each federal credit union that is required to implement a Program must consider the guidelines in appendix J of this part and include in its Program those guidelines that are appropriate.

§717.91 Duties of card issuers regarding changes of address.

(a) *Scope.* This section applies to an issuer of a debit or credit card (card issuer) that is a federal credit union.

(b) *Definitions.* For purposes of this section:

(1) *Cardholder* means a member who has been issued a credit or debit card.

(2) *Clear and conspicuous* means reasonably understandable and designed to call attention to the nature and significance of the information presented.

(c) *Address validation requirements.* A card issuer must establish and implement reasonable policies and procedures to assess the validity of a change of address if it receives notification of a change of address for a member's debit or credit card account and, within a short period of time afterwards (during at least the first 30 days after it receives such notification), the card issuer receives a request for an additional or replacement card for the same account. Under these circumstances, the card issuer may not issue an additional or replacement card, until, in accordance with its reasonable policies and procedures and for the purpose of assessing the validity of the change of address, the card issuer:

(1)(i) Notifies the cardholder of the request:

(A) At the cardholder's former address; or

(B) By any other means of communication that the card issuer and the cardholder have previously agreed to use; and

(ii) Provides to the cardholder a reasonable means of promptly reporting incorrect address changes; or

(2) Otherwise assesses the validity of the change of address in accordance with the policies and procedures the card issuer has established pursuant to § 717.90 of this part.

(d) *Alternative timing of address validation.* A card issuer may satisfy the requirements of paragraph (c) of this section if it validates an address pursuant to the methods in paragraph (c)(1) or (c)(2) of this section when it receives an address change notification, before it receives a request for an additional or replacement card.

(e) *Form of notice.* Any written or electronic notice that the card issuer provides under this paragraph must be clear and conspicuous and provided separately from its regular correspondence with the cardholder.

a. Although use of the model forms is not required, use of the model forms in this appendix (as applicable) complies with the requirement in section 624 of the Act for clear, conspicuous, and concise notices.

b. Certain changes may be made to the language or format of the model forms without losing the protection from liability afforded by use of the model forms. These changes may not be so extensive as to affect the substance, clarity, or meaningful sequence of the language in the model forms. Persons making such extensive revisions will lose the safe harbor that this appendix provides. Acceptable changes include, for example:

1. Rearranging the order of the references to “your income,” “your account history,” and “your credit score.”

2. Substituting other types of information for “income,” “account history,” or “credit score” for accuracy, such as “payment history,” “credit history,” “payoff status,” or “claims history.”

3. Substituting a clearer and more accurate description of the affiliates providing or covered by the notice for phrases such as “the [ABC] group of companies,” including without limitation a statement that the entity providing the notice recently purchased the consumer's account.

4. Substituting other types of affiliates covered by the notice for “credit card,” “insurance brokerage,” or “securities brokerage” affiliates.

5. Omitting items that are not accurate or applicable. For example, if a person does not limit the duration of the opt-out period, the notice may omit information about the renewal notice.

6. Adding a statement informing consumers how much time they have to opt out before shared eligibility information may be used to make solicitations to them.

7. Adding a statement that the consumer may exercise the right to opt out at any time.

8. Adding the following statement, if accurate: “If you previously opted out, you do not need to do so again.”

9. Providing a place on the form for the consumer to fill in identifying information, such as his or her name and address:

10. Adding disclosures regarding the treatment of opt-outs by joint consumers to comply with § 717.23(a)(2) of this part.

APPENDIX D TO PART 717 [RESERVED]

APPENDIX E TO PART 717—INTERAGENCY GUIDELINES CONCERNING THE ACCURACY AND INTEGRITY OF INFORMATION FURNISHED TO CONSUMER REPORTING AGENCIES

The NCUA encourages voluntary furnishing of information to consumer reporting agencies. Section 717.42 of this part requires each furnisher to establish and implement reasonable written policies and procedures concerning the accuracy and integrity of the information it furnishes to consumer reporting agencies. Under §717.42(b), a furnisher must consider the guidelines set forth below in developing its policies and procedures. In establishing these policies and procedures, a furnisher may include any of its existing policies and procedures that are relevant and appropriate. Section 717.42(c) requires each furnisher to review its policies and procedures periodically and update them as necessary to ensure their continued effectiveness.

I. NATURE, SCOPE, AND OBJECTIVES OF POLICIES AND PROCEDURES

(a) *Nature and Scope.* Section 717.42(a) of this part requires that a furnisher's policies and procedures be appropriate to the nature, size, complexity, and scope of the furnisher's activities. In developing its policies and procedures, a furnisher should consider, for example:

(1) The types of business activities in which the furnisher engages;

(2) The nature and frequency of the information the furnisher provides to consumer reporting agencies; and

(3) The technology used by the furnisher to furnish information to consumer reporting agencies.

(b) *Objectives.* A furnisher's policies and procedures should be reasonably designed to promote the following objectives:

(1) To furnish information about accounts or other relationships with a consumer that is accurate, such that the furnished information:

(i) Identifies the appropriate consumer;

(ii) Reflects the terms of and liability for those accounts or other relationships; and

(iii) Reflects the consumer's performance and other conduct with respect to the account or other relationship;

(2) To furnish information about accounts or other relationships with a consumer that has integrity, such that the furnished information:

(i) Is substantiated by the furnisher's records at the time it is furnished;

(ii) Is furnished in a form and manner that is designed to minimize the likelihood that the information may be incorrectly reflected

in a consumer report; thus, the furnished information should:

(A) Include appropriate identifying information about the consumer to whom it pertains; and

(B) Be furnished in a standardized and clearly understandable form and manner and with a date specifying the time period to which the information pertains; and

(iii) Includes the credit limit, if applicable and in the furnisher's possession;

(3) To conduct reasonable investigations of consumer disputes and take appropriate actions based on the outcome of such investigations; and

(4) To update the information it furnishes as necessary to reflect the current status of the consumer's account or other relationship, including, for example:

(i) Any transfer of an account (*e.g.*, by sale or assignment for collection) to a third party; and

(ii) Any cure of the consumer's failure to abide by the terms of the account or other relationship.

II. ESTABLISHING AND IMPLEMENTING POLICIES AND PROCEDURES

In establishing and implementing its policies and procedures, a furnisher should:

(a) Identify practices or activities of the furnisher that can compromise the accuracy or integrity of information furnished to consumer reporting agencies, such as by:

(1) Reviewing its existing practices and activities, including the technological means and other methods it uses to furnish information to consumer reporting agencies and the frequency and timing of its furnishing of information;

(2) Reviewing its historical records relating to accuracy or integrity or to disputes; reviewing other information relating to the accuracy or integrity of information provided by the furnisher to consumer reporting agencies; and considering the types of errors, omissions, or other problems that may have affected the accuracy or integrity of information it has furnished about consumers to consumer reporting agencies;

(3) Considering any feedback received from consumer reporting agencies, consumers, or other appropriate parties;

(4) Obtaining feedback from the furnisher's staff; and

(5) Considering the potential impact of the furnisher's policies and procedures on consumers.

(b) Evaluate the effectiveness of existing policies and procedures of the furnisher regarding the accuracy and integrity of information furnished to consumer reporting agencies; consider whether new, additional, or different policies and procedures are necessary; and consider whether implementation of existing policies and procedures should be modified to enhance the accuracy

and integrity of information about consumers furnished to consumer reporting agencies.

(c) Evaluate the effectiveness of specific methods (including technological means) the furnisher uses to provide information to consumer reporting agencies; how those methods may affect the accuracy and integrity of the information it provides to consumer reporting agencies; and whether new, additional, or different methods (including technological means) should be used to provide information to consumer reporting agencies to enhance the accuracy and integrity of that information.

III. SPECIFIC COMPONENTS OF POLICIES AND PROCEDURES

In developing its policies and procedures, a furnisher should address the following, as appropriate:

(a) Establishing and implementing a system for furnishing information about consumers to consumer reporting agencies that is appropriate to the nature, size, complexity, and scope of the furnisher's business operations.

(b) Using standard data reporting formats and standard procedures for compiling and furnishing data, where feasible, such as the electronic transmission of information about consumers to consumer reporting agencies.

(c) Maintaining records for a reasonable period of time, not less than any applicable recordkeeping requirement, in order to substantiate the accuracy of any information about consumers it furnishes that is subject to a direct dispute.

(d) Establishing and implementing appropriate internal controls regarding the accuracy and integrity of information about consumers furnished to consumer reporting agencies, such as by implementing standard procedures and verifying random samples of information provided to consumer reporting agencies.

(e) Training staff that participates in activities related to the furnishing of information about consumers to consumer reporting agencies to implement the policies and procedures.

(f) Providing for appropriate and effective oversight of relevant service providers whose activities may affect the accuracy or integrity of information about consumers furnished to consumer reporting agencies to ensure compliance with the policies and procedures.

(g) Furnishing information about consumers to consumer reporting agencies following mergers, portfolio acquisitions or sales, or other acquisitions or transfers of accounts or other obligations in a manner that prevents re-aging of information, duplicative reporting, or other problems that may similarly affect the accuracy or integrity of the information furnished.

(h) Deleting, updating, and correcting information in the furnisher's records, as appropriate, to avoid furnishing inaccurate information.

(i) Conducting reasonable investigations of disputes.

(j) Designing technological and other means of communication with consumer reporting agencies to prevent duplicative reporting of accounts, erroneous association of information with the wrong consumer(s), and other occurrences that may compromise the accuracy or integrity of information provided to consumer reporting agencies.

(k) Providing consumer reporting agencies with sufficient identifying information in the furnisher's possession about each consumer about whom information is furnished to enable the consumer reporting agency properly to identify the consumer.

(l) Conducting a periodic evaluation of its own practices, consumer reporting agency practices of which the furnisher is aware, investigations of disputed information, corrections of inaccurate information, means of communication, and other factors that may affect the accuracy or integrity of information furnished to consumer reporting agencies.

(m) Complying with applicable requirements under the Fair Credit Reporting Act and its implementing regulations.

APPENDICES F-I TO PART 717

[RESERVED]

APPENDIX J TO PART 717—INTERAGENCY GUIDELINES ON IDENTITY THEFT DETECTION, PREVENTION, AND MITIGATION

Section 717.90 of this part requires each federal credit union that offers or maintains one or more covered accounts, as defined in §717.90(b)(3) of this part, to develop and provide for the continued administration of a written Program to detect, prevent, and mitigate identity theft in connection with the opening of a covered account or any existing covered account. These guidelines are intended to assist federal credit unions in the formulation and maintenance of a Program that satisfies the requirements of §717.90 of this part.

I. The Program

In designing its Program, a federal credit union may incorporate, as appropriate, its existing policies, procedures, and other arrangements that control reasonably foreseeable risks to members or to the safety and

soundness of the federal credit union from identity theft.

II. Identifying Relevant Red Flags

(a) *Risk Factors.* A federal credit union should consider the following factors in identifying relevant Red Flags for covered accounts, as appropriate:

(1) The types of covered accounts it offers or maintains;

(2) The methods it provides to open its covered accounts;

(3) The methods it provides to access its covered accounts; and

(4) Its previous experiences with identity theft.

(b) *Sources of Red Flags.* Federal credit unions should incorporate relevant Red Flags from sources such as:

(1) Incidents of identity theft that the federal credit union has experienced;

(2) Methods of identity theft that the federal credit union has identified that reflect changes in identity theft risks; and

(3) Applicable supervisory guidance.

(c) *Categories of Red Flags.* The Program should include relevant Red Flags from the following categories, as appropriate. Examples of Red Flags from each of these categories are appended as Supplement A to this appendix J.

(1) Alerts, notifications, or other warnings received from consumer reporting agencies or service providers, such as fraud detection services;

(2) The presentation of suspicious documents;

(3) The presentation of suspicious personal identifying information, such as a suspicious address change;

(4) The unusual use of, or other suspicious activity related to, a covered account; and

(5) Notice from members, victims of identity theft, law enforcement authorities, or other persons regarding possible identity theft in connection with covered accounts held by the federal credit union.

III. Detecting Red Flags

The Program's policies and procedures should address the detection of Red Flags in connection with the opening of covered accounts and existing covered accounts, such as by:

(a) Obtaining identifying information about, and verifying the identity of, a person opening a covered account, for example, using the policies and procedures regarding identification and verification set forth in the Customer Identification Program rules implementing 31 U.S.C. 5318(l) (31 CFR 103.121); and

(b) Authenticating members, monitoring transactions, and verifying the validity of change of address requests, in the case of existing covered accounts.

IV. Preventing and Mitigating Identity Theft

The Program's policies and procedures should provide for appropriate responses to the Red Flags the federal credit union has detected that are commensurate with the degree of risk posed. In determining an appropriate response, a federal credit union should consider aggravating factors that may heighten the risk of identity theft, such as a data security incident that results in unauthorized access to a member's account records held by the federal credit union or a third party, or notice that a member has provided information related to a covered account held by the federal credit union to someone fraudulently claiming to represent the federal credit union or to a fraudulent website. Appropriate responses may include the following:

- (a) Monitoring a covered account for evidence of identity theft;
- (b) Contacting the member;
- (c) Changing any passwords, security codes, or other security devices that permit access to a covered account;
- (d) Reopening a covered account with a new account number;
- (e) Not opening a new covered account;
- (f) Closing an existing covered account;
- (g) Not attempting to collect on a covered account or not selling a covered account to a debt collector;
- (h) Notifying law enforcement; or
- (i) Determining that no response is warranted under the particular circumstances.

V. Updating the Program

Federal credit unions should update the Program (including the Red Flags determined to be relevant) periodically, to reflect changes in risks to members or to the safety and soundness of the federal credit union from identity theft, based on factors such as:

- (a) The experiences of the federal credit union with identity theft;
- (b) Changes in methods of identity theft;
- (c) Changes in methods to detect, prevent, and mitigate identity theft;
- (d) Changes in the types of accounts that the federal credit union offers or maintains; and
- (e) Changes in the business arrangements of the federal credit union, including mergers, acquisitions, alliances, joint ventures, and service provider arrangements.

VI. Methods for Administering the Program

(a) *Oversight of Program.* Oversight by the board of directors, an appropriate committee of the board, or a designated employee at the level of senior management should include:

- (1) Assigning specific responsibility for the Program's implementation;
- (2) Reviewing reports prepared by staff regarding compliance by the federal credit union with § 717.90 of this part; and

(3) Approving material changes to the Program as necessary to address changing identity theft risks.

(b) *Reports.* (1) *In general.* Staff of the federal credit union responsible for development, implementation, and administration of its Program should report to the board of directors, an appropriate committee of the board, or a designated employee at the level of senior management, at least annually, on compliance by the federal credit union with § 717.90 of this part.

(2) *Contents of report.* The report should address material matters related to the Program and evaluate issues such as: the effectiveness of the policies and procedures of the federal credit union in addressing the risk of identity theft in connection with the opening of covered accounts and with respect to existing covered accounts; service provider arrangements; significant incidents involving identity theft and management's response; and recommendations for material changes to the Program.

(c) *Oversight of service provider arrangements.* Whenever a federal credit union engages a service provider to perform an activity in connection with one or more covered accounts the federal credit union should take steps to ensure that the activity of the service provider is conducted in accordance with reasonable policies and procedures designed to detect, prevent, and mitigate the risk of identity theft. For example, a federal credit union could require the service provider by contract to have policies and procedures to detect relevant Red Flags that may arise in the performance of the service provider's activities, and either report the Red Flags to the federal credit union, or to take appropriate steps to prevent or mitigate identity theft.

VII. Other Applicable Legal Requirements

Federal credit unions should be mindful of other related legal requirements that may be applicable, such as:

(a) Filing a Suspicious Activity Report under 31 U.S.C. 5318(g) and 12 CFR 748.1(c);

(b) Implementing any requirements under 15 U.S.C. 1681c–1(h) regarding the circumstances under which credit may be extended when the federal credit union detects a fraud or active duty alert;

(c) Implementing any requirements for furnishers of information to consumer reporting agencies under 15 U.S.C. 1681s–2, for example, to correct or update inaccurate or incomplete information, and to not report information that the furnisher has reasonable cause to believe is inaccurate; and

(d) Complying with the prohibitions in 15 U.S.C. 1681m on the sale, transfer, and placement for collection of certain debts resulting from identity theft.

Supplement A to Appendix J

In addition to incorporating Red Flags from the sources recommended in section II.b. of the Guidelines in appendix J of this part, each federal credit union may consider incorporating into its Program, whether singly or in combination, Red Flags from the following illustrative examples in connection with covered accounts:

Alerts, Notifications or Warnings From a Consumer Reporting Agency

1. A fraud or active duty alert is included with a consumer report.
2. A consumer reporting agency provides a notice of credit freeze in response to a request for a consumer report.
3. A consumer reporting agency provides a notice of address discrepancy, as defined in § 717.82(b) of this part.
4. A consumer report indicates a pattern of activity that is inconsistent with the history and usual pattern of activity of an applicant or member, such as:
 - a. A recent and significant increase in the volume of inquiries;
 - b. An unusual number of recently established credit relationships;
 - c. A material change in the use of credit, especially with respect to recently established credit relationships; or
 - d. An account that was closed for cause or identified for abuse of account privileges by a financial institution or creditor.

Suspicious Documents

5. Documents provided for identification appear to have been altered or forged.
6. The photograph or physical description on the identification is not consistent with the appearance of the applicant or member presenting the identification.
7. Other information on the identification is not consistent with information provided by the person opening a new covered account or member presenting the identification.
8. Other information on the identification is not consistent with readily accessible information that is on file with the federal credit union, such as a signature card or a recent check.
9. An application appears to have been altered or forged, or gives the appearance of having been destroyed and reassembled.

Suspicious Personal Identifying Information

10. Personal identifying information provided is inconsistent when compared against external information sources used by the federal credit union. For example:
 - a. The address does not match any address in the consumer report; or
 - b. The Social Security Number (SSN) has not been issued, or is listed on the Social Security Administration's Death Master File.

11. Personal identifying information provided by the member is not consistent with other personal identifying information provided by the member. For example, there is a lack of correlation between the SSN range and date of birth.

12. Personal identifying information provided is associated with known fraudulent activity as indicated by internal or third-party sources used by the federal credit union. For example:

- a. The address on an application is the same as the address provided on a fraudulent application; or
- b. The phone number on an application is the same as the number provided on a fraudulent application.

13. Personal identifying information provided is of a type commonly associated with fraudulent activity as indicated by internal or third-party sources used by the federal credit union. For example:

- a. The address on an application is fictitious, a mail drop, or prison; or
- b. The phone number is invalid, or is associated with a pager or answering service.

14. The SSN provided is the same as that submitted by other persons opening an account or other members.

15. The address or telephone number provided is the same as or similar to the address or telephone number submitted by an unusually large number of other persons opening accounts or by other members.

16. The person opening the covered account or the member fails to provide all required personal identifying information on an application or in response to notification that the application is incomplete.

17. Personal identifying information provided is not consistent with personal identifying information that is on file with the federal credit union.

18. For federal credit unions that use challenge questions, the person opening the covered account or the member cannot provide authenticating information beyond that which generally would be available from a wallet or consumer report.

Unusual Use of, or Suspicious Activity Related to, the Covered Account

19. Shortly following the notice of a change of address for a covered account, the institution or creditor receives a request for a new, additional, or replacement card or a cell phone, or for the addition of authorized users on the account.

20. A new revolving credit account is used in a manner commonly associated with known patterns of fraud. For example:

- a. The majority of available credit is used for cash advances or merchandise that is easily convertible to cash (e.g., electronics equipment or jewelry); or

Pt. 721

12 CFR Ch. VII (1–1–10 Edition)

b. The member fails to make the first payment or makes an initial payment but no subsequent payments.

21. A covered account is used in a manner that is not consistent with established patterns of activity on the account. There is, for example:

a. Nonpayment when there is no history of late or missed payments;

b. A material increase in the use of available credit;

c. A material change in purchasing or spending patterns;

d. A material change in electronic fund transfer patterns in connection with a deposit account; or

23. Mail sent to the member is returned repeatedly as undeliverable although transactions continue to be conducted in connection with the member's covered account.

24. The federal credit union is notified that the member is not receiving paper account statements.

25. The federal credit union is notified of unauthorized charges or transactions in connection with a member's covered account.

Notice From Members, Victims of Identity Theft, Law Enforcement Authorities, or Other Persons Regarding Possible Identity Theft in Connection With Covered Accounts Held by the Federal Credit Union

26. The federal credit union is notified by a member, a victim of identity theft, a law enforcement authority, or any other person that it has opened a fraudulent account for a person engaged in identity theft.

AUTHORITY: 12 U.S.C. 1757(17), 1766 and 1789.

SOURCE: 66 FR 40857, Aug. 6, 2001, unless otherwise noted.

§ 721.1 What does this part cover?

This part authorizes a federal credit union (you) to engage in activities incidental to your business as set out in this part. This part also describes how interested parties may request a legal opinion on whether an activity is within a federal credit union's incidental powers or apply to add new activities or categories to the regulation. An activity approved in a legal opinion to an interested party or as a result of an application by an interested party to add new activities or categories is recognized as an incidental powers activity for all federal credit unions. This part does not apply to the activities of corporate credit unions.

§ 721.2 What is an incidental powers activity?

An incidental powers activity is one that is necessary or requisite to enable you to carry on effectively the business for which you are incorporated. An activity meets the definition of an incidental power activity if the activity:

(a) Is convenient or useful in carrying out the mission or business of credit unions consistent with the Federal Credit Union Act;

(b) Is the functional equivalent or logical outgrowth of activities that are part of the mission or business of credit unions; and

(c) Involves risks similar in nature to those already assumed as part of the business of credit unions.

§ 721.3 What categories of activities are preapproved as incidental powers necessary or requisite to carry on a credit union's business?

The categories of activities in this section are preapproved as incidental to carrying on your business under § 721.2. The examples of incidental powers activities within each category are provided in this section as illustrations

(f) *Finder activities.* Finder activities are activities in which you introduce or otherwise bring together outside vendors with your members so that the two parties may negotiate and consummate transactions and include vendors of non-financial products, vendors that are other financial institutions, and vendors of financial products such as insurance and securities. Finder activities may include endorsing a product or service, negotiating group discounts on behalf of your members, offering third party products and services to members through the sale of advertising space on your Web site, account statements and receipts, and selling statistical or consumer financial information to outside vendors to facilitate the sale of their products to your members. You may perform administrative functions on behalf of vendors to facilitate transactions between your members and another institution.

(g) *Loan-related products.* Loan-related products are the products, activities or services you provide to your members in a lending transaction that protect you against credit-related risks or are otherwise incidental to your lending authority. [66 FR 40857, Aug. 6, 2001, as amended at 69 FR 45238, July 29, 2004; 73 FR 62856, Oct. 22, 2008]

§ 721.4 How may a credit union apply to engage in an activity that is not preapproved as within a credit union's incidental powers?

(a) *Application contents.* To engage in an activity that may be within an FCU's incidental powers but that does not fall within a preapproved category listed in § 721.3, you may submit an application by certified mail, return receipt requested, to the NCUA Board. Your application must describe the ac-

tivity, your explanation, consistent with the test provided in paragraph (c) of this section, of why this activity is within your incidental powers, your plan for implementing the proposed activity, any state licenses you must obtain to conduct the activity, and any other information necessary to describe the proposed activity adequately. Before you engage in the petition process you should seek an advisory opinion from NCUA's Office of General Counsel, as to whether a proposed activity fits into one of the authorized categories or is otherwise within your incidental powers without filing a petition to amend the regulation.

(b) *Processing of application.* Your application must be filed with the Secretary of the NCUA Board. NCUA will review your application for completeness and will notify you whether additional information is required or whether the activity requested is permissible under one of the categories listed in § 721.3. If the activity falls within a category provided in § 721.3, NCUA will notify you that the activity is permissible and treat the application as withdrawn. If the activity does not fall within a category provided in § 721.3, NCUA staff will consider whether the proposed activity is legally permissible. Upon a recommendation by NCUA staff that the activity is within a credit union's incidental powers, the NCUA Board may amend § 721.3 and will request public comment on the establishment of a new category of activities within § 721.3. If the activity proposed in your application fails to meet the criteria established in paragraph (c) of this section, NCUA will notify you within a reasonable period of time.

(c) *Decision on application.* In determining whether an activity is authorized as an appropriate exercise of a federal credit union's incidental powers, the Board will consider:

(1) Whether the activity is convenient or useful in carrying out the mission or business of credit unions consistent with the Act;

(2) Whether the activity is the functional equivalent or logical outgrowth of activities that are part of the mission or business of credit unions; and

National Credit Union Administration

§ 722.1

(3) Whether the activity involves risks similar in nature to those already assumed as part of the business of credit unions.

§ 721.5 What limitations apply to a credit union engaging in activities approved under this part?

You must comply with any applicable NCUA regulations, policies, and legal opinions, as well as applicable state and federal law, if an activity authorized under this part is otherwise regulated or conditioned.

§ 721.6 May a credit union derive income from activities approved under this part?

You may earn income for those activities determined to be incidental to your business.

§ 721.7 What are the potential conflicts of interest for officials and employees when credit unions engage in activities approved under this part?

(a) *Conflicts.* No official, employee, or their immediate family member may receive any compensation or benefit, directly or indirectly, in connection with your engagement in an activity authorized under this part, except as otherwise provided in paragraph (b) of this section. This section does not apply if a conflicts of interest provision within another section of this chapter applies to a particular activity; in such case, the more specific conflicts of interest provision controls. For example: An official or employee that refers loan-related products offered by a third-party to a member, in connection with a loan made by you, is subject to the conflicts of interest provision in § 701.21(c)(8) of this chapter.

(b) *Permissible payments.* This section does not prohibit:

(1) Payment, by you, of salary to your employees;

(2) Payment, by you, of an incentive or bonus to an employee based on your overall financial performance;

(3) Payment, by you, of an incentive or bonus to an employee, other than a senior management employee or paid official, in connection with an activity authorized by this part, provided that your board of directors establishes written policies and internal controls for the incentive program and monitors

compliance with such policies and controls at least annually; and

(4) Payment, by a person other than you, of any compensation or benefit to an employee, other than a senior management employee or paid official, in connection with an activity authorized by this part, provided that your board of directors establishes written policies and internal controls regarding third-party compensation and determines that the employee's involvement does not present a conflict of interest.

(c) *Business associates and family members.* All transactions with business associates or family members not specifically prohibited by paragraph (a) of this section must be conducted at arm's length and in the interest of the credit union.

(d) *Definitions.* For purposes of this part, the following definitions apply.

(1) *Senior management employee* means your chief executive officer (typically, this individual holds the title of President or Treasurer/Manager), any assistant chief executive officers (e.g. Assistant President, Vice President, or Assistant Treasurer/Manager), and the chief financial officer (Comptroller).

(2) *Official* means any member of your board of directors, credit committee or supervisory committee.

(3) *Immediate family member* means a spouse or other family member living in the same household.

§ 722.2

12 CFR Ch. VII (1–1–10 Edition)

(“FIRREA”) (Pub. L. 101–73, 103 Stat. 183, 1989) and 12 U.S.C. 1757 and 1766.

(b) *Purpose and scope.* (1) Title XI provides protection for federal financial and public policy interests in real estate-related transactions by requiring real estate appraisals used in connection with federally related transactions to be performed in writing, in accordance with uniform standards, by appraisers whose competency has been demonstrated and whose professional conduct will be subject to effective supervision. This part implements the requirements of title XI and applies to all federally related transactions entered into by the National Credit Union Administration or by federally insured credit unions (“regulated institutions”).

(2) This part: (i) Identifies which real estate-related financial transactions require the services of an appraiser;

(ii) Prescribes which categories of federally related transactions shall be appraised by a state-certified appraiser and which by a state-licensed appraiser; and

§ 722.2 Definitions.

(f) *Market value* means the most probable price which a property should bring in a competitive and open market under all conditions requisite to a fair sale, the buyer and seller each acting prudently and knowledgeably and assuming the price is not affected by undue stimulus. Implicit in this definition is the consummation of a sale as of a specified date and the passing of title from seller to buyer under conditions whereby:

(1) Buyer and seller are typically motivated;

(2) Both parties are well informed or well advised; and acting in what they consider their own best interests;

(3) A reasonable time is allowed for exposure in the open market;

(4) Payment is made in terms of cash in U.S. dollars or in terms of financial arrangements comparable thereto; and

(5) The price represents the normal consideration for the property sold unaffected by special or creative financing or sales concessions granted by anyone associated with the sale.

(g) *Real estate or real property* means an identified parcel or tract of land, including easements, rights of way, undivided or future interests and similar rights in a parcel or tract of land, but does not include mineral rights, timber rights, and growing crops, water rights and similar interests severable from the land when the transaction does not involve the associated parcel or tract of land.

§ 722.3

(i) *State-certified appraiser* means any individual who has satisfied the requirements for certification in a state or territory whose criteria for certification as a real estate appraiser currently meet the minimum criteria for certification issued by the Appraiser Qualification Board of the Appraisal Foundation. No individual shall be a state-certified appraiser unless such individual has achieved a passing grade upon a suitable examination administered by a state or territory that is consistent with and equivalent to the Uniform State Certification Examination issued or endorsed by the Appraiser Qualification Board. In addition, the Appraisal Subcommittee must not have issued a finding that the policies, practices, or procedures of a state or territory are inconsistent with title XI of FIRREA. The National Credit Union Administration may, from time to time, impose additional qualification criteria for certified appraisers performing appraisals in connection with federally related transactions within its jurisdiction.

(j) *State-licensed appraiser* means any individual who has satisfied the requirements for licensing in a state or territory where the licensing procedures comply with title XI of FIRREA and where the Appraisal Subcommittee has not issued a finding that the policies, practices, or procedures of the State or territory are inconsistent with title XI. The NCUA may, from time to time, impose additional qualification criteria for licensed appraisers performing appraisals in connection with federally related transactions within its jurisdiction.

(k) *Tract development* means a project of five units or more that is constructed or is to be constructed as a single development.

(l) *Transaction value means:* (1) For loans or other extensions of credit, the amount of the loan or extension of credit; and

§ 722.3 Appraisals required; transactions requiring a State certified or licensed appraiser.

(a) *Appraisals required.* An appraisal performed by a State certified or licensed appraiser is required for all real estate-related financial transactions except those in which:

(1) The transaction value is \$250,000 or less;

(2) A lien on real property has been taken as collateral through an abundance of caution and where the terms of the transaction as a consequence have not been made more favorable than they would have been in the absence of a lien;

(3) A lien on real estate has been taken for purposes other than the real estate's value;

(4) A lease of real estate is entered into, unless the lease is the economic equivalent of a purchase or sale of the leased real estate;

(5) The transaction involves an existing extension of credit at the credit union, provided that:

(i) There is no advancement of new monies, other than funds necessary to cover reasonable closing costs; and

(ii) There has been no obvious and material change in market conditions or physical aspects of the property that threatens the adequacy of the credit union's real estate collateral protection after the transaction;

(6) The transaction involves the purchase, sale, investment in, exchange of, or extension of credit secured by, a loan or interest in a loan, pooled loans, or interests in real property, including mortgage-backed securities, and each loan or interest in a loan, pooled loan, or real property interest met the requirements of this regulation, if applicable, at the time of origination;

(7) The transaction is wholly or partially insured or guaranteed by a United States government agency or United States government sponsored agency;

(8) The transaction either:

(i) Qualifies for sale to a United States government agency or United

§ 722.4

12 CFR Ch. VII (1–1–10 Edition)

States government sponsored agency; or

(ii) Involves a residential real estate transaction in which the appraisal conforms to the Federal National Mortgage Association or Federal Home Loan Mortgage Corporation appraisal standards applicable to that category of real estate; or

(9) The regional director has granted a waiver from the appraisal requirement for a category of loans meeting the definition of a member business loan.

(b) *Transactions requiring a State-certified appraiser.* (1) (All transactions of \$1,000,000 or more) All federally related transactions having a transaction value of \$1,000,000 or more shall require an appraisal prepared by a state-certified appraiser.

(2) (Nonresidential transactions) All federally related transactions having a transaction value of more than \$250,000, other than those involving appraisals of 1- to 4-family residential properties, shall require an appraisal prepared by a state-certified appraiser.

(3) (Complex residential transactions of \$250,000 or more) All complex 1- to 4-family residential property appraisals rendered in connection with federally related transactions shall require a state-certified appraiser if the transaction value is \$250,000 or more. A regulated institution may presume that appraisals of 1- to 4-family residential properties are not complex unless the institution has readily available information that a given appraisal will be complex. The regulated institution shall be responsible for making the final determination of whether the appraisal is complex. If, during the course of the appraisal, a licensed appraiser identifies factors that would result in the property, form of ownership, or market conditions being considered atypical, then either:

(i) The regulated institution may ask the licensed appraiser to complete the appraisal and have a certified appraiser approve and cosign the appraisal; or

(ii) The institution may engage a certified appraiser to complete the appraisal.

(c) *Transactions requiring either a State-certified or -licensed appraiser.* All appraisals for federally related trans-

actions not requiring the services of a state-certified appraiser shall be prepared by either a state-certified appraiser or a state-licensed appraiser.

(d) *Valuation requirement.* Secured transactions exempted from appraisal requirements pursuant to paragraphs (a)(1) and (a)(5) of this section and not otherwise exempted from this regulation or fully insured shall be supported by a written estimate of market value, as defined in this regulation, performed by an individual having no direct or indirect interest in the property, and qualified and experienced to perform such estimates of value for the type and amount of credit being considered.

(e) *Appraisals to address safety and soundness concerns.* NCUA reserves the right to require an appraisal under this subpart whenever the agency believes it is necessary to address safety and soundness concerns.

§ 722.4 Minimum appraisal standards.

For federally related transactions, all appraisals shall, at a minimum:

(a) Conform to generally accepted appraisal standards as evidenced by the Uniform Standards of Professional Appraisal Practice (USPAP) promulgated by the Appraisal Standards Board of the Appraisal Foundation, 1029 Vermont Ave., NW., Washington, DC 20005;

(b) Be written and contain sufficient information and analysis to support the institution's decision to engage in the transaction;

(c) Analyze and report appropriate deductions and discounts for proposed construction or renovation, partially leased buildings, non-market lease terms, and tract developments with unsold units;

(d) Be based upon the definition of market value as set forth in § 722.2(f); and

(e) Be performed by State licensed or certified appraisers in accordance with requirements set forth in this subpart.

[60 FR 51894, Oct. 4, 1995]

§ 722.5 Appraiser independence.

(a) *Staff appraiser.* If an appraisal is prepared by a staff appraiser, that appraiser must be independent of the lending, investment, and collection functions and not involved, except as an appraiser, in the federally related transaction, and have no direct or indirect interest, financial or otherwise, in the property. If the only qualified persons available to perform an appraisal are involved in the lending, investment, or collection functions of the credit union, the credit union shall take appropriate steps to ensure that the appraisers exercise independent judgment. Such steps include, but are not limited to, prohibiting an individual from performing an appraisal in connection with federally related transactions in which the appraiser is otherwise involved.

(b) *Fee Appraisers.* (1) If an appraisal is prepared by a fee appraiser, the appraiser shall be engaged directly by the credit union or its agent and have no direct or indirect interest, financial or otherwise, in the property or the transaction.

(2) A credit union also may accept an appraisal that was prepared by an appraiser engaged directly by another financial services institution; if:

(i) The appraiser has no direct or indirect interest, financial or otherwise, in the property or transaction; and

(ii) The credit union determines that the appraisal conforms to the requirement of this regulation and is otherwise acceptable.

[55 FR 30207, July 25, 1990, as amended at 60 FR 51895, Oct. 4, 1995]

§ 722.6 Professional association membership; competency.

(a) *Membership in appraisal organization.* A state-certified appraiser or a state-licensed appraiser may not be excluded from consideration for an assignment for a federally related transaction solely by virtue of membership or lack of membership in any particular appraisal organization.

(b) *Competency.* All staff and fee appraisers performing appraisals in connection with federally related transactions must be state-certified or -licensed as appropriate. However, a

state-certified or -licensed appraiser may not be considered competent solely by virtue of being certified or licensed. Any determination of competency shall be based upon the individual's experience and educational background as they relate to the particular appraisal assignment for which he or she is being considered.

§ 722.7 Enforcement.

Credit unions and institution-affiliated parties, including staff appraisers and fee appraisers, may be subject to removal and/or prohibition orders, cease-and-desist orders, and the imposition of civil money penalties pursuant to section 1786 of the Federal Credit Union Act, or any other applicable law.

PART 723—MEMBER BUSINESS LOANS

SOURCE: 64 FR 28729, May 27, 1999, unless otherwise noted.

§ 723.1 What is a member business loan?

(a) *General rule.* A member business loan includes any loan, line of credit, or letter of credit (including any unfunded commitments) where the borrower uses the proceeds for the following purposes:

- (1) Commercial;
- (2) Corporate;
- (3) Other business investment property or venture; or
- (4) Agricultural.

(b) *Exceptions to the general rule.* The following are not member business loans:

(1) A loan fully secured by a lien on a 1 to 4 family dwelling that is the member's primary residence;

(2) A loan fully secured by shares in the credit union making the extension of credit or deposits in other financial institutions;

(3) Loan(s) to a member or an associated member which, when the net member business loan balances are added together, are equal to less than \$50,000;

(4) A loan where a federal or state agency (or its political subdivision) fully insures repayment, or fully guarantees repayment, or provides an advance commitment to purchase in full; or

(5) A loan granted by a corporate credit union to another credit union.

(c) *Loans to credit unions and credit union service organizations.* This part does not apply to loans made by federal credit unions to credit unions and credit union service organizations. This part does not apply to loans made by a federally insured, state-chartered credit union to credit unions and credit union service organizations if the credit union's supervisory authority determines that state law grants authority to lend to these entities other than the general authority to grant loans to members.

(d) *Purchase of member loans and member loan participations.* Any interest a credit union obtains in a loan that was made by another lender to the credit union's member is a member business loan, for purposes of this rule and the risk weighting standards of part 702 of

12 CFR Ch. VII (1-1-10 Edition)

this chapter to the same extent as if made directly by the credit union to its member.

(e) *Purchases of nonmember loans and nonmember loan participations.* Any interest a credit union obtains in a nonmember loan, pursuant to §701.22 or part 742 of this chapter or other authority, is treated the same as a member business loan for purposes of this rule and the risk weighting standards under part 702 of this chapter, except that the effect of such interest on a credit union's aggregate member business loan limit will be as set forth in §723.16(b) of this part.

[64 FR 28729, May 27, 1999, as amended at 64 FR 57365, Oct. 25, 1999; 68 FR 56551, Oct. 1, 2003]

§ 723.2 What are the prohibited activities?

(a) *Who is ineligible to receive a member business loan?* You may not grant a member business loan to the following:

(1) Your chief executive officer (typically this individual holds the title of President or Treasurer/Manager);

(2) Any assistant chief executive officers (e.g., Assistant President, Vice President, or Assistant Treasurer/Manager);

(3) Your chief financial officer (Comptroller); or

(4) Any associated member or immediate family member of anyone listed in paragraphs (a) (1) through (3) of this section.

(b) *Equity agreements/joint ventures.* You may not grant a member business loan if any additional income received by the credit union or senior management employees is tied to the profit or sale of the business or commercial endeavor for which the loan is made.

(c) *Loans to compensated directors.* A credit union may not grant a member business loan to a compensated director unless the board of directors approves granting the loan and the compensated director is recused from the decision making process.

§ 723.3 What are the requirements for construction and development lending?

Except as provided in §723.4 or unless your Regional Director grants a waiver, loans granted for the construction

National Credit Union Administration

§ 723.5

or development of commercial or residential property are subject to the following additional requirements.

(a) The aggregate of the net member business loan balances for all construction and development loans must not exceed 15% of net worth. In determining the aggregate balances for purposes of this limitation, a credit union may exclude any loan made to finance the construction of a single-family residence if a prospective homeowner has contracted to purchase the property and may also exclude a loan to finance the construction of one single-family residence per member-borrower or group of associated member-borrowers, irrespective of the existence of a contractual commitment from a prospective homeowner to purchase the property.

(b) The borrower must have a minimum of 25% equity interest in the project being financed, the value of which is determined by the market value of the project at the time the loan is made, except that this requirement will not apply in the case of a loan made to finance the construction of a single-family residence if a prospective homeowner has contracted to purchase the property and in the case of one loan to a member-borrower or group of associated member-borrowers to finance the construction of a single-family residence, irrespective of the existence of a contractual commitment from a prospective homeowner to purchase the property. Instead, the collateral requirements of § 723.7 will apply; and

(c) The funds may be released only after on-site, written inspections by qualified personnel and according to a preapproved draw schedule and any other conditions as set forth in the loan documentation.

[64 FR 28729, May 27, 1999, as amended at 68 FR 56551, Oct. 1, 2003; 69 FR 62565, Oct. 27, 2004]

§ 723.4 What other regulations apply to member business lending?

(a) The provisions of § 701.21(a) through (g) and part 702 of this chapter apply to member business loans granted by credit unions to the extent they are consistent with this part. Except as required by part 741 of this chapter,

federally insured State-chartered credit unions are not required to comply with the provisions of § 701.21(a) through (g) of this chapter.

(b) If a federal credit union makes a member business loan as part of a Small Business Administration guaranteed loan program with loan requirements that are less restrictive than those required by NCUA, then the federal credit union may follow the loan requirements of the relevant Small Business Administration guaranteed loan program to the extent they are consistent with this part. A federally insured State-chartered credit union that is subject to this part and makes a member business loan as part of a Small Business Administration guaranteed loan program with loan requirements that are less restrictive than those required by NCUA may follow the loan requirements of the relevant Small Business Administration guaranteed loan program to the extent they are consistent with this part if its state supervisory authority has determined that the credit union has authority to do so under State law.

(c) The collateral and security requirements of § 723.3 and § 723.7 do not apply to member business loans made as part of a Small Business Administration guaranteed loan program.

[69 FR 62565, Oct. 27, 2004]

§ 723.5 How do you implement a member business loan program?

(a) *Generally.* The board of directors must adopt specific business loan policies and review them at least annually. The board must also use the services of an individual with at least two years direct experience with the type of lending the credit union will be engaging in. The experience must provide the credit union sufficient expertise given the complexity and risk exposure of the loans in which the credit union intends to engage. Credit unions do not have to hire staff to meet the requirements of this section but must ensure that the expertise is available. A credit union can meet the experience requirement through various approaches. For example, a credit union can use the

§ 723.6

12 CFR Ch. VII (1–1–10 Edition)

services of a credit union service organization (CUSO), an employee of another credit union, an independent contractor, or other third parties. However, the actual decision to grant a loan must reside with the credit union.

(b) *Conflicts of Interest.* Any third party used by a credit union to meet the requirements of paragraph (a) of this section must be independent from the transaction and is prohibited from having a participation in the loan or an interest in the collateral securing the loan that the third party is responsible for reviewing, with the following exceptions:

(1) The third party may provide a service to the credit union related to the transaction, such as loan servicing;

(2) The third party may provide the requisite experience to the credit union and purchase a loan or a participation interest in a loan originated by the credit union that the third party reviewed; or

(3) A credit union may use the services of a CUSO that otherwise meets the requirements of paragraph (a) of this section even though the CUSO is not independent from the transaction, provided the credit union has a controlling financial interest in the CUSO as determined under Generally Accepted Accounting Principles.

[68 FR 56551, Oct. 1, 2003]

§ 723.6 What must your member business loan policy address?

At a minimum, your policy must address the following:

(a) The types of business loans you will make;

(b) Your trade area;

(c) The maximum amount of your assets, in relation to net worth, that you will invest in secured and unsecured business loans;

(d) The maximum amount of your assets, in relation to net worth, that you will invest in a given category or type of business loan;

(e) The maximum amount of your assets, in relation to net worth, that you will loan to any one member or group of associated members, subject to § 723.7(c)(2) and § 723.8;

(f) The qualifications and experience of personnel (minimum of 2 years) in-

involved in making and administering business loans;

(g) A requirement to analyze and document the ability of the borrower to repay the loan consistent with appropriate underwriting and due diligence standards, which also addresses the need for periodic financial statements, credit reports, and other data when necessary to analyze future loans and lines of credit, such as, borrower's history and experience, balance sheet, cash flow analysis, income statements, tax data, environmental impact assessment, and comparison with industry averages, depending upon the loan purpose;

(h) The collateral requirements must include:

(1) Loan-to-value ratios;

(2) Determination of value;

(3) Determination of ownership;

(4) Steps to secure various types of collateral; and

(5) How often the credit union will re-evaluate the value and marketability of collateral;

(i) The interest rates and maturities of business loans;

(j) General loan procedures which include:

(1) Loan monitoring;

(2) Servicing and follow-up; and

(3) Collection;

(k) Identification of those individuals prohibited from receiving member business loans.

[64 FR 28729, May 27, 1999, as amended at 68 FR 56551, Oct. 1, 2003]

§ 723.7 What are the collateral and security requirements?

(a) Except as provided in § 723.3 or unless your Regional Director grants a waiver, all member business loans, except those made under paragraphs (c), (d), and (e) of this section, must be secured by collateral as follows:

(1) The maximum loan-to-value ratio for all liens must not exceed 80% unless the value in excess of 80% is covered through private mortgage insurance or equivalent type of insurance, or insured, guaranteed, or subject to advance commitment to purchase by an agency of the federal government, an agency of a state or any of its political subdivisions, but in no case may the ratio exceed 95%;

National Credit Union Administration

§ 723.11

(2) A borrower may not substitute any insurance, guarantee, or advance commitment to purchase by any agency of the federal government, a state or any political subdivision of such state for the collateral requirements of this paragraph.

(b) Principals, other than a not for profit organization as defined by the Internal Revenue Service Code (26 U.S.C. 501) or those where the Regional Director grants a waiver, must provide their personal liability and guarantee. Federal credit unions and federally insured state-chartered credit unions that meet RegFlex standards, as determined pursuant to Part 742 of this Chapter, are exempt from this requirement and may make their own determination whether to require the personal liability and guarantee of principals.

(c) You may make unsecured member business loans under the following conditions:

(1) You are a natural person credit union that is well capitalized as defined by § 702.102(a)(1) of this chapter or you are a corporate credit union that maintains a minimum capital ratio as required by § 704.3(d) of this chapter or a different ratio as permitted under § 704.3(e) of this chapter;

(2) The aggregate of the unsecured outstanding member business loans to any one member or group of associated members does not exceed the lesser of \$100,000 or 2.5% of your net worth; and

(3) The aggregate of all unsecured outstanding member business loans does not exceed 10% of your net worth.

(d) You are exempt from the provisions of paragraphs (a), (b), and (c) of this section with respect to credit card line of credit programs offered to non-natural person members that are limited to routine purposes normally made available under those programs.

(e) You may make vehicle loans under this part without complying with the loan-to-value ratios in this section, provided that the vehicle is a car, van, pick-up truck, or sports utility vehicle and not part of a fleet of vehicles.

[68 FR 56551, Oct. 1, 2003, as amended at 69 FR 62565, Oct. 27, 2004; 70 FR 75722, Dec. 21, 2005; 72 FR 30247, May 31, 2007]

§ 723.8 How much may one member or a group of associated members borrow?

Unless your Regional Director grants a waiver for a higher amount, the aggregate amount of net member business loan balances to any one member or group of associated members must not exceed the greater of:

- (a) 15% of the credit union's net worth; or
- (b) \$100,000.

[68 FR 56552, Oct. 1, 2003]

§ 723.9 [Reserved]

§ 723.10 What waivers are available?

You may seek a waiver for a category of loans in any of the following areas:

- (a) Appraisal requirements under § 722.3;
- (b) Aggregate construction and development loans limits under § 723.3(a);
- (c) Minimum borrower equity requirements for construction and development loans under § 723.3(b);
- (d) Loan-to-value ratio requirements for business loans under § 723.7(a);
- (e) Requirement for personal liability and guarantee under § 723.7(b);
- (f) Maximum unsecured business loans to one member or group of associated members under § 723.7(c)(2);
- (g) Maximum aggregate unsecured member business loan limit under § 723.7(c)(3); and
- (h) Maximum aggregate net member business loan balance to any one member or group of associated members under § 723.8.

[68 FR 56552, Oct. 1, 2003, as amended at 69 FR 62565, Oct. 27, 2004]

§ 723.11 How do you obtain a waiver?

To obtain a waiver, a federal credit union must submit a request to the Regional Director (a corporate federal credit union submits the waiver request to the Director of the Office of Corporate Credit Unions). A state chartered federally insured credit union must submit the request to its state supervisory authority. If the state supervisory authority approves the request, the state regulator will forward the request to the Regional Director (or if appropriate the Director of the Office of Corporate Credit Unions). A

§ 723.12

waiver is not effective until it is approved by the Regional Director (or in the case of a corporate federal credit union the Director of the Office of Corporate Credit Unions). The waiver request must contain the following:

- (a) A copy of your business lending policy;
- (b) The higher limit sought (if applicable);
- (c) An explanation of the need to raise the limit (if applicable);
- (d) Documentation supporting your ability to manage this activity; and
- (e) An analysis of the credit union's prior experience making member business loans, including as a minimum:
 - (1) The history of loan losses and loan delinquency;
 - (2) Volume and cyclical or seasonal patterns;
 - (3) Diversification;
 - (4) Concentrations of credit to one borrower or group of associated borrowers in excess of 15% of net worth;
 - (5) Underwriting standards and practices;
 - (6) Types of loans grouped by purpose and collateral; and
 - (7) The qualifications of personnel responsible for underwriting and administering member business loans.

§ 723.12 What will NCUA do with my waiver request?

Your Regional Director (or the Director of the Office of Corporate Credit Unions) will:

- (a) Review the information you provided in your request;
- (b) Evaluate the level of risk to your credit union;
- (c) Consider your credit union's historical CAMEL composite and component ratings when evaluating your request; and
- (d) Notify you whenever your waiver request is deemed complete. Notify you of the action taken within 45 calendar days of receiving a complete request from the federal credit union or the state supervisory authority. If you do not receive notification within 45 calendar days of the date the complete request was received by the regional office, the credit union may assume approval of the waiver request.

12 CFR Ch. VII (1–1–10 Edition)

§ 723.13 What options are available if the NCUA Regional Director denies my waiver request, or a portion of it?

You may appeal the Regional Director's (or the Director of the Office of Corporate Credit Unions) decision in writing to the NCUA Board. Your appeal must include all information requested in § 723.11 and why you disagree with your Regional Director's (or the Office of Corporate Credit Union Director's) decision.

§§ 723.14–723.15 [Reserved]

§ 723.16 What is the aggregate member business loan limit for a credit union?

(a) *General.* The aggregate limit on a credit union's net member business loan balances is the lesser of 1.75 times the credit union's net worth or 12.25% of the credit union's total assets. Loans that are exempt from the definition of member business loans are not counted for the purpose of the aggregate loan limit.

(b) *Effect of nonmember loans and nonmember participations.* If a credit union holds any nonmember loans or nonmember loan participation interests that would constitute a member business loan if made to a member, those loans will affect the credit union's aggregate limit on net member business loan balances as follows:

(1) The total of the credit union's net member business loan balances and the nonmember loan balances must not exceed the lesser of 1.75 times the credit union's net worth or 12.25% of the credit union's total assets, unless the credit union has first received approval from the NCUA regional director.

(2) To request approval from the NCUA regional director, a credit union must submit an application that:

- (i) Includes a current copy of the credit union's member business loan policies;
- (ii) Confirms that the credit union is in compliance with all other aspects of this rule;
- (iii) States the credit union's proposed limit on the total amount of nonmember loans and participation interests that the credit union may acquire if the application is granted; and

National Credit Union Administration

§ 723.20

(iv) Attests that the acquisition of nonmember loans and participations is not being used, in conjunction with one or more other credit unions, to have the effect of trading member business loans that would otherwise exceed the aggregate limit.

(3) A federal credit union must submit its request for approval to the regional director (a corporate federal credit union submits its request to the Director of the Office of Corporate Credit Unions). A state chartered federally insured credit union must submit the request to its state supervisory authority. If the state supervisory authority approves the request, the state regulator will forward the application and its decision to the regional director (or if appropriate, the Director of the Office of Corporate Credit Unions). An approved application is not effective until it is approved by the regional director (or in the case of a corporate federal credit union the Director of the Office of Corporate Credit Unions). The regional director will issue a decision within 30 days of receipt of a federal credit union's completed application or within 30 days of receipt of a completed application and the state supervisory authority's approval for a state chartered federally insured credit union.

[68 FR 56552, Oct. 1, 2003, as amended at 70 FR 75722, Dec. 21, 2005]

§ 723.17 Are there any exceptions to the aggregate loan limit?

There are three circumstances where a credit union qualifies for an exception from the aggregate limit. Loans that are excepted from the definition of member business loans are not counted for the purpose of the exceptions. The three exceptions are:

(a) Credit unions that have a low-income designation or participate in the Community Development Financial Institutions program;

(b) Credit unions that were chartered for the purpose of making member business loans and can provide documentary evidence (such evidence includes but is not limited to the original charter, original bylaws, original business plan, original field of membership, board minutes and loan portfolio);

(c) Credit unions that have a history of primarily making member business

loans, meaning that either member business loans comprise at least 25% of the credit union's outstanding loans (as evidenced in any call report filed between January 1995 and September 1998 or any equivalent documentation including financial statements) or member business loans comprise the largest portion of the credit union's loan portfolio (as evidenced in any call report filed between January 1995 and September 1998 or any equivalent documentation including financial statements). For example, if a credit union makes 23% member business loans, 22% first mortgage loans, 22% new automobile loans, 20% credit card loans, and 13% total other real estate loans, then the credit union meets this exception.

§ 723.18 How do I obtain an exception?

To obtain the exception, a federal credit union must submit documentation to the Regional Director, demonstrating that it meets the criteria of one of the exceptions. A state chartered federally insured credit union must submit documentation to its state supervisory authority. The state supervisory authority will forward its decision to NCUA. The exception does not expire unless revoked by the state supervisory authority for a state chartered federally insured credit union or the Regional Director for a federal credit union. If an exception request is denied for a federal credit union, it may be appealed to the NCUA Board within 60 days of the denial by the Regional Director. Until the NCUA Board acts on the appeal, the credit union can continue to make new member business loans.

§ 723.19 What are the recordkeeping requirements?

You must separately identify member business loans in your records and in the aggregate on your financial reports.

§ 723.20 How can a state supervisory authority develop and enforce a member business loan regulation?

(a) The NCUA Board may exempt federally insured state chartered credit unions in a given state from NCUA's

member business loan rule if NCUA approves the state's rule for use for state chartered federally insured credit unions. In making this determination, the Board is guided by safety and soundness considerations and reviews whether the state regulation minimizes the risk and accomplishes the overall objectives of NCUA's member business loan rule in this part. Specifically, the Board will focus its review on:

- (1) The definition of a member business loan;
- (2) Loan to one borrower limits;
- (3) Written loan policies;
- (4) Collateral and security requirements;
- (5) Construction and development lending; and
- (6) Loans to senior management.

(b) To receive NCUA's approval of a state's member business loan rule, the state supervisory authority must submit its rule to the NCUA regional office. After reviewing the rule, the region will forward the request to the NCUA Board for a final determination.

(c) A state supervisory authority that administers a state member business loans rule, approved by NCUA under §§ 723.20(a) and (b), may rescind its rule without NCUA approval. A state supervisory authority should notify NCUA if it anticipates rescinding its rule to foster regulatory continuity and cooperation.

§ 723.21 Definitions.

For purposes of this part, the following definitions apply:

Associated member is any member with a shared ownership, investment, or other pecuniary interest in a business or commercial endeavor with the borrower.

Construction or development loan is a financing arrangement for acquiring property or rights to property, including land or structures, with the intent to convert it to income-producing property such as residential housing for rental or sale; commercial use; industrial use; or similar uses. Construction or development loan includes a financing arrangement for the major renovation or development of property al-

ready owned by the borrower that will convert the property to income producing property or convert the use of income producing property to a different use from its use before the major renovation or development or is a major expansion of its current use. Construction or development loan does not include loans to finance maintenance, repairs, or improvements to an existing income producing property that do not change its use. Examples to illustrate when a loan is or is not a construction or development loan follow.

Example 1. If a member borrows money to repair a roof on a barn on an existing farming operation, this is a member business loan but is not a construction or development loan. A construction or development loan does not include a loan for routine maintenance of a borrower's existing business or a loan to enhance or expand a borrower's existing business unless those renovations convert the property to a different use or are so major as to be considered the equivalent of converting the use of the property.

Example 2. A loan to convert a movie theater into a restaurant is a construction or development loan. A loan to convert a large Victorian home used for residential purposes into a six-room inn also would be a construction or development loan. In both instances, the loans are for the purpose of converting the use of the properties. By contrast, a loan to repair the roof or replace the carpet and wallpaper of an operating inn would not be a construction or development loan as it neither converts the use of the property, nor is so major a renovation to be considered the equivalent of converting the use of the property.

Example 3. A loan to expand the parking lot of a small strip shopping center would not be a construction or development loan, but a loan to renovate the small strip shopping center into a mega-mall would be a construction or development loan as it would be viewed as a major renovation that converts the use of the property.

Example 4. A hotel with a fair market value of \$10 million borrows \$1 million to build an exercise facility in the hotel to enhance the property. The loan amount is 10% of the fair market value of the property. This is not a construction or development loan. It is a member business loan to improve or renovate an existing income producing property, but it is not so major a renovation as to be considered the equivalent of converting the use of the property. In another scenario, a hotel with a fair market value of \$10 million borrows \$5 million to build a luxury health spa on the hotel grounds. The loan

National Credit Union Administration

§ 724.1

amount is 50% of the fair market value of the property. This is a construction or development loan, even if the use of the property has not been converted, as the renovation is so major as to be considered the equivalent of converting the use of the property.

Immediate family member is a spouse or other family member living in the same household.

Loan-to-value ratio is the aggregate amount of all sums borrowed including outstanding balances plus any unfunded commitment or line of credit from all sources on an item of collateral divided by the market value of the collateral used to secure the loan.

Net member business loan balance means the outstanding loan balance plus any unfunded commitments, reduced by any portion of the loan that is secured by shares in the credit union, or by shares or deposits in other financial institutions, or by a lien on the member's primary residence, or insured or guaranteed by any agency of the federal government, a state or any political subdivision of such state, or subject to an advance commitment to purchase by any agency of the federal government, a state or any political subdivision of such state, or sold as a participation interest without recourse and qualifying for true sales accounting under generally accepted accounting principles.

Net worth means the retained earnings balance of the credit union at quarter end as determined under generally accepted accounting principles. Retained earnings consists of undivided earnings, regular reserves, and any other appropriations designated by management or regulatory authorities. This means that only undivided earnings and appropriations of undivided earnings are included in net worth. For low-income designated credit unions, net worth also includes secondary capital accounts that are uninsured and subordinate to all other claims, including claims of creditors, shareholders and the NCUSIF. For any credit union, net worth does not include the allowance for loan and lease losses account.

PART 724—TRUSTEES AND CUSTODIANS OF CERTAIN TAX-ADVANTAGED SAVINGS PLANS

Sec.

724.1 Federal credit unions acting as trustees and custodians of certain tax-advantaged savings plans.

724.2 Self-directed plans.

724.3 Appointment of successor trustee or custodian.

AUTHORITY: 12 U.S.C. 1757, 1765, 1766 and 1787.

SOURCE: 55 FR 30211, July 25, 1990, unless otherwise noted.

§ 724.1 Federal credit unions acting as trustees and custodians of certain tax-advantaged savings plans.

A federal credit union is authorized to act as trustee or custodian, and may receive reasonable compensation for so acting, under any written trust instrument or custodial agreement created or organized in the United States and forming part of a tax-advantaged savings plan which qualifies or qualified for specific tax treatment under sections 223, 401(d), 408, 408A and 530 of the Internal Revenue Code (26 U.S.C. 223, 401(d), 408, 408A and 530), for its members or groups of its members, provided the funds of such plans are invested in share accounts or share certificate accounts of the Federal credit union. Federal credit unions located in a territory, including the trust territories, or a possession of the United States, or the Commonwealth of Puerto Rico, are also authorized to act as trustee or custodian for such plans, if authorized under sections 223, 401(d), 408, 408A and 530 of the Internal Revenue Code as applied to the territory or possession under similar provisions of territorial law. If membership is terminated under this subsection, the credit union will be required to obtain the approval of the NCUA Board before becoming a member of the Facility again. Such approval will be granted only if the NCUA Board is satisfied that the credit union will comply with such Act and regulations.

(d)(1) If membership is terminated under any provision of this section, the terminated member's stock shall be redeemed upon termination. In such event, the Facility may retain any amount owed to the Facility by the member.

(2) When a member natural person credit union withdraws from membership in a central credit union which is an Agent or a member of an Agent group, the stock subscription of the Agent, or in the case of an Agent group, the stock subscription of the Agent group representative, will be adjusted after the waiting period which would apply under paragraph (a) or (b) of this section if the withdrawing credit union were a member of the Facility.

§ 725.7 Special share accounts in federally chartered agent members.

An Agent shall not permit a member to maintain in a special share account any amounts in excess of the required amount.

Each insured credit union must also display the official sign on its Internet page, if any, where it accepts deposits or open accounts, but it may vary the font sizes from that depicted in paragraph (b) of this section to ensure its legibility.

If the initial supply is not adequate, the insured credit unions must immediately request additional signs from NCUA. Any credit union that does not have an adequate supply but requests additional signs from NCUA will not be considered to have violated paragraph (a) of this section unless the credit union fails to display the signs after receiving them. To address the temporary increase through December 31, 2013 in the standard maximum share insurance amount as defined in § 745.1(e) of this chapter, insured credit unions may continue to display the official sign depicted in paragraph (b) of this section but should inform members of the increased coverage through additional signage indicating the temporary increase in coverage, display other versions of the official sign distributed or approved by NCUA and appearing on NCUA's official website, or alter by hand or otherwise the official sign depicted in paragraph (b) of this section for that purpose

provided the altered sign is legible and otherwise complies with this part.

(2) An insured credit union may purchase signs from commercial suppliers or develop its own in any color scheme so long as they are legible and otherwise comply with this part. A credit union may alter the font size of the official sign to make it legible on its Internet page and on documents it provides to its members including advertisements, but it may not do so on signs to be placed at each station or window where the credit union normally receives insured funds or deposits in its principal place of business and all of its branches.

(c) To avoid any member confusion from the use of the official NCUA sign, federally insured credit unions are prohibited from receiving account funds at any teller station or window where any nonfederally insured credit union also receives account funds. As exceptions to this prohibition:

(1) A teller in a branch of a federally insured credit union may accept account funds for nonfederally insured credit unions, but only if the teller displays a conspicuous sign next to the official sign that states "This credit union participates in a shared branch

National Credit Union Administration

§ 740.5

network with other credit unions and accepts share deposits for members of those other credit unions. While this credit union is federally insured, not all of these other credit unions are federally insured. If you need information on the insurance status of your credit union, please contact your credit union directly.” This sign must be similar to the official sign in terms of design, color, and font.

(2) A teller in a facility operated by a non-credit union entity may accept account funds for both federally insured credit unions and nonfederally insured credit unions, but only if the teller displays a conspicuous sign next to the official sign stating “This facility accepts share deposits for multiple credit unions. Not all of these credit unions are federally insured. If you need information on the insurance status of your credit union, please contact your credit union directly.” This sign must be similar to the official sign in terms of design, color, and font.

(3) A teller in a branch of a nonfederally insured credit union may accept account funds for federally insured credit unions. No teller in a nonfederally insured credit union may display the official NCUA sign.

(d) The Board may require any insured credit union, upon at least 30 days’ written notice, to change the wording of its official signs in a manner deemed necessary for the protection of shareholders or others.

(e) For purposes of this section, the terms “branch,” “station,” “teller station,” and “window” do not include automated teller machines or point of sale terminals.

(f) An insured credit union that fails to comply with Section 205(a) of the Federal Credit Union Act regarding the official sign, 12 U.S.C. 1785(a), or any requirement in this part is subject to a penalty of up to \$100 per day.

§ 740.5 Requirements for the official advertising statement.

(a) Each insured credit union must include the official advertising statement, prescribed in paragraph (b) of

this section, in all of its advertisements, including on its main Internet page, except as provided in paragraph (c) of this section.

(1) An insured credit union must include the official advertising statement in its advertisements thirty (30) days after its first day of operations as an insured credit union unless the Regional Director grants it an extension.

(2) If advertising copy without the official advertising statement is on hand on the date the requirements of this section become operative, the insured credit union may use an overstamp or other means to include the official advertising statement until the supplies are exhausted.

(b) The official advertising statement is in substance as follows: “This credit union is federally insured by the National Credit Union Administration.” Insured credit unions, at their option, may use the short title “Federally insured by NCUA” or a reproduction of the official sign, as described in § 740.4(b), as the official advertising statement. The official advertising statement must be in a size and print that is clearly legible. If the official sign is used as the official advertising statement, an insured credit union may alter the font size to ensure its legibility as provided in § 740.4(b)(2).

(c) The following advertisements need not include the official advertising statement:

(1) Statements of condition and reports of condition of an insured credit union which are required to be published by state or federal law or regulation;

(2) Credit union supplies such as stationery (except when used for circular letters), envelopes, deposit slips, checks, drafts, signature cards, account passbooks, and noninsurable certificates;

(3) Signs or plates in the credit union office or attached to the building or buildings in which the offices are located;

(4) Listings in directories;

(5) Advertisements not setting forth the name of the insured credit union;

(6) Display advertisements in credit union directories, provided the name of the credit union is listed on any page in the directory with a symbol or other

Pt. 741

descriptive matter indicating it is insured;

(7) Joint or group advertisements of credit union services where the names of insured credit unions and noninsured credit unions are listed and form a part of such advertisement;

(8) Advertisements by radio that do not exceed thirty (30) seconds in time;

(9) Advertisements by television, other than display advertisements, that do not exceed thirty (30) seconds in time;

(10) Advertisements that because of their type or character would be impractical to include the official advertising statement, including but not limited to, promotional items such as calendars, matchbooks, pens, pencils, and key chains;

(11) Advertisements that contain a statement to the effect that the credit union is insured by the National Credit Union Administration, or that its accounts and shares or members are insured by the Administration to the maximum insurance amount for each member or shareholder;

(12) Advertisements that do not relate to member accounts, including but not limited to advertisements relating to loans by the credit union, safe-keeping box business or services, traveler's checks on which the credit union is not primarily liable, and credit life or disability insurance.

(d) The non-English equivalent of the official advertising statement may be used in any advertisement provided that the Regional Director gives prior approval to the translation.

AUTHORITY: 12 U.S.C. 1757, 1766(a), 1781–1790, and 1790d; 31 U.S.C. 3717.

SOURCE: 60 FR 58504, Nov. 28, 1995, unless otherwise noted.

§ 741.0 Scope.

The provisions of this part apply to federal credit unions, federally insured state-chartered credit unions, and credit unions making application for insurance of accounts pursuant to Title II of the Act, unless the context of a provision indicates its application is otherwise limited. This part prescribes various requirements for obtaining and maintaining federal insurance and the payment of insurance premiums and capitalization deposit. Subpart A of this part contains substantive requirements that are not codified elsewhere in this chapter. Subpart B of this part lists additional regulations, set forth elsewhere in this chapter as applying to federal credit unions, that also apply to federally insured state-chartered credit unions. As used in this part, "insured credit union" means a credit union whose accounts are insured by the National Credit Union Share Insurance Fund (NCUSIF).

Subpart A—Regulations That Apply to Both Federal Credit Unions and Federally Insured State-Chartered Credit Unions and That Are Not Codified Elsewhere in NCUA's Regulations

§ 741.1 Examination.

As provided in Sections 201 and 204 of the Act (12 U.S.C. 1781 and 1784), the NCUA Board is authorized to examine any insured credit union or any credit union making application for insurance of its accounts. Such examination may require access to all records, reports, contracts to which the credit union is a party, and information concerning the affairs of the credit union. Upon request, such documentation must be provided to the NCUA Board or its representative. Any credit union which makes application for insurance will be required to pay the cost of such examination and processing. To the maximum extent feasible, the NCUA Board will utilize examinations conducted by state regulatory agencies.

§ 741.2 Maximum borrowing authority.

(a) Any credit union which makes application for insurance of its accounts

pursuant to Title II of the Act, or any insured credit union, must not borrow, from any source, an aggregate amount in excess of 50 per centum of its paid-in and unimpaired capital and surplus (shares and undivided earnings, plus net income or minus net loss).

(b) A federally insured state-chartered credit union may apply to the regional director for a waiver of paragraph (a) of this section up to the amount permitted under the applicable state law or by the state regulator. The waiver request must include:

(1) Written approval from the state regulator;

(2) A detailed analysis of the safety and soundness implications of the proposed waiver;

(3) A proposed aggregate dollar amount or percentage of paid-in and unimpaired capital and surplus limitation; and

(4) An explanation demonstrating the need to raise the limit.

(c) The regional director will approve the waiver request if the proposed borrowing limit will not adversely affect the safety and soundness of the federally insured state-chartered credit union.

[60 FR 58504, Nov. 28, 1995, as amended at 69 FR 8547, Feb. 25, 2004]

§ 741.3 Criteria.

In determining the insurability of a credit union which makes application for insurance and in continuing the insurability of its accounts pursuant to Title II of the Act, the following criteria shall be applied:

(a) *Reserves*—(1) *General rule*. State-chartered credit unions are subject to section 216 of the Act, 12 U.S.C. 1790d, and to part 702 and subpart L of part 747 of this chapter.

(2) *Special reserve for nonconforming investments*. State-chartered credit unions (except state-chartered corporate credit unions) are required to establish an additional special reserve for investments if those credit unions are permitted by their respective state laws to make investments beyond those authorized in the Act or the NCUA Rules and Regulations. For any investment other than loans to members and obligations or securities expressly authorized in Title I of the Act

and part 703 of this chapter, as amended, state-chartered credit unions (except state-chartered corporate credit unions) are required to establish and maintain at the end of each accounting period and prior to payment of any dividend, an Appropriation for Non-conforming Investments in an amount at least equal to the net excess of book value over current market value of the investments. If the market value cannot be determined, an amount equal to the full book value will be established. When at the end of any dividend period, the amount in the Appropriation for Non-conforming Investments exceeds the difference between book value and market value, the board of directors may authorize the transfer of the excess to Undivided Earnings.

(b) *Financial condition and policies.* The following factors are to be considered in determining whether the credit union's financial condition and policies are both safe and sound:

(1) The existence of unfavorable trends which may include excessive losses on loans (i.e., losses which exceed the regular reserve or its equivalent [in the case of state-chartered credit unions] plus other irrevocable reserves established as a contingency against losses on loans), the presence of special reserve accounts used specifically for charging off loan balances of deceased borrowers, and an expense ratio so high that the required transfers to reserves create a net operating loss for the period or that the net gain after these transfers is not sufficient to permit the payment of a nominal dividend;

(2) The existence of written lending policies, including adequate documentation of secured loans and the protection of security interests by recording, bond, insurance, or other adequate means, adequate determination of the financial capacity of borrowers and co-makers for repayment of the loan, and adequate determination of value of security on loans to ascertain that said security is adequate to repay the loan in the event of default;

(3) Investment policies which are within the provisions of applicable law and regulations, i.e., the Act and part 703 of this chapter for federal credit unions and the laws of the state in

which the credit union operates for state-chartered credit unions, except state-chartered corporate credit unions. State-chartered corporate credit unions are permitted to make only those investments that are in conformance with part 704 of this chapter and applicable state laws and regulations;

(4) The presence of any account or security, the form of which has not been approved by the Board, except for accounts authorized by state law for state-chartered credit unions.

(c) *Fitness of management.* The officers, directors, and committee members of the credit union must have conducted its operations in accordance with provisions of applicable law, regulations, its charter and bylaws. No person shall serve as a director, officer, committee member, or employee of an insured credit union who has been convicted of any criminal offense involving dishonesty or breach of trust, except with the written consent of the Board.

(d) *Insurance of member accounts would not otherwise involve undue risk to the NCUSIF.* The credit union must maintain adequate fidelity bond coverage as specified in § 741.201. Any circumstances which may be unique to the particular credit union concerned shall also be considered in arriving at the determination of whether or not an undue risk to the NCUSIF is or may be present. For purposes of this section, the term "undue risk to the NCUSIF" is defined as a condition which creates a probability of loss in excess of that normally found in a credit union and which indicates a reasonably foreseeable probability of the credit union becoming insolvent because of such condition, with a resultant claim against the NCUSIF.

(e) *Powers and purposes.* The credit union must not perform services other than those which are consistent with the promotion of thrift and the creation of a source of credit for its members, except as otherwise permitted by law or regulation.

(f) *Letter of disapproval.* A credit union whose application for share insurance is disapproved shall receive a letter indicating the reasons for such disapproval, a citation of the authority for such disapproval, and suggested

National Credit Union Administration

§ 741.4

methods by which the applying credit union may correct its deficiencies and thereby qualify for share insurance.

(g) Nothing in this section shall preclude the NCUA Board from imposing additional terms or conditions pursuant to the insurance agreement.

[60 FR 58504, Nov. 28, 1995, as amended at 64 FR 41040, July 29, 1999; 65 FR 8593, Feb. 18, 2000; 67 FR 71094, Nov. 29, 2002]

§ 741.4 Insurance premium and one percent deposit.

(a) *Scope.* This section implements the requirements of Section 202 of the Act (12 U.S.C. 1782) providing for capitalization of the NCUSIF through the maintenance of a deposit by each insured credit union in an amount equal-

ing one percent of its insured shares and payment of an insurance premium.

(b) *Definitions.* For purposes of this section:

(1) *Available assets ratio* means the ratio of:

(i) The amount determined by subtracting all liabilities of the NCUSIF, including contingent liabilities for which no provision for losses has been made, from the sum of cash and the market value of unencumbered investments authorized under 12 U.S.C. 1783(c), to:

(ii) The aggregate amount of the insured shares in all insured credit unions.

(iii) Shown as an abbreviated mathematical formula, the available assets ratio is:

$$\frac{(\text{cash} + \text{market value of unencumbered investments}) - (\text{liabilities} + \text{contingent liabilities for which no provision for losses has been made})}{\text{aggregate amount of all insured shares from final reporting period of calendar year}}$$

(2) *Equity ratio* means the ratio of:

(i) The amount of NCUSIF's capitalization, meaning insured credit unions' one percent capitalization deposits plus the retained earnings balance of the NCUSIF (less contingent liabilities

for which no provision for losses has been made) to:

(ii) The aggregate amount of the insured shares in all insured credit unions.

(iii) Shown as an abbreviated mathematical formula, the equity ratio is:

$$\frac{\text{insured credit unions' 1.0\% capitalization deposits} + (\text{NCUSIF's retained earnings} - \text{contingent liabilities for which no provision for losses has been made})}{\text{aggregate amount of all insured shares}}$$

(3) *Insured shares* means the total amount of a credit union's share, share draft and share certificate accounts, or their equivalent under state law (which may include deposit accounts), authorized to be issued to members, other credit unions, public units, or nonmembers (where permitted under the Act or equivalent state law). "Insured shares" does not include amounts in excess of insurance coverage as provided in part 745 of this chapter; and

(4) *Normal operating level* means an equity ratio not less than 1.2 percent and

not more than 1.5 percent, as established by action of the NCUA Board.

(5) *Reporting period* means calendar year for credit unions with total assets of less than \$50,000,000 and means semi-annual period for credit union with total assets of \$50,000,000 or more.

(c) *One percent deposit.* Each insured credit union shall maintain with the NCUSIF during each reporting period a deposit in an amount equaling one percent of the total of the credit union's insured shares at the close of the preceding reporting period. For credit unions with total assets of less than

\$50,000,000, insured shares will be measured and adjusted annually based on the insured shares reported in the credit union's semiannual 5300 report due in January of each year. For credit unions with total assets of \$50,000,000 or more, insured shares will be measured and adjusted semiannually based on the insured shares reported in the credit union's quarterly 5300 reports due in January and July of each year.

(d) *Insurance premium charges*—(1) *In general.* Each insured credit union will pay to the NCUSIF, on dates the NCUA Board determines, but not more than twice in any calendar year, an insurance premium in an amount stated as a percentage of insured shares, which will be the same for all insured credit unions.

(2) *Relation of premium charge to equity ratio of NCUSIF.* (i) The NCUA Board may assess a premium charge only if the NCUSIF's equity ratio is less than 1.3 percent and the premium charge does not exceed the amount necessary to restore the equity ratio to 1.3 percent.

(ii) If the equity ratio of NCUSIF falls below 1.2 percent, the NCUA Board is required to assess a premium in an amount it determines is necessary to restore the equity ratio to, and maintain that ratio at, 1.2 percent.

(e) *Distribution of NCUSIF equity.* If, as of the end of a calendar year, the NCUSIF exceeds its normal operating level and its available assets ratio exceeds 1.0 percent, the NCUA Board will make a proportionate distribution of NCUSIF equity to insured credit unions. The distribution will be the maximum amount possible that does not reduce the NCUSIF's equity ratio below its normal operating level and does not reduce its available assets ratio below 1.0 percent. The distribution will be after the calendar year and in the form determined by the NCUA Board. The form of the distribution may include a waiver of insurance premiums, premium rebates, or distributions from NCUSIF equity in the form of dividends. The NCUA Board will use the aggregate amount of the insured shares from all insured credit unions from the final reporting period of the calendar year in calculating the NCUSIF's equity ratio and available

assets ratio for purposes of this paragraph.

(f) *Invoices.* The NCUA provides invoices to all federally insured credit unions stating any change in the amount of a credit union's one percent deposit and the computation and funding of any premium payment due. Invoices for federal credit unions also include any annual operating fees that are due. Invoices are calculated based on a credit union's insured shares as of the most recently ended reporting period. The invoices may also provide for any distribution the NCUA Board declares in accordance with paragraph (e) of this section, resulting in a single net transfer of funds between a credit union and the NCUA.

(g) *New charters.* A newly-chartered credit union that obtains share insurance coverage from the NCUSIF during the calendar year in which it has obtained its charter shall not be required to pay an insurance premium for that calendar year. The credit union shall fund its one percent deposit on a date to be determined by the NCUA Board in the following calendar year, but shall not participate in any distribution from NCUSIF equity related to the period prior to the credit union's funding of its deposit.

(h) *Conversion to Federal insurance.* An existing credit union that converts to insurance coverage with the NCUSIF shall immediately fund its one percent deposit based on the total of its insured shares as of the close of the month prior to conversion and, if any premiums have been assessed in that calendar year, will pay a prorated premium amount to reflect the remaining number of months in that calendar year. The credit union will be entitled to a prorated share of any distribution from NCUSIF equity declared subsequent to the credit union's conversion.

(i) *Mergers of nonfederally insured credit unions.* Where a nonfederally insured credit union merges into a federally insured credit union, the continuing federally insured credit union shall immediately pay to the NCUSIF a prorated insurance premium (unless waived in whole or in part for all federally insured credit unions), and an additional one percent deposit based upon

National Credit Union Administration

§ 741.4, Nt.

the increase in insured shares resulting from the merger.

(j) *Return of deposit.* Any insolvent credit union that is closed for involuntary liquidation will not be entitled to a return of its deposit. Any solvent credit union that is closed due to involuntary liquidation shall be entitled to a return of its deposit prior to final distribution of member shares. Any other credit union whose insurance coverage with the NCUSIF terminates will be entitled to a return of the full amount of its deposit immediately after the final date on which any shares of the credit union are insured, except that the NCUA Board reserves the right to delay payment by up to one year if it determines that immediate payment would jeopardize the financial condition of the NCUSIF. This includes termination of insurance due to mergers and consolidations. A credit union that receives a return of its deposit during a calendar year shall have the option of leaving a nominal sum on deposit with the NCUSIF until the next distribution from NCUSIF equity and will thus qualify for a prorated share of the distribution.

(k) *Assessment of administrative fee and interest for delinquent payment.* Each federally insured credit union shall pay to the NCUA an administrative fee, the costs of collection, and interest on any delinquent payment of its capitalization deposit or insurance premium. A payment will be considered delinquent if it is postmarked later than the date stated in the invoice provided to the credit union. The NCUA may waive or abate charges or collection of interest, if circumstances warrant.

(1) The administrative fee for a delinquent payment shall be an amount as

fixed from time to time by the NCUA Board based upon the administrative costs of such delinquent payments to the NCUA in the preceding year.

(2) The costs of collection shall be calculated as the actual hours expended by NCUA personnel multiplied by the average hourly cost of the salaries and benefits of such personnel.

(3) The interest rate charged on any delinquent payment shall be the U.S. Department of the Treasury Tax and Loan Rate in effect on the date when the payment is due as provided in 31 U.S.C. 3717.

[60 FR 58504, Nov. 28, 1995, as amended at 64 FR 56150, Oct. 18, 1999]

EFFECTIVE DATE NOTE: At 74 FR 63279, Dec. 3, 2009, § 741.4 was revised, effective Jan. 4, 2010. For the convenience of the user, the revised text is set forth as follows:

§ 741.4 Insurance premium and one percent deposit.

(a) *Scope.* This section implements the requirements of Section 202 of the Act (12 U.S.C. 1782) providing for capitalization of the NCUSIF through the maintenance of a deposit by each insured credit union in an amount equaling one percent of its insured shares and payment of an insurance premium.

(b) *Definitions.* For purposes of this section: *Available assets ratio* means the ratio of:

(i) The amount determined by subtracting all liabilities of the NCUSIF, including contingent liabilities for which no provision for losses has been made, from the sum of cash and the market value of unencumbered investments authorized under Section 203(c) of the Act (12 U.S.C. 1783(c)), to:

(ii) The aggregate amount of the insured shares in all insured credit unions.

(iii) Shown as an abbreviated mathematical formula, the available assets ratio is:

$$\frac{(\text{cash} + \text{market value of unencumbered investments}) - (\text{liabilities} + \text{contingent liabilities for which no provision for losses has been made})}{\text{aggregate amount of all insured shares from final reporting period of calendar year}}$$

Equity ratio means the ratio of:

(i) The amount of NCUSIF's capitalization, meaning insured credit unions' one percent capitalization deposits plus the retained earnings balance of the NCUSIF (less contin-

gent liabilities for which no provision for losses has been made) to:

(ii) The aggregate amount of the insured shares in all insured credit unions.

(iii) Shown as an abbreviated mathematical formula, the equity ratio is:

(insured credit unions' 1.0% capitalization deposits + (NCUSIF's retained earnings –
contingent liabilities for which no provision for losses has been made)

aggregate amount of all insured shares

Insured shares means the total amount of a federally-insured credit union's share, share draft and share certificate accounts, or their equivalent under state law (which may include deposit accounts), authorized to be issued to members, other credit unions, public units, or nonmembers (where permitted under the Act or equivalent state law), but does not include amounts in excess of insurance coverage as provided in part 745 of this chapter. For a credit union or other entity that is not federally insured, "insured shares" means, for purposes of this section only, the amount of deposits or shares that would have been insured by the NCUSIF under part 745 had the institution been federally insured on the date of measurement.

Modified premium/distribution ratio means one minus the premium/distribution ratio.

Normal operating level means an equity ratio not less than 1.2 percent and not more than 1.5 percent, as established by action of the NCUA Board.

Premium/distribution ratio means the number of full remaining months in the calendar year following the date of the institution's conversion or merger divided by 12.

Reporting period means calendar year for credit unions with total assets of less than \$50,000,000 and means semiannual period for credit union with total assets of \$50,000,000 or more.

(c) *One percent deposit.* Each insured credit union must maintain with the NCUSIF during each reporting period a deposit in an amount equaling one percent of the total of the credit union's insured shares at the close of the preceding reporting period. For credit unions with total assets of less than \$50,000,000, insured shares will be measured and adjusted annually based on the insured shares reported in the credit union's 5300 report for December 31 of each year. For credit unions with total assets of \$50,000,000 or more, insured shares will be measured and adjusted semiannually based on the insured shares reported in the credit union's 5300 reports for December 31 and June 30 of each year.

(d) *Insurance premium charges—(1) In general.* Each insured credit union will pay to the NCUSIF, on dates the NCUA Board determines, but not more than twice in any calendar year, an insurance premium in an amount stated as a percentage of insured shares, which will be the same percentage for all insured credit unions.

(2) *Relation of premium charge to equity ratio of NCUSIF.* (i) The NCUA Board may assess a

premium charge only if the NCUSIF's equity ratio is less than 1.3 percent and the premium charge does not exceed the amount necessary to restore the equity ratio to 1.3 percent.

(ii) If the equity ratio of the NCUSIF falls to between 1.0 and 1.2 percent, the NCUA Board is required to assess a premium in an amount it determines is necessary to restore the equity ratio to at least 1.2 percent, as provided for in the restoration plan adopted under Section 202(c)(2)(D) of the Act (12 U.S.C. 1782(c)(20)(D)). If the equity ratio of the NCUSIF falls below 1.0 percent, the NCUA Board is required to assess a deposit replenishment charge in an amount it determines is necessary to restore the equity ratio to 1.0 percent and to assess a premium charge in an amount it determines is necessary to restore the equity ratio to, at least 1.2 percent, as provided for in the restoration plan adopted under Section 202(c)(2)(D) of the Act (12 U.S.C. 1782(c)(20)(D)).

(e) *Distribution of NCUSIF equity.* If, as of the end of a calendar year, the NCUSIF exceeds its normal operating level and its available assets ratio exceeds 1.0 percent, the NCUA Board will make a proportionate distribution of NCUSIF equity to insured credit unions. The distribution will be the maximum amount possible that does not reduce the NCUSIF's equity ratio below its normal operating level and does not reduce its available assets ratio below 1.0 percent. The distribution will be after the calendar year and in the form determined by the NCUA Board. The form of the distribution may include a waiver of insurance premiums, premium rebates, or distributions from NCUSIF equity in the form of dividends. The NCUA Board will use the aggregate amount of the insured shares from all insured credit unions from the final reporting period of the calendar year in calculating the NCUSIF's equity ratio and available assets ratio for purposes of this paragraph.

(f) *Invoices.* The NCUA provides invoices to all federally insured credit unions stating any change in the amount of a credit union's one percent deposit and the computation and funding of any NCUSIF premium or deposit replenishment assessments due. Invoices for federal credit unions also include any annual operating fees that are due. Invoices are calculated based on a credit union's insured shares as of the most recently ended reporting period. The invoices may also provide for any distribution the NCUA Board declares in

National Credit Union Administration

§ 741.4, Nt.

accordance with paragraph (e) of this section, resulting in a single net transfer of funds between a credit union and the NCUA.

(g) *New charters.* A newly-chartered credit union that obtains share insurance coverage from the NCUSIF during the calendar year in which it has obtained its charter will not be required to pay an insurance premium for that calendar year. The credit union will fund its one percent deposit on a date to be determined by the NCUA Board in the following calendar year, but will not participate in any distribution from NCUSIF equity related to the period prior to the credit union's funding of its deposit.

(h) *Depletion of one percent deposit.* All or part of the one percent deposit may be used by the NCUSIF if necessary to meet its expenses. The NCUSIF may invoice credit unions in an amount necessary to replenish the one percent deposit at any time following the effective date of the depletion.

(i) *Conversion to Federal insurance.* (1) A credit union or other institution that converts to insurance coverage with the NCUSIF will:

(i) Immediately fund its one percent deposit based on the total of its insured shares as of the last day of the most recently ended reporting period prior to the date of conversion;

(ii) If the NCUSIF assesses a premium in the calendar year of conversion, pay a premium based on the institution's insured shares as of the last day of the most recently ended reporting period preceding the invoice date times the institution's premium/distribution ratio;

(iii) If the NCUSIF declares, in the calendar year of conversion on or before the date of conversion, an assessment to replenish the one-percent deposit, pay nothing related to that assessment;

(iv) If the NCUSIF declares, at any time after the date of conversion through the end of that calendar year, an assessment to replenish the one-percent deposit, pay a replenishment amount based on the institution's insured shares as of the last day of the most recently ended reporting period preceding the invoice date; and

(v) If the NCUSIF declares a distribution in the year following conversion based on the NCUSIF's equity at the end of the year of conversion, receive a distribution based on the institution's insured shares as of the end of the year of conversion times the institution's premium/distribution ratio. With regard to distributions declared in the calendar year of conversion but based on the NCUSIF's equity from the end of the preceding year, the converting institution will receive no distribution.

(2) A federally-insured credit union that merges with a nonfederally insured credit union or other nonfederally insured institution (the "merging institution"), where the

federally insured credit union is the continuing institution, will:

(i) Immediately on the date of merger increase the amount of its NCUSIF deposit by an amount equal to one percent of the merging institution's insured shares as of the last day of the merging institution's most recently ended reporting period preceding the date of merger;

(ii) With regard to any NCUSIF premiums assessed in the calendar year of merger, pay a two-part premium, with one part calculated on the merging institution's insured shares as described in paragraph (i)(1)(ii) of this section, and the other part calculated on the continuing institution's insured shares as of the last day of its most recently ended reporting period preceding the date of merger; and

(iii) If the NCUSIF declares a distribution in the year following the merger based on the NCUSIF's equity at the end of the year of merger, receive a distribution based on the continuing institution's insured shares as of the end of the year of merger. With regard to distributions declared in the calendar year of merger but based on the NCUSIF's equity from the end of the preceding year, the institution will receive a distribution based on its insured shares as of the end of the preceding year.

(j) *Conversion from, or termination of, Federal share insurance.* (1) A federally insured credit union whose insurance coverage with the NCUSIF terminates, including through a conversion to, or merger into, a nonfederally insured credit union or a noncredit union entity, will:

(i) Receive the full amount of its NCUSIF deposit paid, less any amounts applied to cover NCUSIF losses that exceed NCUSIF retained earnings, immediately after the final date on which any shares of the credit union are NCUSIF-insured;

(ii) If the NCUSIF declares a distribution at the end of the calendar year of conversion, receive a distribution based on the institution's insured shares as of the last day of the most recently ended reporting period preceding the date of conversion times the institution's modified premium/distribution ratio; and

(iii) If the NCUSIF assesses a premium in the calendar year of conversion or merger on or before the day in which the conversion or merger is completed, pay a premium based on the institution's insured shares as of the last day of the most recently ended reporting period preceding the conversion or merger date times the institution's modified premium/distribution ratio. If the institution has previously paid a premium based on this same assessment that exceeds this amount, the institution will receive a refund of the difference following completion of the conversion or merger.

§ 741.5

(2) Notwithstanding the requirements of paragraph (j)(1) of this section:

(i) Any insolvent credit union that is closed for involuntary liquidation will not be entitled to a return of its deposit;

(ii) Any solvent credit union that is closed due to voluntary or involuntary liquidation will be entitled to a return of its deposit paid, less any amounts applied to cover NCUSIF losses that exceed NCUSIF retained earnings, prior to final distribution of member shares; and

(iii) The Board reserves the right to delay return of the deposit to any credit union converting from or terminating its federal insurance, or voluntarily liquidating, for up to one year if the Board determines that immediate repayment would jeopardize the NCUSIF.

(k) *Assessment of administrative fee and interest for delinquent payment.* Each federally insured credit union must pay to the NCUA an administrative fee, the costs of collection, and interest on any delinquent payment of its capitalization deposit or insurance premium. A payment will be considered delinquent if it is postmarked or electronically posted later than the date stated in the invoice provided to the credit union. The NCUA may waive or abate charges or collection of interest, if circumstances warrant.

(1) The administrative fee for a delinquent payment shall be an amount as fixed from time to time by the NCUA Board based upon the administrative costs of such delinquent payments to the NCUA in the preceding year.

(2) The costs of collection shall be calculated as the actual hours expended by NCUA personnel multiplied by the average hourly cost of the salaries and benefits of such personnel.

(3) The interest rate charged on any delinquent payment shall be the U.S. Department of the Treasury Tax and loan Rate in effect on the date when the loan payment is due as provided in 31 U.S.C. 3717.

(4) The Act contains specific penalties and other consequences for delinquent payments, including, but not limited to:

(i) Section 202(d)(2)(B) of the Act (12 U.S.C. 1782(d)(2)(B)) provides that the Board may assess and collect a penalty from an insured credit union of not more than \$20,000 for each day the credit union fails or refuses to pay any deposit or premium due to the fund; and

(ii) Section 202(d)(3) of the Act (12 U.S.C. 1782(d)(3)) provides, generally, that no insured credit union shall pay any dividends on its insured shares or distribute any of its assets while it remains in default in the payment of its deposit or any premium charge due to the fund. Section 202(d)(3) further provides that any director or officer of any insured credit union who knowingly participates in the declaration or payment of any such dividend or in any such distribution

12 CFR Ch. VII (1–1–10 Edition)

shall, upon conviction, be fined not more than \$1,000 or imprisoned more than one year, or both.

§ 741.5 Notice of termination of excess insurance coverage.

In the event of a credit union's termination of share insurance coverage other than that provided by the NCUSIF, the credit union must notify all members in writing of such termination at least thirty days prior to the effective date of termination.

§ 741.6 Financial and statistical and other reports.

(a) Upon written notice from the Board, Regional Director, or Director of the Office of Corporate Credit Unions, insured credit unions must file financial and other reports in accordance with the instructions in the notice. Credit unions with the capacity to do so must use NCUA's information management system to submit their data online. If a credit union is unable to use the information system, it must file written reports in accordance with the instructions.

(1) *Credit Union Profile.* Insured credit unions must submit to NCUA a Credit Union Profile, NCUA Form 4501 or its equivalent, within 10 days after an election or appointment of senior management or volunteer officials or within 30 days of any change of the information in the profile.

(2) *Financial and statistical report.* Natural person credit unions must file a Call Report with NCUA quarterly in accordance with the instructions in the NCUA Form 5300. Corporate credit unions must file a Corporate Credit Union Call Report with NCUA monthly in accordance with the instructions in the NCUA Form 5310. Credit unions must submit a corrected Call Report upon notification or the discovery of a need for correction.

(b) *Consistency with GAAP.* The accounts of financial statements and reports required to be filed quarterly under paragraph (a) of this section must reflect GAAP if the credit union has total assets of \$10 million or greater, but may reflect regulatory accounting principles other than GAAP if the credit union has total assets of less than \$10 million (except that a Federally-insured State-chartered credit

National Credit Union Administration

§ 741.9

union may be required by its state credit union supervisor to follow GAAP regardless of asset size).

(c) *GAAP sources.* GAAP means generally accepted accounting principles, as defined in § 715.2(e) of this chapter. GAAP is distinct from GAAS, which means generally accepted auditing standards, as defined in § 715.2(f) of this chapter. Authoritative sources of GAAP include, but are not limited to, pronouncements of the Financial Accounting Standards Board (FASB) and its predecessor organizations, the Accounting Standards Executive Committee (AcSEC) of the American Institute of Certified Public Accountants (AICPA), the FASB's Emerging Issues Task Force (EITF), and the applicable AICPA Audit and Accounting Guide.

§ 741.7 Conversion to a state-chartered credit union.

Any federal credit union that petitions to convert to a state-chartered federally insured credit union is required to apply to the Regional Director for continued insurance of its accounts and meet the requirements as stated in the Act and this part. If the application for continued insurance is not approved, such insurance will terminate subject to the conditions set forth in section 206(d) of the Act.

§ 741.8 Purchase of assets and assumption of liabilities.

(a) Any credit union insured by the National Credit Union Share Insurance Fund (NCUSIF) must receive approval from the NCUA before purchasing loans or assuming an assignment of deposits, shares, or liabilities from:

(1) Any credit union that is not insured by the NCUSIF;

(2) Any other financial-type institution (including depository institutions, mortgage banks, consumer finance companies, insurance companies, loan brokers, and other loan sellers or liability traders); or

(3) Any successor in interest to any institution identified in paragraph (a)(1) or (a)(2) of this section.

(b) Approval is not required for:

(1) Purchases of student loans or real estate secured loans to facilitate the packaging of a pool of loans to be sold or pledged on the secondary market under § 701.23(b)(1)(iii) or (iv) of this chapter or comparable state law for state-chartered credit unions, or purchases of member loans under § 701.23(b)(1)(i) of this chapter or comparable state law for state-chartered credit unions;

(2) Assumption of deposits, shares or liabilities as rollovers or transfers of member retirement accounts or in which a federally-insured credit union perfects a security interest in connection with an extension of credit to any member; or

(3) Purchases of assets, including loans, or assumptions of deposits, shares, or liabilities by any credit union insured by the NCUSIF from another credit union insured by the NCUSIF, except a purchase or assumption as a part of a merger under Part 708b.

(c) A credit union seeking approval under paragraph (a) of this section must submit a letter to the regional office with jurisdiction for the state where the credit union is headquartered. A corporate credit union seeking approval under paragraph (a) of this section must submit a letter to the Office of Corporate Credit Unions. The letter must request approval and state the nature of the transaction and include copies of relevant transaction documents. The regional director will make a decision to approve or disapprove the request as soon as possible depending on the complexity of the proposed transaction. Credit unions should submit a request for approval in sufficient time to close the transaction.

§ 741.9 Uninsured membership shares.

Any credit union that is insured pursuant to Title II of the Act may not offer membership shares that, due to the terms and conditions of the account, are not eligible for insurance coverage. This prohibition does not apply to shares that are uninsured solely because the amount is in excess of the maximum insurance coverage

§ 741.10

provided pursuant to part 745 of this chapter.

§ 741.10 Disclosure of share insurance.

Any credit union which is insured pursuant to Title II of the Act and is permitted by state law to accept nonmember shares or deposits from sources other than other credit unions and public units (or, for low-income designated credit unions, any nonmembers), shall identify such nonmember accounts as nonmember shares or deposits on any statement or report required by the NCUA Board for insurance purposes. Immediately after a state-chartered credit union receives notice from NCUA that its member accounts are federally insured, the credit union shall advise any present nonmember share and deposit holders by letter that their accounts are not insured by the NCUSIF. Also, future nonmember share and deposit fund holders will be so advised by letter as they open accounts.

§ 741.11 Foreign branching.

(a) *Application and Prior NCUA Approval Required.* Any credit union insured under Title II of the Act must apply for and receive approval from the regional director before establishing a credit union branch outside the United States unless the foreign branch is located on a United States military installation or embassy outside the United States. The regional director will have 60 days to approve or deny the request.

(b) *Contents of Application.* The application must include a business plan, written approval by the state supervisory agency if the applicant is a state-chartered credit union, and documentation evidencing written permission from the host country to establish the branch that explicitly recognizes NCUA's authority to examine and take any enforcement action, including conservatorship and liquidation actions.

(c) *Contents of Business Plan.* The written business plan must address the following:

(1) Analysis of market conditions in the area where the branch is to be established;

(2) The credit union's plan for addressing foreign currency risk;

12 CFR Ch. VII (1–1–10 Edition)

(3) Operating facilities, including office space/equipment and supplies;

(4) Safeguarding of assets, bond coverage, insurance coverage, and records preservation;

(5) Written policies regarding the branch (shares, lending, capital, charge-offs, collections);

(6) The field of membership or portion of the field of membership to be served through the foreign branch and the financial needs of the members to be served and services and products to be provided;

(7) Detailed *pro forma* financial statements for branch operations (balance sheet and income and expense projections) for the first and second year including assumptions;

(8) Internal controls including cash disbursement procedures for shares and loans at the branch;

(9) Accounting procedures used to identify branch activity and performance; and

(10) Foreign income taxation and employment law.

(d) *Revocation of Approval.* A state regulator that revokes approval of the branch office must notify NCUA of the action once it issues the notice of revocation. The regional director may revoke approval of the branch office for failure to follow the business plan in a material respect or for substantive and documented safety and soundness reasons. If the regional director revokes the approval, the credit union will have six months from the date of the revocation letter to terminate the operations of the branch. The credit union can appeal this revocation directly to the NCUA Board within 30 days of the date of the revocation letter.

(e) *Insurance Coverage.* Accounts at foreign branches are insured by the NCUSIF only if denominated in U.S. dollars and only if payable, by the terms of the account agreement, at a U.S. office of the credit union. If the host country requires insurance from its own system, accounts will not be insured by the National Credit Union Share Insurance Fund.

A federally insured credit union whose fidelity bond coverage is terminated shall mail notice of such termination to the Regional Director not less than 35 days prior to the effective date of such termination.

(b) Corporate credit unions must comply with § 704.18 of this chapter in lieu of part 713 of this chapter.

State-chartered, NCUSIF-insured credit unions in a given state are exempt from these requirements if the state supervisory authority for that state adopts substantially equivalent regulations as determined by the NCUA Board or, in the case of the member business loan requirements, if the state supervisory authority adopts member business loan regulations that are approved by the NCUA Board pursuant to § 723.20. In nonexempt states, all required NCUA reviews and approvals will be handled in coordination with the state credit union supervisory authority; and

(b) Adhere to the requirements stated in part 722 of this chapter concerning appraisals.

(c) Adhere to the requirements stated in § 701.21(h) of this chapter concerning third-party servicing of indirect vehicle loans. The regional director will not grant a waiver unless the appropriate state official concurs in the waiver. The 45-day period for the regional director to act on a waiver request, as described § 701.21(h)(3), will not begin until the regional director has received the state official's concurrence and any other necessary information.

APPENDIX A TO PART 741—EXAMPLES OF PARTIAL-YEAR NCUSIF ASSESSMENT AND DISTRIBUTION CALCULATIONS UNDER § 741.4

The following examples illustrate the calculation of deposit and premium assessments under each circumstance addressed in paragraphs (i) and (j) of § 741.4.

A. Direct Conversion to NCUSIF Insurance

1. Paragraph (i)(1)(i) provides that a credit union or other institution that converts to insurance coverage with the NCUSIF will immediately fund its one percent deposit based on the total of its insured shares as of the last day of the most recently ended reporting period prior to the date of conversion.

i. The following hypothetical illustrates the application of this provision. Assume Main Street Credit Union completes its conversion from nonfederal to federal insurance on May 15 of Year One. Assume further that Main Street credit union had 1,000 insured shares for the end of month in December of the previous year (Year zero), 1,100 insured shares for at the end of May, the month of conversion, and 1,200 insured shares at the end of June. This information is presented in this Table A:¹

TABLE A

	End of month, December, year zero	End of month, May, year one (month conversion completed)	End of month, June, year one
Main Street Credit Union's Federally Insured Shares	1,000	1,100	1,200

ii. Paragraph (i)(1)(i) requires that on the date of its conversion, Main Street fund its one percent deposit based on “the total of its insured shares as of the last day of the most recently ended reporting period prior to the date of conversion.” Since Main Street has

less than \$50,000,000 in assets, its reporting period is annual, and ends on December 31. 12 CFR 741.4(b)(6) (definition of “reporting period”). Main Street had \$1,000 in insured shares on that date, and one percent of that is \$10, and so that is the amount Main Street

¹Although Main Street Credit Union was not federally insured as of December 31 of Year Zero, proposed § 741.4(b)(3) provides that “For a credit union or other entity that is not federally insured, ‘insured shares’ means,

for purposes of this section only, the amount of deposits or shares that would have been insured by the NCUSIF under part 745 had the institution been federally insured on the date of measurement.”

National Credit Union Administration

Pt. 741, App. A

must immediately remit to the NCUSIF to establish its one percent deposit.

2. Paragraph (i)(1)(ii) provides that a credit union or other institution that converts to insurance coverage with the NCUSIF will, if the NCUSIF assesses a premium in the calendar year of conversion, pay a premium based on the institution's insured shares as of the last day of the most recently ended reporting period preceding the invoice date times the institution's premium/distribution ratio * * *.

i. To illustrate the application of paragraph (i)(1)(ii), take the same facts in hypo-

thetical A related to the conversion of Main Street from nonfederal to federal insurance. Now, further assume that on the previous March 15, NCUA had declared a premium assessment, and on September 15 following the conversion NCUA sent out the invoices for the March 15 assessment. Also assume that Main Street had grown to 1,300 insured shares at the end of September, the month the invoices were sent to Main Street and other credit unions. This information is presented in this Table B:

TABLE B

	End of month, December, year zero	End of month, May, year one (month conversion completed)	End of month, June, year one	End of month, September, year one (month invoice sent)
Main Street Credit Union's Federally Insured Shares	1,000	1,100	1,200	1,300

ii. Paragraph (i)(1)(ii) requires Main Street pay a premium based on the institution's "insured shares as of the last day of the most recently ended reporting period preceding the invoice date times the institution's premium/distribution ratio." Again, because Main Street is under \$50 million in assets, the most recently ended reporting period preceding the September 15 invoice date is all the way back to December of Year Zero, when Main Street had \$1,000 in shares. Main Street's "premium/distribution ratio," as defined in § 741.4(b)(5), is "the number of full remaining months in the calendar year following the date of the institution's conversion or merger divided by 12." Since Main Street completed its conversion in May, there are seven full months remaining in the calendar year (June through December), and Main Street's premium/distribution ratio is seven divided by 12. Accordingly, Main Street's premium will be assessed on \$1,000 times seven divided by 12, or about \$583.² Note that if Main Street's assets had exceeded \$50 million as of June 30, it would have had semiannual reporting periods under § 741.4(b)(6), and its "insured shares as of the last day of the most recently ended reporting period preceding the invoice date" would have been its insured shares as of June 30, Year One, and not as of December 31, Year Zero.

3. Paragraphs (i)(1)(iii) and (iv) describe the responsibility of a credit union or other

entity converting to federal insurance to replenish a depleted NCUSIF deposit, as follows: A credit union or other institution that converts to insurance coverage with the NCUSIF will, if the NCUSIF declares, in the calendar year of conversion but on or before the date of conversion, an assessment to replenish the one-percent deposit, pay nothing related to that assessment; if the NCUSIF declares, at any time after the date of conversion through the end of that calendar year, an assessment to replenish the one-percent deposit, pay a replenishment amount based on the institution's insured shares as of the last day of the most recently ended reporting period preceding the invoice date.

i. Paragraph (i)(1)(iii) clarifies that a converting credit union has no responsibility to pay anything toward the replenishment of a depleted deposit that is declared on or before the date of conversion, even if NCUA sends out invoices related to the depletion after the date of conversion. Paragraph (i)(1)(iv) requires that a converting credit union replenish its deposit with regard to a depletion declared after the date of conversion through the end of the calendar year. Again, assume the same facts for Main Street as in Table B, but that the deposit depletion was announced in June, after Main Street converted, and that NCUA sent the invoices in September.

²Main Street's actual premium charge will be this \$583 divided by the aggregate insured shares of all federally insured credit unions

times the aggregate premium for all federally insured credit unions.

TABLE B

	End of month, December, year zero	End of month, May, year one (month con- version com- pleted)	End of month, June, year one	End of month, September, year one (month invoice sent)
Main Street Credit Union's Federally Insured Shares	1,000	1,100	1,200	1,300

ii. Main Street would receive an invoice amount “based on the [Main Street’s] insured shares as of the last day of the most recently ended reporting period preceding the invoice date.” Since Main Street has less than \$50 million in shares, the most recently ended reporting period preceding the September invoice date was December 31, Year Zero, and it would pay for the replenishment based on \$1,000 in insured shares. If Main Street, however, had had \$50 million or more in assets on June 30, its most recently ended reporting period preceding the invoice date would have been the semiannual period ending on June 30, and Main Street would have used its insured shares as of June 30 to calculate the replenishment amount due to the NCUSIF.

4. Under the Federal Credit Union Act, distributions, if any, are declared once a year, early in the year, based on excess funds in the NCUSIF as of the prior December 31. Paragraph (i)(1)(v) describes the right of a credit union or other entity converting to federal insurance to receive a distribution from the NCUSIF, specifically: A credit union or other institution that converts to insurance coverage with the NCUSIF will, if the NCUSIF declares a distribution in the year following conversion based on the NCUSIF’s equity at the end of the year of conversion, receive a distribution based on the institution’s insured shares as of the end of the year of conversion times the institution’s premium/distribution ratio. With regard to distributions declared in the calendar year of conversion but based on the NCUSIF’s equity at the end of the preceding year, the converting institution will receive no distribution.

i. To illustrate how paragraph (i)(1)(v) works, assume that Main Street Credit Union converts to federal insurance in May of Year One, and that the NCUA declares a distribution in January of Year Two based on the NCUSIF equity as of December 31 of Year One. Then Main Street will be entitled to a pro rata portion of the distribution, calculated on its insured shares as of December 31 of Year One times its premium/distribu-

tion ratio. Since it converted in May of Year One, and there were seven full months remaining in Year One at the date of conversion, Main Street’s premium/distribution ratio under §741.4(b)(6) equals seven divided by 12.

ii. On the other hand, if the NCUA declared a distribution a year earlier, that is, in January of Year One based on the NCUSIF’s equity ratio as of December 31 in Year Zero, then under paragraph (i)(1)(v) Main Street would receive no part of this distribution. Main Street is not entitled to any part of this distribution because Main Street, which completed its conversion in Year One, did not contribute in any way to the excess funds in the NCUSIF as of the end of Year Zero.

B. Conversion to NCUSIF Coverage Through Merger with a Federally Insured Credit Union.

Paragraph (i)(2) addresses the NCUSIF premiums, deposit replenishments, and distribution calculations when a nonfederally insured credit union or entity converts to NCUSIF coverage by merging with a federally insured credit union.

1. Paragraph (i)(2)(i) provides that a federally-insured credit union that merges with a nonfederally-insured credit union or other non-federally insured institution (the “merging institution”), where the federally-insured credit union is the continuing institution, will immediately on the date of merger increase the amount of its NCUSIF deposit by an amount equal to one percent of the merging institution’s insured shares as of the last day of the merging institution’s most recently ended reporting period preceding the date of merger.

i. To illustrate this provision, and the other provisions of paragraph (i)(2) related to mergers of nonfederally insured entities into federally-insured credit unions, consider the following hypothetical. Nonfederally-insured Credit Union A merges into federally-insured Credit Union B on August 15 of Year One. The relevant insured shares of Credit Union A and Credit Union B at various dates before and after the merger are reflected in Table D:

TABLE D

	End of month December, year zero	End of month June, year one	End of month August, year one (month merger completed)	End of Month September, year one (month invoice sent)
Credit Union A Insured shares	1,000	1,100	N/A	N/A
Credit Union B Insured shares	9,000	9,900	12,900	14,000

ii. Paragraph (i)(2)(i) requires that Credit Union B, the continuing credit union, immediately increase the amount of its deposit with the NCUSIF in an amount “equal to one percent of the merging institution’s insured shares as of the last day of the merging institution’s most recently ended reporting period preceding the date of merger.” Since Credit Union A, the merging institution, has less than \$50 million in assets, its reporting period is the calendar year, and its most recently ended reporting period preceding the August merger date is December 31 in Year Zero. Credit Union A had \$1,000 in insured shares on that date. Accordingly, Credit Union B, the continuing credit union, must immediately increase the amount of its deposit with the NCUSIF by one percent of \$1,000, or \$10. Note that if Credit Union A had been a larger credit union, with \$50 million or more in assets on June 30 in Year One, then Credit Union B would have used Credit Union A’s insured shares as of June 30 in this calculation.

2. Paragraph (i)(2)(ii), relating to NCUSIF premium assessments, provides that the continuing institution will, with regard to any NCUSIF premiums assessed in the calendar year of merger, pay a two-part premium, with one part calculated on the merging institution’s insured shares as described in subparagraph (1)(ii) above, and the other part calculated on the continuing institution’s insured shares as of the last day of its most recently ended reporting period preceding the date of merger.

1. Paragraph (i)(2)(ii) provides for a two-part calculation, with the first part relating to the merging credit union and the second part relating to the continuing credit union. Assuming the facts as in Table D, and assuming the premium is assessed sometime in Year One, calculate the insured shares of Credit Union A, the merging credit union, as in the example for paragraph (i)(1)(ii). Once again, because Credit Union A is under \$50 million in assets, the most recently ended reporting period preceding the invoice date is December of Year Zero, when Credit Union A had \$1,000 in shares. The merger was completed in August, leaving four full months in the calendar year, so the premium/distribution ratio is four divided by 12. Accordingly, this part of the premium will be assessed on \$1,000 times four divided by 12, or about \$333.

Then calculate the insured shares of Credit Union B, the continuing credit union, “as of the last day of its most recently ended reporting period preceding the merger date.” Since Credit Union B is also under \$50 million in assets, “the last day of the most recently ended reporting period” is also December 31 of Year Zero. Credit Union B’s insured shares on that date were \$9,000, and so the combined insured shares for purposes of the premium assessment is \$9,333. Note that if Credit Union B had \$50 million or more in assets on June 30 of Year One, then Credit Union B’s “most recently ended reporting period preceding the merger date” would have been June 30 of Year One, and not December 31 of Year Zero. The Board is aware that the NCUA might declare a NCUSIF premium, invoice it, and receive the premiums in Year One from the continuing institution before the continuing institution consummates its merger. In that case, the Board would invoice the continuing credit union again after the merger, but only for the difference between the amount previously invoiced and the amount calculated under paragraph (i)(2)(ii).

3. Paragraph (i)(2)(iii) prescribes the procedures for calculating the NCUSIF distribution when a nonfederally insured credit union or entity merges into a federally insured credit union. Paragraph (i)(2)(iii) provides that the federally insured credit union will, if the NCUSIF declares a distribution in the year following the merger based on the NCUSIF’s equity at the end of the year of merger, receive a distribution based on the continuing institution’s insured shares as of the end of the year of merger. With regard to distributions declared in the calendar year of merger but based on the NCUSIF’s equity from the end of the preceding year, the institution will receive a distribution based on its insured shares as of the end of the preceding year.

1. This formula recognizes that the merging institution did not contribute to the NCUSIF equity as of the end of the year preceding the merger and so no distribution is allotted against the merging institution’s shares. As for distributions based on the NCUSIF equity at the end of the year of merger, this formula does not include any pro rata reduction for the merging institution’s contribution. The Board determined

that a pro rata reduction was unnecessary, given the generally small relative size of merging institutions to continuing institutions, and the fact that the Federal Credit Union Act does not require any sort of pro rata reduction or other pro rata calculation with regard to distributions.

C. Conversion from, or termination of, Federal share insurance.

Paragraph (j)(1) addresses direct insurance conversions and conversions by merger. Paragraph (j)(2) addresses liquidations and insurance termination.

1. Paragraph (j)(1)(i) provides that a federally insured credit union whose insurance coverage with the NCUSIF terminates, including through a conversion to, or merger into, a nonfederally insured credit union or a noncredit union entity, will receive the full amount of its NCUSIF deposit paid, less any amounts applied to cover NCUSIF losses that exceed NCUSIF retained earnings, immediately after the final date on which any shares of the credit union are NCUSIF-insured.

i. To illustrate the application of this paragraph (j)(1)(i), consider the following hypothetical. Assume Anytown Credit Union, a credit union with \$30 million in assets, converts from federal to nonfederal insurance on November 15. Also assume Anytown Credit Union had \$20 million in insured shares as of the previous December 31, the end of its most recent reporting period. 12 CFR 741.4(b)(5), (c). The NCUSIF would return one-percent of \$20 million, or \$200,000 to Anytown Credit Union immediately following the effective date of its conversion. Note that, if Anytown Credit Union had reported \$50 million or more in assets on June 30, then June 30 would have been the end of its most recent reporting period. Now further assume that, on July 15 of that same year, the NCUSIF had announced an expense that reduced the equity ratio from 1.3 to .75, which would have included a write-off (depletion) of 25%, or 25 basis points, of the one-percent deposit. The amount of the deposit returned to Anytown would be reduced by 25%, from \$200,000 to \$150,000. If the NCUSIF had announced expenses reducing the equity ratio to .75 after the November 15 conversion date, this announcement would have no effect on Anytown and it would still receive the full \$200,000 from the NCUSIF.

2. Paragraph (j)(1)(ii) provides that a federally insured credit union whose insurance coverage with the NCUSIF terminates, including through a conversion to, or merger into, a nonfederally insured credit union or a noncredit union entity, will, if the NCUSIF declares a distribution at the end of the calendar year of conversion, receive a distribution based on the institution's insured shares as of the last day of the most recently ended reporting period preceding the date of con-

version times the institution's modified premium/distribution ratio.

i. To illustrate the application of this paragraph (j)(1)(ii), again assume Anytown Credit Union converts to nonfederal insurance on November 15, and in January of the following year, the NCUSIF declares a distribution based on the NCUSIF's equity ratio as of December 31. Anytown would receive a pro rata distribution calculated as its \$20 million in insured shares multiplied by the modified premium/distribution ratio. Anytown's modified premium/distribution ratio, from the definition in §741.4(b)(5), is one minus Anytown's premium/distribution ratio, which is one minus the ratio of the full number of months remaining in the year divided by twelve, which is one minus (one divided by twelve), which is eleven divided by twelve. So Anytown would receive a pro rata distribution based on \$20 million of insured shares times eleven-twelfths, or based on about \$18.33 million in shares.³

3. Paragraph (j)(1)(iii) provides that a federally insured credit union whose insurance coverage with the NCUSIF terminates, including through a conversion to, or merger into, a nonfederally insured credit union or a noncredit union entity, will, if the NCUSIF assesses a premium in the calendar year of conversion or merger on or before the day in which the conversion or merger is completed, pay a premium based on the institution's insured shares as of the last day of the most recently ended reporting period preceding the conversion or merger date times the institution's modified premium/distribution ratio. If the institution has previously paid a premium based on this same assessment that exceeds this amount, the institution will receive a refund of the difference following completion of the conversion or merger.

i. To illustrate these premium provisions, again assume Anytown Credit Union is a credit union with \$30 million in assets that converts from federal to nonfederal insurance on November 15 of Year One, and that Anytown Credit Union had \$20 million in insured shares as of the previous December 31 (of Year Zero), the end of its most recent reporting period. Further assume that NCUA declares a premium on February 12 of Year One and invoices the premium on November 15. Since the premium was declared "on or before the day in which [Anytown's] conversion [was] completed," §741.4(j)(1)(iii) applies. Anytown would then pay a premium based on \$20 million (its "insured shares as

³Anytown's actual distribution would be \$18.33 million times the aggregate amount of the distribution divided by the aggregate amount of all insured shares at all federally insured credit unions.

National Credit Union Administration

§ 742.3

of the last day of the most recently ended reporting period preceding the conversion or merger date”) times eleven-twelfths (its “modified premium/distribution ratio”), or based on about \$18.33 million. Note that NCUA might have already have invoiced Anytown for the premium sometime between February 12 and Anytown’s merger on November 15. If so, Anytown will likely receive a refund of some of this earlier premium, as provided in the last sentence of § 741.1(j)(1)(iii), since it may have overpaid the earlier premium.

Sec.

742.1 Regulatory Flexibility Program.

742.2 Criteria to qualify for RegFlex designation.

742.3 Loss and revocation of RegFlex designation.

742.4 RegFlex relief.

AUTHORITY: 12 U.S.C. 1756, 1766.

SOURCE: 71 FR 4039, Jan. 25, 2006, unless otherwise noted.

§ 742.1 Regulatory Flexibility Program.

NCUA’s Regulatory Flexibility Program (RegFlex) exempts from all or part of the NCUA regulatory restrictions identified elsewhere in this part credit unions that demonstrate sustained superior performance as measured by CAMEL rating and net worth classification. RegFlex credit unions also are authorized to purchase and hold an expanded range of obligations.

§ 742.2 Criteria to qualify for RegFlex designation.

(a) *Automatic qualification.* A credit union automatically qualifies for RegFlex designation, without formal notification, when it has:

(1) *CAMEL.* Received a composite CAMEL rating of “1” or “2” for the two (2) preceding examinations; and

(2) *Net worth.* Maintained a net worth classification of “well capitalized” under part 702 of this chapter for six (6) consecutive preceding quarters or, if subject to a risk-based net worth (RBNW) requirement under part 702 of this chapter, has remained “well cap-

italized” for six (6) consecutive preceding quarters after applying the applicable RBNW requirement.

(b) *Application for designation.* A credit union that does not automatically qualify under paragraph (a) of this section may apply for a RegFlex designation, which may be granted in whole or in part upon notification by the appropriate Regional Director, provided the credit union has either:

(1) *CAMEL.* Received a composite CAMEL rating of “3” or better for the preceding examination; or

(2) *Net worth.* Maintained a net worth classification of “well capitalized” under part 702 of this chapter for less than six (6) consecutive quarters or, if subject to an RBNW requirement under part 702 of this chapter, has remained “well capitalized” for less than six (6) consecutive preceding quarters after applying the applicable RBNW requirement.

§ 742.3 Loss and revocation of RegFlex designation.

(a) *Loss of authority.* RegFlex authority is lost when a credit union that qualified automatically under the CAMEL and net worth criteria in § 742.2(a) no longer meets either of those criteria. Once the authority is lost, the credit union may no longer claim the exemptions and authority set forth in § 742.4.

(b) *Revocation of authority.* The Regional Director may revoke a credit union’s RegFlex authority under § 742.2, in whole or in part, for substantive, documented safety and soundness reasons. When revoking RegFlex authority, the regional director must give written notice to the credit union stating the reasons for the revocation. The revocation is effective upon the credit union’s receipt of notice from the Regional Director.

(c) *Appeal of revocation.* A credit union has 60 days from the date of the regional director’s determination to revoke RegFlex authority to appeal the action, in whole or in part, to NCUA’s Supervisory Review Committee. The Regional Director’s determination will remain in effect unless and until the Supervisory Review Committee issues a different determination. If the credit union is dissatisfied with the decision

§ 742.4

12 CFR Ch. VII (1–1–10 Edition)

of the Supervisory Review Committee, the credit union has 60 days from the date of the Committee's decision to appeal to the NCUA Board.

(d) *Grandfathering of past actions.* Any action duly taken in reliance upon RegFlex authority will not be affected or undone by subsequent loss or revocation of that authority. Any actions exercised after RegFlex authority is lost or revoked must comply with all applicable regulatory requirements and restrictions. Nothing in this part shall affect NCUA's authority to require a credit union to divest its investments or assets for substantive safety and soundness reasons.

§ 742.4 RegFlex Relief.

(a) *Exemptions.* RegFlex credit unions are exempt from the following regulatory restrictions:

(1) *Charitable contributions.* Section 701.25 of this chapter concerning charitable contributions;

(2) *Nonmember deposits.* Section 701.32(b) and (c) of this chapter concerning the maximum amount of nonmember deposits a credit union can accept; and

(3) *Fixed assets.* Section 701.36(a) of this chapter concerning the maximum amount of fixed assets a credit union can acquire. Section 701.36(b)(2) of this chapter concerning the three-year partial occupancy requirement when acquiring unimproved land for future expansion; RegFlex credit unions are instead subject to a six-year partial occupancy requirement when acquiring unimproved land but remain subject to all other provisions of that section including the waiver provision;

(4) *Member business loans.* Section 723.7(b) of this chapter concerning the personal liability and guarantee of principals for member business loans;

(5) *Discretionary control of investments.* Section 703.5(b)(1)(ii) and (2) of this chapter concerning the maximum amount of investments over which discretionary control can be delegated;

(6) *"Stress testing" of investments.* Section 703.12(c) of this chapter concerning "stress testing" of securities holdings to assess the impact of an extreme interest rate shift;

(7) *Zero-coupon securities.* Section 703.16(b) of this chapter concerning the

maximum maturity length of zero-coupon securities;

(8) *Borrowing repurchase transactions.* Section 703.13(d)(3) of this chapter, concerning the maturity of investments a credit union purchases with the proceeds received in a borrowing repurchase transaction, provided the value of the investments that mature later than the borrowing repurchase transaction does not exceed 100 percent of the federal credit union's net worth;

(9) *Commercial mortgage related security.* Section 703.16(d) of this chapter prohibiting the purchase of a commercial mortgage related security of an issuer other than a government-sponsored enterprise enumerated in 12 U.S.C. 1757(7)(E), provided:

(i) The security is rated in one of the two highest rating categories by at least one nationally-recognized statistical rating organization;

(ii) The security meets the definition of mortgage related security as defined in 15 U.S.C. 78c(a)(41) and the definition of commercial mortgage related security as defined in § 703.2 of this chapter;

(iii) The security's underlying pool of loans contains more than 50 loans with no one loan representing more than 10 percent of the pool; and

(iv) The aggregate total of commercial mortgage related securities purchased by the Federal credit union does not exceed 50 percent of its net worth.

(b) *Purchase of obligations from a FICU.* A RegFlex credit union is authorized to purchase and hold the following obligations, provided that it would be empowered to grant them:

(1) *Eligible obligations.* Eligible obligations pursuant to § 701.23(b)(1)(i) of this chapter without regard to whether they are obligations of its members, provided they are purchased from a federally-insured credit union only;

(2) *Student loans.* Student loans pursuant to § 701.23(b)(1)(iii) of this chapter, provided they are purchased from a federally-insured credit union only;

(3) *Mortgage loans.* Real-state secured loans pursuant to 701.23(b)(1)(iv) of this chapter, provided they are purchased from a federally-insured credit union only;

(4) *Eligible obligations of a liquidating credit union.* Eligible obligations of a liquidating credit union pursuant to

National Credit Union Administration

§ 745.1

§ 701.23(b)(1)(ii) of this chapter without regard to whether they are obligations of the liquidating credit union's members, provided that such purchases do not exceed 5 percent (5%) of the unimpaired capital and surplus of the purchasing credit union.

Subpart A—Clarification and Definition of Account Insurance Coverage

§ 745.0 Scope.

The regulation and appendix contained in this part describe the insurance coverage of various types of member accounts. In general, all types of member share accounts received by the credit union in its usual course of business, including regular shares, share certificates, and share draft accounts, represent equity and are insured. For the purposes of applying the rules in this part, it is presumed that the owner of funds in an account is an insured credit union member or otherwise eligible to maintain an insured account in a credit union. These rules do not extend insurance coverage to persons not entitled to maintain an insured account or to account relationships that have not been approved by the Board as an insured account. Where there are multiple owners of a single account, generally only that part which is allocable to the member(s) is insured.

§ 745.1 Definitions.

(a) The terms *account* or *accounts* as used in this part mean share, share certificate or share draft accounts (or their equivalent under state law, as determined by the Board in the case of insured state credit unions) of a member (which includes other credit unions, public units and nonmembers where permitted under the Act) in a credit union of a type approved by the Board which evidences money or its equivalent received or held by a credit union in the usual course of business and for which it has given or is obligated to give credit to the account of the member.

(b) The terms *member* or *members* as used in this part mean those persons enumerated in the credit union's field of membership who have been elected to membership in accordance with the Act or state law in the case of state credit unions. It also includes those nonmembers permitted under the Act to maintain accounts in an insured credit union, including nonmember credit unions and nonmember public units and political subdivisions.

(c) The term *public unit* means the United States, any state of the United States, the District of Columbia, the Commonwealth of Puerto Rico, the Panama Canal Zone, any territory or possession of the United States, any county, municipality, or political subdivision thereof, or any Indian tribe as defined in section 3(c) of the Indian Financing Act of 1974.

(d) The term *political subdivision* includes any subdivision of a public unit, as defined in paragraph (c) of this section, or any principal department of such public unit, (1) the creation of which subdivision or department has been expressly authorized by state statute, (2) to which some functions of government have been delegated by state statute, and (3) to which funds have been allocated by statute or ordinance for its exclusive use and control. It also includes drainage, irrigation, navigation improvement, levee, sanitary, school or power districts and bridge or port authorities, and other special districts created by state statute or compacts between the states. Excluded from the term are subordinate or nonautonomous divisions, agencies, or boards within principal departments.

(e) The term “standard maximum share insurance amount,” referred to as the “SMSIA” hereafter, means \$250,000 from October 3, 2008, until December 31, 2013. Effective January 1, 2014, the SMSIA means \$100,000 adjusted pursuant to subparagraph (F) of section 11(a)(1) of the Federal Deposit Insurance Act (12 U.S.C. 1821(a)(1)(F)). All examples in this part use \$250,000 as the SMSIA.

§ 745.2 General principles applicable in determining insurance of accounts.

(a) *General.* This part provides for determination by the Board of the amount of members’ insured accounts. The rules for determining the insurance coverage of accounts maintained by members in the same or different rights and capacities in the same insured credit union are set forth in the following provisions of this part. The

appendix provides examples of the application of these rules to various factual situations. While the provisions of this part govern in determining share insurance coverage, to the extent local law enters into a share insurance determination, the local law of the jurisdiction in which the insured credit union’s principal office is located will control over the local law of other jurisdictions where the insured credit union has offices or service facilities.

(b) The regulations in this part in no way are to be interpreted to authorize any type of account that is not authorized by Federal law or regulation or State law or regulation or by the by-laws of a particular credit union. The purpose is to be as inclusive as possible of all situations.

(c) *Records.* (1) The account records of the insured credit union shall be conclusive as to the existence of any relationship pursuant to which the funds in the account are deposited and on which a claim for insurance coverage is founded. Examples would be trustee, agent, custodian, or executor. No claim for insurance based on such a relationship will be recognized in the absence of such disclosure.

(2) If the account records of an insured credit union disclose the existence of a relationship which may provide a basis for additional insurance, the details of the relationship and the interest of other parties in the account must be ascertainable either from the records of the credit union or the records of the member maintained in good faith and in the regular course of business.

(3) The account records of an insured credit union in connection with a trust account shall disclose the name of both the settlor (grantor) and the trustee of the trust and shall contain an account signature card executed by the trustee.

(4) The interests of the co-owners of a joint account shall be deemed equal, unless otherwise stated on the insured credit union’s records in the case of a tenancy in common.

(d) *Valuation of trust interests.* (1) Trust interests in the same trust deposited in the same account will be separately insured if the value of the

National Credit Union Administration

§ 745.3

trust interest is capable of determination, without evaluation of contingencies, except for those covered by the present worth tables and rules of calculation for their use set forth in § 20.2031-7 of the Federal Estate Tax Regulations (26 CFR 20.2031-7).

(2) In connection with any trust in which certain trust interests are not capable of evaluation in accordance with the foregoing rule, payment by the Board to the trustee with respect to all such trust interests shall not exceed the SMSIA.

(3) Each trust interest in any trust established by two or more settlors shall be deemed to be derived from each settlor pro rata to his contribution to the trust.

(4) The term “trust interest” means the interest of a beneficiary in an irrevocable express trust, whether created by trust instrument or statute, but does not include any interest retained by the settlor.

(e) *Continuation of insurance coverage following the death of a member.* The death of a member will not affect the member’s share insurance coverage for a period of six months following death unless the member’s share accounts are restructured in that time period. If the accounts are restructured during the six-month grace period, or upon the expiration of the six months if not restructured, the share insurance coverage will be provided on the basis of actual ownership of the accounts in accordance with the provisions of this part. The operation of this grace period, however, will not result in a reduction of coverage.

(f) *Continuation of separate share insurance coverage after merger of insured credit unions.* Whenever the liability to pay the member accounts of one or more insured credit unions is assumed by another insured credit union, whether by merger, consolidation, other statutory assumption or contract: The insured status of the credit unions whose member account liability has been assumed terminates, for purposes of this section, on the date of receipt by NCUA of satisfactory evidence of the assumption; and the separate insurance of member accounts assumed continues for six months from the date the assumption takes effect or, in the

case of a share certificate, the earliest maturity date after the six-month period. In the case of a share certificate that matures within the six-month grace period that is renewed at the same dollar amount, either with or without accrued dividends having been added to the principal amount, and for the same term as the original share certificate, the separate insurance applies to the renewed share certificate until the first maturity date after the six-month period. A share certificate that matures within the six-month grace period that is renewed on any other basis, or that is not renewed, is separately insured only until the end of the six-month grace period.

§ 745.3 Single ownership accounts.

(a) Funds owned by an individual and deposited in the manner set forth below shall be added together and insured up to the SMSIA in the aggregate.

(1) *Individual accounts.* Funds owned by an individual (or by the husband-wife community of which the individual is a member) and deposited in one or more accounts in the individual’s own name shall be insured up to the SMSIA in the aggregate.

(2) *Accounts held by agents or nominees.* Funds owned by a principal and deposited in one or more accounts in the name or names of agents or nominees shall be added to any individual account of the principal and insured up to the SMSIA in the aggregate. This applies to interests created in qualified tuition savings programs established in connection with section 529 of the Internal Revenue Code (26 U.S.C. 529).

(3) *Mortgage servicing accounts.* Accounts maintained by a mortgage servicer, in a custodial or other fiduciary capacity, which are comprised of payments by mortgagors of principal and interest, shall be insured for the cumulative balance paid into the account by the mortgagors, up to the limit of the SMSIA per mortgagor. Accounts maintained by a mortgage servicer, in a custodial or other fiduciary capacity, which are comprised of payments by mortgagors of taxes and

insurance premiums shall be added together and insured in accordance with paragraph (a)(2) of this section for the ownership interest of each mortgagor in such accounts. This provision is effective as of October 22, 2008, for all existing and future mortgage servicing accounts.

(b) Funds held by a guardian, custodian, or conservator for the benefit of his ward or for the benefit of a minor under a Uniform Gifts to Minors Act and deposited in one or more accounts in the name of the guardian, custodian, or conservator are insured up to the SMSIA in the aggregate, separately from any other accounts of the guardian, custodian, conservator, ward, or minor.

[51 FR 37560, Oct. 23, 1986, as amended at 71 FR 14635, Mar. 23, 2006; 73 FR 62858, Oct. 22, 2008; 74 FR 55749, Oct. 29, 2009]

§ 745.4 Revocable trust accounts.

(a) *General rule.* Except as provided in paragraph (e) of this section, the funds owned by an individual and deposited into one or more accounts with respect to which the owner evidences an intention that upon his or her death the funds shall belong to one or more beneficiaries shall be separately insured (from other types of accounts the owner has at the same insured credit union) in an amount equal to the total number of different beneficiaries named in the account(s) multiplied by the SMSIA. This section applies to all accounts held in connection with informal and formal testamentary revocable trusts. Such informal trusts are commonly referred to as payable-on-death accounts, in-trust-for accounts or Totten Trust accounts, and such formal trusts are commonly referred to as living trusts or family trusts. (EXAMPLE 1: Account Owner “A” has a living trust account with four different beneficiaries named in the trust. A has no other revocable trust accounts at the same NCUA-insured credit union. The maximum insurance coverage would be \$1,000,000, determined by multiplying 4 times \$250,000 (the number of beneficiaries times the SMSIA). (EXAMPLE 2: Account Owner “A” has a payable-on-death account naming his niece and cousin as beneficiaries, and A also has, at the same NCUA-insured

credit union, another payable-on-death account naming the same niece and a friend as beneficiaries. The maximum coverage available to the account owner would be \$750,000. This is because the account owner has named only three different beneficiaries in the revocable trust accounts—his niece and cousin in the first, and the same niece and a friend in the second. The naming of the same beneficiary in more than one revocable trust account, whether it be a payable-on-death account or living trust account, does not increase the total coverage amount.) (EXAMPLE 3: Account Owner “A” establishes a living trust account with a balance of \$300,000, naming his two children “B” and “C” as beneficiaries. A also establishes, at the same NCUA-insured credit union, a payable-on-death account, with a balance of \$300,000, also naming his children B and C as beneficiaries. The maximum coverage available to A is \$500,000, determined by multiplying 2 times \$250,000 (the number of different beneficiaries times the SMSIA). A is uninsured in the amount of \$100,000. This is because all funds that an owner holds in both living trust accounts and payable-on-death accounts, at the same NCUA-insured credit union and naming the same beneficiaries, are aggregated for insurance purposes and insured to the applicable coverage limits.)

(b) *Required intention and naming of beneficiaries.* The required intention in paragraph (a) of this section that upon the owner’s death the funds shall belong to one or more beneficiaries must be manifested in the title of the account or elsewhere in the account records of the credit union using commonly accepted terms such as, but not limited to, *in trust for*, *as trustee for*, *payable-on-death to*, or any acronym therefore, or by listing one or more beneficiaries in the account records of the credit union. In addition, for informal revocable trust accounts, the beneficiaries must be specifically named in the account records of the insured credit union. The settlor of a revocable trust shall be presumed to own the funds deposited into the account.

(c) *Definition of beneficiary.* For purposes of this section, a beneficiary includes a natural person as well as a charitable organization and other non-

profit entity recognized as such under the Internal Revenue Code of 1986, as amended.

(d) *Interests of beneficiaries outside the definition of beneficiary in this section.* If a beneficiary named in a trust covered by this section does not meet the definition of beneficiary in paragraph (c) of this section, the funds corresponding to that beneficiary shall be treated as the individually owned (single ownership) funds of the owner(s). As such, they shall be aggregated with any other single ownership accounts of such owner(s) and insured up to the SMSIA per owner. (EXAMPLE: Account Owner "A" establishes a payable-on-death account naming a pet as beneficiary with a balance of \$100,000. A also has an individual account at the same NCUA-insured credit union with a balance of \$175,000. Because the pet is not a "beneficiary," the two accounts are aggregated and treated as a single ownership account. As a result, A is insured in the amount of \$250,000, but is uninsured for the remaining \$25,000.)

(e) *Revocable trust accounts with aggregate balances exceeding five times the SMSIA and naming more than five different beneficiaries.* Notwithstanding the general coverage provisions in paragraph (a) of this section, for funds owned by an individual in one or more revocable trust accounts naming more than five different beneficiaries and whose aggregate balance is more than five times the SMSIA, the maximum revocable trust account coverage for the account owner shall be the greater of either: five times the SMSIA or the aggregate amount of the interests of each different beneficiary named in the trusts, to a limit of the SMSIA per different beneficiary. (EXAMPLE 1: Account Owner "A" has a living trust with a balance of \$1 million and names two friends, "B" and "C" as beneficiaries. At the same NCUA-insured credit union, A establishes a payable-on-death account, with a balance of \$1 million naming his two cousins, "D" and "E" as beneficiaries. Coverage is determined under the general coverage provisions in paragraph (a) of this section, and not this paragraph (e). This is because all funds that A holds in both living trust accounts and payable-on-death accounts, at the same NCUA-insured

credit union, are aggregated for insurance purposes. Although A's aggregated balance of \$2 million is more than five times the SMSIA, A names only four different beneficiaries, and coverage under this paragraph (e) applies only if there are more than five different beneficiaries. A is insured in the amount of \$1 million (4 beneficiaries times the SMSIA), and uninsured for the remaining \$1 million.) (EXAMPLE 2: Account Owner "A" has a living trust account with a balance of \$1,500,000. Under the terms of the trust, upon A's death, A's three children are each entitled to \$125,000, A's friend is entitled to \$15,000, and a designated charity is entitled to \$175,000. The trust also provides that the remainder of the trust assets shall belong to A's spouse. In this case, because the balance of the account exceeds \$1,250,000 (5 times the SMSIA) and there are more than five different beneficiaries named in the trust, the maximum coverage available to A would be the greater of: \$1,250,000 or the aggregate of each different beneficiary's interest to a limit of \$250,000 per beneficiary. The beneficial interests in the trust for purposes of determining coverage are: \$125,000 for each of the children (totaling \$375,000), \$15,000 for the friend, \$175,000 for the charity, and \$250,000 for the spouse (because the spouse's \$935,000 is subject to the \$250,000 per-beneficiary limitation). The aggregate beneficial interests total \$815,000. Thus, the maximum coverage afforded to the account owner would be \$1,250,000, the greater of \$1,250,000 or \$815,000.)

(f) *Co-owned revocable trust accounts.* (1) Where an account described in paragraph (a) of this section is established by more than one owner, the respective interest of each account owner (which shall be deemed equal) shall be insured separately, per different beneficiary, up to the SMSIA, subject to the limitation imposed in paragraph (e) of this section. (EXAMPLE 1: A and B, two individuals, establish a payable-on-death account naming their three nieces as beneficiaries. Neither A nor B has any other revocable trust accounts at the same NCUA-insured credit union. The maximum coverage afforded to A and B would be \$1,500,000, determined by multiplying the number of owners (2) times

the SMSIA (\$250,000) times the number of different beneficiaries (3). In this example, A would be entitled to revocable trust coverage of \$750,000 and B would be entitled to revocable trust coverage of \$750,000.) (EXAMPLE 2: A and B, two individuals, establish a payable-on-death account naming their two children, two cousins, and a charity as beneficiaries. The balance in the account is \$1,750,000. Neither A nor B has any other revocable trust accounts at the same NCUA-insured credit union. The maximum coverage would be determined under paragraph (a) of this section by multiplying the number of account owners (2) times the number of different beneficiaries (5) times \$250,000, totaling \$2,500,000. Because the account balance (\$1,750,000) is less than the maximum coverage amount (\$2,500,000), the account would be fully insured.) (EXAMPLE 3: A and B, two individuals, establish a living trust account with a balance of \$3.75 million. Under the terms of the trust, upon the death of both A and B, each of their three children is entitled to \$600,000, B's cousin is entitled to \$380,000, A's friend is entitled to \$70,000, and the remaining amount (\$1,500,000) goes to a charity. Under paragraph (e) of this section, the maximum coverage, as to each co-owned account owner, would be the greater of \$1,250,000 or the aggregate amount (as to each co-owner) of the interest of each different beneficiary named in the trust, to a limit of \$250,000 per account owner per beneficiary. The beneficial interests in the trust considered for purposes of determining coverage for account owner A are: \$750,000 for the children (each child's interest attributable to A, \$300,000, is subject to the \$250,000-per-beneficiary limitation), \$190,000 for the cousin, \$35,000 for the friend, and \$250,000 for the charity (the charity's interest attributable to A, \$750,000, is subject to the \$250,000 per-beneficiary limitation). As to A, the aggregate amount of the beneficial interests eligible for deposit insurance coverage totals \$1,225,000. Thus, the maximum coverage afforded to account co-owner A would be \$1,250,000, which is the greater of \$1,250,000 or the aggregate of all the beneficial interests attributable to A (limited to \$250,000 per beneficiary),

which totaled slightly less at \$1,225,000. Because B has equal ownership interest in the trust, the same analysis and coverage determination also would apply to B. Thus, of the total account balance of \$3.75 million, \$2.5 million would be insured and \$1.25 million would be uninsured.)

(2) Notwithstanding paragraph (f)(1) of this section, where the owners of a co-owned revocable trust account are themselves the sole beneficiaries of the corresponding trust, the account shall be insured as a joint account under section 745.8 and shall not be insured under the provisions of this section. (EXAMPLE: If A and B establish a payable-on-death account naming themselves as the sole beneficiaries of the account, the account will be insured as a joint account because the account does not satisfy the intent requirement (under paragraph (a) of this section) that the funds in the account belong to the named beneficiaries upon the owners' death. The beneficiaries are in fact the actual owners of the funds during the account owners' lifetimes.)

(g) For deposit accounts held in connection with a living trust that provides for a life estate interest for designated beneficiaries, NCUA shall value each such life estate interest as the SMSIA for purposes of determining the insurance coverage available to the account owner under paragraph (e) of this section. (EXAMPLE: Account Owner "A" has a living trust account with a balance of \$1,500,000. Under the terms of the trust, A provides a life estate interest for his spouse. Moreover, A's three children are each entitled to \$275,000, A's friend is entitled to \$15,000, and a designated charity is entitled to \$175,000. The trust also provides that the remainder of the trust assets shall belong to A's granddaughter. In this case, because the balance of the account exceeds \$1,250,000 (5 five times the SMSIA) and there are more than five different beneficiaries named in the trust, the maximum coverage available to A would be the greater of: \$1,250,000 or the aggregate of each different beneficiary's interest to a limit of \$250,000 per beneficiary. The beneficial interests in the trust considered for purposes of determining coverage are: \$250,000 for the spouse's life estate,

National Credit Union Administration

§ 745.8

\$750,000 for the children (because each child's \$275,000 is subject to the \$250,000 per-beneficiary limitation), \$15,000 for the friend, \$175,000 for the charity, and \$250,000 for the granddaughter (because the granddaughter's \$310,000 remainder is limited by the \$250,000 per-beneficiary limitation). The aggregate beneficial interests total \$1,440,000. Thus, the maximum coverage afforded to the account owner would be \$1,440,000, the greater of \$1,250,000 or \$1,440,000.)

(h) *Revocable trusts that become irrevocable trusts.* Notwithstanding the provisions in section 745.9-1 on the insurance coverage of irrevocable trust accounts, if a revocable trust account converts in part or entirely to an irrevocable trust upon the death of one or more of the trust's owners, the trust account shall continue to be insured under the provisions of this section. (EXAMPLE: Assume A and B have a trust account in connection with a living trust, of which they are joint grantors. If upon the death of either A or B the trust transforms into an irrevocable trust as to the deceased grantor's ownership in the trust, the account will continue to be insured under the provisions of this section.)

(i) This section shall apply to all existing and future revocable trust accounts and all existing and future irrevocable trust accounts resulting from formal revocable trust accounts.

[74 FR 55749, Oct. 29, 2009]

§ 745.5 Accounts held by executors or administrators.

Funds of a decedent held in the name of the decedent or in the name of the executor or administrator of the decedent's estate and deposited in one or more accounts shall be insured up to the SMSIA in the aggregate for all such accounts, separately from the individual accounts of the beneficiaries of the estate or of the executor or administrator.

[51 FR 37560, Oct. 23, 1986, as amended at 71 FR 14635, Mar. 23, 2006]

§ 745.6 Accounts held by a corporation, partnership, or unincorporated association.

Accounts of a corporation, partnership, or unincorporated association engaged in any independent activity shall

be insured up to the SMSIA in the aggregate. The account of a corporation, partnership, or unincorporated association not engaged in an independent activity shall be deemed to be owned by the person or persons owning such corporation or comprising such partnership or unincorporated association and, for account insurance purposes, the interest of each person in such an account shall be added to any other account individually owned by such person and insured up to the SMSIA in the aggregate. For purposes of this section, "independent activity" means an activity other than one directed solely at increasing insurance coverage.

[51 FR 37560, Oct. 23, 1986, as amended at 71 FR 14635, Mar. 23, 2006]

§ 745.7 Shares accepted in a foreign currency.

An insured credit union may accept shares denominated in a foreign currency. Shares denominated in a foreign currency will be insured in accordance with this part to the same extent as shares denominated in U.S. dollars. Insurance for shares denominated in foreign currency will be determined and paid in the amount of United States dollars that is equivalent in value to the amount of the shares denominated in the foreign currency as of close of business on the date of default of the insured credit union. The exchange rates to be used for such conversions are the 12 p.m. rates (the "noon buying rates for cable transfers") quoted for major currencies by the Federal Reserve Bank of New York on the date of default of the insured credit union, unless the share agreement provides that some other widely recognized exchange rates are to be used for all purposes under that agreement.

[71 FR 14635, Mar. 23, 2006]

§ 745.8 Joint ownership accounts.

(a) *Separate insurance coverage.* Qualifying joint accounts, whether owned as joint tenants with right of survivorship, as tenants by the entirety, as tenants in common, or by husband and wife as community property, shall be insured separately from accounts individually owned by any of the co-owners. The interest of a co-owner in all

§ 745.9-1

qualifying joint accounts shall be added together and the total for that co-owner shall be insured up to the SMSIA.

(b) *Determination of insurance coverage.* The interests of each co-owner in all qualifying joint accounts shall be added together and the total shall be insured up to the SMSIA. (EXAMPLE: “A&B” have a qualifying joint account with a balance of \$150,000; “A&C” have a qualifying joint account with a balance of \$200,000; and “A&B&C” have a qualifying joint account with a balance of \$375,000. A’s combined ownership interest in all qualifying joint accounts would be \$300,000 (\$75,000 plus \$100,000 plus \$125,000); therefore, A’s interest would be insured in the amount of \$250,000 and uninsured in the amount of \$50,000. B’s combined ownership interest in all qualifying joint accounts would be \$200,000 (\$75,000 plus \$125,000); therefore, B’s interest would be fully insured. C’s combined ownership interest in all qualifying joint accounts would be \$225,000 (\$100,000 plus \$125,000); therefore, C’s interest would be fully insured.

(c) *Qualifying joint accounts.* A joint account is a qualifying joint account if each of the co-owners has personally signed a membership or account signature card and has a right of withdrawal on the same basis as the other co-owners. The signature requirement does not apply to share certificates, or to any accounts maintained by an agent, nominee, guardian, custodian or conservator on behalf of two or more persons if the records of the credit union properly reflect that the account is so maintained.

(d) *Failure to qualify.* A joint account that does not meet the requirements for a qualifying joint account shall be treated as owned by the named persons as individuals and the actual ownership interest of each such person in such account shall be added to any other accounts individually owned by such person and insured up to the SMSIA in the aggregate. An account will not fail to qualify as a joint account if a joint owner is a minor and applicable state law limits or restricts a minor’s withdrawal rights.

(e) *Nonmember joint owners.* A nonmember may become a joint owner

12 CFR Ch. VII (1-1-10 Edition)

with a member on a joint account with right of survivorship. The nonmember’s interest in such accounts will be insured in the same manner as the member joint-owner’s interest.

§ 745.9-1 Trust accounts.

(a) For purposes of this section, “trust” refers to an irrevocable trust.

(b) All trust interests (as defined in § 745.2(d)(4)), for the same beneficiary, deposited in an account and established pursuant to valid trust agreements created by the same settlor (grantor) shall be added together and insured up to the SMSIA in the aggregate, separately from other accounts of the trustee of such trust funds or the settlor or beneficiary of such trust arrangements.

(c) This section applies to trust interests created in Coverdell Education Savings Accounts, formerly Education IRAs, established in connection with section 530 of the Internal Revenue Code (26 U.S.C. 530).

§ 745.9-2 Retirement and other employee benefit plan accounts.

(a) *Pass-through share insurance.* Any shares of an employee benefit plan in an insured credit union shall be insured on a “pass-through” basis, in the amount of up to the SMSIA for the non-contingent interest of each plan participant, in accordance with § 745.2 of this part. An insured credit union that is not “well capitalized” or “adequately capitalized”, as those terms are defined in 12 U.S.C. 1790d(c), may not accept employee benefit plan deposits. The terms “employee benefit plan” and “pass-through share insurance” are given the same meaning in this section as in 12 U.S.C. 1787(k)(4).

(b) *Treatment of contingent interests.* In the event that participants’ interests in an employee benefit plan are not capable of evaluation in accordance with the provisions of this section, or an account established for any such plan includes amounts for future participants in the plan, payment by the NCUA with

National Credit Union Administration

§ 745.10

respect to all such interests shall not exceed the SMSIA in the aggregate.

(c)(1) *Certain retirement accounts.* Shares in an insured credit union made in connection with the following types of retirement plans shall be aggregated and insured in the amount of up to \$250,000 (which amount shall be subject to inflation adjustments as provided under section 11(a)(1)(F) of the Federal Deposit Insurance Act, except that \$250,000 shall be substituted for \$100,000 wherever such term appears in such section) per account:

(i) Any individual retirement account described in section 408(a) (IRA) of the Internal Revenue Code (26 U.S.C. 408(a)) or similar provisions of law applicable to a U.S. territory or possession;

(ii) Any individual retirement account described in section 408A (Roth IRA) of the Internal Revenue Code (26 U.S.C. 408A) or similar provisions of law applicable to a U.S. territory or possession; and

(iii) Any plan described in section 401(d) (Keogh account) of the Internal Revenue Code (26 U.S.C. 401(d)) or similar provisions of law applicable to a U.S. territory or possession.

(2) Insurance coverage for the accounts enumerated in paragraph (c)(1) of this section is based on the present vested ascertainable interest of a participant or designated beneficiary. For insurance purposes, IRA and Roth IRA accounts will be combined together and insured in the aggregate up to \$250,000 (which amount shall be subject to inflation adjustments as provided under section 11(a)(1)(F) of the Federal Deposit Insurance Act, except that \$250,000 shall be substituted for \$100,000 wherever such term appears in such section). A Keogh account will be separately insured from an IRA account, Roth IRA account or, where applicable, aggregated IRA and Roth IRA accounts.

§ 745.10 Accounts held by government depositors.

(a) Public funds invested in Federal credit unions and federally-insured state credit unions authorized to accept such investments shall be insured as follows:

(1) Each official custodian of funds of the United States lawfully investing the same in a federally-insured credit union will be separately insured in the amount of:

(i) Up to the SMSIA in the aggregate for all share draft accounts; and

(ii) Up to the SMSIA in the aggregate for all share certificate and regular share accounts;

(2) Each official custodian of funds of any state of the United States or any county, municipality, or political subdivision thereof lawfully investing the same in a federally-insured credit union in the same state will be separately insured in the amount of:

(i) Up to the SMSIA in the aggregate for all share draft accounts; and

(ii) Up to the SMSIA in the aggregate for all share certificate and regular share accounts;

(3) Each official custodian of funds of the District of Columbia lawfully investing the same in a federally-insured credit union in the District of Columbia will be separately insured in the amount of:

(i) Up to the SMSIA in the aggregate for all share draft accounts; and

(ii) Up to the SMSIA in the aggregate for all share certificate and regular share accounts;

(4) Each official custodian of funds of the Commonwealth of Puerto Rico, the Panama Canal Zone, or any territory or possession of the United States, or any county, municipality, or political subdivision thereof lawfully investing the same in a federally-insured credit union in Puerto Rico, the Panama Canal Zone, or any such territory or possession, respectively, will be separately insured in the amount of:

(i) Up to the SMSIA in the aggregate for all share draft accounts; and

(ii) Up to the SMSIA in the aggregate for all share certificate and regular share accounts;

(5) Each official custodian of tribal funds of any Indian tribe (as defined in section 3(c) of the Indian Financing Act of 1974) or agency thereof lawfully investing the same in a federally-insured credit union will be separately insured in the amount of:

(i) Up to the SMSIA in the aggregate for all share draft accounts; and

§ 745.11

(ii) Up to the SMSIA in the aggregate for all share certificate and regular share accounts;

(b) Each official custodian referred to in paragraphs (a)(2), (3), and (4) of this section lawfully investing such funds in share accounts in a federally-insured credit union outside of their respective jurisdictions shall be separately insured up to the SMSIA in the aggregate for all such accounts regardless of whether they are share draft, share certificate or regular share accounts.

(c) For purposes of this section, if the same person is an official custodian of more than one public unit, he shall be separately insured with respect to the public funds held by him for each such unit, but he shall not be separately insured with respect to all public funds of the same public unit by virtue of holding different offices in such unit or by holding such funds for different purposes. Where an officer, agent or employee of a public unit has custody of certain funds which by law or under a bond indenture are required to be set aside to discharge a debt owed to the holders of notes or bonds issued by the public unit, any investment of such funds in an account in a federally-insured credit union will be deemed to be a share account established by a trustee of trust funds of which the noteholders or bondholders are pro rata beneficiaries, and the beneficial interest of each noteholder or bondholder in the share account will be separately insured up to the SMSIA.

(d) For purposes of this section, "lawfully investing" means pursuant to the statutory or regulatory authority of the custodian or public unit.

§ 745.11 Accounts evidenced by negotiable instruments.

If any insured account obligation of a credit union is evidenced by a negotiable certificate account, negotiable draft, negotiable cashier's or officer's check, negotiable certified check, or negotiable traveler's check or letter of credit, the owner of such account obligation will be recognized for all purposes of a claim for insured accounts to the same extent as if his name and in-

terest were disclosed on the records of the credit union provided the instrument was in fact negotiated to such owner prior to the date of the closing of the credit union. Affirmative proof of such negotiation must be offered in all cases to substantiate the claim.

§ 745.12 Account obligations for payment of items forwarded for collection by depository institution acting as agent.

Where a closed credit union has become obligated for the payment of items forwarded for collection by a depository institution acting solely as agent, the owner of such items will be recognized for all purposes of a claim for insured accounts to the same extent as if his name and interest were disclosed on the records of the credit union when such claim for insured accounts, if otherwise payable, has been established by the execution and delivery of prescribed forms. Such depository institution forwarding such items for the owners thereof will be recognized as agent for such owners for the purpose of making an assignment of the rights of such owners against the closed insured credit union to the Board and for the purpose of receiving payment on behalf of such owners.

§ 745.13 Notification to members/shareholders.

Each insured credit union shall provide notice to its members concerning NCUA insurance coverage of member accounts. This may be accomplished by placing either a copy of part 745 of these rules, the appendix, or one or more copies of the NCUA brochure "Your Insured Funds" in each branch office and main office of the credit union. Copies of these materials shall also be made available to members upon request. For purposes of this section, an automated teller machine or point of sale terminal is not a branch office.

Subpart B—Payment of Share Insurance and Appeals

SOURCE: 55 FR 5586, Feb. 16, 1990, unless otherwise noted.

§ 745.200 General.

(a) *Payment.* In the event of the liquidation of an insured credit union, the Board will promptly determine the insured accountholders thereof and the amount of the insured account or accounts of each such accountholder. Payment may be in cash, or its equivalent, or may be made by making available to each accountholder a transferred account in a new federally-insured credit union in the same community or in another federally-insured credit union or institution in an amount equal to the accountholder's insured account. Notwithstanding the foregoing, the Board may withhold payment of such portion of the insured account of any member as may be required to provide for payment of any direct or indirect liability to the closed credit union or the liquidating agent, which is not offset against a claim due from such credit union, pending the determination and payment of such liability by the member or any person liable therefor.

(b) *Amount of insurance.* The amount of insurance on an insured account shall be determined in accordance with the provisions of Subpart A of this part and the Federal Credit Union Act. For the purpose of determining insurance coverage, dividends earned in the ordinary course of business and posted to share accounts for any prior accounting or dividend period shall be deemed to be principal under this part. Dividends earned or accrued in the ordinary course of business, but not posted to share accounts, may be paid at the discretion of the liquidating agent. In making such determination, the liquidating agent will take into consideration whether the failure to post dividends earned or accrued was due to the fraud, embezzlement or accounting errors of credit union personnel. The liquidating agent may require an accountholder to submit documentation supporting any claim for unposted dividends not otherwise evidenced in the credit union records. However, in no event will dividend amounts be considered as principal for insurance purposes pursuant to this section if not consistent with the amounts paid on similar classes of shares.

(c) *Multiple accounts.* In the event an insured member holds more than one insured account in the same capacity, and the aggregate amount of such accounts (including share draft accounts held in such capacity) exceeds the amount of insurance afforded thereon, the insurance coverage will be prorated among the member's interest in all accounts held in the same capacity. In the case of individual accounts, the insurance proceeds shall be paid to the holder of the account, whether or not the holder is the beneficial owner. In the case of accounts which are owned jointly, the insurance proceeds shall be paid to the owners jointly. In the case of trust estates, the insurance proceeds shall be paid to the indicated trustee unless otherwise provided for in the trust instrument or under state law. In the case of corporations, partnerships and unincorporated associations engaged in an independent activity, the insurance proceeds shall be paid to the indicated holder of the account. Where insurance payment is in the form of a transferred account to another insured institution, the same rules shall be applied.

(d) *Computing time.* In computing any period of time prescribed by this subpart, the provisions of § 747.12(a) shall apply.

[55 FR 5586, Feb. 16, 1990, as amended at 61 FR 60186, Nov. 27, 1996]

§ 745.201 Processing of insurance claims.

(a) *Delegations of authority.* The Agent for the Liquidating Agent ("Liquidating Agent") or his or her designee is authorized to make initial determinations with respect to insurance claims pursuant to the principles set forth in this part, and to act on requests for reconsideration of the initial determination.

(b) *Initial determination.* In the event the Liquidating Agent determines that all or a portion of an accountholder's account is uninsured, the Liquidating Agent shall so notify the accountholder in writing, stating the reason(s) for such initial determination, and shall provide the accountholder with a certificate of claim in liquidation in the amount of the uninsured account from the Board

§ 745.202

12 CFR Ch. VII (1–1–10 Edition)

in its capacity as Liquidating Agent for the insured credit union to enable the accountholder to share in the proceeds of the liquidation of the credit union, if any, up to the amount of the uninsured account.

(c) *Request for reconsideration.* An accountholder may, at his or her option, request reconsideration from the Liquidating Agent of the initial determination within 30 days of the date of the initial determination, or directly appeal the initial determination to the Board pursuant to § 745.202 of this subpart. The Liquidating Agent shall act on the request for reconsideration within 30 days from its receipt.

§ 745.202 Appeal.

(a) *Time for filing.* Within 60 days after issuance of an initial determination, or of the determination on a request for reconsideration by the liquidating agent, the accountholder may appeal by filing with the Board a written request for appeal. The appeal may be filed with the Secretary of the Board, National Credit Union Administration, 1775 Duke Street, Alexandria, VA 22314–3428.

(b) *Content of request.* Any appeal must include:

(1) A statement of the facts on which the claim for insurance is based;

(2) A statement of the basis for the initial determination or determination on the request for reconsideration to which the accountholder objects and the alleged error in such determination, including citations to applicable statutes and regulations;

(3) Any other evidence relied upon by the accountholder which was not previously provided to the Liquidating Agent.

(c) *Procedures for review of request.* (1) Within 60 days of the date of the Board's receipt of an appeal, the Board may request in writing that the accountholder submit additional facts and records in support of its request. The accountholder shall have 45 days from the date of issuance of such written request to provide such additional information. Failure by the accountholder to provide additional information may, as determined solely by the Board, result in denial of the accountholder's appeal.

(2) Within 60 days from the date of the Board's receipt of an appeal, the accountholder may amend or supplement the request in writing. In the event that the accountholder does amend or supplement the request, the provisions of paragraph (c)(1) of this section with respect to requests for additional information and responses to such requests shall apply with equal force to any such amendment or supplement to a request.

(d) *Determination on appeal.* (1) Within 180 days from the date of the receipt of an appeal by the Board, the Board shall issue a decision determining the extent of the accountholder's insurance pursuant to the rules of this part.

(2) The determination by the Board on appeal shall be provided to the accountholder in writing, stating the reason(s) for the determination, and shall constitute a final Agency order regarding the accountholder's claim for insurance.

(3) If the Board determines that the accountholder is entitled to the amount of insurance claimed or a portion thereof, upon payment of such insurance the accountholder shall promptly surrender to the Board the certificate of claim in liquidation provided in connection with the initial determination. In the event that the Board determines that the accountholder is only entitled to a portion of the amount of insurance claimed, upon the accountholder's surrender of such certificate a new certificate of claim in liquidation will be provided which reflects the revised amount of the uninsured account.

(4) Failure by the Board to issue a determination on appeal of the accountholder's claim for insurance within the 180-day period provided for under paragraph (d)(1) of this section, shall be deemed to be a denial of such claim for purposes of § 745.203 of this subpart.

[55 FR 5586, Feb. 16, 1990, as amended at 59 FR 36041, July 15, 1994]

§ 745.203 Judicial review.

(a) For purposes of seeking judicial review of actions taken pursuant to this subpart, only a determination on appeal issued by the Board pursuant to § 745.202 of this subpart shall constitute

a final determination regarding an accountholder's claim for insurance.

(b) Failure to file an appeal with regard to an initial determination, or a decision rendered on a request for reconsideration with the applicable time periods shall constitute a failure by the accountholder to exhaust available administrative remedies and, due to such failure, any objections to the initial determination or request for reconsideration shall be deemed to be waived and such determination shall be deemed to have been accepted by, and binding upon, the accountholder.

(c) Final determination by the Board is reviewable in accordance with the provisions of chapter 7, title 5, United States Code, by the United States district court for the Federal judicial district where the credit union's principal place of business is located. Such action must be filed not later than 60 days after such final determination is ordered.

APPENDIX TO PART 745—EXAMPLES OF INSURANCE COVERAGE AFFORDED ACCOUNTS IN CREDIT UNIONS INSURED BY THE NATIONAL CREDIT UNION SHARE INSURANCE FUND

WHAT IS THE PURPOSE OF THIS APPENDIX?

The following examples illustrate insurance coverage on accounts maintained in the same federally-insured credit union. They are intended to cover various types of ownership interests and combinations of accounts which may occur in connection with funds invested in insured credit unions. These examples interpret the rules for insurance of accounts contained in 12 CFR part 745 and focus on those accounts for which examples are not provided in the regulatory text.

The examples, as well as the rules which they interpret, are predicated upon the assumption that: (1) Invested funds are actually owned in the manner indicated on the credit union's records and (2) the owner of funds in an account is a credit union member or otherwise eligible to maintain an insured account in a credit union. If available evidence shows that ownership is different from that on the institution's records, the National Credit Union Share Insurance Fund may pay claims for insured accounts on the basis of actual rather than ostensible ownership. Further, the examples and the rules which they interpret do not extend insurance coverage to persons otherwise not entitled to

maintain an insured account or to account relationships that have not been approved by the NCUA Board as an insured account.

A. How Are Single Ownership Accounts Insured?

All funds owned by an individual member (or, in a community property state, by the husband-wife community of which the individual is a member) and invested in one or more individual accounts are added together and insured to the \$250,000 maximum. This is true whether the accounts are maintained in the name of the individual member owning the funds or in the name of the member's agent or nominee. (§745.3(a)(1) and (2).) All such accounts are added together and insured as one individual account. Funds held in one or more accounts in the name of a guardian, custodian, or conservator for the benefit of a ward or minor are added together and insured up to \$250,000. However, such an account or accounts will not be added to any other individual accounts of the guardian, custodian, conservator, ward, or minor for purposes of determining insurance coverage. (§745.3(b).) A mortgage servicing account maintained by a mortgage servicer, in a custodial or other fiduciary capacity, comprised of payments by a mortgagor of principal and interest is insured for the cumulative balance paid into the account by the mortgagor, up to \$250,000 for the mortgagor separately from other individual accounts of the mortgagor. A mortgage servicing account maintained by a mortgage servicer, in a custodial or other fiduciary capacity, comprised of payments by a mortgagor of taxes and insurance premiums shall be added together with the mortgagor's other individual accounts and insured up to \$250,000. (§745.3(a)(3).)

Example 1 Question: Members A and B, husband and wife, each maintain an individual account containing \$250,000. What is the insurance coverage?

Answer: Each account is separately insured up to \$250,000, for a total coverage of \$500,000. The coverage would be the same whether the individual accounts contain funds owned as community property or as individual property of the spouses (§745.3(a)(1)).

Example 2 Question: Members H and W, husband and wife, reside in a community property state. H maintains a \$250,000 account consisting of his separately-owned funds and invests \$250,000 of community property funds in another account, both of which are in his name alone. What is the insurance coverage?

Answer: The two accounts are added together and insured to a total of \$250,000. \$250,000 is uninsured (§745.3(a)(1)).

Example 3 Question: Member A has \$192,500 invested in an individual account, and his

agent, Member B, invests \$125,000 of A's funds in a properly designated agency account. B also holds a \$250,000 individual account. What is the insurance coverage?

Answer: A's individual account and the agency account are added together and insured to the \$250,000 maximum, leaving \$67,500 uninsured. The investment of funds through an agent does not result in additional insurance coverage for the principal (§745.3(a)(2)). B's individual account is insured separately from the agency account (§745.3(a)(1)). However, if the account records of the credit union do not show the agency relationship under which the funds in the \$125,000 account are held, the \$250,000 in B's name could, at the option of the NCUSIF, be added to his individual account and insured to \$250,000 in the aggregate, leaving \$125,000 uninsured (§745.2(c)).

Example 4 Question: Member A holds a \$250,000 individual account. Member B holds two accounts in his own name, the first containing \$125,000 and the second containing \$192,500. In processing the claims for payment of insurance on these accounts, the NCUSIF discovers that the funds in the \$125,000 account actually belong to A and that B had invested these funds as agent for A, his undisclosed principal. What is the insurance coverage?

Answer: Since the available evidence shows that A is the actual owner of the funds in the \$125,000 account, those funds would be added to the \$250,000 individual account held by A (rather than to B's \$192,500 account) and insured to the \$250,000 maximum, leaving \$125,000 uninsured. (§745.3(a)(2).) B's \$192,500 individual account would be separately insured.

Example 5 Question: Member C, a minor, maintains an individual account of \$750. C's grandfather makes a gift to him of \$250,000, which is invested in another account by C's father, designated on the credit union's records as custodian under a Uniform Gift to Minors Act. C's father, also a member, maintains an individual account of \$250,000. What is the insurance coverage?

Answer: C's individual account and the custodian account held for him by his father are each separately insured: The \$250,000 maximum on the custodian account, and \$750 on his individual account. The individual account held by C's father is also separately insured to the \$250,000 maximum. (§745.3 (a)(1) and (b).)

Example 6 Question: Member G, a court-appointed guardian, invests in a properly designated account \$250,000 of funds in his custody which belong to member W, his ward. W and G each maintain \$25,000 individual accounts. What is the insurance coverage?

Answer: W's individual account and the guardianship account in G's name are each

insured to \$250,000 providing W with \$275,000 in insured funds. G's individual account is also separately insured. (§745.3 (a)(1) and (b).)

Example 7 Question: Member A has three individual accounts at the same NCUA-insured credit union. Account #1 is a \$250,000 individual account. Account #2 is a mortgage servicing account maintained by a mortgage servicer, in a custodial or other fiduciary capacity, comprised of payments by Member A of principal and interest in the amount of \$3,000. Account #3 is a mortgage servicing account maintained by a mortgage servicer, in a custodial or other fiduciary capacity, comprised of payments by Member A of taxes and insurance premiums in the amount of \$1,500. What is the insurance coverage?

Answer: Accounts # 1 and #3 are added together and insured up to \$250,000, leaving \$1,500 uninsured. Account #2 is separately insured up to \$250,000.

B. How Are Accounts Held by Executors or Administrators Insured?

All funds belonging to a decedent and invested in one or more accounts, whether held in the name of the decedent or in the name of his executor or administrator, are added together and insured to the \$250,000 maximum. Such funds are insured separately from the individual accounts of any of the beneficiaries of the estate or of the executor or administrator.

Example 1 Question: Member A, administrator of Member D's estate, sells D's automobile and invests the proceeds of \$12,500 in an account entitled "A Administrator of the estate of D." A has an individual account in that same credit union containing \$250,000. Prior to his death, D had opened an individual account of \$250,000. What is the insurance coverage?

Answer: The \$12,500 is added to D's individual account and insured to \$250,000, leaving \$12,500 uninsured. A's individual account is separately insured for \$250,000 (§745.5).

C. How Are Accounts Held by a Corporation, Partnership or Unincorporated Association Insured?

All funds invested in an account or accounts by a corporation, a partnership or an unincorporated association engaged in any independent activity are added together and insured to the \$250,000 maximum. The term "independent activity" means any activity other than the one directed solely at increasing coverage. If the corporation, partnership or unincorporated association is not engaged in an independent activity, any account held by the entity is insured as if owned by the persons owning or comprising the entity, and the imputed interest of each such person is added for insurance purposes to any individual account which he maintains.

Example 1 Question: Member X Corporation maintains a \$250,000 account. The stock of the corporation is owned by members A, B, C, and D in equal shares. Each of these stockholders also maintains an individual account of \$250,000 with the same credit union. What is the insurance coverage?

Answer: Each of the five accounts would be separately insured to \$250,000 if the corporation is engaged in an independent activity and has not been established merely for the purpose of increasing insurance coverage. The same would be true if the business were operated as a bona fide partnership instead of as a corporation (§745.6). However, if X corporation was not engaged in an independent activity, then \$62,500 ($\frac{1}{4}$ interest) would be added to each account of A, B, C, and D. The accounts of A, B, C, and D would then each be insured to \$250,000, leaving \$62,500 in each account uninsured.

Example 2 Question: Member C College maintains three separate accounts with the same credit union under the titles: "General Operating Fund," "Teachers Salaries," and "Building Fund." What is the insurance coverage?

Answer: Since all of the funds are the property of the college, the three accounts are added together and insured only to the \$250,000 maximum (§745.6).

Example 3 Question: The men's club of X Church carries on various social activities in addition to holding several fund-raising campaigns for the church each year. The club is supported by membership dues. Both the club and X Church maintain member accounts in the same credit union. What is the insurance coverage?

Answer: The men's club is an unincorporated association engaged in an independent activity. If the club funds are, in fact, legally owned by the club itself and not the church, each account is separately insured to the \$250,000 maximum (§745.6).

Example 4 Question: The PQR Union, a member of the ABC Federal Credit Union, has three locals in a certain city. Each of the locals maintains an account containing funds belonging to the parent organization. All three accounts are in the same insured credit union. What is the insurance coverage?

Answer: The three accounts are added together and insured up to the \$250,000 maximum (§745.6).

D. How Are Accounts Held by Government Depositors Insured?

For insurance purposes, the official custodian of funds belonging to a public unit, rather than the public unit itself, is insured as the account holder. All funds belonging to a public unit and invested by the same custo-

dian in a federally-insured credit union are categorized as either share draft accounts or share certificate and regular share accounts. If these accounts are invested in a federally-insured credit union located in the jurisdiction from which the official custodian derives his authority, then the share draft accounts will be insured separately from the share certificate and regular share accounts. Under this circumstance, all share draft accounts are added together and insured to the \$250,000 maximum and all share certificate and regular share accounts are also added together and separately insured up to the \$250,000 maximum. If, however, these accounts are invested in a federally-insured credit union located outside of the jurisdiction from which the official custodian derives his authority, then insurance coverage is limited to \$250,000 for all accounts regardless of whether they are share draft, share certificate or regular share accounts. If there is more than one official custodian for the same public unit, the funds invested by each custodian are separately insured. If the same person is custodian of funds for more than one public unit, he is separately insured with respect to the funds of each unit held by him in properly designated accounts.

For insurance purposes, a "political subdivision" is entitled to the same insurance coverage as any other public unit. "Political subdivision" includes any subdivision of a public unit or any principal department of such unit: (1) The creation of which has been expressly authorized by state statute, (2) to which some functions of government have been allocated by state statute, and (3) to which funds have been allocated by statute or ordinance for its exclusive use and control.

Example 1 Question: As Comptroller of Y Consolidated School District, A maintains a \$275,000 account in the credit union containing school district funds. He also maintains his own \$250,000 member account in the same credit union. What is the insurance coverage?

Answer: The two accounts will be separately insured, assuming the credit union's records indicate that the account containing the school district funds is held by A in a fiduciary capacity. Thus, \$250,000 of the school's funds and the entire \$250,000 in A's personal account will be insured (§745.10(a)(2) and §745.3).

Example 2 Question: A, as city treasurer, and B, as chief of the city police department, each have \$250,000 in city funds invested in custodial accounts. What is the insurance coverage?

Answer: Assuming that both A and B have official custody of the city funds, each account is separately insured to the \$250,000 maximum (§745.10(a)(2)).

Example 3 Question: A is Treasurer of X County and collects certain tax assessments, a portion of which must be paid to the state under statutory requirement. A maintains an account for general funds of the county and establishes a separate account for the funds which belong to the State Treasurer. The credit union's records indicate that the separate account contains funds held for the State. What is the insurance coverage?

Answer: Since two public units own the funds held by A, the accounts would each be separately insured to the \$250,000 maximum (§745.10(a)(2)).

Example 4 Question: A city treasurer invests city funds in each of the following accounts: "General Operating Account," "School Transportation Fund," "Local Maintenance Fund," and "Payroll Fund." Each account is available to the custodian upon demand. By administrative direction, the city treasurer has allocated the funds for the use of and control by separate departments of the city. What is the insurance coverage?

Answer: All of the accounts are added together and insured in the aggregate to \$250,000. Because the allocation of the city's funds is not by statute or ordinance for the specific use of and control by separate departments of the city, separate insurance coverage to the maximum of \$250,000 is not afforded to each account (§§745.1(d) and 745.10(a)(2)).

Example 5 Question: A, the custodian of retirement funds of a military exchange, invests \$2,500,000 in an account in an insured credit union. The military exchange, a non-appropriated fund instrumentally of the United States, is deemed to be a public unit. The employees of the exchange are the beneficiaries of the retirement funds but are not members of the credit union. What is the insurance coverage?

Answer: Because A invested the funds on behalf of a public unit, in his capacity as custodian, those funds qualify for \$250,000 share insurance even though A and the public unit are not within the credit union's field of membership. Since the beneficiaries are neither public units nor members of the credit union they are not entitled to separate share insurance. Therefore, \$2,250,000 is uninsured (§745.10(a)(1)).

Example 6 Question: A is the custodian of the County's employee retirement funds. He deposits \$2,500,000 in retirement funds in an account in an insured credit union. The "beneficiaries" of the retirement fund are not themselves public units nor are they within the credit union's field of membership. What is the insurance coverage?

Answer: Because A invested the funds on behalf of a public unit, in his capacity as

custodian, those funds qualify for \$250,000 share insurance even though A and the public unit are not within the credit union's field of membership. Since the beneficiaries are neither public units nor members of the credit union they are not entitled to separate share insurance. Therefore, \$2,250,000 is uninsured (§745.10(a)(2)).

Example 7 Question: A county treasurer establishes the following share draft accounts in an insured credit union each with \$250,000:

"General Operating Fund"

"County Roads Department Fund"

"County Water District Fund"

"County Public Improvement District Fund"

"County Emergency Fund"

What is the insurance coverage?

Answer: The "County Roads Department," "County Water District" and "County Public Improvement District" accounts would each be separately insured to \$250,000 if the funds in each such account have been allocated by law for the exclusive use of a separate county department or subdivision expressly authorized by State statute. Funds in the "General Operating" and "Emergency Fund" accounts would be added together and insured in the aggregate to \$250,000, if such funds are for countywide use and not for the exclusive use of any subdivision or principal department of the county, expressly authorized by State statute (§§745.1(d) and 745.10(a)(2)).

Example 8 Question: A, the custodian of Indian tribal funds, lawfully invests \$2,500,000 in an account in an insured credit union on behalf of 15 different tribes; the records of the credit union show that no tribe's interest exceeds \$250,000. A, as official custodian, also invests \$2,500,000 in the same credit union on behalf of 100 individual Indians, who are not members; each Indian's interest is \$10,000. What is the insurance coverage?

Answer: Because each tribe is considered a separate public unit, the custodian of each tribe, even though the same person, is entitled to separate insurance for each tribe (§745.10(a)(5)). Since the credit union's records indicate no tribe has more than \$250,000 in the account, the \$2,500,000 would be fully insured as 15 separate tribal accounts. If anyone tribe had more than a \$250,000 interest in the funds, it would be insured only to \$250,000 and any excess would be uninsured.

However, the \$2,500,000 invested on behalf of the individual Indians would not be insured since the individual Indians are neither public units nor, in the example, members of the credit union. If A is the custodian of the funds in his capacity as an official of a governmental body that qualified as a public unit, then the account would be insured for \$250,000, leaving \$2,250,000 uninsured.

Example 9 Question: A, an official custodian of funds of a state of the United States, lawfully invests \$500,000 of state funds in a federally-insured credit union located in the state from which he derives his authority as an official custodian. What is the insurance coverage?

Answer: If A invested the entire \$500,000 in a share draft account, then \$250,000 would be insured and \$250,000 would be uninsured. If A invested \$250,000 in share draft accounts and another \$250,000 in share certificate and regular share accounts, then A would be insured for \$250,000 for the share draft accounts and \$250,000 for the share certificate and regular share accounts leaving nothing uninsured (§745.10(a)(2)). If A had invested the \$500,000 in a federally-insured credit union located outside the state from which he derives his authority as an official custodian, then \$250,000 would be insured for all accounts regardless of whether they were share draft, share certificate or regular share accounts, leaving \$250,000 uninsured (§745.10(b)).

E. How Are Trust Accounts and Retirement Accounts Insured?

A trust estate is the interest of a beneficiary in an irrevocable express trust, whether created by trust instrument or statute, which is valid under state law. Thus, funds invested in an account by a trustee under an irrevocable express trust are insured on the basis of the beneficial interests under such trust. The interest of each beneficiary in an account (or accounts) established under such a trust arrangement is insured to \$250,000 separately from other accounts held by the trustee, the settlor (grantor), or the beneficiary. However, in cases where a beneficiary has an interest in more than one trust arrangement created by the same settlor, the interests of the beneficiary in all accounts established under such trusts are added together for insurance purposes, and the beneficiary's aggregate interest derived from the same settlor is separately insured to the \$250,000 maximum.

A beneficiary's interest in an account established pursuant to an irrevocable express trust arrangement is insured separately from other beneficial interests (trust estates) invested in the same account if the value of the beneficiary's interest (trust estate) can be determined (as of the date of a credit union's insolvency) without evaluation of contingencies except for those covered by the present worth tables and rules of calculation for their use set forth in §20.2031-10 of the Federal Estate Tax Regulations (26 CFR 20.2031-10). If any trust estates in such an account cannot be so determined, the insurance with respect to all such trust estates together shall not exceed \$250,000.

In order for insurance coverage of trust accounts to be effective in accordance with the

foregoing rules, certain recordkeeping requirements must be met. In connection with each trust account, the credit union's records must indicate the name of both the settlor and the trustee of the trust and must contain an account signature card executed by the trustee indicating the fiduciary capacity of the trustee. In addition, the interests of the beneficiaries under the trust must be ascertainable from the records of either the credit union or the trustee, and the settlor or beneficiary must be a member of the credit union. If there are two or more settlors or beneficiaries, then either all the settlors or all the beneficiaries must be members of the credit union.

Although each ascertainable trust estate is separately insured, it should be noted that in short-term trusts the insurable interest or interests may be very small, since the interests are computed only for the duration of the trust. Thus, if a trust is made irrevocable for a specified period of time, the beneficial interest will be calculated in terms of the length of time stated. A reversionary interest retained by the settlor is treated in the same manner as an individual account of the settlor.

As stated, the trust must be valid under local law. A trust which does not meet local requirements, such as one imposing no duties on the trustee or conveying no interest to the beneficiary, is of no effect for insurance purposes. An account in which such funds are invested is considered to be an individual account.

IRA and Keogh accounts are separately insured, each up to \$250,000. Although credit unions may serve as trustees or custodians for self-directed IRA, Roth IRA and Keogh accounts, once the funds in those accounts are taken out of the credit union, they are no longer insured.

In the case of an employee retirement fund where only a portion of the fund is placed in a credit union account, the amount of insurance available to an individual participant on his interest in the account will be in proportion to his interest in the entire employee retirement fund. If, for example, the member's interest represents 10% of the entire plan funds, then he is presumed to have only a 10% interest in the plan account. Said another way, if a member has a vested interest of \$10,000 in a municipal employees retirement plan and the trustee invests 25% of the total plan funds in a credit union, the member would be insured for only \$2,500 on that credit union account. There is an exception, however. The member would be insured for \$10,000 if the trustee can document, through records maintained in the ordinary course of business, that individual beneficiary's interests are segregated and the total vested interest of the member was, in fact, invested in that account.

Pt. 745, App.

12 CFR Ch. VII (1–1–10 Edition)

Example 1 Question: Member S invests \$250,000 in trust for B, the beneficiary. S also has an individual account containing \$250,000 in the same credit union. What is the insurance coverage?

Answer: Both accounts are fully insured. The trust account is separately insured from the individual account of S (§§ 745.3(a)(1) and 745.9–1).

Example 2 Question: S invests funds in trust for A, B, C, D, and E. A, B, and C are members of the credit union, D, E and S are not. What is the insurance coverage?

Answer: This is an uninsurable account. Where there is more than one settlor or more than one beneficiary, all the settlors or all the beneficiaries must be members to establish this type of account. Since D, E and S are not members, this account cannot legally be established or insured.

Example 3(a) Question: Member T invests \$5,000,000 in trust for ABC Employees Retirement Fund. Some of the participants are members and some are not. What is the insurance coverage?

Answer: The account is insured as to the determinable interests of each participant to a maximum of \$250,000 per participant regardless of credit union member status. T's member status is also irrelevant. Participant interests not capable of evaluation shall be added together and insured to a maximum of \$250,000 in the aggregate (§ 745.9–2).

Example 3(b) Question: T is trustee for the ABC Employees Retirement Fund containing \$1,000,000. Fund participant A has a determinable interest of \$90,000 in the Fund (9% of the total). T invests \$500,000 of the Fund in an insured credit union and the remaining \$500,000 elsewhere. Some of the participants of the Fund are members of the credit union and some are not. T does not segregate each participant's interest in the Fund. What is the insurance coverage?

Answer: The account is insured as to the determinable interest of each participant, adjusted in proportion to the Fund's investment in the credit union, regardless of the membership status of the participants or trustee. A's insured interest in the account is \$45,000, or 9% of \$500,000. This reflects the fact that only 50% of the Fund is in the account and A's interest in the account is in the same proportion as his interest in the overall plan. All other participants would be similarly insured. Participants' interests not capable of evaluation are added together and insured to a maximum of \$250,000 in the aggregate (§ 745.9–2).

Example 4 Question: Member A has an individual account of \$250,000 and establishes an IRA account and accumulates \$250,000 in that account. Subsequently, A becomes self-employed and establishes a Keogh account in

the same credit union and accumulates \$250,000 in that account. What is the insurance coverage?

Answer: Each of A's accounts would be separately insured as follows: the individual account for \$250,000, the maximum for that type of account; the IRA account for \$250,000, the maximum for that type of account; and the Keogh account for \$250,000, the maximum for that type of account. (§§ 745.3(a)(1) and 745.9–2).

Example 5 Question: Member A has a self-directed IRA account with \$70,000 in it. The FCU is the trustee of the account. Member transfers \$40,000 into a blue chip stock; \$30,000 remains in the FCU. What is the insurance coverage?

Answer: Originally, the full \$70,000 in A's IRA account is insured. The \$40,000 is no longer insured once it is moved out of the FCU. The \$30,000 remaining in the FCU is insured (§ 745.9–2).

[74 FR 55751, Oct. 29, 2009]

WHAT IS THE PURPOSE OF THIS APPENDIX?

The following examples illustrate insurance coverage on accounts maintained in the same federally-insured credit union. They are intended to cover various types of ownership interests and combinations of accounts which may occur in connection with funds invested in insured credit unions. These examples interpret the rules for insurance of accounts contained in 12 CFR part 745.

The examples, as well as the rules which they interpret, are predicated upon the assumption that: (1) Invested funds are actually owned in the manner indicated on the credit union's records and (2) the owner of funds in an account is a credit union member or otherwise eligible to maintain an insured account in a credit union. If available evidence shows that ownership is different from that on the institution's records, the National Credit Union Share Insurance Fund may pay claims for insured accounts on the basis of actual rather than ostensible ownership. Further, the examples and the rules which they interpret do not extend insurance coverage to persons otherwise not entitled to maintain an insured account or to account relationships that have not been approved by the Board as an insured account.

A. How Are Single Ownership Accounts Insured?

All funds owned by an individual member (or, in a community property state, by the husband-wife community of which the individual is a member) and invested in one or more individual accounts are added together and insured to the \$100,000 maximum. This is true whether the accounts are maintained in the name of the individual member owning the funds, in the name of the member's agent

National Credit Union Administration

Pt. 745, App.

or nominee, or in a custodial loan account on behalf of the member as a borrower. (§745.3(a) (1), (2) and (3).) All such accounts are added together and insured as one individual account. Funds held in one or more accounts in the name of a guardian, custodian, or conservator for the benefit of a ward or minor are added together and insured up to \$100,000. However, such an account or accounts will not be added to any other individual accounts of the guardian, custodian, conservator, ward, or minor for purposes of determining insurance coverage. (§745.3(b).)

Example 1

Question: Members A and B, husband and wife, each maintain an individual account containing \$100,000. In addition, they hold a joint account containing \$100,000. What is the insurance coverage?

Answer: Each account is separately insured up to \$100,000, for a total coverage of \$300,000. The coverage would be the same whether the individual accounts contain funds owned as community property or as individual property of the spouses (§745.3(a)(1) and §745.8(a)).

Example 2

Question: Members H and W, husband and wife, reside in a community property state. H maintains a \$100,000 account consisting of his separately-owned funds and invests \$100,000 of community property funds in another account, both of which are in his name alone. What is the insurance coverage?

Answer: The two accounts are added together and insured to a total of \$100,000. \$100,000 is uninsured (§745.3(a)(1)).

Example 3

Question: Member A has \$92,500 invested in an individual account, and his agent, Member B, invests \$25,000 of A's funds in a properly designated agency account. B also holds a \$100,000 individual account. What is the insurance coverage?

Answer: A's individual account and the agency account are added together and insured to the \$100,000 maximum, leaving \$17,500 uninsured. The investment of funds through an agent does not result in additional insurance coverage for the principal (§745.3(a)(2)). B's individual account is insured separately from the agency account (§745.3(a)(1)). However, if the account records of the credit union do not show the agency relationship under which the funds in the \$25,000 account are held, the \$25,000 in B's name could, at the option of the NCUSIF, be added to his individual account and insured to \$100,000 in the aggregate, leaving \$25,000 uninsured (§745.2(c)).

Example 4

Question: Member A holds a \$100,000 individual account. Member B holds two accounts in his own name, the first containing \$25,000 and the second containing \$92,500. In processing the claims for payment of insurance on these accounts, the NCUSIF discovers that the funds in the \$25,000 account actually belong to A and that B had invested these funds as agent for A, his undisclosed principal. What is the insurance coverage?

Answer: Since the available evidence shows that A is the actual owner of the funds in the \$25,000 account, those funds would be added to the \$100,000 individual account held by A (rather than to B's \$92,500 account) and insured to the \$100,000 maximum, leaving \$25,000 uninsured. (§745.3(a)(2).) B's \$92,500 individual account would be separately insured.

Example 5

Question: Member C, a minor, maintains an individual account of \$750. C's grandfather makes a gift to him of \$100,000, which is invested in another account by C's father, designated on the credit union's records as custodian under a Uniform Gift to Minors Act. C's father, also a member, maintains an individual account of \$100,000. What is the insurance coverage?

Answer: C's individual account and the custodian account held for him by his father are each separately insured: The \$100,000 maximum on the custodian account, and \$750 on his individual account. The individual account held by C's father is also separately insured to the \$100,000 maximum. (§745.3 (a)(1) and (b).)

Example 6

Question: Member G, a court-appointed guardian, invests in a properly designated account \$100,000 of funds in his custody which belong to member W, his ward. W and G each maintain \$25,000 individual accounts. What is the insurance coverage?

Answer: W's individual account and the guardianship account in G's name are each insured to \$100,000 providing W with \$125,000 in insured funds. G's individual account is also separately insured. (§745.3 (a)(1) and (b).)

Example 7

Question: X Credit Union acts as a servicer of FHA, VA, and conventional mortgage loans made to its members but sold to other parties. Each month X receives loan payments, for remittance to the other parties, from approximately 2,000 member mortgagors. The monies received each month total \$1,000,000 and are maintained in a custodial loan account. What is the insurance coverage?

Pt. 745, App.

Answer: X Credit Union acts as custodian for the 2,000 individual mortgagors. The interest of each mortgagor is separately insured as his individual account (but added to any other individual accounts which the mortgagor holds in the Credit Union) (§745.3(a)(3)).

B. How Are Accounts Held by Executors or Administrators Insured?

All funds belonging to a decedent and invested in one or more accounts, whether held in the name of the decedent or in the name of his executor or administrator, are added together and insured to the \$100,000 maximum. Such funds are insured separately from the individual accounts of any of the beneficiaries of the estate or of the executor or administrator.

Example 1

Question: Member A, administrator of Member D's estate, sells D's automobile and invests the proceeds of \$12,500 in an account entitled "A Administrator of the estate of D." A has an individual account in that same credit union containing \$100,000. Prior to his death, D had opened an individual account of \$100,000. What is the insurance coverage?

Answer: The \$12,500 is added to D's individual account and insured to \$100,000, leaving \$12,500 uninsured. A's individual account is separately insured for \$100,000 (§745.5).

C. How Are Accounts Held by a Corporation, Partnership or Unincorporated Association Insured?

All funds invested in an account or accounts by a corporation, a partnership or an unincorporated association engaged in any independent activity are added together and insured to the \$100,000 maximum. The term "independent activity" means any activity other than the one directed solely at increasing coverage. If the corporation, partnership or unincorporated association is not engaged in an independent activity, any account held by the entity is insured as if owned by the persons owning or comprising the entity, and the imputed interest of each such person is added for insurance purposes to any individual account which he maintains.

Example 1

Question: Member X Corporation maintains a \$100,000 account. The stock of the corporation is owned by members A, B, C, and D in equal shares. Each of these stockholders also maintains an individual account of \$100,000 with the same credit union. What is the insurance coverage?

Answer: Each of the five accounts would be separately insured to \$100,000 if the corporation is engaged in an independent activity and has not been established merely for the purpose of increasing insurance coverage.

12 CFR Ch. VII (1-1-10 Edition)

The same would be true if the business were operated as a bona fide partnership instead of as a corporation (§745.6). However, if X corporation was not engaged in an independent activity, then \$25,000 (¼ interest) would be added to each account of A, B, C, and D. The accounts of A, B, C, and D would then each be insured to \$100,000, leaving \$25,000 in each account uninsured.

Example 2

Question: Member C College maintains three separate accounts with the same credit union under the titles: "General Operating Fund," "Teachers Salaries," and "Building Fund." What is the insurance coverage?

Answer: Since all of the funds are the property of the college, the three accounts are added together and insured only to the \$100,000 maximum (§745.6).

Example 3

Question: The men's club of X Church carries on various social activities in addition to holding several fund-raising campaigns for the church each year. The club is supported by membership dues. Both the club and X Church maintain member accounts in the same credit union. What is the insurance coverage?

Answer: The men's club is an unincorporated association engaged in an independent activity. If the club funds are, in fact, legally owned by the club itself and not the church, each account is separately insured to the \$100,000 maximum (§745.6).

Example 4

Question: The PQR Union, a member of the ABC Federal Credit Union, has three locals in a certain city. Each of the locals maintains an account containing funds belonging to the parent organization. All three accounts are in the same insured credit union. What is the insurance coverage?

Answer: The three accounts are added together and insured up to the \$100,000 maximum (§745.6).

D. How Are Accounts Held by Government Depositors Insured?

For insurance purposes, the official custodian of funds belonging to a public unit, rather than the public unit itself, is insured as the account holder. All funds belonging to a public unit and invested by the same custodian in a federally-insured credit union are categorized as either share draft accounts or share certificate and regular share accounts. If these accounts are invested in a federally-insured credit union located in the jurisdiction from which the official custodian derives his authority, then the share draft accounts will be insured separately from the share certificate and regular share accounts.

National Credit Union Administration

Pt. 745, App.

Under this circumstance, all share draft accounts are added together and insured to the \$100,000 maximum and all share certificate and regular share accounts are also added together and separately insured up to the \$100,000 maximum. If, however, these accounts are invested in a federally-insured credit union located outside of the jurisdiction from which the official custodian derives his authority, then insurance coverage is limited to \$100,000 for all accounts regardless of whether they are share draft, share certificate or regular share accounts. If there is more than one official custodian for the same public unit, the funds invested by each custodian are separately insured. If the same person is custodian of funds for more than one public unit, he is separately insured with respect to the funds of each unit held by him in properly designated accounts.

For insurance purposes, a "political subdivision" is entitled to the same insurance coverage as any other public unit. "Political subdivision" includes any subdivision of a public unit or any principal department of such unit: (1) The creation of which has been expressly authorized by state statute, (2) to which some functions of government have been allocated by state statute, and (3) to which funds have been allocated by statute or ordinance for its exclusive use and control.

Example 1

Question: As Comptroller of Y Consolidated School District, A maintains a \$125,000 account in the credit union containing school district funds. He also maintains his own \$100,000 member account in the same credit union. What is the insurance coverage?

Answer: The two accounts will be separately insured, assuming the credit union's records indicate that the account containing the school district funds is held by A in a fiduciary capacity. Thus, \$100,000 of the school's funds and the entire \$100,000 in A's personal account will be insured (§745.10(a)(2) and §745.3).

Example 2

Question: A, as city treasurer, and B, as chief of the city police department, each have \$100,000 in city funds invested in custodial accounts. What is the insurance coverage?

Answer: Assuming that both A and B have official custody of the city funds, each account is separately insured to the \$100,000 maximum (§745.10(a)(2)).

Example 3

Question: A is Treasurer of X County and collects certain tax assessments, a portion of which must be paid to the state under statutory requirement. A maintains an account

for general funds of the county and establishes a separate account for the funds which belong to the State Treasurer. The credit union's records indicate that the separate account contains funds held for the State. What is the insurance coverage?

Answer: Since two public units own the funds held by A, the accounts would each be separately insured to the \$100,000 maximum (§745.10(a)(2)).

Example 4

Question: A city treasurer invests city funds in each of the following accounts: "General Operating Account," "School Transportation Fund," "Local Maintenance Fund," and "Payroll Fund." Each account is available to the custodian upon demand. By administrative direction, the city treasurer has allocated the funds for the use of and control by separate departments of the city. What is the insurance coverage?

Answer: All of the accounts are added together and insured in the aggregate to \$100,000. Because the allocation of the city's funds is not by statute or ordinance for the specific use of and control by separate departments of the city, separate insurance coverage to the maximum of \$100,000 is not afforded to each account (§§745.1(d) and 745.10(a)(2)).

Example 5

Question: A, the custodian of retirement funds of a military exchange, invests \$1,000,000 in an account in an insured credit union. The military exchange, a non-appropriated fund instrumentally of the United States, is deemed to be a public unit. The employees of the exchange are the beneficiaries of the retirement funds but are not members of the credit union. What is the insurance coverage?

Answer: Because A invested the funds on behalf of a public unit, in his capacity as custodian, those funds qualify for \$100,000 share insurance even though A and the public unit are not within the credit union's field of membership. Since the beneficiaries are neither public units nor members of the credit union they are not entitled to separate share insurance. Therefore, \$900,000 is uninsured (§745.10(a)(1)).

Example 6

Question: A is the custodian of the County's employee retirement funds. He deposits \$1,000,000 in retirement funds in an account in an insured credit union. The "beneficiaries" of the retirement fund are not themselves public units nor are they within the credit union's field of membership. What is the insurance coverage?

Answer: Because A invested the funds on behalf of a public unit, in his capacity as custodian, those funds qualify for \$100,000

share insurance even though A and the public unit are not within the credit union's field of membership. Since the beneficiaries are neither public units nor members of the credit union they are not entitled to separate share insurance. Therefore, \$900,000 is uninsured (§745.10(a)(2)).

Example 7

Question: A county treasurer establishes the following share draft accounts in an insured credit union each with \$100,000:

“General Operating Fund”
 “County Roads Department Fund”
 “County Water District Fund”
 “County Public Improvement District Fund”
 “County Emergency Fund”

What is the insurance coverage?

Answer: The “County Roads Department,” “County Water District” and “County Public Improvement District” accounts would each be separately insured to \$100,000 if the funds in each such account have been allocated by law for the exclusive use of a separate county department or subdivision expressly authorized by State statute. Funds in the “General Operating” and “Emergency Fund” accounts would be added together and insured in the aggregate to \$100,000, if such funds are for countywide use and not for the exclusive use of any subdivision or principal department of the county, expressly authorized by State statute (§§745.1(d) and 745.10(a)(2)).

Example 8

Question: A, the custodian of Indian tribal funds, lawfully invests \$1,000,000 in an account in an insured credit union on behalf of 15 different tribes; the records of the credit union show that no tribe's interest exceeds \$100,000. A, as official custodian, also invests \$1,000,000 in the same credit union on behalf of 100 individual Indians, who are not members; each Indian's interest is \$10,000. What is the insurance coverage?

Answer: Because each tribe is considered a separate public unit, the custodian of each tribe, even though the same person, is entitled to separate insurance for each tribe (§745.10(a)(5)). Since the credit union's records indicate no tribe has more than \$100,000 in the account, the \$1,000,000 would be fully insured as 15 separate tribal accounts. If any one tribe had more than a \$100,000 interest in the funds, it would be insured only to \$100,000 and any excess would be uninsured.

However, the \$1,000,000 invested on behalf of the individual Indians would not be insured since the individual Indians are neither public units nor, in the example, members of the credit union. If A is the custodian of the funds in his capacity as an official of a governmental body that qualified as a public

unit, then the account would be insured for \$100,000, leaving \$900,000 uninsured.

Example 9

Question: A, an official custodian of funds of a state of the United States, lawfully invests \$250,000 of state funds in a federally-insured credit union located in the state from which he derives his authority as an official custodian. What is the insurance coverage?

Answer: If A invested the entire \$250,000 in a share draft account, then \$100,000 would be insured and \$150,000 would be uninsured. If A invested \$125,000 in share draft accounts and another \$125,000 in share certificate and regular share accounts, then A would be insured for \$100,000 for the share draft accounts and \$100,000 for the share certificate and regular share accounts leaving \$50,000 uninsured (§745.10(a)(2)). If A had invested the \$250,000 in a federally-insured credit union located outside the state from which he derives his authority as an official custodian, then \$100,000 would be insured for all accounts regardless of whether they were share draft, share certificate or regular share accounts, leaving \$150,000 uninsured (§745.10(b)).

E. How Are Joint Accounts Insured?

The interest of a co-owner in all accounts held under any form of joint ownership valid under state law (whether as joint tenants with right of survivorship, tenants by the entirety, tenants in common, or by husband and wife as community property) is insured up to \$100,000. This insurance is separate from that afforded individual accounts held by any of the co-owners.

An account is insured as a joint account only if each of the co-owners has personally signed a membership card or an account signature card and possesses the same withdrawal rights as the other co-owners. (The signature requirement does not apply to share certificates, or to any accounts maintained by an agent, nominee, guardian, custodian or conservator on behalf of two or more persons. However, the records of the credit union must show that the account is being maintained for joint owners. There is also another exception in the case of a minor discussed below.) An account owned jointly which does not qualify as a joint account for insurance purposes is insured as if owned by the named persons as individuals. In that case, the actual ownership interest in the account of each person is added to any other accounts individually owned by such person and insured up to \$100,000 in the aggregate.

Any individual, including a minor, may be a co-owner of a joint account. Although, generally, each co-owner must have signed an account signature card and must have the same rights of withdrawal as other co-owners in order for the account to qualify for separate joint account insurance, there is an

National Credit Union Administration

Pt. 745, App.

exception for minors. If state law limits or restricts a minor's withdrawal rights—for example, a minimum age requirement to make a withdrawal—the account will still be insured as a joint account.

The interests of a co-owner in all joint accounts that qualify for separate insurance coverage are insured up to the \$100,000 maximum. For insurance purposes, the co-owners of any joint account are deemed to have equal interests in the account, except in the case of a tenancy in common. With a tenancy in common, equal interests are presumed unless otherwise stated on the records of the credit union.

Example 1

Question: Members A and B maintain an account as joint tenants with right of survivorship and, in addition, each holds an individual account. Is each account separately insured?

Answer: If both A and B have signed the membership or signature card and possess equal withdrawal rights with respect to the joint funds, their interests in the joint account are separately insured from their interests in the individual accounts. (§745.8 (a) and (b).) If the joint account is represented by a share certificate, their individual signatures are not required for that account.

Example 2

Question: Members H and W, husband and wife, reside in a community property state. Each holds an individual account and, in addition, they hold a qualifying joint account. The funds in all three accounts consist of community property. Is each account separately insured?

Answer: Yes. An account in the individual name of a spouse will be insured up to \$100,000 whether the funds consist of community property or separate property of the spouse. A joint account containing community property is separately insured. Thus, community property can be used for individual accounts in the name of each spouse and for a joint account in the name of both spouses. In this example, each individual account is insured up to \$100,000 (§745.3(a)(1)), and the interests of both the husband and wife in the joint account are each insured up to \$100,000 (§745.8(a)).

Example 3

Question: Two accounts of \$100,000 each are held by a member husband and his wife under the following names: John Doe and Mary Doe, husband and wife, as joint tenants with right of survivorship. Mrs. John Doe and John Q. Doe (community property). How much insurance do the husband and wife have?

Answer: They have \$200,000 of insurance. Both the husband and wife are deemed to

have a one half interest (\$50,000) in each account. (§745.2(c)(4).) The husband's interest in both accounts would be added together and insured for \$100,000. The wife's insurance coverage would be determined the same way. (§745.8(a).)

Example 4

Question: The following accounts are held by members A, B and C, each of whom has personally executed signature cards for the accounts in which he has an interest. Each co-owner of a joint account possesses the necessary withdrawals rights.

1. A, as an individual—\$100,000.
2. B, as an individual—\$100,000.
3. C, as an individual—\$100,000.
4. A and B, as joint tenants w/r/o survivorship—\$90,000.
5. A and C, as joint tenants w/r/o survivorship—\$90,000.
6. B and C, as joint tenants w/r/o survivorship—\$90,000.
7. A, B and C, as joint tenants w/r/o survivorship—\$90,000.

What is the insurance coverage?

Answer: Accounts numbered 1, 2 and 3 are each separately insured for \$100,000 as individual accounts held by A, B and C, respectively (§745.3(a)(1)). The interest of the co-owners of each joint account are deemed equal for insurance purposes (§745.2(c)(4)). A's interest in accounts numbered 4, 5, and 7 are added together for insurance purposes (§745.8(e)). Thus, A has an interest of \$45,000 in account No. 4, \$45,000 in account No. 5 and \$30,000 in account No. 7, for a total joint account interest of \$120,000, of which \$100,000 is insured. The interest of B and C are similarly insured.

Example 5(a)

Question: A, B and C hold accounts as set forth in Example 4. Members A and B are husband and wife; C, their minor child, has failed to sign the signature card for Account No. 7. In Account No. 5, according to the terms of the account, C cannot make a withdrawal without A's written consent. (This is not a limitation imposed under state law.) In Account No. 6, the signatures of both B and C are required for withdrawal. A has provided all of the funds for Accounts numbered 5 and 7 and under state law has the entire actual ownership interest in these two accounts. What is the insurance coverage?

Answer: If any of the co-owners of a joint account have failed to meet any of the joint account requirements, the account is not a qualifying joint account. Instead, the account is treated as if it consisted of commingled individual accounts of each of the co-owners in accordance with his or her actual ownership interest in the funds, as determined under applicable state law. (§745.8(c).)

Account No. 5 is not a qualifying joint account because C does not have equal withdrawal rights with A. Based on the terms of the account, C can only make a withdrawal if he has A's written consent. Account No. 7 is not a qualifying joint account because C did not personally sign the signature card. Therefore, all of the funds in Accounts 5 and 7 are treated as individually owned by A and added to A's individual account, Account No. 1. For insurance purposes then, A has \$280,000 in one individual account that is insured for \$100,000, leaving \$180,000 uninsured.

Account 6 is a qualifying joint account for insurance purposes since each co-owner has the right to withdraw funds on the same basis. Account 4 is also a qualifying joint account. A's interest in Account 4 is insured for \$45,000. B's interest of \$45,000 in Account 4 is added to her interest of \$45,000 in Account 6 and insured for \$90,000. C's interest in Account 6 is insured for \$45,000.

Example 5(b)

Question: Assume the same accounts as Example 5(a) except that, on Account No. 5, C's right to make a withdrawal is limited by state law which precludes a minor from making a withdrawal without the co-owner's written consent. What is the insurance coverage?

Answer: In this situation, Accounts 4, 5, and 6 all qualify as joint accounts. A, B, and C will each have \$90,000 of insured funds based on: A's interest in Account 4 (\$45,000) and 5 (\$45,000), B's interest in Accounts 4 (\$45,000) and 6 (\$45,000), and C's interest in Accounts 5 (\$45,000) and 6 (\$45,000). As in Example 5(a), Account No. 7 does not qualify as a joint account and would be added to A's individual account for insurance purposes.

F. How Are Trust Accounts and Retirement Accounts Insured?

A trust estate is the interest of a beneficiary in an irrevocable express trust, whether created by trust instrument or statute, that is valid under state law. Thus, funds invested in an account by a trustee under an irrevocable express trust are insured on the basis of the beneficial interests under such trust. The interest of each beneficiary in an account (or accounts) established under such a trust arrangement is insured to \$100,000 separately from other accounts held by the trustee, the settlor (grantor), or the beneficiary. However, in cases where a beneficiary has an interest in more than one trust arrangement created by the same settlor, the interests of the beneficiary in all accounts established under such trusts are added together for insurance purposes, and the beneficiary's aggregate interest derived from the same settlor is separately insured to the \$100,000 maximum.

A beneficiary's interest in an account established pursuant to an irrevocable express trust arrangement is insured separately from other beneficial interests (trust estates) invested in the same account if the value of the beneficiary's interest (trust estate) can be determined (as of the date of a credit union's insolvency) without evaluation of contingencies except for those covered by the present worth tables and rules of calculation for their use set forth in §20.2031-10 of the Federal Estate Tax Regulations (26 CFR 20.2031-10). If any trust estates in such an account cannot be so determined, the insurance with respect to all such trust estates together shall not exceed \$100,000.

In order for insurance coverage of trust accounts to be effective in accordance with the foregoing rules, certain recordkeeping requirements must be met. In connection with each trust account, the credit union's records must indicate the name of both the settlor and the trustee of the trust and must contain an account signature card executed by the trustee indicating the fiduciary capacity of the trustee. In addition, the interests of the beneficiaries under the trust must be ascertainable from the records of either the credit union or the trustee, and the settlor or beneficiary must be a member of the credit union. If there are two or more settlors or beneficiaries, then either all the settlors or all the beneficiaries must be members of the credit union.

Although each ascertainable trust estate is separately insured, it should be noted that in short-term trusts the insurable interest or interests may be very small, since the interests are computed only for the duration of the trust. Thus, if a trust is made irrevocable for a specified period of time, the beneficial interest will be calculated in terms of the length of time stated. A reversionary interest retained by the settlor is treated in the same manner as an individual account of the settlor.

As stated, the trust must be valid under local law. A trust which does not meet local requirements, such as one imposing no duties on the trustee or conveying no interest to the beneficiary, is of no effect for insurance purposes. An account in which such funds are invested is considered to be an individual account.

An account established pursuant to a revocable trust arrangement is insured as a form of individual account and is treated under section B, *supra*, dealing with Testamentary Accounts.

IRA and Keogh accounts are separately insured, each up to \$250,000. Although credit unions may serve as trustees or custodians for self-directed IRA, Roth IRA and Keogh accounts, once the funds in those accounts are taken out of the credit union, they are no longer insured.

National Credit Union Administration

Pt. 745, App.

In the case of an employee retirement fund where only a portion of the fund is placed in a credit union account, the amount of insurance available to an individual member/beneficiary on his interest in the account will be in proportion to his interest in the entire employee retirement fund. If, for example, the member's interest represents 10% of the entire plan funds, then he is presumed to have only a 10% interest in the plan account. Said another way, if a member has a vested interest of \$10,000 in a municipal employees retirement plan and the trustee invests 25% of the total plan funds in a credit union, the member would be insured for only \$2,500 on that credit union account. There is an exception, however. The member would be insured for \$10,000 if the trustee can document, through records maintained in the ordinary course of business, that individual beneficiary's interests are segregated and the total vested interest of the member was, in fact, invested in that account.

Example 1

Question: Member S invests \$45,000 in trust for B, the beneficiary. S also has an individual account containing \$90,000 in the same credit union. What is the insurance coverage?

Answer: Both accounts are fully insured. The trust account is separately insured from the individual account of S (§§ 745.3(a)(1) and 745.9-1).

Example 2

Question: S invests funds in trust for A, B, C, D, and E. A, B, and C are members of the credit union. D, E and S are not. What is the insurance coverage?

Answer: This is an uninsurable account. Where there is more than one settlor or more than one beneficiary, all the settlors or all the beneficiaries must be members to establish this type of account. Since D, E and S are not members, this account cannot legally be established or insured.

Example 3(a)

Question: Member T invests \$500,000 in trust for ABC Employees Retirement Fund. Some of the participants are members and some are not. What is the insurance coverage?

Answer: The account is insured as to the determinable interests of each participant to a maximum of \$100,000 per participant regardless of credit union member status. T's member status is also irrelevant. Participant interests not capable of evaluation shall be added together and insured to a maximum of \$100,000 in the aggregate (§ 745.9-2).

Example 3(b)

Question: T is trustee for the ABC Employees Retirement Fund containing \$1,000,000.

Fund participant A has a determinable interest of \$90,000 in the Fund (9% of the total). T invests \$500,000 of the Fund in an insured credit union and the remaining \$500,000 elsewhere. Some of the participants of the Fund are members of the credit union and some are not. T does not segregate each participant's interest in the Fund. What is the insurance coverage?

Answer: The account is insured as to the determinable interest of each participant, adjusted in proportion to the Fund's investment in the credit union, regardless of the membership status of the participants or trustee. A's insured interest in the account is \$45,000, or 9% of \$500,000. This reflects the fact that only 50% of the Fund is in the account and A's interest in the account is in the same proportion as his interest in the overall plan. All other participants would be similarly insured. Participants' interests not capable of evaluation are added together and insured to a maximum of \$100,000 in the aggregate (§ 745.9-2).

Example 4

Question: Member A has an individual account of \$100,000 and establishes an IRA account and accumulates \$250,000 in that account. Subsequently, A becomes self-employed and establishes a Keogh account in the same credit union and accumulates \$250,000 in that account. What is the insurance coverage?

Answer: Each of A's accounts would be separately insured as follows: The individual account for \$100,000, the maximum for that type of account; the IRA account for \$250,000, the maximum for that type of account; and the Keogh account for \$250,000, the maximum for that type of account. (§§ 745.3(a)(1) and 745.9-2).

Example 5

Question: Member A has a self-directed IRA account with \$70,000 in it. The FCU is the trustee of the account. Member transfers \$40,000 into a blue chip stock; \$30,000 remains in the FCU. What is the insurance coverage?

Answer: Originally, the full \$70,000 in A's IRA account is insured. The \$40,000 is no longer insured once it is moved out of the FCU. The \$30,000 remaining in the FCU is insured (§ 745.9-2).

(4) To take or cause depositions to be taken as authorized by this subpart;

(5) To regulate the course of the hearing and the conduct of the parties and their counsel;

(6) To hold scheduling and/or pre-hearing conferences as set forth in § 747.31;

(7) To consider and rule upon all procedural and other motions appropriate in an adjudicatory proceeding, provided that only the NCUA Board shall have the power to grant any motion to dismiss the proceeding or to decide any other motion that results in a final determination of the merits of the proceeding;

(8) To prepare and present to the NCUA Board a recommended decision as provided herein;

(9) To recuse himself or herself by motion made by a party or on his or her own motion;

(10) To establish time, place and manner limitations on the attendance

§ 747.6

of the public and the media for any public hearing; and

(11) To do all other things necessary and appropriate to discharge the duties of a presiding officer.

§ 747.6 Appearance and practice in adjudicatory proceedings.

(a) *Appearance before the NCUA or an administrative law judge*—(1) *By attorneys*. Any member in good standing of the bar of the highest court of any state, commonwealth, possession, territory of the United States, or the District of Columbia may represent others before the NCUA if such attorney is not currently suspended or debarred from practice before the NCUA.

(2) *By non-attorneys*. An individual may appear on his or her own behalf; a member of a partnership may represent the partnership; a duly authorized officer, director, or employee of any government unit, agency, institution, corporation or authority may represent that unit, agency, institution, corporation or authority if such officer, director, or employee is not currently suspended or debarred from practice before the NCUA.

(3) *Notice of appearance*. Any individual acting as counsel on behalf of a party, including the NCUA Board, shall file a notice of appearance with OFIA at or before the time that the individual submits papers or otherwise appears on behalf of a party in the adjudicatory proceeding. The notice of appearance must include a written declaration that the individual is currently qualified as provided in paragraph (a)(1) or (a)(2) of this section and is authorized to represent the particular party. By filing a notice of appearance on behalf of a party in an adjudicatory proceeding, the counsel agrees and represents that he or she is authorized to accept service on behalf of the represented party and that, in the event of withdrawal from representation, he or she will, if required by the administrative law judge, continue to accept service until new counsel has filed a notice of appearance or until the represented party indicates that he or she will proceed on a *pro se* basis.

(b) *Sanctions*. Dilatory, obstructive, egregious, contemptuous or contumacious conduct at any phase of

12 CFR Ch. VII (1–1–10 Edition)

any adjudicatory proceeding may be grounds for exclusion or suspension of counsel from the proceeding.

§ 747.7 Good faith certification.

(a) *General requirement*. Every filing or submission of record following the issuance of a notice shall be signed by at least one counsel of record in his or her individual name and shall state that counsel's address and telephone number. A party who acts as his or her own counsel sign his or her individual name and state his or her address and telephone number on every filing or submission of record.

(b) *Effect of signature*. (1) The signature of counsel or a party shall constitute a certification that: the counsel or party has read the filing or submission of record; to the best of his or her knowledge, information, and belief formed after reasonable inquiry, the filing or submission of record is well-grounded in fact and is warranted by existing law or a good faith argument for the extension, modification, or reversal of existing law; and the filing or submission of record is not made for any improper purpose, such as to harass or to cause unnecessary delay or needless increase in the cost of litigation.

(2) If a filing or submission of record is not signed, the administrative law judge shall strike the filing or submission of record, unless it is signed promptly after the omission is called to the attention of the pleader or movant.

(c) *Effect of making oral motion or argument*. The act of making any oral motion or oral argument by any counsel or party constitutes a certification that to the best of his or her knowledge, information, and belief formed after reasonable inquiry, his or her statements are well-grounded in fact and are warranted by existing law or a good faith argument for the extension, modification, or reversal of existing law, and are not made for any improper purpose, such as to harass or to cause unnecessary delay or needless increase in the cost of litigation.

§ 747.8 Conflicts of interest.

(a) *Conflict of interest in representation.* No person shall appear as counsel for another person in an adjudicatory proceeding if it reasonably appears that such representation may be materially limited by that counsel's responsibilities to a third person or by the counsel's own interests. The administrative law judge may take corrective measures at any stage of a proceeding to cure a conflict of interest in representation, including the issuance of an order limiting the scope of representation or disqualifying an individual from appearing in a representative capacity for the duration of the proceeding.

(b) *Certification and waiver.* If any person appearing as counsel represents two or more parties to an adjudicatory proceeding or also represents a non-party on a matter relevant to an issue in the proceeding, counsel must certify in writing at the time of filing the notice of appearance required by § 747.6(a):

(1) That the counsel has personally and fully discussed the possibility of conflicts of interest with each such party and non-party; and

(2) That each such party and non-party waives any right it might otherwise have had to assert any known conflicts of interest or to assert any non-material conflicts of interest during the course of the proceeding.

§ 747.9 Ex parte communications.

(a) *Definition*—(1) *Ex parte communication* means any material oral or written communication relevant to the merits of an adjudicatory proceeding that was neither on the record nor on reasonable prior notice to all parties that takes place between—

(i) An interested person outside the NCUA (including such person's counsel); and

(ii) The administrative law judge handling that proceeding, the NCUA Board, or a decisional employee.

(2) *Exception.* A request for status of the proceeding does not constitute an ex parte communication.

(b) *Prohibition of ex parte communications.* From the time the notice is

issued by the NCUA Board until the date that the NCUA Board issues its final decision pursuant to § 747.40(c):

(1) No interested person outside the NCUA shall make or knowingly cause to be made an ex parte communication to any member of the NCUA Board, the administrative law judge, or a decisional employee; and

(2) No member of the NCUA Board, administrative law judge, or decisional employee shall make or knowingly cause to be made to any interested person outside the NCUA any ex parte communication.

(c) *Procedure upon occurrence of ex parte communication.* If an ex parte communication is received by the administrative law judge, a member of the NCUA Board or any other person identified in paragraph (a) of this section, that person shall cause all such written communications (or, if the communication is oral, a memorandum stating the substance of the communication) to be placed on the record of the proceeding and served on all parties. All other parties to the proceeding shall have an opportunity, within ten days of receipt of service of the ex parte communication, to file responses thereto and to recommend any sanctions, in accordance with paragraph (d) of this section, that they believe to be appropriate under the circumstances.

(d) *Sanctions.* Any party or his or her counsel who makes a prohibited ex parte communication, or who encourages or solicits another to make any such communication, may be subject to any appropriate sanction or sanctions imposed by the NCUA Board or the administrative law judge including, but not limited to, exclusion from the proceedings and an adverse ruling on the issue which is the subject of the prohibited communication.

(e) *Separation of functions.* Except to the extent required for the disposition of ex parte matters as authorized by law, the administrative law judge may not consult a person or party on any matter relevant to the merits of the adjudication, unless on notice and opportunity for all parties to participate. An employee or agent engaged in the performance of investigative or prosecuting functions for the NCUA in a

§ 747.10

case may not, in that or a factually related case, participate or advise in the decision, recommended decision, or agency review of the recommended decision under section 747.40, except as witness or counsel in public proceedings.

[56 FR 37767, Aug. 8, 1991; 57 FR 523, Jan. 7, 1992, as amended at 61 FR 28025, June 4, 1996]

§ 747.10 Filing of papers.

(a) *Filing.* Any papers required to be filed, excluding documents produced in response to a discovery request pursuant to §§ 747.25 and 747.26, shall be filed with the OFIA, except as otherwise provided.

(b) *Manner of filing.* Unless otherwise specified by the NCUA Board or the administrative law judge, filing may be accomplished by:

- (1) Personal service;
- (2) Delivering the papers to a reliable commercial courier service, overnight delivery service, or to the U.S. Post Office for Express Mail delivery;
- (3) Mailing the papers by first class, registered, or certified mail; or
- (4) Transmission by electronic media, only if expressly authorized, and upon any conditions specified, by the NCUA Board or the administrative law judge. All papers filed by electronic media shall also concurrently be filed in accordance with paragraph (c) of this section.

(c) *Formal requirements as to papers filed*—(1) *Form.* All papers filed must set forth the name, address, and telephone number of the counsel or party making the filing and must be accompanied by a certification setting forth when and how service has been made on all other parties. All papers filed must be double-spaced and printed or typewritten on 8½×11 inch paper, and must be clear and legible.

(2) *Signature.* All papers must be dated and signed as provided in § 747.7.

(3) *Caption.* All papers filed must include at the head thereof, or on a title page, the name of the NCUA and of the filing party, the title and docket number of the proceeding, and the subject of the particular paper.

(4) *Number of copies.* Unless otherwise specified by the NCUA Board, or the administrative law judge, an original and one copy of all documents and pa-

pers shall be filed, except that only one copy of transcripts of testimony and exhibits shall be filed.

§ 747.11 Service of papers.

(a) *By the parties.* Except as otherwise provided, a party filing papers shall serve a copy upon the counsel of record for all other parties to the proceeding so represented, and upon any party not so represented.

(b) *Method of service.* Except as provided in paragraphs (c)(2) and (d) of this section, a serving party shall use one or more of the following methods of service:

- (1) Personal service;
- (2) Delivering the papers to a reliable commercial courier service, overnight delivery service, or to the U.S. Post Office for Express Mail delivery;
- (3) Mailing the papers by first class, registered, or certified mail; or
- (4) Transmission by electronic media, only if the parties mutually agree. Any papers served by electronic media shall also concurrently be served in accordance with the requirements of § 747.10(c).

(c) *By the NCUA Board or the administrative law judge.* (1) All papers required to be served by the NCUA Board or the administrative law judge upon a party who has appeared in the proceeding in accordance with § 747.6, shall be served by any means specified in paragraph (b) of this section.

(2) If a party has not appeared in the proceeding in accordance with § 747.6, the NCUA Board or the administrative law judge shall make service by any of the following methods:

- (i) By personal service;
- (ii) If the person to be served is an individual, by delivery to a person of suitable age and discretion at the physical location where the individual resides or works;
- (iii) If the person to be served is a corporation or other association, by delivery to an officer, managing or general agent, or to any other agent authorized by appointment or by law to receive service and, if the agent is one authorized by statute to receive service and the statute so requires, by also mailing a copy to the party;

National Credit Union Administration

§ 747.12

(iv) By registered or certified mail addressed to the person's last known address; or

(v) By any other method reasonably calculated to give actual notice.

(d) *Subpoenas*. Service of a subpoena may be made:

(1) By personal service;

(2) If the person to be served is an individual, by delivery to a person of suitable age and discretion at the physical location where the individual resides or works;

(3) By delivery to an agent, which, in the case of a corporation or other association, is delivery to an officer, managing or general agent, or to any other agent authorized by appointment or by law to receive service and, if the agent is one authorized by statute to receive service and the statute so requires, by also mailing a copy to the party;

(4) By registered or certified mail addressed to the person's last known address; or

(5) By any other method reasonably calculated to give actual notice.

(e) *Area of service*. Service in any state, territory, possession of the United States, or the District of Columbia, on any person or company doing business in any state, territory, possession of the United States, or the District of Columbia, or on any person as otherwise provided by law, is effective without regard to the place where the hearing is held, provided that if service is made on a foreign bank in connection with an action or proceeding involving one or more of its branches or agencies located in any state, territory, possession of the United States, or the District of Columbia, service shall be made on at least one branch or agency so involved.

[56 FR 37767, Aug. 8, 1991, as amended at 61 FR 28025, June 4, 1996]

§ 747.12 Construction of time limits.

(a) *General rule*. In computing any period of time prescribed by this subpart, the date of the act or event that commences the designated period of time is not included. The last day so computed is included unless it is a Saturday, Sunday, or Federal holiday. When the last day is a Saturday, Sunday, or Federal holiday, the period runs until the end of the next day that is not a Satur-

day, Sunday, or Federal holiday. Intermediate Saturdays, Sundays, and Federal holidays are included in the computation of time. However, when the time period within which an act is to be performed is ten days or less, not including any additional time allowed for in § 747.12(c), intermediate Saturdays, Sundays, and Federal holidays are not included.

(b) *When papers are deemed to be filed or served*. (1) Filing and service are deemed to be effective:

(i) In the case of personal service or same day commercial courier delivery, upon actual service;

(ii) In the case of overnight commercial delivery service, U.S. Express Mail delivery, or first class, registered, or certified mail, upon deposit in or delivery to an appropriate point of collection;

(iii) In the case of transmission by electronic media, as specified by the authority receiving the filing, in the case of filing, and as agreed among the parties, in the case of service.

(2) The effective filing and service dates specified in paragraph (b)(1) of this section may be modified by the NCUA Board or administrative law judge in the case of filing or by agreement of the parties in the case of service.

(c) *Calculation of time for service and filing of responsive papers*. Whenever a time limit is measured by a prescribed period from the service of any notice or paper, the applicable time limits are calculated as follows:

(1) If service is made by first class, registered, or certified mail, add three calendar days to the prescribed period;

(2) If service is made by express mail or overnight delivery service, add one calendar day to the prescribed period; or

(3) If service is made by electronic media transmission, add one calendar day to the prescribed period, unless otherwise determined by the NCUA Board or the administrative law judge in the case of filing, or by agreement among the parties in the case of service.

[56 FR 37767, Aug. 8, 1991, as amended at 61 FR 28026, June 4, 1996]

§ 747.13 Change of time limits.

Except as otherwise provided by law, the administrative law judge may, for good cause shown, extend the time limits prescribed by the Uniform Rules or by any notice or order issued in the proceedings. After the referral of the case to the NCUA Board pursuant to § 747.38, the NCUA Board may grant extensions of the time limits for good cause shown. Extensions may be granted upon the motion of a party after notice and opportunity to respond is afforded all non-moving parties, or upon the NCUA Board's or the administrative law judge's own motion.

§ 747.14 Witness fees and expenses.

Witnesses subpoenaed for testimony or depositions shall be paid the same fees for attendance and mileage as are paid in the United States district courts in proceedings in which the United States is a party, provided that, in the case of a discovery subpoena addressed to a party, no witness fees or mileage need be paid. Fees for witnesses shall be tendered in advance by the party requesting the subpoena, except that fees and mileage need not be tendered in advance where the NCUA is the party requesting the subpoena. The NCUA shall not be required to pay any fees to, or expenses of, any witness not subpoenaed by the NCUA.

§ 747.15 Opportunity for informal settlement.

Any respondent may, at any time in the proceeding, unilaterally submit to Enforcement Counsel written offers or proposals for settlement of a proceeding, without prejudice to the rights of any of the parties. No such offer or proposal shall be made to any NCUA representative other than Enforcement Counsel. Submission of a written settlement offer does not provide a basis for adjourning or otherwise delaying all or any portion of a proceeding under this part. No settlement offer or proposal, or any subsequent negotiation or resolution, is admissible as evidence in any proceeding.

§ 747.16 NCUA's right to conduct examination.

Nothing contained in this subpart limits in any manner the right of the

NCUA to conduct any examination, inspection, or visitation of any institution or institution-affiliated party, or the right of the NCUA to conduct or continue any form of investigation authorized by law.

§ 747.17 Collateral attacks on adjudicatory proceeding.

If an interlocutory appeal or collateral attack is brought in any court concerning all or any part of an adjudicatory proceeding, the challenged adjudicatory proceeding shall continue without regard to the pendency of that court proceeding. No default or other failure to act as directed in the adjudicatory proceeding within the times prescribed in this subpart shall be excused based on the pendency before any court of any interlocutory appeal or collateral attack.

§ 747.18 Commencement of proceeding and contents of notice.

(a) *Commencement of proceeding.* (1) A proceeding governed by this subpart is commenced by issuance of a notice by the NCUA Board.

(2) The notice must be served by the NCUA Board upon the respondent and given to any other appropriate financial institution supervisory authority where required by law.

(3) The notice must be filed with the OFIA.

(b) *Contents of notice.* The notice must set forth:

(1) The legal authority for the proceeding and for the NCUA's jurisdiction over the proceeding;

(2) A statement of the matters of fact or law showing that the NCUA is entitled to relief;

(3) A proposed order or prayer for an order granting the requested relief;

(4) The time, place, and nature of the hearing as required by law or regulation;

(5) The time within which to file an answer as required by law or regulation;

(6) The time within which to request a hearing as required by law or regulation; and

(7) That the answer and/or request for a hearing shall be filed with OFIA.

National Credit Union Administration

§ 747.22

§ 747.19 Answer.

(a) *When.* Within 20 days of service of the notice, respondent shall file an answer as designated in the notice. In a civil money penalty proceeding, respondent shall also file a request for a hearing within 20 days of service of the notice.

(b) *Content of answer.* An answer must specifically respond to each paragraph or allegation of fact contained in the notice and must admit, deny, or state that the party lacks sufficient information to admit or deny each allegation of fact. A statement of lack of information has the effect of a denial. Denials must fairly meet the substance of each allegation of fact denied; general denials are not permitted. When a respondent denies part of an allegation, that part must be denied and the remainder specifically admitted. Any allegation of fact in the notice which is not denied in the answer must be deemed admitted for purposes of the proceeding. A respondent is not required to respond to the portion of a notice that constitutes the prayer for relief or proposed order. The answer must set forth affirmative defenses, if any, asserted by the respondent.

(c) *Default*—(1) *Effect of failure to answer.* Failure of a respondent to file an answer required by this section within the time provided constitutes a waiver of his or her right to appear and contest the allegations in the notice. If no timely answer is filed, the administrative law judge, upon motion of the Enforcement Counsel, shall file with the NCUA Board a recommended decision containing the findings and the relief sought in the notice. Any final order issued by the NCUA Board based upon a respondent's failure to answer is deemed to be an order issued upon consent.

(2) *Effect of failure to request a hearing in civil money penalty proceedings.* If respondent fails to request a hearing as required by law within the time provided, the notice of assessment constitutes a final and unappealable order.

§ 747.20 Amended pleadings.

(a) *Amendments.* The notice or answer may be amended or supplemented at any stage of the proceeding. The respondent must answer an amended no-

tice within the time remaining for the respondent's answer to the original notice, or within ten days after service of the amended notice, whichever period is longer, unless the NCUA Board or administrative law judge orders otherwise for good cause.

(b) *Amendments to conform to the evidence.* When issues not raised in the notice or answer are tried at the hearing by express or implied consent of the parties, they will be treated in all respects as if they had been raised in the notice or answer, and no formal amendments are required. If evidence is objected to at the hearing on the ground that it is not within the issues raised by the notice or answer, the administrative law judge may admit the evidence when admission is likely to assist in adjudicating the merits of the action and the objecting party fails to satisfy the administrative law judge that the admission of such evidence would unfairly prejudice that party's action or defense upon the merits. The administrative law judge may grant a continuance to enable the objecting party to meet such evidence.

[61 FR 28026, June 4, 1996]

§ 747.21 Failure to appear.

Failure of a respondent to appear in person at the hearing or by a duly authorized counsel constitutes a waiver of respondent's right to a hearing and is deemed an admission of the facts as alleged and consent to the relief sought in the notice. Without further proceedings or notice to the respondent, the administrative law judge shall file with the NCUA Board a recommended decision containing the findings and the relief sought in the notice.

§ 747.22 Consolidation and severance of actions.

(a) *Consolidation.* (1) On the motion of any party, or on the administrative law judge's own motion, the administrative law judge may consolidate, for some or all purposes, any two or more proceedings, if each such proceeding involves or arises out of the same transaction, occurrence or series of transactions or occurrences, or involves at least one common respondent or a material common question of law or fact,

§ 747.23

unless such consolidation would cause unreasonable delay or injustice.

(2) In the event of consolidation under paragraph (a)(1) of this section, appropriate adjustment to the pre-hearing schedule must be made to avoid unnecessary expense, inconvenience, or delay.

(b) *Severance.* The administrative law judge may, upon the motion of any party, sever the proceeding for separate resolution of the matter as to any respondent only if the administrative law judge finds that:

(1) Undue prejudice or injustice to the moving party would result from not severing the proceeding; and

(2) Such undue prejudice or injustice would outweigh the interests of judicial economy and expedition in the complete and final resolution of the proceeding.

§ 747.23 Motions.

(a) *In writing.* (1) Except as otherwise provided herein, an application or request for an order or ruling must be made by written motion.

(2) All written motions must state with particularity the relief sought and must be accompanied by a proposed order.

(3) No oral argument may be held on written motions except as otherwise directed by the administrative law judge. Written memorandum, briefs, affidavits or other relevant material or documents may be filed in support of or in opposition to a motion.

(b) *Oral motions.* A motion may be made orally on the record unless the administrative law judge directs that such motion be reduced to writing.

(c) *Filing of motions.* Motions must be filed with the administrative law judge, except that upon the filing of the recommended decision, motions must be filed with the NCUA Board.

(d) *Responses.* (1) Except as otherwise provided herein, within ten days after service of any written motion, or within such other period of time as may be established by the administrative law judge or the NCUA Board, any party may file a written response to a motion. The administrative law judge shall not rule on any oral or written motion before each party has had an opportunity to file a response.

12 CFR Ch. VII (1–1–10 Edition)

(2) The failure of a party to oppose a written motion or an oral motion made on the record is deemed a consent by that party to the entry of an order substantially in the form of the order accompanying the motion.

(e) *Dilatory motions.* Frivolous, dilatory or repetitive motions are prohibited. The filing of such motions may form the basis for sanctions.

(f) *Dispositive motions.* Dispositive motions are governed by §§ 747.29 and 747.30.

§ 747.24 Scope of document discovery.

(a) *Limits on discovery.* (1) Subject to the limitations set out in paragraphs (b), (c), and (d) of this section, a party to a proceeding under this subpart may obtain document discovery by serving a written request to produce documents. For purposes of a request to produce documents, the term “documents” may be defined to include drawings, graphs, charts, photographs, recordings, data stored in electronic form, and other data compilations from which information can be obtained, or translated, if necessary, by the parties through detection devices into reasonably usable form, as well as written material of all kinds.

(2) Discovery by use of deposition is governed by subpart I of this part.

(3) Discovery by use of interrogatories is not permitted.

(b) *Relevance.* A party may obtain document discovery regarding any matter, not privileged, that has material relevance to the merits of the pending action. Any request to produce documents that calls for irrelevant material, that is unreasonable, oppressive, excessive in scope, unduly burdensome, or repetitive of previous requests, or that seeks to obtain privileged documents will be denied or modified. A request is unreasonable, oppressive, excessive in scope, or unduly burdensome if, among other things, it fails to include justifiable limitations on the time period covered and the geographic locations to be searched, the time provided to respond to the request is inadequate, or the request calls for copies of documents to be delivered to the requesting party and fails to include the requester’s written agreement to pay

National Credit Union Administration

§ 747.25

in advance for the copying, in accordance with § 747.25.

(c) *Privileged matter.* Privileged documents are not discoverable. Privileges include the attorney-client privilege, work-product privilege, any government's or government agency's deliberative-process privilege, and any other privileges the Constitution, any applicable act of Congress, or the principles of common law provide.

(d) *Time limits.* All discovery, including all responses to discovery requests, shall be completed at least 20 days prior to the date scheduled for the commencement of the hearing, except as provided in the Local Rules. No exceptions to this time limit shall be permitted, unless the administrative law judge finds on the record that good cause exists for waiving the requirements of this paragraph.

[56 FR 37767, Aug. 8, 1991, as amended at 61 FR 28026, June 4, 1996]

§ 747.25 Request for document discovery from parties.

(a) *General rule.* Any party may serve on any other party a request to produce for inspection any discoverable documents that are in the possession, custody, or control of the party upon whom the request is served. The request must identify the documents to be produced either by individual item or by category, and must describe each item and category with reasonable particularity. Documents must be produced as they are kept in the usual course of business or must be organized to correspond with the categories in the request.

(b) *Production or copying.* The request must specify a reasonable time, place, and manner for production and performing any related acts. In lieu of inspecting the documents, the requesting party may specify that all or some of the responsive documents be copied and the copies delivered to the requesting party. If copying of fewer than 250 pages is requested, the party to whom the request is addressed shall bear the cost of copying and shipping charges. If a party requests 250 pages or more of copying, the requesting party shall pay for the copying and shipping charges. Copying charges are the current per-page copying rate imposed by 12 CFR

792.5(b) implementing the Freedom of Information Act (5 U.S.C. 552). The party to whom the request is addressed may require payment in advance before producing the documents.

(c) *Obligation to update responses.* A party who has responded to a discovery request with a response that was complete when made is not required to supplement the response to include documents thereafter acquired, unless the responding party learns that:

(1) The response was materially incorrect when made; or

(2) The response, though correct when made, is no longer true and a failure to amend the response is, in substance, a knowing concealment.

(d) *Motions to limit discovery.* (1) Any party that objects to a discovery request may, within ten days of being served with such request, file a motion in accordance with the provisions of § 747.23 to strike or otherwise limit the request. If an objection is made to only a portion of an item or category in a request, the portion objected to shall be specified. Any objections not made in accordance with this paragraph and § 747.23 are waived.

(2) The party who served the request that is the subject of a motion to strike or limit may file a written response within five days of service of the motion. No other party may file a response.

(e) *Privilege.* At the time other documents are produced, the producing party must reasonably identify all documents withheld on the grounds of privilege and must produce a statement of the basis for the assertion of privilege. When similar documents that are protected by deliberative process, attorney work-product, or attorney-client privilege are voluminous, these documents may be identified by category instead of by individual document. The administrative law judge retains discretion to determine when the identification by category is insufficient.

(f) *Motions to compel production.* (1) If a party withholds any documents as privileged or fails to comply fully with a discovery request, the requesting party may, within ten days of the assertion of privilege or of the time the failure to comply becomes known to

§ 747.26

the requesting party, file a motion in accordance with the provisions of § 747.23 for the issuance of a subpoena compelling production.

(2) The party who asserted the privilege or failed to comply with the request may file a written response to a motion to compel within five days of service of the motion. No other party may file a response.

(g) *Ruling on motions.* After the time for filing responses pursuant to this section has expired, the administrative law judge shall rule promptly on all motions filed pursuant to this section. If the administrative law judge determines that a discovery request, or any of its terms, calls for irrelevant material, is unreasonable, oppressive, excessive in scope, unduly burdensome, or repetitive of previous requests, or seeks to obtain privileged documents, he or she may deny or modify the request, and may issue appropriate protective orders, upon such conditions as justice may require. The pendency of a motion to strike or limit discovery or to compel production is not a basis for staying or continuing the proceeding, unless otherwise ordered by the administrative law judge. Notwithstanding any other provision in this part, the administrative law judge may not release, or order a party to produce, documents withheld on grounds of privilege if the party has stated to the administrative law judge its intention to file a timely motion for interlocutory review of the administrative law judge's order to produce the documents, and until the motion for interlocutory review has been decided.

(h) *Enforcing discovery subpoenas.* If the administrative law judge issues a subpoena compelling production of documents by a party, the subpoenaing party may, in the event of noncompliance and to the extent authorized by applicable law, apply to any appropriate United States district court for an order requiring compliance with the subpoena. A party's right to seek court enforcement of a subpoena shall not in any manner limit the sanctions that may be imposed by the administrative

law judge against a party who fails to produce subpoenaed documents.

[56 FR 37767, Aug. 8, 1991, as amended at 61 FR 28026, June 4, 1996; 61 FR 45876, Aug. 30, 1996]

§ 747.26 Document subpoenas to non-parties.

(a) *General rules.* (1) Any party may apply to the administrative law judge for the issuance of a document discovery subpoena addressed to any person who is not a party to the proceeding. The application must contain a proposed document subpoena and a brief statement showing the general relevance and reasonableness of the scope of documents sought. The subpoenaing party shall specify a reasonable time, place, and manner for making production in response to the document subpoena.

(2) A party shall only apply for a document subpoena under this section within the time period during which such party could serve a discovery request under § 747.24(d). The party obtaining the document subpoena is responsible for serving it on the subpoenaed person and for serving copies on all parties. Document subpoenas may be served in any state, territory, or possession of the United States, the District of Columbia, or as otherwise provided by law.

(3) The administrative law judge shall promptly issue any document subpoena requested pursuant to this section. If the administrative law judge determines that the application does not set forth a valid basis for the issuance of the subpoena, or that any of its terms are unreasonable, oppressive, excessive in scope, or unduly burdensome, he or she may refuse to issue the subpoena or may issue it in a modified form upon such conditions as may be consistent with the Uniform Rules.

(b) *Motion to quash or modify.* (1) Any person to whom a document subpoena is directed may file a motion to quash or modify such subpoena, accompanied by a statement of the basis for quashing or modifying the subpoena. The movant shall serve the motion on all parties, and any party may respond to such motion within ten days of service of the motion.

(2) Any motion to quash or modify a document subpoena must be filed on the same basis, including the assertion of privilege, upon which a party could object to a discovery request under § 747.25(d), and during the same time limits during which such an objection could be filed.

(c) *Enforcing document subpoenas.* If a subpoenaed person fails to comply with any subpoena issued pursuant to this section or any order of the administrative law judge which directs compliance with all or any portion of a document subpoena, the subpoenaing party or any other aggrieved party may, to the extent authorized by applicable law, apply to an appropriate United States district court for an order requiring compliance with so much of the document subpoena as the administrative law judge has not quashed or modified. A party's right to seek court enforcement of a document subpoena shall in no way limit the sanctions that may be imposed by the administrative law judge on a party who induces a failure to comply with subpoenas issued under this section.

§ 747.27 Deposition of witness unavailable for hearing.

(a) *General rules.* (1) If a witness will not be available for the hearing, a party desiring that witness' testimony for the record may apply in accordance with the procedures set forth in paragraph (a)(2) of this section, to the administrative law judge for the issuance of a subpoena, including a subpoena duces tecum, requiring the attendance of the witness at a deposition. The administrative law judge may issue a deposition subpoena under this section upon showing that:

(i) The witness will be unable to attend or may be prevented from attending the hearing because of age, sickness or infirmity, or will otherwise be unavailable;

(ii) The witness' unavailability was not procured or caused by the subpoenaing party;

(iii) The testimony is reasonably expected to be material; and

(iv) Taking the deposition will not result in any undue burden to any other party and will not cause undue delay of the proceeding.

(2) The application must contain a proposed deposition subpoena and a brief statement of the reasons for the issuance of the subpoena. The subpoena must name the witness whose deposition is to be taken and specify the time and place for taking the deposition. A deposition subpoena may require the witness to be deposed at any place within the country in which that witness resides or has a regular place of employment or such other convenient place as the administrative law judge shall fix.

(3) Any requested subpoena that sets forth a valid basis for its issuance must be promptly issued, unless the administrative law judge on his or her own motion, requires a written response or requires attendance at a conference concerning whether the requested subpoena should be issued.

(4) The party obtaining a deposition subpoena is responsible for serving it on the witness and for serving copies on all parties. Unless the administrative law judge orders otherwise, no deposition under this section shall be taken on fewer than ten days' notice to the witness and all parties. Deposition subpoenas may be served in any state, territory, possession of the United States, or the District of Columbia, on any person or company doing business in any state, territory, possession of the United States, or the District of Columbia, or as otherwise permitted by law.

(b) *Objections to deposition subpoenas.*

(1) The witness and any party who has not had an opportunity to oppose a deposition subpoena issued under this section may file a motion with the administrative law judge to quash or modify the subpoena prior to the time for compliance specified in the subpoena, but not more than ten days after service of the subpoena.

(2) A statement of the basis for the motion to quash or modify a subpoena issued under this section must accompany the motion. The motion must be served on all parties.

(c) *Procedure upon deposition.* (1) Each witness testifying pursuant to a deposition subpoena must be duly sworn, and each party shall have the right to examine the witness. Objections to questions or documents must be in short

form, stating the grounds for the objection. Failure to object to questions or documents is not deemed a waiver except where the ground for the objection might have been avoided if the objection had been timely presented. All questions, answers, and objections must be recorded.

(2) Any party may move before the administrative law judge for an order compelling the witness to answer any questions the witness has refused to answer or submit any evidence the witness has refused to submit during the deposition.

(3) The deposition must be subscribed by the witness, unless the parties and the witness, by stipulation, have waived the signing, or the witness is ill, cannot be found, or has refused to sign. If the deposition is not subscribed by the witness, the court reporter taking the deposition shall certify that the transcript is a true and complete transcript of the deposition.

(d) *Enforcing subpoenas.* If a subpoenaed person fails to comply with any order of the administrative law judge which directs compliance with all or any portion of a deposition subpoena under paragraph (b) or (c)(3) of this section, the subpoenaing party or other aggrieved party may, to the extent authorized by applicable law, apply to an appropriate United States district court for an order requiring compliance with the portions of the subpoena that the administrative law judge has ordered enforced. A party's right to seek court enforcement of a deposition subpoena in no way limits the sanctions that may be imposed by the administrative law judge on a party who fails to comply with, or procures a failure to comply with, a subpoena issued under this section.

§ 747.28 Interlocutory review.

(a) *General rule.* The NCUA Board may review a ruling of the administrative law judge prior to the certification of the record to the NCUA Board only in accordance with the procedures set forth in this section and § 747.23.

(b) *Scope of review.* The NCUA Board may exercise interlocutory review of a ruling of the administrative law judge if the NCUA Board finds that:

(1) The ruling involves a controlling question of law or policy as to which substantial grounds exist for a difference of opinion;

(2) Immediate review of the ruling may materially advance the ultimate termination of the proceeding;

(3) Subsequent modification of the ruling at the conclusion of the proceeding would be an inadequate remedy; or

(4) Subsequent modification of the ruling would cause unusual delay or expense.

(c) *Procedure.* Any request for interlocutory review shall be filed by a party with the administrative law judge within ten days of his or her ruling and shall otherwise comply with § 747.23. Any party may file a response to a request for interlocutory review in accordance with § 747.23(d). Upon the expiration of the time for filing all responses, the administrative law judge shall refer the matter to the NCUA Board for final disposition.

(d) *Suspension of proceeding.* Neither a request for interlocutory review nor any disposition of such a request by the NCUA Board under this section suspends or stays the proceeding unless otherwise ordered by the administrative law judge or the NCUA Board.

§ 747.29 Summary disposition.

(a) *In general.* The administrative law judge shall recommend that the NCUA Board issue a final order granting a motion for summary disposition if the undisputed pleaded facts, admissions, affidavits, stipulations, documentary evidence, matters as to which official notice may be taken, and any other evidentiary materials properly submitted in connection with a motion for summary disposition show that:

(1) There is no genuine issue as to any material fact; and

(2) The moving part is entitled to a decision in its favor as a matter of law.

(b) *Filing of motions and responses.* (1) Any party who believes that there is no genuine issue of material fact to be determined and that he or she is entitled to a decision as a matter of law may move at any time for summary disposition in its favor of all or any part of the proceeding. Any party, within 20 days after service of such a motion, or

National Credit Union Administration

§ 747.31

within such time period as allowed by the administrative law judge, may file a response to such motion.

(2) A motion for summary disposition must be accompanied by a statement of the material facts as to which the moving party contends there is no genuine issue. Such motion must be supported by documentary evidence, which may take the form of admissions in pleadings, stipulations, depositions, investigatory depositions, transcripts, affidavits and any other evidentiary materials that the moving party contends support his or her position. The motion must also be accompanied by a brief containing the points and authorities in support of the contention of the moving party. Any party opposing a motion for summary disposition must file a statement setting forth those material facts as to which he or she contends a genuine dispute exists. Such opposition must be supported by evidence of the same type as that submitted with the motion for summary disposition and a brief containing the points and authorities in support of the contention that summary disposition would be inappropriate.

(c) *Hearing on motion.* At the request of any party or on his or her own motion, the administrative law judge may hear oral argument on the motion for summary disposition.

(d) *Decision on motion.* Following receipt of a motion for summary disposition and all responses thereto, the administrative law judge shall determine whether the moving party is entitled to summary disposition. If the administrative law judge determines that summary disposition is warranted, the administrative law judge shall submit a recommended decision to that effect to the NCUA Board. If the administrative law judge finds that no party is entitled to summary disposition, he or she shall make a ruling denying the motion.

§ 747.30 Partial summary disposition.

If the administrative law judge determines that a party is entitled to summary disposition as to certain claims only, he or she shall defer submitting a recommended decision as to those claims. A hearing on the remaining issues must be ordered. Those claims

for which the administrative law judge has determined that summary disposition is warranted will be addressed in the recommended decision filed at the conclusion of the hearing.

§ 747.31 Scheduling and prehearing conferences.

(a) *Scheduling conference.* Within 30 days of service of the notice or order commencing a proceeding or such order time as parties may agree, the administrative law judge shall direct counsel for all parties to meet with him or her in person at a specified time and place prior to the hearing or to confer by telephone for the purpose of scheduling the recourse and conduct of the proceeding. This meeting or telephone conference is called a "scheduling conference." The identification of potential witnesses, the time for and manner of discovery, and the exchange of any prehearing materials including witness lists, statements of issues, stipulations, exhibits and any other materials may also be determined at the scheduling conference.

(b) *Prehearing conferences.* The administrative law judge may, in addition to the scheduling conference, on his or her own motion or at the request of any party, direct counsel for the parties to meet with him or her (in person or by telephone) at a prehearing conference to address any or all of the following:

(1) Simplification and clarification of the issues;

(2) Stipulations, admissions of fact, and the contents, authenticity and admissibility into evidence of documents;

(3) Matters of which official notice may be taken;

(4) Limitation of the number of witnesses;

(5) Summary disposition of any or all issues;

(6) Resolution of discovery issues or disputes;

(7) Amendments to pleadings; and

(8) Such other matters as may aid in the orderly disposition of the proceeding.

(c) *Transcript.* The administrative law judge, in his or her discretion, may require that a scheduling or prehearing conference be recorded by a court reporter. A transcript of the conference

§ 747.32

and any materials filed, including orders, becomes part of the record of the proceeding. A party may obtain a copy of the transcript at its expense.

(d) *Scheduling or prehearing orders.* At or within a reasonable time following the conclusion of the scheduling conference or any prehearing conference, the administrative law judge shall serve on each party an order setting forth any agreements reached and any procedural determinations made.

§ 747.32 Prehearing submissions.

(a) Within the time set by the administrative law judge, but in no case later than 14 days before the start of the hearing, each party shall serve on every other party, his or her:

- (1) Prehearing statement;
- (2) Final list of witnesses to be called to testify at the hearing, including name and address of each witness and a short summary of the expected testimony of each witness;
- (3) List of the exhibits to be introduced at the hearing along with a copy of each exhibit; and
- (4) Stipulations of fact, if any.

(b) *Effect of failure to comply.* No witness may testify and no exhibits may be introduced at the hearing if such witness or exhibit is not listed in the prehearing submissions pursuant to paragraph (a) of this section, except for good cause shown.

§ 747.33 Public hearings.

(a) *General rule.* All hearings shall be open to the public, unless the NCUA Board, in its discretion, determines that holding an open hearing would be contrary to the public interest. Within 20 days of service of the notice, any respondent may file with the NCUA Board a request for a private hearing, and any party may file a reply to such a request. A party must serve on the administrative law judge a copy of any request or reply the party files with the NCUA Board. The form of, and procedure for, these requests and replies are governed by § 747.23. A party's failure to file a request or a reply constitutes a waiver of any objections regarding whether the hearing will be public or private.

(b) *Filing document under seal.* Enforcement Counsel, in his or her discre-

12 CFR Ch. VII (1-1-10 Edition)

tion, may file any document or part of a document under seal if disclosure of the document would be contrary to the public interest. The administrative law judge shall take all appropriate steps to preserve the confidentiality of such documents or parts thereof, including closing portions of the hearing to the public.

[56 FR 37767, Aug. 8, 1991; 57 FR 523, Jan. 7, 1992, as amended at 61 FR 28027, June 4, 1996]

§ 747.34 Hearing subpoenas.

(a) *Issuance.* (1) Upon application of a party showing general relevance and reasonableness of scope of the testimony or other evidence sought, the administrative law judge may issue a subpoena or a subpoena *duces tecum* requiring the attendance of a witness at the hearing or the production of documentary or physical evidence at the hearing. The application for a hearing subpoena must also contain a proposed subpoena specifying the attendance of a witness or the production of evidence from any state, territory, or possession of the United States, the District of Columbia, or as otherwise provided by law at any designated place where the hearing is being conducted. The party making the application shall serve a copy of the application and the proposed subpoena on every other party.

(2) A party may apply for a hearing subpoena at any time before the commencement of a hearing. During a hearing, a party may make an application for a subpoena orally on the record before the administrative law judge.

(3) The administrative law judge shall promptly issue any hearing subpoena requested pursuant to this section. If the administrative law judge determines that the application does not set forth a valid basis for the issuance of the subpoena, or that any of its terms are unreasonable, oppressive, excessive in scope, or unduly burdensome, he or she may refuse to issue the subpoena or may issue it in a modified form upon any conditions consistent with this subpart. Upon issuance by the administrative law judge, the party making the application shall serve the subpoena on the person named in the subpoena and on each party.

(b) *Motion to quash or modify.* (1) Any person to whom a hearing subpoena is directed or any party may file a motion to quash or modify the subpoena, accompanied by a statement of the basis for quashing or modifying the subpoena. The movant must serve the motion on each party and on the person named in the subpoena. Any party may respond to the motion within ten days of service of the motion.

(2) Any motion to quash or modify a hearing subpoena must be filed prior to the time specified in the subpoena for compliance, but not more than ten days after the date of service of the subpoena upon the movant.

(c) *Enforcing subpoenas.* If a subpoenaed person fails to comply with any subpoena issued pursuant to this section or any order of the administrative law judge which directs compliance with all or any portion of a document subpoena, the subpoenaing party or any other aggrieved party may seek enforcement of the subpoena pursuant to § 747.26(c).

[56 FR 37767, Aug. 8, 1991, as amended at 61 FR 28027, June 4, 1996]

§ 747.35 Conduct of hearings.

(a) *General rules.* (1) Hearings shall be conducted so as to provide a fair and expeditious presentation of the relevant disputed issues. Each party has the right to present its case or defense by oral and documentary evidence and to conduct such cross examination as may be required for full disclosure of the facts.

(2) *Order of hearing.* Enforcement Counsel shall present its case-in-chief first, unless otherwise ordered by the administrative law judge, or unless otherwise expressly specified by law or regulation. Enforcement Counsel shall be the first party to present an opening statement and a closing statement, and may make a rebuttal statement after the respondent's closing statement. If there are multiple respondents, respondents may agree among themselves as to their order of presentation of their cases, but if they do not agree the administrative law judge shall fix the order.

(3) *Examination of witnesses.* Only one counsel for each party may conduct an examination of a witness, except that

in the case of extensive direct examination, the administrative law judge may permit more than one counsel for the party presenting the witness to conduct the examination. A party may have one counsel conduct the direct examination and another counsel conduct re-direct examination of a witness, or may have one counsel conduct the cross examination of a witness and another counsel conduct the re-cross examination of a witness.

(4) *Stipulations.* Unless the administrative law judge directs otherwise, all stipulations of fact and law previously agreed upon by the parties, and all documents, the admissibility of which have been previously stipulated, will be admitted into evidence upon commencement of the hearing.

(b) *Transcript.* The hearing must be recorded and transcribed. The reporter will make the transcript available to any party upon payment by that party to the reporter of the cost of the transcript. The administrative law judge may order the record corrected, either upon motion to correct, upon stipulation of the parties, or following notice to the parties upon the administrative law judge's own motion.

§ 747.36 Evidence.

(a) *Admissibility.* (1) Except as is otherwise set forth in this section, relevant, material, and reliable evidence that is not unduly repetitive is admissible to the fullest extent authorized by the Administrative Procedure Act and other applicable law.

(2) Evidence that would be admissible under the Federal Rules of Evidence is admissible in a proceeding conducted pursuant to this subpart.

(3) Evidence that would be inadmissible under the Federal Rules of Evidence may not be deemed or ruled to be inadmissible in a proceeding conducted pursuant to this subpart if such evidence is relevant, material, reliable and not unduly repetitive.

(b) *Official notice.* (1) Official notice may be taken of any material fact which may be judicially noticed by a United States district court and any material information in the official

§ 747.37

public records of any Federal or state government agency.

(2) All matters officially noticed by the administrative law judge or NCUA Board shall appear on the record.

(3) If official notice is requested or taken of any material fact, the parties, upon timely request, shall be afforded an opportunity to object.

(c) *Documents.* (1) A duplicate copy of a document is admissible to the same extent as the original, unless a genuine issue is raised as to whether the copy is in some material respect not a true and legible copy of the original.

(2) Subject to the requirements of paragraph (a) of this section, any document, including a report of examination, supervisory activity, inspection or visitation, prepared by an appropriate Federal financial institution regulatory agency or by a state regulatory agency, is admissible either with or without a sponsoring witness.

(3) Witnesses may use existing or newly created charts, exhibits, calendars, calculations, outlines or other graphic material to summarize, illustrate, or simplify the presentation of testimony. Such materials may, subject to the administrative law judge's discretion, be used with or without being admitted into evidence.

(d) *Objections.* (1) Objections to the admissibility of evidence must be timely made and rulings on all objections must appear on the record.

(2) When an objection to a question or line of questioning propounded to a witness is sustained, the examining counsel may make a specific proffer on the record of what he or she expected to prove by the expected testimony of the witness, either by representation of counsel or by direct interrogation of the witness.

(3) The administrative law judge shall retain rejected exhibits, adequately marked for identification, for the record, and transmit such exhibits to the NCUA Board.

(4) Failure to object to admission of evidence or to any ruling constitutes a waiver of the objection.

(e) *Stipulations.* The parties may stipulate as to any relevant matters of fact or the authentication of any relevant documents. Such stipulations must be received in evidence at a hearing, and

12 CFR Ch. VII (1–1–10 Edition)

are binding on the parties with respect to the matters therein stipulated.

(f) *Depositions of unavailable witnesses.*

(1) If a witness is unavailable to testify at a hearing, and that witness has testified in a deposition to which all parties in a proceeding had notice and an opportunity to participate, a party may offer as evidence all or any part of the transcript of the deposition, including deposition exhibits, if any.

(2) Such deposition transcript is admissible to the same extent that testimony would have been admissible had that person testified at the hearing, provided that if a witness refused to answer proper questions during the depositions, the administrative law judge may, on that basis, limit the admissibility of the deposition in any manner that justice requires.

(3) Only those portions of a deposition received in evidence at the hearing constitute a part of the record.

§ 747.37 Post-hearing filings.

(a) *Proposed findings and conclusions and supporting briefs.* (1) Using the same

method of service for each party, the administrative law judge shall serve notice upon each party that the certified transcript, together with all hearing exhibits and exhibits introduced but not admitted into evidence at the hearing, has been filed. Any party may file with the administrative law judge proposed findings of fact, proposed conclusions of law, and a proposed order within 30 days following service of this notice by the administrative law judge or within such longer period as may be ordered by the administrative law judge.

(2) Proposed findings and conclusions must be supported by citation to any relevant portions of the record. A post-hearing brief may be filed in support of proposed findings and conclusions, either as part of the same document or in a separate document. Any party who fails to file timely with the administrative law judge any proposed finding or conclusion is deemed to have waived the right to raise in any subsequent filing or submission any issue not addressed in such party's proposed finding or conclusion.

(b) *Reply briefs.* Reply briefs may be filed within 15 days after the date on

National Credit Union Administration

§ 747.40

which the parties' proposed findings, conclusions, and order are due. Reply briefs must be strictly limited to responding to new matters, issues, or arguments raised in another party's papers. A party who has not filed proposed findings of fact and conclusions of law or a post-hearing brief may not file a reply brief.

(c) *Simultaneous filing required.* The administrative law judge shall not order the filing by any party of any brief or reply brief in advance of the other party's filing of its brief.

[56 FR 37767, Aug. 8, 1991, as amended at 61 FR 28027, June 4, 1996]

§ 747.38 Recommended decision and filing of record.

(a) *Filing of recommended decision and record.* Within 45 days after expiration of the time allowed for filing reply briefs under § 747.37(b), the administrative law judge shall file with and certify to the NCUA Board, for decision, the record of the proceeding. The record must include the administrative law judge's recommended decision, recommended findings of fact, recommended conclusions of law, and proposed order; all prehearing and hearing transcripts, exhibits, and rulings; and the motions, briefs, memoranda, and other supporting papers filed in connection with the hearing. The administrative law judge shall serve upon each party the recommended decision, findings, conclusions, and proposed order.

(b) *Filing of index.* At the same time the administrative law judge files with and certifies to the NCUA Board for final determination the record of the proceeding, the administrative law judge shall furnish to the NCUA Board a certified index of the entire record of the proceeding. The certified index shall include, at a minimum, an entry for each paper, document or motion filed with the administrative law judge in the proceeding, the date of the filing, and the identity of the filer. The certified index shall also include an exhibit index containing, at a minimum, an entry consisting of exhibit number and title or description for: Each exhibit introduced and admitted into evidence at the hearing; each exhibit introduced but not admitted into evidence at the hearing; each exhibit in-

troduced and admitted into evidence after the completion of the hearing; and each exhibit introduced but not admitted into evidence after the completion of the hearing.

[61 FR 28027, June 4, 1996]

§ 747.39 Exceptions to recommended decision.

(a) *Filing exceptions.* Within 30 days after service of the recommended decision, findings, conclusions, and proposed order under § 747.38, a party may file with the NCUA Board written exceptions to the administrative law judge's recommended decision, findings, conclusions or proposed order, to the admission or exclusion of evidence, or to the failure of the administrative law judge to make a ruling proposed by a party. A supporting brief may be filed at the time the exceptions are filed, either as part of the same document or in a separate document.

(b) *Effect of failure to file or raise exceptions.* (1) Failure of a party to file exceptions to those matters specified in paragraph (a) of this section within the time prescribed is deemed a waiver of objection thereto.

(2) No exception need be considered by the NCUA Board if the party taking exception had an opportunity to raise the same objection, issue, or argument before the administrative law judge and failure to do so.

(c) *Contents.* (1) All exceptions and briefs in support of such exceptions must be confined to the particular matters in, or omissions from, the administrative law judge's recommendations to which that party takes exception.

(2) All exceptions and briefs in support of exceptions must set forth page or paragraph references to the specific parts of the administrative law judge's recommendations to which exception is taken, the page or paragraph references to those portions of the record relied upon to support each exception, and the legal authority relied upon to support each exception.

§ 747.40 Review by the NCUA Board.

(a) *Notice of submission to NCUA Board.* When the NCUA Board determines that the record in the proceeding is complete, the NCUA Board shall

§ 747.41

serve notice upon the parties that the proceedings has been submitted to the NCUA Board for final decision.

(b) *Oral argument before NCUA Board.* Upon the initiative of the NCUA Board or on the written request of any party filed with the NCUA Board within the time for filing exceptions, the NCUA Board may order and hear oral argument on the recommended findings, conclusions, decision, and order of the administrative law judge. A written request by a party must show good cause for oral argument and state reasons why arguments cannot be presented adequately in writing. A denial of a request for oral argument may be set forth in the NCUA Board's final decision. Oral argument before the NCUA Board must be on the record.

(c) *Final Decision of NCUA Board.* (1) Decisional employees may advise and assist the NCUA Board in the consideration and disposition of the case. The final decision of the NCUA Board will be based upon review of the entire record of the proceeding, except that the NCUA Board may limit the issues to be reviewed to those findings and conclusions to which opposing arguments or exceptions have been filed by the parties.

(2) The NCUA Board shall render a final decision within 90 days after notification of the parties that the case has been submitted for final decision, or 90 days after oral argument, whichever is later, unless the NCUA Board orders that the action or any aspect thereof be remanded to the administrative law judge for further proceedings. Copies of the final decision and order of the NCUA Board shall be served upon each party to the proceeding, upon other persons required by statute, and, if directed by the NCUA Board or required by statute, upon any appropriate state or Federal supervisory authority.

§ 747.41 Stays pending judicial review.

The commencement of proceedings for judicial review of a final decision and order of the NCUA Board may not, unless specifically ordered by the NCUA Board or a reviewing court, operate as a stay of any order issued by the NCUA Board. The NCUA Board may, in its discretion, and on such terms as it finds just, stay the effec-

tiveness of all or any part of its order pending a final decision on a petition for review of that order.

(b) In the event that a person producing documents pursuant to a document subpoena is permitted to be deposed, all questioning shall be strictly limited to the identification of documents produced by that person and a reasonable examination to determine whether the subpoenaed person made an adequate search for, and has produced, all subpoenaed documents.

Subpart C—Local Rules and Procedures Applicable to Proceedings for the Involuntary Termination of Insured Status

The procedure for terminating the insured status of an insured credit union as therein prescribed will be followed and hearings required thereunder will be conducted in accordance with the rules and procedures set forth in this subpart and subpart A of this part. To the extent any rule or procedure of subpart A is inconsistent with a rule or procedure prescribed in this subpart C, subpart C shall control.

§ 747.203 Notice of charges.

(a) Whenever the NCUA Board determines that grounds for termination of insured status exists, it will, for the purpose of securing correction of errant or illegal conditions, serve a notice of charges upon the concerned credit union. This notice will contain a statement describing the unsafe or unsound practices, condition or the relevant violations.

(b) In the case of an insured State-chartered credit union, the NCUA Board shall send a copy of the Notice of Charges to the appropriate State authority, if any, having supervision over the credit union.

§ 747.204 Notice of intention to terminate insured status.

Unless correction of the practices, condition, or violations set forth in the Notice of Charges is made within 120 days after service of such statement, or within a shorter period of not less than 20 days after such service as the NCUA Board may require in any case where it determines that the insurance risk with respect to such credit union could be unduly jeopardized by further delay or as the appropriate State supervisory authority shall require in the case of an insured State-chartered credit union, the Board, if it determines to proceed further, shall give to the credit union not less than 30 days written notice of its intent to terminate the status of the credit union as an insured credit union. The notice shall contain a statement of the facts constituting the alleged unsafe or unsound practices or conditions or violations on which a

hearing will be held. Such hearing shall commence not earlier than 30 days nor later than 60 days after the date of service of such notice upon the credit union, unless an earlier or later date is set by the NCUA Board at the request of the credit union.

§ 747.205 Order terminating insured status.

If, upon the record of the hearing held pursuant to § 747.204, the NCUA Board finds that any unsafe or unsound practice or condition or violation specified in the notice has been established and has not been corrected within the time prescribed under § 747.204, the NCUA Board may issue and serve upon the credit union an order terminating its status as an insured credit union on a date subsequent to the date of such finding and subsequent to the expiration of the time specified in the Notice.

§ 747.206 Consent to termination of insured status.

Unless the credit union appears at the hearing designated in the notice of hearing by a duly authorized representative, it will be deemed to have consented to the termination of its status as an insured credit union. In the event the credit union fails to so appear at such hearing, the administrative law judge shall forthwith report the matter to the NCUA Board and the NCUA Board may thereupon issue an order terminating the credit union's insured status.

§ 747.207 Notice of termination of insured status.

Prior to the effective date of the termination of the insured status of an insured credit union under section 206(b) of the Act (12 U.S.C. 1786(b)) and at such time as the Board shall specify, the credit union shall mail to each member at his or her last address of record on the books of the credit union, and publish in not less than two issues of a local newspaper of general circulation, notices of the termination of its insured status, and the credit union shall furnish the NCUA Board with proof of publication of such notice. The notice shall be as follows:

§ 747.208 Duties after termination.

(a) After the termination of the insured status of any credit union under section 206(b) of the Act (12 U.S.C. 1786(b)), insurance of its member accounts to the extent they were insured on the effective date of such termination, less any amounts thereafter withdrawn which reduce the accounts below the amount covered by insurance on the effective date of such termination, shall continue for a period of one year, but no shares issued by the credit union or deposits made after the date of such termination shall be insured by the NCUA Board.

§ 747.302 Rules of practice; remainder of board of directors.

Except as otherwise specifically provided in this subpart, the following provisions shall apply to proceedings conducted under this subpart:

(a)(1) *Power of attorney and notice of appearance.* Any person who is a member in good standing of the bar of the highest court of any State, possession, territory, Commonwealth, or the District of Columbia may represent others before the NCUA Board or Presiding Officer designated by the NCUA Board upon filing with the NCUA Board a written declaration that he or she is currently qualified as provided by this paragraph, and is authorized to represent the particular party or whose behalf he acts. Any other person desiring to appear before or transact business with the NCUA Board in a representative capacity may be required

to file with the NCUA Board a power of attorney showing his or her authority to act in such capacity, and he or she may be required to show to the satisfaction of the NCUA Board that he or she has the requisite qualifications. Attorneys and representatives of parties to proceedings shall file a written notice of appearance with the NCUA Board or with the Presiding Officer designated by the NCUA Board.

(2) *Summary suspension.* Contumacious conduct by any person at an argument before the NCUA Board or at the hearing before a Presiding Officer shall be grounds for exclusion therefrom and suspension for the duration of the argument or hearing.

(b)(1) *Notice of hearing.* Whenever a hearing within the scope of this subpart is ordered by the NCUA Board, a notice of hearing shall be given by the NCUA Board to the party afforded the hearing and to any appropriate state supervisory authority. The notice shall state the time, place, and nature of the hearing and the legal authority and jurisdiction under which the hearing is to be held, and shall contain a statement of the matters of fact or law constituting the grounds for the hearing. It shall be delivered by personal service, by registered or certified mail to the last known address, or by other appropriate means, not later than 30 nor earlier than 60 days before the hearing.

(2) *Party.* The term "party" means a person or agency named or admitted as a party, or any person or agency who has filed a written request and is entitled as of right to be admitted as a party; but a person or agency may be admitted for a limited purpose.

(c)(1) *Computation of time.* In computing any period of time prescribed or allowed by this subpart, the date of the act, event or default from which the designated period of time begins to run is not to be included. The last day so computed shall be included, unless it is a Saturday, Sunday or legal holiday in the District of Columbia, in which event the period shall run until the end of the next day which is neither a Saturday, Sunday, nor such legal holiday. Intermediate Saturdays, Sundays, and legal holidays shall be included in the computation unless the time within which the act is to be performed is ten

days or less in which event Saturdays, Sundays, and legal holidays shall not be included.

(2) *Service by mail.* Whenever any party has the right or is required to do some act or take some proceeding, within a period of time prescribed in this subpart, after the service upon him of any document or other paper of any kind, and such service is made by mail, three days shall be added to the prescribed period from the date when the matter served is deposited in the U.S. mail.

(d) *Nonpublication of submissions.* Unless and until otherwise ordered by the NCUA Board, the notice of hearing, the transcript, written materials submitted during the hearing, the Presiding Officer's recommendation to the NCUA Board and any other papers filed in connection with a hearing under this subpart, shall not be made public, and shall be for the confidential use only of the NCUA Board, the Presiding Officer, the parties and appropriate authorities.

(e) *Remainder of board of directors.* (1) If at any time, because of the suspension of one or more directors pursuant to this subpart, there shall be on the board of directors of an insured credit union less than a quorum of directors not so suspended, all powers and functions vested in or exercisable by such board shall vest in and be exercisable by the director or directors on the board not so suspended, until such time as there shall be a quorum on the board of directors.

(2) In the event all of the directors of an insured credit union are suspended pursuant to this subpart, the NCUA Board shall appoint persons to serve temporarily as directors in their place pending the termination of such suspensions, or until such time as those who have been suspended cease to be directors of the credit union and their respective successors have been elected by the members at an annual or special meeting and have taken office.

(3) Directors appointed temporarily by the NCUA Board pursuant to paragraph (e)(2) of this section, shall, within 30 days following their appointment, call a special meeting for the election of new directors, unless during such 30-day period—

§ 747.303

(i) The regular annual meeting is convened; or

(ii) The suspensions giving rise to the appointment of temporary directors are terminated.

§ 747.303 Notice of suspension or prohibition.

Whenever an institution-affiliated party of an insured credit union is charged in any state, Federal or territorial information or indictment or complaint with the commission of or participation in a crime involving dishonesty or breach of trust, which crime is punishable by imprisonment for a term exceeding one year under state or Federal law, the NCUA Board may, if continued service or participation by the concerned party may pose a threat to the interests of any credit union's members or may threaten to impair public confidence in any credit union, by written notice served upon such party, suspend him or her from office, or prohibit him or her from further participation in any manner in the affairs of any credit union, or both. A copy of the notice of suspension or prohibition shall also be served upon the credit union of which the subject of the order is, or most recently was, an institution-affiliated party.

[71 FR 67440, Nov. 22, 2006]

§ 747.304 Removal or permanent prohibition.

(a) In the event that a judgment of conviction or an agreement to enter a pretrial diversion or other similar program is entered against the institution-affiliated party, and at such time as the judgment, if any, is not subject to further appellate review, the NCUA Board may, if continued service or participation by such party may pose a threat to the interests of any credit union's members or may threaten to impair public confidence in any credit union, issue and serve upon the individual an order removing him or her from office or prohibiting him or her from further participation in any manner in the conduct of the affairs of any credit union except with the consent of the NCUA Board. A copy of such order will also be served upon the credit union of which the subject of the order

12 CFR Ch. VII (1–1–10 Edition)

is, or most recently was, an institution-affiliated party.

(b) The NCUA Board may issue such order with respect to an individual who is an institution-affiliated party at a credit union at the time of the offense without regard to whether such individual is an institution-affiliated party at any credit union at the time the order is considered or issued by the Board or whether the credit union at which the individual was an institution-affiliated party at the time of the offense remains in existence at the time the order is considered or issued by the board.

(c) A finding of not guilty or other disposition of the charge will not preclude the Board from thereafter instituting proceedings, pursuant to the provisions of section 206(g) of the Act (12 U.S.C. 1786(g)) and subpart A of this part, to remove such director, committee member, officer, or other person from office or to prohibit his or her further participation in the affairs of the credit union.

§ 747.305 Effectiveness of suspension or removal until completion of hearing.

Any notice of suspension or prohibition issued under § 747.303 and any order of removal or prohibition issued under § 747.304 will be effective upon service on the concerned party and will remain effective and outstanding until the completion of any hearing or appeal authorized under section 206(i) of the Act (12 U.S.C. 1786(i)) and this subpart, unless such notice of suspension or order of removal is terminated by the NCUA Board.

§ 747.306 Notice of opportunity for hearing.

(a) Any notice of suspension or prohibition issued pursuant to § 747.303, and any order of removal or prohibition issued pursuant to § 747.304, shall be accompanied by a further notice to the concerned individual that he or she may, within 30 days of service of such notice, request in writing an informal hearing at which he or she may present evidence and argument that his or her

continued service to or participation in the conduct of the affairs of the credit union does not, or is not likely to, pose a threat to the interests of the credit union's members or threaten to impair confidence in the credit union. Any notice of the opportunity for such a hearing shall be accompanied by a description of the hearing procedure and the criteria to be considered.

(b) A request for a hearing filed pursuant to paragraph (a) of this section shall state with particularity the relief desired, the grounds thereof, and shall include, when available, supporting evidence. The request and supporting evidence shall be filed in writing with the Secretary of the Board, National Credit Union Administration, 1775 Duke Street, Alexandria, VA 22314-3428.

[56 FR 37767, Aug. 8, 1991; 57 FR 523, Jan. 7, 1992, as amended at 59 FR 36041, July 15, 1994]

§ 747.307 Hearing.

(a) Upon receipt of a request for a hearing which complies with § 747.306, the NCUA Board will order an informal hearing to commence within the following 30 days in the Washington, DC metropolitan area or at such other place as the NCUA Board designates before a Presiding Officer designated by the NCUA Board to conduct the hearing. At the request of the concerned party, the NCUA Board may order the hearing to commence at a time more than 30 days after the receipt of the request for such hearing.

(b) The notice of hearing shall be served by the NCUA Board upon the party or parties afforded the hearing and shall set forth the time and place of the hearing and the name and address of the Presiding Officer.

(c) The subject individual may appear at the hearing personally, through counsel, or personally with counsel. The individual shall have the right to introduce relevant and material written materials (or, at the discretion of the NCUA Board, oral testimony), and to present an oral argument before the Presiding Officer. A member of the enforcement staff of the Office of General Counsel of the NCUA may attend the hearing and may participate as a party. Neither the formal rules of evidence nor the adjudicative procedures of the Administrative Procedure Act (5

U.S.C. 554-557), nor subpart A of this part shall apply to the hearing. The proceedings shall be recorded and a transcript furnished to the individual upon request and after the payment of the cost thereof. The NCUA Board shall have the discretion to permit the presentation of witnesses, within specified time limits, so long as a list of such witnesses is furnished to the Presiding Officer at least ten days prior to the hearing. Witnesses shall not be sworn, unless specifically requested by either party or directed by the Presiding Officer. The Presiding Officer may examine any witnesses and each party shall have the opportunity to cross-examine any witness presented by an opposing party. Upon the request of either the subject individual or the representative of the Office of General Counsel, the record shall remain open for a period of five business days following the hearing, during which time the parties may make any additional submissions to the record. Thereafter, the record shall be closed.

(d) In the course of or in connection with any proceeding under this subpart, the NCUA Board and the Presiding Officer will have the power to administer oaths and affirmations, to take or cause depositions to be taken, and to issue, revoke, quash, or modify subpoenas and subpoenas duces tecum. If the NCUA Board permits the presentation of witnesses, the NCUA Board or the Presiding Officer may require the attendance of witnesses from any place in any state or in any territory or other place subject to the jurisdiction of the United States at any designated place where such proceeding is being conducted. Witnesses subpoenaed shall be paid the same fees and mileage as are paid witnesses in the District Courts of the United States. The NCUA Board or the Presiding Officer may require the production of documents from any place in any such state, territory, or other place.

(e) The Presiding Officer will make his or her recommendations to the Board, where possible, within ten business days following the close of the record.

§ 747.308

12 CFR Ch. VII (1–1–10 Edition)

§ 747.308 Waiver of hearing; failure to request hearing or review based on written submissions; failure to appear.

(a) The subject individual may, in writing, waive an oral hearing and instead elect to have the matter determined by the NCUA Board on the basis of written submissions alone.

(b) Should any concerned party fail to request in writing an oral hearing or consideration based on written submissions alone within 30 days of service of the notice described in § 747.306, he or she will be deemed to have consented to the NCUA Board's action.

(c) Unless the concerned party appears at the hearing personally or by duly appointed representative, he or she will be deemed to have consented to the NCUA Board's action.

§ 747.309 Decision of the NCUA Board.

Within 60 days following the hearing, or receipt of the subject individual's written submissions where hearing has been waived pursuant to § 747.308, the NCUA Board shall notify the institution-affiliated party whether the suspension or prohibition will be continued, terminated, or otherwise modified, or whether the order of removal or prohibition will be rescinded or otherwise modified. Such notification shall contain a statement of the basis for the decision of the NCUA Board, if that decision is adverse to the respondent party. In the case of a decision favorable to the respondent on the subject of a prior order of removal or prohibition, the NCUA Board shall take prompt action to rescind or otherwise modify the order of removal or prohibition.

§ 747.310 Reconsideration by the NCUA Board.

(a) The subject individual shall have ten business days following receipt of the decision of the NCUA Board in which to petition the NCUA Board for initial reconsideration.

(b) The subject individual also shall be entitled to petition the NCUA Board for reconsideration of its decision any time after the expiration of a 12-month period from the date of the NCUA Board's decision, but no petition for reconsideration may be made within 12 months of a previous petition.

(c) Any petition shall state with particularity the basis for reconsideration, the relief sought, and any exceptions the individual has to the NCUA Board's findings. An individual's petition may be accompanied by a memorandum of points and authorities in support of his or her petition and any supporting documentation the individual may wish to have considered.

(d) No hearing need be granted on such petition for reconsideration. Promptly following receipt of the petition, the Board shall render its decision.

§ 747.311 Relevant considerations.

In deciding the question of suspension, prohibition, or removal under this subpart, the NCUA Board will consider the following:

(a) Whether the alleged offense is a crime which is punishable by imprisonment for a term exceeding one year under state or Federal law, and which involves dishonesty or breach of trust;

(b) Whether the continued presence of the subject individual in his or her position may pose a threat to the interests of the credit union's members because of the nature and extent of the individual's participation in the affairs of the insured credit union and/or the nature of the offense with the commission of or participation in which the individual has been charged;

(c) Whether there is cause to believe that there may be an erosion of public confidence in the integrity, safety, or soundness of a particular credit union (either generally or in the particular locality in which the credit union is situated) if the subject individual is permitted to remain in his or her position in an insured credit union;

(d) Whether the individual is covered by the credit union's fidelity bond and, if so, whether the bond is likely to be revoked, or whether coverage under the bond will be affected adversely as a result of the information, indictment, complaint, judgment of conviction or entry into a pretrial diversion or other similar program; and

(e) The NCUA Board may consider any other factors which, in the specific case, appear relevant to the decision to continue in effect, rescind, terminate, or modify a suspension, prohibition, or

removal order, except that it shall not consider the ultimate question of the guilt or innocence of the subject individual with regard to the crime with which he or she has been charged.

Subpart E—Local Rules and Procedures Applicable to Proceedings Relating to the Suspension or Revocation of Charters and to Involuntary Liquidations Under Title I

§ 747.401 Scope.

The rules and procedures set forth in this subpart and subpart A of this part are applicable to proceedings by the NCUA Board pursuant to section 120(b)(1) of the Act (12 U.S.C. 1766(b)(1)) to suspend or revoke the charter of a solvent Federal credit union, and to place a solvent Federal credit union into involuntary liquidation. To the extent a rule or procedure set forth in subpart A of this part is inconsistent with a rule or procedure set forth in this subpart E, subpart E shall control.

[56 FR 37767, Aug. 8, 1991; 57 FR 523, Jan. 7, 1992]

§ 747.402 Grounds for suspension or revocation of charter and for involuntary liquidation.

(a) *Grounds in general.* The NCUA Board may suspend or revoke the charter of any Federal credit union, and place such credit union into involuntary liquidation and appoint a liquidating agent therefor, upon its finding that the credit union has violated any provision of its charter or bylaws or of the FCUA or regulations issued thereunder.

(b) *Immediate suspension.* In any case where the Board determines that the grounds set forth in paragraph (a) of this section exist and that immediate action is necessary in order to prevent further dissipation or credit union assets or earnings, or further weakening of the credit union's condition, or to otherwise protect the interest of the credit union's insured members or the National Credit Union Share Insurance Fund, it may order without prior notice the immediate suspension of the charter of such credit union, and if the circumstances so warrant, may take

possession of all books, records, assets, and property of every description of such credit union.

§ 747.403 Notice of intent to suspend or revoke charter; notice of suspension.

(a) Upon its determination that one or more of the grounds listed in § 747.402(a) exists, or that because of conditions described in § 747.402(b) immediate suspension of charter is necessary, the NCUA Board shall cause to be served upon that credit union a notice of intent to suspend or revoke charter and of intent to place into involuntary liquidation, or a notice of suspension. Such notice shall contain a statement of the facts which constitute the grounds for this action, a recitation of the options available to the credit union under paragraph (b) of this section, and an explanation of the results that will occur if the credit union fails to exercise said options.

(b) Not later than 40 days after the receipt of the notice provided for in paragraph (a) of this section, the Federal credit union may file with the NCUA Board a statement in writing setting forth the grounds and reasons why its charter should not be suspended or revoked and why it should not be placed into involuntary liquidation; or in lieu of a written statement, request an oral hearing which shall be conducted in accordance with the procedures set forth in this subpart. This statement or request shall be accompanied by a certified copy of a resolution of the board of directors of the Federal credit union concerned authorizing such statement or request, such certification to be made by the president and secretary of the board of directors.

(c) If the Federal credit union concerned does not exercise either alternative available in paragraph (b) of this section within the time required, it shall be deemed to have admitted the facts alleged in the notice and may be deemed to have consented to the relief sought.

§ 747.404 Notice of hearing.

(a) Upon receipt of a request for hearing which complies with § 747.403(b), the NCUA Board shall transmit the request

§ 747.405

to the Office of Financial Institution Adjudication ("OFIA"). Such hearing shall commence no earlier than 30 days nor later than 60 days after the date the OFIA receives the request for a hearing, unless an earlier or later date is requested by the Federal credit union concerned and is granted by the NCUA Board in its discretion.

(b) Except as provided in § 747.405(b), the procedures of the Administrative Procedure Act (5 U.S.C. 554-557) and subpart A of this part will apply to the hearing.

(c) Unless the Federal credit union shall appear at such hearing by a duly authorized representative it shall be deemed to have consented to the suspension or revocation of its charter and to the placing of said credit union into involuntary liquidation.

§ 747.405 Issuance of order.

(a) In the event of such consent as referred to in § 747.403(c) or § 747.404(c), or if upon the record made at any such hearing as referred to in § 747.403(b), the NCUA Board finds that the charter of the Federal credit union concerned should be suspended or revoked and the credit union closed and placed into involuntary liquidation, it shall cause to be served on such credit union an order directing the suspension or revocation of its charter and directing that it be closed and placed into involuntary liquidation. Such order shall contain a statement of the findings upon which the order is based. Additionally, the NCUA Board shall appoint a liquidating agent or agents.

(b) The NCUA Board shall render its decision and cause such order to be served not later than 45 days after receipt of consent, or written submissions as the case may be, or in the case of a formal hearing after service or the notice of submission referred to in § 747.40(a).

(c) Upon the receipt of a copy of the order which provides that the Federal credit union concerned be placed into involuntary liquidation, the officers and directors of that Federal credit union shall immediately deliver to the agent for the liquidating agent possession and control of all books, records, assets, and property of every description of the Federal credit union, and

12 CFR Ch. VII (1-1-10 Edition)

the agent for the liquidating agent shall proceed to convert said assets to cash, collect all debts due to said Federal credit union and to wind up its affairs in accordance with the provisions of the Act.

[56 FR 37767, Aug. 8, 1991; 57 FR 523, Jan. 7, 1992]

§ 747.406 Cancellation of charter.

Upon the completion of the liquidation and certification by the agent for the liquidating agent that the distribution of the assets of the Federal credit union has been completed, the NCUA Board shall cancel the charter of the Federal credit union concerned.

Subpart F—Local Rules and Procedures Applicable to Proceedings Relating to the Termination of Membership in the Central Liquidity Facility [Reserved]

Subpart G—Local Rules and Procedures Applicable to Recovery of Attorneys Fees and Other Expenses Under the Equal Access to Justice Act in NCUA Board Adjudications

§ 747.601 Purpose and scope.

This subpart contains the regulations of the NCUA implementing the Equal Access to Justice Act (5 U.S.C. 504), as amended ("EAJA"). The EAJA provides for the award of attorneys fees and other expenses to eligible individuals and entities who are parties to proceedings conducted under this part. An eligible party may receive an award when it prevails over NCUA in a proceeding, or in a significant and discrete substantive portion of the proceeding, unless the position of the NCUA was substantially justified or special circumstances make an award unjust. The rules in this subpart describe the parties eligible for fee awards, explain how to apply for awards and the procedures and standards that NCUA will use to make them. To the extent a rule or procedure set forth in subpart A of this part is inconsistent with a rule or procedure set forth in this subpart G, subpart G will control.

§ 747.602 Eligibility of applicants.

(a) To be eligible for an award of attorneys fees and expenses, an applicant must be a prevailing party in the proceeding for which it seeks an award and must be:

(1) An individual with a net worth of not more than \$2 million;

(2) The sole owner of an unincorporated business who has a net worth of not more than \$7 million, including both personal and business interests and not more than 500 employees at the time the proceeding was commenced (an applicant who owns an unincorporated business will be considered as an “individual” rather than a “sole owner of an unincorporated business” if the issues on which the applicant prevails are related primarily to personal interests rather than to business interests);

(3) A charitable or other tax-exempt organization described in section 501(c)(3) of the Internal Revenue Code (26 U.S.C. 501(c)(3)) with not more than 500 employees;

(4) A cooperative association as defined in section 15(a) of the Agricultural Marketing Act (12 U.S.C. 1141j(a)) with not more than 500 employees; or

(5) Any other partnership, corporation, association, or public or private organization with a net worth of not more than \$7 million and not more than 500 employees.

(b) For the purpose of determining eligibility, the net worth of an applicant and the number of employees of an applicant shall be determined as of the date the proceeding was initiated.

(c) The applicant's net worth includes the value of any assets disposed of for the purpose of meeting an eligibility standard and excludes any obligations incurred for this purpose. Transfers of assets or obligations incurred for less than reasonably equivalent value will be presumed to have been made for this purpose.

(d) The employees of an applicant include all persons who regularly perform services for remuneration for the applicant, under the applicant's direction and control; part-time employees shall be included on a proportional basis.

(e) The net worth and number of employees of the applicant and all of its

affiliates shall be aggregated to determine eligibility. Any individual, corporation or other entity that directly or indirectly controls or owns a majority of the voting shares or other interest of the applicant, or any corporation or other entity of which the applicant directly or indirectly owns or controls a majority of the voting shares or other interest, will be considered an affiliate for purposes of this subpart, unless the NCUA Board determines that such treatment would be unjust and contrary to the purposes of the EAJA in light of the actual relationship between the affiliated entities. In addition, the NCUA board may determine that financial relationships of the applicant other than those described in this paragraph constitute special circumstances that would make an award unjust.

(f) An applicant that participates in a proceeding primarily on behalf of one or more other persons or entities that would be ineligible is not itself eligible for an award.

§ 747.603 Prevailing party.

An eligible applicant may be a “prevailing party” if the applicant wins an action after a full hearing or trial on the merits, if a settlement of the proceeding was effected on terms favorable to it, or if the proceeding against it has been dismissed. In appropriate situations an applicant may also have prevailed if the outcome of the proceeding has substantially vindicated the applicant's position on the significant substantive matters at issue, even though the applicant has not totally avoided adverse final action.

§ 747.604 Standards for award.

(a) A prevailing party may receive an award for fees and expenses incurred in connection with a proceeding, or in a significant and discrete substantive portion of the proceeding, by or against NCUA unless the position of NCUA during the proceeding was substantially justified. The burden of proving that an award should not be made is on counsel for NCUA. To avoid an award, counsel for NCUA must show that its position was reasonable in law and in fact.

§ 747.605

(b) An award will be reduced or denied if the applicant has unduly or unreasonably protracted the proceeding or if special circumstances make the award sought unjust.

(c) Where an applicant has prevailed on one or more discrete substantive issues in a proceeding, even though all the issues were not resolved in its favor, any award shall be based on the fees and expenses incurred in connection with the discrete significant substantive issue or issues on which the applicant's position has been upheld. If such segregation of costs is not practicable, the award may be based on a fair proration of those fees and expenses incurred in the entire proceeding which would be recoverable under this section if proration were not performed.

(d) Whether separate or prorated treatment under the preceding paragraph, including the applicable proration percentage, is appropriate shall be determined on the facts of the particular case. Attention shall be given to the significance and nature of the respective issues and their separability and interrelationship.

§ 747.605 Allowable fees and expenses.

(a) Except as provided by § 747.604(b), awards will be based on rates customarily charged by persons engaged in the business of acting as attorneys, agents and expert witnesses, even if the services were made available without charge or at a reduced rate.

(b) No award under this subpart for the fee of an attorney or agent may exceed \$75.00 per hour. No award to compensate an expert witness may exceed the highest rate at which NCUA is permitted to pay expert witnesses. However, an award may also include the reasonable expenses of the attorney, agent or witness as a separate item, if the attorney, agent or witness ordinarily charges clients separately for such expenses.

(c) In determining the reasonableness of the fee sought for an attorney, agent, or expert witness, the NCUA Board shall consider the following:

(1) If the attorney, agent, or expert witness is in private practice, his or her customary fee for like services, or, if he or she is an employee of the appli-

12 CFR Ch. VII (1-1-10 Edition)

cant, the fully allocated cost of the services;

(2) The prevailing rate for similar services in the community in which the attorney, agent, or expert witness ordinarily performs services;

(3) The time actually spent in the representation of the applicant;

(4) Such other factors as may bear on the value of the services provided.

(d) The reasonable cost of any study, analysis, report, test, project, or similar matter prepared on behalf of the party may be awarded to the extent that the charge for the service does not exceed the prevailing rate for similar services, and the study or other matter was necessary for preparation of the applicant's case.

§ 747.606 Contents of application.

(a) A prevailing eligible party, as defined in §§ 747.602, 747.603, and 747.604, seeking an award under this section, must file an application for an award of fees and expenses with the Secretary of the NCUA Board. The application shall include the following information:

(1) The identity of the applicant and the proceeding for which an award is sought;

(2) A showing that the applicant has prevailed and an identification of the issues in the proceeding on which the applicant believes that the position of NCUA was not substantially justified;

(3) A statement, with supporting documentation, that the applicant is an eligible party, as defined by § 747.602. If the applicant is an individual, he or she must state that his or her net worth does not exceed \$2 million. If the applicant is not an individual, it shall state the number of its employees and that its net worth does not exceed \$7 million as of the date the proceeding was initiated. However, an applicant may omit a statement of net worth if:

(i) It attaches a copy of a ruling by the Internal Revenue Service that it qualifies as an organization described in section 501(c)(3) of the Internal Revenue Code (26 U.S.C. 501(c)(3)) or, in the case of a tax-exempt organization not required to obtain a ruling from the Internal Revenue Service on its exempt status, a statement that describes the basis for the applicant's belief that it qualifies under such section; or

(ii) It states that it is a cooperative association as defined in section 15(a) of the Agricultural Marketing Act (12 U.S.C. 1141j(a));

(4) A Statement of the amount of fees and expenses for which an award is sought; and

(5) Any other matters that the applicant believes may assist or wishes the NCUA Board to consider in determining whether and in what amount an award should be made.

(b) The application shall be signed by the applicant or an authorized officer or attorney of the applicant. It shall also contain or be accompanied by a written verification under oath or under penalty of perjury that the information provided in the application is true and correct.

(c) The application and documentation requirements of this subpart are required by law as a prerequisite to obtaining a benefit under the EAJA and this subpart.

[56 FR 37767, Aug. 8, 1991; 57 FR 523, Jan. 7, 1992]

§ 747.607 Statement of net worth.

(a) Each applicant (other than a qualified tax exempt organization or cooperative association) must provide a detailed statement showing the net worth of the applicant and any affiliates, as defined in § 747.602(a), when the proceeding was initiated. The exhibit may be in any form convenient to the applicant that provides full disclosure of the applicant's and its affiliates' assets and liabilities and is sufficient to determine whether the applicant is an eligible party. The administrative law judge or the NCUA Board may require additional information from the applicant to determine eligibility. Unless otherwise ordered by the Board or required by law, the statement shall be kept confidential and used by the NCUA Board only in making its determination of an award.

(b) If the applicant or any of its affiliates is a Federal credit union, the portion of the statement of net worth which relates to the Federal credit union shall consist of a copy of the Federal credit union's last Statement of Financial Condition filed before the initiation of the underlying proceeding.

(c) All statements of net worth shall describe any transfers of assets from or obligations incurred by the applicant or any affiliate, occurring in the six-month period prior to the date on which the proceeding was initiated, which reduced the net worth of the applicant and its affiliates below the applicable net-worth ceiling. If there were none, the applicant shall so state.

§ 747.608 Documentation of fees and expenses.

The application shall be accompanied by full documentation of the fees and expenses, including the cost of any study, analysis, audit, test, project or similar matter, for which an award is sought. A separate itemized statement shall be submitted for each professional firm or individual whose services are covered by the application, showing hours spent in connection with the proceeding by each individual, a description of the specific services performed, the rate at which each fee has been computed, any expenses for which reimbursement is sought, the total amount claimed, and the total amount paid or payable by the applicant or by any other person or entity for the services provided. The administrative law judge or the NCUA Board may require the applicant to provide vouchers, receipts, or other substantiation for any expenses claimed.

§ 747.609 Filing and service of applications.

(a) An application may be filed whenever the applicant has prevailed in the proceeding or in a significant and discrete substantive portion of the proceeding, but in no case later than 30 days after the Board's final disposition of the proceeding.

(b) If review or reconsideration is sought or taken of a decision on which an applicant believes it has prevailed, proceedings for the award of fees shall be stayed pending final disposition of the underlying controversy.

(c) As used in this subpart, final disposition means the issuance of a final order or any other final resolution of a proceeding, such as a settlement or voluntary dismissal.

(d) Any application for an award of fees and expenses shall be filed with

§ 747.610

the Secretary of the Board, National Credit Union Administration, 1775 Duke Street, Alexandria, VA 22314-3428. Any application for an award and any other pleading or document related to an application, shall be filed and served on all parties to the proceeding in the same manner as other pleadings in the proceeding, except as provided in § 747.607(a) for statements of net worth.

[56 FR 37767, Aug. 8, 1991, as amended at 59 FR 36041, July 15, 1994]

§ 747.610 Answer to application.

(a) Within 30 days after service of an application, counsel for NCUA may file an answer to the application. Unless counsel for NCUA requests and is granted an extension of time for filing or files a statement of intent to negotiate under paragraph (b) of this section, failure to file an answer within the 30-day period will be treated as a consent to the award requested.

(b) If counsel for NCUA and the applicant believe that the issues in the fee application can be settled, they may jointly file a statement of their intent to negotiate a settlement. The filing of this statement shall extend the time for filing an answer for an additional 30 days, and further extensions may be granted by the NCUA Board upon the joint request of counsel for NCUA and the applicant.

(c) The answer shall explain in detail any objections to the award requested and identify the facts relied on in support of counsel's position. If the answer is based on any alleged facts not already in the record of the proceeding, counsel shall include with the answer a request for further proceedings under § 747.613.

(d)(1) The applicant may file a reply if counsel for NCUA has addressed in his or her answer any of the following issues:

- (i) That the position of NCUA in the proceeding was substantially justified;
- (ii) That the applicant unduly protracted the proceedings; or
- (iii) That special circumstances make an award unjust.

(2) The reply shall be filed within 15 days after service of the answer. If the reply is based on any alleged facts not already in the record of the proceeding, the applicant shall include with the

12 CFR Ch. VII (1-1-10 Edition)

reply a request for further proceedings under § 747.613.

§ 747.611 Comments by other parties.

Any party to a proceeding other than the applicant and counsel for NCUA may file comments on an application within 30 days after service of the application or on an answer within 15 days after service of the answer. A commenting party may not participate further in proceedings on the application unless the administrative law judge or the NCUA Board determines that the public interest requires such participation in order to permit full exploration of matters raised in the comment.

§ 747.612 Settlement.

The applicant and counsel for NCUA may agree on a proposed settlement of the award before final action on the application, either in connection with a settlement of the underlying proceeding, or after the underlying proceeding has been concluded, in accordance with NCUA's standard settlement procedure. If a prevailing party and counsel for NCUA agree on a proposed settlement of an award before an application has been filed, the application shall be filed with the proposed settlement.

§ 747.613 Further proceedings.

(a) After the expiration of the time allowed for the filing of all documents necessary for the determination of a recommended fee award, the NCUA Board shall transmit the entire record to the administrative law judge who presided at the underlying proceeding. Ordinarily, the determination of an award will be made on the basis of the written record. However, on request of either the applicant or counsel for NCUA, or on its own initiative, the administrative law judge or the NCUA Board may order further proceedings, such as an informal conference, oral argument, additional written submissions or an evidentiary hearing. Such further proceedings shall be held only when necessary for full and fair resolution of the issues arising from the application, and shall be conducted as promptly as possible.

National Credit Union Administration

§ 747.702

(b) A request that the administrative law judge or the NCUA Board order further proceedings under this section shall specifically identify the information sought or the disputed issues and shall explain why the additional proceedings are necessary to resolve the issues.

§ 747.614 Recommended decision.

The administrative law judge shall file a recommended decision on the application with the NCUA Board within 60 days after completion of the proceedings on the application. The recommended decision shall include written findings and conclusions on the applicant's eligibility and status as a prevailing party, and an explanation of the reasons for any difference between the amount requested and the amount awarded. The recommended decision shall also include, if at issue, findings on whether NCUA's position was substantially justified, whether the applicant unduly protracted the proceedings, or whether special circumstances make an award unjust. If the applicant has sought an award against more than one agency, the recommended decision shall allocate responsibility for payment of any award made among the agencies, and shall explain the reasons for the allocation made. The administrative law judge shall file with and certify to the NCUA Board the record of the proceeding on the fee application, the recommended decision and proposed order. Promptly upon such filing, the NCUA Board shall serve upon each party to the proceeding a copy of the administrative law judge's recommended decision, findings, conclusions and proposed order. The provisions of this section and § 747.613 shall not apply, however, in any case where the hearing was held before the NCUA Board.

§ 747.615 Decision of the NCUA Board.

Within 15 days after service of the recommended decision, findings, conclusions, and proposed order, the applicant or counsel for NCUA may file with the NCUA Board written exceptions thereto. A supporting brief may also be filed. The NCUA Board shall render its decision within 60 days after the matter is submitted to it. The NCUA Board

shall furnish copies of its decision and order to the parties. Judicial review of the NCUA Board's final decision and order may be obtained as provided in 5 U.S.C. 504(c)(2).

§ 747.616 Payment of award.

An applicant seeking payment of an award granted by the NCUA Board shall submit to the NCUA's Office of the Controller a copy of the NCUA Board's Final Decision and Order granting the award, accompanied by a statement that it will not seek review of the decision and order in the United States court. All submissions shall be addressed to the Office of the Controller, National Credit Union Administration, 1775 Duke Street, Alexandria, VA 22314-3428. The NCUA will pay the amount awarded within 60 days after receiving the applicant's statement, unless judicial review of the award or of the underlying decision of the adversary adjudication has been sought by the applicant or any other party to the proceeding.

Subpart H—Local Rules and Procedures Applicable to Investigations

§ 747.701 Applicability.

The rules in this subpart apply only to informal and formal investigations conducted by the NCUA Board itself or its delegates. They do not apply to adjudicative or rulemaking proceedings or to routine, periodic or special examinations conducted by the NCUA Board's staff.

§ 747.702 Information obtained in investigations.

Information and documents obtained by the Board in the course of any investigation, unless made a matter of public record by the NCUA Board, shall be deemed non-public, but the NCUA Board approves the practice whereby the General Counsel may engage in, and may authorize any person acting on his or her behalf or at his or her direction to engage in, discussions with representatives of domestic or foreign

§ 747.703

governmental authorities, self-regulatory organizations, and with receivers, trustees, masters and special counsels or special agents appointed by and subject to the supervision of the courts of the United States, concerning information obtained in individual investigations, including investigations conducted pursuant to any order entered by the NCUA Board or its General Counsel pursuant to delegated authority.

§ 747.703 Authority to conduct investigations.

(a) The General Counsel and persons acting on his or her behalf and at his or her direction may conduct such investigations into the affairs of any insured credit union or institution-affiliated parties as deemed appropriate to determine whether such credit union or party has violated, is violating or is about to violate any provision of the Act, the NCUA Board's regulations or other relevant statutes or regulations that may bear on a party's fitness to participate in the affairs of a credit union. The General Counsel and persons acting on his or her behalf may investigate whether any party is unfit to participate in the affairs of a credit union, whether formal enforcement proceedings are warranted, or such other matters as the General Counsel or his or her designee, in his or her discretion, shall deem appropriate. Such investigations may be conducted either informally or formally.

(b) Formal investigations involve the exercise of the NCUA Board's subpoena power and are referred to here as formal investigative proceedings. In formal investigative proceedings, the General Counsel and those to whom he or she delegates authority to act on his or her behalf and at his or her direction have augmented investigatory powers and need not rely on the powers available to them in informal investigations, and they may gather evidence through the issuance of subpoenas compelling the production of documents or testimony as well. In informal investigations evidence may be gathered ordinarily through the use of investigatory procedures or credit union examinations and through voluntary statements and submissions.

12 CFR Ch. VII (1-1-10 Edition)

(c) The NCUA Board has delegated authority to the General Counsel, or designee thereof, to institute formal investigative proceedings by the entry of an order indicating the purpose of the investigation and the designation of persons to conduct that investigation on his or her behalf and at his or her direction. This delegation also extends to the NCUA Board's role as liquidator and conservator of insured credit unions. The power to issue a subpoena may not be delegated outside the agency. The General Counsel may amend such order as he deems appropriate.

Subpart I—Local Rules Applicable to Formal Investigative Proceedings

§ 747.801 Applicability.

The rules in this subpart are applicable to a witness who is sworn in a formal investigative proceeding. Formal investigative proceedings may be held before the NCUA Board, before one or more of its members, or before any officer designated by the NCUA Board or its General Counsel, as described in subpart H of this part, and with or without the assistance of such other counsel as the NCUA Board deems appropriate, for the purpose of taking testimony of witnesses, conducting an investigation and receiving other evidence. The term "officer conducting the investigation" shall mean any of the foregoing.

§ 747.802 Non-public formal investigative proceedings.

Unless otherwise ordered by the NCUA Board, all formal investigative proceedings shall be non-public.

§ 747.803 Subpoenas.

(a) *Issuance.* In the course of a formal investigative proceeding the officer conducting the investigation may issue a subpoena directing the party named therein to appear before the officer conducting the investigation at a specified time and place to testify or to produce documentary evidence, or

National Credit Union Administration

§ 747.805

both, relating to any matter under investigation.

(b) *Service.* Service of subpoenas shall be effected in the following manner:

(1) *Service upon a natural party.* Delivery of a copy of a subpoena to a natural person may be effected by—

- (i) Handing it to the person;
- (ii) Leaving it at his or her office with the person in charge thereof or, if there is no one in charge, by leaving it at a conspicuous place there;
- (iii) Leaving it at his or her dwelling place or usual place of abode with some person of suitable age and discretion who is found there; or

(iv) Mailing it to be registered or certified mail to him or her at his or her last known address. In the event that personal service as described in this paragraph is impracticable, any other method whereby actual notice is given to the respondent may be employed.

(2) *Service upon other persons.* When the person to be served is not a natural person, delivery of a copy of the subpoena may be effected by—

- (i) Handing it to a registered agent for service, or to any officer, director, or agent in charge of any office of such person;
- (ii) Mailing it by registered or certified mail to any such representative at his or her last known address; or
- (iii) Any other method whereby actual notice is given to any such representative.

(c) *Witness fees and mileage.* Witnesses appearing pursuant to subpoena shall be paid the same fees and mileage that are paid to witnesses in the United States district courts. Any such fees and mileage payments need be paid only upon submission of a properly completed application for reimbursement and in no event need they be paid sooner than 30 days after the appearance of the witness pursuant to subpoena.

(d) *Enforcement.* Whenever it appears to the General Counsel that any person upon whom a subpoena was properly served pursuant to these Rules is refusing to fully comply with the terms of that subpoena, then the General Counsel, in his or her discretion, may apply

to the courts of the United States for enforcement of such subpoena.

[56 FR 37767, Aug. 8, 1991; 57 FR 523, Jan. 7, 1992]

§ 747.804 Oath; false statements.

At the discretion of the officer conducting the investigation, testimony of a witness may be taken under oath and administered by the officer. Any person making false statements under oath during the course of a formal investigative proceeding is subject to the criminal penalties for perjury in 18 U.S.C. 1621. Any person who knowingly and willfully makes false and fraudulent statements, whether under oath or otherwise, or who falsifies, conceals or covers up any material fact, or submits any false, fictitious or fraudulent information in connection with such a proceeding, is subject to the criminal penalties set forth in 18 U.S.C. 1001.

§ 747.805 Self-incrimination; immunity.

(a) *Self-incrimination.* Except as provided in paragraph (b) of this section, a witness testifying or otherwise giving information in a formal investigative proceeding may refuse to answer questions on the basis of his or her right against self-incrimination granted by the Fifth Amendment of the Constitution of the United States.

(b) *Immunity.* (1) No officer conducting any formal investigative proceeding (or any other informal investigation or examination) shall have the power to grant or promise any party any immunity from criminal prosecution under the laws of the United States or of any other jurisdiction.

(2) If the NCUA Board believes that the testimony or other information sought to be obtained from any party may be necessary to the public interest and that party has refused or is likely to refuse to testify or provide other information on the basis of his or her privilege against self-incrimination, the NCUA Board, with the approval of the Attorney General, may issue an order requiring the party to give testimony or provide other information that he or she has previously refused to provide on the basis of self-incrimination.

(3) Whenever a witness refuses, on the basis of his privilege against self-

incrimination, to testify or provide other information in a formal investigative proceeding, and the officer conducting the investigation communicates to that person an order of the NCUA Board requiring him or her to testify or provide other information, the witness may not refuse to comply with the order on the basis of his or her privilege against self-incrimination; but no testimony or other information compelled under the order (or any information directly or indirectly derived from such testimony or other information) may be used against the witness in any criminal case, except a prosecution for perjury, giving a false statement, or otherwise failing to comply with the order.

§ 747.806 Transcripts.

Transcripts, if any, of formal investigative proceedings shall be recorded solely by the official reporter, or by any other person or means designated by the officer conducting the investigation. A party who has submitted documentary evidence or testimony in a formal investigative proceeding shall be entitled, upon written request, to procure a copy of his or her documentary evidence or a transcript of his or her testimony on payment of the appropriate fees; provided, however, that in a non-public formal investigative proceeding the NCUA Board may for good cause deny such request or the NCUA Board may place reasonable limitations upon the use of the documentary evidence and transcript. In any event, any witness, upon proper identification, shall have the right to inspect the official transcript of the witness's own testimony.

§ 747.807 Rights of witnesses.

(a) In the event that a formal investigative proceeding is conducted pursuant to a specific order entered by the NCUA Board or by its General Counsel, then any party who is compelled or requested to provide documentary evidence or testimony as part of such proceeding shall, upon request, be shown a copy of the NCUA Board's or its delegate's order. Copies of such orders shall not be provided for their retention to such persons requesting same except in

the sole discretion of the General Counsel or his designee.

(b) Any party compelled to appear, or who appears by request or permission of the officer conducting the investigation, in person at a formal investigative proceeding may be accompanied, represented and advised by counsel who is a member of the bar of the highest court of any state; provided however, that all witnesses in such proceeding shall be sequestered, and unless permitted in the discretion of the officer conducting the investigation, no witness or the counsel accompanying any such witness shall be permitted to be present during the examination of any other witness called in such proceeding.

(c)(1) The right of a witness to be accompanied, represented and advised by counsel shall mean the right to have an attorney present during any formal investigative proceeding and to have the attorney—

(i) Advise such person before, during and after such testimony;

(ii) Question such person briefly at the conclusion of his testimony to clarify any answers such person has given; and

(iii) Make summary notes during such testimony solely for the use of such person.

(2) From time to time, in the discretion of the officer, it shall be necessary for persons other than the witness and his or her counsel to attend non-public investigative proceedings. For example, the officer may deem it appropriate that outside counsel to the NCUA Board attend and advise him or her concerning the proceeding including the examination of a particular witness. In these circumstances, outside counsel would not be an officer as that term is used. In other circumstances, it may be appropriate that a technical expert (such as an accountant) accompany the witness and his or her counsel in order to assist counsel in understanding technical issues. These latter circumstances should be rare, are left to the discretion of the officer conducting the investigation, and shall not in any event be allowed to serve as a ruse to coordinate testimony between witnesses, to oversee or supervise the testimony of any witnesses, or

National Credit Union Administration

§ 747.904

otherwise defeat the beneficial effects of the witness sequestration rule.

(d) The officer conducting the investigation may report to the NCUA Board any instances where any witness or counsel has been guilty of dilatory, obstructionist or contumacious conduct during the course of a formal investigative proceeding or any other instance of violations of these rules. The NCUA Board will thereupon take such further action as the circumstance may warrant including barring the offending person from further participation in the particular formal investigative proceeding or even from further practice before the Board.

Subpart J—Local Procedures and Standards Applicable to a Notice of Change in Senior Executive Officers, Directors of Committee Members Pursuant to Section 212 of the Act

§ 747.901 Scope.

The rules and procedures set forth in this subpart shall apply to the notice filed by a credit union pursuant to section 212 of the Act (12 U.S.C. 1790a) and § 701.14 of this chapter, for the consent of the NCUA to add to or replace an individual on the board of directors or supervisory or credit committee, or to employ any individual as a senior executive officer or change the responsibilities of any individual to a position of senior executive officer where the credit union either has been chartered less than 2 years; or is in “troubled condition,” as defined in § 701.14 of this chapter. Subpart A of this part shall not apply to any proceeding under this subpart.

[56 FR 37767, Aug. 8, 1991; 57 FR 523, Jan. 7, 1992, as amended at 60 FR 31911, June 19, 1995]

§ 747.902 Grounds for disapproval of notice.

The NCUA Board or its designee may issue a notice of disapproval with respect to a notice submitted by a credit union pursuant to section 212 of the Act (12 U.S.C. 1790a) and § 701.14 of this chapter, where the competence, experience character or integrity of the individual with respect to whom such no-

tice is submitted indicates that it would not be in the best interest of the members of the credit union or the public to permit the individual to be employed by or associated with, such credit union.

[56 FR 37767, Aug. 8, 1991; 57 FR 523, Jan. 7, 1992, as amended at 60 FR 31911, June 19, 1995]

§ 747.903 Procedures where notice of disapproval issued; reconsideration.

(a) The notice of disapproval shall be served upon the federally insured credit union and the candidate for director, committee member or senior executive officer. The notice of disapproval shall:

(1) Summarize or cite the relevant consideration specified in § 747.902;

(2) Inform the individual and the credit union that, within 15 days of receipt of the notice of disapproval, they can request reconsideration by the Regional Director of the initial determination, or can appeal the determination directly to the NCUA Board;

(3) Specify what additional information, if any, must be considered in the reconsideration.

(b) The request for reconsideration by the Regional Director must be filed at the appropriate Regional Office.

(c) The Regional Director shall act on a request for reconsideration within 30 days of its receipt.

[56 FR 37767, Aug. 8, 1991; 57 FR 523, Jan. 7, 1992]

§ 747.904 Appeal.

(a) *Time for filing.* Within 15 days after issuance of a Notice of Disapproval or a determination on a request for reconsideration by the Regional Director, the individual or credit union (henceforth petitioner) may appeal by filing with the NCUA Board a written request for appeal.

(b) *Contents of request.* Any appeal must be in writing and include:

(1) The reasons why the NCUA Board should review the disapproval; and

(2) Relevant, substantive and material facts that for good cause were not previously set forth in the notice required to be filed pursuant to section 212 of the Act (12 U.S.C. 1790a) and § 701.14 of this chapter.

(c) *Procedures for review of request.* Within 30 days of the NCUA Board's receipt of an appeal, the NCUA Board

§ 747.905

may request in writing that the petitioner submit additional facts and records to support the appeal. The petitioner shall have 15 days from the date of issuance of such written request to provide such additional information. Failure by the petitioner to provide additional information may, as determined solely by the NCUA Board or its designee, result in denial of the petitioner's appeal.

(d) *Determination on appeal by NCUA Board or its designee.* (1) Within 90 days from the date of the receipt of an appeal by the NCUA Board or its designee or of its receipt of additional information requested under paragraph (c) of this section, the NCUA Board or its designee shall notify the petitioner whether the disapproval will be continued, terminated, or otherwise modified. The NCUA Board or its designee shall promptly rescind or modify the notice of disapproval where the decision is favorable to the petitioner.

(2) The determination by the NCUA Board on the appeal shall be provided to the petitioner in writing, stating the basis for any decision of the NCUA Board or its designee that is adverse to the petitioner, and shall constitute a final order of the NCUA Board.

(3) Failure by the NCUA Board to issue a determination on the petitioner's appeal within the 90-day period prescribed under paragraph (d)(1) of this section shall be deemed a denial of the appeal for purpose of § 747.905.

Subpart L—Issuance, Review and Enforcement of Orders Imposing Prompt Corrective Action

SOURCE: 65 FR 8594, Feb. 18, 2000, unless otherwise noted.

§ 747.2001 Scope.

(a) *Independent review process.* The rules and procedures set forth in this subpart apply to federally-insured credit unions, whether federally- or state-chartered (other than corporate credit unions), which are subject to discretionary supervisory actions under part 702 of this chapter, and to reclassification under §§ 702.102(b) and 702.302(d) of this chapter, to facilitate prompt corrective action under section 216 of the Federal Credit Union Act, 12 U.S.C. 1790d; and to senior executive officers and directors of such credit unions who are dismissed pursuant to a discretionary supervisory action imposed under part 702. NCUA staff decisions to impose discretionary supervisory actions under part 702 shall be considered material supervisory determinations for purposes of 12 U.S.C. 1790d(k). Section 747.2002 of this subpart provides an independent appellate process to challenge such decisions.

(b) *Notice to State officials.* With respect to a federally-insured State-chartered credit union under §§ 747.2002, 747.2003 and 747.2004 of this subpart, notices, directives and decisions on appeal served upon a credit union, or a dismissed director or officer thereof, by the NCUA Board shall also be served

upon the appropriate State official. Responses, requests for a hearing and to present witnesses, requests to modify or rescind a discretionary supervisory action and requests for reinstatement served upon the NCUA Board by a credit union, or dismissed director or officer thereof, shall also be served upon the appropriate State official.

§ 747.2002 Review of orders imposing discretionary supervisory action.

(a) *Notice of intent to issue directive—*
(1) *Generally.* Whenever the NCUA Board intends to issue a directive imposing a discretionary supervisory action under §§ 702.202(b), 702.203(b) and 702.204(b) of this chapter on a credit union classified “undercapitalized” or lower, or under §§ 702.304(b) or 702.305(b) of this chapter on a new credit union classified “moderately capitalized” or lower, it must give the credit union prior notice of the proposed action and an opportunity to respond.

(2) *Immediate issuance of directive without notice.* The NCUA Board may issue a directive to take effect immediately under paragraph (a)(1) of this section without notice to the credit union if the NCUA Board finds it necessary in order to carry out the purposes of part 702 of this chapter. A credit union that is subject to a directive which takes effect immediately may appeal the directive in writing to the NCUA Board. Such an appeal must be received by the NCUA Board within 14 calendar days after the directive was issued, unless the NCUA Board permits a longer period. Unless ordered by the NCUA Board, the directive shall remain in effect pending a decision on the appeal. The NCUA Board shall consider any such appeal, if timely filed, within 60 calendar days of receiving it.

(b) *Contents of notice.* The NCUA Board’s notice to a credit union of its intention to issue a directive imposing a discretionary supervisory action must state:

(1) The credit union’s net worth ratio and net worth category classification;

(2) The specific restrictions or requirements that the NCUA Board intends to impose, and the reasons therefor;

(3) The proposed date when the discretionary supervisory action would

take effect and the proposed date for completing the required action or terminating the action; and

(4) That a credit union must file a written response to a notice within 14 calendar days from the date of the notice, or within such shorter period as the NCUA Board determines is appropriate in light of the financial condition of the credit union or other relevant circumstances.

(c) *Contents of response to notice.* A credit union's response to a notice under paragraph (b) of this section must:

(1) Explain why it contends that the proposed discretionary supervisory action is not an appropriate exercise of discretion under this part;

(2) Request the NCUA Board to modify or to not issue the proposed directive;

(3) Include other relevant information, mitigating circumstances, documentation, or other evidence in support of the credit union's position regarding the proposed directive; and

(4) If desired, request the recommendation of NCUA's ombudsman pursuant to paragraph (g) of this section.

(d) *NCUA Board consideration of response.* The NCUA Board, or an independent person designated by the NCUA Board to act on its behalf, after considering a response under paragraph (c) of this section, may:

(1) Issue the directive as originally proposed or as modified;

(2) Determine not to issue the directive and to so notify the credit union; or

(3) Seek additional information or clarification from the credit union or any other relevant source.

(e) *Failure to file response.* A credit union which fails to file a written response to a notice of the NCUA Board's intention to issue a directive imposing a discretionary supervisory action, within the specified time period, shall be deemed to have waived the opportunity to respond, and to have consented to the issuance of the directive.

(f) *Request to modify or rescind directive.* A credit union that is subject to an existing directive imposing a discretionary supervisory action may request in writing that the NCUA Board recon-

sider the terms of the directive, or rescind or modify it, due to changed circumstances. Unless otherwise ordered by the NCUA Board, the directive shall remain in effect while such request is pending. A request under this paragraph which remains pending 60 days following receipt by the NCUA Board is deemed granted.

(g) *Ombudsman.* A credit union may request in writing the recommendation of NCUA's ombudsman to modify or to not issue a proposed directive under paragraph (b) of this section, or to modify or rescind an existing directive due to changed circumstances under paragraph (f) of this section. A credit union which fails to request the ombudsman's recommendation in a response under paragraph (c) of this section, or in a request under paragraph (f) of this section, shall be deemed to have waived the opportunity to do so. The ombudsman shall promptly notify the credit union and the NCUA Board of his or her recommendation.

§ 747.2003 Review of order reclassifying a credit union on safety and soundness criteria.

(a) *Notice of proposed reclassification based on unsafe or unsound condition or practice.* When the NCUA Board proposes to reclassify a credit union or subject it to the supervisory actions applicable to the next lower net worth category pursuant to §§ 702.102(b) and 702.302(d) of this chapter (each such action hereinafter referred to as "reclassification"), the NCUA Board shall issue and serve on the credit union reasonable prior notice of the proposed reclassification.

(b) *Contents of notice.* A notice of intention to reclassify a credit union based on unsafe or unsound condition or practice shall state:

(1) The credit union's net worth ratio, current net worth category classification, and the net worth category to which the credit union would be reclassified;

(2) The unsafe or unsound practice(s) and/or condition(s) justifying reasons for reclassification of the credit union;

(3) The date by which the credit union must file a written response to the notice (including a request for a hearing), which date shall be no less

than 14 calendar days from the date of service of the notice unless the NCUA Board determines that a shorter period is appropriate in light of the financial condition of the credit union or other relevant circumstances; and

(4) That a credit union which fails to—

(i) File a written response to the notice of reclassification, within the specified time period, shall be deemed to have waived the opportunity to respond, and to have consented to reclassification;

(ii) Request a hearing shall be deemed to have waived any right to a hearing; and

(iii) Request the opportunity to present witness testimony shall be deemed to have waived any right to present such testimony.

(c) *Contents of response to notice.* A credit union's response to a notice under paragraph (b) of this section must:

(1) Explain why it contends that the credit union should not be reclassified;

(2) Include any relevant information, mitigating circumstances, documentation, or other evidence in support of the credit union's position;

(3) If desired, request an informal hearing before the NCUA Board under this section; and

(4) If a hearing is requested, identify any witness whose testimony the credit union wishes to present and the general nature of each witness's expected testimony.

(d) *Order to hold informal hearing.* Upon timely receipt of a written response that includes a request for a hearing, the NCUA Board shall issue an order commencing an informal hearing no later than 30 days after receipt of the request, unless the credit union requests a later date. The hearing shall be held in Alexandria, Virginia, or at such other place as may be designated by the NCUA Board, before a presiding officer designated by the NCUA Board to conduct the hearing and to recommend a decision.

(e) *Procedures for informal hearing.* (1) The credit union may appear at the hearing through a representative or through counsel. The credit union shall have the right to introduce relevant documents and to present oral argu-

ment at the hearing. The credit union may introduce witness testimony only if expressly authorized by the NCUA Board or the presiding officer. Neither the provisions of the Administrative Procedure Act (5 U.S.C. 554-557) governing adjudications required by statute to be determined on the record nor the Uniform Rules of Practice and Procedure (12 CFR part 747) shall apply to an informal hearing under this section unless the NCUA Board orders otherwise.

(2) The informal hearing shall be recorded, and a transcript shall be furnished to the credit union upon request and payment of the cost thereof. Witnesses need not be sworn, unless specifically requested by a party or by the presiding officer. The presiding officer may ask questions of any witness.

(3) The presiding officer may order that the hearing be continued for a reasonable period following completion of witness testimony or oral argument to allow additional written submissions to the hearing record.

(4) Within 20 calendar days following the closing of the hearing and the record, the presiding officer shall make a recommendation to the NCUA Board on the proposed reclassification.

(f) *Time for final decision.* Not later than 60 calendar days after the date the record is closed, or the date of receipt of the credit union's response in a case where no hearing was requested, the NCUA Board will decide whether to reclassify the credit union, and will notify the credit union of its decision. The decision of the NCUA Board shall be final.

(g) *Request to rescind reclassification.* Any credit union that has been reclassified under this section may file a written request to the NCUA Board to reconsider or rescind the reclassification, or to modify, rescind or remove any directives issued as a result of the reclassification. Unless otherwise ordered by the NCUA Board, the credit union shall remain reclassified, and subject to any directives issued as a result, while such request is pending.

(h) *Non-delegation.* The NCUA Board may not delegate its authority to reclassify a credit union into a lower net worth category or to treat a credit union as if it were in a lower net worth

category pursuant to §§ 702.102(b) or 702.302(d) of this chapter.

§ 747.2004 Review of order to dismiss a director or senior executive officer.

(a) *Service of directive to dismiss and notice.* When the NCUA Board issues and serves a directive on a credit union requiring it to dismiss from office any director or senior executive officer under §§ 702.202(b)(7), 702.203(b)(8), 702.204(b)(8), 702.304(b) or 702.305(b) of this chapter, the NCUA Board shall also serve upon the person the credit union is directed to dismiss (Respondent) a copy of the directive (or the relevant portions, where appropriate) and notice of the Respondent's right to seek reinstatement.

(b) *Contents of notice of right to seek reinstatement.* A notice of a Respondent's right to seek reinstatement shall state:

(1) That a request for reinstatement (including a request for a hearing) shall be filed with the NCUA Board within 14 calendar days after the Respondent receives the directive and notice under paragraph (a) of this section, unless the NCUA Board grants the Respondent's request for further time;

(2) The reasons for dismissal of the Respondent; and

(3) That the Respondent's failure to—

(i) Request reinstatement shall be deemed a waiver of any right to seek reinstatement;

(ii) Request a hearing shall be deemed a waiver of any right to a hearing; and

(iii) Request the opportunity to present witness testimony shall be deemed a waiver of the right to present such testimony.

(c) *Contents of request for reinstatement.* A request for reinstatement in response to a notice under paragraph (b) of this section must:

(1) Explain why the Respondent should be reinstated;

(2) Include any relevant information, mitigating circumstances, documentation, or other evidence in support of the Respondent's position;

(3) If desired, request an informal hearing before the NCUA Board under this section; and

(4) If a hearing is requested, identify any witness whose testimony the Re-

spondent wishes to present and the general nature of each witness's expected testimony.

(d) *Order to hold informal hearing.* Upon receipt of a timely written request from a Respondent for an informal hearing on the portion of a directive requiring a credit union to dismiss from office any director or senior executive officer, the NCUA Board shall issue an order directing an informal hearing to commence no later than 30 days after receipt of the request, unless the Respondent requests a later date. The hearing shall be held in Alexandria, Virginia, or at such other place as may be designated by the NCUA Board, before a presiding officer designated by the NCUA Board to conduct the hearing and recommend a decision.

(e) *Procedures for informal hearing.* (1) A Respondent may appear at the hearing personally or through counsel. A Respondent shall have the right to introduce relevant documents and to present oral argument at the hearing. A Respondent may introduce witness testimony only if expressly authorized by the NCUA Board or by the presiding officer. Neither the provisions of the Administrative Procedure Act (5 U.S.C. 554–557) governing adjudications required by statute to be determined on the record nor the Uniform Rules of Practice and Procedure (12 CFR part 747) apply to an informal hearing under this section unless the NCUA Board orders otherwise.

(2) The informal hearing shall be recorded, and a transcript shall be furnished to the Respondent upon request and payment of the cost thereof. Witnesses need not be sworn, unless specifically requested by a party or the presiding officer. The presiding officer may ask questions of any witness.

(3) The presiding officer may order that the hearing be continued for a reasonable period following completion of witness testimony or oral argument to allow additional written submissions to the hearing record.

(4) A Respondent shall bear the burden of demonstrating that his or her continued employment by or service with the credit union would materially strengthen the credit union's ability to—

(ii) Correct the unsafe or unsound condition or unsafe or unsound practice, to the extent that the directive was issued as a result of reclassification of the credit union pursuant to §§ 702.102(b) and 702.302(d) of this chapter.

(5) Within 20 calendar days following the date of closing of the hearing and the record, the presiding officer shall make a recommendation to the NCUA Board concerning the Respondent’s request for reinstatement with the credit union.

(f) *Time for final decision.* Not later than 60 calendar days after the date the record is closed, or the date of the response in a case where no hearing was requested, the NCUA Board shall grant or deny the request for reinstatement and shall notify the Respondent of its decision. If the NCUA Board denies the request for reinstatement, it shall set forth in the notification the reasons for its decision. The decision of the NCUA Board shall be final.

(g) *Effective date.* Unless otherwise ordered by the NCUA Board, the Respondent’s dismissal shall take and remain in effect pending a final decision on the request for reinstatement.

§ 747.2005 Enforcement of orders.

(a) *Judicial remedies.* Whenever a credit union fails to comply with a directive imposing a discretionary supervisory action, or enforcing a mandatory supervisory action under part 702 of this chapter, the NCUA Board may seek enforcement of the directive in the appropriate United States District Court pursuant to 12 U.S.C. 1786(k)(1).

(b) *Administrative remedies—(1) Failure to comply with directive.* Pursuant to 12 U.S.C. 1786(k)(2)(A), the NCUA Board may assess a civil money penalty against any credit union that violates or otherwise fails to comply with any final directive issued under part 702 of this chapter, or against any institution-affiliated party of a credit union

(per 12 U.S.C. 1786(r)) who participates in such violation or noncompliance.

(2) *Failure to implement plan.* Pursuant to 12 U.S.C. 1786(k)(2)(A), the NCUA Board may assess a civil money penalty against a credit union which fails to implement a net worth restoration plan under subpart B of part 702 of this chapter or a revised business plan under subpart C of part 702, regardless whether the plan was published.

(c) *Other enforcement action.* In addition to the actions described in paragraphs (a) and (b) of this section, the NCUA Board may seek enforcement of the directives issued under part 702 of this chapter through any other judicial or administrative proceeding authorized by law.

§ 748.1 Filing of reports.

(a) The president or managing official of each federally-insured credit union must certify compliance with the requirements of this part in its Credit Union Profile annually. Credit unions that cannot update their profile online must certify compliance in writing in accordance with the instructions on NCUA Form 4501 or its equivalent. The credit union president or managing official must sign and date the written certification.

(b) *Catastrophic act report.* Each federally insured credit union will notify the regional director within 5 business days of any catastrophic act that occurs at its office(s). A catastrophic act is any disaster, natural or otherwise, resulting in physical destruction or damage to the credit union or causing an interruption in vital member services, as defined in § 749.1 of this chapter, projected to last more than two consecutive business days. Within a reasonable time after a catastrophic act occurs, the credit union shall ensure that a record of the incident is prepared and filed at its main office. In the preparation of such record, the credit union should include information sufficient to indicate the office where the catastrophic act occurred; when it took place; the amount of the loss, if any; whether any operational or

mechanical deficiency(ies) might have contributed to the catastrophic act; and what has been done or is planned to be done to correct the deficiency(ies).

(c) *Suspicious Activity Report.* A credit union must file a report if it knows, suspects, or has reason to suspect that any crime or any suspicious transaction related to money laundering activity or a violation of the Bank Secrecy Act has occurred. For the purposes of this paragraph (c) *credit union* means a federally-insured credit union and *official* means any member of the board of directors or a volunteer committee.

(1) *Reportable activity.* Transaction for purposes of this paragraph means a deposit, withdrawal, transfer between accounts, exchange of currency, loan, extension of credit, purchase or sale of any stock, bond, share certificate, or other monetary instrument or investment security, or any other payment, transfer, or delivery by, through, or to a financial institution, by whatever means effected. A credit union must report any known or suspected crime or any suspicious transaction related to money laundering or other illegal activity, for example, terrorism financing, loan fraud, or embezzlement, or a violation of the Bank Secrecy Act by sending a completed suspicious activity report (SAR) to the Financial Crimes Enforcement Network (FinCEN) in the following circumstances:

(i) *Insider abuse involving any amount.* Whenever the credit union detects any known or suspected Federal criminal violations, or pattern of criminal violations, committed or attempted against the credit union or involving a transaction or transactions conducted through the credit union, where the credit union believes it was either an actual or potential victim of a criminal violation, or series of criminal violations, or that the credit union was used to facilitate a criminal transaction, and the credit union has a substantial basis for identifying one of the credit union's officials, employees, or agents as having committed or aided in the commission of the criminal violation, regardless of the amount involved in the violation;

National Credit Union Administration

§ 748.1

(ii) *Transactions aggregating \$5,000 or more where a suspect can be identified.* Whenever the credit union detects any known or suspected Federal criminal violation, or pattern of criminal violations, committed or attempted against the credit union or involving a transaction or transactions conducted through the credit union, and involving or aggregating \$5,000 or more in funds or other assets, where the credit union believes it was either an actual or potential victim of a criminal violation, or series of criminal violations, or that the credit union was used to facilitate a criminal transaction, and the credit union has a substantial basis for identifying a possible suspect or group of suspects. If it is determined before filing this report that the identified suspect or group of suspects has used an alias, then information regarding the true identity of the suspect or group of suspects, as well as alias identifiers, such as drivers' licenses or social security numbers, addresses and telephone numbers, must be reported;

(iii) *Transactions aggregating \$25,000 or more regardless of potential suspects.* Whenever the credit union detects any known or suspected Federal criminal violation, or pattern of criminal violations, committed or attempted against the credit union or involving a transaction or transactions conducted through the credit union, involving or aggregating \$25,000 or more in funds or other assets, where the credit union believes it was either an actual or potential victim of a criminal violation, or series of criminal violations, or that the credit union was used to facilitate a criminal transaction, even though the credit union has no substantial basis for identifying a possible suspect or group of suspects; or

(iv) *Transactions aggregating \$5,000 or more that involve potential money laundering or violations of the Bank Secrecy Act.* Any transaction conducted or attempted by, at or through the credit union and involving or aggregating \$5,000 or more in funds or other assets, if the credit union knows, suspects, or has reason to suspect:

(A) The transaction involves funds derived from illegal activities or is intended or conducted in order to hide or disguise funds or assets derived from il-

legal activities (including, without limitation, the ownership, nature, source, location, or control of such funds or assets) as part of a plan to violate or evade any Federal law or regulation or to avoid any transaction reporting requirement under Federal law;

(B) The transaction is designed to evade any regulations promulgated under the Bank Secrecy Act; or

(C) The transaction has no business or apparent lawful purpose or is not the sort of transaction in which the particular member would normally be expected to engage, and the credit union knows of no reasonable explanation for the transaction after examining the available facts, including the background and possible purpose of the transaction.

(v) *Exceptions.* A credit union is not required to file a SAR for a robbery or burglary committed or attempted that is reported to appropriate law enforcement authorities, or for lost, missing, counterfeit, or stolen securities and the credit union files a report pursuant to the reporting requirements of 17 CFR 240.17f-1.

(2) *Filing Procedures.* (i) *Timing.* A credit union must file a SAR with FinCEN no later than 30 calendar days from the date the suspicious activity is initially detected, unless there is no identified suspect on the date of detection. If no suspect is identified on the date of detection, a credit union may use an additional 30 calendar days to identify a suspect before filing a SAR. In no case may a credit union take more than 60 days from the date it initially detects a reportable transaction to file a SAR. In situations involving violations requiring immediate attention, such as ongoing money laundering schemes, a credit union must immediately notify, by telephone, an appropriate law enforcement authority and its supervisory authority, in addition to filing a SAR.

(ii) *Content.* A credit union must complete, fully and accurately, SAR form TDF 90-22.47, Suspicious Activity Report (also known as NCUA Form 2362) in accordance with the form's instructions and 31 CFR Part 103.18. A copy of the SAR form may be obtained from the credit union resources section of NCUA's Web site, <http://>

www.ncua.gov, or the regulatory section of FinCEN's Web site, <http://www.fincen.gov>. These sites include other useful guidance on SARs, for example, forms and filing instructions, Frequently Asked Questions, and the FFIEC Bank Secrecy Act/Anti-Money Laundering Examination Manual.

(iii) *Compliance*. Failure to file a SAR as required by the form's instructions and 31 CFR Part 103.18 may subject the credit union, its officials, employees, and agents to the assessment of civil money penalties or other administrative actions.

(3) *Retention of Records*. A credit union must maintain a copy of any SAR that it files and the original or business record equivalent of all supporting documentation to the report for a period of five years from the date of the report. Supporting documentation must be identified and maintained by the credit union as such. Supporting documentation is considered a part of the filed report even though it should not be actually filed with the submitted report. A credit union must make all supporting documentation available to appropriate law enforcement authorities and its regulatory supervisory authority upon request.

(4) *Notification to board of directors*. (i) *Generally*. The management of the credit union must promptly notify its board of directors, or a committee designated by the board of directors to receive such notice, of any SAR filed.

(ii) *Suspect is a director or committee member*. If a credit union files a SAR and the suspect is a director or member of a committee designated by the board of directors to receive notice of SAR filings, the credit union may not notify the suspect, pursuant to 31 U.S.C. 5318(g)(2), but must notify the remaining directors, or designated committee members, who are not suspects.

(5) *Confidentiality of reports*. SARs are confidential. Any credit union, including its officials, employees, and agents, subpoenaed or otherwise requested to disclose a SAR or the information in a SAR must decline to produce the SAR or to provide any information that would disclose that a SAR was prepared or filed, citing this part, applicable law, for example, 31 U.S.C. 5318(g), or both, and notify NCUA of the re-

quest. A credit union must make the filed report and all supporting documentation available to appropriate law enforcement authorities and its regulatory supervisory authority upon request.

(6) *Safe Harbor*. Any credit union, including its officials, employees, and agents, that makes a report of suspected or known criminal violations and suspicious activities to law enforcement and financial institution supervisory authorities, including supporting documentation, are protected from liability for any disclosure in the report, or for failure to disclose the existence of the report, or both, to the full extent provided by 31 U.S.C. 5318(g)(3). This protection applies if the report is filed pursuant to this part or is filed on a voluntary basis.

§ 748.2 Procedures for monitoring Bank Secrecy Act (BSA) compliance.

(a) *Purpose*. This section is issued to ensure that all federally-insured credit unions establish and maintain procedures reasonably designed to assure and monitor compliance with the requirements of subchapter II of chapter 53 of title 31, United States Code, the Financial Recordkeeping and Reporting of Currency and Foreign Transactions Act, and the implementing regulations promulgated thereunder by the Department of Treasury, 31 CFR part 103.

(b) *Establishment of a BSA compliance program*—(1) *Program requirement*. Each federally-insured credit union shall develop and provide for the continued administration of a program reasonably designed to assure and monitor compliance with the recordkeeping and recording requirements set forth in subchapter II of chapter 53 of title 31, United States Code and the implementing regulations issued by the Department of the Treasury at 31 CFR part 103. The compliance program must be written, approved by the credit

union's board of directors, and reflected in the minutes of the credit union.

(2) *Customer identification program.* Each federally-insured credit union is subject to the requirements of 31 U.S.C. 5318(l) and the implementing regulation jointly promulgated by the NCUA and the Department of the Treasury at 31 CFR 103.121, which require a customer identification program to be implemented as part of the BSA compliance program required under this section.

(c) *Contents of compliance program.* Such compliance program shall at a minimum—

(1) Provide for a system of internal controls to assure ongoing compliance;

(2) Provide for independent testing for compliance to be conducted by credit union personnel or outside parties;

(3) Designate an individual responsible for coordinating and monitoring day-to-day compliance; and

(4) Provide training for appropriate personnel.

I. INTRODUCTION

The Guidelines for Safeguarding Member Information (Guidelines) set forth standards pursuant to sections 501 and 505(b), codified at 15 U.S.C. 6801 and 6805(b), of the Gramm-

Leach-Bliley Act. These Guidelines provide guidance standards for developing and implementing administrative, technical, and physical safeguards to protect the security, confidentiality, and integrity of member information. These Guidelines also address standards with respect to the proper disposal of consumer information pursuant to sections 621(b) and 628 of the Fair Credit Reporting Act (15 U.S.C. 1681s(b) and 1681w).

A. *Scope.* The Guidelines apply to member information maintained by or on behalf of federally-insured credit unions. Such entities are referred to in this appendix as "the credit union." These Guidelines also apply to the proper disposal of consumer information by such entities.

B. *Definitions.* 1. *In general.* Except as modified in the Guidelines or unless the context otherwise requires, the terms used in these Guidelines have the same meanings as set forth in 12 CFR part 716.

2. For purposes of the Guidelines, the following definitions apply:

a. *Consumer information* means any record about an individual, whether in paper, electronic, or other form, that is a consumer report or is derived from a consumer report and that is maintained or otherwise possessed by or on behalf of the credit union for a business purpose. Consumer information also means a compilation of such records. The term does not include any record that does not identify an individual.

b. *Consumer report* has the same meaning as set forth in the Fair Credit Reporting Act, 15 U.S.C. 1681a(d). The meaning of consumer report is broad and subject to various definitions, conditions and exceptions in the Fair Credit Reporting Act. It includes written or oral communications from a consumer reporting agency to a third party of information used or collected for use in establishing eligibility for credit or insurance used primarily for personal, family or household purposes, and eligibility for employment purposes. Examples include credit reports, bad check lists, and tenant screening reports.

c. *Member* means any member of the credit union as defined in 12 CFR 716.3(n).

d. *Member information* means any records containing nonpublic personal information, as defined in 12 CFR 716.3(q), about a member, whether in paper, electronic, or other form, that is maintained by or on behalf of the credit union.

e. *Member information system* means any method used to access, collect, store, use, transmit, protect, or dispose of member information.

f. *Service provider* means any person or entity that maintains, processes, or otherwise is permitted access to member information through its provision of services directly to the credit union.

II. STANDARDS FOR SAFEGUARDING MEMBER INFORMATION

A. *Information Security Program.* A comprehensive written information security program includes administrative, technical, and physical safeguards appropriate to the size and complexity of the credit union and the nature and scope of its activities. While all parts of the credit union are not required to implement a uniform set of policies, all elements of the information security program must be coordinated.

B. *Objectives.* A credit union's information security program should be designed to: ensure the security and confidentiality of member information; protect against any anticipated threats or hazards to the security or integrity of such information; protect against unauthorized access to or use of such information that could result in substantial harm or inconvenience to any member; and ensure the proper disposal of member information and consumer information. Protecting confidentiality includes honoring members' requests to opt out of disclosures to nonaffiliated third parties, as described in 12 CFR 716.1(a)(3).

III. DEVELOPMENT AND IMPLEMENTATION OF MEMBER INFORMATION SECURITY PROGRAM

A. *Involve the Board of Directors.* The board of directors or an appropriate committee of the board of each credit union should:

1. Approve the credit union's written information security policy and program; and
2. Oversee the development, implementation, and maintenance of the credit union's information security program, including assigning specific responsibility for its implementation and reviewing reports from management.

B. *Assess Risk.* Each credit union should:

1. Identify reasonably foreseeable internal and external threats that could result in unauthorized disclosure, misuse, alteration, or destruction of member information or member information systems;
2. Assess the likelihood and potential damage of these threats, taking into consideration the sensitivity of member information; and
3. Assess the sufficiency of policies, procedures, member information systems, and other arrangements in place to control risks.

C. *Manage and Control Risk.* Each credit union should:

1. Design its information security program to control the identified risks, commensurate with the sensitivity of the information as well as the complexity and scope of the credit union's activities. Each credit union must consider whether the following security measures are appropriate for the credit union and, if so, adopt those measures the credit union concludes are appropriate:

- a. Access controls on member information systems, including controls to authenticate and permit access only to authorized individuals and controls to prevent employees from providing member information to unauthorized individuals who may seek to obtain this information through fraudulent means;

- b. Access restrictions at physical locations containing member information, such as buildings, computer facilities, and records storage facilities to permit access only to authorized individuals;

- c. Encryption of electronic member information, including while in transit or in storage on networks or systems to which unauthorized individuals may have access;

- d. Procedures designed to ensure that member information system modifications are consistent with the credit union's information security program;

- e. Dual controls procedures, segregation of duties, and employee background checks for employees with responsibilities for or access to member information;

- f. Monitoring systems and procedures to detect actual and attempted attacks on or intrusions into member information systems;

- g. Response programs that specify actions to be taken when the credit union suspects or detects that unauthorized individuals have gained access to member information systems, including appropriate reports to regulatory and law enforcement agencies; and

- h. Measures to protect against destruction, loss, or damage of member information due to potential environmental hazards, such as fire and water damage or technical failures.

2. Train staff to implement the credit union's information security program.

3. Regularly test the key controls, systems and procedures of the information security program. The frequency and nature of such tests should be determined by the credit union's risk assessment. Tests should be conducted or reviewed by independent third parties or staff independent of those that develop or maintain the security programs.

4. Develop, implement, and maintain, as part of its information security program, appropriate measures to properly dispose of member information and consumer information in accordance with the provisions in paragraph III.

D. *Oversee Service Provider Arrangements.* Each credit union should:

1. Exercise appropriate due diligence in selecting its service providers;

2. Require its service providers by contract to implement appropriate measures designed to meet the objectives of these guidelines; and

3. Where indicated by the credit union's risk assessment, monitor its service providers to confirm that they have satisfied their obligations as required by paragraph

D.2. As part of this monitoring, a credit union should review audits, summaries of test results, or other equivalent evaluations of its service providers.

E. *Adjust the Program.* Each credit union should monitor, evaluate, and adjust, as appropriate, the information security program in light of any relevant changes in technology, the sensitivity of its member information, internal or external threats to information, and the credit union's own changing business arrangements, such as mergers and acquisitions, alliances and joint ventures, outsourcing arrangements, and changes to member information systems.

F. *Report to the Board.* Each credit union should report to its board or an appropriate committee of the board at least annually. This report should describe the overall status of the information security program and the credit union's compliance with these guidelines. The report should discuss material matters related to its program, addressing issues such as: risk assessment; risk management and control decisions; service provider arrangements; results of testing; security breaches or violations and management's responses; and recommendations for changes in the information security program.

G. *Implement the Standards.*

1. *Effective date.* Each credit union must implement an information security program pursuant to the objectives of these Guidelines by July 1, 2001.

2. *Two-year grandfathering of agreements with service providers.* Until July 1, 2003, a contract that a credit union has entered into with a service provider to perform services for it or functions on its behalf satisfies the provisions of paragraph III.D., even if the contract does not include a requirement that the servicer maintain the security and confidentiality of member information, as long as the credit union entered into the contract on or before March 1, 2001.

3. *Effective date for measures relating to the disposal of consumer information.* Each Federal credit union must properly dispose of consumer information in a manner consistent with these Guidelines by July 1, 2005.

4. *Exception for existing agreements with service providers relating to the disposal of consumer information.* Notwithstanding the requirement in paragraph III.G.3., a Federal credit union's existing contracts with its service providers with regard to any service involving the disposal of consumer information should implement the objectives of these Guidelines by July 1, 2006.

APPENDIX B TO PART 748—GUIDANCE ON RESPONSE PROGRAMS FOR UNAUTHORIZED ACCESS TO MEMBER INFORMATION AND MEMBER NOTICE

I. BACKGROUND

This Guidance in the form of appendix B to NCUA's Security Program, Report of Crime and Catastrophic Act and Bank Secrecy Act Compliance regulation,²⁹ interprets section 501(b) of the Gramm-Leach-Bliley Act ("GLBA") and describes response programs, including member notification procedures, that a federally insured credit union should develop and implement to address unauthorized access to or use of member information that could result in substantial harm or inconvenience to a member. The scope of, and definitions of terms used in, this Guidance are identical to those of appendix A to Part 748 (appendix A). For example, the term "member information" is the same term used in appendix A, and means any record containing nonpublic personal information about a member, whether in paper, electronic, or other form, maintained by or on behalf of the credit union.

A. Security Guidelines

Section 501(b) of the GLBA required the NCUA to establish appropriate standards for credit unions subject to its jurisdiction that include administrative, technical, and physical safeguards to protect the security and confidentiality of member information. Accordingly, the NCUA amended Part 748 of its rules to require credit unions to develop appropriate security programs, and issued appendix A, reflecting its expectation that every federally insured credit union would develop an information security program designed to:

1. Ensure the security and confidentiality of member information;
2. Protect against any anticipated threats or hazards to the security or integrity of such information; and
3. Protect against unauthorized access to or use of such information that could result in substantial harm or inconvenience to any member.

B. Risk Assessment and Controls

1. Appendix A directs every credit union to assess the following risks, among others, when developing its information security program:

- a. Reasonably foreseeable internal and external threats that could result in unauthorized disclosure, misuse, alteration, or destruction of member information or member information systems;

²⁹ 12 CFR Part 748.

b. The likelihood and potential damage of threats, taking into consideration the sensitivity of member information; and

c. The sufficiency of policies, procedures, member information systems, and other arrangements in place to control risks.³⁰

2. Following the assessment of these risks, appendix A directs a credit union to design a program to address the identified risks. The particular security measures a credit union should adopt will depend upon the risks presented by the complexity and scope of its business. At a minimum, the credit union should consider the specific security measures enumerated in appendix A,³¹ and adopt those that are appropriate for the credit union, including:

a. Access controls on member information systems, including controls to authenticate and permit access only to authorized individuals and controls to prevent employees from providing member information to unauthorized individuals who may seek to obtain this information through fraudulent means;

b. Background checks for employees with responsibilities for access to member information; and

c. Response programs that specify actions to be taken when the credit union suspects or detects that unauthorized individuals have gained access to member information systems, including appropriate reports to regulatory and law enforcement agencies.³²

C. Service Providers

Appendix A advises every credit union to require its service providers by contract to implement appropriate measures designed to protect against unauthorized access to or use of member information that could result in substantial harm or inconvenience to any member.³³

II. RESPONSE PROGRAM

i. Millions of Americans, throughout the country, have been victims of identity theft.³⁴ Identity thieves misuse personal in-

formation they obtain from a number of sources, including credit unions, to perpetrate identity theft. Therefore, credit unions should take preventative measures to safeguard member information against such attempts to gain unauthorized access to the information. For example, credit unions should place access controls on member information systems and conduct background checks for employees who are authorized to access member information.³⁵ However, every credit union should also develop and implement a risk-based response program to address incidents of unauthorized access to member information in member information systems that occur nonetheless.³⁶ A response program should be a key part of a credit union's information security program.³⁷ The program should be appropriate to the size and complexity of the credit union and the nature and scope of its activities.

ii. In addition, each credit union should be able to address incidents of unauthorized access to member information in member information systems maintained by its domestic and foreign service providers. Therefore, consistent with the obligations in this Guidance that relate to these arrangements, and with existing guidance on this topic issued by the NCUA,³⁸ a credit union's contract with its service provider should require the service provider to take appropriate actions to address incidents of unauthorized access

Survey Report, (September 2003), available at <http://www.ftc.gov/os/2003/09synovatereport.pdf>.

³⁵ Credit unions should also conduct background checks of employees to ensure that the credit union does not violate 12 U.S.C. 1785(d), which prohibits a credit union from hiring an individual convicted of certain criminal offenses or who is subject to a prohibition order under 12 U.S.C. 1786(g).

³⁶ Under 12 CFR Part 748, appendix A, a credit union's *member information systems* consists of all of the methods used to access, collect, store, use, transmit, protect, or dispose of member information, including the systems maintained by its service providers. See 12 CFR Part 748, appendix A, Paragraph I.C.2.d.

³⁰ See 12 CFR Part 748, appendix A, Paragraph III.B.

³¹ See appendix A, paragraph III.C.

³² See appendix A, Paragraph III.C.

³³ See appendix A, Paragraph III.B. and III.D. Further, the NCUA notes that, in addition to contractual obligations to a credit union, a service provider may be required to implement its own comprehensive information security program in accordance with the Safeguards Rule promulgated by the Federal Trade Commission ("FTC"), 12 CFR Part 314.

³⁴ The FTC estimates that nearly 10 million Americans discovered they were victims of some form of identity theft in 2002. See The Federal Trade Commission, *Identity Theft*

to or use of the credit union's member information, including notification of the credit union as soon as possible of any such incident, to enable the institution to expeditiously implement its response program.

A. Components of a Response Program

1. At a minimum, a credit union's response program should contain procedures for the following:

a. Assessing the nature and scope of an incident, and identifying what member information systems and types of member information have been accessed or misused;

b. Notifying the appropriate NCUA Regional Director, and, in the case of state-chartered credit unions, its applicable state supervisory authority, as soon as possible when the credit union becomes aware of an incident involving unauthorized access to or use of sensitive member information as defined below.

c. Consistent with the NCUA's Suspicious Activity Report ("SAR") regulations,³⁹ notifying appropriate law enforcement authorities, in addition to filing a timely SAR in situations involving Federal criminal violations requiring immediate attention, such as when a reportable violation is ongoing;

d. Taking appropriate steps to contain and control the incident to prevent further unauthorized access to or use of member information, for example, by monitoring, freezing, or closing affected accounts, while preserving records and other evidence;⁴⁰ and

e. Notifying members when warranted.

2. Where an incident of unauthorized access to member information involves member information systems maintained by a credit union's service providers, it is the responsibility of the credit union to notify the credit union's members and regulator. However, a credit union may authorize or contract with its service provider to notify the credit union's members or regulators on its behalf.

III. MEMBER NOTICE

i. Credit unions have an affirmative duty to protect their members' information against unauthorized access or use. Notifying members of a security incident involving the unauthorized access or use of the

member's information in accordance with the standard set forth below is a key part of that duty.

ii. Timely notification of members is important to manage a credit union's reputation risk. Effective notice also may reduce a credit union's legal risk, assist in maintaining good member relations, and enable the credit union's members to take steps to protect themselves against the consequences of identity theft. When member notification is warranted, a credit union may not forgo notifying its customers of an incident because the credit union believes that it may be potentially embarrassed or inconvenienced by doing so.

A. Standard for Providing Notice

When a credit union becomes aware of an incident of unauthorized access to sensitive member information, the credit union should conduct a reasonable investigation to promptly determine the likelihood that the information has been or will be misused. If the credit union determines that misuse of its information about a member has occurred or is reasonably possible, it should notify the affected member as soon as possible. Member notice may be delayed if an appropriate law enforcement agency determines that notification will interfere with a criminal investigation and provides the credit union with a written request for the delay. However, the credit union should notify its members as soon as notification will no longer interfere with the investigation.

1. Sensitive Member Information

Under Part 748.0, a credit union must protect against unauthorized access to or use of member information that could result in substantial harm or inconvenience to any member. Substantial harm or inconvenience is most likely to result from improper access to *sensitive member information* because this type of information is most likely to be misused, as in the commission of identity theft.

For purposes of this Guidance, sensitive member information means a member's name, address, or telephone number, in conjunction with the member's social security number, driver's license number, account number, credit or debit card number, or a personal identification number or password that would permit access to the member's account. *Sensitive member information* also includes any combination of components of member information that would allow someone to log onto or access the member's account, such as user name and password or password and account number.

2. Affected Members

If a credit union, based upon its investigation, can determine from its logs or other data precisely which members' information

³⁹A credit union's obligation to file a SAR is set out in the NCUA's SAR regulations and guidance. See 12 CFR Part 748.1(c); NCUA Letter to Credit Unions No. 04-CU-03, Suspicious Activity Reports, March 2004; NCUA Regulatory Alert No. 04-RA-01, The Suspicious Activity Report (SAR) Activity Review—Trends, Tips, & Issues, Issue 6, November 2003, February 2004.

⁴⁰See FFIEC Information Technology Examination Handbook, Information Security Booklet, (December 2002), pp. 68–74.

has been improperly accessed, it may limit notification to those members with regard to whom the credit union determines that misuse of their information has occurred or is reasonably possible. However, there may be situations where the credit union determines that a group of files has been accessed improperly, but is unable to identify which specific member's information has been accessed. If the circumstances of the unauthorized access lead the credit union to determine that misuse of the information is reasonably possible, it should notify all members in the group.

B. Content of Member Notice

1. Member notice should be given in a clear and conspicuous manner. The notice should describe the incident in general terms and the type of member information that was the subject of unauthorized access or use. It also should generally describe what the credit union has done to protect the members' information from further unauthorized access. In addition, it should include a telephone number that members can call for further information and assistance.⁴¹ The notice also should remind members of the need to remain vigilant over the next twelve to twenty-four months, and to promptly report incidents of suspected identity theft to the credit union. The notice should include the following additional items, when appropriate:

- a. A recommendation that the member review account statements and immediately report any suspicious activity to the credit union;
- b. A description of fraud alerts and an explanation of how the member may place a fraud alert in the member's consumer reports to put the member's creditors on notice that the member may be a victim of fraud;
- c. A recommendation that the member periodically obtain credit reports from each nationwide credit reporting agency and have information relating to fraudulent transactions deleted;
- d. An explanation of how the member may obtain a credit report free of charge; and
- e. Information about the availability of the FTC's online guidance regarding steps a consumer can take to protect against identity theft. The notice should encourage the member to report any incidents of identity theft to the FTC, and should provide the FTC's Web site address and toll-free telephone number that members may use to obtain the

⁴¹ The credit union should, therefore, ensure that it has reasonable policies and procedures in place, including trained personnel, to respond appropriately to member inquiries and requests for assistance.

identity theft guidance and report suspected incidents of identity theft.⁴²

2. NCUA encourages credit unions to notify the nationwide consumer reporting agencies prior to sending notices to a large number of members that include contact information for the reporting agencies.

C. Delivery of Member Notice

Member notice should be delivered in any manner designed to ensure that a member can reasonably be expected to receive it. For example, the credit union may choose to contact all members affected by telephone or by mail, or by electronic mail for those members for whom it has a valid e-mail address and who have agreed to receive communications electronically.

§ 749.0 Purpose and scope.

(a) This part describes the obligations of all federally-insured credit unions to maintain a records preservation program to identify, store and reconstruct vital records in the event that the credit union's records are destroyed and provides recommendations

⁴² Currently, the FTC Web site for the ID Theft brochure and the FTC Hotline phone number are <http://www.ftc.gov/idtheft> and 1-877-IDTHEFT. for restoring vital member services. All credit unions must have a written program that includes plans for safeguarding records and reconstructing vital records. To complement these plans, it is recommended a credit union develop a method for restoring vital member services in the event of a catastrophic act as defined in § 748.1(b) of this chapter. Additionally, the regulation establishes flexibility in the format credit unions may use for maintaining writings, records or information required by other NCUA regulations.

(b) Appendix A to this part provides guidance concerning the appropriate length of time credit unions should retain various types of operational records. Appendix B to this part also provides guidance for developing a program for responding to a catastrophic act to ensure duplicate vital records can be used for restoration of vital member services.

[72 FR 42273, Aug. 2, 2007]

§ 749.1 Definitions.

For purposes of this part:

Vital member services mean informational account inquiries, share withdrawals and deposits, and loan payments and disbursements.

Vital records refer to the following records:

(a) A list of share, deposit, and loan balances for each member's account as of the close of the most recent business day that:

(1) Shows each balance individually identified by a name or number;

(2) Lists multiple loans of one account separately; and

(3) Contains information sufficient to enable the credit union to locate each member, such as address and telephone number.

(b) A financial report, which lists all of the credit union's asset and liability accounts and bank reconciliations, current as of the most recent month-end.

(c) A list of the credit union's accounts at financial institutions, insurance policies, and investments along with related contact information, current as of the most recent month-end.

(d) Emergency contact information for employees, officials, regulatory of-

fices, and vendors used to support vital records.

[72 FR 42273, Aug. 2, 2007]

§ 749.2 Vital records preservation program.

The board of directors of a credit union is responsible for establishing a vital records preservation program within 6 months after its insurance certificate is issued. The program must be in writing and contain procedures for maintaining duplicate vital records at a vital records center. The procedures must include: designated staff responsible for vital records preservation, a schedule for the storage and destruction of records, and a records preservation log detailing for each record stored, its name, storage location, storage date, and name of the person sending the record for storage. It is recommended credit unions include in these procedures a method for using duplicate records to restore vital member services in the event of catastrophic act. Credit unions which have some or all of their records maintained by an off-site data processor are considered to be in compliance for the storage of those records if the service agreement specifies the data processor safeguards against the simultaneous destruction of production and back-up information.

[72 FR 42273, Aug. 2, 2007]

§ 749.3 Vital records center.

A vital records center is defined as a storage facility, which may include another federally-insured credit union, at any location far enough from the credit union's offices to avoid the simultaneous loss of both sets of records in the event of a catastrophic act. A credit union must maintain or contract with a third party to maintain any equipment or software for its vital records center necessary to access records.

[72 FR 42273, Aug. 2, 2007]

§ 749.4 Format for vital records preservation.

Preserved records may be in any format that can be used to reconstruct the credit union's records. The format used must accurately reflect the information in the record, remain accessible

§ 749.5

to all persons entitled to access by statute, regulation or rule of law, and be capable of reproduction by transmission, printing, or otherwise.

[72 FR 42273, Aug. 2, 2007]

§ 749.5 Format for records required by other NCUA regulations.

Where NCUA regulations require credit unions to retain certain writings, records or information, credit unions may use any format that accurately reflects the information in the record, is accessible to all persons entitled to access by statute, regulation or rule of law, and is capable of being reproduced by transmission, printing, or otherwise. The credit union must maintain the necessary equipment or software to permit an examiner to access the records during the examination process.

[72 FR 42273, Aug. 2, 2007]

APPENDIX A TO PART 749—RECORD RETENTION GUIDELINES

Credit unions often look to NCUA for guidance on the appropriate length of time to retain various types of operational records. NCUA does not regulate in this area, but as an aid to credit unions it is publishing this appendix of suggested guidelines for record retention. NCUA recognizes that credit unions must strike a balance between the competing demands of space, resource allocation and the desire to retain all the records that they may need to conduct their business successfully. Efficiency requires that all records that are no longer useful be discarded, just as both efficiency and safety require that useful records be preserved and kept readily available.

A. What Format Should the Credit Union Use for Retaining Records?

NCUA does not recommend a particular format for record retention. If the credit union stores records on microfilm, microfiche, or in an electronic format, the stored records must be accurate, reproducible and accessible to an NCUA examiner. If records are stored on the credit union premises, they should be immediately accessible upon the examiner's request; if records are stored by a third party or off-site, then they should be made available to the examiner within a reasonable time after the examiner's request. The credit union must maintain the necessary equipment or software to permit an examiner to review and reproduce stored records upon request. The credit union should also ensure that the reproduction is

12 CFR Ch. VII (1–1–10 Edition)

acceptable for submission as evidence in a legal proceeding.

B. Who Is Responsible for Establishing a System for Record Disposal?

The credit union's board of directors may approve a schedule authorizing the disposal of certain records on a continuing basis upon expiration of specified retention periods. A schedule provides a system for disposal of records and eliminates the need for board approval each time the credit union wants to dispose of the same types of records created at different times.

C. What Procedures Should a Credit Union Follow When Destroying Records?

The credit union should prepare an index of any records destroyed and retain the index permanently. Destruction of records should ordinarily be carried out by at least two persons whose signatures, attesting to the fact that records were actually destroyed, should be affixed to the listing.

D. What Are the Recommended Minimum Retention Times?

Record destruction may impact the credit union's legal standing to collect on loans or defend itself in court. Since each state can impose its own rules, it is prudent for a credit union to consider consulting with local counsel when setting minimum retention periods. A record pertaining to a member's account that is not considered a vital record may be destroyed once it is verified by the supervisory committee. Individual Share and Loan Ledgers should be retained permanently. Records, for a particular period, should not be destroyed until both a comprehensive annual audit by the supervisory committee and a supervisory examination by the NCUA have been made for that period.

E. What Records Should Be Retained Permanently?

1. Official records of the credit union that should be retained permanently are:

- (a) Charter, bylaws, and amendments.
- (b) Certificates or licenses to operate under programs of various government agencies, such as a certificate to act as issuing agent for the sale of U.S. savings bonds.
- (c) Current manuals, circular letters and other official instructions of a permanent character received from the NCUA and other governmental agencies.

2. Key operational records that should be retained permanently are:

- (a) Minutes of meetings of the membership, board of directors, credit committee, and supervisory committee.
- (b) One copy of each financial report, NCUA Form 5300 or 5310, or their equivalent, and the Credit Union Profile report, NCUA

National Credit Union Administration

Pt. 760

Form 4501, or its equivalent as submitted to NCUA at the end of each quarter.

(c) One copy of each supervisory committee comprehensive annual audit report and attachments.

(d) Supervisory committee records of account verification.

(e) Applications for membership and joint share account agreements.

(f) Journal and cash record.

(g) General ledger.

(h) Copies of the periodic statements of members, or the individual share and loan ledger. (A complete record of the account should be kept permanently.)

(i) Bank reconciliements.

(j) Listing of records destroyed.

F. What Records Should a Credit Union Designate for Periodic Destruction?

Any record not described above is appropriate for periodic destruction unless it must be retained to comply with the requirements of consumer protection regulations. Periodic destruction should be scheduled so that the most recent of the following records are available for the annual supervisory committee audit and the NCUA examination. Records that may be periodically destroyed include:

(a) Applications of paid off loans.

(b) Paid notes.

(c) Various consumer disclosure forms, unless retention is required by law.

(d) Cash received vouchers.

(e) Journal vouchers.

(f) Canceled checks.

(g) Bank statements.

(h) Outdated manuals, canceled instructions, and nonpayment correspondence from the NCUA and other governmental agencies.

APPENDIX B TO PART 749—CATASTROPHIC ACT PREPAREDNESS GUIDELINES

Credit unions often look to NCUA for guidance on preparing for a catastrophic act. While NCUA has minimal regulation in this area,¹ as an aid to credit unions it is publishing this appendix of suggested guidelines. It is recommended that all credit unions develop a program to prepare for a catastrophic act. The program should be developed with oversight and approval of the

board of directors. It is recommended the program address the following five elements:

(1) A business impact analysis to evaluate potential threats;

(2) A risk assessment to determine critical systems and necessary resources;

(3) A written plan addressing:

i. Persons with authority to enact the plan;

ii. Preservation and ability to restore vital records;

iii. A method for restoring vital member services through identification of alternate operating location(s) or mediums to provide services, such as telephone centers, shared service centers, agreements with other credit unions, or other appropriate methods;

iv. Communication methods for employees and members;

v. Notification of regulators as addressed in 12 CFR 748.1(b);

vi. Training and documentation of training to ensure all employees and volunteer officials are aware of procedures to follow in the event of destruction of vital records or loss of vital member services; and

vii. Testing procedures, including a means for documenting the testing results.

(4) Internal controls for reviewing the plan at least annually and for revising the plan as circumstances warrant, for example, to address changes in the credit union's operations; and

(5) Annual testing.

The flood insurance requirement prescribed by § 760.3 does not apply with respect to:

(a) Any State-owned property covered under a policy of self-insurance satisfactory to the Director of FEMA, who publishes and periodically revises the list of States falling within this exemption; or

The credit union, or a servicer acting on behalf of the credit union, shall deposit the flood insurance premiums on behalf of the borrower in an escrow account. This escrow account will be subject to escrow requirements adopted pursuant to section 10 of the Real Estate Settlement Procedures Act of 1974 (12 U.S.C. 2609) (RESPA), which generally limits the amount that may be maintained in escrow accounts for certain types of loans and requires escrow account statements for those accounts, only if the loan is otherwise subject to RESPA. which flood insurance is available under the Act. The standard flood hazard determination form may be used in a printed, computerized, or electronic manner. A credit union may obtain the standard flood hazard determination form from FEMA, P.O. Box 2012, Jessup, MD 20794-2012.

If the borrower fails to obtain flood insurance within 45 days after notification, then the credit union or its servicer shall purchase insurance on the borrower's behalf. The credit union or its servicer may charge the borrower for the cost of premiums and fees incurred in purchasing the insurance.

[61 FR 45713, Aug. 29, 1996, as amended at 73 FR 30478, May 28, 2008]

§ 760.8 Determination fees.

(a) *General.* Notwithstanding any Federal or State law other than the Flood Disaster Protection Act of 1973, as amended (42 U.S.C. 4001-4129), any credit union, or a servicer acting on behalf of the credit union, may charge a reasonable fee for determining whether the building or mobile home securing the loan is located or will be located in a special flood hazard area. A determination fee may also include, but is

§ 760.9

12 CFR Ch. VII (1–1–10 Edition)

not limited to, a fee for life-of-loan monitoring.

(b) *Borrower fee.* The determination fee authorized by paragraph (a) of this section may be charged to the borrower if the determination:

(1) Is made in connection with a making, increasing, extending, or renewing of the loan that is initiated by the borrower;

(2) Reflects the Director of FEMA's revision or updating of floodplain areas or flood-risk zones;

(3) Reflects the Director of FEMA's publication of a notice or compendium that:

(i) Affects the area in which the building or mobile home securing the loan is located; or

(ii) By determination of the Director of FEMA, may reasonably require a determination whether the building or mobile home securing the loan is located in a special flood hazard area; or

(4) Results in the purchase of flood insurance coverage by the credit union or its servicer on behalf of the borrower under § 760.7.

(c) *Purchaser or transferee fee.* The determination fee authorized by paragraph (a) of this section may be charged to the purchaser or transferee of a loan in the case of the sale or transfer of the loan.

§ 760.9 Notice of special flood hazards and availability of Federal disaster relief assistance.

(a) *Notice requirement.* When a credit union makes, increases, extends, or renews a loan secured by a building or a mobile home located or to be located in a special flood hazard area, the credit union shall mail or deliver a written notice to the borrower and to the servicer in all cases whether or not flood insurance is available under the Act for the collateral securing the loan.

(b) *Contents of notice.* The written notice must include the following information:

(1) A warning, in a form approved by the Director of FEMA, that the building or the mobile home is or will be located in a special flood hazard area;

(2) A description of the flood insurance purchase requirements set forth in section 102(b) of the Flood Disaster

Protection Act of 1973, as amended (42 U.S.C. 4012a(b));

(3) A statement, where applicable, that flood insurance coverage is available under the NFIP and may also be available from private insurers; and

(4) A statement whether Federal disaster relief assistance may be available in the event of damage to the building or mobile home caused by flooding in a Federally-declared disaster.

(c) *Timing of notice.* The credit union shall provide the notice required by paragraph (a) of this section to the borrower within a reasonable time before the completion of the transaction and to the servicer as promptly as practicable after the credit union provides notice to the borrower and in any event no later than the time the credit union provides other similar notices to the servicer concerning hazard insurance and taxes. Notice to the servicer may be made electronically or may take the form of a copy of the notice to the borrower.

(d) *Record of receipt.* The credit union shall retain a record of the receipt of the notices by the borrower and the servicer for the period of time the credit union owns the loan.

(e) *Alternate method of notice.* Instead of providing the notice to the borrower required by paragraph (a) of this section, a credit union may obtain satisfactory written assurance from a seller or lessor that, within a reasonable time before the completion of the sale or lease transaction, the seller or lessor has provided such notice to the purchaser or lessee. The credit union shall retain a record of the written assurance from the seller or lessor for the period of time the credit union owns the loan.

(f) *Use of prescribed form of notice.* A credit union will be considered to be in compliance with the requirement for notice to the borrower of this section providing written notice to the borrower containing the language presented in the appendix to this part within a reasonable time before the completion of the transaction. The notice presented in the appendix to this part satisfies the borrower notice requirements of the Act.

§ 760.10 Notice of servicer's identity.

(a) *Notice requirement.* When a credit union makes, increases, extends, renews, sells, or transfers a loan secured by a building or mobile home located or to be located in a special flood hazard area, the credit union shall notify the Director of FEMA (or the Director's designee) in writing of the identity of the servicer of the loan. The Director of FEMA has designated the insurance provider to receive the credit union's notice of the servicer's identity. This notice may be provided electronically if electronic transmission is satisfactory to the Director of FEMA's designee.

(b) *Transfer of servicing rights.* The credit union shall notify the Director of FEMA (or the Director's designee) of any change in the servicer of a loan described in paragraph (a) of this section within 60 days after the effective date of the change. This notice may be provided electronically if electronic transmission is satisfactory to the Director of FEMA's designee. Upon any change in the servicing of a loan described in paragraph (a) of this section, the duty to provide notice under this paragraph (b) shall transfer to the transferee servicer.

APPENDIX TO PART 760—SAMPLE FORM
OF NOTICE OF SPECIAL FLOOD HAZARDS
AND AVAILABILITY OF FEDERAL
DISASTER RELIEF ASSISTANCE

We are giving you this notice to inform you that:

The building or mobile home securing the loan for which you have applied is or will be located in an area with special flood hazards.

The area has been identified by the Director of the Federal Emergency Management Agency (FEMA) as a special flood hazard area using FEMA's *Flood Insurance Rate Map* or the *Flood Hazard Boundary Map* for the following community: _____. This area has at least a one percent (1%) chance of a flood equal to or exceeding the base flood elevation (a 100-year flood) in any given year. During the life of a 30-year mort-

gage loan, the risk of a 100-year flood in a special flood hazard area is 26 percent (26%).

Federal law allows a lender and borrower jointly to request the Director of FEMA to review the determination of whether the property securing the loan is located in a special flood hazard area. If you would like to make such a request, please contact us for further information.

_____ The community in which the property securing the loan is located participates in the National Flood Insurance Program (NFIP). Federal law will not allow us to make you the loan that you have applied for if you do not purchase flood insurance. The flood insurance must be maintained for the life of the loan. If you fail to purchase or renew flood insurance on the property, Federal law authorizes and requires us to purchase the flood insurance for you at your expense.

- Flood insurance coverage under the NFIP may be purchased through an insurance agent who will obtain the policy either directly through the NFIP or through an insurance company that participates in the NFIP. Flood insurance also may be available from private insurers that do not participate in the NFIP.

- At a minimum, flood insurance purchased must cover *the lesser of*:

- (1) the outstanding principal balance of the loan; *or*

- (2) the maximum amount of coverage allowed for the type of property under the NFIP.

Flood insurance coverage under the NFIP is limited to the overall value of the property securing the loan minus the value of the land on which the property is located.

- Federal disaster relief assistance (usually in the form of a low-interest loan) may be available for damages incurred in excess of your flood insurance if your community's participation in the NFIP is in accordance with NFIP requirements.

_____ Flood insurance coverage under the NFIP is not available for the property securing the loan because the community in which the property is located does not participate in the NFIP. In addition, if the non-participating community has been identified for at least one year as containing a special flood hazard area, properties located in the community will not be eligible for Federal disaster relief assistance in the event of a Federally-declared flood disaster.

number that is available to examiners, credit unions and financial product vendors to ask investment related questions. The Hotline provides NCUA an opportunity to be aware of current investment issues as they arise in credit unions and has permitted NCUA to become proactive, rather than reactive, to such issues. In addition, investment officers advise agency management on the purchase of authorized investments for the NCUSIF and the CLF.

(14) *Office of Corporate Credit Unions.* The Director, Office of Corporate Credit Unions, manages NCUA's corporate credit union program in accordance with established policies and the corporate regulation. The Director's duties include directing chartering, examination and supervision programs to promote and assure safety and soundness; managing NCUA's corporate resources to meet program objectives in the most economical and practical manner; and maintaining good public relations with public, private and gov-

ernmental organizations, corporate credit union officials, credit union organizations, and other groups which have an interest in corporate credit union matters.

(15) *NCUA Central Liquidity Facility (CLF).* The CLF was created to improve general financial stability by providing funds to meet the liquidity needs of credit unions. It is a mixed-ownership government corporation under the Government Corporation Control Act (31 U.S.C. 9101 *et seq.*). The CLF is managed by the President, under the general supervision of the NCUA Board which serves as the CLF Board of Directors. The Chairman of the NCUA Board serves as the Chairman of the CLF Board of Directors. The Secretary of the NCUA Board serves as the Secretary of the CLF Board of Directors. The NCUA Board shall appoint the CLF President and Vice President.

Subpart A—Rules of NCUA Board Procedure

§ 791.1 Scope.

The rules contained in this subpart are the rules of procedure governing how the Board conducts its business. These rules concern the Board's exercise of its authority to act on behalf of NCUA; the conduct, scheduling and subject matter of Board meetings; and the recording of Board action.

§ 791.2 Number of votes required for board action.

The agreement of at least two of the three Board members is required for any action by the Board.

§ 791.3 Voting by proxy.

Proxy voting shall not be allowed for any action by the Board.

§ 791.4 Methods of acting.

(a) *Board meetings*—(1) *Applicability of the Sunshine Act*. The Government in the Sunshine Act (5 U.S.C. 552b, “Sunshine Act”) requires that joint deliberations of the Board be held in accordance with its open meetings provisions (5 U.S.C. 552b (b) through (f)). (Subpart C of this part contains NCUA's regulations implementing the Sunshine Act.)

(2) *Presiding officer*. The Chairman is the presiding officer, and in the Chairman's absence, the designated Vice Chairman shall preside. The presiding officer shall make procedural rulings. Any Board member may appeal a ruling made by the presiding officer. The appeal of a procedural ruling by the presiding officer shall be immediately considered by the Board, and a majority decision by the Board shall decide the procedural ruling.

National Credit Union Administration

§ 791.6

(b) *Notation voting.* Notation voting is the circulation of written memoranda and voting sheets to the office of each Board member simultaneously and the tabulation of responses.

(1) *Matters that may be decided by notation voting.* Notation voting may be used only for administrative or time sensitive, for example, enforcement or interagency actions requiring prompt Board action matters.

(2) *Notation vote sheets.* Notation vote sheets will be used to record the vote tally on a notation vote. The Secretary of the Board has administrative responsibility over notation voting, including the authority to establish deadlines for voting, receive notation vote sheets, count votes, and determine whether further action is required.

(3) *Veto of notation voting.* In view of public policy for openness reflected in the Sunshine Act, each Board member is authorized to veto the use of notation voting for the consideration of any particular matter, and thus requires that the matter be placed on the agenda of the next regularly scheduled Board meeting that is held at least ten days after the date of the veto.

(4) *Disclosure of result.* A record is to be maintained of Board transactions by use of the notation voting procedure. Public disclosure of this record is determined by the provisions of the Freedom of Information Act (5 U.S.C. 552).

§ 791.5 Scheduling of board meetings.

(a) *Meeting calls—(1) Regular meetings.* The Board will hold regular meetings each month unless there is no business or a quorum is not available. The Secretary of the Board will coordinate the dates for meetings.

(2) *Special meetings.* The Chairman shall call special meetings either on the Chairman's own initiative or within fourteen days of a request from two Board members that is accompanied by an NCUA B-1 form and a Board Action Memorandum that states the specific issue(s) or action(s) to be considered by the Board.

(b) *Notice of meetings—(1) Notifying the public.* The Sunshine Act and subpart C

set forth the procedures for notifying the public of Board meetings.

(2) *Notifying board members—(i) Special meetings.* Except in cases of emergency as determined by a majority of the Board, each Board member is entitled to receive notice of any special meeting at least twenty-four hours in advance of such meeting. The notice shall set forth the place, day, hour, and nature of business to be transacted at the meeting. In cases of emergency a record of the vote, including a statement explaining the decision that an emergency exists, will be maintained.

(ii) *Regular meetings.* Each Board member is entitled to receive notice of the agenda and/or notice of any changes in the subject matter of such meetings concurrent with the public release of such notices under the Sunshine Act. Each Board member shall be entitled to at least twenty-four hours advance notice of the consideration of a particular subject matter, except in cases of emergency as determined by a majority of the Board. In cases of emergency, a record of the vote, including a statement explaining the decision that an emergency exists, will be maintained.

§ 791.6 Subject matter of a meeting.

(a) *Agenda.* The Chairman is responsible for the final order of each meeting agenda. Items shall be placed on the agenda by determination of the Chairman or, at the request of any Board Member, an item will be placed on the agenda of the next regularly scheduled meeting provided that the request is submitted at least ten days in advance of the next regularly scheduled meeting and is accompanied by an NCUA B-1 form and a Board Action Memorandum that states the specific issue(s) or action(s) to be considered by the Board.

Subpart B—Promulgation of NCUA Rules and Regulations

§ 791.7 Scope.

The rules contained in this subpart B pertain to the promulgation of NCUA rules and regulations.

§ 791.8 Promulgation of NCUA rules and regulations.

(a) NCUA's procedures for developing regulations are governed by the Administrative Procedure Act (5 U.S.C. 551 *et seq.*), the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*), and NCUA's policies for the promulgation of rules and regulations as set forth in its Interpretive Ruling and Policy Statement 87-2 as amended by Interpretive Ruling and Policy Statement 03-2.

(b) *Proposed rulemaking.* Notices of proposed rulemaking are published in the FEDERAL REGISTER except as specified in paragraph (d) of this section or as otherwise provided by law. A notice of proposed rulemaking may also be identified as a "request for comments" or as a "proposed rule." The notice will include:

- (1) A statement of the nature of the rulemaking proceedings;
- (2) Reference to the authority under which the rule is proposed;
- (3) Either the terms or substance of the proposed rule or a description of the subjects and issues involved; and

(c) *Public participation.* After publication of notice of proposed rulemaking, interested persons will be afforded the opportunity to participate in the making of the rule through the submission of written data, views, or arguments, delivered within the time prescribed in the notice of proposed rulemaking, to the Secretary, NCUA Board, 1775 Duke Street, Alexandria, VA 22314-3428. Interested persons may also petition the

12 CFR Ch. VII (1-1-10 Edition)

Board for the issuance, amendment, or repeal of any rule by mailing such petition to the Secretary of the Board at the address given in this section.

(d) *Exceptions to notice.* The following are not subject to the notice requirement contained in paragraph (b) of this section:

(1) Matters relating to agency management or personnel or to public property, loans, grants, benefits, or contracts;

(2) When persons subject to the proposed rule are named and either personally served or otherwise have actual notice thereof in accordance with law;

(3) Interpretive rules, general statements of policy, or rules of agency organization, procedure or practice, unless notice or hearing is required by statute; and

(4) If the Board, for good cause, finds (and incorporates the finding and a brief statement therefor in the rules issued) that notice and public procedure thereon are impracticable, unnecessary, or contrary to the public interest, unless notice or hearing is required by statute.

(e) *Effective dates.* No substantive rule issued by NCUA shall be effective less than 30 days after its publication in the FEDERAL REGISTER, except that this requirement may not apply to:

(1) Rules which grant or recognize an exemption or relieve a restriction;

(3) Any substantive rule which the Board makes effective at an earlier date upon good cause found and published with such rule.

Subpart C—Public Observation of NCUA Board Meetings Under the Sunshine Act

§ 791.9 Scope.

This subpart contains regulations implementing subsections (b) through (f) of the "Government in the Sunshine Act" (5 U.S.C. 552b). The primary purpose of these regulations is to provide the public with the fullest access authorized by law to the deliberations

National Credit Union Administration

§ 791.12

and decisions of the Board, while protecting the rights of individuals and preserving the ability of the agency to carry out its responsibilities.

§ 791.10 Definitions.

For the purpose of this subpart:

(a) *Agency* means the National Credit Union Administration;

(b) *Board* means the National Credit Union Administration Board, whose members were appointed by the President with the advice and consent of the Senate;

(c) *Subdivision of the Board* means a group composed of two Board members authorized by the Board to act on behalf of the agency;

(d) *Meeting* means any deliberations by two or more members of the Board or any subdivision of the Board that determine or result in the joint conduct or disposition of official agency business with the exception of: (1) Deliberations to determine whether a meeting or a portion thereof will be open or closed to public observation and whether information regarding closed meetings will be withheld from public disclosure; (2) deliberations to determine whether or when to schedule a meeting; and (3) infrequent dispositions of official agency business by sequential circulation of written recommendations to individual Board members ("notation voting procedure"), provided the votes of each Board member and the action taken are recorded for each matter and are publicly available, unless exempted from disclosure pursuant to 5 U.S.C. 552 (the Freedom of Information Act);

(e) *Public observation* means that a member or group of the public may listen to and observe any open meeting and may record in an unobtrusive manner any portion of that meeting by use of a camera or any other electronic device, but shall not participate in any meeting unless authorized by the Board;

(f) *Public announcement* or *publicly announce* means making reasonable efforts under the particular circumstances to fully inform the public, especially those individuals who have expressed interest in the subject matters to be discussed or the decisions of the agency;

(g) *Sunshine Act* means the open meeting provisions of the "Government in the Sunshine Act" (5 U.S.C. 552b.)

§ 791.11 Open meetings.

Except as provided in § 791.12(a), any portion of any meeting of the Board shall be open to public observation. The Board, and any subdivision of the Board, shall jointly conduct official agency business only in accordance with this subpart.

§ 791.12 Exemptions.

(a) Under the procedures specified in § 791.14, the Board may close a meeting or any portion of a meeting from public observation or may withhold information pertaining to such meetings provided the Board has properly determined that the public interest does not require otherwise and that the meeting (or any portion thereof) or the disclosure of meeting information is likely to:

(1) Disclose matters that are:

(i) Specifically authorized under criteria established by an Executive Order to be kept secret in the interests of national defense or foreign policy, and

(ii) In fact properly classified pursuant to such Executive Order;

(2) Relate solely to internal personnel rules and practices;

(3) Disclose matters specifically exempted from disclosure by statute (other than section 552 of title 5 of the United States Code, the Freedom of Information Act), provided that such statute:

(i) Requires that the matters be withheld from the public in such a manner as to leave no discretion on the issue, or

(ii) Establishes particular criteria for withholding or refers to particular types of matters to be withheld;

(4) Disclose trade secrets and commercial or financial information obtained from a person and privileged or confidential;

(5) Involve accusing any person of a crime, or formally censuring any person;

(6) Disclose information of a personal nature where disclosure would constitute a clearly unwarranted invasion of personal privacy;

§ 791.13

(7) Disclose investigatory records compiled for enforcement purposes, or information which if written would be contained in such records, but only to the extent that the production of such records or information would:

(i) Interfere with enforcement proceedings,

(ii) Deprive a person of a right to a fair trial or an impartial adjudication,

(iii) Constitute an unwarranted invasion of personal privacy,

(iv) Disclose the identity of a confidential source and, in the case of a record compiled by a criminal law enforcement authority in the course of a criminal investigation, or by a Federal agency conducting a lawful national security intelligence investigation, confidential information furnished only by the confidential source,

(v) Disclose investigative techniques and procedures, or

(vi) Endanger the life or physical safety of law enforcement personnel;

(8) Disclose information contained in or related to examination, operating, or condition reports prepared by, on behalf of, or for the use of Federal agencies responsible for the regulation or supervision of financial institutions;

(9) Disclose information the premature disclosure of which would be likely to (i)(A) lead to significant speculation in currencies, securities, or commodities, or (B) significantly endanger the stability of any financial institution, or (ii) be likely to significantly frustrate implementation of a proposed action,

except that this paragraph (a)(9) shall not apply in any instance where the Board has already disclosed to the public the content or nature of its proposed action, or where the Board is required by law to make such disclosure on its own initiative prior to taking final action on such proposal; or

(10) Specifically concern the issuance of a subpoena, participation in a civil action or proceeding, an action in a foreign court or international tribunal, or an arbitration, or the initiation, conduct or disposition of a particular case of formal agency adjudication pursuant to the procedures in section 554 of title 5 of the United States Code or otherwise involving a determination on

12 CFR Ch. VII (1–1–10 Edition)

the record after opportunity for a hearing.

(b) Prior to closing a meeting whose discussions are likely to fall within the exemptions stated in paragraph (a) of this section, the Board will balance the public interest in observing the deliberations of an exemptible matter and the agency need for confidentiality of the exemptible matter. In weighing these interests, the Board is assisted by the General Counsel as provided in § 791.16, by expressions of the public interest set forth in requests for open meetings as provided by § 791.15(b), and by the brief staff analysis of public interest which will accompany each staff recommendation that an agenda item be considered in a closed meeting.

§ 791.13 Public announcement of meetings.

(a) Except as otherwise provided in this section, the Board shall, for each meeting, make a public announcement, at least one week in advance of the meeting, of the time, place and subject matter of the meeting, whether it will be open or closed to public observation, and the name and telephone number of the Secretary of the Board or the person designated by the Board to respond to requests for information about the meeting.

(b) Advance notice is required unless a majority of the members of the Board determine by a recorded vote that agency business requires that a meeting be called at an earlier date, in which case, the information to be announced in paragraph (a) of this section shall be publicly announced at the earliest practicable time.

(c) A change, including a postponement or a cancellation, in the time or place of a meeting after a published announcement may be made only if announced at the earliest practicable time.

(d) A change in or deletion of the subject matter of a meeting or any portion of a meeting or a redetermination to open or close a meeting or any portion of a meeting after a published announcement may be made only if:

(1) A majority of the Board determines by recorded vote that agency business so requires and that no earlier

National Credit Union Administration

§ 791.15

announcement of the change was possible and

(2) Public announcement of the change and of the vote of each member on such change shall be made at the earliest practicable time.

(e) Each meeting announcement or amendment thereof shall be posted on the Public Notice Bulletin Board in the reception area of the agency headquarters and may be made available by other means deemed desirable by the Board. Immediately following each public announcement required by this section, the stated information shall be submitted to the FEDERAL REGISTER for publication.

(f) No announcement shall contain information which is determined to be exempt from disclosure under § 791.12(a).

(g) The agency shall maintain a mailing list of names and addresses of all persons who wish to receive copies of agency announcements of meetings open to public observation and amendments to such announcements. Requests to be placed on the mailing list should be made by telephoning or by writing to the Secretary of the Board.

§ 791.14 Regular procedure for closing meeting discussions or limiting the disclosure of information.

(a) A decision to close any portion of a meeting and to withhold information about any portion of a meeting closed pursuant to § 791.12(a) will be taken only when a majority of the entire Board votes to take such action. In deciding whether to close a meeting or any portion of a meeting or to withhold information, the Board shall independently consider whether the public interest requires an open meeting. A separate vote of the Board will be taken and recorded for each portion of a meeting to be closed to public observation pursuant to § 791.12(a) or to withhold information from the public pursuant to § 791.12(a). A single vote may be taken and recorded with respect to a series of meetings, or any portions of meetings which are proposed to be closed to the public, or with respect to any information concerning the series of meetings, so long as each meeting in the series involves the same particular matters and is

scheduled to be held no more than thirty days after the initial meeting in such series. No proxies shall be allowed.

(b) Any person whose interests may be directly affected by any portion of a meeting for any of the reasons stated in § 791.12(a) (5), (6) or (7) may request that the Board close such portion of the meeting. After receiving notice of a person's desire for any specified portion of a meeting to be closed, the Board, upon a request by one member, will decide by recorded vote whether to close the relevant portion or portions of the meeting. This procedure applies to requests received either prior or subsequent to the announcement of a decision to hold an open meeting.

(c) Within one day after any vote is taken pursuant to paragraph (a) or (b) of this section, the Board shall make publicly available a written copy of the vote taken indicating the vote of each Board member. Except to the extent that such information is withheld and exempt from disclosure, for each meeting or any portion of a meeting closed to the public, the Board shall make publicly available within one day after the required vote, a written explanation of its action, together with a list of all persons expected to attend the closed meeting and their affiliation. The list of persons to attend need not include the names of individual staff, but shall state the offices of the agency expected to participate in the meeting discussions.

§ 791.15 Requests for open meeting.

(a) Following any announcement that the Board intends to close a meeting or any portion of any meeting, any person may make a written request to the Secretary of the Board that the meeting or a portion of the meeting be open. The request shall be circulated to the members of the Board, and the Board, upon the request of one member, shall reconsider its action under § 791.14 before the meeting or before discussion of the matter at the meeting. If the Board decides to open a portion of a meeting proposed to be closed, the Board shall publicly announce its decision in accordance with § 791.13(e). If no request is received from a Board member to reconsider the decision to close

§ 791.16

a meeting or portion thereof prior to the meeting discussion, the Chairman of the Board shall certify that the Board did not receive a request to reconsider its decision to close the discussion of the matter.

(b) The request to open a portion of a meeting shall be submitted to the Secretary of the Board in advance of the meeting in question. The request shall set forth the requestor's interest in the matter to be discussed and the reasons why the requestor believes that the public interest requires that the meeting or portions thereof be open to public observation.

(c) The submission of a request to open a portion of a meeting shall not act to stay the effectiveness of Board action or to postpone or delay the meeting unless the Board decides otherwise.

(d) The Secretary of the Board shall advise the requestor of the Board's consideration of the request to open a portion of the meeting as soon as practicable.

§ 791.16 General counsel certification.

For each meeting or any portion of a meeting closed to public observation under § 791.14, the General Counsel shall publicly certify, whether in his or her opinion, the meeting or portion thereof may be closed to public observation and shall state each relevant exemption provision of law. A copy of the certification, together with a statement from the presiding officer of the meeting setting forth the time and place of the meeting and the persons present, shall be retained as a part of the permanent meeting records. As part of the certification, the General Counsel shall recommend to the Board whether the public interest requires that the meeting or portions thereof proposed to be closed to public observation be held in the open.

§ 791.17 Maintenance of meeting records.

(a) Except in those circumstances which are beyond the control of the agency, the Board shall maintain a complete transcript or electronic recording adequate to record fully the proceedings of each meeting, or any portion thereof, closed to public obser-

12 CFR Ch. VII (1-1-10 Edition)

vation. However, for meetings closed under § 791.12(a) (8), (9)(i) or (10), the Board shall maintain either a transcript, a recording or a set of minutes. The Board shall maintain a complete electronic recording for each open meeting or any portion thereof. All records shall clearly identify each speaker.

(b) A set of minutes shall fully and clearly describe all matters discussed and shall provide a full and accurate summary of any actions taken, and the reasons for taking such action. Minutes shall also include a description of each of the views expressed by each person in attendance on any item and the record of any roll call vote, reflecting the vote of each member. All documents considered in connection with any action shall be identified in the minutes.

(c) The agency shall maintain a complete verbatim copy of the transcript, a complete copy of the minutes or a complete electronic recording of each meeting, or any portion of a meeting, closed to public observation, for at least two years after such meeting or for one year after the conclusion of any agency proceeding with respect to which the meeting or any portion was held, whichever occurs later. The agency shall maintain a complete electronic recording of each open meeting for at least three months after the meeting date. A complete set of minutes shall be maintained on a permanent basis for all meetings.

§ 791.18 Public availability of meeting records and other documents.

(a) The agency shall make promptly available to the public, in the Public Reference Room, the transcript, electronic recording, or minutes of any meeting, deleting any agenda item or any item of the testimony of a witness received at a closed meeting which the Board determined, pursuant to paragraph (c) of this section, was exempt from disclosure under § 791.12(a). The exemption or exemptions relied upon for any deleted information shall be reflected on any record or recording.

(b) Copies of any transcript, minutes or transcription of a recording, disclosing the identity of each speaker,

shall be furnished to any person requesting such information in the form specified in paragraph (a) of this section. Copies shall be furnished at the actual cost of duplication or transcription unless waived by the Secretary of the Board.

(c) Following each meeting or any portion of a meeting closed pursuant to §791.12(a), the General Counsel or his designee, after consultation with the Secretary of the Board, shall determine which, if any, portions of the meeting transcript, electronic recording or minutes not otherwise available under 5 U.S.C. 552a (the Privacy Act) contain information which should be withheld pursuant to §791.12(a). If, at a later time, the Board determines that there is no further justification for withholding any meeting record or other item of information from the public which has previously been withheld, then such information shall be made available to the public.

(d) Except for information determined by the Board to be exempt from disclosure pursuant to paragraph (c) of this section, meeting records shall be promptly available to the public in the Public Reference Room. Meeting records include but are not limited to: The transcript, electronic recording or minutes of each meeting, as required by §791.17(a); the notice requirements of §§791.13 and 791.14(c); and the General Counsel Certification along with the presiding officer's statement, as required by §791.16.

(e) These provisions do not affect the procedures set forth in part 792, subpart A, governing the inspection and copying of agency records, except that the exemptions set forth in §791.12(a) of this subpart and in 5 U.S.C. 552b(c) shall govern in the case of a request made pursuant to part 792, subpart A, to copy or inspect the meeting records described in this section. Any documents considered or mentioned at Board meetings may be obtained subject to the procedures set forth in part 792, subpart A.

GENERAL PURPOSE

§ 792.01 What is the purpose of this subpart?

This subpart describes the procedures you must follow to obtain records from NCUA under the Freedom of Information Act (FOIA), (5 U.S.C. 552).

RECORDS PUBLICLY AVAILABLE

§ 792.02 What records does NCUA make available to the public for inspection and copying?

Except for records that are exempt from public disclosure under FOIA as amended (5 U.S.C. 552) or are promptly published and copies are available for purchase, NCUA routinely makes the following five types of records available for you to inspect and copy:

National Credit Union Administration

§ 792.07

(a) Final opinions, including concurring and dissenting opinions, and orders made in the adjudication of cases;

(b) Statements of policy and interpretations which have been adopted by the agency but not published in the FEDERAL REGISTER;

(c) Administrative staff manuals and instructions to staff that affect a member of the public;

(d) Copies of all records, regardless of form or format, which have been released after March 31, 1997, in response to a FOIA request and which, because of the nature of their subject matter, NCUA determines have been or are likely to become the subject of subsequent requests; and

(e) Indices of the documents referred to in this paragraph.

§ 792.03 How will I know which records to request?

NCUA maintains current indices providing identifying information for the public for any matter referred to in § 792.02, issued, adopted, or promulgated after July 4, 1967. The listing of material in an index is for the convenience of possible users and does not constitute a determination that all of the items listed will be disclosed. NCUA has determined that publication of the indices is unnecessary and impractical. You may obtain copies of indices by making a request to the NCUA, Office of General Counsel, 1775 Duke Street, Alexandria, VA 22314-2387, *Attn:* FOIA Officer or as indicated on the NCUA Web site at www.ncua.gov. The indices are available for public inspection and copying and are provided at their duplication cost. The indices are:

(a) NCUA Publications List: Manuals relating to general and technical information, booklets published by NCUA, and the Credit Union Directory. The NCUA Publications list is available on the NCUA web site.

(b) Directives Control Index: A list of statements of policy, NCUA Instructions, Bulletins, Letters to Credit Unions, and certain internal manuals.

(c) Popular FOIA Index: Records released in response to a FOIA request, that NCUA determines are likely to be the subject of subsequent requests because of the nature of their subject

matter. The Popular FOIA Index is available on the NCUA web site.

[63 FR 14338, Mar. 25, 1998, as amended at 73 FR 56937, Oct. 1, 2008]

§ 792.04 How can I obtain these records?

You may obtain these types of records or information in the following ways:

(a) You may obtain copies of the records referenced in § 792.02 by obtaining the index referred to in § 792.03 and following the ordering instructions it contains, or by making a written request to NCUA, Office of General Counsel, 1775 Duke Street, Alexandria, Virginia 22314-3428, *Attn:* FOIA Officer or as indicated on the NCUA Web site.

(b) If they were created by NCUA on or after November 1, 1996, records referenced in § 792.02 are available on the NCUA web site, found at <http://www.ncua.gov>.

[63 FR 14338, Mar. 25, 1998, as amended at 73 FR 56937, Oct. 1, 2008]

§ 792.05 What is the significance of records made available and indexed?

The records referred to in § 792.02 may be relied on, used, or cited as precedent by NCUA against a party, provided:

(a) The materials have been indexed and either made available or published; or

(b) The party has actual and timely notice of the materials' contents.

RECORDS AVAILABLE UPON REQUEST

§ 792.06 Can I obtain other records?

Except with respect to records routinely made available under § 792.02 or published in the FEDERAL REGISTER, or to the extent that records are exempt under the FOIA, if you make a request for records in accordance with this subpart, NCUA will make such records available to you, including records maintained in electronic format, as long as you agree to pay the actual, direct costs.

§ 792.07 Where do I send my request?

(a) You must send your written request to one of NCUA's Information Centers. The Central Office and Office of Inspector General are designated as

§ 792.08

Information Centers for the NCUA. The Freedom of Information Officer of the Office of General Counsel is responsible for the operation of the Information Center maintained at the Central Office. The Inspector General is responsible for the operation of the Inspector General Information Center.

(b) If you are seeking any NCUA record, other than those maintained by the Office of Inspector General, you should send your request to NCUA, Office of the General Counsel, 1775 Duke Street, Alexandria, Virginia 22314-3428, *Attn:* FOIA Officer or as indicated on the NCUA Web site at <http://www.ncua.gov>.

(c) If you are seeking a record you think may be maintained by the NCUA Office of Inspector General, then you should send your request to the Inspector General, NCUA, 1775 Duke Street, Alexandria, Virginia 22314-3428.

[68 FR 61737, Oct. 30, 2003; 73 FR 56937, Oct. 1, 2008]

§ 792.08 What must I include in my request?

Until an Information Center receives your FOIA request, it is not obligated to search for responsive records, meet time deadlines, or release any records. A request will not be considered received if it does not include all of the items in paragraphs (a) through (c) of this section.

(a) Your request must be in writing and include the words “FOIA REQUEST” on both the envelope and request letter. The request letter must also include your name, address and a telephone number where you can be reached during normal business hours. If you would like us to respond to your FOIA request by electronic mail (e-mail), you should include your e-mail address.

(b) A reasonable description of the records you seek. A reasonable description is one that enables an NCUA employee, who is familiar with the subject area of the request, to locate the record with a reasonable amount of effort.

(c) A statement agreeing to pay all applicable fees or to pay fees up to a certain maximum amount, or requesting a fee reduction or waiver in accordance with § 792.27. If the actual fees are

12 CFR Ch. VII (1-1-10 Edition)

expected to exceed the maximum amount you indicate in your request, NCUA will contact you to see if you are willing to pay the estimated fees. If you do not want to pay the estimated fees, your request will be closed and no bill will be sent.

(d) If other than paper copy, you must identify the form and format of responsive information you are requesting.

[63 FR 14338, Mar. 25, 1998, as amended at 68 FR 61737, Oct. 30, 2003; 73 FR 56937, Oct. 1, 2008]

§ 792.09 What if my request does not meet the requirements of this subpart?

NCUA need not accept or process your request if it does not comply with the requirements of this subpart. NCUA may return such a request to you with an explanation of the deficiency. You may then submit a corrected request, which will be treated as a new request.

§ 792.10 What will NCUA do with my request?

(a) On receipt of any request, the Information Center assigns it to the appropriate processing schedule, pursuant to paragraph (b) of this section. The date of receipt for any request, including one that is addressed incorrectly or is forwarded to NCUA by another agency, is the earlier of the date the appropriate Information Center actually receives the request or 10 working days after either of NCUA’s Information Centers receives the request.

(b) NCUA has a multi-track processing system. Requests for records that are readily identifiable by the Information Center and have already been cleared for public release may qualify for fast track processing. Requests that meet the requirements of § 792.18 will be processed on the expedited track. All other requests will be handled under normal processing procedures in the order they were received.

(c) The Information Center will make the determination whether a request qualifies for fast track processing or expedited track processing. You may contact the Information Center to learn to which track your request has

been assigned. If your request has not qualified for fast track processing, you will have an opportunity to limit the scope of material requested to qualify for fast track processing. Limitations of requests must be in writing. If your request for expedited processing is not granted, you will be advised of your right to appeal.

(d) The Information Center will normally process requests in the order they are received in the separate processing tracks. However, in NCUA's discretion, a particular request may be processed out of turn.

(e) Upon a determination by the appropriate Information Center to comply with your initial request for records, the records will be made promptly available to you. If we notify you of a denial of your request, we will include the reason for the denial.

(f) The Information Center will search for records responsive to your request and will generally include all records in existence at the time the search begins. If we use a different search cut-off date, we will inform you of that date.

[63 FR 14338, Mar. 25, 1998, as amended at 68 FR 61737, Oct. 30, 2003; 73 FR 30478, May 28, 2008; 73 FR 56937, Oct. 1, 2008]

§ 792.11 What kind of records are exempt from public disclosure?

(a) All records of NCUA or any officer, employee, or agent thereof, are confidential, privileged and exempt from disclosure, except as otherwise provided in this subpart, if they are:

(1) Records specifically authorized under criteria established by an Executive Order to be kept secret in the interest of national defense or foreign policy and are in fact properly classified pursuant to an Executive Order.

(2) Records related solely to NCUA internal personnel rules and practices. This exemption applies to internal rules or instructions which must be kept confidential in order to assure effective performance of the functions and activities for which NCUA is responsible and which do not materially affect members of the public. This exemption also applies to manuals and instructions to the extent that release of the information would permit circumvention of laws or regulations.

(3) Specifically exempted from disclosure by statute, where the statute either makes nondisclosure mandatory or establishes particular criteria for withholding information.

(4) Records which contain trade secrets and commercial or financial information which relate to the business, personal or financial affairs of any person or organization, are furnished to NCUA, and are confidential or privileged. This exemption includes, but is not limited to, various types of confidential sales and cost statistics, trade secrets, and names of key customers and personnel. Assurances of confidentiality given by staff are not binding on NCUA.

(5) Inter-agency or intra-agency memoranda or letters which would not be available by law to a private party in litigation with NCUA. This exemption preserves the existing freedom of NCUA officials and employees to engage in full and frank written or taped communications with each other and with officials and employees of other agencies. It includes, but is not limited to, inter-agency and intra-agency reports, memoranda, letters, correspondence, work papers, and minutes of meetings, as well as staff papers prepared for use within NCUA or in concert with other governmental agencies.

(6) Personnel, medical, and similar files (including financial files) pertaining to another person, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy without the subject person's written consent or proof of death. Written consent consists of a written statement by the subject person, authorizing the release of the information to you, and including either the subject person's notarized signature or a declaration made under penalty of perjury that the statement is true and correct. Proof of death consists of evidence that the subject of your request is deceased—such as a death certificate, a newspaper obituary, or some comparable proof of death. Files exempt from disclosure include, but are not limited to:

(i) The personnel records of the NCUA;

§ 792.12

(ii) The personnel records voluntarily submitted by private parties in response to NCUA's requests for proposals; and

(iii) Files containing reports, records or other material pertaining to individual cases in which disciplinary or other administrative action has been or may be taken.

(7) Records or information compiled for law enforcement purposes, but only to the extent that the production of such law enforcement records or information:

(i) Could reasonably be expected to interfere with enforcement proceedings;

(ii) Would deprive a person of a right to a fair trial or an impartial adjudication;

(iii) Could reasonably be expected to constitute an unwarranted invasion of personal privacy;

(iv) Could reasonably be expected to disclose the identity of a confidential source, including a state, local, or foreign agency or authority or any private institution which furnished information on a confidential basis, and, in the case of a record or information compiled by a criminal law enforcement authority in the course of a criminal investigation on or by an agency conducting a lawful national security intelligence investigation, information furnished by the confidential source;

(v) Would disclose techniques and procedures for law enforcement investigation or prosecutions, or would disclose guidelines for law enforcement investigations or prosecutions if such disclosure could reasonably be expected to risk circumvention of the law; or

(vi) Could reasonably be expected to endanger the life or physical safety of any individual. This includes, but is not limited to, information relating to enforcement proceedings upon which NCUA has acted or will act in the future.

(8) Contained in or related to examination, operating or condition reports prepared by, or on behalf of, or for the use of NCUA or any agency responsible for the regulation or supervision of financial institutions. This includes all information, whether in formal or in-

12 CFR Ch. VII (1–1–10 Edition)

formal report form, the disclosure of which would harm the financial security of credit unions or would interfere with the relationship between NCUA and credit unions.

(b) We will provide any reasonably segregable portion of a requested record after deleting those portions that are exempt from disclosure under this section.

[63 FR 14338, Mar. 25, 1998, as amended at 73 FR 56937, Oct. 1, 2008]

§ 792.12 How will I know what records NCUA has determined to be exempt?

As long as it is technically feasible and does not threaten an interest protected by the FOIA, we will:

(a) Mark the place where we redacted information from documents released to you and note the exemption that protects the information from public disclosure; or

(b) Make reasonable efforts to include with our response to you an estimate of the volume of information withheld.

§ 792.13 Can I get the records in different forms or formats?

NCUA will provide a copy of the record in any form or format requested, such as computer disk, if the record is readily reproducible by us in that form or format, but we will not provide more than one copy of any record.

§ 792.14 Who is responsible for responding to my request?

The Freedom of Information Officer or designee is responsible for making the initial determination whether to grant or deny a request for information submitted to the Central Office Information Center. The Inspector General or designee is responsible for making the initial determination whether to grant or deny a request for information submitted to the Inspector General Information Center. This official may refer a request to an NCUA employee who is familiar with the subject area of the request. Other NCUA staff members may aid the official by providing information, advice, recommending a decision, or implementing a decision, but no NCUA employee other than an

National Credit Union Administration

§ 792.17

authorized official may make the initial determination. Referral of a request by the official to an employee will not affect the time limitation imposed in § 792.15 unless the request involves an unusual circumstance as provided in § 792.16.

[63 FR 14338, Mar. 25, 1998, as amended at 68 FR 61737, Oct. 30, 2003]

§ 792.15 How long will it take to process my request?

NCUA will respond to requests within 20 working days, except:

(a)(1) Where the running of such time is suspended while:

(i) The Information Center awaits additional information from the requester. A suspension of time for this purpose may occur only once during the processing period; and

(ii) The Information Center clarifies with the requester issues regarding the payment of fees pursuant to § 792.26.

(2) The Information Center's receipt of the requester's response to the request for additional information or clarification ends the tolling period;

(b) In unusual circumstances, as defined in 5 U.S.C. 552(a)(6)(B) and § 792.16, the time limit may be extended for:

(1) An additional 10 working days as provided by written notice to you, stating the reasons for the extension and the date on which a determination will be sent; or

(2) Such alternative time period as mutually agreed by you and the Information Office, when NCUA notifies you that the request cannot be processed in the specified time limit.

[63 FR 14338, Mar. 25, 1998, as amended at 73 FR 56938, Oct. 1, 2008]

§ 792.16 What unusual circumstances can delay NCUA's response?

(a) In unusual circumstances, the time limits for responding to your request (or your appeal) may be extended by NCUA. If NCUA extends the time, it will provide you with written notice setting forth the reasons for such extension and the date on which a determination is expected to be dispatched. Our notice will not specify a date that would result in an extension for more than 10 working days, except as set forth in paragraph (c) of this section. The unusual circumstances that can

delay NCUA's response to your request are:

(1) The need to search for, and collect the requested records from field facilities or other establishments that are separate from the office processing the request;

(2) The need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records which are demanded in a single request; or

(3) The need for consultation, which will be conducted with all practicable speed, with another agency having substantial interest in the determination of the request or among two or more components of NCUA having a substantial interest in the subject matter.

(b) If you, or you and a group of others acting in concert, submit multiple requests that NCUA believes actually constitute a single request, which would otherwise satisfy the unusual circumstances criteria specified in this section, and the requests involve related matters, then NCUA may aggregate those requests and the provisions of § 792.15(b) will apply.

(c) If NCUA sends you an extension notice, it will also advise you that you can either limit the scope of your request so that it can be processed within the statutory time limit or agree to an alternative time frame for processing your request.

[63 FR 14338, Mar. 25, 1998, as amended at 73 FR 30478, May 28, 2008]

§ 792.17 What can I do if the time limit passes and I still have not received a response?

If NCUA does not comply with the time limits under § 792.15, or as extended under § 792.16, you do not have to pay search fees; requesters qualifying for free search fees will not have to pay duplication fees. You also can file suit against NCUA because you will be deemed to have exhausted your administrative remedies if NCUA fails to comply with the time limit provisions of this subpart. If NCUA can show that exceptional circumstances exist and that it is exercising due diligence in responding to your request, the court may retain jurisdiction and allow NCUA to complete its review of the

§ 792.18

12 CFR Ch. VII (1–1–10 Edition)

records. In determining whether exceptional circumstances exist, the court may consider your refusal to modify the scope of your request or arrange an alternative time frame for processing after being given the opportunity to do so by NCUA, when it notifies you of the existence of unusual circumstances as set forth in § 792.16.

[73 FR 56938, Oct. 1, 2008]

EXPEDITED PROCESSING

§ 792.18 What if my request is urgent and I cannot wait for the records?

You may request expedited processing of your request if you can show a compelling need for the records. In cases where your request for expedited processing is granted or if NCUA has determined to expedite the response, it will be processed as soon as practicable.

(a) To demonstrate a compelling need for expedited processing, you must provide a certified statement. The statement, certified by you to be true and correct to the best of your knowledge and belief, must demonstrate that:

(1) The failure to obtain the records on an expedited basis could reasonably be expected to pose an imminent threat to the life or physical safety of an individual; or

(2) The requester is a representative of the news media, as defined in § 792.20, and there is urgency to inform the public concerning actual or alleged NCUA activity.

(b) In response to a request for expedited processing, the Information Center will notify you of the determination within ten working days of receipt of the request. If the Information Center denies your request for expedited processing, you may file an appeal pursuant to the procedures set forth in § 792.28, and NCUA will expeditiously respond to the appeal.

(c) The Information Center will normally process requests in the order they are received in the separate processing tracks. However, in NCUA's discretion, a particular request may be processed out of turn.

[63 FR 14338, Mar. 25, 1998, as amended at 73 FR 56938, Oct. 1, 2008]

FEES

§ 792.19 How does NCUA calculate the fees for processing my request?

We will charge you our allowable direct costs, unless they are less than the cost of billing you. Direct costs means those expenditures that NCUA actually incurs in searching for, duplicating and reviewing documents to respond to a FOIA request. Search means all time spent looking for material that is responsive to a request, including page-by-page or line-by-line identification of material within documents. Searches may be done manually or by computer. Search does not include modification of an existing program or system that would significantly interfere with the operation of an automated information system. Review means examining documents to determine whether any portion should be withheld and preparing documents for disclosure. Fees are subject to change as costs increase. The current rate schedule is available on our web site at <http://www.ncua.gov>. We may contract with the private sector to locate, reproduce or disseminate records. NCUA will not contract out responsibilities that FOIA requires it to discharge, such as determining the applicability of an exemption, or determining whether to waive or reduce fees. The following labor and duplication rate calculations apply:

(a) NCUA will charge fees at the following rates for manual searches for and review of records:

(1) If search/review is done by clerical staff, the hourly rate for CU-5, plus 16% of that rate to cover benefits;

(2) If search/review is done by professional staff, the hourly rate for CU-13, plus 16% of that rate to cover benefits.

(b) NCUA will charge fees at the hourly rate for CU-13, plus 16% of that rate to cover benefits, plus the hourly cost of operating the computer for computer searches for records.

(c) NCUA will charge the following duplication fees:

(1) The per-page fee for paper copy reproduction of a document is \$.10;

(2) The fee for documents generated by computer is the hourly fee for the computer operator, plus the cost of materials (computer paper, tapes, labels, etc.);

National Credit Union Administration

§ 792.25

(3) If any other method of duplication is used, NCUA will charge the actual direct cost of duplication.

[63 FR 14338, Mar. 25, 1998, as amended at 73 FR 56938, Oct. 1, 2008]

§ 792.20 What are the charges for each fee category?

The fee category definitions are:

(a) *Commercial use request* means a request from or on behalf of one who seeks information for a use or purpose that furthers the commercial, trade, or profit interests of the requester or the person on whose behalf the request is made.

(b) *Educational institution* means a preschool, an elementary or secondary school, an institution of undergraduate higher education, an institution of graduate higher education, an institution of professional education, and an institution of vocational education op-

erating a program or programs of scholarly research.

(c) *Noncommercial scientific institution* means an institution that is not operated for a "commercial" purpose as that term is used in paragraph (a) of this section and is operated solely for the purpose of conducting scientific research, the results of which are not intended to promote any particular product or industry.

(d) *Representative of the news media* means any person actively gathering news for an entity that is organized and operated to publish or broadcast news to the public. Included within the meaning of public is the credit union community. The term news means information that is about current events or that would be of current interest to the public. § 792.21 Will NCUA provide a fee estimate?

NCUA will notify you of the estimated amount if fees are likely to exceed \$25, unless you have indicated in advance a willingness to pay fees as high as those anticipated. You will then have the opportunity to confer with NCUA personnel to reformulate the request to meet your needs at a lower cost.

§ 792.22 What will NCUA charge for other services?

Complying with requests for special services is entirely at the discretion of NCUA. NCUA will recover the full costs of providing such services to the extent it elects to provide them.

§ 792.23 Can I avoid charges by sending multiple, small requests?

You may not file multiple requests, each seeking portions of a document or

similar documents, solely to avoid payment of fees. If this is done, NCUA may aggregate any such requests and charge you accordingly.

§ 792.24 Can NCUA charge me interest if I fail to pay my bill?

NCUA can assess interest charges on an unpaid bill starting on the 31st day following the date of the bill. If you fail to pay your bill within 30 days, interest will be at the rate prescribed in 31 U.S.C. 3717, and will accrue from the date of the billing.

§ 792.25 Will NCUA charge me if the records are not found or are determined to be exempt?

NCUA may assess fees for time spent searching and reviewing, even if it fails to locate the records or if records located are determined to be exempt from disclosure.

§ 792.26

12 CFR Ch. VII (1–1–10 Edition)

§ 792.26 Will I be asked to pay fees in advance?

NCUA will require you to give an assurance of payment or an advance payment only when:

(a) NCUA estimates or determines that allowable charges that you may be required to pay are likely to exceed \$250. NCUA will notify you of the likely cost and obtain satisfactory assurance of full payment where you have a history of prompt payment of FOIA fees, or require an advance payment of an amount up to the full estimated charges in the case where you have no history of payment; or

(b) You have previously failed to pay a fee charged in a timely fashion. NCUA may require you to pay the full amount owed, plus any applicable interest, or demonstrate that you have, in fact, paid the fee, and to make an advance payment of the full amount of the estimated fee before we begin to process a new request or a pending request from you.

(c) If you are required to make an advance payment of fees, then the administrative time limits prescribed in § 792.16 will begin only after NCUA has received the fee payments described.

FEE WAIVER OR REDUCTION

§ 792.27 Can fees be reduced or waived?

You may request that NCUA waive or reduce fees if disclosure of the information you request is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government, and is not primarily in your commercial interest.

(a) NCUA will make a determination of whether the public interest requirement above is met based on the following factors:

(1) Whether the subject of the requested records concerns identifiable operations or activities of the government, with a connection that is direct and clear;

(2) Whether the disclosable portions of the requested records are meaningfully informative about government operations and activities in order to be likely to contribute to an understanding of government operations or

activities. Information already in the public domain, either in a duplicate or substantially identical form where nothing new would be added to the public's understanding, would not be meaningfully informative;

(3) Whether disclosure of the requested information will contribute to public understanding, meaning a reasonably broad audience of persons interested in the subject, as opposed to the individual understanding of the requester. A requester's expertise in the subject area and ability and intention to effectively convey information to the public will be considered. Representatives of the news media are presumed to satisfy this consideration; and

(4) Whether the disclosure is likely to contribute significantly to public understanding of government operations or activities. The level of public understanding before disclosure must be enhanced by the disclosure to a significant extent.

(b) If the public interest requirement is met, NCUA will make a determination on the commercial interest requirement based upon the following factors:

(1) Whether you have a commercial interest that would be furthered by the requested disclosure; and if so

(2) Whether the magnitude of your commercial interest is sufficiently large in comparison with the public interest in disclosure, that disclosure is primarily in your commercial interest.

(c) If the required public interest exists and your commercial interest is not primary in comparison, NCUA will waive or reduce fees.

(d) If you are not satisfied with our determination on your fee waiver or reduction request, you may submit an appeal to the General Counsel in accordance with § 792.28.

[63 FR 14338, Mar. 25, 1998, as amended at 73 FR 56938, Oct. 1, 2008]

APPEALS

§ 792.28 What if I am not satisfied with the response I receive?

If you are not satisfied with NCUA's response to your request, you can file an administrative appeal. Your appeal must be in writing and must be filed

within 30 days from receipt of the initial determination (in cases of denials of an entire request, or denial of a request for fee waiver or reduction), or from receipt of any records being made available pursuant to the initial determination (in cases of partial denials). In its response to your initial request, the Freedom of Information Act Officer or the Inspector General (or designee), will notify you that you may appeal any adverse determination to the Office of General Counsel. The General Counsel, or designee, as set forth in this paragraph, will:

(a) Make a determination with respect to any appeal within 20 working days after the receipt of such appeal. If, on appeal, the denial of the request for records is, in whole or in part, upheld, the Office of General Counsel will notify you of the provisions for judicial review of that determination under FOIA. Where you do not address your appeal to the General Counsel, the time limitations stated above will be computed from the date of receipt of the appeal by the General Counsel.

(b) The General Counsel is the official responsible for determining all appeals from initial determinations. In case of this person's absence, the appropriate officer acting in the General Counsel's stead will make the appellate determination, unless such officer was responsible for the initial determination, in which case the Vice-Chairman of the NCUA Board will make the appellate determination.

(c) All appeals should be addressed to the General Counsel in the Central Office and should be clearly identified as such on the envelope and in the letter of appeal by using the indicator "FOIA-APPEAL." Failure to address an appeal properly may delay commencement of the time limitation stated in paragraph (a)(1) of this section, to take account of the time reasonably required to forward the appeal to the Office of General Counsel.

[63 FR 14338, Mar. 25, 1998, as amended at 68 FR 61737, Oct. 30, 2003; 73 FR 30478, May 28, 2008; 73 FR 56938, Oct. 1, 2008]

SUBMITTER NOTICE

§ 792.29 If I send NCUA confidential commercial information, can it be disclosed under FOIA?

(a) If you submit confidential commercial information to NCUA, it may be disclosed in response to a FOIA request in accordance with this section.

(b) For purposes of this section:

(1) *Confidential commercial information* means commercial or financial information provided to NCUA by a submitter that arguably is protected from disclosure under § 792.11(a)(4) because disclosure could reasonably be expected to cause substantial competitive harm.

(2) *Submitter* means any person or entity who provides business information, directly or indirectly, to NCUA.

(c) Submitters of business information must use good faith efforts to designate, by appropriate markings, either at the time of submission or at a reasonable time thereafter, those portions of their submissions deemed to be protected from disclosure under § 792.11(a)(4). Such a designation shall expire ten years after the date of submission.

(d) We will provide a submitter with written notice of a FOIA request or administrative appeal encompassing designated business information when:

(1) The information has been designated in good faith by the submitter as confidential commercial information deemed protected from disclosure under § 792.11(a)(4); or

(2) NCUA has reason to believe that the information may be protected from disclosure under § 792.11(a)(4).

(e) A copy of the notice to the submitter will also be provided to the FOIA requester.

(f) Through the notice described in paragraph (d) of this section, NCUA will afford the submitter a reasonable period of time within which to provide a detailed written statement of any objection to disclosure. The statement must describe why the information is confidential commercial information and why it should not be disclosed.

(g) Whenever we decide that we must disclose confidential commercial information over the objection of the submitter, we will send both the submitter

§ 792.30

and the FOIA requester, within a reasonable number of days prior to the specified disclosure date, a written notice which will include:

(1) A statement of the reasons for which the submitter's disclosure objection was not sustained; and

(2) A description of the information to be disclosed; and

(3) A specified disclosure date.

(h) If a requester brings suit to compel disclosure of confidential commercial information, we will promptly notify the submitter.

(i) The notice requirements of paragraph (d) of this section do not apply if:

(1) We determine that the information should not be disclosed;

(2) The information has been lawfully published or has been officially made available to the public;

(3) Disclosure of the information is required by law; or

(4) The designation made by the submitter in accordance with paragraph (c) of this section appears obviously frivolous; except that in such case, NCUA will provide the submitter with written notice of any final administrative decision to disclose the information within a reasonable number of days prior to the specified disclosure date.

RELEASE OF EXEMPT INFORMATION

§ 792.30 Is there a prohibition against disclosure of exempt records?

Except those authorized officials listed in § 792.14, or as provided in §§ 792.31–792.32, and subpart C of this part, no officer, employee, or agent of NCUA or of any federally-insured credit union shall disclose or permit the disclosure of any exempt records of NCUA to any person other than those NCUA or credit union officers, employees, or agents properly entitled to such information for the performance of their official duties.

§ 792.31 Can exempt records be disclosed to credit unions, financial institutions and state or federal agencies?

The NCUA Board, in its sole discretion, or any person designated by it in writing, may make available to certain governmental agencies and insured financial institutions copies of reports of examination and other documents, pa-

12 CFR Ch. VII (1–1–10 Edition)

pers or information for their use, when necessary, in the performance of their official duties or functions. All reports, documents and papers made available pursuant to this paragraph shall remain the property of NCUA. No person, agency or employee shall disclose the reports or exempt records without NCUA's express written authorization.

§ 792.32 Can exempt records be disclosed to investigatory agencies?

The NCUA Board, or any person designated by it in writing, in its discretion and in appropriate circumstances, may disclose to proper federal or state authorities copies of exempt records pertaining to irregularities discovered in credit unions which may constitute either unsafe or unsound practices or violations of federal or state, civil or criminal law.

Subpart B [Reserved]

Subpart C—Production of Non-public Records and Testimony of NCUA Employees in Legal Proceedings

SOURCE: 62 FR 56054, Oct. 29, 1997, unless otherwise noted.

§ 792.40 What does this subpart prohibit?

This subpart prohibits the release of nonpublic records or the appearance of an NCUA employee to testify in legal proceedings except as provided in this subpart. Any person possessing nonpublic records may release them or permit their disclosure only as provided in this subpart.

(a) *Duty of NCUA employees.* (1) If an NCUA employee is served with a subpoena requiring him or her to appear as a witness or produce records, the employee must promptly notify the Office of General Counsel. The General Counsel has the authority to instruct NCUA employees to refuse appearing as a witness or to withhold nonpublic records. The General Counsel may let an NCUA employee provide testimony, including expert or opinion testimony, if the General Counsel determines that the need for the testimony clearly outweighs contrary considerations.

National Credit Union Administration

§ 792.43

(2) If a court or other appropriate authority orders or demands expert or opinion testimony or testimony beyond authorized subjects contrary to the General Counsel's instructions, an NCUA employee must immediately notify the General Counsel of the order and respectfully decline to comply. An NCUA employee must decline to answer questions on the grounds that this subpart forbids such disclosure and should produce a copy of this subpart, request an opportunity to consult with the Office of General Counsel, and explain that providing such testimony without approval may expose him or her to disciplinary or other adverse action.

(b) *Duty of persons who are not NCUA employees.* (1) If you are not an NCUA employee but have custody of nonpublic records and are served with a subpoena requiring you to appear as a witness or produce records, you must promptly notify the NCUA about the subpoena. Also, you must notify the issuing court or authority and the person or entity for whom the subpoena was issued of the contents of this subpart. Notice to the NCUA is made by sending a copy of the subpoena to the General Counsel of the NCUA, Office of General Counsel, 1775 Duke Street, Alexandria, Virginia 22314-3428. After receiving notice, the NCUA may advise the issuing court or authority and the person or entity for whom the subpoena was issued that this subpart applies and, in addition, may intervene, attempt to have the subpoena quashed or withdrawn, or register appropriate objections.

(2) After notifying the Office of General Counsel, you should respond to a subpoena by appearing at the time and place stated in the subpoena. Unless authorized by the General Counsel, you should decline to produce any records or give any testimony, basing your refusal on this subpart. If the issuing court or authority orders the disclosure of records or orders you to testify, you should continue to decline to produce records or testify and should advise the Office of General Counsel.

(c) *Penalties.* Anyone who discloses nonpublic records or gives testimony related to those records, except as expressly authorized by the NCUA or as

ordered by a federal court after NCUA has had the opportunity to be heard, may face the penalties provided in 18 U.S.C. 641 and other applicable laws. Also, former NCUA employees, in addition to the prohibition contained in this subpart, are subject to the restrictions and penalties of 18 U.S.C. 207.

§ 792.41 When does this subpart apply?

This subpart applies if you want to obtain nonpublic records or testimony of an NCUA employee for legal proceedings. It doesn't apply to the release of records under the Freedom of Information Act (FOIA), 5 U.S.C. 552, or the Privacy Act, 5 U.S.C. 552a, or the release of records to federal or state investigatory agencies under § 792.32.

[62 FR 56054, Oct. 29, 1997, as amended at 65 FR 63789, Oct. 25, 2000]

§ 792.42 How do I request nonpublic records or testimony?

(a) To request nonpublic records or the testimony of an NCUA employee, you must submit a written request to the General Counsel of the NCUA. If you serve a subpoena on the NCUA or an NCUA employee before submitting a written request and receiving a final determination, the NCUA will oppose the subpoena on the grounds that you failed to follow the requirements of this subpart. You may serve a subpoena as long as it is accompanied by a written request that complies with this subpart.

(b) To request nonpublic records that are part of the records of the Office of the Inspector General or the testimony of an NCUA employee on matters within the knowledge of the NCUA employee as a result of his or her employment with the Office of the Inspector General, you must submit a written request to the Office of the Inspector General. Your request will be handled in accordance with the provisions of this subpart except that the Inspector General will be responsible for those determinations that would otherwise be made by the General Counsel.

§ 792.43 What must my written request contain?

Your written request for records or testimony must include:

§ 792.44

(a) The caption of the legal proceeding, docket number, and name of the court or other authority involved.

(b) A copy of the complaint or equivalent document setting forth the assertions in the case and any other pleading or document necessary to show relevance.

(c) A list of categories of records sought, a detailed description of how the information sought is relevant to the issues in the legal proceeding, and a specific description of the substance of the testimony or records sought.

(d) A statement as to how the need for the information outweighs the need to maintain the confidentiality of the information and outweighs the burden on the NCUA to produce the records or provide testimony.

(e) A statement indicating that the information sought is not available from another source, such as a credit union's own books and records, other persons or entities, or the testimony of someone other than an NCUA employee, for example, retained experts.

(f) A description of all prior decisions, orders, or pending motions in the case that bear upon the relevance of the records or testimony you want.

(g) The name, address, and telephone number of counsel to each party in the case.

(h) An estimate of the amount of time you anticipate that you and other parties will need with each NCUA employee for interviews, depositions, or testifying.

§ 792.44 When should I make a request?

You should submit your request at least 45 days before the date that you need the records or testimony. If you want to have your request processed in less time, you must explain why you couldn't submit the request earlier and why you need expedited processing. If you are requesting the testimony of an NCUA employee, the NCUA expects you to anticipate your need for the testimony in sufficient time to obtain it by a deposition. The General Counsel may deny a request for testimony at a legal proceeding unless you explain why you could not use deposition testimony. The General Counsel will determine the location of a deposition tak-

12 CFR Ch. VII (1–1–10 Edition)

ing into consideration the NCUA's interest in minimizing the disruption for an NCUA employee's work schedule and the costs and convenience of other persons attending the deposition.

§ 792.45 Where do I send my request?

You must send your request or subpoena for records or testimony to the attention of the General Counsel for the NCUA, Office of General Counsel, 1775 Duke Street, Alexandria, Virginia 22314-3428. You must send your request or subpoena for records or testimony from the Office of the Inspector General to the attention of the NCUA Inspector General, 1775 Duke Street, Alexandria, Virginia 22314-3428.

§ 792.46 What will the NCUA do with my request?

(a) *Factors the NCUA will consider.* The NCUA may consider various factors in reviewing a request for non-public records or testimony of NCUA employees, including:

(1) Whether disclosure would assist or hinder the NCUA in performing its statutory duties or use NCUA resources unreasonably, including whether responding to the request will interfere with NCUA employees' ability to do their work.

(2) Whether disclosure is necessary to prevent the perpetration of a fraud or other injustice in the matter or if you can get the records or testimony you want from sources other than the NCUA.

(3) Whether the request is unduly burdensome.

(4) Whether disclosure would violate a statute, executive order, or regulation, for example, the Privacy Act, 5 U.S.C. 552a.

(5) Whether disclosure would reveal confidential, sensitive or privileged information, trade secrets or similar, confidential commercial or financial information, or would otherwise be inappropriate for release and, if so, whether a confidentiality agreement or protective order as provided in § 792.48(a) can adequately limit the disclosure.

(6) Whether the disclosure would interfere with law enforcement proceedings, compromise constitutional

National Credit Union Administration

§ 792.48

rights, or hamper NCUA research or investigatory activities.

(7) Whether the disclosure could result in NCUA appearing to favor one litigant over another.

(8) Any other factors the NCUA determines to be relevant to the interests of the NCUA.

(b) *Review of your request.* The NCUA will process your request in the order it is received. The NCUA will try to respond to your request within 45 days, but this may vary depending on the scope of your request.

(c) *Final determination.* The General Counsel makes the final determination on requests for nonpublic records or NCUA employee testimony. All final determinations are in the sole discretion of the General Counsel. The General Counsel will notify you and the court or other authority of the final determination of your request. In considering your request, the General Counsel may contact you to inform you of the requirements of this subpart, ask that the request or subpoena be modified or withdrawn, or may try to resolve the request or subpoena informally without issuing a final determination. You may seek judicial review of the final determination under the Administrative Procedure Act, 5 U.S.C. 702.

§ 792.47 If my request is granted, what fees apply?

(a) *Generally.* You must pay any fees associated with complying with your request, including copying fees for records and witness fees for testimony. The General Counsel may condition the production of records or appearance for testimony upon advance payment of a reasonable estimate of the fees.

(b) *Fees for records.* You must pay all fees for searching, reviewing and duplicating records produced in response to your request. The fees will be the same as those charged by the NCUA under its Freedom of Information Act regulations, § 792.19.

(c) *Witness fees.* You must pay the fees, expenses, and allowances prescribed by the court's rules for attendance by a witness. If no such fees are prescribed, the local federal district court rule concerning witness fees, for the federal district court closest to

where the witness appears, will apply. For testimony by current NCUA employees, you must pay witness fees, allowances, and expenses to the General Counsel by check made payable to the "National Credit Union Administration" within 30 days from receipt of NCUA's billing statement. For the testimony of a former NCUA employee, you must pay witness fees, allowances, and expenses directly to the former employee, in accordance with 28 U.S.C. 1821 or other applicable statutes.

(d) *Certification of records.* The NCUA may authenticate or certify records to facilitate their use as evidence. If you require authenticated records, you must request certified copies at least 45 days before the date they will be needed. The request should be sent to the General Counsel. You will be charged a certification fee of \$5.00 per document.

(e) *Waiver of fees.* A waiver or reduction of any fees in connection with the testimony, production, or certification or authentication of records may be granted in the discretion of the General Counsel. Waivers will not be granted routinely. If you request a waiver, your request for records or testimony must state the reasons why a waiver should be granted.

[62 FR 56054, Oct. 29, 1997, as amended at 65 FR 63789, Oct. 25, 2000]

§ 792.48 If my request is granted, what restrictions apply?

(a) *Records.* The General Counsel may impose conditions or restrictions on the release of nonpublic records, including a requirement that you obtain a protective order or execute a confidentiality agreement with the other parties in the legal proceeding that limits access to and any further disclosure of the nonpublic records. The terms of a confidentiality agreement or protective order must be acceptable to the General Counsel. In cases where protective orders or confidentiality agreements have already been executed, the NCUA may condition the release of nonpublic records on an amendment to the existing protective order or confidentiality agreement.

(b) *Testimony.* The General Counsel may impose conditions or restrictions on the testimony of NCUA employees, including, for example, limiting the

§ 792.49

areas of testimony or requiring you and the other parties to the legal proceeding to agree that the transcript of the testimony will be kept under seal or will only be used or made available in the particular legal proceeding for which you requested the testimony. The General Counsel may also require you to provide a copy of the transcript of the testimony to the NCUA at your expense.

§ 792.49 Definitions.

Legal proceedings means any matter before any federal, state or foreign administrative or judicial authority, including courts, agencies, commissions, boards or other tribunals, involving such proceedings as lawsuits, licensing matters, hearings, trials, discovery, investigations, mediation or arbitration. When the NCUA is a party to a legal proceeding, it will be subject to the applicable rules of civil procedure governing production of documents and witnesses, however, this subpart will still apply to the testimony of former NCUA employees.

NCUA employee means current and former officials, members of the Board, officers, directors, employees and agents of the National Credit Union Administration, including contract employees and consultants and their employees. This definition does not include persons who are no longer employed by the NCUA and are retained or hired as expert witnesses or agree to testify about general matters, matters available to the public, or matters with which they had no specific involvement or responsibility during their employment.

Nonpublic records means any NCUA records that are exempt from disclosure under § 792.11, the NCUA regulations implementing the provisions of the Freedom of Information Act. For example, this means records created in connection with NCUA's examination and supervision of insured credit unions, including examination reports, internal memoranda, and correspondence, and, also, records created in connection with NCUA's enforcement and investigatory responsibilities.

Subpoena means any order, subpoena for records or other tangible things or for testimony, summons, notice or

12 CFR Ch. VII (1–1–10 Edition)

legal process issued in a legal proceeding.

Testimony means any written or oral statements made by an individual in connection with a legal proceeding including personal appearances in court or at depositions, interviews in person or by telephone, responses to written interrogatories or other written statements such as reports, declarations, affidavits, or certifications or any response involving more than the delivery of records.

Subpart D—Security Procedures for Classified Information

§ 792.50 Program.

(a) The NCUA's Chief Financial Officer is designated as the person responsible for implementation and oversight of NCUA's program for maintaining the security of confidential information regarding national defense and foreign relations. The Chief Financial Officer receives questions, suggestions and complaints regarding all elements of this program. The Chief Financial Officer is solely responsible for changes to the program and assures that the program is consistent with legal requirements.

(b) The Chief Financial Officer is the Agency's official contact for declassification requests regardless of the point of origin of such requests.

[54 FR 18476, May 1, 1989, as amended at 59 FR 36042, July 15, 1994; 67 FR 30774, May 8, 2002; 73 FR 30478, May 28, 2008]

§ 792.51 Procedures.

(a) *Mandatory review.* All declassification requests made by a member of the public, by a government employee or by an agency shall be handled by the Chief Financial Officer or the Chief Financial Officer's designee. Under no circumstances shall the Chief Financial Officer refuse to confirm the existence or nonexistence of a document under the Freedom of Information Act or the mandatory review provisions of other applicable law, unless the fact of its existence or nonexistence would itself be classifiable under applicable law. Although NCUA has no authority

National Credit Union Administration

§ 792.53

to classify or declassify information, it occasionally handles information classified by another agency. The Chief Financial Officer shall refer all declassification requests to the agency that originally classified the information. The Chief Financial Officer or the Chief Financial Officer's designee shall notify the requesting person or agency that the request has been referred to the originating agency and that all further inquiries and appeals must be made directly to the other agency.

(b) *Handling and safeguarding national security information.* All information classified "Top Secret," "Secret," and "Confidential" shall be delivered to the Chief Financial Officer or the Chief Financial Officer's designee immediately upon receipt. The Chief Financial Officer shall advise those who may come into possession of such information of the name of the current designee. If the Chief Financial Officer is unavailable, the designee shall lock the documents, unopened, in the combination safe located in the Office of Chief Financial Officer. If the Chief Financial Officer or the designee is unavailable to receive such documents, the documents shall be delivered to the Chief Financial Officer of the Office of Human Resources who shall lock them, unopened, in the combination safe in the Office of Human Resources. Under no circumstances shall classified materials that cannot be delivered to the Chief Financial Officer be stored other than in the two designated safes.

(c) *Storage.* All classified documents shall be stored in the combination safe located in the Chief Financial Officer's Office, except as provided in paragraph (b) of this section. The combination shall be known only to the Chief Financial Officer and the Chief Financial Officer's designee holding the proper security clearance.

(d) *Employee education.* The Chief Financial Officer shall send a memo to every NCUA employee who:

- (1) Has a security clearance and
- (2) May handle classified materials.

This memo shall describe NCUA procedures for handling, reproducing and storing classified documents. The Chief Financial Officer shall require each such employee to review Executive Order 12356.

(e) *Agency terminology.* The National Credit Union Administration's Central Office shall use the terms "Top Secret," "Secret" or "Confidential" only in relation to materials classified for national security purposes.

Subpart E—The Privacy Act

SOURCE: 54 FR 18476, May 1, 1989, unless otherwise noted. Redesignated at 63 FR 14338, Mar. 25, 1998. Nomenclature change at 73 FR 56938, Oct. 1, 2008.

§ 792.52 Scope.

This subpart governs requests made of NCUA under the Privacy Act (5 U.S.C. 552a). The regulation applies to all records maintained by NCUA which contain personal information about an individual and some means of identifying the individual, and which are contained in a system of records from which information may be retrieved by use of an identifying particular; sets forth procedures whereby individuals may seek and gain access to records concerning themselves and request amendments of those records; and sets forth requirements applicable to NCUA employees' maintaining, collecting, using, or disseminating such records.

§ 792.53 Definitions.

For purposes of this subpart:

(a) *Individual* means a citizen of the United States or an alien lawfully admitted for permanent residence.

(b) *Maintain* includes maintain, collect, use, or disseminate.

(c) *Record* means any item, collection, or grouping of information about an individual that is maintained by NCUA, and that contains the name, or an identifying number, symbol, or other identifying particular assigned to the individual.

(d) *System of records* means a group of any records under NCUA's control from which information is retrieved by the name of the individual or by some identifying number, symbol, or other identifying particular assigned to the individual.

(e) *Routine use* means, with respect to the disclosure of a record, the use of

An individual who does not have access to the FEDERAL REGISTER and who is unable to determine the appropriate system manager to whom to submit a request may submit a request to the Privacy Officer, Office of General Counsel, National Credit Union Administration, 1775 Duke Street, Alexandria, VA 22314-3428, in which case the request will be referred to the appropriate system manager.

Individuals must also meet the identification requirements in § 792.55.

[73 FR 56938, Oct. 1, 2008]

§ 792.55 Times, places, and requirements for identification of individuals making requests and identification of records requested.

(a) The following standards are applicable to an individual submitting requests either in person or by mail under § 792.54:

(1) Individuals appearing in person, if not personally known to the system manager responding to the request, must present a single document bearing a photograph (such as a passport or identification badge) or two items of identification which do not bear a photograph but do bear both a name and address (such as a driver's license or voter registration card);

(2) Individuals submitting requests by mail or written electronic form, such as facsimile or e-mail, may establish identity by a signature, address, date of birth, employee identification number if any, and one other identifier such as a photocopy of driver's license or other document. If inadequate identifying information is provided, the system manager responding to the request may require further identifying information before any notification or responsive disclosure.

(3) Individuals appearing in person or submitting requests by mail or written electronic form, who cannot provide the required documentation or identification, may provide an unsworn declaration subscribed to as true under penalty of perjury.

(b) The parent or guardian of a minor or a person judicially determined to be incompetent shall, in addition to establishing identity of the minor or other person as required in paragraph (a) of this section, furnish a copy of a birth certificate showing parentage or a court order establishing guardianship.

§ 792.57

whom the record pertains provided the system manager receives written authorization from the individual who is the subject of the record.

(d) An individual seeking to review records about that individual may be accompanied by another person of their own choosing. In such cases, the individual seeking access shall be required to furnish a written statement authorizing discussion of that individual's records in the accompanying person's presence.

(e) In addition to the requirements set forth in paragraphs (a), (b) and (c) of this section, the published "Notice of System of Records" for individual systems may include further requirements of identification where necessary to retrieve the individual records from the system.

§ 792.56 Notice of existence of records, access decisions and disclosure of requested information; time limits.

(a) The system manager identified in the record access procedure section of the "Notice of Systems of Records" and identified in accordance with § 792.54(a), by an individual seeking notification of, or access to, a record, shall be responsible:

(1) For determining whether access is available under the Privacy Act; (2) for notifying the requesting individual of that determination; and (3) for providing access to information determined to be available. In the case of an individual access request made in person, information determined to be available shall be provided by allowing a personal review of the record or portion of a record containing the information requested and determined to be available, and the individual shall be allowed to have a copy of all or any portion of available information made in a form comprehensible to him. In the case of an individual access request made by mail, information determined to be available shall be provided by mail, unless the individual has requested otherwise.

(b) The following time limits shall be applicable to the required determina-

tions, notification and provisions of access set forth in paragraph (a) of this section:

(1) A request concerning a single system of records which does not require consultation with or requisition of records from another agency will be responded to within 20 working days after receipt of the request.

(2) A request requiring requisition of records from or consultation with another agency will be responded to within 30 working days of receipt of the request.

(3) If a request under paragraphs (b)(1) or (2) of this section presents unusual difficulties in determining whether the records involved are exempt from disclosure, the Privacy Act Officer, in the Office of General Counsel, may extend the time period established by the regulations by 10 working days.

(c) Nothing in this section shall be construed to allow an individual access to any information compiled in reasonable anticipation of a civil action or proceeding, or any information exempted from the access provisions of the Privacy Act.

(a) When a request for records or information from NCUA includes information furnished by other Federal agencies, the system manager responsible for action on the request shall consult with the appropriate agency prior to making a decision to disclose or refuse access to the record, but the decision whether to disclose the record shall be made in the first instance by the system manager.

(b) Medical records may be disclosed on request to the individuals to whom they pertain unless disclosing the medical information directly to the requesting individual could have an adverse effect on the individual. Where medical information is potentially adverse to the requesting individual, the system manager responsible may advise the requesting individual that the medical records will be transmitted

only to a physician designated in writing by the individual.

§ 792.58 Requests for correction or amendment to a record; administrative review of requests.

(a) An individual may request amendment of a record concerning that individual by submitting a written request, either in person or by mail, to the system manager identified in the Notice of Systems of Records. The words “PRIVACY ACT—REQUEST TO AMEND RECORD” should be written on the letter and the envelope. The request must describe the system of records containing the record sought to be amended, indicate the particular record involved, the nature of the correction sought, and the justification for the correction or amendment. An individual who does not have access to NCUA’s Notice of Systems of Records, and to whom the appropriate address is otherwise unavailable, may submit a request to the Privacy Act Officer, Office of General Counsel, National Credit Union Administration, 1775 Duke Street, Alexandria, Virginia 22314-3428, in which case the request will then be referred to the appropriate system manager. The date of receipt of the request will be determined as of the date of receipt by the system manager.

(b) Within 10 working days of receipt of the request, the appropriate system manager shall advise the individual that the request has been received. The appropriate system manager will promptly (under normal circumstances, not later than 30 working days after receipt of the request) advise the individual that the record will be amended or corrected, or inform the individual of rejection of the request to amend the record, the reason for the rejection, and the procedures established by § 792.59 for the individual to request a review of that rejection.

§ 792.59 Appeal of initial determination.

(a) A rejection, in whole or in part, of a request to amend or correct a record may be appealed to the General Counsel within 30 working days of receipt of notice of the rejection. Appeals shall be in writing, and shall set forth the specific item of information sought to be corrected and the documentation justifying the correction. Appeals must be addressed to the Office of General Counsel, National Credit Union Administration, 1775 Duke Street, Alexandria, VA 22314-3428 with the words “PRIVACY ACT—APPEAL” written on the letter and the envelope. Appeals shall be decided within 30 working days of receipt unless the General Counsel, for good cause, extends such period for an additional 30 working days.

(b) Within the time limits set forth in paragraph (a) of this section, the General Counsel shall either advise the individual of a decision to amend or correct the record, or advise the individual of a determination that an amendment or correction is not warranted on the facts, in which case the individual shall be advised of the right to provide for the record a “Statement of Disagreement” and of the right to further appeal pursuant to the Privacy Act. For records under the jurisdiction of the Office of Personnel Management, appeals will be made pursuant to that agency’s regulations.

(c) If an appeal under this section is denied in whole or in part, an individual may file a statement of disagreement concisely stating the reason(s) for disagreeing with the denial for amendment or correction, and clearly identifying each part of any record that is disputed. The statement must be sent within 30 working days of the date of receipt of the notice of General Counsel’s refusal to authorize amendment or correction, to the General Counsel, National Credit Union Administration, 1775 Duke Street, Alexandria, VA 22314-3428. Upon receipt of a statement of disagreement in accordance with this section, the General Counsel shall take steps to ensure that the statement is included in the system of records containing the disputed item and that the original item is so marked to indicate that there is a

National Credit Union Administration

statement of dispute and where, within the system of records, that statement may be found.

(d) When a record has been amended or corrected or a statement of disagreement has been furnished, the system manager for the system of records containing the record shall, within 30 days thereof, advise all prior recipients of information to which the amendment or statement of disagreement relates whose identity can be determined by an accounting made as required by the Privacy Act of 1974 or any other accounting previously made, of the amendment or statement of disagreement. When a statement of disagreement has been furnished, the system manager shall also provide any subsequent recipient of a disclosure containing information to which the statement relates with a copy of the statement and note the disputed portion of the information disclosed. A concise statement of the reasons for not making the requested amendment may also be provided if deemed appropriate.

(e) If access is denied because of an exemption, the individual will be notified of the right to appeal that determination to the General Counsel within 30 days after receipt. Appeals will be determined within 20 working days.

§ 792.60 Disclosure of record to person other than the individual to whom it pertains.

No record or item of information concerning an individual which is contained in a system of records maintained by NCUA shall be disclosed by any means of communication to any person, or to another agency, without the prior written consent of the individual to whom the record or item of information pertains, unless the disclosure would be—

(a) To an employee of the NCUA who has need for the record in the performance of duty;

(e) To a recipient who has provided the NCUA with advance adequate written assurance that the record or item will be used solely as a statistical research or reporting record, and the record is to be transferred in a form that is not individually identifiable;

(f) To the National Archives and Records Administration as a record or item which has sufficient historical or other value to warrant its continued preservation by the United States Government, or for evaluation by the Archivist of the United States or the designee of the Archivist to determine whether the record has such value;

(g) To another agency or to an instrumentality of any governmental jurisdiction within or under the control of the United States for a civil or criminal law enforcement activity if the activity is authorized by law, and if the head of the agency or instrumentality has made a written request to NCUA specifying the particular portion desired and the law enforcement activity for which the record or item is sought;

(h) To a person pursuant to a showing of compelling circumstances affecting the health or safety of an individual if, upon such disclosure, notification is transmitted to the last known address of such individual;

(i) To either House of Congress, or, to the extent of matter within its jurisdiction, any committee or subcommittee thereof, any joint committee of Congress or subcommittee of any such joint committee;

§ 792.61 Accounting for disclosures.

(a) Each system manager identified in the "Notice of Systems of Records" must establish a system of accounting for all disclosures of information or records under the Privacy Act made outside NCUA. Accounting procedures may be established in the least expensive and most convenient form that will permit the system manager to advise individuals, promptly upon request, of the persons or agencies to which records concerning them have been disclosed.

(b) Accounting records, at a minimum, shall include the information disclosed, the name and address of the person or agency to whom disclosure was made, and the date of disclosure. When records are transferred to the National Archives and Records Administration for storage in records centers, the accounting pertaining to those records shall be transferred with the records themselves.

(c) Any accounting made under this section shall be retained for at least five years or the life of the record, whichever is longer, after the disclosure for which the accounting is made.

[54 FR 18476, May 1, 1989, as amended at 73 FR 56939, Oct. 1, 2008]

§ 792.62 Requests for accounting for disclosures.

At the time of the request for access or correction or at any other time, an individual may request an accounting of disclosures made of the individual's record outside the NCUA. Request for accounting shall be directed to the system manager. Any available accounting, whether kept in accordance with the requirements of the Privacy Act or under procedures established prior to September 27, 1975, shall be made available to the individual, except that an accounting need not be made available if it relates to:

(a) A disclosure made pursuant to the Freedom of Information Act (5 U.S.C. 552);

12 CFR Ch. VII (1–1–10 Edition)

(b) A disclosure made within the NCUA;

(c) A disclosure made to a law enforcement agency pursuant to 5 U.S.C. 552a(b)(7);

(d) A disclosure which has been exempted from the provisions of 5 U.S.C. 552a(c)(3) pursuant to 5 U.S.C. 552a (j) or (k).

§ 792.63 Collection of information from individuals; information forms.

(a) The system manager for each system of records is responsible for reviewing all forms developed and used to collect information from or about individuals for incorporation into the system of records.

(b) The purpose of the review shall be to eliminate any requirement for information that is not relevant and necessary to carry out an NCUA function and to accomplish the following objectives:

(1) To ensure that no information concerning religion, political beliefs or activities, association memberships (other than those required for a professional license), or the exercise of other First Amendment rights is required to be disclosed unless such requirement of disclosure is expressly authorized by statute or by the individual about whom the record is maintained, or unless pertinent to and within the scope of any authorized law enforcement activity;

(2) To ensure that the form or accompanying statement makes clear to the individual which information by law must be disclosed and the authority for that requirement, and which information is voluntary;

(3) To ensure that the form or accompanying statement makes clear the principal purpose or purposes for which the information is being collected, and states concisely the routine uses that will be made of the information;

(4) To ensure that the form or accompanying statement clearly indicates to the individual the effects on him or her, if any, of refusing to provide some or all of the requested information; and

(5) To ensure that any form requesting disclosure of a social security number, or an accompanying statement, clearly advises the individual of the

National Credit Union Administration

§ 792.66

statute or regulation requiring disclosure of the number, or clearly advises the individual that disclosure is voluntary and that no consequence will flow from a refusal to disclose it, and the uses that will be made of the number whether disclosed mandatorily or voluntarily.

(c) Any form which does not meet the objectives specified in the Privacy Act and this section shall be revised to conform thereto.

[54 FR 18476, May 1, 1989, as amended at 73 FR 56939, Oct. 1, 2008]

§ 792.64 Contracting for the operation of a system of records.

(a) No NCUA component shall contract for the operation of a system of records by or on behalf of the Agency without the express approval of the NCUA Board.

(b) Any contract which is approved shall continue to ensure compliance with the requirements of the Privacy Act. The contracting component shall have the responsibility for ensuring that the contractor complies with the contract requirements relating to the Privacy Act.

§ 792.65 Fees.

(a) Fees pursuant to 5 U.S.C. 552a(f)(5) shall be assessed for actual copies of records provided to individuals on the following basis, unless the system manager determining access waives the fee because of the inability of the individual to pay or the cost of collecting the fee exceeds the fee:

(1) For copies of documents provided, copy fees as stated in NCUA's current FOIA fee schedule; and

(2) For copying information, if any, maintained in nondocument form, the direct cost to NCUA may be assessed.

(b) If it is determined that access fees chargeable under this section will amount to more than \$25, and the individual has not indicated in advance willingness to pay fees as high as are anticipated, the individual shall be notified of the amount of the anticipated fees before copies are made, and the individual's access request shall not be considered to have been received until

receipt by NCUA of written agreement to pay.

§ 792.66 Exemptions.

(a) NCUA maintains several systems of records that are exempted from some provisions of the Privacy Act. The system number and name, description of records contained in the system, exempted provisions and reasons for exemption are as follows:

(b)(1) System NCUA-1, entitled "Employee Suitability Security Investigations Containing Adverse Information," consists of adverse information about NCUA employees that had been obtained as a result of routine U.S. Office of Personnel Management (OPM) security investigations. To the extent that NCUA maintains records in this system pursuant to OPM guidelines that may require retrieval of information by use of individual identifiers, those records are encompassed by and included in the OPM Central system of records number Central-9 entitled, "Personnel Investigations Records," and thus are subject to the exemptions promulgated by OPM. Additionally, in order to ensure the protection of properly confidential sources, particularly as to those records which are not maintained pursuant to such Office of Personnel Management requirements, the records in these systems of records are exempted, pursuant to section k(5) of the Privacy Act (5 U.S.C. 552a(k)(5)), from section (d) of the Act (5 U.S.C. 552a(d)). To the extent that disclosure of a record would reveal the identity of a confidential source, NCUA need not grant access to that record by its subject. Information which would reveal a confidential source shall, however, whenever possible, be extracted or summarized in a manner which protects the source and the summary or extract shall be provided to the requesting individual.

(2) System NCUA-8, entitled, "Investigative Reports Involving Any Crime or Suspicious Activity Against a Credit Union, NCUA," consists of investigatory or enforcement records about individuals suspected of involvement in violations of laws or regulations,

whether criminal or administrative. These records are maintained in an overall context of general investigative information concerning crimes against credit unions. To the extent that individually identifiable information is maintained for purposes of protecting the security of any investigations by appropriate law enforcement authorities and promoting the successful prosecution of all actual criminal activity, the records in this system are exempted, pursuant to section k(2) of the Privacy Act (5 U.S.C. 552a (k)(2)), from sections (c)(3), (d), (e)(1), (e)(2), (e)(4)(G), (e)(4)(H), (f), and (g). The records in this system are also exempted pursuant to section (j)(2) of the Privacy Act, 5 U.S.C. 552a(j)(2), from sections (c)(3), (d), (e)(1), (e)(2), (e)(4)(G), (e)(4)(H), (f), and (g). Where possible, information that would identify a confidential source will be extracted or summarized in a manner that protects the source and the summary or extract will be provided to the requesting individual.

(3) System NCUA–20, entitled, “Office of Inspector General (OIG) Investigative Records,” consists of OIG records of closed and pending investigations of individuals alleged to have been involved in criminal violations. The records in this system are exempted pursuant to Sections (k)(2) of the Privacy Act, 5 U.S.C. 552a(k)(2), from sections (c)(3); (d); (e)(1); (e)(4)(G); (e)(4)(H); (e)(4)(I); and (f). The records in this system are also exempted pursuant to Section (j)(2) of the Privacy Act, 5 U.S.C. 552a(j)(2), from sections (c)(3); (c)(4); (d); (e)(1); (e)(2); (e)(3); and (g). NCUA need not make an accounting of previous disclosures of a record in this system of records available to its subject, and NCUA need not grant access to any records in this system of records by their subject. Further, whenever individuals request records about themselves and maintained in this system of records, the NCUA will advise the individuals only that no records available to them pursuant to the Privacy Act of 1974 have been identified. However, if review of the record reveals that the information contained therein has been used or is being used to deny the individuals any right, privilege or benefit for which they are

eligible or to which they would otherwise be entitled under federal law, the individuals will be advised of the existence of the information and will be provided the information, except to the extent disclosure would identify a confidential source. Where possible, information which would identify a confidential source will be extracted or summarized in a manner which protects the source and the summary or extract will be provided to the requesting individual.

(4) System NCUA–13, entitled, “Litigation Case Files,” consists of investigatory materials compiled for law enforcement purposes. Records in the Litigation Case Files system are used in connection with the execution of NCUA’s legal and enforcement responsibilities. Because the system covers investigatory materials compiled for law enforcement purposes, it is eligible for exemption under subsection (k)(2) of the Privacy Act, 5 U.S.C. 552a(k)(2). The Litigation Case Files system is exempt from subsections (c)(3), (d), (e)(1), (e)(4)(G), (H), (I) and (f) of the Privacy Act, 5 U.S.C. 552a (c)(3), (d), (e)(1), (e)(4)(G), (H), (I) and (f). However, if an individual is denied any right, privilege, or benefit to which he would otherwise be entitled by federal law, or for which he otherwise would be eligible, as a result of the maintenance of such records, the records or information will be made available to him, provided the identity of a confidential source is not disclosed. NCUA need not make an accounting of previous disclosures of a record in this system of records available to its subject, and NCUA need not grant access to any records in this system of records by their subject. Further, whenever individuals request records about themselves and maintained in this system of records, the NCUA will advise the individuals only that no records available to them pursuant to the Privacy Act of 1974 have been identified. However, if review of the record reveals that the information contained therein has been used or is being used to deny the individuals any right, privilege or benefit for which they are eligible or to which they would otherwise be entitled under federal law, the individuals will be advised of the existence of the information and

National Credit Union Administration

§ 792.69

will be provided the information, except to the extent disclosure would identify a confidential source. Where possible, information that would identify a confidential source will be extracted or summarized in a manner which protects the source and the summary or extract will be provided to the requesting individual.

(c) For purposes of this section, a “confidential source” means a source who furnished information to the Government under an express promise that the identity of the source would remain confidential, or, prior to September 27, 1976, under an implied promise that the identity of the source would be held in confidence.

[54 FR 18476, May 1, 1989, as amended at 60 FR 31912, June 19, 1995; 64 FR 57365, Oct. 25, 1999; 65 FR 63790, Oct. 25, 2000; 73 FR 56940, Oct. 1, 2008]

§ 792.67 Security of systems of records.

(a) Each system manager, with the approval of the head of that Office, shall establish administrative and physical controls to insure the protection of a system of records from unauthorized access or disclosure and from physical damage or destruction. The controls instituted shall be proportional to the degree of sensitivity of the records, but at a minimum must insure: that records are enclosed in a manner to protect them from public view; that the area in which the records are stored is supervised during all business hours to prevent unauthorized personnel from entering the area or obtaining access to the records; and that the records are inaccessible during nonbusiness hours.

(b) Each system manager, with the approval of the head of that Office, shall adopt access restriction to insure that only those individuals within the agency who have a need to have access to the records for the performance of duty have access. Procedures shall also be adopted to prevent accidental access to or dissemination of records.

§ 792.68 Use and collection of Social Security numbers.

The head of each NCUA Office shall take such measures as are necessary to ensure that employees authorized to collect information from individuals

are advised that individuals may not be required without statutory or regulatory authorization to furnish Social Security numbers, and that individuals who are requested to provide Social Security numbers voluntarily must be advised that furnishing the number is not required and that no penalty or denial of benefits will flow from the refusal to provide it.

§ 792.69 Training and employee standards of conduct with regard to privacy.

(a) The Director of the Office of Human Resources, with advice from the Senior Privacy Act Officer, is responsible for training NCUA employees in the obligations imposed by the Privacy Act and this subpart.

(b) The head of each NCUA Office shall be responsible for assuring that employees subject to that person's supervision are advised of the provisions of the Privacy Act, including the criminal penalties and civil liabilities provided therein, and that such employees are made aware of their responsibilities to protect the security of personal information, to assure its accuracy, relevance, timeliness, and completeness, to avoid unauthorized disclosure either orally or in writing, and to insure that no information system concerning individuals, no matter how small or specialized, is maintained without public notice.

(c) With respect to each system of records maintained by NCUA, Agency employees shall:

(1) Collect no information of a personal nature from individuals unless authorized to collect it to achieve a function or carry out an NCUA responsibility;

(2) Collect from individuals only that information which is necessary to NCUA functions or responsibilities;

(3) Collect information, wherever possible, directly from the individual to whom it relates;

(4) Inform individuals from whom information is collected of the authority for collection, the purposes thereof, the routine uses that will be made of the information, and the effects, both legal and practical, of not furnishing the information;

Pt. 793

(5) Not collect, maintain, use, or disseminate information concerning an individual's religious or political beliefs or activities or his membership in associations or organizations, unless:

(i) The individual has volunteered such information for his own benefit;

(ii) The information is expressly authorized by statute to be collected, maintained, used, or disseminated; or

(iii) Activities involved are pertinent to and within the scope of an authorized investigation or adjudication.

(6) Advise their supervisors of the existence or contemplated development of any record system which retrieves information about individuals by individual identifier.

(7) Maintain an accounting, in the prescribed form, of all dissemination of personal information outside NCUA, whether made orally or in writing;

(8) Disseminate no information concerning individuals outside NCUA except when authorized by 5 U.S.C. 552a or pursuant to a routine use as set forth in the "routine use" section of the "Notice of Systems of Records" published in the FEDERAL REGISTER.

(9) Maintain and process information concerning individuals with care in order to ensure that no inadvertent disclosure of the information is made either within or outside NCUA; and

(10) Call to the attention of the proper NCUA authorities any information in a system maintained by NCUA which is not authorized to be maintained under the provisions of the Privacy Act, including information on First Amendment activities, information that is inaccurate, irrelevant or so incomplete as to risk unfairness to the individuals concerned.

(c) Heads of offices within NCUA shall, at least annually, review the record systems subject to their supervision to ensure compliance with the provisions of the Privacy Act.

In addition, the claimant may be required to submit to a physical and/or mental examination by a physician employed or designated by the National Credit Union Administration. A copy or report of the examining physician shall be made available to the claimant upon the claimant's written request provided that claimant has, upon request, furnished the report referred to in the first sentence of this paragraph and has made or agrees to make available to the National Credit Union Administration any other physician's reports previously or thereafter made of the physical or mental condition which is the subject of his claim.

(4) A statement listing date of purchase, purchase price, market value of the property as of date of damage, and salvage value, where repair is not economical.

(5) Any other evidence or information which may have a bearing on the responsibility of the United States for the injury to or loss of property or the damages claimed.

(d) *Time limit.* All evidence required to be submitted by this section shall be furnished by the claimant within a reasonable time. Failure of a claimant to furnish evidence necessary for a determination of his claim within 3 months after a request therefor has been mailed to his last known address may be deemed an abandonment of the claim. The claim may be thereupon disallowed.

§ 793.5 Investigation, examination, and determination of claims.

When a claim is received, the constituent agency out of whose activities the claim arose shall make such investigation as may be necessary or appropriate for a determination of the validity of the claim and thereafter shall forward the claim, together with all pertinent material, and a recommendation based on the merits of the case, with regard to the allowance or disallowance of the claim, to the Office of General Counsel, National Credit Union Administration to whom authority has been delegated to adjust, determine, compromise and settle all claims hereunder.

§ 793.6 Final denial of claim.

(a) Final denial of an administrative claim shall be in writing and sent to the claimant, his attorney, or legal representative by certified or registered mail. The notification of final denial may include a statement of the reasons for the denial and shall include a statement that, if the claimant is dissatisfied with the action of the National Credit Union Administration, he may file suit in an appropriate U.S. District Court not later than 6 months after the date of mailing the notification.

(b) Prior to the commencement of suit and prior to the expiration of the 6-month period after the date of mailing, by certified or registered mail of notice of final denial of the claim as provided in 28 U.S.C. 2401(b), a claimant, his duly authorized agent, or legal representative, may file a written request with the National Credit Union Administration for reconsideration of a final denial of a claim under paragraph (a) of this section. Upon the timely filing of a request for reconsideration the National Credit Union Administration shall have 6 months from the date of filing in which to make a final disposition of the claim and the claimant's option under 28 U.S.C. 2675(a) to bring suit shall not accrue until 6 months after the filing of a request for reconsideration. Final National Credit Union Administration action on a request for reconsideration shall be effected in accordance with the provisions of paragraph (a) of this section.

§ 793.7 Payment of approved claims.

(a) Upon allowance of his claim, claimant or his duly authorized agent shall sign the voucher for payment, Standard Form 1145, before payment is made.

(b) When the claimant is represented by an attorney, the voucher for payment (S.F. 1145) shall designate both the claimant and his attorney as "payees." The check shall be delivered to the attorney whose address shall appear on the voucher.

§ 793.8 Release.

Acceptance by the claimant, his agent or legal representative, of any award, compromise or settlement made

hereunder, shall be final and conclusive on the claimant, his agent or legal representative and any other person on whose behalf or for whose benefit the claim has been presented, and shall constitute a complete release of any claim against the United States and any employee of the Government whose act or omission gave rise to the claim, by reason of the same subject matter.

§ 793.9 Penalties.

A person who files a false claim or makes a false or fraudulent statement in a claim against the United States may be liable to a fine of not more than \$10,000 or to imprisonment of not more than 5 years, or both (18 U.S.C. 287-1001), and, in addition, to a forfeiture of \$2,000 and a penalty of double the loss or damage sustained by the United States (31 U.S.C. 231).

§ 793.10 Limitation on National Credit Union Administration's authority.

(a) An award, compromise or settlement of a claim hereunder in excess of \$25,000 shall be effected only with the prior written approval of the Attorney General or his designee. For purposes of this paragraph, a principal claim and any derivative or subrogated claim shall be treated as a single claim.

(b) An administrative claim may be adjusted, determined, compromised or settled hereunder only after consultation with the Department of Justice when, in the opinion of the National Credit Union Administration:

(1) A new precedent or a new point of law is involved; or

(2) A question of policy is or may be involved; or

(3) The United States is or may be entitled to indemnity or contribution from a third party and the National Credit Union Administration is unable to adjust the third party claim; or

(4) The compromise of a particular claim, as a practical matter, will or may control the disposition of a related claim in which the amount to be paid may exceed \$25,000.

(c) An administrative claim may be adjusted, determined, compromised or settled only after consultation with the Department of Justice when it is learned that the United States or any

employee, agent or cost-plus contractor of the United States is involved in litigation based on a claim arising out of the same incident or transaction.

Complaints filed on behalf of classes or third parties shall describe or identify (by name, if possible) the alleged victims of discrimination.

(ii) Has a physical or mental impairment that substantially limits major life activities only as a result of the attitudes of others toward such impairment; or

(iii) Has none of the impairments defined in paragraph (1) of this definition but is treated by the agency as having such an impairment.

(2) With respect to any other agency program or activity under which a person is required to perform services or to achieve a level of accomplishment, a handicapped person who meets the essential eligibility requirements and who can achieve the purpose of the program or activity without modifications in the program or activity that the agency can demonstrate would result in a fundamental alteration in its nature;

(3) With respect to any other program or activity, a handicapped person who meets the essential eligibility requirements for participation in, or receipt of benefits from, that program or activity; and

(4) *Qualified handicapped person* is defined for purposes of employment in 29 CFR 1613.702(f), which is made applicable to this part by § 794.140.

§§ 794.104–794.109 [Reserved]

(a) The agency shall, by August 24, 1987, evaluate its current policies and practices, and the effects thereof, that do not or may not meet the requirements of this part, and, to the extent modification of any such policies and practices is required, the agency shall proceed to make the necessary modifications.

(b) The agency shall provide an opportunity to interested persons, including handicapped persons or organizations representing handicapped persons, to participate in the self-evaluation process by submitting comments (both oral and written).

(c) The agency shall, until three years following the completion of the self-evaluation, maintain on file and make available for public inspection:

(1) A description of areas examined and any problems identified, and

(2) A description of any modifications made.

§ 794.111 Notice.

The agency shall make available to employees, applicants, participants, beneficiaries, and other interested persons such information regarding the provisions of this part and its applicability to the programs or activities conducted by the agency, and make such information available to them in such manner as the head of the agency finds necessary to apprise such persons of the protections against discrimination assured them by section 504 and this regulation.

§§ 794.112–794.129 [Reserved]

§ 794.130 General prohibitions against discrimination.

(a) No qualified handicapped person shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

(b)(1) The agency, in providing any aid, benefit, or service, may not, directly or through contractual, licensing, or other arrangements, on the basis of handicap—

(i) Deny a qualified handicapped person the opportunity to participate in or benefit from the aid, benefit, or service;

(ii) Afford a qualified handicapped person an opportunity to participate in or benefit from the aid, benefit, or service that is not equal to that afforded others;

(iii) Provide a qualified handicapped person with an aid, benefit, or service that is not as effective in affording

equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as that provided to others;

(iv) Provide different or separate aid, benefits, or services to handicapped persons or to any class of handicapped persons than is provided to others unless such action is necessary to provide qualified handicapped persons with aid, benefits, or services that are as effective as those provided to others;

(v) Deny a qualified handicapped person the opportunity to participate as a member of planning or advisory boards; or

(vi) Otherwise limit a qualified handicapped person in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving the aid, benefit, or service.

(2) The agency may not deny a qualified handicapped person the opportunity to participate in programs or activities that are not separate or different, despite the existence of permissibly separate or different programs or activities.

(3) The agency may not, directly or through contractual or other arrangements, utilize criteria or methods of administration the purpose or effect of which would—

(i) Subject qualified handicapped persons to discrimination on the basis of handicap; or

(ii) Defeat or substantially impair accomplishment of the objectives of a program activity with respect to handicapped persons.

(4) The agency may not, in determining the site or location of a facility, make selections the purpose or effect of which would—

(i) Exclude handicapped persons from, deny them the benefits of, or otherwise subject them to discrimination under any program or activity conducted by the agency; or

(ii) Defeat or substantially impair the accomplishment of the objectives of a program or activity with respect to handicapped persons.

(5) The agency, in the selection of procurement contractors, may not use criteria that subject qualified handicapped persons to discrimination on the basis of handicap.

National Credit Union Administration

§ 794.150

(6) The agency may not administer a licensing or certification program in a manner that subjects qualified handicapped persons to discrimination on the basis of handicap, nor may the agency establish requirements for the programs or activities of licensees or certified entities that subject qualified handicapped persons to discrimination on the basis of handicap. However, the programs or activities of entities that are licensed or certified by the agency are not, themselves, covered by this part.

(c) The exclusion of nonhandicapped persons from the benefits of a program limited by Federal statute or Executive order to handicapped persons or the exclusion of a specific class of handicapped persons from a program limited by Federal statute or Executive order to a different class of handicapped persons is not prohibited by this part.

(d) The agency shall administer programs and activities in the most integrated setting appropriate to the needs of qualified handicapped persons.

§§ 794.131–794.139 [Reserved]

§ 794.140 Employment.

No qualified handicapped person shall, on the basis of handicap, be subjected to discrimination in employment under any program or activity conducted by the agency. The definitions, requirements, and procedures of section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791), as established by the Equal Employment Opportunity Commission in 29 CFR part 1613, shall apply to employment in federally conducted programs or activities.

§§ 794.141–794.148 [Reserved]

§ 794.149 Program accessibility: Discrimination prohibited.

Except as otherwise provided in § 794.150, no qualified handicapped person shall, because the agency's facilities are inaccessible to or unusable by handicapped persons, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

§ 794.150 Program accessibility: Existing facilities.

(a) *General.* The agency shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by handicapped persons. This paragraph does not—

(1) Necessarily require the agency to make each of its existing facilities accessible to and usable by handicapped persons;

(2) In the case of historic preservation programs, require the agency to take any action that would result in a substantial impairment of significant historic features of an historic property; or

(3) Require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with § 794.150(a) would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that handicapped persons receive the benefits and services of the program or activity.

(b) *Methods*—(1) *General.* The agency may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock,

or any other methods that result in making its programs or activities readily accessible to and usable by handicapped persons. The agency is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section. The agency, in making alterations to existing buildings, shall meet accessibility requirements to the extent compelled by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), and any regulations implementing it. In choosing among available methods for meeting the requirements of this section, the agency shall give priority to those methods that offer programs and activities to qualified handicapped persons in the most integrated setting appropriate.

(2) *Historic preservation programs.* In meeting the requirements of § 794.150(a) in historic preservation programs, the agency shall give priority to methods that provide physical access to handicapped persons. In cases where a physical alteration to an historic property is not required because of § 794.150(a)(2) or (a)(3), alternative methods of achieving program accessibility include—

(i) Using audio-visual materials and devices to depict those portions of an historic property that cannot otherwise be made accessible;

(ii) Assigning persons to guide handicapped persons into or through portions of historic properties that cannot otherwise be made accessible; or

(iii) Adopting other innovative methods.

(c) *Time period for compliance.* The agency shall comply with the obligations established under this section by October 21, 1986, except that where structural changes in facilities are undertaken, such changes shall be made by August 22, 1989, but in any event as expeditiously as possible.

(d) *Transition plan.* In the event that structural changes to facilities will be undertaken to achieve program accessibility, the agency shall develop, by February 23, 1987, a transition plan setting forth the steps necessary to complete such changes. The agency shall provide an opportunity to interested persons, including handicapped persons

or organizations representing handicapped persons, to participate in the development of the transition plan by submitting comments (both oral and written). A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum—

(1) Identify physical obstacles in the agency's facilities that limit the accessibility of its programs or activities to handicapped persons;

(2) Describe in detail the methods that will be used to make the facilities accessible;

(3) Specify the schedule for taking the steps necessary to achieve compliance with this section and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period; and

(4) Indicate the official responsible for implementation of the plan.

§ 794.151 Program accessibility: New construction and alterations.

Each building or part of a building that is constructed or altered by, on behalf of, or for the use of the agency shall be designed, constructed, or altered so as to be readily accessible to and usable by handicapped persons. The definitions, requirements, and standards of the Architectural Barriers Act (42 U.S.C. 4151–4157), as established in 41 CFR 101–19.600 to 101–19.607, apply to buildings covered by this section.

§§ 794.152–794.159 [Reserved]

§ 794.160 Communications.

(a) The agency shall take appropriate steps to ensure effective communication with applicants, participants, personnel of other Federal entities, and members of the public.

(1) The agency shall furnish appropriate auxiliary aids where necessary to afford a handicapped person an equal opportunity to participate in, and enjoy the benefits of, a program or activity conducted by the agency.

(i) In determining what type of auxiliary aid is necessary, the agency shall give primary consideration to the requests of the handicapped person.

(ii) The agency need not provide individually prescribed devices, readers for

National Credit Union Administration

§ 794.170

personal use or study, or other devices of a personal nature.

(2) Where the agency communicates with applicants and beneficiaries by telephone, telecommunication devices for deaf person (TDD's) or equally effective telecommunication systems shall be used.

(b) The agency shall ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of accessible services, activities, and facilities.

(c) The agency shall provide signage at a primary entrance to each of its inaccessible facilities, directing users to a location at which they can obtain information about accessible facilities. The international symbol for accessibility shall be used at each primary entrance of an accessible facility.

(d) This section does not require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with § 794.160 would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that, to the maximum extent possible, handicapped persons receive the benefits and services of the program or activity.

§§ 794.161–794.169 [Reserved]

§ 794.170 Compliance procedures.

(a) Except as provided in paragraph (b) of this section, this section applies to all allegations of discrimination on the basis of handicap in programs or activities conducted by the agency.

(b) The agency shall process complaints alleging violations of section 504 with respect to employment according to the procedures established by the Equal Employment Opportunity Commission in 29 CFR part 1613 pursuant to section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791).

(c) The Director, Office of Administration, shall be responsible for coordinating implementation of this section. Complaints may be sent to NCUA, 1776 G Street NW., Room 7261, Washington, DC 20456.

(d) The agency shall accept and investigate all complete complaints for which it has jurisdiction. All complete complaints must be filed within 180 days of the alleged act of discrimination. The agency may extend this time period for good cause.

(e) If the agency receives a complaint over which it does not have jurisdiction, it shall promptly notify the complainant and shall make reasonable efforts to refer the complaint to the appropriate government entity.

(f) The agency shall notify the Architectural and Transportation Barriers Compliance Board upon receipt of any complaint alleging that a building or facility that is subject to the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), or section 502 of the Rehabilitation Act of 1973, as amended (29 U.S.C. 792), is not readily accessible to and usable by handicapped persons.

(g) Within 180 days of the receipt of a complete complaint for which it has jurisdiction, the agency shall notify the complainant of the results of the investigation in a letter containing—

(1) Findings of fact and conclusions of law;

(2) A description of a remedy for each violation found; and

(3) A notice of the right to appeal.

(h) Appeals of the findings of fact and conclusions of law or remedies must be filed by the complainant within 90 days

§§ 794.171–794.999

of receipt from the agency of the letter required by § 794.170(g). The agency may extend this time for good cause.

(i) Timely appeals shall be accepted and processed by the head of the agency.

(j) The head of the agency shall notify the complainant of the results of the appeal within 60 days of the receipt of the request. If the head of the agency determines that additional information is needed from the complainant, he or she shall have 60 days from the date of receipt of the additional information to make his or her determination on the appeal.

(k) The time limits cited in paragraphs (g) and (j) of this section may be extended with the permission of the Assistant Attorney General.

(l) The agency may delegate its authority for conducting complaint investigations to other Federal agencies, except that the authority for making the final determination may not be delegated to another agency.

PART 796—POST-EMPLOYMENT RESTRICTIONS FOR CERTAIN NCUA EXAMINERS

Sec.

796.1 What is the purpose and scope of this part?

796.2 Who is considered a senior examiner of the NCUA?

796.3 What special post-employment restrictions apply to senior examiners?

796.4 When do these special restrictions become effective and may they be waived?

796.5 What are the penalties for violating these special post-employment restrictions?

796.6 What other definitions and rules of construction apply for purposes of this part?

AUTHORITY: 12 U.S.C. 1786(w).

SOURCE: 70 FR 72703, Dec. 7, 2005, unless otherwise noted.

§ 796.1 What is the purpose and scope of this part?

This part identifies those National Credit Union Administration (NCUA) employees who are subject to the special, post-employment restrictions in section 1786(w) of the Act and implements those restrictions as they apply to NCUA employees.

§ 796.2 Who is considered a senior examiner of the NCUA?

For purposes of this part, an NCUA employee is considered to be the “senior examiner” for a federally insured credit union if the employee—

- (a) Has been authorized by NCUA to conduct examinations or inspections of federally insured credit unions on behalf of NCUA;
- (b) Has continuing, broad, and lead responsibility for examining or inspecting that federally insured credit union;
- (c) Routinely interacts with officers or employees of that federally insured credit union; and
- (d) Devotes a substantial portion of his or her time to supervising or examining that federally insured credit union.

§ 796.3 What special post-employment restrictions apply to senior examiners?

(a) *Senior examiners of federally insured credit unions.* An officer or employee of the NCUA who performs work (onsite or offsite) as the senior examiner of a federally insured credit union for a total of two or more months during the last 12 months of individual’s employment with NCUA may not, within one year after leaving NCUA employment, knowingly accept compensation as an employee, officer, director, or consultant from that credit union.

(b) *Example.* An NCUA resident corporate credit union examiner assigned to work at a federally insured, corporate credit union for two or more months during the last 12 months of that individual’s employment with NCUA will be subject to the one-year prohibition of this section.

§ 796.4 When do these special restrictions become effective and may they be waived?

The post-employment restrictions in section 1786(w) of the Act and § 796.3 do not apply to any current or former NCUA employee, if:

- (a) The individual ceased to be an NCUA employee on or before December 17, 2005; or
- (b) The Chairman of the NCUA Board certifies in writing and on a case-by-case basis that granting the senior examiner a waiver of the restrictions would not affect the integrity of the NCUA’s supervisory program.

§ 796.5 What are the penalties for violating these special post-employment restrictions?

(a) *Penalties under section 1786(w)(5) of the Act.* An NCUA senior examiner who violates the post-employment restrictions set forth in § 796.3 can be:

- (1) Removed from participating in the affairs of the relevant credit union and prohibited from participating in the affairs of any federally insured credit union for a period of up to five years; and, alternatively, or in addition,
- (2) Assessed a civil monetary penalty of not more than \$250,000.

(b) *Other penalties.* The penalties in paragraph (a) of this section are not exclusive, and a senior examiner who violates the restrictions in § 796.3 also may be subject to other administrative, civil, and criminal remedies and penalties as provided in law.

§ 796.6 What other definitions and rules of construction apply for purposes of this part?

For purposes of this part, a person shall be deemed to act as a “consultant” for a federally insured credit union or other company only if the person works directly on matters for, or on behalf of, such credit union.

Subpart A—Scope, Purpose, Definitions and Delegation of Authority

§ 797.1 Scope.

This part establishes NCUA procedures for the collection of certain debts owed to the United States.

(a) This part applies to collections by NCUA from:

- (1) Federal employees who are indebted to NCUA;
- (2) Employees of NCUA who are indebted to other agencies or NCUA; and
- (3) Former federal employees who are indebted to NCUA.

(b) This part does not apply:

12 CFR Ch. VII (1–1–10 Edition)

(1) To debts or claims arising under the Internal Revenue Code of 1986 (Title 26, U.S. Code), the Social Security Act (*42 U.S.C. 301 et seq.*), or the tariff laws of the United States;

(2) To a situation to which the Contract Disputes Act (*41 U.S.C. 601 et seq.*) applies;

(3) In any case where collection of a debt is explicitly provided for or prohibited by another statute;

(4) To debts owed to or payments made by NCUA in connection with NCUA's conservatorship, liquidation, supervision, enforcement, or insurance responsibilities pursuant to *12 U.S.C. 1786 and 1787*, nor does it limit or affect NCUA's authority with respect to debts and/or claims pursuant to *12 U.S.C. 1752(a) and 1766*.

(c) Nothing in this part precludes the compromise, suspension, or termination of collection actions, where appropriate, under standards implementing the Debt Collection Improvement Act (DCIA) (*31 U.S.C. 3711 et seq.*), the Federal Claims Collection Standards (FCCS) (31 CFR parts 900 through 904); or any other applicable law.

§ 797.2 Purpose.

(a) The purpose of this part is to implement federal statutes and regulatory standards authorizing NCUA to collect debts owed to the United States. This part is consistent with the following federal statutes and regulations:

(1) DCIA at *31 U.S.C. 3711* (collection and compromise of claims); section 3716 (administrative offset), and section 3717 (interest and penalty on claims).

(2) *5 U.S.C. 5514* (salary offset);

(3) *5 U.S.C. 5584* (waiver of claims for overpayment);

(4) 31 CFR parts 900 through 904 (FCCS);

(5) 5 CFR part 550, subpart K (salary offset);

(6) *31 U.S.C. 3720D*, 31 CFR 285.11 (administrative wage garnishment); and

(7) 5 CFR 831.1801 through 1808 (U.S. Office of Personnel Management (OPM) offset).

(b) Collectively, these statutes and regulations prescribe the manner in which federal agencies should proceed to establish the existence and validity

National Credit Union Administration

§ 797.5

of debts owed to the federal government and describe the remedies available to agencies to offset valid debts.

§ 797.3 Definitions.

Except where the context clearly indicates otherwise or where the term is defined elsewhere in this subpart, the following definitions shall apply to this subpart.

(a) Administrative offset, as defined in *31 U.S.C. 3701(a)(1)*, means withholding money payable by the United States government to, or held by the government for, a person to satisfy a debt the person owes the government.

(b) Agency means a department, agency, or instrumentality in the Executive, Judicial, or Legislative branch of the government.

(c) Claim or debt means money or property owed by a person or entity to an agency of the federal government. A “claim” or “debt” includes amounts due the government, fees, services, overpayments, penalties, damages, interest, fines and forfeitures. For purposes of this part, a debt owed to NCUA constitutes a debt owed to the federal government.

(d) Claim certification means a creditor agency’s written request to a paying agency to effect an administrative or salary offset.

(e) Creditor agency means an agency to which a claim or debt is owed.

(f) Debtor means the person or entity owing money to the federal government.

(g) Disposable pay means that part of current basic pay or other authorized pay remaining after the deduction of any amount required by law to be withheld. NCUA shall allow the deductions described in *5 CFR 581.105(b)* through (f).

(h) Employee means a current employee of NCUA or another agency.

(i) FCCS means the Federal Claims Collection Standards published in *31 CFR* part 900.

(j) Hearing official means an individual who is authorized to conduct a hearing with respect to the existence or amount of a debt claimed and issue a final decision on the basis of such hearing. A hearing official may not be under the supervision or control of

NCUA when NCUA is the creditor agency.

(k) NCUA means the National Credit Union Administration.

(l) Paying agency means an agency of the federal government owing money to a debtor against which an administrative or salary offset can be effected.

(m) Salary offset means an administrative offset to collect a debt under *5 U.S.C. 5514* by deductions at one or more officially established pay intervals from the current pay account of a debtor.

(n) Waiver means the cancellation, remission, forgiveness, or nonrecovery of a debt allegedly owed by an employee to NCUA or another agency as permitted or required by *5 U.S.C. 5584* or any other law.

§ 797.4 Delegation of authority.

Authority to conduct the following activities is delegated to the Executive Director to:

(a) Initiate and carry out the debt collection process on behalf of NCUA, in accordance with the FCCS;

(b) Accept or reject compromise offers, suspend, terminate or waive collection actions to the full extent of NCUA’s legal authority under *12 U.S.C. 1752(a)* and *1789*; *31 U.S.C. 3711*, and any other applicable statute or regulation.

(c) Report to consumer reporting agencies certain data pertaining to delinquent debts, where appropriate;

(d) Use offset procedures, including administrative and salary offset, to collect debts; and

(e) Take any other action necessary to promptly and effectively collect debts owed to the government in accordance with the policies contained herein and as otherwise provided by law.

Subpart B—Administrative Offset

§ 797.5 Authority and scope.

NCUA may collect a debt owed to the federal government from a person, organization, or other entity by administrative offset, pursuant to *31 U.S.C. 3716*, where:

(a) The debt is certain in amount;

(b) Administrative offset is feasible, desirable, and not otherwise prohibited;

§ 797.6

(c) The applicable statute of limitations has not expired; and

(d) Administrative offset is in the best interest of the federal government.

§ 797.6 Administrative offset prior to completion of procedures.

Prior to the completion of the procedures described in § 797.7, NCUA may effect administrative offset if failure to offset would substantially prejudice its ability to collect the debt, and if the time before the payment is to be made does not reasonably permit completion of the procedures described in § 797.7. Such prior administrative offset shall be followed promptly by the completion of the procedures described in § 797.7.

§ 797.7 Procedures.

Prior to collecting any debt by administrative offset or referring such claim to another agency for collection through administrative offset, NCUA shall provide the debtor with a written Notice of Intent to Collect by Administrative Offset (the Notice) at least 30 calendar days before administrative offset is to commence.

The Notice shall provide the following information:

(a) The nature and amount of the debt, the intention of NCUA to collect the debt through administrative offset, and a statement of the rights of the debtor under this section, including the right to request a waiver under 5 *U.S.C.* 5584;

(b) An opportunity to inspect and copy the records of NCUA related to the debt or receive copies if personal inspection is impractical;

(c) The payment due date, which shall be 30 calendar days from the date after receipt of the initial demand for payment;

(d) An opportunity for the debtor to obtain a review of the determination of indebtedness. Any request for review by the debtor shall be in writing and shall be submitted to NCUA within 15 calendar days after receipt of the Notice. NCUA may waive the time limits for requesting review for good cause shown by the debtor. NCUA shall provide the debtor with a reasonable opportunity for an oral hearing when:

12 CFR Ch. VII (1–1–10 Edition)

(1) An applicable statute authorizes or requires NCUA to consider waiver of the indebtedness involved, the debtor requests waiver of the indebtedness, and the waiver determination turns on an issue of credibility or veracity; or

(2) The debtor requests reconsideration of the debt and NCUA determines that the question of the indebtedness cannot be resolved by review of the documentary evidence, as for example, when the validity of the debt turns on an issue of credibility or veracity. Unless otherwise required by law, an oral hearing under this subpart is not required to be a formal evidentiary hearing, although NCUA shall document all significant matters discussed at the hearing. In those cases where an oral hearing is not required by this subpart, NCUA shall make its determination on the request for waiver or reconsideration based upon a review of the written record.

(e) An opportunity to enter into a written agreement for the repayment of the amount of the claim at the discretion of NCUA;

(f) That charges for interest, penalties, and administrative costs will be assessed against the debtor, in accordance with 31 *U.S.C.* 3717, if payment is not received by the payment due date, unless excused by the FCCS;

(g) That if the debtor has not entered into an agreement with NCUA to pay the debt, has not requested NCUA to review the debt, or has not paid the debt by the payment due date, NCUA intends to collect the debt by all legally available means;

(h) The name and address of the Executive Director whom the debtor shall send all correspondence relating to the debt; and

(i) Other information, as may be appropriate.

§ 797.8 Right to agency review.

(a) If the debtor disputes the claim, the debtor may request a review of NCUA's determination of the existence of the debt or of the amount of the debt. If only part of the claim is disputed, the undisputed portion should be paid by the payment due date.

(b) To obtain a review, the debtor shall submit a written request for review to the Executive Director within

National Credit Union Administration

§ 797.11

15 calendar days after receipt of the Notice. The debtor's request for review shall state the basis on which the claim is disputed.

(c) The NCUA shall promptly notify the debtor, in writing, that the NCUA has received the request for review. The NCUA shall conduct its review of the claim in accordance with § 797.9.

§ 797.9 Review procedures.

(a) Unless an oral hearing is required by § 797.7(d), NCUA's review shall be a review of the written record of the claim.

(b) If an oral hearing is required, NCUA shall provide the debtor with a reasonable opportunity for such a hearing. The oral hearing, however, shall not be an adversarial adjudication and need not take the form of a formal evidentiary hearing. All significant matters discussed at the hearing, however, will be carefully documented.

(c) Any review required by this part, whether a review of the written record or an oral hearing, shall be conducted by a hearing official. When NCUA is the creditor agency and the debtor is an NCUA employee, NCUA shall contact any agency designated in appendix A to 5 CFR part 581 to arrange for a hearing official. When NCUA is the creditor agency and the debtor is not an NCUA employee (i.e., the debtor is employed by another federal agency, also known as the paying agency), and NCUA cannot provide a prompt and appropriate hearing, NCUA may contact an agent of the paying agency designated in appendix A to 5 CFR part 581 to arrange for a hearing official. The paying agency must cooperate with NCUA to provide a hearing official, as required by the FCCS.

(d) The hearing official shall issue a final written decision based on documentary evidence and, if applicable, information developed at an oral hearing. The written decision shall be issued as soon as practicable after the review but not later than 60 days after the date on which the request for review was received by NCUA, unless the debtor requests a delay in the proceedings. A delay in the proceedings shall be granted if the hearing official determines that there is good cause to grant the delay. If a delay is granted, the 60-day

decision period shall be extended by the number of days by which the review was postponed.

(e) Upon issuance of the written opinion, NCUA shall promptly notify the debtor of the hearing official's decision. The notification shall include a copy of the written decision issued by the hearing official.

§ 797.10 Special review.

(a) An employee subject to offset, or a voluntary repayment agreement, may, at any time, request a special review by the Executive Director of the amount of the offset or voluntary repayment, based on materially changed circumstances, including, but not limited to, catastrophic illness, divorce, death, or disability.

(b) To determine whether an offset would prevent the employee from meeting essential subsistence expenses, the employee shall submit a detailed statement and supporting documents for the employee, the employee's spouse, and dependents indicating the employee's assets and liabilities.

(c) If the employee requests a special review under this section, the employee shall file an alternative proposed offset or payment schedule and a statement.

(d) The Executive Director shall evaluate the statement and supporting documents, and determine whether the original offset or repayment schedule imposes an undue financial hardship on the employee. The Executive Director shall notify the employee in writing within 30 calendar days of such determination, including, if appropriate, a revised offset or payment schedule. If the special review results in a revised offset or repayment schedule, NCUA shall provide a new certification to the paying agency.

§ 797.11 Interest, administrative costs, and penalties.

Where NCUA is the creditor agency, it shall assess interest, penalties and administrative costs pursuant to 31 U.S.C. 3717 and 31 CFR parts 900 through 904, unless excused in accordance with the FCCS.

§ 797.12

§ 797.12 Refunds.

NCUA shall refund promptly those amounts recovered by offset but later found not to be owed to the federal government.

§ 797.13 Requests for administrative offset where NCUA is the creditor agency.

(a) NCUA may request that a debt owed to NCUA be collected by administrative offset against funds due and payable to a debtor by another agency.

(b) In requesting administrative offset, NCUA, as creditor, shall certify in writing to the agency holding funds of the debtor:

(1) That the debtor owes the debt;

(2) The amount and basis of the debt; and

(3) That NCUA has complied with the requirements of its own administrative offset regulations and the applicable provisions of the FCCS with respect to providing the debtor with due process.

§ 797.14 Requests for administrative offset from other federal agencies where NCUA is the paying agency.

(a) Any agency may request that funds due and payable to a debtor by NCUA be administratively offset in order to collect a debt owed to such agency by the debtor.

(b) NCUA shall initiate the requested administrative offset only upon receipt of a written certification from the creditor agency that:

(1) The debtor owes the debt, including the amount and basis of the debt;

(2) The agency has prescribed regulations for the exercise of administrative offset; and

(3) The agency has complied with its own administrative offset regulations and with the applicable provisions of the FCCS, with respect to providing the debtor with due process.

§ 797.15 Administrative offset against amounts payable from Civil Service Retirement and Disability Fund.

NCUA may request that monies payable to a debtor from the Civil Service Retirement and Disability Fund be administratively offset to collect debts owed to NCUA by the debtor. NCUA shall provide OPM with a written certification that states the debtor owes

12 CFR Ch. VII (1–1–10 Edition)

the debt, the amount of the debt, and that NCUA has complied with the agency's offset regulations, as well as, the requirements set forth in 31 CFR parts 900 through 904 and OPM's regulations.

§ 797.16 Stay of offset.

(a) When a creditor agency receives a debtor's request for inspection of agency records, the offset is stayed for 15 calendar days beyond the date set for the record inspection.

(b) When a creditor agency receives a debtor's offer to enter into a repayment agreement, the offset is stayed until the debtor is notified as to whether the proposed agreement is acceptable.

(c) When a review is conducted, the offset is stayed until the creditor agency issues a final written decision. The written decision must be issued within 60 days after receipt of the debtor's request for review.

Subpart C—Salary Offset

§ 797.17 Authority and scope.

(a) NCUA may collect debts owed by employees to the federal government by means of salary offset under the authority of 5 U.S.C. 5514, 5 CFR part 550, subpart K, and this subpart. The procedures set forth in this subpart apply to situations where NCUA is attempting to collect a debt by salary offset that is owed to it by an individual employed by NCUA or by another agency; or where NCUA employs an individual who owes a debt to another agency. Since salary offset is a type of administrative offset, this subpart supplements subpart B.

(b) The procedures set forth in this subpart do not apply to:

(1) Any routine intra-agency adjustment of pay that is attributable to clerical or administrative error or delay in processing pay documents that have occurred within the four pay periods preceding the adjustment, or any adjustment to collect a debt amounting to \$50 or less. However, at the time of any such adjustment, or as soon thereafter as possible, NCUA or its designated payroll agent shall provide the employee with a written notice of the

National Credit Union Administration

§ 797.19

nature and the amount of the adjustment and a point of contact for contesting such adjustment.

(2) Any negative adjustment to pay that arises from an employee's election of coverage or a change in coverage under a federal benefits program that requires periodic deductions from pay, if the amount to be recovered was accumulated over four pay periods or less. However, at the time that such adjustment is made, NCUA shall provide the employee a statement that informs the employee of the previous overpayment.

Where NCUA seeks salary offset under *5 U.S.C. 5514* as the creditor agency, NCUA shall first provide the employee with a written Notice of Intent to Collect by Salary Offset (the Notice) at least 30 calendar days before salary offset is to commence. (b) The amount of the debt and the factual basis for the debt;

(c) A salary offset schedule stating the frequency and amount of each deduction, stated as a fixed dollar amount or percentage of disposable pay not to exceed 15 percent;

(e) NCUA's policy concerning interest, penalties, and administrative costs, and a statement that such assessments must be made, unless excused in accordance with the FCCS;

(f) That the employee has the right to inspect and copy NCUA records related to the debt, or to receive copies of such records if personal inspection is impractical;

(h) The procedure and deadline for requesting a hearing, including the name, address, and telephone number of the Executive Director or other designated individual to whom a request for a hearing must be sent;

(b) In response to a timely request submitted by the employee, the employee shall be notified of the location and time when the employee may inspect and copy records related to the debt. If the employee is unable personally to inspect such records, NCUA shall arrange to send copies of such records to the employee.

§ 797.20 Procedures to request a hearing.

(a) To request a hearing, an employee must send a written request to the Executive Director within 15 calendar days after the employee's receipt of the Notice. If the employee files a request for a hearing after the expiration of the 15th calendar day, NCUA may accept the request if the employee can show that the delay was the result of circumstances beyond the employee's control or the employee failed to receive actual notice of the filing deadline.

(b) The request for a hearing must be signed by the employee and must fully identify and explain with reasonable specificity all the facts, evidence, and witnesses, if any, that support the employee's position. The request must also state whether the employee is requesting an oral or documentary hearing. If an oral hearing is requested, the request shall state why the matter cannot be resolved by a review of documentary evidence alone.

(c) The failure of an employee to request a hearing will be considered an admission by the employee that the debt exists in the amount specified in the Notice.

§ 797.21 Hearing procedures.

(a) *Obtaining the services of a hearing official.* When the debtor is not an NCUA employee and NCUA cannot provide a prompt and appropriate hearing before a hearing official, NCUA may request a hearing official from an agent of the paying agency, as designated in 5 CFR part 581, appendix A, or as otherwise designated by the paying agency. When the debtor is an NCUA employee,

NCUA may contact any agent of another agency, as designated in 5 CFR part 581, appendix A.

(b) *Notice of hearing.* After the employee requests a hearing, the hearing official shall notify the employee of the form of the hearing to be provided. If the hearing will be oral, the notice shall set forth the date, time, and location of the hearing, which must occur no more than 30 calendar days after the request is received, unless the employee requests that the hearing be delayed. If the hearing will be conducted by an examination of documents, the employee, within 30 calendar days, shall submit any evidence or written arguments that should be considered by the hearing official.

(c) *Oral hearing.* (1) An employee who requests an oral hearing shall be provided an oral hearing if the hearing official determines that the matter cannot be resolved by an examination of the documents alone, as for example, when an issue of credibility or veracity is involved. The oral hearing need not be an adversarial adjudication and rules of evidence need not apply.

(2) Oral hearings may take the form of, but are not limited to:

(i) Informal conferences with the hearing official in which the employee and agency representative are given full opportunity to present evidence, witnesses, and argument;

(ii) Informal meetings in which the hearing examiner interviews the employee; or

(2) The decision of the hearing official shall be final and is considered to be an official certification regarding the existence and the amount of the debt for purposes of executing salary offset under 5 U.S.C. 5514. If the hearing official determines that a debt may not be collected by salary offset, but NCUA finds that the debt is still valid, NCUA may seek collection of the debt through other means in accordance with applicable law and regulations.

(g) *Content of decision.* The written decision shall include:

(1) A summary of the facts concerning the origin, nature, and amount of the debt;

(2) The hearing official's findings, analysis, and conclusions; and

(3) The terms of any repayment schedules, if applicable.

(h) *Failure to appear.* If the employee or the NCUA representative fails to appear, the hearing official shall proceed with the hearing as scheduled, and issue the decision based upon the oral testimony presented and the documentation submitted by both parties. At the request of both parties, the hearing official may re-schedule the hearing date.

§ 797.22 Voluntary repayment agreement.

(a) In response to the Notice, an employee may propose to repay the debt voluntarily in lieu of salary offset by submitting a written proposed repayment schedule to NCUA. Any proposal under this section must be received by NCUA within 15 calendar days after receipt of the Notice.

(b) In response to a timely proposal by the employee, NCUA shall notify the employee whether the employee's proposed repayment schedule is acceptable. NCUA has the discretion to accept, reject, or propose to the employee a modification of the proposed repayment schedule.

(1) If NCUA decides that the proposed repayment schedule is unacceptable,

the employee shall have 15 calendar days from the date of the decision in which to file a request for a hearing.

(2) If NCUA decides that the proposed repayment schedule is acceptable or the employee agrees to a modification proposed by NCUA, an agreement shall be put in writing and signed by both the employee and NCUA.

§ 797.23 Certification where NCUA is the creditor agency.

(b) The certification must be in writing and state:

(1) That the employee owes the debt;

(2) The amount and basis of the debt;

(3) The date the federal government's right to collect the debt first accrued;

(4) The date the employee was notified of the debt, the action(s) taken pursuant to NCUA's regulations, and the dates such actions were taken;

(5) If the collection is to be made by lump-sum payment, the amount and date such payment will be collected;

(6) If the collection is to be made in installments, the amount or percentage of disposable pay to be collected in each installment and, if NCUA wishes, the desired commencing date of the first installment, if a date other than the next officially established pay period; and

(c) If NCUA is not the creditor agency, NCUA shall provide a copy of the notice to the creditor agency and advise the creditor agency of the dollar amount to be offset and the pay period when the offset will begin.

§ 797.25 Recovery from final check or other payments due a separated employee.

(a) *Lump-sum deduction from final check.* In order liquidate a debt, a lump-sum deduction exceeding 15 per-

cent of disposable pay may be made pursuant to *31 U.S.C. 3716* from any final salary payment due a former employee, whether the former employee was separated voluntarily or involuntarily.

(b) *Lump-sum deductions from other sources.* Whenever an employee subject to salary offset is separated from NCUA, and the balance of the debt cannot be liquidated by offset of the final salary payment, NCUA may offset any later payments of any kind to the former employee to collect the balance of the debt pursuant to *31 U.S.C. 3716*.
